SHAREHOLDER REGULATIONS

Towing Vehicles – Mutual Two

A towing program is hereby established which permits the Mutual to remove vehicles parked on Mutual property that are inoperable, abandoned, blocking a fire lane or are parked in such a manner as to constitute a hazard that are in violation of Mutual Policy. The authority for this action is contained in Section 22658(a) of the California Vehicle Code (CVC) – Authority to Remove Vehicles.

In conformance with the Vehicle Code, an appropriate signage will be posted at all entrance gates warning all who enter Leisure World that it is private property and unauthorized or illegally parked vehicles will be towed away at the vehicle owner's expense.

A. Tow Procedure – Immediate Action

Security Department will advise the Mutual Board when vehicles are in violation and may require immediate action/removal:

1. Violation of Mutual Policy related to safety/access/flammable materials;
2. Violation of the Fire Lane Regulation CVC 22953(b0);
3. Violation of the Fire Hydrant Regulation (Mutual Policy).

If approval is received from the Mutual, Security Department will notify the towing company to respond and meet the designated Mutual Representatives. A private property towing form will need to be signed by a Mutual representative authorizing the towing company to remove and store the vehicle.

B. Tow Procedure:

1. Attach a 72-hour warning notice to the vehicle, informing the vehicle owner of the violation and intent to tow upon non-compliance. A copy of the 72-hour warning notice will be provided to the Mutual Administration Department for processing;
2. If required by Mutual Policy, a registered letter will be sent informing the registered owner (per GRF Records) of the intent to tow the vehicle away after receipt of the letter if the vehicle is not moved. The registered letter signed receipt will be returned to the Mutual Administration Department by mail. It serves as confirmation of the vehicle owner's receipt of the letter and initiates the period to comply. The Mutual Policy will determine that the violator has ten (10) days to comply;
