

**MUTUAL OPERATIONS****RESIDENT REGULATIONS****Laundry Room Use - Mutual Two**

1. Laundry room facilities are available for use solely by shareholders of Mutual Two. The only exceptions are that a caregiver, hired help, or family member of the shareholder may use the laundry room facilities to do a shareholder's laundry.
  - a. Shareholders must oversee and instruct the caregiver, hired help, or family member when the shareholder's laundry is being done.
  - b. Caregivers, hired help, or family members may not wash their own laundry in the Mutual's laundry room.
2. Shareholders are responsible for any damage to the laundry room facilities when shareholder, their caregiver, their hired help, or their family member is doing the shareholder's laundry.
3. Laundry room facilities are available for use between the hours of 7 a.m. and 9 p.m. only.
4. Laundry room facilities are to be used for washing and/or drying only. Clothing or fabrics may not be dyed or tinted in the washers or dried in the dryers.
5. Any clothing or fabric that has been cleaned in a flammable liquid may not be washed in the washers or dried in the dryers.
6. The following items may not be washed in the washers or dried in the dryers: fiberglass curtains or drapes, sleeping bags, heavy blankets, quilts, comforters, car covers, carpet runners and other oversized items. Athletic shoes may be washed in the washers, but not dried in the dryers.

Bath mats or kitchen rugs that are 2.5' by 3.5' or smaller may be washed in the washers, but they may not be dried in the dryers (these rugs may be hung on the clothesline for drying).
7. Hand-washed clothing or other items may not be placed in the dryers due to the excessive amount of water contained in them. Use the exterior clothesline for hand-

washed items, if desired.

8. Clothing or other items with metal buttons, clips, etc. must be placed in a small cloth bag or pinned inside a pillowcase when being washed or dried.
9. Clothing or other items may not be hung on shareholders' patios.
10. When a washer or dryer is out of order, place an "Out of Order" sign on the machine and notify the Director in charge of that laundry room and provide the number of the machine. Directors' names are posted in each laundry room. If the Director is unavailable, call another Director.
11. The trash containers in the laundry rooms are for lint and dryer sheets only. Detergent containers, bleach or softener bottles, or other trash must be disposed of in an appropriate location.
12. Clean the dryer filter after each use, and dispose of lint in the trash containers.
13. Help keep the laundry rooms clean. The shareholder is responsible for cleaning up after themselves. If the shareholder feels a dangerous situation or safety problem presents itself in a laundry room that cannot be corrected by shareholder, shareholder may call their director.
14. Smoking is prohibited in or around the laundry rooms and exterior clothes drying areas.
