

MUTUAL OPERATIONS**PHYSICAL PROPERTY****Flooring and Floor Covering Permits – Mutual Ten**

Building Permit – to include all floor coverings

Effective immediately, Mutual Ten (10) requires a GRF Building Permit for all floor covering, including carpet installed at shareholder expense. Both interior and patio/porch floor covering will require a GRF Building Permit, if original flooring is disturbed this will require all abatement procedures for asbestos. All testing reports and EPA/AQMD permits will be required as needed. Copies of permits and testing reports shall be filed with GRF flooring permit.

Reason for this requirement includes:

- Assurance that no asbestos contained material is removed or compromised.
- No Mutual property is damaged
- Interior/exterior flooring is appropriate, and must meet DCOF current standards as suitable for all applications.
- Shareholder understands what is and what is not allowed
- Shareholder understands that Mutual Ten (10) is not responsible for damage to, or failure of, flooring purchased and installed by shareholders or their successor shareholders.

FURTHER, That this policy dated _____ 2017 be attached to the permit and signed by the shareholder and installer or contractor (see page 2).
