LAPIDARY ARTIST

LWer Thuy Do creates a treasured legacy for her daughters

by Chris Walker
chrisw@lwsb.com

Over the last year, Thuy Do of Mutual 14 has spent her precious time crafting a legacy of treasures for her family, and she did it all in the Lapidary Room in Clubhouse 4.

Her jewelry-making skills are well known among the rock hounds and grassroots jewelers who frequent the Lapidary Room.

And Thuy Do has learned to do it all — she cuts stones, works with metals and glass, and has been honing her considerable skill to execute a project of epic proportions: to fashion three rings from one large gleaming piece of blue topaz.

Thuy made one ring for herself and will give the others as gifts to each of her two daughters, Stephanie Thuy Do and Jennifer Thuy Do.

The rings were finished just in time for a very important milestone: her oldest daughter Stephanie will have her mother's gift as a wedding ring Saturday; it will be a lasting symbol of eternal love when she marries Tony Conoscenti on Feb. 29.

Daughter Jennifer lives in Pittsburgh, Pennsylvania, and Thuy's son, Francis Do, lives in Vail, Colorado. All of them will be together to celebrate Stephanie and Tony's marriage.

Thuy, her family and her late husband, Dieu Thuc Do, hail from Cleveland, Ohio.

Thuy married Dieu, an M.D., in 1980 in Toronto, Canada. The couple moved to Ohio to settle down. Dieu was a major in the South Vietnamese military and later, for the United States Army.

Thuy Do began sourcing, designing and cutting, and

A LW resident was injured in a single-car collision at about 1 p.m. Feb. 19 when the driver failed to negotiate a turn from the northbound lanes of El Dorado Drive onto eastbound Golden Rain Road. The car swerved, hit the curb and flipped onto its side, according to a LW Security report. Orange County Fire Authority rescuers extracted the driver through the windshield, which they removed. He was transported to the hospital and the car was towed away.

BLACK HISTORY MONTH

'12 Years a Slave' will be featured tomorrow

The Leisure World Library will host a community film screening in honor of Black History Month, the annual celebration in February of achievements by African Americans and a time for recognizing the central role of blacks in U.S. history.

The library will screen "12 Years a Slave" from 2-4:30 p.m. on Friday, Feb. 28, in Clubhouse 4.

"12 Years a Slave," rated R, is a 2013 biographical period-drama and an adaptation of the 1853 slave memoir "Twelve Years a Slave," by Solomon Northup. He was a New York State-born free African-American man who was kidnapped in Washington, D.C. by two conmen in 1841 and sold into slavery. Northup was put to work on plantations in the state of Louisiana for 12 years before being released.

This year's Black History Month theme is "African Americans and the Vote."

By the end of the registration period all classes and wait lists were full. The 12-week classes will begin the first of March. A catalog with new classes will be available soon. Some of the most popular classes will be repeated. For more information, visit the library or call (562) 598-2431 weekdays from 9:30 a.m.-3:30 p.m.

polishing her blue topaz rings in 2019. Blue topaz has a rich blue color and is said to promote harmony and relaxation.

Lapidary enthusiast Bill Hayes has been one of her mentors throughout the process.

Thuy has made clocks, rings and necklaces from glass, ruby and blue topaz.

The process begins with a design, followed by sourcing the materials and finally cutting the materials with precision equipment. The process is time consuming and mistakes are hard to correct, hence the joy over creating three heirloom rings linking Thuy Do and her daughters through the beauty of her art.

\$125,000 donated to build a new Amphi ramp

The Golden Age Foundation Board has voted to donate \$125,000 to build a ramp to help disabled shareholders access the Amphitheater building. The vote was taken at the GAF's Jan. 22 board meeting.

People who use walkers, wheelchairs or electric scooters would be able to use the ramp, which will be easier to navigate than the current ramp.

On Feb. 5, the Golden Rain Foundation Physical Property Committee accepted the funding and gave the project a high priority.

PATHWAYS

Journeys grief support group starts March 4

A Journeys Support Group, sponsored by Pathways, will begin a new session for adults in grief who are adjusting to the loss of a loved one.

Meetings will be held on Wednesdays, March 4-April 22, from 2-3 p.m.

One of the most effective ways to deal with grief is to surround yourself with a supportive community.

The Journeys Grief Support Program provides a safe place to process feelings with others who have experienced similar losses. Each week a new topic will be introduced, and group members will learn valuable tools to help them move forward.

Contact Cindy Tostado, LCSW, GRF member resource liaison, 431-6586, ext. 317, to RSVP and receive details before attending as space is limited.

The LW Pool has been drained and demolition work is ongoing in preparation for comprehensive upgrades to the entire facility. Physical Property Committee and Finance Committee recommendations will be presented at the next meeting of the GRF Board of Directors set for 10 a.m. on March 24 in Clubhouse 4.

The Strike Force encourages use of the scheme names listed below to enable those combatting financial exploitation to speak a common language in discussing and reporting incidences of elder fraud.

IRS Tax Scam

Social Security Administration imposters contact prospective victims by telephone and falsely claim that the victim's Social Security number has been suspended because of suspicious activity, or because it has been involved in a crime. They ask to confirm the victim's Social Security number, or they may say they need to withdraw money from the victim's bank and to store it on gift cards or in other unusual ways for "safekeeping." Victims may be told their accounts will be seized or frozen if they fail to act quickly.

Perpetrators often use robocalls to reach victims. Victims may be told to "press 1" to speak to a government "support representative" for help reactivating their Social Security number. They also use caller ID spoofing to make it look like the Social Security Administration is calling. With such trickery, perpetrators convince victims to give up their Social Security numbers and other personal information. Social Security Administration imposters operating from abroad often use U.S.-based money mules to receive victim payments and transmit proceeds to perpetrators.

Tech Support Scam

Fraudsters make telephone calls and claim to be computer technicians associated with a well-known company or they may use internet pop-up messages to warn about non-existent computer problems. The scammers claim they have detected viruses, other malware, or hacking attempts on the victim's computer.

They pretend to be "tech support" and ask that the victim give them remote access to his or her computer. Eventually, they diagnose a non-existent problem and ask the victim to pay large sums of money for unnecessary – or even harmful – services.

Tech Support Scams operating from abroad often use U.S.-based money mules (including legitimate-seeming businesses registered in the U.S.) to receive victim payments and transmit proceeds to perpetrators.

Letters to the Editor

Editor:

This is in response to a Letter to the Editor from Beth Mayer (Feb. 20).

The petition she talked about costing the mutual \$11,000 was rescinded so as to not put the cost on Mutual 9.

I think it is very important for all LW shareholders to know that policies can be put to a shareholders' vote during the yearly Board Election Ballot without cost.

The shareholder petitions just have to be presented to the Mutual Boards within the 90 days of the board election.

LW shareholders have the right to be heard and this doesn't have to cost any extra money to their mutuals. I think it's great to see more shareholders involved in their mutual agendas.

Lori Gray

Editor:

I would like to see a regular update in the LW Weekly from the Security Director regarding the Seal Beach Police Department patrol activities within Leisure World. It appears there was a flurry of activity after the death of a pedestrian a few months ago, and drivers were more cautious when approaching stop signs and cross walks.

The honeymoon is over, and it's business as usual on the St.

Andrews speedway and Golden Rain raceway.

As I was walking the other day, I was crossing Oakmont at El Dorado when a driver rolled right through the stop sign while I was in the crosswalk. This is the same intersection where the pedestrian was killed. A similar incident happened at Knollwood and El Dorado, but the driver was nice enough to wave at me as her car passed within a foot of me.

I have witnessed cars running the stop signs at El Dorado and Golden Rain without even slowing down. There will be those that scoff at this letter, but what if it was *you* who got hit by an inconsiderate driver? I'm just trying my best not to be the next casualty.

Celebrating my birthday with my niece and grandkids at Goldilocks restaurant was terrific. I ordered my favorite pancit (noodles with all the trimmings) and halo-halo, a popular Filipino dessert concoction of crushed ice, evaporated milk and various other delicious ingredients. We had a great time feasting on delicious Filipino cuisine.

Earlier my friends took me to Rusty Pelican in Newport Beach, an elegant restaurant by the water. We enjoyed watching the colorful sailboats while feasting on nutritious and delicious meals.

The Wellness Club at Saint Mary hospital in Long Beach celebrated February Celebrity members in a decorated room. We

played games and even though I did not win, a man gave me his prizes. It was a wonderful random act of kindness. Everyone had a great time feasting and socializing.

Celebrating my birthday with family, friends and colleagues is a blessing I will always cherish.

MEN'S FRIDAY GOLF

Fujio, Sam, Bill and Marv win flights at Meadowlark

The Men's Friday Golf League played on Feb. 14 at the par 70-5,300-yard Meadowlark Golf Course in Huntington Beach. Eleven men teed off at 7 a.m. on a very cold morning. The sun came out but had no effect until late in the round and then the wind came up. A very wet course plus difficult pin placements paired with the cold weather, led to higher scores than expected. The next Friday round will be at Willowick on Feb. 28. Come join us and meet new golfers. Friends, ladies, spouses, and family are all welcome to play and/or join.

SHUFFLEBOARD

Sliders defeat Puckmasters

Shuffleboard League continued into week 18 on Feb. 14 at the Clubhouse 1 courts.

The Sliders beat the Puck Masters 10-8. Sliders all game winners were Sally Fowler and Peggy Hamilton. Puckmasters all game winners were Chandra Patel and Carol Johnson.

Hot Shots are still first in the standings, Puckmasters are in second and Sliders are third.

The next general meeting is scheduled for Wednesday, April 1, with social time at 9:30 a.m. and member meeting at 10 a.m. Come and have free coffee and munchies. This and future meetings will continue to be held on the courts.

The time is now for new board member elections. This year the club needs to elect a new president, secretary and vice president. Also needed is a social coordinator responsible for planning the dinners, BYOB nights and other events for Shuffleboard members. A nominating committee has been selected and will be contacting members to ask for volunteers for the open positions. Elections will be held at the April meeting; installation of the new officers will be in May. The new officers will begin their roles in June. If no one steps up for the president's position, the club may have to disband after being in existence for 57 years.

The Ham Shoot is scheduled for April 3. Be at the courts by 8:30 a.m. to get a starting position.

The St. Patrick's Day potluck dinner has been cancelled. At the current time there will be no BYOB in February or March.

BOWLING

Pindilicios leads by 10 games

Split Happens swept Pindilicious as Eric Dodd had a 179 and 180. After running up a double-digit lead Pindilicious has gone zero and eight their last two weeks to lead second place Strikingly Different by just 7-1/2 games. That's a big lead, but with 10 weeks left in the season before sweepstakes, that lead isn't nearly as secure as it once was. Two years ago Very Striking had a 7 1/2 game lead with two weeks to go and ended up in second place by half a game.

Elcisne swept Phyls Guys with Sharon Van Otterloo, bowling a 158. Strikingly Different took three against Mutual busters as Tom Kaczmarek finished with a 209.

Dave Silva of Very Striking had the high game of the day with a 225 as they split with Charlies Angels. In frame 10 of the third game Dave Silva needed a spare and a good count to take total pins. He missed the head pin and left four, but he bowled on the wrong lane, so he got a do over. Then he got a wide open split and won game three by three pins, but lost total pins by five.

Pindilicious halted their losing streak on Feb. 18 by sweeping Elcisne. Gary Wood finished with a 220 and teammate Leena

POOL

Eight teams compete on Feb. 17

There were 22 players in the 369 pool tournament, held on Feb. 17, the third Monday of the month, in Clubhouse 2, at 6:30 pm. Until Pool league restarts on Aug. 17, the club will continue to have an eight ball tournament on the first Monday of the month and 369 tournament on the third Monday of the month.

Before play began, there was a vote held by all present members proposing that the name of club be changed from, Men's Pool and Billiard Club of Clubhouse 2 and 3, to, Leisure World Pool Club. And that any Leisure World resident could join the club. The vote passed without opposition.

Asking for a show of hands by anyone who played billiards revealed that nobody plays that game. Also, LW has not had a pool room in Clubhouse 3 for several years. Since ladies have been playing in all the pool tournaments for years, it only seemed natural that they should be able to join the club.

On Feb. 17 there were six teams of three players, and teams seven and eight had two. The team of Kurt Bourhenne, Ken Harpham and Donna Cooper started the first game of five rounds by making the three, six and nine for a total of six points.

In round two Kurt, Ken and Donna made the six and the nine ball, after round two they had eleven points and a two point lead over Steve Edrich, Sandy Bird and Jerry Wrenn.

In the third and fourth rounds Bob Barnum, Paul Snellenberger and Connie Terry made the 369, and the six and 9 ball.

In the final round Kurt, Ken and Donna made the three and nine ball for a total of 23 points to take first place. Bob Paul and Connie made the nine ball to take second place with 21 points and Steve, Sandy and Jerry only made the six ball to take third place with 18 points.

In 369 points are scored instead of wins. One point for the three ball, two for the six ball and three for the nine ball.

The next tournament will be Monday, March 2.

Bill Clawson won the Feb. 15 poker tournament, beating Susan Rose with Kings and Threes. Bill has won the final table many times in the past and is a longtime member of the club. He is a retired City of Long Beach employee and has lived in LW for many years.

Third to seventh place players are: Grace Buster, Richard Houck, Linda Stone, Mike Gass and Joyce Smith.

High hand was won by Grace Buster and second highest hand was won by Susan Dodson. The promo hand of six and two was won by Al Logue and Nancy Jordan.

Keith Kelsay and Cindy Gannon

Kelsay and Gannon take a memorable Royal Mexico cruise with friends

Editor's Note: Cindy Gannon and Keith Kelsay of Mutual 4 took a Royal Mexico Cruise, spending a memorable week with friends and family. The following is a first-person account of the highlights.

As Keith and I cross over the St. Vincent Thomas Bridge, our Royal Princess Ship looms on the horizon—all 1,831 feet of her dominate the bustling port. We embarked on this 3,600-passenger ship to relive a 2015 transatlantic journey from Ft. Lauderdale to London.

It was our eighth crossing, a shorter seven days to Mexico, but still memorable.

The warm weather of Cabo-Mazatlán and Puerto Vallarta awaited us. It was in the high 80s. We were the first to board and I forgot how large the ships are getting to be.

As I'm unpacking, there is a knock at the door. I was thinking it was the cabin steward, but when I opened the door, I find my brother David Africa and his wife, Julie, from the Sacramento area.

My eyes flooded with tears. We spent the week catching up and having a grand time. One highlight was meeting with old friends, cruise staff we have known over the years, some dating back to 2006.

Our cruising days are numbered, I know, but I always hope there is time for just one more.

—Cindy Gannon

OCTA seeks community input on O.C. transportation needs

The Orange County Transportation Authority is conducting an online survey to gain better insight into how people living in Orange County are changing the way they get around the county.

The Transportation Needs Assessment Survey is intended to gauge people's opinions on the current public transit system and help shape future transportation planning in Seal Beach, and throughout Orange County.

The online survey is part of an ongoing effort by OCTA to reach out to current riders of OC Bus and Metrolink, as well as non-riders, to deliver a balanced and sustainable transportation network for the county and to enhance overall quality of life.

The survey, at www.OCTAsurvey.com, will be online through the end of March. In an effort to engage residents from a variety of backgrounds, the survey is available in English and six other languages, including Arabic, Chinese, Farsi, Korean, Spanish, and Vietnamese.

"Our goal is to ensure all residents have a voice when it comes to transportation needs," said OCTA Chairman Steve Jones, also the mayor of Garden Grove. "The Transportation Needs Assessment is an opportunity for residents to have a say in local and regional mobility and to ensure everyone is being served."

The brief survey, which should take approximately 10 minutes or less to complete, asks how residents currently get around Orange County, and seeks suggestions on what can be improved to encourage people to use public transportation or consider active transportation options, such as walking and cycling.

Anna Derby shows off the Korean YulMu she harvested from her Mini Farm on Feb. 10.

MINI FARMER

Fall and winter harvests are bountiful

Mutual 5 shareholder Anna Derby is satisfied with her fall and winter harvests, and she is preparing for spring vegetables after a nice rain over the weekend.

She was granted a Mini Farm in the fall of 2016 with half plot, No. 60. She had no experience farming but was willing to learn from her Mini Farm neighbors.

Twice a year, she added some soil nutrients and has found California to be a productive place to grow vegetables because of its year round sunshine.

She has found farming her plot to be a wonderful, soothing experience, saying that people wouldn't need to go yoga or meditation classes if they were able to putter in a garden.

In the last few years, her garden has supplied her with fresh organic lettuce, zucchini, red pepper, cucumber, kale, broccoli, Chinese cabbage, Korean yulmu, leafy radishes, spinach, leaf mustard and more, pretty much every thing she would buy at the market. "Who needs full plot when we can do all of these from half plot?" she said, adding that she hopes to be able to continue this "immensely enjoyable hobby" for a long time.

OPERA CLUB

Massenet's 'Manon' will be shown

Everyone is invited to come and watch Massenet's "Manon," Part 1, in Clubhouse 3, Room 1, on Tuesday, March 3, at 1:30 p.m.

"Manon" is a story told by a monk, the Abbe Prevost, that sets romantic love against the attraction of money and all the things money can buy.

The title role is sung by Renee Fleming in the title role with Marcelo Alvarez as her lover.

The conductor is Jesus Lopez-Cobos. Gretchen Dinger, the newest club member and opera fan, will introduce the story.

In Act 1, a pretty young woman, Manon, arrives at a checkpoint, to be escorted by her cousin, Lescaut, on her way to a convent on the order of her parents.

She is immediately fascinated to see a wealthy landowner, de Bretigny, spending money lavishly while entertaining three actresses at a hotel. Simultaneously, her looks attract an older man, Guillot, who offers her his coach, but whom she refuses, as she also elicits the attention of a younger man, De Grioux, who falls in love with her at first sight, and with whom she is persuaded to flee to Paris in the prior suitor's coach.

Act 2 finds Manon and her young lover DeGrioux living in Paris where they are visited by her cousin and his new-found gambling friend, the wealthy landowner de Bretigny.

He lures Manon with offers of great wealth and a secure future, confidentially conveying information that her lover, De Grioux is being seized and returned to the home of his father.

She is persuaded by her visions of luxurious clothing and jewelry and escapes with de Bretigny. The outcome of her decision will be shown in Acts 3 and 4 next Monday, March 9, at 1:30 p.m.

The opera is sung in French with English subtitles. Room 1 is open at 1 p.m. (but not before).

No dues or fees are collected. For further information, contact Beverly Emus, LW Opera club president, at (562) 296-5586 or beverly90740@gmail.com.

LB SYMPHONY

Bus transportation offered from LW

The Long Beach Symphony will commemorate Beethoven’s 250th birthday at 8 p.m. on Saturday, March 7, in the Long Beach Terrace Theater.

In honor of this auspicious occasion, Maestro Eckart Preu chose Beethoven’s Violin Concerto in D—the only concerto he ever wrote for that instrument.

Leisure World patrons have the convenience of round trip bus service to the concert. People should meet the bus by 5:30 at the Amphitheater bus loading area near St. Andrews Drive. People who want to buy bus tickets must arrive by 5:15 to purchase them for \$16, payable by personal check or cash, exact change appreciated.

The bus leaves at 6 p.m. to arrive at the theater in time for the Maestro’s 7 p.m. pre-concert lecture. Information and concert seat tickets may be purchased by phone at the symphony Box Office at (562) 436-3203 or on line at www.LongBeachSymphony.org, payable by credit card or at the box office concert night.

For further information on the bus, contact Bev Emus, co-bus hostess, at (562) 296-5586 or Beverly90740@Gmail.com.

Beethoven’s Violin Concerto in D begins with five soft beats on the timpani, a motif that is passed around to other instruments as the concerto unfolds. This highly virtuosic work will dazzle with the instrument’s range as guest violinist Stefan Jackiw will demonstrate. Jackiw, who lives in New York City, has soloed with myriad orchestras around the world, is an active recitalist and chamber musician, and has collaborated with top names in the classical music world

Following a brief intermission, the orchestra will present Schubert’s 9th Symphony in C major, dubbed “The Great” to distinguish it from his shorter symphony in the same key. The work is a showpiece for trombones, which play throughout and even receive important melodic roles. Though Schubert, an Austrian, criticized German music for much of his life, he later became a devoted follower of Beethoven’s music to the point that, on his deathbed, he requested to be buried next to him – indeed, the two graves are alongside one another. Though the 9th Symphony was unpublished at the time of Schubert’s death, composer Robert Schumann discovered it among music that had been entrusted to Schubert’s brother. It is considered one of Schubert’s finest orchestral works.

Ticketholders are invited to attend a pre-concert talk at 7 p.m. by Maestro Eckart Preu and guest soloist Stefan Jackiw or to enjoy free live music in the lobby of the hall before the concert.

This concert is sponsored by The Robert D. Hanson Trust, The Wolfe Foundation and The Westin Hotel in Long Beach.

Founded in 1934, the Long Beach Symphony’s concerts offer music lovers the opportunity to hear live orchestral music without having to drive to LA or Orange County – a real gift to the community given today’s traffic challenges.

Most notable in the 2019–2020 Classical Season is the Violins of Hope Concert on April 25 in which Symphony musicians will play stringed instruments that were played by Jewish musicians in concentration camps during the Holocaust.

The concert ends with the Verdi Requiem, which was performed by the Jewish orchestra and chorus in silent protest during the Nazi’s SS visit at the Theresienstadt camp in 1944. The project includes related lectures, a film, panel discussion, two chamber music concerts

LW Poetry

This poetry feature showcase original poems by members of the Creative Writers Club of Leisure World and other GRF members.

I’m Blessed

I feel lucky to arrive to LAX
same time with people in the first class seat
My humble court welcoming me
My bed leads me to sweet dreams
My kids are not calling me
Because they do not need me
Enough things to do are waiting for me
just as they can’t do without me
I am very blessed!

Yiddish Club celebrates Purim

The Yiddish Club of Leisure World will meet on Thursday, March 5 in Clubhouse 3, Room 2, at 7 p.m. The topic will be "the celebration of Purim."

Purim comes as a ray of light and salvation not only to the Jewish people, but to all persecuted minorities/the timely deliverance from the Persian enemies and their vindication are celebrated as a time of feasting and gladness, and sending portions one to another and gifts to the poor. It is also vital that in times of stress, the sense of humor should not be lost. The origin of the Purim is told in the scroll of Esther, read twice during the holiday. After Yiddish words and Proverbs are introduced will the resident, Yakob Basner, read stories, poems and jokes connected with Purim. Refreshments will be served after the program.

SUNSHINE CLUB

Medical safety is this week's topic

Dr. Kim Ngan Tran will address the Sunshine Club on Feb. 28 to teach about high-risk medications and give practical tips regarding safe medication practice. The club meets at 10 a.m. in Clubhouse 3, Room 2.

Dr. Tran received her doctorate in pharmacy from the University of Southern California in 2019. She is currently a post-graduate community pharmacy resident at Western University/Ralphs Pharmacy. Dr. Tran will be presenting on medication safety in older adults.

Dr. Kim Ngan Tran

An online survey by American Association of Retired Persons reported that over 80 percent of adults aged 60 and older take at least two prescription drugs and approximately 35 percent have five or more prescription medications. Additionally, many people use over-the-counter medicine, herbal preparations and supplements. It is also alarming to note that adults aged 50 and older account for more than 50 percent of emergency room admission due to adverse drug events. While medications are beneficial for improving health and managing medical conditions, they must be taken cautiously.

The Sunshine Club is designed to help all people to get along in the community and for neighbors to have better communications while getting the best out of living in Leisure World by learning how to use available information. The club uses LW Weekly as a textbook to go over LW news, general columns, etc.

A great number of LW community leaders and club representatives visit the club to introduce their organizations. A wide variety of specialists from "outside the wall" are also invited to share their experiences and ideas with club members. The club has frequent guests from outside Leisure World who speak on various topics that enhance living in LW. The club does not endorse the speakers or their businesses. It solely provides information. Any interaction with the business outside of the meeting is personal.

The Sunshine Club asks new members to bring their own mug for refreshments in an effort to be more eco-friendly. The club has encouraged bringing personal mugs since 2013.

Arrive 5-10 minutes early to enjoy refreshment before the meeting begins at 10 a.m. The Sunshine Club meets on Fridays in Clubhouse 3, Room 2, except the first Friday in Room 9, from 10 a.m.-noon. All shareholders are welcome to attend; no membership required. Refreshments will be served. For more information, call Anna Derby at (562) 301-5339.

Democratic Club available to answer voting questions

During the meeting on Feb. 11, the SBLW Democratic Club board voted to continue its outreach to Leisure World voters with information relating to the March 3 Presidential Primary Election. Members have already started this effort by contacting their neighbors to offer assistance and to answer questions they might have about the ballots.

Voters who still have questions, want help with their ballots or assistance in delivering them to a voting center should call Mary Tromp at (562) 412-0898 or Mary Larson at (562) 296-8521.

Of special concern to the club's leadership is the confusion being spread through social media outlets such as the popular "Next Door Leisure World" about Proposition 13 on the Primary ballot. The March 2020 Proposition 13 has nothing to do with the landmark 1978 measure of the same number 13 that put limits on California's real estate tax rate, making them some of the lowest in the country for both residential

and commercial property.

While it is true that the 1978 Proposition 13 could be partly undone in 2020, that issue will not come before California voters until the November General Election. This proposed initiative, which has not yet received sufficient signatures to qualify for the November ballot, would undo property tax caps for certain commercial and industrial properties but would not affect residential properties. As of the last official reporting date of Dec. 6, this proposed ballot measure had received only 25 percent of the 997,139 signatures needed before the deadline of April 14, 2020 in order to qualify for the November ballot.

The Proposition 13 that is on the Primary ballot asks voters to decide whether or not to allow the state to issue bonds for financing school infrastructure. This proposition was placed on the March 3 ballot by a nearly unanimous September 2019 vote of the members of the California

legislature, including the vote of Leisure World's 72nd Assembly District representative, Tyler Diep. The vote on the enabling legislation (AB 48) which placed this Prop. 13(2020) on the March ballot was 78 to 1 in the Assembly and 35 to 7 in the Senate.

This March ballot Proposition 13 dealing with school bonds, if passed by the voters, will place special emphasis on helping small districts and low income, low property wealth districts. It will also give priority to districts with the most pressing needed upgrades to their facilities, such as removing lead in water and reducing seismic hazards.

Readers should email lwsb-democraticclub@gmail.com or go to the newly updated website sblwdems.wordpress.com to learn more about the Democratic Club. A calendar of both club and related events is included on the website. All LW Democrats are invited to participate in the club's activities.

American Latino Club officers Carmen Edwards (l-r), treasurer; Maria Rodriguez, president; Alicia Ortuzar, vice president; and Amy Walker, secretary, donned hats and fancy attire for the club's February meeting.

Former Senator Janet Nguyen addresses the Republican Club's concerns during their meeting on Feb. 19

REPUBLICAN CLUB

GOP Booth now accepting ballots seven days a week until election

The LW Republican Club is now receiving ballots for voting at the Republican Club booth, seven days a week, from 11 a.m. – 2 p.m. up until the election. Voting recommendations are available at the booth. Those who would like to talk or ask questions are welcome.

Those who have not received their ballots should call the Registrar of Voters to check on the status of their ballots. The phone number for the OC Registrar of Voters is (714) 567-7600 or voters can check their status on www.ocvote.com. Anyone who receives a ballot that is not for the correct party can call the number and change their status. The last day to register to vote in the primary election has passed.

For more information, call David Harlow at (562) 335-0779 or email him at dharrow50@aol.com

...

Former Sen. Janet Nguyen answered some questions that concerned voters at the Republican Club meeting on Feb. 19.

One issue involved a flyer sent out by a group called COPS, showing an apparent endorsement for former Nguyen and also

for Proposition 13 on the ballot (not to be confused with the Prop 13 passed in 1978). This new Prop 14 would authorize an increase in taxes for school bonds. The flyer in question is called a slate mailer and candidates pay to have their names included. This costs much less than sending out a separate mailer for each candidate. It does not imply that people listed on the flyer support other candidates or issues promoted on the mailer.

A letter was sent out to all Republicans in Leisure World announcing the club's support for Sen. Nguyen. In it, the letter informs readers about the LW Republican Club endorsement of Sen. Nguyen. The letter highlighted Nguyen's endorsement from the Howard Jarvis taxpayers association PAC and how she is the only candidate within the surrounding area with a lifetime "A" rating. The letter also listed the awards from different organizations and what propositions she supports and opposes.

The Republican Club hopes that people will join them in voting for Sen. Nguyen since she has demonstrated conservative values consistently over her 15 year career in politics.

Bianca Louise Bozzano (Carr)
1928-2020

Bianca L. Bozzano (Carr), 91, of Long Beach, California, died Feb. 18, 2020.

Bianca was born in Italy to Andre Pierre Bozzano and Maria Regina Lopez. She lived in France for 27 years.

She is survived by her daughters, Leslie and Gloria, sons Mark and Janine, grandchildren, Jennifer, Jacqueline, Justin and Jessica, great-grandson Drew and other family members.

Bianca was a woman of strength, determination, courage, wisdom. Culture was a love of life. She danced her way through Cannes, fell in love with an American sailor and moved to America.

Bianca made many friends in Long Beach. Her friends called her "Fu Fu" and most of us knew her as "Memé."

Bianca owned and ran a restaurant in Bixby Knolls called Alfred's for several years. Always a social butterfly with a love of the limelight, Memé was a person who said what was on her mind and was always the best dressed in the room.

After retirement, she moved to Leisure World and became a security officer. She was a member of the Mini Farmers club and had a beautiful award-winning garden. She was also a member of the Italian Club.

Recently, Bianca spent her final months making new friends with everyone who crossed her path at the Regency Palms Senior Living in Long Beach, California. She returned to her art work and was involved in many of their activities. She kept the staff on their toes with a lot of love and laughter.

Bianca was a special lady. The most magical woman to ever touch this family. Memé will be greatly missed by all of her family and friends. You will forever be in the deepest part of our hearts.

Memé, thank you for teaching us "Joie de vivre."

Wendy Alfageme is Top Loser of the week

Top Loser of the week was Wendy Alfageme, achieving a three-pound loss.

She stayed within 1,000 calories per day and wrote everything down. Volunteering for Meals-On-Wheels helps her increase her exercise with an extra 2,000 steps each day.

Shirley LeBrecque is Queen of the Month with a 6 ½-pound loss. She attributes it to cutting back portions, staying focused and eating an apple when the night time cravings hit.

Leona San Severino gave an inspirational program for the club.

Leona's maiden name is Lovely, and she disliked it because the last thing she felt was lovely. In fact she disliked herself for most of her growing up years because of a reading disability. Ignorant people made remarks that made her feel inferior. Although she was loved by many, she just couldn't love herself. Leona learned of God's love for her and figured if God could love her, then she could love herself. Her message was that everyone is worth loving because God loves them.

Wa-Rite is a support group of women needing to lose 10 pounds or more. Members meet on Fridays in Clubhouse 3, Room 1, from 9-10 a.m.

Weighing begins at 7:45; annual dues are \$10. Members must be a LW resident to join. For more information, call Carol Chambers at (562) 822-4641 or Bev Bender at (562) 594-9148.

American Association of University Women

The Long Beach Branch of the American Association of University Women (AAUW) will host its annual, invitation-only STEM (Science, Technology, Engineering, and Math) Career Conference for the 17th year. The conference, aimed at motivating 250 LBUSD middle school girls into STEM careers, will be held at Long Beach City College’s Liberal Arts Campus on Feb. 28, from 4:30-7 p.m. Conference sponsors are AES, Port of Long Beach, Long Beach Water Department, Society for American Military Engineers (Orange County Post) and other local businesses: Diversified Technical Systems (DTS), P2S Inc., SCS Engineers, TABC / Toyota and the Teachers Association of Long Beach.

The conference will be attended by 7th and 8th graders from Franklin Classical Middle School, Hamilton Middle School, Hudson K-8 School, Muir Academy, Powell Academy for Success (K-8), Stephens Middle School and Washington Middle School.

It will highlight 10 STEM careers including: architect, astrophysicist, coroner, environmental engineer, mechanical engineer, optometrist, paleontologist, software engineer, speech-language pathologist and structural engineer.

This year’s keynote speaker is Sathya Chey, a graduate of LBUSD, CSU Fullerton, and USC, where she received her MBA. Chey, the honoree of a 2019 Forbes Best-in-State Next-Gen Wealth Advisor award, will share her journey with the girls, from her birth at a Thai refugee camp to becoming a highly regarded financial advisor.

Afterward, students will attend two hands-on workshops, where they participate with female STEM professionals to gain an understanding of the work involved and investigate possible career paths. AAUW Long Beach branch members and other volunteers work diligently to make this conference a success.

AAUW’s Long Beach branch has been involved in the community since 1911. Its mission is to advance gender equity for women and girls through research, education, and advocacy, with membership open to those with an AA degree or greater. For details about membership in AAUW and the local Branch, visit www.aauw-longbeach.org.

SCAM from page 4

Lottery Scam

Fraudulent telemarketers based in Jamaica and other countries are calling people in the U.S., telling them that they have won a sweepstakes or foreign lottery. The fraudulent telemarketers typically identify themselves as lawyers, customs officials, or lottery representatives, and tell people they have won vacations, cars or thousands—even millions—of dollars. “Winners” need only pay fees for shipping, insurance, customs duties, or taxes before they can claim their prizes. Victims pay hundreds or thousands of dollars and receive nothing in return, and often are revictimized until they have no money left. Lottery Scams operating from abroad often use U.S.-based money mules to receive victim payments and transmit proceeds to perpetrators.

IRS Imposter Scam

IRS Imposter Scams are aggressive phone scams targeting taxpayers. Callers claim to be employees of the IRS, using fake names and bogus IRS identification badge numbers. Victims are told they owe money to the IRS and it must be paid promptly through a wire transfer or stored value card such as a gift card. Victims who refuse to cooperate are threatened with arrest, deportation or suspension of a business or driver’s license. IRS Imposter Scams operating from abroad often use U.S.-based money mules to receive victim payments and transmit proceeds to perpetrators.

Sweetheart Scam

Millions of Americans use dating sites, social networking sites and chat rooms to meet people. And many forge successful relationships. But scammers also use these sites to meet potential victims. They create fake profiles to build online relationships and eventually convince people to send money in the name of love. Some even make wedding plans before disappearing with the money. An online love interest who asks for money is almost certainly a scam artist. Romance Scams operating from abroad often use U.S.-based money mules to receive victim payments and transmit proceeds to perpetrators. Sometimes, perpetrators of Romance Scams convince victims to serve as money mules, receiving illegal proceeds of crime and forwarding those proceeds to perpetrators. For example, Romance Scam victims often are induced to receive payments and/or goods such as technology equipment procured through fraud and to forward those payments and goods directly or indirectly to perpetrators.

and a week of programs in local schools and colleges, all intended to create a region-wide dialogue about music, art, social justice and free expression.

The Classical season will wrap with an exploration of love and war by Romantic composers on May 30, with works by Liszt, Clara Schumann, and Brahms.

Tickets to the Symphony’s Classical concerts start at \$30 (student tickets \$10). For more information, or to purchase tickets and subscriptions, visit www.LongBeachSymphony.org or call (562) 436-3203.

After half-time Ethel led more group singing and ended the evening with “Kumbaya.” Thanks to pianist Pat Kogok and to Bruce DuPont for helping with the books.

• There is only one valid solution to each Sudoku puzzle. The only way the puzzle can be considered solved correctly is when all 81 boxes contain numbers and the other Sudoku rules have been followed.
• When you start a game of Sudoku, some blocks will be pre-filled for you. You cannot change these numbers in the course of the game.
• Each column must contain all of the numbers 1 through 9 and no two numbers in the same column of a Sudoku puzzle can be the same.
• Each row must contain all of the numbers 1 through 9 and no two numbers in the same row of a Sudoku puzzle can be the same.
• Each block must contain all of the numbers 1 through 9 and no two numbers in the same block of a Sudoku puzzle can be the same.
