

MUTUAL OPERATIONS**PHYSICAL PROPERTY****Flooring and Floor Covering Permits****Building Permit – to include all floor coverings**

Effective immediately, Mutual Five requires a GRF Building Permit for **all** floor covering, including carpet installed by a shareholder or a contractor. Both interior and patio/porch floor covering will require a GRF Building Permit. If original flooring is disturbed this will require all abatement procedures for asbestos be followed. All testing reports and EPA/AQMD permits will be required as needed. Copies of permits and testing reports shall be filed with GRF flooring permit.

Reason for this requirement includes:

- Assurance that no asbestos contained material is removed or compromised.
- No Mutual property is damaged
- Interior/exterior patio/porch flooring must be nonskid, with C.O.F. minimum 0.42
- Shareholder understands what is and what is not allowed
- Shareholder understands that Mutual Five is not responsible for damage to, or failure of, flooring purchased and installed by shareholders or their successor shareholders.

A copy of this Policy, signed below by the shareholder and installer or contractor, shall be attached to the permit.
