

**MUTUAL OPERATIONS****PHYSICAL PROPERTY****Roof & Attic Access – Mutual Two**

No person shall access the roof or attic areas of any building in Mutual Two without the express permission and approval of the Golden Rain Foundation Physical Property Department. The only person within this Physical Property Department who may give such permission or approval is the Mutual Two Building Inspector or the GRF Physical Property Facilities Director, or their specific and assigned designees.

This prohibition includes:

1. Any shareholder, even if such shareholder is an occupant of the building whose roof or attic is being accessed.
2. Any other person related to, or associated with, any other resident or shareholder such as a caregiver, a relative, or guest, and including any Director sitting on the Mutual Two Board of Directors, including any two or more such Directors in concert.
3. Any contractor of any sort for whom access had been requested or granted for an existing contract, any prior contract, or for the purpose of bidding on a future contract.
4. Any public official such as an inspector or other legal authority without proper, documented permission.

Emergency circumstance to protect persons or property, of course, preempt any and all such restrictions and limitations.
