

MUTUAL OPERATIONS

RESIDENT REGULATIONS

Flagpoles – Mutual Six Only

If a shareholder wishes to have a flagpole installed, the following must be adhered to:

1. A permit to install a flagpole must be obtained from the Physical Property Department of the Golden Rain Foundation.
2. The flagpole may be installed only in the shareholder's authorized garden area at a maximum height of 20 feet. The minimum height varies, but it must be high enough so that the flag does not touch the building or roof when whipped by the wind.
3. The material of a flagpole must be standard aluminum tubing with proper rope cable, flag clamps and a pulley system. The rope cable must have a means to be stretched and tied down so as to not flap in the wind; every effort should be taken to be noise-proof.
4. The flagpole must be erected on a concrete base within the shareholder's authorized garden area. The dimensions of the concrete mounting base are:
 - a. 24-inch square or round base with a standard shoe base imbedded in the concrete to attach the flagpole. The depth of the concrete base must be a minimum of 2 feet embedded in the earth of the authorized garden area.
 - b. The standard shoe base must be installed and leveled to allow the flagpole to be parallel to the building structure and vertical to earth's gravity from the ground.
 - c. The flagpole may not be attached to the structure of the building by any method.
5. The flagpole must be maintained in good condition by the shareholder. If it is not maintained in good condition by the shareholder, the flagpole will be removed at the shareholder's expense.
6. Upon the sale or transfer of unit, the shareholder shall remove the flagpole, at his or her expense, unless the buyer signs Regulation 7572.R.
7. Shareholders are encouraged to observe flag etiquette. The Flag Code states that it is the universal custom to display the Flag only from sunrise to sunset on buildings

and on stationary flag staffs in the open. When a patriotic effect is desired, however, the Flag may be displayed 24 hours a day if the Flag is properly illuminated during the hours of darkness. "Proper illumination" is a light specifically placed to illuminate the Flag (preferred) or having a light source sufficient to illuminate the Flag so it is recognizable as such by the casual observer.

8. Regulation 7572.R must be completed by the shareholder, and the form must be on file in the Stock Transfer Office.
