GRF SURVEY

What do you want in your LW Weekly?

by Ruth Osborn
managing editor

The LW Weekly was forced to reshape much of its editorial content after public health orders related to COVID-19 shut down the LW community in March 2020. Editors introduced an expanded game and puzzle section, recipes, hobby tutorials, reader columns and photos, mask making instructions and extensive COVID-19 coverage and guidelines. The paper was made smaller as some sections—namely, Travel and Sports—were shelved pending a return to normalcy. Once the pandemic is completely behind us, our pages will again reflect LW life—LW club news, travel stories, GRF events and more. The transition is now underway, but before we open the doors completely, LW Weekly staff would like to give residents an opportunity to weigh in on preferred content and channels of communication. On page 18, readers will find a survey that they can fill out and drop off at the LW Weekly or the LW Library, or mail to PO Box 2338, Seal Beach, CA, 90740. The survey will also be available via LW Live and on the LW website at www.lwsb.com/survey. Surveys are due by June 30.

POOL CONSTRUCTION

WORK IS UNDERWAY

Preliminary construction related to the pool project is underway, with the creation of an ADA path of travel to the pool. Current regulations require the 1960s-era pool to have handicapped parking, which was not a regulation when the facility was built. The job consists of regrading the parking area and creating an opening in the wall bordering St. Andrews Drive to provide safe access to the pool. The GRF Physical Property Committee recommended on May 5 that the GRF Board of Directors award the contract to MJ Jurado to replace the approach from the parking lot to the swimming pool to meet ADA requirements, at a cost not to exceed \$44,580. Watch for construction updates as plans are finalized and permits secured to rebuild the pool and spa facility.

LW WEEKLY

New website launched today

Today, the LW Weekly launched a new enriched E-Edition of the community paper. It features interactive content, robust search capabilities and more fun features. The familiar PDF version will still be available at lwsb.com, but LW residents are invited to explore the new E-Edition at lwweekly.com.

It features a fast-loading digital replica that can be viewed on your smartphone, laptop, tablet or desktop computer. The E-Edition allows easy reading of the paper, plus the ability to search past editions, share articles to Facebook or Twitter, and email screen shots to friends. It is powered by Tecnavia, which is used by more than 1,800 publications worldwide, including the Long Beach Press-Telegram and the Orange County Register. The site is designed for an optimal reading experience on mobile devices and maintains the look and feel of the print edition. Each article can be read in text mode or in clip view. The E-Edition can be translated into

 **E-EDITION**

New Enriched LW News

11 languages and includes an audio version, adjustable text size and organized content.

Readers who get stuck can click the LW Weekly logo at the top of any page to be returned to the home screen. To start exploring the E-Edition, go to lwweekly.com or hit the icon at the PDF version at lwsb.com. You can easily move between the two platforms with the click of a button. Once at the E-Edition, you can navigate the paper's editorial content, classifieds and display advertising. A tutorial on page 17 of this issue will show readers how to change font size, zoom the view, search archives, print and share screenshots, translate and listen to articles, and more. The GRF Communications and Information Technology Committee and LW Weekly staff hope that LW readers find this website user-friendly, making community news accessible on any current tablet and smartphone, even those with small screens.

THE OFFICIAL PUBLICATION OF THE GOLDEN RAIN FOUNDATION, LEISURE WORLD, SEAL BEACH, CA | WWW.LWSB.COM

State public health officials are asking Californians to keep their masks on indoors until June 15, whether they've gotten a COVID-19 vaccine or not, though they can skip masks outdoors as long as they're not in a crowd and can keep a distance from others. GRF guidelines remain in effect.

THE LATEST FROM CDC

Masks are needed at GRF venues

The Centers for Disease Control released guidance on May 13 that people who are fully vaccinated against COVID-19 can resume activities without wearing masks or staying 6 feet apart, **except where required by federal, state, local, tribal or territorial laws, which include local business and workplace guidance.**

For LW residents, face coverings are still mandated per Orange County Health Care Agency guidelines, even for fully-vaccinated people, at GRF venues. GRF staff is required to wear masks on-site unless they are at their desks. California and Orange County mask requirements remain in place for now, but Gov. Newsom has indicated that mask rules will likely be eased on June 15.

GRF REOPENS

LW car sales lot to return this month

The pandemic forced the cancellation of the monthly self-managed car sales near Clubhouse 6 more than a year ago, but looser restrictions will allow the GRF to begin offering trust property for this purpose beginning this month.

The car sale lot is held on the fourth Saturday of the month in the Administration parking lot from 8 a.m.-4 p.m. LW residents can sell any used motorized vehicle as long as it is insured, has a current DMV registration and a GRF decal. In addition to cars, motorhomes, motorcycles, golf carts, bikes, trikes and scooters can be sold. The owner does not need to be present and is allowed to display a single "for sale" sign no larger than 18-by-24 inches on the vehicle. The sign must include a phone number.

The sale is open to LW residents only and the guests they call in. The public will not be able to sell at the events. For more information, contact Recreation at (562) 431-6586, ext. 398.

LADWP Construction Project Hotline

The Los Angeles Department of Water and Power (LADWP) is dismantling and removing defunct power units from the

Haynes Generating Station adjacent to Leisure World.

Last weekend, a unit that had just been worked on was fired up, and rust particles were blown from the stack, some of them settling in LW. Security received a couple of complaints about the debris. To report an immediate event, residents should call (310) 522-7507, night or day. The LADWP claims line is (213) 367-4600 to report construction impacts (debris-covered cars or windows, etc.) LADWP will clean up affected areas and mitigate construction impacts in other ways. For general project information, call 1-800-531-6638.

The years-long overhaul is expected to be completed this year.

The project is part of a broader effort by LADWP to move away from fossil fuels and expand its clean energy portfolio.

Perspectives

Judy Chambers of Mutual 9 shot this photo of the newly installed statue of a loving couple at the LW Library. She was delivering the LW Weekly, as she has done for more than 10 years, when the companionable couple caught her eye. “I hope everyone enjoys seeing them as much as I do each Wednesday evening when I deliver the LW Weekly to the library,” she said, adding that she could not resist putting a paper in the man’s hands before she snapped the picture.

Letters to the Editor

Editor:

Security Director Victor Rocha discussed rear-window vehicle tags during a Presidents’ Council meeting per the LW Weekly.

I found out implementation of this is mutual-specific and is now being discussed by Mutual 2 directors.

There has been no compelling rationale presented that substantiates our vehicles being plastered with redundant stickers.

Security staff identifies authorized vehicles entering the complex with front window stickers. That is sufficient.

No further ID tags are necessary as it won’t enhance the safety and security of residents.

In addition, the rationale and unbiased arguments for and against implementing it have not been (widely reviewed) in Mutual 2. Feedback by a majority of the total number of residents should be part of the process.

People I spoke to were not aware of this issue and are against it.

In summary, for the above reasons, discussion for implementation of rear-window ID tags for Mutual 2, and, if in process, the remaining Mutuals, should be suspended.

Lynn Alper
Mutual 2

Editor:

Now that the library is opening up again, I had the pleasure the other day of enjoying the sculpture of the elderly couple sitting on the park bench in its new location.

I felt encouraged by the possibility that I too might live long enough to feel some contentment about a long life, well-lived.

The elderly couple reminded me that it is important to celebrate life in all of its stages and diversity.

I am extremely grateful to the family who donated this gift to the residents of Leisure World.

Mike Maher
Mutual 3

Editor:

I am no longer a director in Mutual 9, but I would like to correct recent complaints I recently read regarding Mutual 9’s new election policy.

Mutual 9 held a town hall meeting in 2020 before the last election.

The new bylaws were explained by our lawyer, and the majority of the people present agreed that the new bylaws made sense.

The 2020 election voted in the bylaws. The people’s choice was carried out.

The suggestion made to “just not vote” could cost us all money. If a quorum is not met, another vote must be taken, an expense for us all. You do not have to vote

for anyone, but please sign your name and send in the ballot.

A director must live in the parcel he is campaigning in. He or she must be able to do the jobs required in his or her parcel (fire inspections, carport inspections, etc.).

The election is to select the person who is willing and able to help residents in his or her parcel.

This is not a popularity contest. Everyone has one vote to use no matter how many persons are running.

This is similar to voting for a president of the U.S. or a governor of your state.

The total number elected make up the Mutual Board, which then works together to run the Mutual as a corporation in the state of California, within Davis-Stirling requirements.

advance by emailing them to budget@sealbeachca.gov. All questions submitted in advance will be answered during the Town Hall Meeting.

Additionally, and in an ongoing effort to encourage community participation and expand community input, the city is introducing a Community Engagement Survey to gather feedback from residents on their budgetary spending priorities. These priorities will be considered during the development of the proposed Fiscal Year 2021-22 budget.

Community members will be able to communicate what activities, services and capital improvement projects are most important to them and how the city is doing overall in providing services and programs to the community. The survey can be found at <https://www.surveymonkey.com/r/SealBeach2021CommSurvey>. It may also be found atop the city's website.

In conjunction with the survey, the city has updated its budget website at <https://www.sealbeachca.gov/Departments/Finance/Budget> and created a new email where community members can send questions and comments related to the budget. The new email account is budget@sealbeachca.gov.

405 Freeway Improvement Project

The Orange County Transportation Authority, in cooperation with Caltrans, is widening the San Diego Freeway (I-405) between SR-73 and I-605.

The project is improving 16 miles of I-405 between the SR-73 freeway in Costa Mesa and I-605 near the Los Angeles County line. Construction updates are as follows:

NB 405 On-Ramp to Close

Crews closed the northbound I-405 on-ramp from Westminster Boulevard on May 11 for approximately seven weeks to accommodate the freeway widening.

Activities include removal of the existing ramp, excavation, placement and compaction of base material, rebar and concrete work, paving, drainage installation, electrical work, and striping.

Partial Lane Closures on SB Boulevard

Crews anticipate continuing traffic signal and pedestrian ramp construction work at the intersection of Seal Beach Boulevard and Lampson Avenue.

This work will require lane reductions on Seal Beach Boulevard between Old Ranch Parkway and St. Cloud Drive.

Additional closures at the Seal Beach Boulevard and Lampson intersections are anticipated.

Work was expected to start on May 10 and continue for approximately five weeks on weekdays and weeknights.

- Daytime work hours are 7:30 a.m.-4:30 p.m.

- Nighttime work hours are 10 p.m.-5 a.m.

SR-22 On-Ramp from Old Ranch Parkway Closed

The Old Ranch Parkway on-ramp to the westbound SR-22 closed in April for eight months to accommodate freeway widening.

Activities include demolition, excavation, grading, drainage and electrical system installation, concrete pours, and asphalt paving.

Work hours are from 7 a.m.-4 p.m. Crews may mobilize equipment as early as 6 a.m. Nighttime work hours are 9 p.m.-6 a.m.

NB I-405 and SR-73 Off-Ramps to Fairview Closed

Crews closed the northbound I-405 and SR-73 off-ramps to Fairview in April for approximately 100 days to accommodate the freeway widening.

Bolsa Chica Road Sidewalk Closure

Crews closed the sidewalk at the intersection of Old Bolsa Chica Road and Bolsa Chica Road for sidewalk, curb, pedestrian ramp

and traffic signal construction last month. The job is expected to last approximately two months.

Activities include k-rail placement, demolition and restriping on Old Bolsa Chica Road.

SB I-405 Off-Ramp to Bolsa Chica Road Closed

Crews closed the southbound I-405 off-ramp to Bolsa Chica on Oct. 27 for approximately one year to advance construction on the Bolsa Chica bridge.

Almond Avenue Update

Demolition and reconstruction of the sound walls along Almond Avenue in College Park East are anticipated to start soon. Crews will install a temporary sound barrier prior to demolition.

Bolsa Chica Road

Continuation of pile driving for the Bolsa Chica bridge over I-405 along the center median and southbound I-405 at Bolsa Chica bridge is ongoing from 7 a.m.-4 p.m. on weekdays for approximately two months.

Report Hate Crimes

Hate crimes have become easier to report in Seal Beach.

The Seal Beach Police Department has recently implemented an online Hate Crime Reporting Portal. The tool allows anyone who believes they are a victim of or has witnessed a hate crime to report the incident easily and anonymously online.

Anyone can access the online portal and provide details about the incident. Users are also able to upload evidence such as photographs or videos. Once the incident is submitted, the information will be routed to an on-duty supervisor for investigation.

The online Hate Crime Reporting Portal is located here: <https://www.sealbeachca.gov/Departments/Police/Report-a-Hate-Crime>.

If there is a life or death emergency, dial 9-1-1. Victims and witnesses may also report incidents using the Seal Beach Police Department non-emergency line at (562) 594-7232.

Keep that mask on—for now

by **Patty Marsters**
pattym@lwsb.com

Though the Centers for Disease Control and Prevention (CDC) issued new guidance on May 13 for those people who have been fully vaccinated against COVID-19, it's important to note these guidelines do not supersede any local or state mandates.

According to the new guidelines, fully vaccinated people do not need to wear masks or practice social distancing indoors or outdoors, except under special circumstances. Such exceptions include while on public transportation, as well as in airports, hospitals, prisons and homeless shelters. However, people who are immune compromised should speak with their doctors before giving up their masks.

LW residents and staff must abide by community rules, which are in line with the Orange County Health Care Agency guidelines. This would also be true for local businesses.

In private gatherings or on private property, wearing a mask and social distancing is up to the property owner and participants.

Those folks who are considered fully vaccinated are at least two weeks out from receiving the second of a two-dose vaccine (Pfizer-BioNTech or Moderna) or from the single-dose Johnson & Johnson vaccine.

Gov. Gavin Newsom has indicated state mandates for masks may end on June 15.

Whether or not that comes to pass CDC Director Dr. Rochelle Walensky stressed that unvaccinated people should continue to wear masks and practice social distancing, adding that they should get vaccinated as soon as possible.

"If things get worse, there is always a chance we may need to make changes to these recommendations," Walensky said, "but we know that the more people are vaccinated, the less cases we will have and the less chance of a new spike or additional variant emerging."

Can we return to hugging?

by **Patty Marsters**
pattym@lwsb.com

You've been fully vaccinated for months now, and the Centers for Disease Control and Prevention (CDC) has modified its recommendations to acknowledge the improving COVID-19 situation. But what's the recommendation on hugging? Is it safe in a partially vaccinated world?

The short answer is yes, but with some considerations.

Many mental health professionals are advocating for the return of hugs for the vaccinated and, if unvaccinated, healthy and not immunocompromised.

Two vaccinated people can hug sans masks, but it's best if the other person has been part of your pandemic "pod" or "bubble." Generally, you know your pod-mates better, and who is and is not vaccinated tends to be common knowledge among its members. But if that other person is someone you haven't seen for a while, it's wise to proceed with caution.

If the other person is unvaccinated (say, a child, grandchild or other younger relative), you can still hug them while mask-

less, but be aware of the risks to them and you. Vaccinated people can still contract COVID, but the symptoms they experience will be similar to that of a mild cold. And vaccinated people may be asymptomatic and pass on the virus.

But what if the other person is immunocompromised or otherwise at a greater risk of developing complications from COVID? Doctors recommend you keep your masks on when you're together. Hugging is fine, but make sure your faces are turned away from each other.

JOYFUL LINE DANCE CLUB

Dance club says grateful goodbye to class leader

The members of the Joyful Line Dance Club posed for a selfie with Jojo Weingart after her last session as a leader on May 5. The club expressed its gratitude for Weingart, who has been sharing dance moves weekly since January 2020 (Weingart will continue to teach hulas for Hui O Hula).

The club will continue to meet at Veterans Plaza every Wednesday from 2-3:30, except for the

fourth Wednesday, when the class starts at 3 p.m. Guest instructors include Daisy Ramos, Albert Comia, Connie Peck, Chung Cha Lewis and Anna Derby.

The club formed in March 2014 as an opportunity to get the men and women of Leisure World out of their living rooms to learn line dances and socialize as a way to enhance healthy, happy, post-retirement lives. Throughout the

pandemic, the group has met outside, but it hopes to use the clubhouse facilities again soon.

All shareholders are welcome to join the fun. Participants are required to wear face masks, follow the rules of social distancing, and wear exercise shoes—no flip-flops or sandals. For more information, contact Derby at (562) 301-5339.

Submission Deadlines for the LW Weekly

The editorial deadline is 4 p.m. on Thursday for the following Thursday's edition. People may email articles or drop them into the letter slot at the front of the News Building, located on the east side of the Amphitheater. See page 4 of any edition for a list of section editors and their email addresses.

Men's Golf Club

During the Leisure World Men's Golf Club Tournament on May 12, three flights of variously skilled golfers vied for best net scores, four circle holes (5-foot circle) and two closest-to-the-pin challenges. The Turtle Lake Golf Course is a 1,658 -yard, par-54 with water hazards in play on six holes and enough sand traps to challenge all proficiency levels.

A total of 48 golfers competed through the early morning and into the afternoon. The weather was initially cool but warmed up nicely with mostly sunny skies. The tee boxes are improving, and the greens have almost recovered from being aerated some weeks back. These conditions certainly led to only 21 of 48 rounds being under par.

A Flight encompasses golfers with handicaps of 0-6; B Flight is handicaps of 7-12; and C Flight is handicaps of 13-18. All scores below are net (gross score minus handicap).

A Flight Winners: First place: Bill Long, 4 under 50; second: Bill Lyons, 3 under 51; third: Ron Steele, 2 under 52; fourth: tie between Steve Ro and Steve Walker, 1 under 53; fifth: John Kolthoff, even par 54; sixth: David Kwon, 1 over 55.

B Flight Winners: First place: Seung Lee, a terrific 9 under 45; second: tie between Dong Kim and Gene Archambault, 5 under 49; third: Train Nguyen, 2 under 52; fourth: Paul Cose, 1 under 53; fifth: tie between James Farr and Hyun Joon Lee, even par 54; sixth: tie between Bruce Bowles, Joon Yoon and Ron Jackson, 1 over 55.

C Flight Winners: First place: Dale Williamson, a very nice 8 under 46; second: Paul Alloway, a super 7 under 47; third: Mike Carlson, 3 under 51; fourth: Young Lee, 2 under 52; fifth: tie between Kap Son and Steve Kang, 1 under 53; sixth: tie between Youn Lee and Bill Smith, even par 54.

Closest to the pin on the 85-yard, par-3 eighth and 17th holes were Tom Owens and Gene Archambault, respectively. There were also six circle hole winners.

The next Men's Tournaments will be on May 26, then every second and fourth Wednesday of each month. The first Guys and Gals Tournament of the year will be on May 19, then every third (and fifth, if there is one) Wednesday. If you are signed up but cannot play, contact Alan Sewell at (541) 324-8558 or Dave LaCascia at (801) 674-5975 as soon as possible.

Community Singers

Thursday evenings in Veterans Plaza are a challenge, but our karaoke members are hearty folks who want to sing. Carmen Edwards sang a fine "For Once in My Life." Bob Barnum had everyone singing along with "Bring it on Home to Me." Vilma Tagaloa sang the popular tune "I Started a Joke," and Tino Tupas crooned "Shadow of Your Smile."

About 40 vigorous residents enjoyed the performances, but the group is looking forward to resuming its meetings inside Clubhouse 1.

In the meantime, everyone is welcome to join the Community Singers in Veterans Plaza every Thursday at 4:15 p.m. Members choose from a variety of tunes from gospel to country, from show tunes to ballads.

Men's Golf League

May 10 was a cool, overcast and windy morning. Despite such poor weather conditions, 11 men of the Men's Golf League teed off early at David L. Baker Golf Course in Fountain Valley. The par-62, 4,000-yard course provides plenty of tests, with abundant water and tricky, undulating greens. This week the tees, fairways and greens were again in great condition; eight players scored below par, plus there were six birdies.

All scores are net (actual score minus handicap). A Flight handicaps range from 0-20; B flight is higher than 20.

A Flight Winners: First place: Larry Hillhouse, with a fine 7 under 55; second: tie between Fujio Norihiro, Paul Cose and Gary Stivers, 4 under 58; third: Jim Goltra, even par 62. Cose had two birdies, and Stivers, Norihiro and Goltra each had one. Hillhouse was closest to the pin on the 100-yard, par-3 third hole, and Stivers was closest on the 130-yard, par-3 12th hole. Hillhouse and Cosetied for fewest putts.

B Flight Winners: First place: tie between Gene Vesely and Bob Munn, 5 under 57; second: Lowell Goltra. Vesely had a birdie, and Munn had fewest putts.

On May 14, the Riverview Golf Club in Santa Ana welcomed nine men, one woman and two guests, Ron Summer and Bob Meripol. The par-70, 5,800-yard course with yawning water hazards and strategically placed sand traps was green, lush and in great condition. The weather was sunny, warm and mostly calm throughout the morning.

Many of the fairways play parallel to or cross the Santa Ana River, which is currently fairly

dry. Playing these holes can be a challenge that tests not only the golfer's skill, but also his or her ability to manage many sloping fairways and green placements. The golfers accepted the obstacles, and six of the 12 rounds were under par, plus there were six birdies.

A Flight Winners: First place: tie between Dave LaCascia and Bill McKusky, a terrific 9 under 61; second: Norihiro, 1 under 69; third: Stivers, even par 70; fourth: Jim Goltra, 1 over 71. McKusky had fewest putts, and LaCascia was closest to the pin on both the 140-yard, par-3 second hole and the 100-yard, par-3 ninth hole. LaCascia had two birdies; Norihiro and Stivers had one each.

B Flight Winners: First place: Tom Ross, a very nice 7 under 63; second: Lowell Goltra, 3 under 67, plus fewest putts; third: Liz Meripol, 2 over 72; fourth: Munn. Ross and Ballard tied for fewest putts, while Goltra and Munn each had a birdie.

In general, masks are required at the pro shops, but are optional while waiting to tee off. No masks are required on the putting greens, driving range or the course itself.

LW Men's Club membership is not required, and friends, ladies, spouses and family are all welcome to play and/or join. There is a prize pool for each round that players are not obligated to enter. Prizes are awarded for low gross in each flight, birdies, closest to the pin on two par-3s, and lowest number of putts in each flight. Holes-in-One and eagles, although infrequent, are generously rewarded. If interested, contact McKusky (562) 430-8618 or LaCascia (801) 674-5975.

AMERICAN BALLET THEATRE

Watch this special ABT performance at home

by Patty Marsters
pattym@lwsb.com

In late March, 18 American Ballet Theatre (ABT) dancers took up residence across from the Segerstrom Center for the Arts in Costa Mesa, as they perfected their routines for a special performance of “Uniting in Movement.”

The New York-based troupe paid homage to ABT's history while also looking to the future of ballet. The four featured works, performed on the Segerstrom Hall stage in front of a live audience, were recorded and are now being offered for home viewing.

Included in the program is the familiar Act II pas de deux from "Swan Lake," a.k.a. "White Swan," featuring a take on Lev Ivanov's original choreography by Peter Ilyitch Tchaikovsky. Devon Teuscher and Cory Stearns perform.

“Grand Pas Classique” offers another timeless pas de deux, which was famously choreographed by Victor Gsovsky to music from Daniel Auber’s two-act opera “Le Dieu et La Bayadere.” Catherine Hurlin and Sung Woo Han are the featured dancers.

Among the contemporary

works is “La Follia Variations,” set to the music of 18th-century Italian composer Francesco Geminiani, as performed here by the East Coast Chamber Orchestra. New York City Ballet principal ballerina Lauren Lovette choreographed the work. “The progression of steps is one of my favorites among the classical ballet style,” she says in the program guide.

"These dancers give me hope for the future of dance, and this piece of choreography is a celebration of that hope." Dancers Emily Hayes, Jonathan Klein, Abbey Marrison, João Mengussi, Kiely Groenewegen, Tyler Maloney, Chloe Misseldine and Jose Sebastian give life to Lovette's vision.

Betsy McBride, Jacob Clerico, Anabel Katsnelson, Melvin Lawovi, Hannah Marshall, Duncan McIlwaine, Scout Forsythe and Joseph Markey take the stage for "Indestructible Light," which Darrell Grand Moultrie choreographed to Duke Ellington's "Battle Royal," Count Basie's "Little Pony," Neal Hefti's "Tricky's Licks" and Billy Strayhorn's "The Star-Crossed Lovers."

“Indestructible Light’ is inspired by where we are now in

our lives and how important it is to stay connected to hope, love and joy,” Moultrie, a recipient of the Princess Grace Choreography Fellowship Award, noted in the program guide. “I’m always excited about finding ways to use great music and the dancers’ bodies to bring inspiration to people. No matter what’s happening around us, we must always remember there’s a light within that can never be shut off.”

The program can be accessed via www.scfta.org for \$25 per household until Wednesday, May 26.

Ladies' Golf Club

On May 11, there were 51 lady golfers who competed for low gross, low net and birdies.

Nine players made birdies. And Yvonne Yim scored a hole-in-one on Hole 8—her *second* in one month.

The flight winners this round were:

Flight A: Low gross: Devora Kim, 26; low net: Ann Tran, 23; birdies: Devora Kim (Hole 9), Tran (Hole 2) and Karen Mendon (Hole 8).

Flight B: Low gross: Young Yoon, 30; low net: Judy Kim, 23; birdies: Hi Lee (Hole 8), Judy Ro (Hole 2) and Pam Krug (Hole 5).

Flight C: Low gross: Jee Choi, 31; low net: Sally Park, 23; birdie: Park (Hole 1).

Flight D: Low gross: Donna Cooper, 34; low net: Sandra deDubovay, 20; birdies: Sandra deDuBovay (Hole 6) and Soo Kim (Hole 7).

Pick up pupusas and lemonade at the Farmers Market

by Ellen Brannigan
LW contributor

Karen and Juan Omana-Martinez are the owners of Karen's Salvadorian Pupusas, one of the vendors located at the Seal Beach Farmers Market. Pupusas are a form of rolled and pounded

dough that's filled with meat, then fried. The pupusas are filled with beef, pork, beans, cheese, chicken or any combination of the above. People can add salsa, cabbage, jalapeños, sour cream, and red or green sauce to the pupusas. They are filling enough to be a meal. The couple also makes corn tortillas.

Thirsty? Karen and Juan also sell wonderful drinks such as lemonades with watermelon, pineapple, mango or cucumber or cold horchata. Enjoy Salvadorian food every Tuesday from 9 a.m.–1 p.m. at the Seal Beach shopping center by Carl's Jr.

GAF donates \$10,000 to Meals on Wheels Long Beach

Meals on Wheels of Long Beach (MOWLB) is thankful for the Golden Age Foundation (GAF) and its continuous support. The GAF's generous donation of \$10,000 supports the nutritional and emotional needs of the most vulnerable residents in Leisure World. Since March 2020 and throughout the COVID-19 pandemic, MOWLB has delivered over 70,000 meals to LW residents. MOWLB was founded in 1971 and began serving LW residents in 2013. The service has steadily

grown over the past eight years; over 150 LW residents receive two freshly prepared meals including a hot dinner, lunch, dessert and a beverage every weekday with a friendly visit and wellness check. Deliveries are made by caring and trained community volunteers who provide a valuable social connection for homebound residents. The goal for MOWLB is to help all clients remain safe, socially connected and nourished at home for as long as possible. The program is available to any LWers who have difficulty

cooking or shopping for meals due to illness, recent surgery or remain at home due to the pandemic. Donations from the GAF cover the daily fee for qualified, low-income residents. For more information about the MOWLB program, visit the website at www.mowlb.org or call Caron Adler at (562) 439-5000, ext. 1. The GAF has served the community for over 48 years. SUNSHINE CLUB

Learn about chiropractic services and genetic therapy practices

Dr. Mark De Dubovay will speak at the next Sunshine Club meeting on Friday, May 21, at 10 a.m. via Zoom. All shareholders can join the meeting by going to <https://us02web.zoom.us/j/84982089743?pwd=UGR3RlZRaUJmWmlSNE9KdTdNMUUh3QT09>. The meeting ID is 849 8208 9743, and the passcode is 508742. Those who would like to get a Zoom link by email, should text their name, Mutual number and email address to (562) 301-5339 by no later than today, May 20, at 5 p.m. (text only, no phone messages).

Dubovay, born and educated in Los Angeles, is a founding director of the Advanced Wellness Center. He enjoys providing gentle therapies, nutritional and lifestyle medicine, collaborating with other experts and alternative medicine. He earned his doctorate of chiropractic medicine from Cleveland Chiropractic College in Los Angeles. Dubovay is a former member of the clinic faculty and has served for 25 years as a supervising doctor for chiropractic interns. He is a past director of the Long Beach area Chiropractic Society.

Dubovay was invited to practice at the prestigious STATIC Clinic in Bologna, Italy, where he collaborated with medical orthopedists and physical therapists for three years, followed by a year of private practice in Paris, France. He then settled in Long Beach. Through his continuing studies and research, he became a certified traditional naturapath, and early adopter and expert in cold laser therapy. He was appointed by the FDA as a primary investigator in a research study on the benefits of cold laser therapy for osteoarthritis of the hand.

He is currently focusing on the development of genetic therapy. This field stems from the latest understanding of the human genetic code along with inherited mutations. The natural therapy approach that Dubovay is developing alongside other colleagues focuses on identifying key mutations, also called variants. These variants can, in conjunction with certain lifestyle stresses or deficiencies, cause significant disruption and decline in body functions. This can affect mental health and decline, create hormone imbalances along with heightened chemical or allergen sensitivity, and a decline in energy levels.

By developing a precise "Gene Map" Dubovay can reveal to his patients how much of their health experiences is reflected by their unique gene variances. Dubovay then filters data to identify the key

Anna Derby

Mini Farm

Anna Derby from Mutual 5 enjoys working in the Mini Farm to forget about the anxiety and uncertainty in life. While gardening recently, she was reminded of an article about how it is an example of what people in the field of psychology call a “flow-state” activity, one in which people lose track of time and become one with what they’re doing. Some people may know flow as being “in the zone.”

People become invested in flow activities because it keeps them from worrying or ruminating, and it helps them relieve stress.

Derby says she experiences flow each time she is working on her plot at the Mini Farm. She gets in the zone while making sure that all of her vegetables are doing well.

Derby planted beet seeds on the last day of February, and a few months but a few months later, the beets were ready to be picked.

“There’s nothing like eating something you grew right out of the farm,” Derby said. “It has been a pleasure to have a Mini Farm plot.”

Derby says she can’t wait for the cucumbers, tomatoes, Korean Yul Mu, eggplants and corn to grow in her garden as well.

variants that may impact healthy function and aging in negative ways. From there, he can tailor specific nutritional and lifestyle therapies, which include taking specific nutrients at precise doses. These precise therapies can have dramatic impact on a person’s overall health and aging and should keep improving as the science continues to evolve. He has presented programs to many senior groups over the years at Memorial Medical Center, Saint Mary’s, Don Lauda’s wellness series at the pyramid at CSULB, and Senior University at CSULB.

Memorial Day poppies available

by Jean Sudbeck
LW contributor

On Monday, May 31, the American Legion Auxiliary in Leisure World will celebrate Memorial Day. It is a day the country hangs flags to honor veterans who gave everything so that the United States could remain a free country.

Those who have tattered and torn flags can visit American Legion Auxiliary members in the parking lot of Clubhouse 6 on Tuesday, May 25, and Thursday, May 27, from 4-6 p.m. to drop off old flags for proper disposal. New flags will be available for \$10 each.

Since May is also Poppy Month, the American Legion will offer people a poppy to wear on Memorial Day, which is a symbol of remembrance for fallen soldiers. Wearing a poppy during May is a 100 year-old tradition to remember the blood shed by so many soldiers in Flanders Fields and those who lost their lives in the following wars.

The poppies are made by veterans with the help of the American Legion Auxiliary. Any proceeds received must be used to help and assist veterans and their families.

REPUBLICAN CLUB

Next meeting is on Thursday, May 27

by Brian Harmon
LW contributor

On Friday, June 11, GOP Club members will celebrate the volunteers who helped in the last election and since at a picnic outside Clubhouse 1 from 11 a.m.-3 p.m. Those who want to attend can RSVP by calling Kitty Hammerschmidt at (562) 301-9681.

The next Republican Club meeting will be held on Wednesday, May 26, at 7 p.m., even though meetings are regularly held on the third Wednesday of each month.

At the April club meeting, members discussed their reasons for wanting to recall Gov. Gavin Newsom.

The most popular reasons were unlimited immigration/sanctuary state, election integrity, the bullet train and Newsom's approach to COVID-19, including the controversy of when he went to a restaurant unmasked while implementing strict stay-at-home orders.

...

The GOP Club does not charge membership dues or impose any other financial obligation on members. The club raises money primarily through donations and selling political campaign memorabilia during election season; roughly \$8,000 was raised in the past year. The club endorses candidates for partisan and non-partisan races, and club funds are used to support the endorsed candidates, pay for speakers at club meetings and cover miscellaneous expenses.

The club is looking forward to meeting in person soon at the picnic on June 11. Any person who wants to be added to the club membership roster or wants more information about the club can send an email to dharlow50@aol.com or call (714) 928-1950. Everyone on the email list will be sent a link to the next meeting and the picnic.

Members will also be sent via email the agenda and minutes for each meeting and other information deemed necessary and/or appropriate by the president.

The Republican Club encourages anyone, especially club members, to send their opinions on public issues or ideas about what the club should be doing. To do so, call or text (714) 928-1950. If sending a text, type "GOP Club" on the first line. Those who do not want their name, ideas or opinions to be made public should so indicate.

DEMOCRATIC CLUB

Visit the club booth every Tuesday

by Mary Larson
LW contributor

The LW Democratic Club held its last Zoom membership meeting of the season on May 19. Featured speaker Orange County Democratic Party Chairwoman Ada Briceño updated members on issues relating to the upcoming recall election, as well as the recently completed Democratic State Party Convention.

Meetings will resume on Aug. 18, with programming centered on the already declared 2022 Democratic candidates and important legislative issues at both the federal and state levels. In the meantime, members are encouraged to periodically check the resources section of the club's website for background reports on these issues. The first report, which is already posted, is a summary of an inquiry on systemic racist violence. The website can be accessed at sblwdems.wordpress.com or by Googling "SBLW Democratic Club."

Future postings on the website will deal with diverse issues such as redistricting as a result of the recently completed census; reinstatement of federal fair housing regulations; and the role that the Santa Ana Regional Water Board plays in the proposal for a desalination plant in Huntington Beach.

The club will also continue to host a booth in the parking lot outside Clubhouse 6 every Tues-

day from 10:30 a.m.-12:30 p.m. Visitors will receive voter registration information, membership forms and copies of the club's most recent newsletter. Other materials relating to current legislation and upcoming elections will also be periodically available.

Plans are underway to make the club's Facebook page and website more user-friendly, as well as provide updated information that may be of interest to voters. Members interested in working on this or any other club project should call Democratic Club president Mary Tromp at (562) 412-0898 or email lwsbdemocraticclub@gmail.com.

The club's nominating committee has been authorized to proceed with planning for what is being tentatively called "Training for Leadership" sessions to begin once club members are able to meet face-to-face.

To subscribe to the club's electronic newsletter, call editor Mary Larson at (562) 296-8521 or email democraticclubslbw@gmail.com. People should include their full contact information. This newsletter is available only to club members and supporters, although back issues are published on the club's website.

For Democratic Club membership information or to check renewal status, call (562) 431-7275.

It’s been a long year of shutdowns and emergency notifications as the COVID-19 pandemic unfolded. As restrictions were imposed, followed by hastily scheduled vaccine clinics, it became apparent that reliable communication channels are vital.

In the interest of improving those channels, the Golden Rain Foundation is asking residents to fill out the following survey. Your feedback will help explore new ways to get the word out and gauge readership interest as LW reopens.

Surveys should be completed by June 30.

All printed and online entries will be entered into a raffle to win \$25 Denny's restaurant and Kabuto Sushi gift cards.

Thank you for participating.

OTHER SUGGESTIONS FOR IMPROVEMENT

Religion

First Christian Church

First Christian Church of Leisure World teaches from God’s word, the Holy Bible, most often verse by verse. It is a friendly church that welcomes all visitors.

Message
What is the will of GOD for believers? Continuing in the study of 1 Peter 4:1-6, Peter says that since Christ suffered in the flesh for the world, the least believers can do is set aside the old lusts of the flesh or, as Peter put it, time spent doing the will of the Gentiles. Believers are called to put the lusts of their own will behind and seek the will of God.

Scripture of the Week
“Oh, sing to the Lord a new song! Sing to the Lord, all the earth. Sing to the Lord, bless His name; proclaim the good news of His salvation from day to day” (Psalm 96:1-2 NKJV).

Services
Saturday and Sunday services have the same message. Sunday is a traditional service,

Lita and Rudy Fernando

with hymnal music provided by Pat Kogok at the piano. This week, Rudy and Lita Fernando will sing for the congregation. Sunday service times are from 9:30-10:45 a.m. (note that this is a different service time than before the pandemic). Saturday services are more contemporary, with Gregory Black leading worship with guitar accompaniment. Saturday service time is 9:30-10:45 a.m. (also a

new time). The Friday evening prayer meeting is from 6-7. **Announcements** Those experiencing any coronavirus, flu, common cold symptoms, or who have been in close contact with someone who has should stay home. Those who want to speak to someone or have a need should call (562) 431-8810 and leave a message.

Holy Family Catholic Church

Holy Family Catholic Church, 13900 Church Place, next to the St. Andrews Gate, will observe Pentecost Sunday on May 20. The first reading is from Genesis 11:1-9, and the second reading is

from Romans 3:22-27. The Gospel reading is from John 7:37-39. **Masses** To receive a copy of the weekly parish bulletin, sign up at <https://ebulletin.jspaluch.com> or <https://www.jspaluch.com>

Visit the website for more information at www.holyfamilylsb.com. The church is open to public entry and has returned to its regular schedule. **HOLY FAMILY, page 23**

Community Church

This Sunday is known as Pentecost. Folks who have been in the church for many years know it as “Wear Red Sunday.” It has been the tradition of the Methodist church to wear red for many decades. Pentecost is also known as the birthday of the church. Community Church is a place where everything is designed with the first-time participant in mind. Those who have not felt welcome in church in the past or have never participated in church before should know that all are welcome. As Community Church continues to emerge from the pandemic, people can participate in the services virtually on Zoom or Facebook, and those who are vaccinated may attend in person. Community Church expects to be open for everyone beginning in July, in line with national guidance. Those who missed last week’s message can find the full worship service on Facebook. Call the church office or email leisurewccsue@yahoo.com. Those who are in need of assistance or want more information can call the church office at (562) 431-2503 and leave a message.

LW Baptist

LWers are welcome to attend LW Baptist’s worship service in the Amphitheater on Sunday, May 23, at 9:30 a.m. The theme for this week is “Who is Jesus?,” focusing on the Gospel events recorded in Luke 9:18-36. Questions that will be addressed are: what does it mean that Jesus is the Christ; why did he have to suffer, be rejected, killed and raised to life three days later; what does a personal relationship with Christ today mean; and is heaven’s chief interest, according to the Bible?

Rolland Coburn
A poet and an organist collaborated to address these themes in a gospel song called “One Day,” which pianist Yvonne Leon will play. Wilbur Chapman wrote the words surveying the life of Christ, commencing with Jesus’ coming from the father into the world. A recent update of the song done by the contemporary band Casting Crowns is called “Glorious.” **LW BAPTIST, page 23**

Assembly of God

Pentecost Sunday on May 23 commemorates the coming of the Holy Spirit to the disciples after Jesus ascended to heaven. It is this empowering event that gave the early church its distinctive mission to expand the kingdom of God and take the gospel everywhere, the same mission shared by the church today.

Pastor Chuck Franco will speak from Acts 2, with a message titled "Pentecost for Today." He will share about the power to triumph every day.

Good things are on the horizon as the GRF is carefully and thoughtfully opening clubhouses and meeting places again. Opening dates will be posted as soon as Assembly of God receives permission. Until then, the Assembly of God meets in the Amphitheater at 11 a.m. on Sundays.

All of Beit HaLev's prayerbooks, "Lev L'Lev," are shared onscreen on Zoom, Facebook and YouTube.

"Naso" (lift up) focuses on the sanctity of the sanctuary, the laws of the "sotah" (the accused adulterous wife) and the "Nazir," the men and women who dedicated their lives to HaShem by never shaving and never drinking intoxicants. As for the women or "Nazirah," if they violated their vows, they were considered "sotah." The Haftarah reading that accompanies the Torah reading is from Judges and recounts the story of Samson and Delilah. Samson, a judge, became a "Nazir" when Delilah cut his hair and he lost his strength.

Rabbi Galit Shirah conducts a weekday Ma'ariv service every Thursday for Sim Shalom, the online synagogue. Sim Shalom presents livestream services Monday-Thursday, with a different rabbi each day. The Basic Rules of Sudoku:

- There is only one valid solution to each Sudoku puzzle. The only way the puzzle can be considered solved correctly is when all 81 boxes contain numbers and the other Sudoku rules have been followed.
- When you start a game of Sudoku, some blocks will be pre-filled for you. You cannot change these numbers in the course of the game.
- Each column must contain all of the numbers 1 through 9 and no two numbers in the same column of a Sudoku puzzle can be the same.
- Each row must contain all of the numbers 1 through 9 and no two numbers in the same row of a Sudoku puzzle can be the same.
- Each block must contain all of the numbers 1 through 9 and no two numbers in the same block of a Sudoku puzzle can be the same.

Faith Christian Assembly

Faith Christian Assembly has a long-standing tradition of a Sunday evening Celebration Service at 5:30 p.m. Many churches have stopped their Sunday evening services, but Faith Christian Assembly believes that having an evening service on Sunday keeps "the Lord's Day the Lord's Day." It believes that a Sunday evening service is a great way to honor God by beginning and ending Sunday with worship.

The one-hour service provides time for prayer, fellowship and creating conversations between members that bring encouragement. LWers are invited to join Faith Christian Assembly early for prayer at 5 p.m. The Celebration service begins at 5:30 p.m. and is a great way to end the weekend and begin a new week.

Out of an abundance of caution, all who attend services or events at Faith Christian Assembly will have their temperatures taken at the door, be required

to wear a mask before and after service, and sit socially distant from others. Those who are ill should remain at home.

Midweek Bible study taught by Pastor Sheri Leming is on Wednesdays at 11 a.m., and GriefShare's weekly meetings are Wednesdays at 5:30 p.m.

To receive more information on the church, call (562) 598-9010, visit the website at www.FCAchurch.net or email contact@fcachurch.net.

Church of Jesus Christ of Latter-day Saints

In his Saturday afternoon speech given at the April General Conference, Elder Jeffrey R. Holland said, "Brothers and sisters, we see too much conflict, anger and general incivility around us. Fortunately, the current generation has not had a third World War to fight, nor have we experienced a global economic crash like the one in 1929, leading to a Great Depression. We are, however, facing a kind of third World War, marshaling the children of God to care more about each other and to help heal the wounds we find in a conflicted world."

Elder Holland went on to declare, "The instruments we need to create a brighter day and grow an economy of genuine goodness in society are abundantly provided for in the gospel of Jesus Christ. We cannot afford—and this world cannot afford—our failure to put these gospel concepts and fortifying covenants to full use personally and publicly."

Review Elder Holland's complete address in the May issue of the Liahona magazine or at www.churchofjesuschrist.org.

LW BAPTIST from page 19

Day?" Chapman's own life climaxed gloriously the day he himself went into the presence of his Lord on Christmas Day, 1918, perhaps singing the refrain of his devotional song: "Living he loved me, dying he saved me, buried he carried my sins far away, rising he justified freely forever, one day he's coming, O glorious day!"

For more details, call the church office at (562) 430-2920.

HOLY FAMILY from page 19

ular Mass schedule. Saturday (Vigil Mass) is at 5 p.m., and Sunday Masses are at 8 a.m., 10 a.m. and noon. Weekday Masses are Monday-Saturday at 8:30 a.m., and confessions are on Saturdays from 4-4:45 p.m.

Those who attend must wear a mask or face shield, sit socially distanced and use hand sanitizer upon entry into the building.

Religion Directory

The Religion Directory will provide the latest information about church services as the coronavirus situation subsides. Pastors and religious leaders can email laurieb@lwsb.com to submit contact updates or service livestream website addresses.
