2. On or before the 30th day of each month, Servicer agrees to deposit the monthly impound collections received through the 20th day of that month into regular savings accounts in an institution insured by an agency of the Federal Government yielding the highest available interest rate with out the requirement of any fixed time period. It is understood that if, at any time, the market value of the Bonds falls below the equivalent amount of cash for which they were exchanged, the Servicer, at its option, may require the Trustors to make up the deficiency. It is understood that the Servicer and/or Beneficiary assumes no liability resulting from the fluctuation in the market value of the Bonds.

6. It is understood that the Trustors, after ascertaining the dollar amount for which Bonds may be substituted, will purchase the Bonds and deliver them to the Servicer. The
