

MUTUAL OPERATIONS**ACCOUNTING DEPARTMENT****Standardization Committee All Mutuals Except Seventeen**

On December 8, 1971, the Presidents' Council appointed three members of a joint committee to work with representatives of the Physical Property Council and the Purchasing Agent with the assignment of making recommendations of standardization for replacement equipment.

On December 2, 1971, the Physical Property Council appointed three members to the joint committee.

Recommendations of the committee will be found in Sections 7452 et seq. The first recommendations were made to the Presidents' Council in March 1972 and to the Physical Property Council in May 1972.

Both councils recommended the continuance of the joint committee.
