

MUTUAL OPERATIONS**RESIDENT REGULATIONS****Carport Regulations - Mutual Assignments**

Originally, all Mutuals adopted Policy 7502, Carport Regulations, except Mutual No. Seven, which adopted Policy 7502.2, and Mutual No. Seventeen, which never adopted any carport policy. Over the years, some Mutuals retained the use of #7502 and amended the policy, while others rescinded it and adopted their own policies. In addition, some Mutuals were assigned new policy numbers for administrative purposes.

Currently, all Mutuals have their own policy, so Policy 7502 was created to track the adoption and amendments of all Mutual carport policies.

For ease of reading, please read from left to right, then go to the next row and read from left to right, then the next row, etc.
