It's a good thing somebody up there came
to their senses & put back the name
of SECURITY Dept. ! Stop making changes
just for the sake of change ! "If it ain't
broke, don't fix it." Who was the genius
who changed Golden Rain Road from two
lanes to one ? STUPID. The intersections
got all bottled up, 'til you painted Two
lanes back in. Now paint back two lanes
all the way ! And leave it alone !
