GRF answers inquiries about wage settlement

— from GRF President Linda Stone

Last week’s announcement that the Golden Rain Foundation settled a law-suit regarding complicated employee meal and rest-break wage regulations for $550,000 generated several inquiries from our community that, as promised, we are answering today.

As a reminder, our settlement eliminates a potentially costly and un-certain legal light and removes financial uncertainty for future budgeting. GRF admitted no wrong-doing in conjunc-tion with the settlement that will be paid from our capital budget and will have NO impact on shareholder and member fees or existing projects.

We want to assure you that our pay-roll and Human Resources department are well-versed in the rules imposed by the California labor code. Unfortunately, as we said last week, court decisions interpreting these rules is an evolving body of law leaving many open ques-tions. There is scant reported case law on the application of so-called “on-duty meal period agreements” under Cali-fornia law.

GRF chose to discontinue the use of on-duty meal period agreements rather than continue to incur significant legal fees and expenses to litigate the vagaries of their application to our operation. The half-dozen comments we re-ceived from shareholders and members included:

1) GRF should appoint a committee to review current financial practices and prevent future violations.

ANSWER: The wage issue lawsuit began in 2017. Since then, GRF has over-hauled its financial and employee poli-cies to comply with and, in most cases, exceed legal and regulatory mandates. The legal agreement about the settlement ensures GRF is legally compliant as we continue to do the right thing for our employees and for our shareholders.

2) There were multiple comments expressing skepticism about the settle-ment not having impact on shareholder and member fees or existing projects.

ANSWER: We reiterate that the settlement will have NO impact on shareholder and member fees or existing capital projects. We’ve updated the frequently asked questions below. If you have addi-tional questions, please send them to questions@lwsb.com.

Send in your selfies—contest begins now

by Kathy Thayer
assistant recreation manager

We can’t shake hands, or hug, hold hands, or say “hi” to friends the way we did in the “good old days”, but social distancing is no excuse for not greeting our neighbors in a way to let them know we care how they are doing. While under the COVID-19 guidelines, we now walk around sporting masks. Everything from N95 professional masks to bandanas can be seen in LWSB, so GRF is asking GRF members, HCC personnel and staff to send us their best selfies of them “smizing.”

What’s smizing, you ask? It’s smiling with your eyes. Tyra Banks, former model and host of “America’s Next Top Model,” coined the word “smize,” in Season 13 of her show. According to Banks, to smize is to “smile with your eyes,” blending the word smile with the sound of the word eyes, hence the spelling smize.

There will be prizes for the most creative way to say hello, for the best smizer overall, and for the most imaginative mask.

Once all submissions have been catalogued and indexed, the Video Producers Club will take over and create a slideshow for the LWSB website and other community outlets. The VPC has been serving this community for nearly 35 years. President Joseph Valentinetti says, “We produce video, a medium accepted and ad-valorem to smize in these times of masked faces.

MOTHER’S DAY

A mother—It’s one thing we all have in common. Most of us will remember our mother, grandmother or virtual mama—the woman who was there in a way no one else was—this Sunday, May 10, Mother’s Day.

In Leisure World, most of our mothers are a memory, and on Sunday, the day to reflect, may your memories sow a feeling of peace and yield a harvest of gratitude.

In the U.S., Mother’s Day started about 150 years ago, when Anna Jarvis, an Appalachian homemaker, organized a “Mother’s Work Day” to raise awareness of poor health conditions in her community, according to Studio Mélizing’s Holidays on the Net.
$20,000 will pay for 5,000 LW meals

The Golden Age Foundation has donated $20,000 to Meals on Wheels Orange County, a nonprofit that provides nutrition, social connections and supportive services for older adults.

The City of Seal Beach delivers three meals directly to homebound people, aged 60 and above, who are unable to shop and/or prepare meals for themselves.

The delivery includes breakfast items, a cold lunch and a frozen dinner. These meals, which provide 100 percent of the U.S. Nutritional Recommended Dietary Allowance, are available five days a week at no cost to the community.

“This program is a testament to the incredible commitment of our staff team which provide the highest level of essential and vital services to our community in need during a major crisis,” said Seal Beach City Manager Jill Ingram.

More than 120 LW residents benefit from the program; the Golden Age Foundation’s $20,000 contribution will cover the cost of about 5,000 meals, according to Seal Beach Council Member Sandra Massa-Lavitt.

The Seal Beach Recreation Department’s Meals on Wheels team now delivers about 100 free meals to Seal Beach senior citizens. During the COVID-19 pandemic, the program has become a lifeline to many seniors because it is the sole source of free meals delivery in Seal Beach.

For more information about this program, contact Seal Beach Recreation Manager Tim Kelsey at (562) 431-2527, ext. 1341, or tkelsey@sealbeachca.gov.

The Golden Age Foundation is an independent nonprofit, 501(c)(3), charitable organization dedicated to serving the residents of Seal Beach Leisure World. Its purpose is to make the community a better and happier place in which to live.

The Foundation was established in 1973 and is not affiliated with the Golden Rain Foundation.

Because the Golden Age Foundation is recognized as a nonprofit organization by the Internal Revenue Service, contributions made to qualify for exemption from income taxes in most cases.

The California Department of Social Services announced last week that the state received a waiver from the federal government to allow CalFresh recipients use the EBT cards to buy groceries online. Amazon and Walmart are the only federally approved online retailers, but the state is hoping to add more. More than 4 million Californians receive CalFresh benefits, which range from $16-$194 a month per person. CalFresh is the largest nutrition assistance program in the U.S.

At least 3.7 million California residents have filed for unemployment since mid-March. Qualified LW residents can get help applying for CalFresh, formerly known as food stamps, in person with Cindy Tostado, GRF Member Resource and Assistance Liaison, online or via phone.

People who are over 55 and meet the following monthly income guidelines may qualify:
- One-person household: $2,010 per month;
- Two-person household: $2,708 per month.

Have access to the following required documents to assist in the application process:
- ID
- Green Card or Citizenship Certificate
- Social Security Card

The Centers for Disease Control and Prevention (CDC) has recommended that Americans wear face masks to help prevent the spread of the novel coronavirus, reversing an earlier directive against it.

Now, people in Leisure World, Seal Beach and beyond are seeing used masks, gloves and disinfectant wipes littering parking lots and even LW greenbelts. Discarded personal protection equipment isn’t just a nuisance—it can cause the coronavirus to spread more easily.

Public health officers know the virus can live on these surfaces anywhere between two hours to two days.

**How to Safely Dispose of PPE**

So what is the right way to dispose of masks, gloves and disinfectant wipes?

For one, put them in a trash can. Trash cans are usually found at store exits. Or grab an extra grocery sack and discard your gloves in there so you can carry them home to throw away.

**How to Safely Remove Gloves**

Gloves are not recommended by the CDC but if you wear them, remember that the exterior is contaminated. So use one gloved hand to grab the palm of the other glove and peel it off. Hold that glove while you slide fingers on your un-gloved hand under the remaining glove at the wrist to peel it off. Throw them both in the trash.

When you’re done, be sure to wash your hands with soap and water or use an alcohol-based sanitizer, the CDC says.

**How to Safely Remove Masks**

- Grab the bottom ties of your mask and then the ones at the top and remove the mask without touching the front, according to the CDC. Be sure not to touch your eyes, nose or mouth.
- Throw it away, then thoroughly wash your hands with soap and water or use an alcohol-based sanitizer.
- If you’re using a cloth mask, you can wash it in your washing machine, the CDC says.

Southern California Edison has been working in Leisure World all week, converting its Leisure World streetlights to LED to improve lighting and save money.

The LED lights depreciate at a much slower rate than other alternatives, and they are light-emitting diodes with no toxic chemicals (such as mercury). The lights do not have filaments or burn out quickly, giving them a long life.

Because of their energy efficiency and long lifespan, LED streetlights are advocated as a means for reducing carbon emissions. According to one estimate, converting all American light fixtures to LEDs would halve the amount of energy used to light the country.

SCE plans to replace about 70,000 streetlights with LEDs each year on a first-come, first-served basis. Under the program, SCE provides a turnkey replacement effort for existing streetlights while continuing to own, maintain and operate the street lights and poles.

The initial installation cost of the LEDs is paid back over 20 years through a special rate established for the program. The light fixtures, which are expected to last 12-20 years, will be replaced in the future as needed by SCE as part of its routine streetlight maintenance program.

In November, SCE told the GRF Physical Property Department that the cost to convert SCE street lights to LED would be $326.40 per head. There are an estimated 281 lights in the community, for a total cost is $91,718.

**How to Safely Dispose of PPE**

Discarded PPE is becoming more common in LW.
Scam Avoiding Amazon.com Payment Scams

Protect yourself from fraud on the Internet by identifying and avoiding internet scams and phishing attempts.

When in doubt, ask the intended recipient for more information about the purpose and safety of the requested payment. Do not send the payment until you are comfortable with the transaction.

•Do not do business with a seller that directs you off Amazon. A legitimate Amazon.com seller transaction will never occur off Amazon.
•Do not send money—by cash, wire transfer, Western Union, Pay Pal, MoneyGram or other means, including by Amazon Payments—to a seller who claims that Amazon or Amazon Payments will guarantee the transaction, refund your funds if you are not satisfied with the purchase, or hold your funds in escrow.
•Do not make a payment to claim lottery or prize winnings, or for promise of receiving a large amount of money.
•Do not make a payment because you are “guaranteed” a credit card or loan.
•Do not respond to an email or phone offer that you aren’t sure is honest.
•Do not make a payment to someone you don’t know or whose identity you can’t verify.
•Do not respond to emails that ask you to provide account information, such as your email address and password combination. Amazon will never ask for personal information.

How to Identify Whether an E-mail is from Amazon

If you receive a suspicious (sometimes called phishing) correspondence, here are some tips to determine if it’s an email, phone call, or webpage from Amazon.com.

• Look to see if correspondence regarding an order you didn’t place, or if you were requested to click a link, then lose any attachments or click any links from suspicious emails. Amazon will never send you an unsolicited email that asks you to provide sensitive personal information like your social security number, tax ID, bank account number, credit card information, ID questions like your mother’s maiden name or your password. If you receive a suspicious email, report it immediately.

Suspicious emails from scammers.com often contain:
• An order confirmation for an item you didn’t purchase or an attachment to an order confirmation.

Go to Your Orders on Amazon.com if there is an order that matches the email. If it doesn’t match an order in Your Account, the message isn’t from Amazon.

Security Resident Checks

The Security Department is open 24 hours a day, seven days a week, and is one of the most vital calls it receives is concerned neighbors or family regarding the well-being of their loved ones.

Security also answers numerous calls to conduct welfare checks on people who report that they have been unable to contact a resident and are concerned for their safety. Each case is handled on an individual basis. Leisure World Security will happily conduct a welfare check at resident request. The Security Main Gate office can be reached at (562) 594-4754.

Letters to the Editor

Editor:

Coping with the COVID-19 pandemic crisis isn’t that easy. I have had to reprogram my daily routine. My smart phone helps me check up on my family, friends and associates. I text them daily with updates, and I am so grateful to hear from them as well.

My coping strategies are to keep up with pandemic crisis news from local government, followed by prevention guidelines, work on projects, run around my kitchen table 10 times and dance to Celine Thuder.

Even though the crisis is hard, I see kindness and helpfulness everywhere. My Minibus driver Penny gave me a colorful mask, an act of kindness that made my day. Shareholders and employees are courageously unifying in this crisis, and I will be strong and brave until it passes.

Editor: I received an email this morning from (supposedly) Amazon. The email had an Amazon logo and was signed by the Amazon Team.

It said that my address did not match the card on file, and I should update via the link below. I warned that if I did not respond within 24 hours all my orders would be cancelled and I would not be able to order from Amazon anymore. This is a direct threat when we struck inside. I mean, what else can we do but shop online? I was panicked.

When I clicked on the link my computer blasted a warning that the site was not valid and stop immediately.

I called Amazon and sure enough the email was not from them. And while I was on hold I re-read the email, which contained a number of grammatical errors. This message was obviously written by someone whose first language was not English. Beware.

U.S. DEPT OF HEALTH

Telehealth can help you get care

Hearing a lot about telehealth lately? It’s not a coincidence. Telehealth is a great way to get the health care you need while still practicing social distancing. What is Telehealth?

Telehealth is the use of electronic information and telecommunication technologies to extend care when you and the doctor aren’t in the same place at the same time. If you have a phone or a device with the internet, you already have everything you need to do telehealth — you may be able to:

• Talk to your doctor live over the phone or video chat
• Send and receive messages from your doctor using chat, messaging, email, secure messaging, and secure file exchange
• Use remote patient monitoring so your doctor can check on you at home. For example, you might use a device to gather ECG or other vitalstats to help your doctor stay informed on your progress

What Types of Care Can I Get through Telehealth?

You might be surprised by the variety of care you can get through telehealth. Your doctor will decide whether telehealth is appropriate for your health needs.

If you need care — especially chronic conditions like COPD or other vitals to help your doctor

• General health care, like wellness visits
• Prescriptions for medicine
• Dermatology (skin care)
• Eye exams
• Nutrition counseling
• Mental health counseling
• Urgent care conditions, such as sinusitis, back pain, urinary tract infections, common rashes, etc

Hof’s Hut and Naples Rib are bringing food

The GRF offers Grab ‘n Go daily meals from various vendors, the newest of which are Naples Rib Company offering barbecue and Hof’s Hut, with its traditional Americana menu.

Both have been a big success. Residents sheltering at home can get a fresh, hot meal to pick up and take out at the Clubhouse 6 parking lot seven days a week (see grab ‘n go schedule, page 8).

Naples Rib offers similar fare to its Monday night dinners held in Clubhouse 1. It has appetizers, salads, sandwiches and barbecue combos. All meals will be pre-ordered and pre-paid online, but pickup will be at Clubhouse 6 parking lot. Naples will be in LW on Saturdays, order online at ribcompany.com/LW.

Joining the Grab ‘n Go lineup is Hof’s Hut on Thursdays between 11 a.m. -1 p.m. A popular Sea Beach dining spot for Leisure Worlders, Hof’s and Lucilles are owned by the same company. The new restaurant on Sea Beach Boulevard will be open once restrictions are lifted, but in the meantime, Hof’s food will be available at the Clubhouse 6 parking lot between 11 a.m. - 1 p.m.

MOTHER from page 1

Her daughter, also named Anna, later lobbed businessmen and politicians to designate a special day to honor mothers.

In 1914, Woodrow Wilson signed a bill recognizing Mother’s Day as a national holiday on the second Sunday in May. Julia Ward Howe, a Boston poet, pacifist, suffragist and author of the lyrics to the “Battle Hymn of the Republic,” also has been credited with suggesting a “mother’s day,” as she organized a day encouraging mothers to rally for peace about 130 years ago.

Over the decades, the holiday has become more commercialized. But the intent of Mother’s Day remains constant. It’s a day to be grateful to those women who loved sacrificially. Her influence runs deep, like a chisel on stone, shaping the little people in her sphere. So take a look at yourself and remember your mama on Sunday. Give her the honor she deserves, for the best parts of you are from her. And we are sure to meet them again some happy day.

How to Get a COVID-19 Test

The following locations offer FDA-authorized COVID-19 testing to Leisure World Community residents who have symptoms of COVID-19. This test identifies if you are currently infected based upon a sample taken with a swab. It is not a blood test; it does not test for antibodies. The test identifies symptomatic residents to practice isolation if they test positive. 

There is no out-of-pocket cost to you for this testing, however your insurance may be billed. You are asked to contact your medical provider first and only access these services if you do not have a provider or your provider is unable to provide testing.

Because of continued challenges of obtaining testing supplies and Personal Protective Equipment (PPE) for healthcare providers conducting tests, testing may be restricted at times to high priority groups, as defined by the California Department of Public Health or Orange County Public Health.

You MUST make an appointment for testing with one of the clinics below to assure eligibility and availability of testing:

The cost will be $382 per month. That amount will be collected over a 20-year period within the SCE tariff. The dollar amount covers the meter fee and the materials cost and the regulatory early retirement costs associated with the existing light.

GRF expects a reduction in the electrical cost shortly after installation of the sensor payment was required.

The Physical Property Committee (PPC) reviewed the cost, electrical savings from LED replacement and the need for improved lighting in the community and unanimously agreed to recommend that the internal board approve the project, according to Mark Weaver, GRF Facilities Director.

Volunteers needed to help make 1,000 masks for LW COMMUNITY STRONG

The Golden Age Foundation and Diana Harrison are looking for mask-makers to give away cotton face masks to their fellow neighbors. Diana Harrison lives in Mutual 5 and has been contributing her expertise and time for neighbors and friends in the LW community by coordinating a project to sew the cotton face masks that LWers have been asked to wear whenever they leave the house to protect others as well as themselves while social distancing.

A number of shareholders have been helping the community behind the scenes, sewing masks for health care workers and now, the LW community; however, there is a need for more volunteer mask-makers, and delivery people.

The Golden Age Foundation is looking to collect 1,000 cotton washable face masks in conjunction with Diana Harrison who oversees this project.

“We are in need of sewers by machine or by hand, fabric and elastic cutters. We also need donations of thread,” Diana said. “This will ensure every shareholder will have one or two masks.”

The masks will be donated to the community. The Golden Age Foundation, a charitable organization within LW, will help offset costs and assist in distributing the masks.

If you are able to sew or cut and want to help, contact Diana directly at dianaharrison714@gmail.com. The Clubhouse 3 sewing room is available for this project by reservation only. Contact Kathy Thayer if you want to reserve the room. A maximum of two people allowed at a time per 2-3-hour reservation on weekdays between 8 a.m.-3 p.m.

There are many ways that LWers can get involved with the project. People who can sew by machine or stitch by hand, deliver people, and people who can make calls and send email are needed as well as donations of 100 percent cotton, thread, and 1/4-inch elastic.

If you can help this project, contact Diana at (714) 497-6642, Laura Sporich of Mutual 2 at (562) 598-7695 or Anna Derby at (562) 301-5339. Contact between 10 a.m.-5 p.m. Monday-Saturday. Diana is not available on Thursdays, so Laura or Anna will be the best people to contact on that day.

The Golden Age Foundation is an independent nonprofit, 501(c)3 charitable organization dedicated to serving the residents of Seal Beach Leisure World. Its purpose is to make our community a better and happier place in which to live. The Foundation was established in 1973 and is not affiliated with the Golden Rain Foundation.

One of the many masks that Diana Harrison and her team have been diligently working on to give to LWers.

Mary Greytak turns 98 years old

Mary Greytak celebrated her 98th birthday, COVID-19 style, with neighbors hovering outside her home in Mutual 6. Friends and neighbors showered her with birthday cards and sat in chairs, six feet apart, enjoying lemon meringue and cherry birthday pie available on the patio.

Mary was born in Jeffersonville, Indiana, on April 28, 1922, and has lived in Leisure World for the last 21 years. She was active in Mutual 8 serving as a director. Mary worked with the mobility club, was treasurer of the Monday Pinnacle Club, did publicity for the Little Flower Guild, and was extremely active in the Cribbage Club, serving as secretary for 15 years, among various other volunteer programs.

The event was hosted by Mary’s daughter and son-in-law, Dee and Brian Harmon, who reside in Mutual 12.

Tell our advertisers you saw them in the LW weekly.
Patricia Louise Smith Stewart
Feb. 1930 - April 2020
Patricia (Pat) Stewart passed away peacefully and surrounded by family, at home in Paso Robles, California, on April, 26. Pat was born in Sioux City, Iowa, on Feb. 27, 1930 to her parents, Willard Jenkins Smith and Florence Mary Orr Smith. Her mother, Florence was a 30-year resident of Leisure World. Pat moved into Mutual 5 in 1986. Throughout Pat’s life she had many passions, but her greatest dedication was to her family. Pat used to say that as a little girl she had many dolls and she “dreamed of having her own live dolls one day.” Pat did just that when her marriage to now deceased, John P. Stewart, Jr., gave birth to eight children of which she survived seven.

Pat is survived by her 12 grandchildren and eight great-grandchildren. She is also survived by her brother, Richard O. Smith, who lives in Garden Grove.

As a mom and grandnana, she never missed a birthday or any holiday. From New Year’s Day to Christmas Day, a letter or card would arrive to her loved one’s from her. Also, she always carried her camera, capturing thousands of moments. She is also survived by many, many photo albums she created of her life as well as her family, and friends.

Another one of Pat’s passions were the friendships she had for decades with so many. Pat was always off to another event or card game and potlucks. Three of her long time friends, Carole Convey, Jackie Hein, and Maria Giegerich are current residents in Leisure World. As well as all her tennis friends. Pat was an athlete throughout her life. If she wasn’t in her favorite place, the tennis court, she was swimming, playing table tennis or riding her bike.

Pat will be remembered best by her lovely, upbeat personality. With her beautiful smile she was always ready to pitch in and volunteered to make the birthday cake or bring a homemade dish. Pat was a very selfless person and loved life.

I (Michelle) know I was blessed to have a mother like mine. She was such a great mom, and her family misses her very much.

Plans for a memorial for Pat will be announced at a later date.

**Three prayers for today’s National Day of Prayer**

by Rev. Lisa Rotchford

Redeemer Lutheran and St. Theodore

Did you know that the first Thursday of May is an American legally mandated National Day of Prayer for people of all religions? It is celebrated by Americans of the various denominations of Christianity, Judaism, Sikhs, Muslims, Hindus and other religions that reflect the demographic makeup of the United States?

George Washington declared national day of prayer twice each year; once in the spring and once in the fall. Abraham Lincoln (who referenced God seven times and prayed three times before his Inaugural Address), declared Thanksgiving as our fall National Day of Prayer to be the fourth Thursday of November. Since the 1950s, our president has been required to declare a Day of Prayer for our country in May and in the 1980s it became the first Thursday of May. It is today, May 7, this year.

In past years, Leisure World’s Interfaith Council has recognized this day by uniting all faiths to pray. We want to share “Prayer to Our Lady,” “A Prayer for First Responders,” and “Assembly of God.”

**A Prayer for Our Country**

Almighty God, keep this nation. For you have given it of your own good land as our heritage. Make us always remember your generosity and constantly do your will. Bless our land with honest government of our land, that we may be a people at peace among nations, and from every evil course of action. Make us who come from many nations, one, fit to give account of our stewardship and to live in peace with all people. May the fabric of our nation’s society be woven of a fabric of lives and social order. Amen.

**A Prayer for First Responders**

God of earth and air, wake and sleep, strength and depth, we pray for those who work in danger, who rush to bring hope and help and comfort when others flee to safety, whose mission is to seek and save the lost. May their presence bring comfort and courage to those facing danger, and from every evil course of action. May we who come from different countries and nationalities, religions and languages, work together as one to face the challenges of the year in our Lord, 2020.

**Assembly of God**

During the month of May Pastor Sam Pawlik’s televised messages will have the theme, “Social Spacing and Closeness with God.” The former is new to us as a nation and world, but the latter is an opportunity that’s been with all of us throughout history.

Social distancing is definitely not something new to us, and the way we do it if we want our country to get well and to re-open, however, being close to God is a choice we can make daily.

How can we accomplish this? Ponder Psalm 16:11, “You will show me the path of life; in your presence is fullness of joy, at your right hand are pleasures forevermore.”

Be close to God’s presence we feel the most awesome pleasure that a person is capable of experiencing. “Taste and see that the Lord is good. Oh the joys of those who trust in Him,” (Psalm 34:8).

This promise will carry us through these uncertain times. Let us be close to God and our paths will be lit in the darkness. Amen.

**First Christian**

**Count it all joy when facing struggles**

by Pastor Bruce Humes

First Christian Church

“My brethren, count it all joy when you fall into various trials, knowing that the testing of your faith produces patience.” James 1:2

James in verse 1 calls himself a bond servant of God and of the Lord Jesus Christ, and then identifies to whom the letter is written, namely the twelve tribes which are scattered abroad. The Greek word here is “diakrino” and refers to Christian Jews who had been scattered abroad, and were residing outside Israel because of various forms of persecution. His message to them is “count it all joy when you fall into various trials.”

Who is right? “Liberality is the most sure and certain way to make experience of your faith.” St. Thomas Aquinas.

We believe this is true. We believe that suffering comes with the territory of being a Christian.

**Jesus’ love and mother’s day**

by Pastor Rolland Coburn

LW Baptist

Mothers love and go hand in hand, nourishing and shepherding their folk. That’s why we celebrate Mother’s Day. Other kinds of love include friendship love, committed love (Greek agape) and sexual love, reserved in the Bible for marriage.

First Christian Church has a great ministry within the community, page 15

It is today, May 7, this year.

**Holy Family Catholic Church**

Holy Family Catholic Church wanted to share “Prayer to Our Blessed Mother Mary,” The Lady of All the Nations.” From 1945–1959 the Blessed Virgin Mary appeared in Amsterdam under the title, “The Lady of All Nations.” She asked for conversion and more love and justice among humanity. In 1995, The Vatican approved the declaration of the Lady of All Nations, to be the universal Patroness of the Church for this prayer).

“Lord Jesus Christ, Son of the Father, send now your Spirit over the earth. Let the Holy Spirit live in the hearts of all nations, that they may be preserved from degeneration, disaster, and war. May the Lady of All Nations, Mary, co-redemptrix and Mediatrix, be our Advocate.” Amen

**First Prayer for Today’s National Day of Prayer**

by Rev. Lisa Rotchford

Redeemer Lutheran and St. Theodore

May the Lady of All Nations, Mary, Co-redemptrix and Mediatrix, create here a community of justice and peace where your will may be done. Amen.

The laws regarding priestly and royal authority are given. It is after the last week’s second reading of “Kedoshim” (Holiness), which was addressed to the entire nation of Israel, that the priestly segment is singled out for special regulations. There were laws regarding the role of priests, how to marry, sacred food, desqualification and the prohibition of contact with corpses.

As the Lord conducts a weekday Maivir service every Thursday for Sim Shalom, the Online Synagogue. Sim Shalom presents live streaming services Monday-Thursday, with a different rabbi each day. To count the Omer, say Kaddish, pray for healing or to hear a spiritual message, go to SimShalom.com. Rabbi Galit Shirah also currently teaches online Hebrew (Prayerbook and Commentary) and Cantillation (Torah chanting) for anyone who wants to learn something new. In 1995, The Vatican approved the declaration of the Lady of All Nations, to be the universal Patroness of the Church for this prayer).

“Lord Jesus Christ, Son of the Father, send now your Spirit over the earth. Let the Holy Spirit live in the hearts of all nations, that they may be preserved from degeneration, disaster, and war. May the Lady of All Nations, Mary, co-redemptrix and Mediatrix, be our Advocate.” Amen

Community Church

Anyone else tired yet? Sitting around with little or nothing that we can do is exhausting. We are still in the season of Easter but the Easter drum has slipped from front of our minds and we find ourselves instead thinking about the full homes that we are spending so much time in. It is hard to know what to trust among our leaders at the moment. Do we have herd immunity, do the earlier cases in California mean we are further along? Is it safe to go to the beach? Is it safe to go to the store? As I write this, the beaches were opened by the mayors around us and some even crowded. Should they have closed again by the governor? Are we too cautious? Not cautious enough? Maybe just the right amount of caution? How would we know? It sounds like testing is beginning to ramp up so maybe by the time you read this, we are already in a better place as a community. If not, and staying home still feels exhausting, invite everyone to join Community Church on Sundays for live worship on Facebook and to call in to hear my thoughts for the day and a series of daily prayers and reflections.

We are also working to find new ways to bring the joy of Jesus out beyond the walls of the church but within the walls of the community.

MOTHER'S DAY

Peter and James both speak to us about the various hardships, trials and temptations we as believers will go through, but both explain to us that we should rejoice or count it joy because God is using these experiences to bring us to a place of maturity and perfection in our faith. At the revealing of Jesus Christ we will be found in praise, honor and glory.

Peter answered, Yes, Lord, you know that I love you. Jesus said, Take care of my sheep. Jesus asked him the third time, Simon, son of John, do you love me? Peter was grieved that He asked him the third time. Do you love me? He said, Lord, You know everything! You know that I love you, Jesus said, Feed my sheep.

When Peter saw him, he asked, ‘Lord, what about him?’ ‘If I want him to remain until I come, ‘Jesus answered, ‘what is that to you? As for you, follow me.’

As children we enjoyed having our eyes on our mothers. There is a thrill in having our eyes on Jesus, following Jesus, being led by the Lord, so that he directs our paths.

Finally Jesus points to the future, speaking of committed love and Christ's return. It means watching for his coming, ‘when he comes to be glorified in his saints on that day, and to be marveled at among all who have believed—for our testimony to you was believed.' ‘So this is a thrill to the brothers that the disciple John would not die. Yet Jesus did not tell him that he would not die, but, if I want him to remain until I come, what is that to you?' John later sums up, ‘Little children, let us not love in word or talk, but in deed and in truth. By this we shall know that we are of the truth and assuage our hearts before him, when he comes.'
