Satellite Dish Installation Regulation – Mutual Sixteen

As a shareholder in Mutual Sixteen, my/our signature(s) below indicate that I/we have read Policy 7574.16, Satellite Dish Installation, and agree:

1. To obtain a permit from the Physical Property Department of the Golden Rain Foundation prior to having a satellite dish installed.
 - a. To ensure that the licensed company complies with all Foundation and Mutual policies, rules and regulations.
2. That, if a permit is not obtained from the Physical Property Department, the Mutual has the authority and authorization to remove the satellite dish from the building at shareholder's expense.
3. That, in the event the installation occurred prior to August 15, 2004, the Mutual has the right to have the satellite dish removed at the shareholder's expense, unless the shareholder hires a licensed contractor to obtain a permit from the Physical Property Department to verify the installation is proper and meets Mutual adopted standards.
4. That any damage which may occur to the building or roof during installation or during the operation of the satellite dish is the responsibility of the shareholder and shareholder hereby agrees any damages will be paid by the shareholder.
5. To have the satellite dish maintained in good condition. If it is not maintained in good condition by the shareholder, the satellite dish will be removed at the shareholder's expense.
6. To remove the satellite dish upon the sale, lease or transfer of unit, at my/our expense, unless the buyer signs Regulation 7574.16-R.
