Also recognized in attendance were Executive Director, Randy Ankeny; Recreation Supervisor, Terry DeLeon; President Winkler, which he thanked for chairing the last meeting, and guest City Council Member Sandra Massa-Lavitt.

The Chair asked that members be polite to one another, no name calling or cross talking, and to wait until recognized before speaking. He continued that this Committee has some very important assignments that will require tough, controversial decision-making.

The Chair added an open discussion item to the agenda regarding to whom this committee answers to and to whom it directs its recommendations to. Committee members expressed their opinions on this issue and a member read the duties and responsibilities of the Ad Hoc Committee.

Ms. Rapp MOVED, seconded by Mrs. Damoci and passed unanimously –

TO have the FAR Ad Hoc Committee send all recommendations to
the Recreation Committee.

APPROVAL OF MINUTES

The minutes of the regular meeting of July 6, 2015 were unanimously approved, as corrected.

MEMBER/SHAREHOLDER COMMENTS

One Shareholder submitted a drawing on the proposed reconfiguration for the dance floor at Clubhouse Six.

CORRESPONDENCE

No correspondence was received.

OLD BUSINESS

Clubhouse Three, Room Nine

The Committee discussed options for reconfiguring Clubhouse Three, Room Nine. This item was tabled until the next scheduled meeting in order to review other similar topics on the agenda.

Review Binder

The Committee reviewed the FAR document that the Executive Director (ED) prepared for the committee binders. Committee members made suggestions and the Chair requested an action item of the ED to incorporate the additions and to present at the next scheduled meeting.

Mission Statement Draft

The Committee decided that a mission statement was already in place; therefore, this item was removed from the agenda.

Exclusive Use Areas

Committee member Damoci volunteered to email a list of Clubhouse rooms that are currently being utilized by the clubs and organizations prior to further discussion.

NEW BUSINESS

Building Schematics

The Chair stated that this project is underway and would be presented at the next meeting.

Clubs and Organizations Recap

The Committee reviewed the Club Audit handout from the Recreation Supervisor. Upon discussion, the Recreation Supervisor was directed to have CCS personnel monitor room usage for a thirty day period, providing a report at the next scheduled meeting.

Reallocation of Space - Building Five

The Chair advised that this agenda item was prompted by the need of the IT Department to relocate. The Committee agreed to have a walkthrough of Clubhouse Five before any recommendations are made.

Ms. Rapp MOVED, seconded by Mrs. Damoci -

TO recommend to the Recreation Committee to rename Clubhouse
Five to Building Five.

The motion failed with six no votes (Damoci, Hood, Lukoff, Rapp, Snowden and Stone).

POLICIES

It was noted that Committee members have access to all policies with their iPads.

STAFF REPORTS

Recreation Supervisor, Terry DeLeon, had no new information to report.

Executive Director, Randy Ankeny, presented his report earlier in the meeting.

Mark,

Let's include this in our discussion as well as David Noble's idea to redesign the room. Does the GAF have any kind of lease on the rooms?

Phil,

Could you forward this to Barry Lukoff; I couldn't find his email address. He has a hard copy, but I wanted to mention that Lumber Liquidators looks like they have a good dance floor for a competitive price.

<https://www.lumberliquidators.com/ll/flooring/dura-dance-floors>

http://www.lumberliquidators.com/ll/s/dura-dance-home-system?Wt.ad=DuraDance_MornStar

I suggest looking into carbonized bamboo snap edge floating floor per their specs. Bamboo is sustainable, so cutting hardwoods from the rain forests is lessened, and it is solid carbonized color so scratches don't show up as with natural light bamboo or engineered floors.

Installation Method:

Floating floor with quick-click flooring. And because it's "floating" (unsecured to the sub floor), it can be un-installed easily to restore your room to its original appearance.

Technical Specifications:

See <http://www.lumberliquidators.com/ll/c/Click-Strand-Carbonized-Bamboo-Morning-Star-Click-PROCBAMSTC5/10023754>

- Ultra-Fresh Antimicrobial Treatment

- Compression Resistance (ASTM D3676)
9.47 PSI
 - Compression Set (ASTM D3574) 41.1%
 - Fire Rating DOC-FF-1-70, PASSES
 - Roll size 3' x 33.34' (100 sq ft)
-

The attached concept revised floor plan for CH-6 2nd floor, south, shows how the column in the middle of the existing dance floor can be eliminated (before installation of a new dance floor) by combining Rooms A and B with an optional movable dividing wall. Room C is expanded to include the extra window area, and could become two smaller rooms.

The electrical panels may need to be relocated per code access requirements.

The storage rooms are enclosed without windows.

I haven't been able to make the regular meetings about the proposed dance floor, and encourage further input from those who use these areas regularly, some of who are copied on this.

What I see as exclusive use areas:

Theater Club (Amphitheater)

Radio Club (Amphitheater) This one might be iffy as they are to help us if needed in an emergency. Maybe no \$1 a year.

LW Hist. Society (Ch 1) Not sure it's a club.

Meals on Wheels (Ch 2) Not a club.

Genealogy Library (Ch 3)

Sewing Room (Ch 3)

Korean Library (Ch 3) Lobby area in cabinets – not sure it's being used – just books being stored)

Lapidary Room (Ch 4) I think this area is somewhat like the wood shop as it has supervisors. Need more information from Terry. But there is also a club.

Art Room (Ch 4)

Ceramics Room (CH 4)

Computer Club (Ch 5)

Video Producers (Ch 5)

GAF (Ch 5 & 6) Not sure it's a club.

Mini-Farms (1.8 area) Interesting area. We didn't want to oversee this area ourselves so we gave that job over to a club and now have some problems. Haven't seen a list from them in a couple of months. Need one at least every two months.

Friends of the Library - Already has a lease – falls under Finance Committee

Nu-Vision Credit Union - Already has a lease – falls under Finance Committee

RV Lot - Already has a lease – falls under Finance Committee

Health Care Center - Already has a lease – falls under Finance Committee

Re-Sales Offices - Already has a lease – falls under Finance Committee

I don't believe the following areas need leases because they are open for use by any shareholder. You don't need to be a member of a club to use them.

Pool rooms (CH 1, 2, 3) Shuffleboard court (Ch 1) Table Tennis area (Ch 6)
Card room (Ch 2)

The wood shop is iffy. Not everyone can use it but it's not club run. The GRF has volunteer supervisors. It can't be used if there is not a supervisor in attendance. Even with a supervisor in attendance not everyone can use it because of the types of equipment in area. I think we need more information on this area.

I think we need to be sure no club can sub-lease an area.

Or charges for the area to be used by others.

Or charge for lockers in their areas.

Need to not be able to run a business in Trust rooms.

Needs a 90 day out clause.
