AMPHITHEATER

THE SPRINGSTEEN EXPERIENCE

**Springsteen Experience**  
**Saturday, July 3**  
**7:30 p.m., Amphitheater Stage**  
**Sponsor: Home Instead Senior Care Service**

The music of Bruce Springsteen, a prolific songwriter and storyteller whose career spans more than four decades, will be featured in the Springsteen Experience at a patriotic community concert celebration this Saturday on the Amphitheater stage.

Everyone is invited for a night of Americana evoking the boys from New Jersey in a tribute to Bruce Springsteen and the E Street Band. Koffel's will bring the Taco Tuesday Truck with the regular popular fare as well as its famous tri tip and rib barbecues, your choice, for \$11 a plate, including all the fixings. Serving starts at 4 p.m. Stay after the concert and enjoy a special fireworks light show on the Amphitheater doors.

Josh Schreiber and the cast and crew of the Springsteen Experience will showcase Springsteen's brilliant catalog of music, including the hit songs "Glory Days," "Dancing in the Dark," "Born to Run" and "Born in the USA."

This will be a high-octane, chronological journey, recreating the most memorable moments and stage interactions throughout E Street concert history.

From 1973 through the height of Bruce's fame in the 80s and beyond, this theatrical production accurately replicates the near circus-like appeal of an authentic Springsteen concert. It includes vintage equipment and stage sets, multiple costume changes, and note-perfect renditions of Bruce's most popular hits and lyrical gems.

With the addition of the four-piece Miami horn section, the Experience is a concert event like no other production in the replica-rock genre today.

The tribute includes such classics as "Detroit Medley," "Adam Raised a Cain," "Sherry Darling," "Hungry Heart" and "Thunder Road." Schreiber, backed by a notable ensemble of lookalike talent,

Josh Schreiber fronts the tribute band. bears a striking resemblance to Springsteen. His similarity in mannerisms and vocal prowess will transport you back in time with songs like "Growing Up," "E Street Shuffle" and "Hard to be a Saint in the City."

“Knives Out,” the film featured at the Amphitheater on June 25, was abruptly interrupted by police helicopters engaged in a manhunt after an intruder breached the wall at Mutual 1 behind Community Church at the St. Andrews Gate. The suspect was fleeing police after his car crashed on Seal Beach Boulevard. The police chopper hovered over the Amphitheater and directed people to go inside and lock their doors. GRF Recreation Manager Thomas Fileto stopped the movie and began evacuating the Amphitheater with the help of LW Security. The police looked for the culprit until 1 a.m. but did not capture the person. Police believe he was fleeing outstanding warrants. The film is being rescheduled and will be added to the Amphitheater schedule as soon as the details are finalized.

### Golf Course Hours to Change

As of July 5, Turtle Lake Golf Course will be open from 7:30 a.m.-5 p.m., seven days a week. However golfers are free to continue playing until dusk. This will eliminate the confusion between Pacific standard time and daylight saving time, and allow duffers to enjoy the course according to the available daylight. For more information, contact [kathytl@lwsb.com](mailto:kathytl@lwsb.com).

### CITY OF SEAL BEACH

#### Make bathrooms more accessible for free

The City of Seal Beach Bathroom Accessibility Program has been approved for another cycle of funding. This means that starting today, July 1, the city can spend nearly \$200,000 on grants to Leisure World residents for the Bathroom Accessibility Program.

For over 15 years, the City of Seal Beach has offered the Seal Beach Bathroom Accessibility Program to help residents modify their bathrooms. As of 2020, LWers with more than one bathroom are eligible. Furthermore, in special circumstances, a bench can be added to the fiberglass unit.

In the wake of COVID-19, the administration of this program has changed slightly. There will be no in-person workshops this year. Instead, individual appointments can be made via phone, FaceTime, Zoom or Google Hangouts to ask questions and get individualized advice on how to complete an application. Simply email [monique@civicstone.com](mailto:monique@civicstone.com) for an appointment. People can also call (909) 364-9000, but email is preferred. All information is kept strictly confidential.

Any Leisure World resident who has trouble stepping into the shower for any reason is likely eligible for a free bathroom upgrade. The Leisure World Bathroom Accessibility Grant converts the tub/shower combination into a shower-only for safer access. The fiberglass is refinished to look like new, and a custom glass shower door enclosure is installed. Toilets can be replaced with high-boy models, and grab bars may be added as needed.

The program is made possible through a grant from HUD, Orange County and the City of Seal Beach. To qualify, applicants must be over 55 years of age and have an annual income below \$75,300 if they live alone or the limit is \$86,050 per year for a two-person household. Savings do not disqualify applicants.

“Many residents get confused about the application process,” said Monique Miner of CivicStone, which administers the program. CivicStone was hired by the City of Seal Beach 15 years ago to facilitate the bathroom grant program. “Residents don’t realize you can have substantial savings and still qualify for the free upgrade. We are just a phone call away and can help residents apply for the completely free upgrade. But don’t delay completing your application because funds are limited!”

For more information, email [monique@civicstone.com](mailto:monique@civicstone.com) or call (909) 364-9000.

Terry Otte and Abilene performed to rave reviews at the first Amphitheater show of the 2021 season June 24. The concert drew a full house, as LWers ventured out after more than 15 months of shutdowns related to the COVID-19 pandemic. The show featured classic country and rockabilly music and really was a down-home experience because most of the players are LW residents, including front man Terry Otte and lead singer Tina Schaffer, who wowed in black leather pants and sparkly boots. ## Letters to the Editor

Editor:

Thanks to whoever it was that sent me the LW email about the hit and run fugitive (June 26). I had no idea what was really happening.

This is what I didn't hear last night while I was watching the Vienna Philharmonic Orchestra program on TV.

All of a sudden, I heard another voice, and I wasn't able to hear what they were saying because of my hearing loss!

I looked out my windows and saw nothing, but could hear a voice. I opened my front door to go out and look but suddenly remembered living at the beach in Belmont Shore when police helicopters would often be chasing someone. So I quickly stepped back inside and locked my door.

I continued to hear the voice and didn't see the spotlight from the helicopter, and eventually, the voice stopped.

The sound seemed to be to the east of me, and that would be Mutual 1. I'm in Mutual 2, next door. But I was not able to hear the helicopter loudspeaker direct us to stay inside and had no idea what was going on! And yes, I had my hearing aid on.

This is a situation that needs some direction. There was no warning on my TV. Fortunately, I was prepared from my earlier

years in Belmont Shore where we had at least one of these incidents a week, especially during the warm summer months.

Gail Morrison  
Mutual 2

*Editor's Note: On June 25 during the screening of "Knives Out" at the Amphitheater, a fugitive from a hit-and-run accident on Seal Beach Boulevard jumped the fence at St. Andrews Gate in Mutual 1. SBPD and Anaheim police helicopters pursued the suspect until 1 a.m. The chase necessitated canceling the movie at the Amphitheater, which was evacuated. The movie will be rescheduled.*

*According to LW Security, the suspect evaded capture Friday, and he remained at large as of Monday. He was not believed to be armed or otherwise dangerous to the public, rather that he fled because he had outstanding warrants. During the hunt, police requested that LWers stay in their homes with doors and windows locked.*

Editor:

The season opener at the Amphitheater was a great success.

On a beautiful, summer evening, our favorite band Abilene, four of the six members being LW residents, entertained the big crowd with classic country and rockabilly.

The lead singers, Terry Otte

and Tina Schaffer, in her sparkling boots, were outstanding.

Tina's asides to the audience helped make the event feel like a family gathering.

We thank the Golden Rain Foundation and On-Site Home Sales for a music-filled, fun event that will be long remembered.

Linda and Fred Fenton  
Mutual 12

Editor:

Thanks to Pastor Bruce Humes and the First Christian Church of Leisure World for the wonderful movie on June 25.

"A Case for Christ" is the true story of Chicago Tribune reporter Lee Strobel and his investigative journey from atheism to faith.

Pastor Humes said the church will be showing a similar movie each month.

Watch for times in the LW Weekly.

Joan Shramek  
Mutual 12

Editor:

I want to give a big thank you to editor Laurie Bullock, who did an excellent job on my granddaughter's graduation article (June 24).

It was terrific. You made our family very happy.

Shirley Truman of Mutual 15 doesn't know the name of this beautiful succulent. Once she started watering it, the plant grew tentacles and yellow flowers.

## Family Radio Service

The Amateur Radio Service Club provides an opportunity for a Family Radio Service (FRS) practice drill every Wednesday at 9:30 a.m. Anyone who has an FRS radio is invited to participate. Use Channel 13/0.

Anyone unsure how to call in or who would like additional instructions should contact Leisure World Amateur Radio Service Radio Club President Rich Erickson at [rjexn@yahoo.com](mailto:rjexn@yahoo.com) or (562) 431-6586, ext. 409.

## County starts redistricting

Every 10 years, local governments use new census data to redraw supervisorial district lines to reflect changes in their populations. Redistricting is done using U.S. Census data, which, because of COVID-related delays, will be released by Sept. 30. Orange County's redistricting process must be completed by Dec. 15.

To the extent practicable, district lines must be adopted using the following criteria, in order of priority:

1. Geographically contiguous districts (each supervisorial district should share a common border with the next);
2. The geographic integrity of local neighborhoods or communities shall be respected in a manner that minimizes its division;
3. Geographic integrity of a city shall be respected in a manner that minimizes its division;
4. Easily identifiable boundaries that follow natural or artificial barriers (rivers, streets, highways, rail lines, etc.); and
5. Lines shall be drawn to encourage geographic compactness.

In addition, boundaries shall not be drawn for purposes of favoring or discriminating against a political party.

Assembly Bill 849 requires cities and counties to engage communities in the redistricting process by holding public hearings and/or workshops and doing public outreach, including to non-English-speaking communities. The board shall arrange for the live translation in an applicable language of a public hearing or

OC Supervisor Katrina Foley

workshop if a request is made at least 72 hours in advance.

The Board of Supervisors will schedule workshops at which to receive public input on where district lines should be drawn. A current map of District 2, which includes Leisure World, can be found at [cob.ocgov.com/sites/cob/files/2021-06/120045-Second.jpg](http://cob.ocgov.com/sites/cob/files/2021-06/120045-Second.jpg). The next meeting of the board is July 27; more details can be found at [cob.ocgov.com/2021-redistricting-agenda](http://cob.ocgov.com/2021-redistricting-agenda).

Constituents can submit public comments or written testimony, including suggested draft maps, by emailing [redistricting@ocgov.com](mailto:redistricting@ocgov.com).

To speak at a public meeting, residents must complete a Speaker Request Form, available at the meetings. Speakers may address the Board on up to three occasions, with three minutes allotted to the speaker per occasion.

To find out more about the process and the role the community plays, contact the County Executive Office at [redistricting@ocgov.com](mailto:redistricting@ocgov.com) or (714) 834-6000.

District 2 residents can also contact Supervisor Katrina Foley at (714) 834-3220 or [katrina.foley@ocgov.com](mailto:katrina.foley@ocgov.com).

## Community Guide White Pages

Resident names and phone numbers are not automatically placed in the LW Community Guide's White Pages. To be included, shareholders may submit their information to LW Weekly by filling out the form placed in previous editions of the Community Guide and returning it to the LW Weekly Office or by emailing [pattym@lwsb.com](mailto:pattym@lwsb.com).

Residents who think they know a name that should be removed may notify LW Weekly via email at [pattym@lwsb.com](mailto:pattym@lwsb.com).

## First Christian Church

First Christian Church of Leisure World teaches from God's word, the Holy Bible, most often verse by verse. It is a friendly church that welcomes all visitors.

### The Message

Psalm 33:12 says, "Blessed is the nation whose God is the Lord," The message here is that "blessings," or happiness, and God's favor are extended to nations that make him their Lord. On Sunday, July 4, America will be celebrating its 245th birthday, also known as Independence Day.

First Christian Church will look at how Christianity influenced the Founding Fathers as they crafted the Declaration of Independence and other governing documents that day.

### Scripture of the Week

"I will lift up my eyes to the mountains; from where shall my help come? My help comes from the Lord, who made heaven and earth. He will not allow your

foot to slip; he who keeps you will not slumber. Behold, he who keeps Israel will neither sleep nor slumber" (Psalm 121, 1-4 NASB).

### Services

Saturday and Sunday services have the same message given by Pastor Bruce Humes. Sunday is a traditional service, with hymnal music provided by Pat Kogok at the piano. Pat will also sing a special song. Sunday service is from 9:30-10:45 a.m.

Saturday services are more contemporary, with Gregory Black leading worship with guitar accompaniment. Saturday service time is 9:30-10:45 a.m.

The Friday evening prayer meeting is from 6-7.

### Announcements

The state of California has lifted the COVID-19 restrictions with respect to churches. However, since Leisure World is a vulnerable community of residents, First Christian asks

Pastor Bruce Humes

for those experiencing any COVID-19, flu or cold symptoms to stay home.

Those who want to speak to someone at the church can call (562) 431-8810 and leave a message. The church location is on Northwood Road, behind Carport 125.

Celebrating freedom is this week's theme for Pastor Lynda Elmer's sermon at Redeemer Lutheran Church, 13564 St. Andrews Drive, this Sunday, July 4. The main service, with choir and Communion, is held inside the sanctuary at 10:30 a.m. Dee

Sessa and Maria Swift are ushers this week, and Carol Castello and Beverly Anderson will lead the prayers and scriptural readings.

Need a spiritual lift in the middle of the week? Redeemer's midweek Bible study, held in the conference room, is each

Wednesday at 10:30 a.m. A prayer-filled service with reflection and Communion is held at 11:30 a.m. in the chapel sanctuary.

Those who are in pastoral need can call the church at (562) 598-8697.

## Holy Family Catholic Church

Holy Family Catholic Church, 13900 Church Place, next to the St. Andrews Gate, will observe the Fourteenth Sunday in Ordinary Time on July 4. The first reading is from Ezekiel 2:2-5, and the second reading is from 2 Corinthians 12:7-10.

### LW Baptist

LW Baptist will gather for worship on Sunday, July 4, at 9:45 a.m. in Clubhouse 4. The congregation is currently going through each chapter of the Gospel of Luke.

This week focuses on chapter 11, verses 1-28, which traces the theme of learning more about faith in God. The narrative tells of Christ's final journey to Jerusalem and the various incidents that occur along the way. The stories include Jesus teaching his followers to pray, telling a story illustrating how God answers differently from what is expected, encountering unbelief among the religious leaders of the nation, and pointing out the worthlessness of self-reformation with a behind-the-scenes look into the invisible spirit-world, as well as Jesus' surprising comment about faith requiring knowledge and practice of God's word.

The midweek Energizers group meets from 3-4 p.m. in Clubhouse 3, Room 1. The group is currently studying the Old Testament prophet Nehemiah. This week is centered on chapter 5, the stepping stones in the Christian life.

For more information, call (562) 430-2920.

### St. Theodore's Episcopal

St. Theodore's Episcopal Church will have a service of holy Communion on Sunday, July 4, at 12:15 p.m. in the sanctuary of Redeemer Lutheran at 13564 St. Andrews Drive. The Rev. Reese Riley will preach and preside. Music will be provided by organist Laura Dickey and others.

Join St. Theodore's for food and fellowship afterward in the church's conference room.

### Faith Christian Assembly

It's rare to hear the true faith of America's Founding Fathers. But Benjamin Franklin, co-signer of the Declaration of Independence and the U.S. Constitution, once said, "Here is my Creed. I believe in one God, the creator of the universe; that he governs it by his providence. And that he ought to be worshipped." Faith Christian Assembly encourages LWers to do exactly that. Come and celebrate the freedom Americans have to worship.

Join Faith Christian Assembly on Sunday, July 4, at 10:30 a.m. People will be inspired and challenged by Pastor Sheri Leming's message, straight from God's Word. Come join us and bring a friend.

Out of an abundance of caution for all who attend services or events at Faith Christian Assembly, those who are ill are asked to stay home.

The Sunday celebration service is at 5:30 p.m. Pre-service prayer is at 5 p.m. every Sunday in the prayer room, just off the main sanctuary. The midweek Bible study, taught by Pastor Sheri, is on Wednesdays.

To receive a free newsletter or more information on the church, visit the website at [www.FCChurch.net](http://www.FCChurch.net), email [contact@fcchurch.net](mailto:contact@fcchurch.net) or call (562) 598-9010.

### Seal Beach Center for Spiritual Living

The Rev. Nicole Von Atzingen, senior minister at Seal Beach Center for Spiritual Living (SBCSL), will speak at the next service on Sunday, July 4, at 10 a.m. at 400 Marina Drive, Seal Beach. People can attend in-person service or through Zoom and Facebook Live.

In-person music will begin again at the July 4 service. Musical Director Lindsey Hundley will play piano and sing. Red, white and blue doughnuts will be served along with coffee outside after services.

Leisure World residents are invited to come and enjoy the morning service and be spiritually fed. The SBCSL is a church that welcomes all people of all faiths. Practitioners are available for those who would like prayer.

For more information, call (562) 598-3325 or email [sbcsl@sbcsl.org](mailto:sbcsl@sbcsl.org). People can visit the SBCSL website at [sbcsl.org](http://sbcsl.org) for detailed information about talks, classes and everything going on at the center.

### Community Church

This week, Community Church will look at Mark 6:1-13, in which Jesus faces some of his harshest critics, those who think they know him best.

People often confuse opinion with fact. It is tempting for a person to think that what he or she believes is fact, when in reality, it is just an opinion.

Pastor Johan Dodge has said numerous times that "where two or three are gathered, there are four or five opinions." Discipleship is the process of learning to move past opinion and dwelling in what is as it is. It is a challenging thing to do, especially in community, but it also something that humans were created to do by God.

### Assembly of God

This Sunday is an appropriate day to celebrate the hard-won right to exercise religious freedom. While brothers and sisters in Christ around the world meet in secret churches or are in danger of being disowned by their families, kidnapping, torture and death, Americans enjoy the right to meet publicly and worship the way in which they are most comfortable. So, while enjoying the Fourth of July holiday barbecues and fireworks, take a moment to thank God for the freedom to worship. Remember the ones who have fought valiantly on battlefields or through the legal system to ensure that everyone can exercise

### Church of Jesus Christ of Latter-day Saints

The Atherton and Woodruff Wards will celebrate Independence Day on Saturday, July 3, at the Atherton building, located at 6500 E. Atherton St., Long Beach.

The celebration will begin at 9 a.m. with a flag raising, followed by patriotic music, an inspirational speaker, potluck breakfast and a decorated bicycle parade. This is a great opportunity to invite friends, work colleagues and neighbors to join in honoring America's Declaration of Independence 245 years ago.

All members of the Long Beach California East Stake are invited to celebrate Pioneer Day—the day when Latter-day Saints first entered the Salt Lake Valley in 1847. The event will be held on Saturday, July 24, at 3:30 p.m. at Rush Park, 3021 Blume Drive, Rossmoor. More information will follow.

Decorated golf carts will be on parade.

## ROLLIN' THUNDER

### Don't miss Sunday's golf cart parade

Leisure World's popular July 4 Golf Cart Parade is in its final planning stages by the Rollin' Thunder Club. This greatly anticipated holiday event held on Sunday, July 4, will feature dozens of colorfully decorated golf carts and will follow a route covering most of the community's main thoroughfares and larger residential streets. Parade participants can finalize their decorations at 12:30 p.m. in the parking lot of Clubhouse 6.

The parade will officially get underway at 1 p.m., starting at Clubhouse 6 and heading north on St. Andrews Drive before driving east on Interlachen Road. The golf carts will then turn right (south) on Del Monte Drive and swing around the flag pole on Sunningdale Road. The group will then drive down Northwood Road to El Dorado Drive. Finally, the group will turn east on Oakmont Road before making their way down St. Andrews once again, concluding in about an hour at Clubhouse 6.

Golf cart owners are urged to reserve a spot in the parade line up by calling club president Tom Davis at (562) 431-6859.

Following the parade, spectators will be invited to enjoy cookies and water, provided by the Rollin' Thunder Club, while viewing the cart decorations up close at Clubhouse 6.

Participants are reminded to charge their batteries or have a full tank of gas prior to the parade. Membership in the Rollin' Thunder Golf Cart Club is not required to enter the parade.

## Paws, Claws and Beaks potluck July 8

The Paws, Claws and Beaks club invites LW pet owners to its potluck barbecue on Thursday, July 8, in the Clubhouse 1 picnic area beginning at noon.

People may bring their pets in carriers or on 6-foot-long leashes, along with a side dish for eight people. There will be raffle prizes to win, so make sure to come with cash to support the Leisure World Pet Lovers' Club and enjoy the day with the club.

Everyone is required to sign in at the picnic. People are asked to RSVP to Bonnie Kaplan at (714) 930-5310 or [craft.kaplan029@gmail.com](mailto:craft.kaplan029@gmail.com) by Wednesday, July 7.

## Mobility Aids Procedure changes

The Golden Age Foundation's (GAF) Mobility Aids office is now open Monday-Friday from 9-11 a.m. The GAF volunteers will be there to help residents with finding the right mobility aid and filling out the correct forms to pick up an item.

One of GAF's newest policies is making the new maximum time for loaned equipment six months. The policy used to allow for residents to use the mobility aid for an indefinite amount of time, but the policy sometimes made it costly for repairs and replacements in addition to running low on mobility aid devices.

Those who must extend their loan period beyond six months should call (562) 431-9589 with the GAF mobility aids equipment number.

For more information about the Mobility Aids Program or other GAF programs, go to [www.GoldenAgeFdn.org](http://www.GoldenAgeFdn.org).

GAF volunteers will be at the drop-off center to receive residents' documents to be shredded.

## GAF

### Shredding service date changed to Tuesday, July 13

The next Golden Age Foundation (GAF) shredding service event will be held on Tuesday, July 13, in the Clubhouse 2 parking lot from 10 a.m.-noon.

This event will once again be drop-and-go only, with no waiting in line. The GAF is asking people to observe social distancing and to consider wearing face masks when they drop off their shredding materials.

The GAF would like to remind LWers of the following rules for the shredding service:

- Drop off shredding materials and leave.
- Materials should be dropped off in a plastic or brown paper bag; cardboard boxes will not be accepted.

- Lines will not be allowed to form, and there will be no chairs for people to sit and wait for their documents to be shredded.

- GAF volunteers will guard bags until the shredding truck arrives to shred on-site.

- Remove staples and paper clips from all documents.

- No electronic devices will be accepted.

- Contaminated bags will be turned away.

The GAF is an independent, nonprofit, 501(c)3 charitable organization dedicated to serving the residents of Leisure World Seal Beach. Its purpose is to make the community a better place to live. The GAF was established in 1973 and is not affiliated with the

Golden Rain Foundation.

GAF programs are provided free to Leisure World shareholders. It is entirely staffed by volunteers, so all contributions go directly to meeting community needs. The generous support of shareholders, residents, clubs or organizations and businesses is the GAF's main source of income. The programs and projects are made possible by the volunteer efforts of so many LWers. Donations are welcome.

For more information, contact Anna Derby at (562) 301-5339.

# OBITUARIES

## Steve Wilson Housden 1932- 2021

Steve Wilson Housden was born in Centralia, Wash- ington, on Feb. 6, 1932, to Golda and Roy Housden. He died on June 6 in Seal Beach, California.

Steve grew up in Brewster, Washington, with six brothers and sisters and graduated Pateras High School. Early in life, he trained for the Army Airborne in Fort Bragg, North Carolina. When the Korean War ended, he was honorably discharged from the Army's 82nd Airborne. He came to Long Beach, California, to join the LB Police Department as a patrolman, then was a detec- tive for 27 years. Steve was very loved by his family, friends and colleagues, who knew how caring and helpful he was to all.

He moved to Leisure World and joined the American Legion Post, woodcarvers and RV clubs. He was a member of C-300 and loved racing, having owned Cor- vettes over the years. Steve had a boat (or two) and lived aboard one of them at Gangway 17 for a long time.

In recent years, he spent the summer in Entiat, Washington, where he had 5 acres along the river's edge. He beautified the land and welcomed his friends and family to stay and camp with their RVs along the Entiat River at mile marker 7. Steve always had his eyes open to a diamond in the rough, flipping several homes before it was the thing to do. Steve was always hardworking, at times holding two jobs a day to support his growing family.

Steve is survived by sisters Gladys, Carol and Charlotte, and brother Tex; his daughters Steph- anie O'Connell and her two sons and daughter; Sandra and her two sons and daughters; along with Danielle. He was proud of two great-grandchildren, Logan and Madelyn, and his step-children Tom, Shirley and Gary. He is predeceased by his son Stan and his brothers Leroy and Benny.

Steve loved cruising the Carib- bean, playing beanbag games and RV-ing with his long-time partner Gloria. They enjoyed their trips with the Kop Outs and Substation North Retirees of Long Beach.

Memorial and celebration of life ceremonies will be held on July 13 from 10 a.m.-2 p.m. at the Police Officers Park on Carson in Long Beach for family and friends.

## Morton Goldberg 1924-2021

Morton Goldberg, a longtime resident of Leisure World, passed away in his home at the age of 97 on June 13, surrounded by his family. The funeral was held on June 16 at Mount Sinai Memorial Park Hollywood Hills.

He leaves his wife of 71 years, Helene; his three children, Linda Gren, Marshall Goldberg (Patti) and Jeanne Herman (David); and nine grandchildren. He was a veteran of World War II and a member of Congregation Shalom.

He will be sorely missed.

## Robert Patrick Croghan 1930-2021

Robert (Bob) Patrick Croghan was born on a farm in Iowa on March 15, 1930, and died Jan. 25. He was the second youngest of three boys and four girls. When his family lost the farm in the Great Depression, they moved to two small towns in Iowa, then to Omaha, Nebraska, where he was a student at Creighton Prep. From there, they moved to Des Moines, Iowa, where he graduated from Dowling High School.

He earned a degree from Rockhurst University in Kansas City, Missouri, a Jesuit college in 1953, with a double major in history and English, and a minor in philosophy. He spent two years in the Army and then spent 15 years as a monk in a Trappist Monastery on a farm outside Huntsville, Utah. They prayed and worked in silence, using sign language to communicate. He enjoyed his life there, but returned home to help take care of his parents. He subsequently worked at Farmer John's in Cu- dahy, California, until he had to

quit work in order to help take care of his dad full-time. When his mom and dad both died, he and his sister moved to Lake San Marcos, California, where one of his married brothers was living. When his brother died, he and his sister Kathleen moved to Leisure World Seal Beach, where they lived for years.

He developed COVID-19 and was transferred to the hospital

in Long Beach. From there, he subsequently died. His ashes are interred along with most of his family at Mission San Luis Ray in Oceanside, California.

One person described him as having a very positive attitude toward life, and he was universally described as having a great sense of humor and always smiling. He will be missed in Mutual 17 and by his family.

American Legion Auxiliary

The American Legion Auxiliary held its installation of new officers at the Joint Forces Base in the Fiddlers Three Banquet room on June 21. Tables decorated with stars and stripes seated about 50 members and guests for a delicious luncheon served by the staff of Fiddlers Three.

The program of the day, conducted by outgoing President Lorna Kaplan Miller, began with the group singing the National Anthem, followed by prayer led by the new chaplain-elect, Carolyn vanAalst. The Pledge of

Allegiance was led by Post 327 Veteran Dave Tautges.

District President Carol Borgman conducted the installation. New officers for the upcoming year are Geri McNulty, president; Lorna Kaplan Miller, first vice president; Phyllis Pierce, second vice president; Cathy Boufford, treasurer; Jean Sudbeck, secretary; Carolyn vanAalst, chaplain; Midge Bash and Sue Ellis, sergeants at arms; and Doris Dack, historian.

The tradition of the Past President Parley is to choose an

outstanding member of the year. This award went to LaBrenda Carson, who spent many hours planning an outstanding fashion show, only to have it canceled by the coronavirus. She was given a plaque of gratitude and red roses.

Appreciation gifts were given to Miller, and McNulty received the formal pin of presidency.

The event ended with the group singing “God Bless America,” followed by closing prayer led by Post 327 Veteran Frank Van Dormis.

by Brian Harmon  
LW contributor

Two representatives from Congresswoman Michelle Steel’s office discussed election strategy to approximately 35 people at a special strategy meeting of the LW Republican Club on June 22.

The two representatives thanked the club for all of its help in electing the congresswoman last November. One of the representatives was often seen at the GOP club booth last year speaking with members of the Korean American community and helping them register to vote.

Club President David Harlow provided a quick review of the club’s election strategies during the last few election seasons.

“In 2016, we tried precinct walking, both talking to people and leaving literature,” Harlow said. “In 2018, we focused on making phone calls.”

Harlow said that in 2020, the club sent out mailers and ran ads in the LW Weekly, as well as manning the club booth one day a week.

“During the next election season, we are going to try doing all of the above,” Harlow said.

Harlow’s remarks were followed by a 30-minute discussion of the ways to reach out to members of the LW community. Several immigrants, including one from a formerly Communist country, spoke about how they are thankful to live in a country where real freedom, including freedom of speech, is permitted.

A few members said they would like to hear speakers at club meetings talk about the Constitution and how it applies to today’s issues. Others talked about how much they appreciate seeing the Republican club articles next to the Democratic ones in the LW Weekly newspaper. Most members agreed that being friendly and positive is the most effective way to reach our neighbors and share Republican values.

...

The Election Integrity Project will be featured at the next meeting on Wednesday, July 21, at 7 p.m. in Clubhouse 3, Room 1.

The Republican Club booth will be open outside Clubhouse 6 from 11 a.m.-2 p.m. this Monday, July 5, and the first Monday of each month thereafter.

The GOP Club does not charge membership dues or impose any other financial obligation on its members. The club raises money primarily through donations and selling political campaign memorabilia. The club endorses candidates for partisan and non-partisan races. Club funds are used to support its endorsed candidates, pay for speakers at club meetings, and cover miscellaneous expenses.

Anyone who wants to be added to the club membership roster, or wants more information can send an email to [dkharlow50@aol.com](mailto:dkharlow50@aol.com) or call (714) 928-1950.

Members will be sent via email an agenda and minutes for each meeting along with other information deemed necessary and/or appropriate by the president.

Club members are encouraged to send opinions on public issues or ideas about what the club should be doing. To do so, call or text (714) 928-1950. Those who do not want their name, ideas or opinions to be made public should so indicate.

Are the Medicare TV ads true?

by Sandra Teel  
Medicare insurance agent

Everyone has seen the ads with a well-known athlete or celebrity endorsing a Medicare insurance company that claims to be able to deliver all kinds of free benefits. Viewers just have to call this 800 number, and they'll be set up. Among the things these commercials claim people can get are in-home aides, dental coverage, eye glasses, prescription drug coverage, unlimited transportation, home-delivered meals, Part B givebacks to Social Security . . . The list goes on and on. These ads make it sound like people aren't getting everything they're entitled to. But is it true? The answer is both yes and no.

Yes, many of these "extra things" are covered by several different Medicare Advantage plans and Medicare Supplemental plans. However, there's a catch: These "extras" are not covered by Original Medicare, so each Medicare Advantage Plan or Medicare Supplemental plan can offer what they want as an "extra," which often depends on where a person lives.

When someone calls the 800 number advertised on the TV screen, the representative is most

likely not located in that person's area and therefore is unfamiliar with the local hospitals, pharmacies, doctors, etc. In order to qualify for some of these "extras," people might have to give up their trusted doctor or their preferred hospital. Not all Medicare Advantage plans contract with all local hospitals and doctors. And what about prescription drug costs? Will a person have to give up the least expensive drug coverage to receive the extra benefit?

Each state and county in that state has different plans with different "extras," so it's best to call a trusted Medicare insurance agent who knows what's available in the area and will take the time to look up people's preferred doctors, hospitals, pharmacies, etc. so they can keep them.

It can be easy for people to be fooled into calling someone who knows nothing about them or their area, so be smart and contact a local, trusted Medicare insurance agent instead.

Terry Otte and Abilene (above) kicked off the Amphitheater season on June 24 to a full house. The classic country playlist got people up and dancing (left, center) on the two patios flanking the stage. Doris Thaye of Mutual 3 with her new friend Judy Phillips of Mutual 5 (left, bottom) enjoyed the concert. Doris, 98, walked from Mutual 3 to the Amphitheater by herself to see the show, and Judy walked her home after. Doris is a vigorous walker and loves music, her favorite being Johnny Cash. People who would rather ride can catch a Minibus to Amphitheater shows and hop one to get home afterward.

The Orange County Transportation Authority, in cooperation with Caltrans, is widening the San Diego Freeway (I-405) between SR-73 and I-605. Daytime work hours are 9 a.m.-3 p.m. Seal Beach Boulevard and Lampson will be intermittently reduced to two lanes at the intersection for the duration of the work. Nighttime temporary traffic signal removal and permanent pole installation are anticipated in early-July.

Sandra deDubovay and Joe DiDonato at Mt. Ada in Catalina.

## Catalina: A playground for all

by Sandra deDubovay  
LW contributor

Sandra deDubovay and Joe DiDonato recently took the Catalina Express from Long Beach to Catalina. It was a smooth 70-minute sailing to the 76-square-mile mountainous island located approximately 22 miles away. Avalon Bay's location on the leeward side, plus its "C" shape, makes it one of the safest harbors in the island.

Spanish explorers discovered Santa Catalina Island in 1542. Don Pio Pico, the last Constitutional governor under Mexican rule, granted title to Catalina to Thomas Robbins in 1846, and in 1848, Mexico ceded Alta California to the U.S. at the end of the Mexican War. In 1850, California—including the Channel Islands, of which Catalina is the third largest—became the 31st state. The principal town of Avalon occupies approximately 2 square miles and has a population of about 3,000; the smaller settlement of Two Harbors has about 120 year-round residents.

Phineas Banning and sons purchased the island in 1885, bringing in tourists. But in 1915, a mysterious fire devoured much of Avalon. No lives were lost but many buildings were destroyed in the flames, and the Bannings, having suffered severe financial losses, eventually decided to put the island up for sale.

When chewing gum magnate William Wrigley Jr. visited in 1919, he seized the opportunity to buy the island. He named the high mountainside south of Avalon for his wife, Ada. It's where he built a mansion for his family.

Staff from Mt. Ada (aka the Wrigley Mansion) met deDubovay and Joe DiDonato at the pier and whisked them and their luggage up to the six-bedroom bed and breakfast. After a tour of the accommodations, the two enjoyed a champagne lunch on one of the many patios, where they had amazing views of the ocean and Avalon below. Reservations at the inn include a continental breakfast starting at 6:30 a.m., featur-

ing fresh pastries, coffee, tea and juice. A full breakfast is available from 7-10 a.m., and lunch is from 11:30 a.m.-12:30 p.m. There's an afternoon reception with a selection of wine and cheeses available any time after 4 p.m. Plus, there are pantry refreshments with anything you can think of available throughout the day.

In addition to packs of Wrigley's gum, every room comes with a personal golf cart, plus a remote for gate access, for use during the stay. The duo drove all over the island, including to the Catalina Golf Course to practice putting. The nine-hole executive course is the oldest golf course in Southern California. Tiger Woods has notably played there.

Also worth checking out is Catalina's most famous landmark, the 12-story Avalon Casino, which opened in 1929. With its height of 140 feet, it was the tallest building in Los Angeles County at the time of its completion. It also featured the world's largest circular ballroom.

The "Airport in the Sky" lies at an elevation of 1,600 feet on one of the highest parts of the island. Started in 1940, work was halted in December 1941 when the U.S. went to war, but it was completed and operational in 1946. United Airlines serviced Catalina from 1946-1957, but now the airport is mainly used for private aviation.

In 1972, to preserve the island's interior, Wrigley's son Philip established the Catalina Island Conservancy. It protects 88 percent of the island and is one of the oldest private land trusts in Southern California. The Wrigleys continue to be members of the conservancy.

Today, the island and its 3,000 permanent residents host more than 1 million visitors annually. Catalina is the playground for all—rich or poor, young or aged. If you haven't been, it's a must!

*LW residents are invited to submit travel stories for publication in the LW Weekly. Include your name, Mutual and telephone numbers. Articles are subject to editing and will run as space allows. Email submissions to patty@m-lwsb.com.*

## Dancers & Mixers returns to LW

It's sure to be a fun time at Dancers & Mixers on Tuesday, July 6, at 7 p.m. in Clubhouse 4. The evening includes live music performed by Linda Herman.

In addition to getting out, having a good time and meeting new people, dancing provides exercise that increases both your physical stamina and your flexibility. It also helps you to maintain your sense of balance, reducing your fear of falling. And it definitely reduces stress and tension.

Social scientists recently discovered that dancing is effective at delaying the onset of dementia in seniors. After more than a year of pandemic shutdowns, dancing has never felt more vital or necessary.

Attendees should bring their own refreshments, as well as GRF IDs so the club can update its membership list.

—Annette O'Connell

## Karaoke crooners bring groovers

Nobody gets the karaoke audience dancing like Vito Villamor; he loves singing tunes like "Elvira" for the line dancers. Villamor was one of 33 performers who took the stage on June 23.

First-time singers Sheri Vanek and Donna Hernandez were appreciated with lots of applause. Tony Tupas did a fine "Run Away," while Barbie May and Pat Paternostro had fun singing "Four Walls." Susan Kelleghan and Vinny Correnti wowed the crowd with "You're the One." Both Frank and Martha Destra were in fine voice. And Ric Dizon always performs a good rendition of any Elvis tune.

It's wonderful that all the karaoke performers love to sing, but it's especially sweet for the audience when they can enjoy a treat, too. Ice cream drumsticks were provided by the club, and Alana Eaby brought dozens of her home-baked cookies.

All shareholders are welcome to the Wednesday-night karaoke parties in Clubhouse 1 beginning

Vito Villamor

at 5:30. On July 7, the group will celebrate Independence Day with hot dogs and chips.

Anyone who wants to fine-tune their next song can attend practice sessions on Mondays from 1-3 p.m. in the Amphitheater (enter through the back or side door).

—Margie Thompson

## Men's Golf Club: Results from the June 23 tournament

Two groups of three flights of variously skilled golfers vied for best net scores (gross score minus handicap), plus four circle holes (shots within a 5-foot circle rewarded) and two closest-to-the-pin challenges as part of the June 23 Leisure World Men's Golf Club Tournament. The Turtle Lake Golf Course, as played by the Men's Club, is a well-manicured, 1,658-yard, 18-hole, par-54 course.

A total of 51 golfers teed off and played 18 holes through the early morning and into the afternoon. The weather was initially partly cloudy, but when the

skies cleared around 8 a.m., the temps rose quickly. There was no wind until the latter part of the second group out.

The fairways are in very good condition, but the lack of overseeding of most of the tees boxes means there's very low growth with large areas of dirt. The bumpiness from the aeration of the greens many weeks back has disappeared, as have most of the wet spots in front of several greens. These somewhat improved conditions surely led to an improvement to 24 of 51 rounds being net under par, versus the 21 from last tournament.

A Flight encompasses golfers with handicaps of 0-7; B Flight is handicaps of 8-11; and C Flight is handicaps of 12-18.

**A Flight Winners:** First place: Gene Archambault, a nice 5 under 49; second: Dong Kim, 3 under 51; third: Steve Walker, 2 under 52; fourth: tie between Dave LaCascia and Jae Kim, even par 54; fifth: tie between Steve Ro and Ron Steele, 1 over 55.

**B Flight Winners:** First place: tie between Ryan Hong, Young Lee and Won Lee, 4 under 50; second: tie between Gary Stivers, Alan Sewell, Ron

## LW Combined Bridge

For the first meeting, the first 30 minutes will be spent setting up standards; no food will be served or prizes awarded. This is an opportunity for all to see friends, re-establish themselves and have fun. Bridge cards may be provided for those who do not have a set.

Anyone who wants to play party bridge should come to the meeting on July 9 at 1 p.m. in Clubhouse 1; this group will meet on the second Friday of each month. At this meeting, there will be a discussion on how members want to set up the club; no lunch will be served.

Yahtzee Club

Attendees are invited to bring a store-bought snack that is pre-packaged in individual servings to share. All beverages should be in spill-proof containers, each clearly labeled with the owner's name. Existing members' dues have been applied to this year; new members can pay dues of \$3 at the meeting.

Space is limited, so anyone who wants to join, has questions, or who doesn't know how to play but is interested should contact Kathy Rose at (714) 309-6873 (phone calls and text messages ok).

- There is only one valid solution to each Sudoku puzzle. The only way the puzzle can be considered solved correctly is when all 81 boxes contain numbers and the other Sudoku rules have been followed.
  - When you start a game of Sudoku, some blocks will be pre-filled for you. You cannot change these numbers in the course of the game.
  - Each column must contain all of the numbers 1 through 9 and no two numbers in the same column of a Sudoku puzzle can be the same.
  - Each row must contain all of the numbers 1 through 9 and no two numbers in the same row of a Sudoku puzzle can be the same.
  - Each block must contain all of the numbers 1 through 9 and no two numbers in the same block of a Sudoku puzzle can be the same.

Prior to rehearsal on June 22, Leisure World Orchestra members paid tribute to the many years of leadership of former conductor Rae Boeving, who died recently. There will be a celebration of life service at 9:30 a.m. on Friday, July 2, at Christ Presbyterian Church in Lakewood.

## LW Orchestra seeks a drummer, bass player

Leisure World Orchestra is gearing up for a concert in December and needs some new players, especially a drummer and brass players.

The orchestra recently welcomed new players Dilara Khalilova (piano), Karen Ward (flute), and Yuri and Luba Lotakov (piano). Other musicians are invited to join them. Anyone interested should contact Fred Reker at (615) 898-0669 or

[fredreker326@gmail.com](mailto:fredreker326@gmail.com).

Rehearsals are Tuesdays and Wednesdays at noon in the Amphitheater. Among the classical works being performed are Scheherazade, Rimsky Korsakov; Hallelujah Chorus, Handel; Radetzky March, Strauss; Hansel and Gretel, Humperdinck; Blue Danube Waltz, Strauss; and Argonaise from Carmen.

Club news? Send information about upcoming meetings, game winners, etc. to [pattym@lwsb.com](mailto:pattym@lwsb.com) by 4 p.m. Thursday.

## Men's Golf League

Nine Men's League golfers competed on June 21 at the par-70, 5,800-yard Riverview Golf Course. It was a beautiful morning, with temperatures in the low 70s and little wind. Riverview has dramatic elevation changes throughout the course and runs both parallel to and across the scenic Santa Ana River. Though the greens and fairways were in excellent condition and there was little wind, the golfers delivered only three rounds under par; they still produced six birdies.

A Flight handicap is 0-20; B Flight handicap is higher than 20. All scores are net (actual score minus handicap).

**A Flight Winners:** First place: Fujio Norihiro, a very nice 7 under 63; second: Sam Choi, a fine 6 under 64; third: Gary Stivers, 1 over 71; fourth: Bill McKusky; fifth: Jim Goltra. Norihiro had three birdies, plus fewest putts, while Choi had two birdies.

**B Flight Winners:** First place: Bill Zurn, an excellent 9 under 61; second: Lowell Goltra, 2 over 72; third: Gene Vesely; fourth: Bob Munn. Zurn had fewest putts and was closest to the pin on the 100-yard, par-3, all-over-water ninth hole. Vesely had a birdie and was closest on the 140-yard, par-3 14th hole.

On June 25, the David L. Baker Golf Club in Fountain Valley welcomed 12 men and one woman of the league. Baker is a par-62, 4,000-yard executive course that is fairly flat, with purposely placed sand traps and numerous water hazards. At tee time, the day was

sunny with no wind. With the excellent greens and fairways and little wind, the golfers attacked the course, producing nine at- or under-par rounds and carding six birdies.

**A Flight Winners:** First place: Dave LaCascia, a terrific 11 under 51, second: tie between Choi and Tim Looney, a very nice 7 under 55; third: Larry Hillhouse, a sweet 4 under 58; fourth: Jim Goltra, 2 under 60; fifth: Norihiro, even par 62; sixth: McKusky; seventh: Gary Stivers. LaCascia had two birdies and fewest putts. Norihiro and Looney had one birdie each, plus Looney was closest to the pin on the 100-yard, par-3 third hole. McKusky was closest on the 115-yard, par-3 15th hole.

**B Flight Winners:** First place: Bob Meripol, an excellent 5 under 57; second: Munn, 1 under 61; third: Liz Meripol, even par 62; fourth: Lowell Goltra, 2 over 64; fifth: Tom Ross. Bob and Liz Meripol tied for fewest putts, plus Bob had two birdies.

Friends, ladies, spouses and family are all welcome to play and/or join the league on Mondays and Fridays. The four local courses, all within 15 minutes of Leisure World, the group plays, are always quite full, so advance reservations with the league are becoming the norm, with a sign-up sheet available at each round. There is a prize pool for each round that players are not obligated to enter. If interested, contact, Gary Stivers at (714) 313-3697 or Dave LaCascia at (801) 674-5975.
