

MUTUAL OPERATIONS

RESIDENT REGULATIONS

Laundry Room Use - Mutual Seven

1. Laundry room facilities are available for use solely by residents of their respective Mutual only. The only exception to this is that a caregiver may use the laundry room facilities to do a resident's laundry, and a full-time caregiver may do their own laundry.
2. Residents are responsible for any damage to the laundry room facilities when they or their caregiver are doing the resident's or full-time caregiver's laundry.
3. Laundry room facilities are available for use between the hours of 7 a.m. and 9 p.m. only.
4. Washers or dryers must be loaded properly, i.e. maintain the proper amount of items in the machines so as not to overload the machines. Improper loading may cause damage to the machines due to being unbalanced.
 - a. If there is uncertainty about the load, stay with the machine to ensure that the load is properly balanced. If necessary, rearrange the load in the machine.
5. Read all labels for laundry products to ensure that the product type is correct and the amount is appropriate.
 - a. Front-loading washers generally require about half the amount needed for a top-loading washer.
6. For front-loading washers, wait until the cycle is completed and the light has gone out **before** opening the machine door. Expensive damage can occur to the machine, which will be the responsibility of the resident, if the door is forced open before the cycle is completed.
7. Laundry room facilities are to be used for washing and/or drying only. Clothing or fabrics may not be dyed or tinted in the washers or dried in the dryers.
8. Any clothing or fabric that has been cleaned in a flammable liquid may not be washed in the washers or dried in the dryers.
