SBPD
Coffee with a Cop is April 28 at 5 p.m.

Seal Beach Mayor Joe Kalmick is inviting the community to meet with him and the Seal Beach Police Department at a virtual Coffee with a Cop event. The event will be held on Wednesday, April 28, at 5 p.m.

Often the community’s only interaction with the police is during a time of emergency or other crisis. The community can be left with questions about police practices and procedures.

Coffee with a Cop events are designed to provide an opportunity for the community to ask questions, voice concerns and get to know their police department.

The relaxed nature of this event is intended to allow the SBPD to get to know the community, and for community members to get to know the officers who serve Seal Beach.

The event is informal with no speeches, presentations or agendas. The goal is to strengthen the relationship between the City of Seal Beach, the SBPD and the community.

The event will be held on Facebook Live. Those interested in joining the Seal Beach Police Department for this event can visit the SBPD’s Facebook page at <https://www.facebook.com/SealBeachPoliceDepartment>.

For more information about the Seal Beach Police Department or this virtual Coffee with a Cop event, contact Lt. Nick Nicholas at nnicholas@sealbeachca.gov or (562) 799-4100, ext. 1160.

GRF SURVEY
Your input is needed

WHAT || The GRF is considering adopting an emergency text alert system for Leisure World residents.

HOW || The survey is available online at lwsb.com and on page 19 of this issue. Residents are asked to fill out the survey and drop them in the mail slot at the LW Weekly or go online and take it.

Leisure World Security and GRF Safety/Emergency Coordinator Eloy Gomez helped facilitate the drug take back in 2019. This will be one of the first drive-through events since the COVID-19 shutdowns.

Safely dispose of unwanted prescription drugs

The Seal Beach Police Department and the Drug Enforcement Administration (DEA) will host a Drug Take Back day on Saturday, April 24, from 10 a.m.-2 p.m. Residents can prevent pill abuse and theft by ridding their homes of potentially dangerous expired, unused and unwanted prescription drugs.

Bring pills for disposal to the front gate of Leisure World. The DEA cannot accept liquids, needles or sharps, only pills or patches. The service is free and anonymous, no questions asked.

People can scratch out identifying information on the prescription drug label to make it unreadable. This will help to protect personal health information.

People must not share prescription drugs.

This initiative addresses a vital public safety and public health issue.

Medicines that languish in home cabinets are highly susceptible to diversion, misuse and abuse.

Rates of prescription drug abuse in the U.S. are alarmingly high, as are the number of accidental poisonings and overdoses due to these drugs.

Studies show that a majority of abused prescription drugs are obtained from family and friends, including from the home medicine cabinet.

In addition, Americans are now advised that their usual methods for disposing of unused medicines—flushing them down the toilet or throwing them in the trash—pose potential safety and health hazards.

Visit the DEA’s website at www.deatakeback.com or call (800) 882-9539 for more information and to find an authorized collection center in your community.

The site also provides valuable information about DEA’s National Take-Back Initiative.

For more information about the disposal of prescription drugs or about the Take Back Day event, visit <https://takebackday>.

SBPD Crime Reports

Pedestrian Struck

A pedestrian died after being struck by a vehicle while walking in a parking lot on Wednesday, April 14, at about 11:11 a.m., the Seal Beach Police Department has reported.

SBPD received a call of a traffic collision involving a vehicle and a pedestrian in the parking lot of the U.S. Postal Office located at 2929 Westminster Ave.

Upon arrival, officers discovered that a vehicle collided with an adult, female pedestrian. Orange County Fire Authority personnel responded; however, the pedestrian was pronounced deceased at the scene.

The preliminary investigation revealed that the pedestrian was walking near the building when she was struck by a vehicle driving through the parking lot. No other vehicles or pedestrians were involved, and the driver of the vehicle was uninjured.

This is an ongoing investigation, anyone with information is asked to contact Traffic Investigator Officer Cory Montgomery at (562) 799-4100, ext. 1623 or cmontgomery@sealbeachca.gov.

Vehicle Theft

A vehicle theft suspect is in custody after leading police on a pursuit through Orange County.

On April 15, at about 6:22 a.m. while getting ready for work, a resident discovered that his vehicle was no longer parked in the driveway of his house.

Realizing that the vehicle theft had occurred within the previous few minutes, the resident called the police and began searching the neighborhood for the stolen vehicle. He located the stolen vehicle near the intersection of Pacific Coast Highway and Bolsa Avenue. Officers immediately responded to the area and located the vehicle driving on Westminster Avenue. When they attempted to stop the car, the

The pursuing officers followed the vehicle into the city of Santa Ana, where the driver attempted to run away.

The suspect was taken into custody without incident moments later with the assistance of the Santa Ana Police Department, California Highway Patrol, an Orange County Sheriff's Department helicopter and a Cypress Police Department canine officer. The driver was uninjured.

Letters to the Editor

Editor:

I want to express my great thanks to our LW Library. For an entire year, they supplied me with audiotapes.

I would order them by phone, and the reduced staff would gather them up and give me a phone call to pick them up at the door. All the while, they were very gracious—amazing service!

The article containing a “comprehensive overview” of the Leisure World pool upgrade (April 15) contains the same old information.

The timeline does not include that shareholders were told that there would be a pool opening in April 2019, then in September 2019, and then in April 2021.

I was a GRF officer for two years, and I was an officer for Mutual 9 for five years. Now I am a shareholder in Mutual 9.

Mutual director positions are all volunteer jobs. These residents are unpaid officers of Mutual corporations. Their job is to keep the buildings and common property of each mutual in good working condition so that each shareholder has the oppor-

tunity to have their share of stock increase in value.

There are rules that have been established, and the directors, on occasion, must inform shareholders if they are infringing on these rules.

I am concerned because lately I have been witness to shareholders taking their frustrations out on some of our directors. Our directors should be given heartfelt thanks for the hours they spend trying to do this job.

Changes in state law create new problems that directors have to manage with the aid of their lawyers.

I am noticing actions by some shareholders that made me think of a bully. You know the kind I mean, the belligerent kid who could always be counted on to pick on the smaller kid. I have learned bullies don't change—they just grow older.

I hope other shareholders realize how childish and even cruel the bullies' actions are toward our hardworking officers.

Take the time to thank your director for all the hard work he or she is doing.

Ralphs grocery store and Food 4 Less in Long Beach, both owned by Kroger, have closed.

The Ralphs store will not be re-opening, and this may also be the case with the Food 4 Less store.

The closings are due to the mandatory \$4 per hour added wage during the COVID-19 pandemic.

We can help prevent more closings. Please, if you are able:

- Bag or box your own purchases. This will greatly help out the cashiers and box boys and girls
- When going into the store, take an abandoned shopping cart from the lot with you. After all, you are going that way anyway.
- When leaving, return the cart you have used to the place provided for ease of return by an employee.

I use bags that open with a fold-down bottom, which makes them as easy to use as filling a box. If you want more information, I'm in the directory.

I, for one, do not want to travel another 5-10 miles to get to another grocery store.

Thanking you in advance for your much needed help.

I would like to respond to a letter to the editor dated April 8, 2021, which was written by Donald Hodel. I agree with his first paragraph; racism is a scourge in our society. His letter

turned political, and it became the very thing he objected to in racism. He used the word “dogma,” which means “the tendency to lay down principles as incontrovertibly true, without consideration of evidence or the opinions of others.” He condemned a whole group of people for supporting President Trump in the last election. This is wrong.

Personally, my approach to politics and candidate is based on right and wrong.

My guidance comes from the Bible, not the U.S. Constitution, not the Democrat Party, Republican Party or any other group. Of all the publications ever written, the Bible has proved to be perfect because it was inspired by our God. Whether the issue is abortion, marriage or how to deal with our fellow man, it is in the Bible.

I would suggest that people not group each of us based on how we vote, but instead consider that we give a lot of thought to the issue or candidate based on what is best for our fellow man in this United States.

Racism hurts everyone whether you are the victim or being wrongly accused of it.

What happened to our golf tee boxes?

In November and December 2019, GRF spent \$67,000-plus to improve the tee boxes at the golf course. A company by the name of Eagle Golf Construction did the work. They raised and graded the boxes. Put in tee sand starter

fertilizer, Tifway 419 hybrid Bermuda sod, watered and rolled.

This is not what we have today. Over the year, the tee boxes ended up muddy and dirty. What went wrong?

I called Eagle Golf. They told me no one from LW called them to come back out and see what happened.

This is totally unacceptable, totally incompetent, \$67,000-plus wasted.

Linda Herman
Mutual 12

Editor's Note: The following response was supplied by GRF Physical Property Manager David Rudge: We are grateful to residents who share information to raise awareness of conditions and work together for solutions and take action to correct conditions. Eagle Golf completed the project in a good and workmanlike manner. The question is asked, “What happened?” The tee soil temperature dropped below 55 degrees, and, as the warm season turf became dormant, Poa and weeds became dominant. The new golf course contractor, who is committed to improving the conditions, took over the course maintenance in January. Understanding spring warmth will bring an opportunity for growth, the tees were treated for

FAITH CHRISTIAN ASSEMBLY

Pastors retire after 29 faithful years

by Sheri Leming
LW contributor

Romans 13:7 says to “give everyone what you owe him: If you owe taxes, pay taxes; if revenue, then revenue; if respect, then respect; if honor, then honor.” This month, the members at Faith Christian Assembly join together to give Pastor Gwyn and Ginny Vaughn honor and respect.

The Vaughns recently celebrated 29 years of pastoring and leadership at Faith Christian Assembly and the church has been blessed by their ministry. They have modeled a genuine love for God and his people. The church gives its thanks to Pastor Gwyn and Ginny for their love and faithfulness to God and for sharing their lives with the community.

Out of an abundance of caution, all who attend services or events at Faith Christian Assembly will have their temperature taken at the door, be required to wear a mask before and after service, and sit socially distant from others. Those who are ill should remain at home.

Due to COVID-19, Faith Christian Assembly is not having all of its regular ministries at this time. Midweek Bible study taught by Pastor Sheri Leming is on Wednesdays at 11 a.m., and Grief Share’s weekly meetings are Wednesdays at 5:30 p.m.

To receive a free newsletter and for more information on the church, call (562) 598-9010, visit the website at www.FCAchurch.net or email contact@fcachurch.net.

First Christian Church

First Christian Church of Leisure World teaches from God’s word, the Holy Bible, verse by verse. It is a friendly church that welcomes all visitors.

Message of the week:

Hebrews 9:27 says, “It’s appointed for all men to die once, but after this, the judgement.”

The church has looked at the judgement of the cross, the seven years of tribulation, and the judgement of the nations over the past few weeks. This week, the message will look at the final judgement that will befall all mankind as God prepares for a new heaven and new earth and the eternal state. Scripture calls it the “Great White Throne” judgement (Revelation 20:11-15).

Scripture of the Week

“But as for me, the nearness of God is my good; I have made the Lord God my refuge That I may tell of all your works” (Psalm 73:28, NASB)

Services

Saturday and Sunday services have the same message. Sunday is a traditional service, with hymnal music provided by Pat Kogok at the piano. This week, Rudy and Lita Fernando will provide a special musical number for the congregation. Sunday service times are from 9:30-10:45 a.m. (note that this is a different service time than before the pandemic).

Saturday services are more contemporary, with Gregory Black leading worship with guitar accompaniment. Saturday service time is 9:30-10:45 a.m. (also a new time).

The Friday evening prayer meeting is from 6-7.

Announcements

First Christian Church is concerned about the health and safety of all attending the worship services. It asks that those who are experiencing any coronavirus, flu or common cold symptoms stay home. If you have been in contact with anyone testing positive for the virus within the last 14 days, stay home.

For more information, call (562) 431-8810 and leave a message.

FREE Leisure World Gold Show

"Turn Your Broken or Unused Gold Jewelry, Gold & Silver Coins and Sterling Silver Into Instant Cash"

One Day Only. This is Sunday 10am to 5pm.

The *Leisure World Gold Show* is happening this Sunday in Seal Beach. You can get paid cash instantly for your unused/unwanted gold jewelry (even if damaged), gold coins, silver coins, and dental gold — in fact, *anything* containing gold.

Real Gold?

What if you don't know if an item contains real gold? Don't worry, bring it anyway and gold buyer specialist Greg Schilling, owner of *Schilling Gold Exchange* will test and inspect your item to determine amount of gold content, purity of gold (10K, 14K, 18K, 24K), and weight.

Mr. Schilling will provide you information about your item and discuss purchasing it for cash should you wish to sell it.

Often times people with gold items are amazed at how much something is worth.

Hold or Sell — It's Up To You

There is never any pressure for you to sell your item.

Mr. Schilling states, "I have a lot of folks who just want to know more about their item, which is fine. Often times there is sentimental value

attached, in which case I always recommend to my customers they hold on to it. I build my business through repeat customers, and I know that if I treat my customers right, they will refer their family and friends. I want everyone to walk away feeling good about attending this event."

Comments From Previous Gold Show Attendees

"After shopping around, I found *Schilling Gold Exchange* gave me the best price for my gold. I highly recommend *Schilling Gold Exchange* to other Seniors." — J.R.

"I am more than pleased with Greg Schilling of *Schilling Gold Exchange*. He was able to give me top dollar for my gold jewelry and coins. After my wife passed, I had some gold coins that I wanted to cash-in. Not only did Greg give me a fair price, but I also got more than I was expecting as one of the coins had extra numismatic value that I was unaware of. I now recommend to all my family friends they use *Schilling Gold Exchange* instead of jewelry stores." — G.P.

"Try it. You'll like it. Very friendly and honest." — M.B.

Mr. Schilling (on right), of *Schilling Gold Exchange* and member of the *World Gold Council*, and *American Numismatic Association*, evaluates jewelry for show goers. Mr. Schilling will be at the event and available to provide information about gold jewelry, gold and silver coins, sterling silverware sets, and diamonds.

Admission Is Free

The event is free and there is never any fee to bring your items for evaluation. Plus, there are no long lines. Wait times if any, are only about 5-10 minutes. There is plenty of free parking.

Getting a COVID shot is not the end of precautions

by Patty Marsters
pattym@lwsb.com

Before life can return to the normalcy we remember of 2019, we need to reach herd immunity. Herd immunity occurs when enough people become immune to a disease to make its spread unlikely. As a result, the entire community is protected, even those who are not themselves immune. With COVID-19, herd immunity can be achieved through vaccination, and even though anyone 16 and older who wants to be vaccinated can now do so, it will still take time. Plus, no vaccine has yet been approved for a large part of the global population, children 15 and younger. So estimates for when we will reach herd immunity range from late summer to early 2022.

Even those who are fully vaccinated (people who are 14 days or more past the last dose) need to be cautious. Getting COVID-19 is still possible. In clinical trials, the Pfizer-BioNTech (administered at Leisure World's vaccine clinics) and Moderna COVID-19 vaccines were about 95 percent effective in preventing symptomatic COVID-19 after two doses, and the single-dose Johnson & Johnson vaccine was found to be between 66.1-72 percent effective. Though these vaccines are highly effective against severe disease and death from the virus, there's a chance you could get infected—and that you can infect others, who can then infect other people.

The Centers for Disease Control and Prevention (CDC) and other health experts recommend you keep wearing a mask and maintaining physical distance to help slow the spread of COVID-19 until we can reach herd immunity. This is especially important when you are in any public place.

But you can feel safe visiting

with family and friends. According to the CDC, fully vaccinated people can gather indoors in small groups with other fully vaccinated people without masks or physical distancing with unvaccinated people who aren't at high risk.

If you put off routine medical care such as dental checkups and visits to the optometrist until you felt safer or were vaccinated, it's okay to start making those appointments. Stop putting off that colonoscopy or elective surgery. "Being vaccinated, now is the safest it has been to have surgery in well over a year," says Beverly Philip, M.D., president of the American Society of Anesthesiologists. However, you may want to hold off on getting a mammogram until four to six weeks after you are fully vaccinated. Many women develop swelling in the lymph nodes in

their underarm after vaccination, the CDC says, and while that swelling is a normal sign that your body is building protection to the coronavirus, it could cause a false mammogram reading.

As more things open and we get closer to herd immunity, keep your vaccine card handy. Researchers from Pfizer and its German partner, BioNTech, are studying how long the vaccines' protective immunity will last. According to Pfizer CEO Albert Bourla, people are likely to need a third dose of a COVID-19 vaccine within a year of getting fully vaccinated, and they may subsequently need annual shots to protect against the virus and its variants. Your vaccine card will help confirm which vaccine you received and when you received it in the event that you need a booster.

Coyotes have been seen in almost every Mutual and in the flood control channel along Golden Rain Road.

Coyote Watch

Coyote sightings continue to blow up Leisure World's Facebook and NextDoor pages, with coyotes spotted in almost every Mutual and in the flood channel along Golden Rain Road.

Residents are urged to be cautious and keep pets close by. There have been no reports of threatening coyote behavior in LW. Loud noises will scare off the animals, which are typically frightened of humans and run from conflict.

The best way to repel coyotes, which are common in the area this time of year, is to practice hazing, which tends to move them on to more hospitable locales, according to animal control.

Hazing techniques include:

- Yell and wave your arms while approaching a coyote.
- Use noisemakers such as whistles, air horns, bells or soda cans filled with pennies to scare the coyote.
- Throw sticks, small rocks, cans, tennis balls or rubber balls at the coyote.
- Use hoses, water guns or spray bottles.

Animal control experts recommend that residents follow these precautions to keep the coyotes away from neighborhoods:

- Close the lids of community garbage containers after trash is placed inside. This will eliminate a food source for the animal.
- Protect pets and do not leave any pet food or water in patio areas.
- Put away bird feeders at night to avoid attracting rodents and other coyote prey.

•Be aware of surroundings while walking dogs, especially in the evening and early morning hours.

•Don't leave doors or windows open, and make sure vents are screened so there is no access to apartments.

Never approach a sick, injured or cornered coyote.

Animal control will only respond if the coyote is sick or injured or if it is threatening or attacking a person.

It is a violation of state law to feed wildlife because it alters their natural behaviors.

Poa and weeds, which left dormant Tifway 419, that in areas were dirt and muddy. Fertilizer was applied and trees were trimmed to allow sun on the tees to increase soil temperature to 55 degrees, which will initiate growth (65-plus degrees is optimal).

What is being done so this never happens again? Tee conditions will be added to the Total Quality Checklist for the Golf Course as staff continues to monitor and improve conditions. The April 9 tee condition report sent to the Board has a photo of No. 33 tee from a different direction and shows improvement. Tifway 419 is growing, and as temperatures warm up, the tees will continue to improve.

Editor:
Ribbons have come to symbolize many different causes. I was so distressed about the recent occurrence in Leisure World regarding one of our residents that I wanted to find a way to express my opinion about the beautiful diversity we are so fortunate to have in Leisure World.

So, if you happen to walk down by my home in Mutual 2, you will see orange bows to let you know that no matter who you are, I'm glad you are here.

If I'm sitting out on my porch, you are welcome to come sit a spell. I would love to get to know you.

*Paula "Sandy" Hines

Editor:

Thank you, GRF, for a wonderful remodel of the Fitness Center. The equipment is state-of-the-art, and there are plenty of options for all levels—job well done.

Now about that pool.

*Lee Howell
Mutual 5*

Editor:

I suppose the article about the pool titled, "Late Summer Opening Eyed" (April 15) was supposed to bring cheers and accolades for such a thorough and conscientious job well done. Especially knowing the "project is teeming with underlying activity." Hardly. It was like being punched in the stomach.

Two summers without a pool! I have two words for that, or maybe one compound word starting with a "B."

Time and time again, I have read through these pool updates, and I wonder how many residents noticed the seven-month gap in the timeline from July 13, 2020, to Feb. 19, 2021, where there are

absolutely no entries. On the one hand, I have to applaud the seeming "transparency." On the other hand, it seems quite obvious that a curtain has been drawn over this time period.

Frankly, heads should roll. This project is a disgrace, and I doubt it will be added to anyone's resume as a job well done.

*Karen Oja
Mutual 9*

Editor:

I was so impressed with the article "We Are the World," by Randy Ankeny (April 7). I felt his sincere concern for our community over the racist problem that exists. I'm requesting that the article be repeated many times so everyone has an opportunity to be reminded of our duty to one another.

Thank you for your consideration in keeping us informed of the activities in the community and for your consideration in repeating "We are the World."

Literary Art Contest winners honor love of classics

by **Patty Marsters**
pattym@lwsb.com

Winners of the Leisure World Library’s Literature Art Contest were announced on April 16 at the conclusion of the public display of entries in Veterans Plaza. LWers were asked to re-create a scene or pay tribute to a suggested famous work of fiction using any artistic medium.

A painting of the main characters from “The Hobbit” gazing at the Ring won Susie Ralston of Mutual 15 first place honors. Annette Canale of Mutual 6 used a doubleknitting technique to create a reversible scarf featuring imagery from “Alice in Wonderland”; her efforts earned her second place. And the prolific Alfredo Martinez of Mutual 9 took third place with his portrait of Frankenstein. All received Visa gift cards as prizes.

Among the 14 official entries were works depicting “The Wizard of Oz,” “To Kill a Mockingbird,” “The Old Man and the Sea,” “Pride and Prejudice,” “Little Women,”

“Gone With the Wind,” “Huckleberry Finn” and “The Call of the Wild” using wood, needlework, paint and felt. The Recreation Committee served as judges for the contest.

“I read ‘The Hobbit’ eons ago, and loved it,” Ralston said. “Then, when the movie came out, I was so enamored by it, it just stuck in my mind. I thought about it from the time I heard about the contest at a GRF meeting, but I just couldn’t come up with an idea for how to paint the story. Then, last week, I was thinking about it and thought, ‘The whole story is about the ring.’ Finally, I came up with how to tell the story, with the major players on the inside, and the dangers and horrors on the edge.”

Ralston said she tried to devote about eight or nine hours a day to her painting. “I still have more work to do on it, and I might make a cardboard frame for it,” she added, referencing her award-winning piece for the recent Cool Creations Cardboard Contest.

Canale is a fan of “Alice in

Wonderland” who cites several timeless quotes as inspiration. She learned to knit as a child but didn’t really take up the needlecraft until after she’d retired. She said she spent about 200 hours creating her award-winning scarf. “I went to work on it the day the contest was announced,” she said. “It was the first time I did double knitting, so it was several days of practice and ripping out and watching countless YouTube videos before I understood what to do. Understanding is one thing—then comes doing it!”

Martinez created three separate works, all of which were on display, but “Frankenstein” was inspired by “the miserable condition that exists on this earth. We all matter—no matter what color we are. Even ‘Frankenstein’ wanted to be human,” he explained.

The first-place winner received \$200, and second place got \$100. Martinez, who won \$50 for third place, said he usually gives extra money to charity. “This time, I give it to my favorite charity—my grandson,” he said.

Betty Morgan’s “Call of the Wild” entry was a family affair. Morgan’s son and great-granddaughter, who did much of the background painting with her mother, helped set up the entry the morning of April 16.

Victoria Bowles (above) used wooden cutouts and paper poppies to depict the main foursome of “The Wizard of Oz,” while Susan Baum (below) shared some trivia about Dorothy’s iconic shoes.

The colors, shapes and details covering this glass vase were painted on deli papers, then cut free-hand by Marilyn Jonas, who then glued all the pieces in layers to create Alice’s adventure.

LWers (l) gathered in Veterans Plaza to review the entries, including Keiko Sekino’s (above) 10 crocheted birds for her “To Kill a Mockingbird” entry.

INTERNATIONAL CITY THEATRE

No eating, drinking or being merry for this couple?

As people return to dining inside eateries, International City Theatre (ICT) brings a reminder of a scenario some maybe don’t miss: a long wait for food. Streaming Thursdays, Fridays, Saturdays and Sundays starting April 29, “Slow Food” shows a couple celebrating their anniversary in a Greek restaurant in Palm Springs. But as Irene and Peter wait interminably for their neurotic waiter to serve them something, they examine their 30-year marriage.

“The play was inspired by a real evening I spent with my family,” playwright Wendy MacLeod explained in an interview. “Everybody was tired and hungry, and it

was Sunday night, and we found one restaurant still open, and we sat down to order our meal, and we encountered the most extraordinary waiter that I’ve ever met. And by that, I mean bad—the worst waiter I have ever, ever had. And he seemed to kind of thrill to his power to control whether or not we got our food and drinks and when we got them and who got them first. It was just a fascinating character study.”

The virtual presentation was directed by Marya Mazor and stars Stu James and Meredith Thomas as the hangry couple and Perry Ojeda as their tormentor. MacLeod is best known as the author of “Women in Jeopardy!”

and “The House of Yes,” the latter of which was adapted for a 1997 film of the same name.

“We all need to laugh—now more than ever,” says ICT artistic director caryn desai. “Of course there’s no substitute for live, human communication and connection. But, in the meantime, we must find ways to keep connected and engaged until we can once again come together safely.”

The Long Beach theater hopes to open Wendy Graf’s “Closely Related Keys” to in-person audiences in late August.

Tickets to “Slow Food” are \$30 per household and are available via www.InternationalCityTheatre.org until May 16.

Men’s Golf League Results

On April 12, the Men’s League played at the David L. Baker Executive Golf Course in Fountain Valley. A cool morning greeted nine golfers; the day never got warmer nor did the sun come out. The fairways were well-watered, the greens and fairways in great condition, and the scores showed it with some spectacularly low totals. Baker is relatively flat at 4,000 yards, par 62, with no par 5s and shorter-than-usual par 4s. It’s designed to be played in a much shorter time than a standard 5,800-6,000-yard, par 70-72 course.

All scores are net (actual score minus handicap). A flight handicaps range from 0-20; B flight is higher than 20.

A Flight Winners: First place: tie between Fujio Norihiro and Bill McKusky, a well-done 10 under 52; second: Sam Choi, 1 under 61; third: Dave LaCascia, 1 over 63; Fourth: John Petersen. Norihiro had two birdies, and LaCascia had one. McKusky also had fewest putts with 28, plus closest to the pin on the 140-yard, par-3 12th hole. Choi was closest to the pin on the 100-yard, par-3 third hole.

B Flight Winners: First place: Mike Looney, with a memorable 18 under 44, plus a birdie; second place: Tom Ross, a sensational 9 under 53, plus a birdie and fewest putts with 31; third: Marv Ballard, a well-done 7 under 55; fourth: Bob Munn, a terrific 6 under 56.

April 16 at the Riverview Golf Club in Santa Ana was a pleasant morning, with 13 men and one woman playing a round in bright sun, though it stayed cool until the last third of the round.

Riverview is a par-70, 5,800-yard course, with the Santa Ana River running alongside eight holes and a pond in front of a short par 3. Three of the holes

actually cross the river and are then uphill to elevated greens. There are many tricky elevation changes and strategically placed sand traps. Finding fairways with drives are a must here. With a nicely manicured greens and fairways, the players accepted the challenges, and more than half the rounds were under par, including three birdies.

A Flight Winners: First place: McKusky, 5 under 65, plus fewest putts; second: LaCascia, 1 under 69; third: tie between Norihiro and Ron Jackson, even par 70; fourth: Larry Hillhouse, 2 over 72; fifth: Choi; sixth: Jim Goltra; seventh: Tim Looney. Jackson had a birdie and was closest to the pin on the 100-yard, par-3 ninth hole. Tim Looney had a birdie and was closest to the pin on the 150-yard, par-3 second hole. Hillhouse had a birdie, and McKusky had fewest putts with 27. Jim Goltra carded a “greenie” on the difficult, over a chasm, 140-yard, par-3 seventh hole.

B Flight Winners: First place: Ross, a terrific 9 under 61; second: Mike Looney, 1 under 69; third: tie between Bob Munn and Lowell Goltra, even par 70; fourth: Ballard, 2 over 72; fifth: Dale Quinn. Jackson had a birdie. Lowell Goltra also had fewest putts with 28.

In general, masks are required at the pro shops, but are optional while waiting to tee off. No masks are required on the putting greens, driving range or the course itself. Golf carts are single person only unless riders are from the same household.

LW Men’s Club membership is not required, and friends, ladies, spouses and family are all welcome to play and/or join. There is a prize pool for each round that players are not obligated to enter.

Men's Golf Club

After a 13-month hiatus, the LW Men's Golf Club resumed Tournament play at the Turtle Lake Golf Course on April 14. Three flights vied for best net scores, including four circle holes and two closest-to-the-pin challenges.

The first foursome of the year teed off at 8 a.m. They were followed by 38 other golfers over a period of more than five hours. The weather was cool and initially damp; the morning warmed up with some on-and-off sun, which also brought some wind later in the morning. Players were happy to get back to tournament play, renew friendships and meet some new people.

A flight encompasses golfers with handicaps of 0-6; B flight is 7-12; and C flight is 13-18. All scores are net (gross score minus handicap).

A Flight Winners: First place: Steve Ro, 5 under 49; second: Bob Turner, 3 under 51; third: Bob Barnum: 1 under 53; fourth: tie between Bill Lyons and Glenn Barry, 1 over 55; fifth: tie between Bill Long, tournament director Alan Sewell and David Kwan, 2 over 56.

B Flight Winners: First place: John Haley, 6 under 48; second: Dave LaCascia, 5 under 49; third: tie between Dale Williamson, Trai Nguyen and Ron Jackson, 2 over 56; fourth: tie between Ron Steele and Jay Kim, 4 over 58; fifth: tie between Ryan Hung and Jong Lee, 5 over 59.

C Flight Winners: First place: tie between Sang H. Kim and Hyon Shin, 2 under 52; second: tie between Kap Son, Youn Lee, Suk Im and Roger Bennett, even par 54; third: Joe DiDonato, 2 over 56; fourth: tie between Bill Zurn and Lee Broadbent, 3 over 57; fifth: James Choi, 4 over 58.

The next Men's Tournament will be on April 28, then every second and fourth Wednesday of each month. The first Guys and Gals Tournament of 2021 will be on May 19, then every third (and fifth, if there is one) Wednesday.

Jojo Weingart

In March, Hui O Hula celebrated the club's anniversary, dancers' birthdays and St. Patrick's Day with a picnic and cake. Upon seeing the inscription, the dancers were puzzled, but then burst into laughter after it was explained that hula instructor Jojo had asked the baker to “write something nice.”

HUI O HULA

Happily dancing through April

April has been keeping Hui O Hula dancers busy. Among the hula they've done recently are old favorites “Blue Lei” and “Lili'u E.”

“Blue Lei” was composed for the 1937 Paramount movie “Waikiki Wedding,” starring Bing Crosby. The song describes how a romance started in May while she was wearing a blue lei.

“Lili'u E,” also known as the Queen's Hula, was dedicated to Queen Lili'uokalani (1838-1917), the last monarch of the Kingdom of Hawai'i. Famous chanter Antone Ka'o expressed his loyalty and aloha by describing her

eyes, cheeks, shoulders, bosom, knees and feet. Dancers enjoy expressing the Queen's beautiful body parts via hand motions.

The month is also busy with birthdays. The group celebrated hula sisters Pat Fellers, Essie Hicks, Renee Castillo, Louise Hering and Kyoko Ogita.

Anyone can tell a story in hula; the dancing is gentle for the body, and the lyrics motivate both the mind and memory. Free classes are given at Veterans Plaza every Thursday at 1:30 p.m. For more information on the classes or hula performances, call Jojo Weingart at (562) 252-9676.

Essie Hicks

Karaoke Club

It was chilly and breezy the afternoon of April 15, but the karaoke singers waited for their turn to sing. Always anxious to take the microphone was Essie Hicks, who did the Linda Ronstadt number “Long Long Time.” Some country ballads were performed by Carmen Edwards, David Noble, Wayne Urban, Barbie May, Rick Riley and Ellen Brannigan. A variety of pop hits were sung by Ruby Johnson, Bob Barnum, Tino Tupas, Carolyn Mottola, Julie Nulad, Margie Stewart, Richard Yokomi, and Gerry and Vilma Taggaloa. And gospel songs were a favorite for Pat Kogak.

Chairs are set up by GRF custodians under the awning of Veterans Plaza for each Thursday's gathering at 4 p.m. Everyone is welcome, whether to sing or just enjoy the voices of others. Masks are worn, and toes tap to the music; the applause shows the audience's appreciation for all performers.

Marion Higgins (l) and Linda Frysinger (r) participated in the Virtual Run Seal Beach 2021. The 5k walking course started at the pier, continued through Old Town and finished back at the pier. They are both looking forward to completing the 2022 walk with others.

GOLDEN AGE FOUNDATION

Drop off used batteries at CH 5

The Golden Age Foundation's (GAF) battery collection service will operate separately from its quarterly shredding service. Shareholders can now drop off used batteries at any time behind Clubhouse 5.

Before the pandemic, the LW Weekly office and the Hospitality Room in Clubhouse 6 had buckets for shareholders to drop off used batteries at their convenience. The program was put on hold to follow COVID-19 restrictions. GAF started collecting batteries at its shredding service to help shareholders safely dispose of old batteries.

The GAF board decided to have a separate battery collection program from the shredding service to avoid the risk of accidentally mixing batteries with documents to be shredded, which could cause damage to the shredding truck.

Residents can now drop off small batteries in the alley behind Clubhouse 5 for Golden Rain Foundation employees will take them the maintenance yard to be properly recycled. Printer cartridges and hearing aids batteries will not be accepted.

GAF sponsors several programs to enhance the quality of life for shareholders. Its environmental program also collects fluorescent light bulbs to promote proper disposal and recycling.

GAF is an independent nonprofit, 501(c)3 charitable organization dedicated to serving the residents of Seal Beach Leisure World. Its purpose is to make Leisure World a better place. GAF was established in 1973 and is not affiliated with the Golden Rain Foundation.

All GAF programs are free to Leisure World shareholders. GAF is entirely staffed by volunteers, so all contributions go directly to meeting community needs. Support from shareholders, residents, clubs, organizations and businesses is GAF's main source of income.

Donations are welcome. For more information, go to www.GoldenAgefdn.org.

WATCH YOUR STEP

What to do if your email has been hacked

Scammers hack email accounts so they can send fake messages from a trusted email address in hopes of getting recipients to take immediate action. The ultimate goal could be to get email contacts to send money, turn over personal information, or click a link that installs malware, spyware, or a virus on the victim's device.

This could happen to anyone. It's important to know the signs of a hacked email account so the scammers can be stopped quickly. Before panicking, look for these three indicators that your email account has likely been hacked:

You can't log into your email account: When you try to log in, you may get a message that your username or password is incorrect. This could mean the hacker changed your credentials to lock you out of your account.

Your sent-messages folder looks odd: Your sent messages folder may hold scammy messages or the folder may be sitting empty when you never deleted your sent messages.

Strange messages appear on your social media accounts: If your latest Instagram post or tweet is touting some product you've never used, a hacker may have gained access to both your email and social media accounts. Your email can act as a gateway into other accounts. The hacker can simply click "forgot password" at login and have a password reset link sent right to your email inbox, which they now control.

Your email also may contain a wealth of information about your bank account, credit cards and other financial accounts. A hacked email can put you and your email contacts at risk for identity theft or credit card fraud. If you think your email has been hacked, take quick action to minimize the damage:

1. Change your credentials.

The first step is to take control of your account. If the hacker has locked you out, you may have to contact your email service provider for help. You will probably have to provide an array of information to prove your identity and regain control of your email.

If you do still have access to your account, make these changes right away:

Jair Sanchez (l) and "Shipley" share a space at the G Farms booth, selling fresh eggs and fruit at the SB Farmers Market

Find fresh eggs and fruit at G Farms

by Ellen Brannigan
LW contributor

Look for Jair Sanchez at the G Farms booth, where he sells fresh eggs, ripe citrus and other fruits as well as almonds and raisins.

G Farms sells Henry's Eggs at its booth, which come from "happy chickens." The chickens are cage-free and walk around the yard like farm birds used to do. The chickens are not fed hormones or chemicals, which Sanchez says makes the eggs taste better. He brings the eggs in fresh from Yucaipa, California every week.

Sanchez shares his space with "Shipley," who sells local organic

REPUBLICAN CLUB

Sign up to attend next Zoom meeting

by Brian Harmon
LW contributor

The Republican Club does not charge membership dues or impose any other financial obligation on members. The club raises money primarily through donations and selling political campaign memorabilia during election season. The club raised roughly \$8,000 in the past year. Club funds are used to support our endorsed candidates, pay for speakers at club meetings, and cover miscellaneous expenses. The Republican Club is looking forward to meeting in person soon, but for now its regular club meetings are held via Zoom on the third Wednesday of each month at 7 p.m. Anyone who wants to be added to the club membership roster, or wants more information about the club, can send an email to धारल्लो50@aol.com or call (714) 928-1950. Members will also be sent via email the agenda and minutes for each meeting and other necessary information by the club president.

DEMOCRATIC CLUB

Volunteers needed to help with opening weekly booth at CH6

by Mary Larson
LW contributor

The Democratic Club board has announced that only one more membership meeting will be held via Zoom. The theme of the Wednesday, May 19, meeting is “Defeat the Recall of Gov. Newsom.” The club hopes to meet face-to-face resume no later than Aug. 18. The club’s membership meeting on April 21 featured a presentation by Peter Hardin, who is running for Orange County District Attorney in the June 2022 Primary Election. Members should remember that, unless a bill currently before the California legislature passes, any candidate who receives more than 50 percent of the votes in that election will win the seat outright. There would be no run-off in the November General Election between the top two candidates ... Club members and supporters who want to be informed about the current California legislative bills, as well as about other news of interest to Democrats, can subscribe to the club’s electronic newsletter at democraticclubsblw@gmail.com or call (562) 296-8521. Remember to include your full contact information. The club board continues to make plans to open a booth outside Clubhouse 6 on Tuesdays from 10:30 a.m.- 12:30 p.m. Voter registration material, yard and window signs, club brochures, membership forms, and information about upcoming elections will be available. The booth’s opening date will depend on the recruitment of volunteers. Anyone interested in participating in this effort should contact board member Rachael Lehmberg at (562) 340-9816 for details. For club membership information, call (562) 431-7275.

should contain at least 12 characters, including numbers, symbols, and a mix of capital and lowercase letters. Use a unique password for every account. **Change your security questions:** The hacker may have gotten access to your account by guessing the answers to security questions. Avoid choosing questions with answers that can easily be guessed or found online such as your or your mother’s maiden name. **Turn on two-step verification:** This extra security measure typically requires you to enter your username and password along with a temporary passcode to get into an account. For example, the service provider may send the one-time passcode to your phone each time you try to log in. Without your phone, a hacker will be much less likely to gain entry into an account that has two-step verification turned on. **2. Warn your contacts** Tell the colleagues, friends, and family in your email contact list that your email has been

hacked. Warn them to delete any suspicious messages that come from your account and not to open applications or links, or share credit card information. **3. Look for signs of trouble.** Hackers may make changes to allow them to get into your account again or even to continue to scam people after you’ve taken back control of the account. To prevent this, you should take these steps: **Check your settings:** Hackers may change settings to further compromise your email security. Check your email signature to make sure it doesn’t contain any unfamiliar links. Look to make sure your emails aren’t being auto-forwarded to someone else. **Scan for trouble:** Look for signs of a computer virus on your computer, phone or tablet. This includes strange pop-up windows, slowness, problems shutting down or restarting, and unfamiliar applications on your device. **4. Protect yourself for the future.** Make sure to put a few simple

Mobility Aid
Volunteers needed

by John Hlavac
LW contributor

The Mobility Aids program of the Golden Age Foundation (GAF) is looking for a few people to volunteer once a week to help residents get mobility aids. The job requires sitting in the storeroom from 12:30-2:30 p.m. During that time, the volunteer will help Lwers who need assistance to select the most appropriate mobility aid, fit the aid to the resident and complete the paperwork. It is important for the volunteer to enjoy meeting a wide variety of people while being patient with those who need assistance. The ability to write clearly is a plus because the Mobility Aids program uses a paper-based system. Reliability is very important, because people are depending on the volunteer to show up on time and assist them properly. The room is staffed by only one person at a time. Being a good listener is a strong asset because people sometimes come in with an idea of what they want, and a good volunteer will know when something else is maybe more appropriate. Having a good sense of humor helps a lot, especially when a number of people show up at the same time. Finally, having used a mobility aid yourself in the past is a natural advantage. Those who are interested in volunteering should call the GAF voicemail at (562) 431-9589 and leave their contact information. The GAF is the nonprofit, charitable organization dedicated to serving the special needs of Leisure World shareholders, including mobility aids free of charge to residents.

measures in place to make it less likely that your email account gets hacked again: **Update frequently:** Make sure you are running the latest versions of your apps, browser, operating system and software. The newest versions often contain patches to fix security flaws hackers can exploit. You may also want to delete any apps you don’t use or that aren’t being updated regularly by their developers. **Add security software:** Get security software from a reputable company and install it on all of your devices. If you already have security software, make sure you’ve got the latest version and run it to check for malware, spyware and viruses. Now that you know what to do, you can put a plan of action in place in case you ever do get the dreaded “you’ve been hacked” message from a friend. That will allow you to regain your account and your peace of mind more quickly. —from Norton LifeLock 360, www.norton.com

LW LIVE

Text Alert Survey

The Golden Rain Foundation currently has an LW Live service that allows it to send e-mail alerts to the community. LW Live has been a useful communication tool between the GRF and shareholders who are registered.

The GRF is now considering implementing a community text alert system. Please note that texts would only be sent in the event of an emergency (examples: fire, missing resident, car theft, etc.). Carriers message and data rates may apply.

Please fill out the survey, so the GRF can determine the community’s interest in a text alert system. Drop off completed surveys at the LW Weekly Office (use the mail slot in the staff door) by **May 5**. If the community supports a text alert system, a second survey asking for cell numbers will be issued.

ID Renewals at Stock Transfer

GRF members are required to have GRF photo identification cards for access to amenities, all transfers (membership, removing/adding someone to a title, replacing lost certificates, etc.) and to be a candidate for GRF and Mutual board representation.

The Stock Transfer Office issues IDs, which expire every five years, in a rotating schedule. In 2020, Mutuals 2, 10, 16 and 17 were up for ID renewals, but only 915 out of 1,326 residents did so.

In a year of unprecedented pandemic, which shut down amenities and GRF departments, and isolated people at home, it's understandable that some did not get their IDs renewed.

The Stock Transfer Office is ready to issue new IDs to those in Mutuals 2, 10, 16 and 17 who still need them and reminds residents in Mutuals 3, 4 and 5 that they need to renew IDs in 2021.

No appointment is needed. People can stop at the Stock Transfer Office on the ground floor of the Administration Building during business hours. The office is open Monday, Tuesday, Thursday and Friday from 9 a.m.-4 p.m. by

window-service only. The office is closed to the public.

Residents will need to bring their expired ID cards. Expiration dates are located on the right side of ID cards.

Lost or stolen cards can be

replaced by completing a Certificate of Lost ID form in the Stock Transfer Office. There is a \$20 replacement fee, which can be waived if there is a police report that can be verified by the Stock Transfer Office.

adjacent to Cascade Park along the southbound (SB) I-405 on-ramp from Westminster Boulevard. The foundation consists of approximately 80 cast-in-drilled-hole (CIDH) piles.

Work is ongoing from 7 a.m.-4 p.m. on weekdays, for approximately one month.

Crews may mobilize equipment as early as 6 a.m., and some activity may occur at night.

Intermittent nighttime closures of the southbound I-405 on-ramp from Westminster may be required.

Additional construction activities including rebar, form and concrete activities are anticipated in May and June, and backfill and block wall installation is anticipated in July and August.

The 405 Community Outreach Team will provide detailed schedule information in future alerts.

This work may be loud.

I-405 Improvement Project automated call and text alerts will now start coming to subscribers from the I-405 Project Helpline number (888-400-8994.) This will allow people to leave messages if they have questions or concerns about the project.

The Basic Rules of Sudoku:
• There is only one valid solution to each Sudoku puzzle. The only way the puzzle can be considered solved correctly is when all 81 boxes contain numbers and the other Sudoku rules have been followed.
• When you start a game of Sudoku, some blocks will be pre-filled for you. You cannot change these numbers in the course of the game.
• Each column must contain all of the numbers 1 through 9 and no two numbers in the same column of a Sudoku puzzle can be the same.
• Each row must contain all of the numbers 1 through 9 and no two numbers in the same row of a Sudoku puzzle can be the same.
• Each block must contain all of the numbers 1 through 9 and no two numbers in the same block of a Sudoku puzzle can be the same.

GAF Tax Help

A few appointments remain for free AARP Income Tax Service. Volunteers are still preparing and e-filing tax returns for full-year California residents. This service is sponsored by the Golden Age Foundation and provided every Monday, Tuesday and Wednesday mornings outside The Knowledge and Learning Center in Clubhouse 3. Appointments are required.

Call (562)596-1987 and leave your name and telephone number. A volunteer will call you back to schedule your appointment.

At their appointments, residents will be interviewed and their tax documents scanned to a secure server. Certified IRS volunteers working from home will then prepare and quality review returns based on the scanned documents. Residents will return the following week to pick up completed returns. Returns will be e-filed and the scanned documents deleted.

Therefore, no ad may contain advertising more appropriately positioned in another classification unless it is a part of an appropriately placed ad and extremely closely related to that classification. Example: an ad advertising drapery sales and installation under the Window Covering Sales & Installation classification may also promote drapery cleaning. "Carol did an excellent job in selling our home in Leisure World, she found us a buyer in less than a week. She gave us an honest appraisal on our home. She kept us up to date on the whole process, and everything went smoothly. We closed and received our money in less than 2 months. We would recommend her to anybody who wants to sell their home."
