1. Carports are to be used for parking of self-propelled land vehicles in operating condition. Any stored items in the carports must be completely contained in the carport cabinets except as permitted in paragraph 4 below.
2. Current fire regulations prohibit the storage of fuel oil or any combustible material in the carport areas.
3. All vehicles, when parked in the carports, must be headed in. When parked, vehicles shall not extend beyond the edge of the roof drip line of the carport. Property, including secondary storage facilities, shall not interfere with the shareholder's vehicle fitting under the edge of the carport roof drip line. This may require removal of secondary storage facilities at owner's expense even if the secondary storage facilities have been approved by the Board and meet the design of this regulation.
4. The following property may be stored or used as storage under upper cabinets:
  - a. One bicycle, tricycle, folding shopping cart, hand cart, and stepladder of up to 8 feet, or, a combination of three such items; or

  - c. Secondary storage cabinets as described in Section E; or,
  - d. Bypass sliding doors as described in Section F.

Other property including motorcycles, motor bikes, mopeds, electric carts, bicycles, tricycles, etc., must not be parked between self-propelled vehicles because that would infringe upon another occupant's vehicle space.

5. Carports are for the use of Mutual Eight Shareholders and Registered Co-occupant. Use by anyone else is prohibited. Passenger vehicles are to be parked heading in, and shall be licensed and insured in compliance with Department of Motor Vehicles regulations. The Mutual Corporation retains, at all times, the authority to revoke and cancel this temporary change of carport assignment, at its discretion. The re-assignment of carport spaces, herein provided, will automatically become null and void in the event of a sale of the stock representing either apartment, with absolutely no exceptions to the rules herein provided.

**C. Oil Spills on Carport Floor or Street**

Shareholders are permitted to have a secondary carport storage cabinet installed beneath their existing cabinet at the shareholder's expense, with the approval of the Mutual Eight Board of Directors and Building Inspector and obtaining the appropriate permit from the Physical Property Department before the cabinets are installed. If a cabinet is installed without permit or not in conformity with this standard design and specified materials, the cabinet shall be removed at the expense of the shareholder.
