The City of Seal Beach will upgrade traffic signal cabinet equipment at the intersection of Seal Beach Boulevard and Golden Rain Road on July 13 at about 10 a.m. This will require the intersection to go dark and be controlled by stop signs for about 30 minutes. Motorists should proceed with caution.

FRIENDLY VISITOR

This stately white wader of quiet waters is a fixture in Leisure World. Most recently seen in Mutual 14, it meanders around the Mutuels and is remarkably calm around humans. The LW Weekly has received dozens of photos over the past few years of the egret. An egret is defined as any of several usually white herons that grow long, graceful plumes during the breeding season. Nearly wiped out in the United States in the late 1800s, when its plumes were sought for use in fashion, the egret made a comeback after early conservationists put a stop to the slaughter and protected its colonies; as a result, this bird became the symbol of the National Audubon Society. Thank you to Donna Gambol for sending in this picture.

NEW INITIATIVE

FCC pushes to combat robo calls

As of June 30, LW residents are getting fewer of those annoying robocalls, thanks to a new initiative by the Federal Communications Commission (FCC). Most phone providers nationwide have been instructed to install Caller ID verification to confirm whether calls on their networks are actually coming from the number on display. Some smaller phone companies have a grace period, but all phone companies were required to report to the FCC by June 30 how they are protecting customers from illegal robocalls. With the new caller ID technology, scammers should no longer be able to spoof phone numbers to pose as legitimate callers like your bank or local sheriff's office. According to the Federal Trade Commission and FCC, illegal robocalls cost Americans \$10 billion a year in fraud and \$3 billion a year in wasted time. This year, Americans have received 4 billion robocalls a month, which is twice as many as five years ago. Advancements in technology made it easy to make massive numbers of, and "spoof," caller ID information to hide a caller's true identity.

LOS ANGELES COUNTY PUBLIC WORKS

7 wells proposed to monitor and halt seawater intrusion

The Alamitos Barrier Project (ABP) was constructed in the mid-1960s to prevent seawater from intruding into the underlying aquifers of the central basin in Los Angeles County and the coastal plain of Orange County.

Over 6 million residents of the Southern California coastal plain depend on this groundwater that provides up to 40 percent of the drinking water supply.

The ABP is one of three seawater barriers operated by Los Angeles County Public Works to protect the drinking water supply from seawater intrusion by continuously injecting freshwater to form a protective pressure barrier.

ABP's existing infrastructure has been installed from Long Beach to Seal Beach and includes 7.8 miles of water pipeline, 60 injections wells and a network of over 200 observation wells.

Los Angeles County proposes the construction of five injection wells and two monitoring wells to replace and supplement existing ABP facilities located within the cities of Long Beach and Seal Beach.

Five injection wells will replace existing injection wells that are beyond their useful life. Two of the injection wells will be constructed in the City of Long Beach, and the other three injection wells will be constructed in the City of Seal Beach (located within the Los Angeles Department of Water and Power Haynes

A Minibus will be available to take shareholders home after the movie.

The music of Bruce Springsteen roared out of the Amphitheater July 3 after LW residents packed the bowl to celebrate one of the first large gatherings since COVID-19 shutdowns. Josh Schreiber paid tribute to Springsteen and the E Street Band. A fireworks light show capped the night, which started with Koffel's Tri Tip Man selling barbecue dinners at 3 p.m. in the Amphitheater parking lot. Schreiber and the cast of the Springsteen Experience showcased Springsteen's brilliant musical career featuring such classics as "Born in the USA," "Glory Days" and "Dancing in the Dark."

Renew Photo IDs at Stock Transfer

GRF members are required to have GRF photo identification cards for access to amenities, all transfers (membership, removing/adding someone on title, replacing lost certificates, etc.) and to be a candidate for GRF and Mutual board representation.

The Stock Transfer Office issues IDs, which expire every five years, in a rotating schedule. In 2020, Mutuals 2, 10, 16 and 17 were up for ID renewals, but only 915 out of 1,326 residents did so.

In a year of unprecedented pandemic, it's understandable that some did not get their IDs renewed. The Stock Transfer Office is ready to

According to a new study by Johns Hopkins University School of Medicine and the National Institute on Aging, men and women with hearing loss are much more likely to develop dementia and Alzheimer's disease. People with severe hearing loss, the study shows, were 5 more times likely to develop dementia than those with normal hearing.

Letters to the Editor

Editor:

During my seven years as a Leisure World resident, I have read many good suggestions in this publication on how to improve life in our community. I am now including an idea of my own.

During the past year, I have stood outside the Stock Transfer office window to simply obtain a form. Times waiting in line varied from 25 minutes (dog registration) to 45 minutes (carport rental agreement). During those waiting periods, I observed the very busy Stock Transfer Office employees stopping their work to hand out forms, with people sitting on a bench in the wind filling them out. Why can't we simply download these forms from the GRF website?

I checked out the website of our sister community in Laguna Woods. In addition to fact sheets about living in the community, a move-in guide and other helpful information, you can also download forms! These include the contractor's list, community map, decal registration, visitor passes request, estate sale application, change of address, dog registration, clubhouse rental, insurance disclosure and stock transfer applications, to name a few.

I would like to suggest GRF update its site to provide easy access to information and forms.

It will free up staff time and make it easier for residents. No more standing in line for up to an hour. And the good news is GRF can use Laguna Woods as a template.

If the DMV, cities and other senior communities can make information more accessible, so can GRF! Thanks for your consideration.

I moved to Mutual 10 in June, and I just want to put in a good word for Ulises Ramirez, a plumber with Service Maintenance.

He was very prompt and effective in helping me with some jobs I needed accomplished.

For example, on July 1, Mr. Ramirez performed the neat and timely job of changing my yard faucet.

He is courteous, professional and knowledgeable. I am very pleased with his work.

Resident is 'over the moon' meeting astronauts

by Donna Gambol
LW contributor

"Are you astronauts?" was my enthusiastic query when two petite women, dressed in blue jumpsuits, came through the door of the car rental facility at the Long Beach Airport.

"Indeed we are," was their response.

"Wow, you're Christina Koch, and you're Nicole Mann," I said, reading the embroidered name tags on their uniforms. "Wow!"

"And you?" asked Christina. Thus began a conversation wherein I learned that she was trained as an electrical engineer and Nicole had served as a Marine. They were friendly, enthusiastic conversationalists and willingly cooperative in having their photo taken with me. It was exciting to meet two active astronauts en route from Houston to the Jet Propulsion Laboratory in Pasadena.

When I returned home, I did a little research on the two. Christina, 42, was flight engineer on the International Space Station's expeditions 59, 60 and 61. In 2019, she and Jessica Meir were the first all-female team to complete a succession of spacewalks. In December 2019, she broke the

record for the longest continuous time in space by a woman and returned from space on Feb. 6, 2020, logging 328 days. Her extended mission is being used to study the physical, mental and biological effects of long-term space travel on women.

Nicole, 43, was being modest when she described herself as a Marine. A graduate of the U. S. Naval Academy and Stanford University, Lt. Col. Mann has logged over 2,500 flight hours in

25 different aircraft, completed 200 carrier landings, and flown 47 combat missions in Iraq and Afghanistan. She is an experienced test pilot in the F/A-18 Hornet and Super Hornet.

She completed her astronaut training in 2015 and is currently assigned to the first crewed test flight of the Boeing CST-100 Starliner, scheduled for later this year.

Both are also in training for NASA's Artemis Program, **COLUMN, page 10**

Members of the Wa-Rite Club share weight-loss tips and experiences.

WA-RITE

Weight-loss club grants amnesty for pandemic gain

Leisure World women were out in full force the morning of June 25 for the “Welcome Back to Wa-Rite” meeting. “It was wonderful seeing so many members out and about again,” said Margaret Humes. “We all definitely need the support and encouragement of one another.”

Because of the lockdown and inability to exercise at the gym, attend dance classes, swim or play outdoor sports, many people put on “pandemic pounds” because of stress eating or feeding their boredom. But Wa-Rite is bestowing amnesty on those who have

degrees, giving them 90 days to take the extra weight off.

There were quite a few members who maintained their weight and some who actually lost weight. These disciplined ladies will be leading programs in the coming weeks to encourage the rest of the group.

President Carol Chambers inspired club members by reminding them that it’s all about getting healthy. Her motto is “If life is not what you want now, then change it!” She says everyone has the power to make decisions and get informed. She advises mem-

bers to make a plan, adding that if they fail to plan, they’ll plan to fail.

Wa-Rite is a support group of women who want to lose 10 pounds or more. It doesn’t endorse any specific diet. Club members meet on Fridays from 9-10 a.m. in Clubhouse 3, Room 1 to share information and experiences. Weigh-ins begin at 7:45 a.m. and last until 8:45. All members must be LW residents. Dues are usually \$10, but since it’s already halfway through the year, there is a \$5 discount. Anyone with questions should call Margaret Humes at (562) 296-5834.

Sharp declines in cancer screening

The total number of cancer screening tests received by women through the Centers for Disease Control and Prevention's (CDC) National Breast and Cervical Cancer Early Detection Program (Early Detection Program) declined by 87 percent for breast cancer and 84 percent for cervical cancer during April 2020, as compared with the previous five-year averages for that month.

Prolonged delays in screening related to the COVID-19 pandemic may lead to delayed diagnoses, poor health consequences and an increase in cancer disparities among women already experiencing health inequities. "This study highlights a decline in cancer screening among women of racial and ethnic minority groups with low incomes when their access to medical services decreased at the beginning of the pandemic," said Amy DeGross, Ph.D., MPH, CDC health scientist and lead author. "They reinforce the need to safely maintain routine health-care services during the pandemic, especially when the health-care environment meets COVID-19 safety guidelines."

Screening declines observed in the Early Detection Program coincided with the rapid increase of COVID-19 cases in spring 2020. Factors that might have contributed to the declines during this time include screening-site closures and the temporary suspension of breast and cervical cancer screening services due to COVID-19. The requirement or recommendation to stay at home and the fear of contracting COVID-19 also likely deterred individuals from seeking health-care services, including cancer screening.

Published in the journal Preventive Medicine, the study examined COVID-19's impact on the Early Detection Program's screening services during January-June 2020.

Among the findings:

- Declines in breast cancer

screening varied from 84 percent among Hispanic women to 98 percent among American Indian/Alaskan Native women.

- Declines in cervical cancer screening varied from 82 percent among Black women to 92 percent among Asian Pacific Islander women.

In April, the number of screening tests for breast cancer declined in metro (86 percent), urban (88 percent) and rural (89 percent) areas compared to the respective five-year averages. The decline for cervical cancer screening tests was 85 percent and 82 percent for metro and rural areas, respectively, and 77 percent for urban areas.

Screening volumes had begun to recover in all groups by June 2020, the end of the observation period.

"CDC encourages health-care professionals to help minimize delays in testing by continuing routine cancer screening for women having symptoms or at high risk for breast or cervical cancer," said DeGross. "The Early Detection Program can help women overcome barriers to health equity by educating them about the importance of routine screening, addressing their concerns about COVID-19 transmission, and helping them to safely access screening through interventions like patient navigation."

For more information about the CDC's work on breast and cervical cancer, please visit www.cdc.gov/cancer/nbccedp/.

405 Freeway Construction Update

The Orange County Transportation Authority, in cooperation with Caltrans, is widening the San Diego Freeway (I-405) between SR-73 and I-605. The project is improving 16 miles of I-405 between the SR-73 freeway in Costa Mesa and I-605 near the Los Angeles County line. Construction updates are as follows:

Bolsa Avenue Demolition Activities

Crews are demolishing a portion of the Bolsa Avenue bridge as part of the freeway widening project. The second half of the bridge will be demolished under a full freeway closure set for 11 p.m., Saturday, July 10, to 8:30 a.m., Sunday, July 11.

Additional nighttime demolition will occur for several weeks under freeway lane closures. Some daytime demolition also is anticipated.

Northbound freeway lane closures are set for 9 p.m., Friday, July 9, to 8 a.m., Saturday, July 10.

Bolsa Chica Road Traffic Signal Work

Crews are installing the permanent traffic signal at the Bolsa Chica Road/Old Bolsa Chica Road intersection. This work will require intermittent lane reductions on Bolsa Chica. Activities include electrical, foundation, and concrete work.

Intermittent lane reductions began July 2 and will continue for about two weeks.

- Daytime work hours are 7 a.m.-4 p.m.
- Crews may mobilize equipment as early as 6 a.m.
- Nighttime work hours are 10 p.m.-5 a.m.

NB I-405 Loop Off-Ramp to Bolsa Avenue to Close

Crews have closed the northbound I-405 loop off-ramp to Bolsa for approximately three months to accommodate the freeway widening. It should reopen in mid-September.

SR-22 On-Ramp from Old Ranch Parkway Closed

The Old Ranch Parkway on-ramp to the westbound SR-22 closed April 13 for eight months to accommodate freeway widening.

Activities include demolition, excavation, grading, drainage and electrical system installation, concrete pours and asphalt paving.

Work hours are from 7 a.m.-4 p.m. Crews may mobilize equipment as early as 6 a.m. Nighttime work hours are 9 p.m.-6 a.m.

Almond Avenue Update

Demolition and reconstruction of the sound walls along Almond Avenue in College Park East are anticipated to start soon. Crews will install a temporary sound barrier prior to demolition.

Bolsa Chica Road

Continuation of pile driving for the Bolsa Chica bridge over I-405 along the center median and southbound I-405 at Bolsa Chica bridge. The work is ongoing 7 a.m.-4 p.m. on weekdays for approximately two months. Crews may mobilize equipment as early as 6 a.m., and some activities may occur from 9 p.m.-5 a.m. as needed.

Westminster Boulevard

Crews began working on the foundation of the retaining wall adjacent to Cascade Park along the southbound (SB) I-405 on-ramp from Westminster Boulevard. The foundation consists of approximately 80 cast-in-drilled-hole (CIDH) piles.

Work is ongoing from 7 a.m.-4 p.m. on weekdays, for approximately one month.

Crews may mobilize equipment as early as 6 a.m., and some activity may occur at night. Intermittent nighttime closures of the southbound I-405 on-ramp from Westminster may be required.

Additional construction activities including rebar, form and concrete activities are underway, and backfill and block wall installation is anticipated in July and August.

The 405 Community Outreach Team will provide detailed schedule information in future alerts.

Sign up for project-wide and bridge-specific construction alerts at bit.ly/405-signup. Email 405project@octa.net or call (888) 400-8994 for more information. The I-405 Improvement Project mobile app provides quick access to current traffic conditions, closures and detours, along with project updates and links to contact the project team. Download it from the Apple Store or Google Play.

I-405 Improvement Project automated call and text alerts will now start coming to subscribers from the I-405 Project Helpline number (888-400-8994.) This will allow people to leave messages if they have questions or concerns about the project.

LIVE DANCE BANDS

It's the weekend; live bands are back

Beginning July 18, the Weekend Live Band Dances are back in Leisure World clubhouses.

The Velvetones Ballroom Dance Orchestra is Leisure World's own professional big band, playing swing and jazz standards, music for dreaming and dancing.

The band is back to its normal venue at Clubhouse 4 on the first and third Sundays at 6 p.m., starting July 18.

Whether it be a well-known big band standard, contemporary jazz showcase, sentimental vocal ballad or a hard-swinging brass feature, the Velvetones provides a unique and complete package of musical entertainment.

Abilene will resume its regular monthly boot scootin' dance after the long pandemic-induced hiatus on Saturday, July 24, in Clubhouse 2, starting at 7 p.m. The doors open at 6:30, but reserving tables is prohibited.

Abilene is Leisure World's No. 1 country rock band, going strong for nearly 20 years. This year, it opened the Amphitheater season with a rockabilly show that drew nearly 2,000 fans. Terry Otte leads Abilene and shares singing duties with Tina Schaffer. Members include Rod Anderson on guitar, Jim Long on guitar synthesizer, Mike Simpson on bass and Jim Greer on drums.

Residents and friends can dance and party to the music of Abilene on the fourth Saturday of the month in Clubhouse 2. Come and see why Abilene is Leisure World's favorite band.

Cabaret Entertainers presents Vinyl Rock on Saturday, July 31, in Clubhouse 1 at 7 p.m.

Vinyl Rock is an Orange County-based band consisting of nine members who passionately perform classic rock, Motown and pop tunes primarily from the '60s, '70s and '80s.

The band keeps the audience engaged, inviting them to participate in sing-alongs and mingling with them on the dance floor. They'll have everyone smiling, singing, swinging and swaying to the songs they grew up listening to and easily recognize.

Vinyl Rock is sponsored by Cabaret Entertainers and is free to GRF members and their guests (over 18).

Leisure suits, Fu Manchu mustaches, mullets and big hair are welcome but not required.

Bathroom Accessibility Grant

The City of Seal Beach Bathroom Accessibility Program has been approved for another cycle of funding. Starting July 1, the city can spend nearly \$200,000 on grants to Leisure World residents for the Bathroom Accessibility Program.

For over 15 years, the City of Seal Beach has offered the Seal Beach Bathroom Accessibility Program to help residents modify their bathrooms. As of 2020, LWers with more than one bathroom are eligible. Furthermore, in special circumstances, a bench can be added to the fiberglass unit.

In the wake of COVID-19, the administration of this program has changed slightly. There will be no in-person workshops this year. Instead, individual appointments can be made via phone, FaceTime, Zoom or Google Hangouts to ask questions and get individualized advice on how to complete an application. Simply email monique@civictone.com for an appointment. People can also call (909) 364-9000, but email is preferred. All information is kept strictly confidential.

Any Leisure World resident who has trouble stepping into the shower for any reason is likely eligible for a free bathroom upgrade. The Leisure World Bathroom Accessibility Grant converts the tub/shower combination into a shower-only for safer access. The fiberglass is refinished to look like new, and a custom glass shower door enclosure is installed. Toilets can be replaced with high-boy models and grab bars may be added as needed.

The program is made possible through a grant from HUD, Orange County and the City of Seal Beach. To qualify, applicants must be over 55 years of age and have an annual income below: \$75,300 if you live alone or the limit is \$86,050 per year for a two person household. Savings do not disqualify you.

"Many residents get confused about the application process," said Monique Miner of CivicStone, which administers the program. CivicStone was hired by the City of Seal Beach 15 years ago to facilitate the bathroom grant program. "Residents don't realize you can have substantial savings and still qualify for the free upgrade. We are just a phone call away and can help residents apply for the completely free upgrade. But don't delay completing your application because funds are limited."

For more information, email monique@civictone.com or call (909) 364-9000.

Learn the best practices of estate planning

Drop off batteries behind CH 5, not at the shredding event

The Golden Age Foundation's (GAF) Battery collection buckets are now the behind Clubhouse 5 in the alley. Consumer batteries, including hearing aid batteries, are accepted for recycling. There will not be any opportunity to recycle old batteries at the shredding service event on Tuesday, July 13, as in the past.

The GAF Board decided to have a separate collection from the shredding service to avoid the risk of mixing of documents and batteries. LWers are asked to drop off small batteries to behind Clubhouse 5 in the orange buckets, which are picked up by an outside contractor. No printer cartridges will be accepted for donation.

The GAF is an independent nonprofit, 501(c) (3) charitable organization dedicated to serving the residents of Seal Beach Leisure World. Its purpose is to make the community a better place to live. The GAF was established in 1973 and is not affiliated with the Golden Rain Foundation.

All GAF programs are provided free to Leisure World shareholders. The GAF is entirely staffed by volunteers, so all contributions go directly to meeting community needs. The generous support of shareholders, residents, clubs organizations and businesses is the main source of income. GAF's programs and projects are made possible by the volunteer efforts of so many.

For more information, go to www.GoldenAgefdn.org or call Anna Derby at (562) 301-5339.

Paws, Claws and Beaks potluck is today

The Paws, Claws and Beaks club invites LW pet owners to its potluck barbecue today, July 8, in the Clubhouse 1 picnic area beginning at noon.

People may bring their pets in carriers or on 6-foot-long leashes, along with a side dish for eight people. There will be raffle prizes to win, so make sure to come with cash to support the Leisure World Pet Lovers' Club and enjoy the day with the club.

Everyone is required to sign in at the picnic. People are asked to RSVP to Bonnie Kaplan at (714) 930-5310 or crafft.kaplan029@gmail.com.

GAF volunteers will be at the drop-off center to receive residents' documents to be shredded.

GAF

Shredding service is next Tuesday, July 13

The next Golden Age Foundation (GAF) shredding service event will be held on Tuesday, July 13, in the Clubhouse 2 parking lot from 10 a.m.-noon.

This event will once again be drop-and-go only, with no waiting in line. The GAF is asking people to observe social distancing and to consider wearing face masks when they drop off their shredding materials.

The GAF would like to remind LWers of the following rules for the shredding service:

- Drop off shredding materials and leave.
- Materials should be dropped

off in a plastic or brown paper bag; cardboard boxes will not be accepted.

- Lines will not be allowed to form, and there will be no chairs for people to sit and wait for their documents to be shredded.

- GAF volunteers will guard bags until the shredding truck arrives to shred on-site.

- Remove staples and paper clips from all documents.

- No electronic devices will be accepted.

- Contaminated bags will be turned away.

The GAF is an independent, nonprofit, 501(c)3 charitable or-

ganization dedicated to serving the residents of Leisure World Seal Beach. Its purpose is to make the community a better place to live. The GAF was established in 1973 and is not affiliated with the Golden Rain Foundation.

GAF programs are provided free to Leisure World shareholders. It is entirely staffed by volunteers, so all contributions go directly to meeting community needs. Donations are welcome.

Those interested in receiving more information about the program or who need a mobility aid can call (562) 431-9589. Leave a message and a GAF phone volunteer will return your call.

The GAF was established in 1973 with a 501(c) (3) status. The Articles of Incorporation state that its purpose is to better the Leisure World community through its programs, aid, and activities. The GAF is run totally by donations of all kinds, such as monetary and volunteer time.

Tax volunteers who live outside of LW keep coming back for the people

by Diana Lambert
GAF Income Tax Chair

Editor's note: The last names in this article are protected due to AARP policies.

The Golden Age Foundation (GAF) has helped people prepare their tax returns for over 45 years in Leisure World. Currently, the program is sponsored by AARP Tax Aide. In addition to the Leisure World volunteers, some volunteers live outside the Leisure World gates. Here are three of their stories:

Ed H. has prepared taxes in Leisure World for three years. He responded to a flyer inside the monthly AARP magazine after he retired. He filled out an AARP volunteer questionnaire. After being contacted, he volunteered to prepare tax returns and the rest is history.

Ed was familiar with Leisure World because his wonderful, loving and caring in-laws lived here. His mother-in-law, Claire Hecht, previously volunteered in the LW

Friends of the Library Book Store. Ed volunteers at multiple AARP sites, but especially loves working at Leisure World because he feels the residents need the help. He enjoys meeting them and preparing their tax returns.

Marilyn L. has prepared tax returns for five years. While shopping at Ralph's, she met a former co-worker who was coordinating the tax program. She had recently retired and had been thinking about what kind of volunteer work she should pursue. She felt that this would be a great place to use her accounting background and it would be a great team to join.

"The IRS has always held a frightening place in so many peoples' minds that it's nice to put them at ease by preparing their tax returns," Marilyn said. "Even people who owe taxes are so appreciative to get this onerous task taken care of. The rewards

Ed H. and Kim N. are both dedicated tax return preparation volunteers who love coming to LW, despite not being residents themselves.

are many but the best one is the people I meet. Back in the day when we met face to face, it was always a pleasure to chat with people as I prepared their returns. You meet the most interesting people in LW with lots of interesting backgrounds."

Kim N. has been a tax volunteer for 15 years. She worked in Fountain Valley, Costa Mesa, and

Leisure World Seal Beach. She volunteered to help people and socialize with other volunteers and clients. She has enjoyed helping others.

This filing season was an especially challenging time. Over 500 residents benefitted from the dedication and efforts of all the volunteers, who selflessly gave their time to help taxpayers..

DEMOCRATIC CLUB

What to expect on the special election recall ballot

by Mary Larson
LW contributor

All Leisure World voters will want to be aware of two issues relating to the upcoming recall special election. The first is a bill passed by the California legislature and signed by the governor that could move the timing for this election to as early as August. In addition, voters will be faced with a proposition to be placed on the ballot by the Orange County Board of Supervisors. The 3-2 vote drew support from board Chairman Andrew Do (currently termed out in 2024), Lisa Bartlett (termed out in 2022) and Doug Chaffee (whose first term ends next year). It was opposed by Don Wagner (whose first full term ends in 2024) and Katrina Foley (who won a special election in March).

The title of the ballot proposition is “A Lifetime Ban After Three Terms in Office for Members of the Orange County Board of Supervisors.” That makes it sound as if a “yes” vote would

toughen limits. The wording is misleading. Political observers from both ends of the spectrum have said the proposal looks to them like a last-ditch effort by politicians hoping to extend their own careers.

Currently, Orange County board members are limited to two consecutive terms. They must then take a break before running again. The new proposition, if passed by the voters, would allow supervisors to serve three consecutive terms, after which they could not run again. However, the proposition as currently written may allow termed-out current board members to serve longer than three terms.

The proposed new rules would only apply going forward. This could be interpreted to mean that both current and past supervisors would be able to serve up to three more terms in addition to what they have already served.

The Orange County Register has taken a strong stand against the proposition, saying “if supervisors want to extend term

limits, they should have proposed a measure for future boards only and drafted a fair title.”

During its June 22 meeting, the county board of supervisors also kicked off the official County redistricting process with a public hearing. The Democratic Club will report on that hearing as soon as the information is released. The District 2 Supervisor Katrina Foley feels every resident of the county, which includes LW, should have a voice in this process. She will announce five public meetings for the district in the coming weeks. Visit <https://cob.ocgov.com/2021-redistricting> for the latest information on redistricting.

The Democratic Club’s voter service center booth outside Clubhouse 6 is open every Tuesday from 10:30 a.m.-12:30 p.m. Voter registration forms, membership applications, club newsletters, brochures and other resource materials are available at the booth.

REPUBLICAN CLUB

Election Integrity Project will be featured in next meeting

by Brian Harmon
LW contributor

Election Integrity Project, California (EIPCa) will be featured in the regular monthly GOP club meeting on Wednesday, July 21, at 7 p.m. in Clubhouse 3, Room 2. The Election Integrity Project is a non-profit, non-partisan group working to make sure that “every lawfully cast vote is accurately counted.”

In December 2017, EIPCa filed a civil lawsuit, in partnership with Judicial Watch, charging that the California Secretary of State and the Registrar in Los Angeles County were not updating voter lists as required by the National Voter Registration Act.

The lawsuit alleged that LA County had a voter registration rate equal to 112 percent of the adult population, and the rate was about 101 percent for California as a whole. The lawsuit also alleged that 11 of California’s 58 counties had more registered voters than adult citizens.

In January 2019, one year later, California and LA County

Republican Club members listen to Club President David Harlow in the first in-person meeting since the pandemic.

entered into a settlement agreement saying they would remove upward of 1.2 million voters from registration rolls. However, according to a recent update on its website, EIPCa reports that LA County appears to have not removed anyone from voter rolls since the settlement.

EIPCa also notes, “The Census Bureau reports that the mobility rate is 12 percent (per year) for residents in Los Angeles County.” This means that each year, on the average, 12 percent of LA County residents leave the county or move to another place within it.

Focusing on LW, club president David Harlow said, “As far as the past election is concerned, I think we should just move on. The 2020 election is over; that’s it. The issues going forward are the recall and the HR1 bill (also known as For the People Act). This is a terrible bill that would remove most of the safeguards that are currently in place to prevent voter fraud and would override the current election laws in every state.”

Harlow said, “Proponents

argue that HR1 will allow disenfranchised voters to participate by requiring that every registered voter must receive a ballot in the mail, and removing impediments such as voters having to register beforehand or, in some states, submit voter ID,” he added.

The Republican Club booth is open on the first Monday of each month from 11 a.m.-2 p.m. outside Clubhouse 6.

Anyone who wants to be added to the club membership roster or to receive more information can send an email to dharlow50@aol.com or call (714) 928-1950.

Members will be emailed an agenda and minutes for each meeting and other information deemed necessary and/or appropriate by the president.

Club members are encouraged to send their opinions on public issues or ideas about what the club should be doing. To do so, call or text (714) 928-1950. Those who do not want their name, ideas, or opinions to be made public should so indicate.

Mutual 7 Picnic

Mutual 7 will host its annual picnic on Saturday, June 10, starting at 11:30 a.m. in the picnic area of Clubhouse 1. Bingo will be played following lunch.

Mutual leadership will bring hot dogs, buns, condiments, paper goods, plastic cutlery and water. Residents are asked to bring a potluck dish for 8-10 people to share. People can bring a salad, fruit, picnic dishes or dessert.

Residents are also asked to bring an unwrapped “white elephant” gift item to the picnic.

To RSVP, call Carol Rasmussen at (562) 594-4139.

Chinese Friendship Club

The Chinese Friendship Club meets every Thursday at 1p.m. in Clubhouse 3, Room 1. During the meetings the group plays games and gets to know each other better. There will be no refreshments served at the meetings.

Everyone is welcome to join the meeting. The club does not charge membership fees in order to join. Call club president Stella Huang at (562) 588-3014 for more information.

American Latino Club

The American Latino Club will open its doors today, July 8, in Clubhouse 3, Room 2, at 11:30 a.m.

Members are asked to call if they intend to come, as there is a maximum limit of 85 people at a time in the room. This way, the club can add any new people who want to become members.

Current members will have until Aug. 12 to let club leaders know if they intend to continue membership. The club will begin accepting new members in August.

The club will celebrate the birthdays of club president Maria Rodriguez and treasurer Carmen Edwards at its July 8 meeting. This celebration is exclusively for members of the club. Members will receive a slice of pizza with a cup of lemonade or coffee, along with ice cream and cake for dessert.

For reservations, call Rodriguez at (562) 430-3405 or Edwards at (562) 431-4257.

Italian American Club

The first meeting of the Italian-American Club will be Wednesday, July 21, at 2 p.m. in Clubhouse 3, Room 2. Returning members should note on their calendars that this is a new day, time and place. All Leisure World residents are welcome.

Anna Derby wraps her growing corn in cotton to prevent it from being eaten by birds or animals.

Mini Farm

Mutual 5 resident Anna Derby finds joy working in her Mini Farm plot. When she decided to grow her own corn, she wasn’t sure how it would work out since she hadn’t grown it before. Corn was one of her favorite foods while she grew up in South Korea, and it’s still one of her favorites today.

She saw corn transplants at the nursery in February. To take a chance and try something different, she brought home and planted six stalks in her Mini Farm.

After over four months of TLC, Derby began to see the corn grow by one. One day while tending those vegetables, a neighboring mini farmer gave her a surprising but helpful piece of advice. In order to avoid losing her growing corn to birds and other animals, Derby would need to wrap each ear of corn with cotton-like fabric.

Derby enlisted the help of her Mutual 11 friend Pat Erickson, who is a master in making anything with fabric. Erickson made close to 20 cotton pockets for Derby’s corn. Hopefully, these pockets will protect birds or animals until the corn is ready for harvest.

Besides the ears of corn, Derby also has tomatoes, green onions, Korean peppers, sesame seeds and spinach. No matter what happens, she still enjoys learning about and tending the vegetables in her Mini Farm plot.

Mutual 2's directors gathered to honor Lorna Lass (center, in black jacket), who has tended to the succulent garden since helping to start it eight years ago.

Quiet nature-lover's longtime efforts recognized

by Patty Marsters
pattym@lwsb.com

Eight years ago, Lorna Lass and two other Mutual 2 residents began to turn an unused area next to Carport 37 into something beautiful. "At the time, my husband was in a nursing home," Lass recalled. "This was good for my mental health; it was good for me physically and emotionally."

Though the others are gone, Lass continues to cultivate the succulent garden, stopping by daily with a gallon jug filled with water. People donate cuttings and leave little treasures, such as little rabbit statues that are now hidden among the plants. A rockhound, Lass brings the stones. "There's no budget," she explains. "This isn't an extra expense for the Mutual."

"I can't always use everything that's donated," Lass continues. "People just leave things here, and I try to integrate them."

Under the shade of the big tree in the middle of the garden are two benches. GRF staff members have been spotted enjoying lunch there. "I've seen people sitting on that bench, waiting for the bus," says Mutual 2 President Peggy Keller.

The money for the benches came from a fundraising party Lass and former resident Marguerite Barr held. "Most of this was started by Marguerite," Lass humbly says. "It's a community endeavor."

But her labors were recognized by her neighbors on June 30, when the directors of Mutual 2 hosted a dedication to what's now officially Lorna's Garden.

"Chris Abel had the sign made," said Debby Cobb, chair of the Mutual's landscaping committee. "We wanted to recognize all that Lorna's done to help beautify our Mutual."

At the dedication, Cobb described Lass as quiet but loved by her community. "We're so appreciative of her volunteer efforts," said Debby Cobb, chair of the Mutual's landscaping committee.

"Everyone knows what you do," chimed in Dave Mueller. "They don't attend meetings or anything else, but they know all you do."

The self-described nature-lover doesn't just nature her namesake garden; as she visits the other gardens of her Mutual, she'll stop to pull weeds or water plants. But the succulents behind Carport 37 are her main spot.

"When people come by and say, 'Thank you,'" Lass says, "that really makes it all worthwhile."

Community Karaoke

Everyone wants to sing now that the COVID shutdowns are done, and Community Karaoke Club provides a happy place where people can do that. On June 30, 40 singers were appreciated—and they loved the audience right back. And each week, a newcomer like Keith Clausen arrives to bravely take the stage.

Some folks like to harmonize while singing a duet, and there are always familiar songs by Elvis. Some people pore over the karaoke song books, searching for a familiar old Ricky Nelson hit, a romantic ballad, or a Jim Reeves country-and-western number. These books contain more than 22,000 selections, ranging from gospel and show tunes to Christmas-, Hawaiian-, Irish- and patriotic-themed songs, as well as popular numbers from hundreds of artists.

The Community Karaoke Club in LW began around 1994. Paul Salay kept it alive and well for many years before passing the mic to Walt Bier and Margie Thompson, who now host the fun every Wednesday beginning at 5:30 p.m. in Clubhouse 1.

Practice sessions are held on Mondays from 1-3 p.m. on the Amphitheater stage.

Saturday LW Bunco

The winners from the club's June 26 meeting include:

Most Buncos: Dolores Ruiz and Rose Sprague

Most Bins: Laura Grier, Mary Milhorne, Dina Navarro, Wilma Rojo and Kathy Russell

Most Babies: Joyce Ingram

Most Losses: Rita Fuego

Door Prize: Barbara Robarge

The club meets the second and fourth Saturdays of the month. The next meeting will be July 10 in the Clubhouse 3 Lobby. Sign-ups begin at 1 p.m.; because of the demand for tables, a 12:30 p.m. arrival is advised. Play begins at 2 p.m.

For more information, call Doris Dack at (714) 356-0443.

Coin Club

After five meetings "on the green" during the pandemic, the Coin Club returns to Clubhouse 4, Room 2, on Wednesday, July 14, at 1:30 p.m. This "ground-breaking" meeting will include a demonstration on coin cleaning, something the club's old-timers have been warned against for years. The demonstrator will explain new, recognized methods to remove grit and grime from old coins without destroying their value. Most coins can be cleaned for around \$10 apiece. Visitors are always welcome, and club members will try to answer any questions about the value of old coins.

Photo Arts Club

The Photo Arts Club will meet on Thursday, July 8, at 1:30 p.m. in Clubhouse 3, Room 5. The club will review the changes in procedures as a result of the new GRF Art Display Policy and make plans for future programs. Members, both new and old, are asked to bring a photo taken during the past year, mounted in a 16-by-20-inch mat or same size black frame, to share. Call Regine Schumacher at (562) 430-7978 with any questions.

Pinochle Club

The Leisure World Pinochle Club plays Mondays and Thursdays in Clubhouse 1. The official start time is 1 p.m., but the action begins earlier with table set-ups, and there's usually a pregame for 25 cents. Four games of four separate hands of pinochle are played, then the winning partners change tables until each person has played a hand 16 times.

Attendees pay \$2 to play for the day, and the winnings are paid to first through fourth place.

Coffee and tea are available, and the club officers often provide a full meal once per month. There are occasional potlucks to celebrate a holiday; in the summer, there's a luau.

The Pinochle Club has existed for 60 years, and one of its main attractions is the social interaction. "Most of the friends I have in Leisure World, our friendship started at the pinochle table," says Marge Doderro, who has lived at LWSB for 23 years.

Anyone interested in learning the game can contact Doderro at (310) 968-9509.

LW Scrabble Club

The Leisure World Scrabble Club meets in Clubhouse 3, Room 5, on Wednesdays at 1 p.m. New members are welcome.

During the three meetings in June, seven members had at least one score above 300, and there were five bingos (e.g., the use of all seven tiles at once). Larry Edgar posted seven scores above 300, with a high of 471 points and one bingo. Suthy Choeuy had five 300-plus games, a high of 414 and three bingos. Maria Giegerich had three scores above 300, a high of 324 and one bingo. Mary Hobbs scored above 300 three times; her top score was 381. Marilyn Moody exceeded 300 in three games, with a high of 346. Flo Nesland topped 300 in two games, once with a score of 357. Wanda Bemben's high score was a 383.

Hui O Hula celebrate the good times, spread aloha

Hui O Hula enjoyed a couple of fun performances last week, including a potluck picnic organized by Mutual 16 directors and a birthday celebration hosted in Mutual 7 by Marie Alea for Joan Perry of Mutual 9. “Such good times for our hula group, as we have more opportunities now to spread some aloha inside and outside our community,” said Kaye Huff.

Hula classes are every Tuesday upstairs in Clubhouse 6. Basic steps are taught at 1 p.m.; the band joins in at 1:30 for all students, new and advanced. Dancers should wear socks or soft slipper shoes—or go barefoot.

Today’s class at Veterans Plaza is canceled, but it will resume next Thursday, July 15, at 1:30 p.m. For more class information, call (562) 431-2242.

Chess Club

This week’s puzzle is checkmate in three moves. White moves first. Any answer by Black, and White’s third move is checkmate.

The White queen moves from g6 to h7. Then Black king moves to h7, White knight to g5, then Black king to h8. White’s next move is checkmate.

Chess partners are available when the LW Chess Club meets on Fridays from 2-6 p.m. in Clubhouse 3, Room 7. Beginners are welcome for a free lesson.

Men’s Monday and Wednesday Golf League Results

Twelve of Leisure World’s Men’s League golfers competed on June 28 at the par-70, 6,000-yard Willowick Golf Course. It was a beautiful morning with temperatures in the low 70s. Willowick is fairly flat but long; there are no water hazards, but several sand traps are yawning chasms in front of more than a few small greens.

This week, the greens were again in excellent condition, but the fairways are still very uneven, with numerous wet and muddy spots. With the average course conditions and little wind, the golfers delivered only six rounds at or under par, but there were seven birdies.

A Flight handicap is 0-20; B Flight is over 20. All scores are net.

A Flight Winners: First place: Fujio Norihiro, 2 under 68; second: Sam Choi, 1 under 69; third: Larry Hillhouse, even par 70; fourth: tie between Dave LaCascia and Jim Goltra; fifth: Bill McKusky; sixth: Gary Stivers. Norihiro, Choi, Hillhouse and LaCascia each had a birdie. Norihiro also had fewest putts, and Hillhouse was closest to the pin on the 140-yard, par-3 12th hole.

B Flight Winners: First place: Ron Sommers, an excellent 8 under 62; second: Gene Vesely, a nice 4 under 66; third: Lowell Goltra, even par 70; fourth: tie

between Mike Looney and Bob Munn. Munn had two birdies, and Looney had one. Lowell Goltra had fewest putts, and Sommers was closest to the pin on the 140-yard, par-3 fourth hole.

On July 2, the Meadowlark Golf Club in Huntington Beach hosted 15 men and one woman. Meadowlark is a par-70, 5,800-yard course that has significant elevation changes on the back nine, with shrewdly placed sand traps and numerous water hazards. The greens and fairways were in great condition; at tee time, the day was cool, with no wind. With the great playing conditions, the golfers attacked the course but generated only five at- or under-par rounds. There were four birdies, and Hillhouse produced a rare chip-in eagle on the 228-yard, par-4 fourth hole.

A Flight Winners: First place: Choi, 3 under 67, second: tie between Hillhouse, Jim Goltra and Norihiro, 2 under 68; third: Bill McKusky, 1 over 71; fourth: Tim Looney; fifth: Ron Jackson; sixth: Stivers. Hillhouse, McKusky and Tim Looney each had a birdie. Jim Goltra was closest to the pin on the 140-yard, par-3 16th hole, and Norihiro was closest on the 140-yard, par-3 seventh hole. Jackson had fewest putts.

B Flight Winners: First place:

tie between Vesely and Sommers, an excellent 5 under 65; second: Liz Meripol, 2 over 72; third: Munn; fourth: Mike Looney; fifth: Tom Ross. Vesely had fewest putts and a birdie.

Friends, ladies, spouses and family are all welcome to play and/or join. The league plays at four local courses, all within 15 minutes of Leisure World, and all are always quite full, so advance league reservations are becoming the norm, with a sign-up sheet available at each round. If interested, contact Gary Stivers at (714) 313-3697 or Dave LaCascia at (801) 674-5975.

Golfers enjoy tournament, picnic

The second Leisure World Guys & Gals Tournament of the month was played on the Turtle Lake Golf Course on June 30 and was followed by a picnic at the Clubhouse 1 picnic area. There were numerous raffles of Roger Dunn discount cards, plus golf balls and hats provided by United Healthcare and Optum. A good time was had by all. Eighty-five golfers and family members enjoyed a delightful feast of grilled hamburgers and hot dogs, potato salad, coleslaw, beer, soda, wine and water. Dessert was apple pie and cupcakes.

In the tournament, three flights of a one-man-and-one-woman teams participated for best net scores, four circle holes (within a 5-foot circle) and two closest-to-the-pin challenges. A total of 32 teams of golfers competed through the early morning and into the afternoon. At the initial 7:30 a.m. tee time, the weather was overcast, cool and windless. Only 1 of the 32 rounds was net above par. Bill Long recorded a Hole-In-One—his second this year and on the same hole.

The greens and course fairways remain in very good condition, with the wet and muddy spots mainly gone. However, the tee boxes are still in poor shape, with very low growth and many bald spots.

The golfers extend a special thanks to the Starters, who are a big help in keeping the various ladies’ and men’s tournaments on time and running smoothly.

A Flight encompasses golfers with handicaps of 0-10; B Flight is handicaps of 11-13; and C Flight is handicaps of 14-18. All scores below are net (gross score

minus handicap).

A Flight Winners: First place: Young Lee and Hae Lee, a terrific 10 under 44; second: Bill Lyons and Pam Krug, a nice 8 under 46; third: tie between Jay Kim and Myung Kim and Bill Long and Janice Turner, 6 under 48; fourth: tie between Glen Barry and Karen Mendon, Dale Williamson and Mary Grieg, and Paul Alloway and Ann Tran, 5 under 49.

B Flight Winners: First place: Won Lee and Mimi Lee, a remarkable 12 under 42; second: Dave LaCascia and Liz Meripol, a super 10 under 44; third: tie between Walt Bier and Margie Thompson and James Farr and Sandy Derouin, a grand 7 under 47; fourth: Won Song and Jane Song, a marvelous 6 under 48.

C Flight Winners: First place: tie between James Choi and Grace Choi and Bruce Bowles and Patty Littrell, a lovely 10 under 44; second: Ron Jackson and Dale Quinn, an excellent 9 under 45; third: tie between Tri Nguyen and Laura Garcia, Marv Jones and Marilyn Hewitt, and Hyun Lee and Hi Lee, a fine 7 under 47; fourth: tie between Lee Broadbent and Joann Lim and Ken Notorleva and Alison Kim, 6 under 48.

Closest to the pin on the par-3 eighth hole was Tri Nguyen and Linda Herman. On the par 3 17th hole, Dave LaCascia was closest for the men and Liz Meripol for the ladies. There were also eight circle hole winners.

The next Guys & Gals Tournament will be on July 21. If you are scheduled to play and cannot, contact Alan Sewell at (541) 324-8558 or Dave LaCascia at (801) 674-5975 as soon as you know.

Religion

First Christian Church

First Christian Church of Leisure World teaches from God's word, the Holy Bible, most often verse by verse. It is a friendly church that welcomes all visitors.

The Message

The writings of the apostle Peter continue in book of Second Peter. This epistle was written in 66 AD, shortly before Peter's martyrdom. It is Peter's final word to believers before his death by crucifixion. The subject matter of his second letter shifts from the message of hope for believers during times of suffering in his first epistle, to the approaching apostasy of the church. Peter was writing to expose, stop and defeat false teachers. This letter is his instructions on how to prepare for these false teachers, and the eventual apostasy.

Bruce Humes

Scripture of the Week

This well-known verse is repeated in several books of the Old Testament over a long time span, which means this repeated verse was taught and familiar from generation to generation.

"The fear of the Lord is the beginning of wisdom" (Psalm 111:10, NASB).

Services

Saturday and Sunday services have the same message given by Pastor Bruce Humes. Sunday is a traditional service, with hymnal music provided by Pat Kogok at the piano. Janet Ray will sing a special hymn this week. Sunday service is from 9:30-10:45 a.m.

Saturday services are more contemporary, with Gregory Black leading worship with guitar accompaniment. Saturday service time is 9:30-10:45 a.m.

The Friday evening prayer meeting is from 6-7.

Announcements

The state of California has lifted the COVID-19 restrictions with respect to churches. However, since Leisure World is a vulnerable community of residents, First Christian asks for those experiencing any COVID-19, flu or cold symptoms to stay home.

Those who want to speak to someone at the church can call (562) 431-8810 and leave a message. The church is located on Northwood Road, behind Carport 125.

Redeemer Lutheran

Join Redeemer Lutheran Church for worship and fellowship at 13564 Saint Andrews Drive this Sunday, July 11, as the congregation considers the Letter to the Ephesians.

The main service, with Communion and a choir, is held inside the sanctuary at 10:30 a.m.

Dee Sessa and Maria Swift are this week's ushers, and Carol Costello and Beverly Anderson will lead the prayers and scriptural readings. Organist Sharon Heck and choir will offer inspirational music and hymns.

Need a spiritual lift in the middle of the week?

The midweek Bible study, led by Pastor Lynda Elmer, is held each Wednesday at 10:30 a.m.

A prayer-filled service with reflection and Communion is held at 11:30 a.m. in the chapel in the sanctuary.

Those who are in pastoral need can call (562) 598-8697.

Beit HaLev

Beit HaLev is currently on hiatus due to Rabbi Galit-Shirah's health concerns. The online Zoom and Facebook services will begin around the end of July.

In the meantime, Beit HaLev has sent out membership forms via email to those currently on its email list. Beit HaLev's future, as always, is changing. For the first time in a few years, Beit HaLev will hold live, in-person services for the High Holy Days and once-a-month Friday night Shabbat services.

Beit HaLev is a Jewish Universalist community. It is progressive in thought and traditional in liturgy. Each service is joyous, meaningful and musical. Beit HaLev welcomes everyone who seeks a path to the Divine and doesn't believe in labels.

To learn more about Beit HaLev and how to be a part of the community, call Rabbi Galit-Shirah at (562) 715-0888 or email duets@icloud.com.

Christian Fellowship and Fun Club

The Christian Fellowship and Fun Club meets for a potluck the fourth Tuesday of the month in Clubhouse 4 at 6 p.m.

The club does not meet in July, August or December. The next meeting will be in September.

All are welcome to join. There are no membership fees. For more information, call (562) 455-6218.

LW Baptist

LWers are welcome to join the LW Baptist Church family worship service starting at 9:45 a.m. on Sunday, June 11.

Light or darkness, formal or heart-religion is the theme in Luke 11:29-54. Jesus addresses questions about sign-seeking, spiritual enlightenment, ritualism or ceremonialism, and fault-finding. The congregation will sing "The Light of the World is Jesus."

This month, the choir brings patriotic songs that trace the country's faith legacy. The Lord's Supper is the first Sunday of each month. For more information about the church, call (562) 430-2920.

Faith Christian Assembly

"Every great movement of God can be traced to a kneeling figure." D.L. Moody, the great preacher and evangelist famously said these words that continue to inspire today. Faith Christian Assembly believes in the power of prayer. The welcoming and friendly group gathers to pray each Sunday at 5 p.m. prior to the 5:30 p.m. celebration service. All are welcome to attend.

Pastor Sheri Leming will lead prayer and teach at the celebration service.

Sunday morning service is at 10:30 and the midweek Bible study is on Wednesdays at 11 a.m. Both are taught by Pastor Sheri Leming. GriefShare: weekly meetings are on Wednesdays at 5:30 p.m.

For more information on the church or to receive a free newsletter, call (562) 598-9010, email contact@fcachurch.net or visit www.FCAchurch.net.

Community Church

Over the years the world has become more personalized and media consumption more selective. People tend to only hear what they believe it is their right to believe when that belief comes up against cold, hard facts.

Facts in this day and age can be difficult to come by, especially when things are described in language based on feelings. However, a person's understanding should be constantly evolving.

There is something to be said for facts and truth, especially when it is difficult to hear them. In this week's message based in the Gospel of Mark, Community Church will see the lengths humans will go to avoid the truth.

Community Church is a place where everything is designed with the first-time participant in mind. Those who have not felt welcome in church or have never participated in church before are welcome to join.

As Orange County continues to emerge from the pandemic, Community Church invites everyone to participate based on their personal comfort either virtually on Zoom and Facebook or in person for those who are vaccinated.

The sanctuary is open for those who are vaccinated and those who either cannot come physically or are on vacation can join virtually on Facebook.

The Delta variant of the coronavirus has been confirmed in Long Beach, which means it could also turn up in Seal Beach. Current guidance is to wear masks while indoors, regardless of vaccination status. Those who are vaccinated are welcome to join Community Church services in person.

Those who missed last week's message can find it on Facebook.

Those who are in need of assistance without another way to receive it can leave a message on the phone system at (562) 431-2503 or email leisurewccsue@yahoo.com.

Obituary Notices (562) 430-0534

HOLY FAMILY CATHOLIC CHURCH

Father Joseph Son Nguyen to succeed Father Caboboy

Father Joseph Son Nguyen has been named to succeed Fr. Juan Caboboy at Holy Family Parish, where he feels close to home.

Father Joseph grew up in west-central Orange County, California, and graduated valedictorian from La Quinta High School in Westminster in 1981. In college he received the invitation to priestly formation by the first Bishop of the Diocese of Orange William Johnson, and went on to receive a bachelor's in liberal studies (philosophy, psychology and music). He also received a master's in divinity degree and a master's in religion from St. John's College/Seminary in Camarillo.

Father Joseph was ordained a priest for the Diocese of Orange

in 1989. He then served the parishes of Holy Spirit in Fountain Valley, St. Boniface in Anaheim, St. Nicholas in Laguna Woods, St. Mary's in Fullerton and St. Irenaeus in Cypress. He became the final pastor of Our Lady of Lourdes Church in Santa Ana in 2004, and then became the founding pastor of Our Lady of La Vang Church in Santa Ana in 2006.

In 2004, while serving the Diocese of Orange under Bishop Todd Brown, Father Joseph earned a doctorate in moral theology, specializing in bio-medical ethics, from Santa Clara University's Jesuit School of Theology. He continued post-doctorate studies at St. Joseph Hospital's Clinical Pastoral Education and became

a board-certified chaplain. From 2009-2018 he taught medical ethics while leading the spiritual care service at the University of California, Irvine, School of Medicine & Medical Center.

Father Joseph is fond of nature and gardening, loves life and tinkers with everything. He enjoys the arts, plays musical instruments and studies languages. Along the way, he has been a musician, custodian, photographer, newsletter editor, machinist, city yard worker and chamber of commerce administrative assistant. There is nothing he loves more than to be a priest of Christ, serving God's people. His main goal is to help people come to a loving relationship with Jesus Christ.

Assembly of God

The second part of Pastor Chuck Franco's sermon titled "The Bridge of Destiny," from Hebrews 6:4-20, illustrates what benefit is in store for those who pursue the things God has destined for them to do as they walk into spiritual maturity.

LW Assembly of God meets at 10:30 a.m. every Sunday in Clubhouse 3, Room 2. The worship style is joyfully traditional. The Wednesday Bible study group meets at 10 a.m. in the same location and is working through

1 Peter, offering "A Journey into Hope: When Life Gets Tough."

The hymn sing will resume on Sunday, July 18, at 6 p.m. This is an open, interdenominational celebration of Assembly of God's shared musical heritage and fellowship.

Leisure World Assembly of God exists to love people unconditionally, worship God wholeheartedly, act compassionately and grow continually. Those who have questions about the church or need counseling or prayer can

call Pastor Chuck at (562) 357-4360 or email lwagpastorc@gmail.com. People can also reach out to the prayer team leader Carolyn VanAalst at (562) 343-8424.

LEARNING CENTER

NOCE in-person classes to resume in the fall at CH 3

Preparations are underway for in-person NOCE classes to return to Leisure World this fall.

Those who were previously enrolled in Leisure World NOCE—classes either in person or online—will need their banner ID to apply for classes this fall. People who do not know their banner ID may stop by the Leisure World Library and staff will retrieve it for them. A government-issued ID or driver's license will be needed to confirm identity.

People attending NOCE classes for the first time will need to obtain a banner ID to apply for classes this fall. Apply at <https://www.noce.edu/admission-records/starting/new-students/>.

Once the application is approved, students will be emailed a banner ID. This process may take up to two business days.

The LW Library plans to offer on-site banner ID applications to new students, but to minimize potential wait times and ensure a smooth experience, people should obtain a banner ID in advance if possible.

Those who do not have access to a computer to fill out the banner ID application may visit the LW Library and use one of its computers to apply.

Staff can help people navigate the website to enter required information. Staff will be on hand to troubleshoot any problems people may encounter. A personal email address is needed to apply.

To speak to a NOCE staff member regarding an application or for more information, call (714) 808-4679.

Once residents have their banner ID, they are ready for registration when it starts in the fall.

The LW Library is open Monday-Saturday from 9:30 a.m.-3:30 p.m.

FAIR from page 11

for unvaccinated guests.

Tickets are \$12 weekday general admission (Wednesday, Thursday) and \$14 weekend general admission (Friday, Saturday, Sunday). Admission for seniors (60-plus) and youth (ages 6-12) is \$7 every day, and children 5 and younger are free.

The 2021 OC Fair mobile app is coming soon and will have information on daily activities as well as a map, news, information and tickets.

The Fair will open each day at 10 a.m. and close at 11 p.m. on Wednesdays and Thursdays and midnight on weekends.

General parking is still \$10, \$20 for buses and limos, credit card only. The free shuttle from Experian and OCTA's OC Fair Express bus service will not be available this year. Carnival tickets are also on sale now so fairgoers can skip the ticket booths. Carnival tickets are also available on the RCS Fun app.

It will be a different OC Fair for guests to explore. With a limited capacity of about 45,000 fairgoers each day, the event is designed to give visitors more elbow room and will have a reduced number of attractions. The OC Fair follows state and county health directives. Masks are required for unvaccinated guests inside OC Fair buildings.

More information is at ocfair.com/thefair.

OC Fair & Event Center, 88 Fair Drive in Costa Mesa, is home to the annual OC Fair. Year-round attractions include Centennial Farm, Table of Dignity, Heroes Hall and Pacific Amphitheatre. OC Fair & Event Center also hosts year-round events. For more information, visit ocfair.com.

The Basic Rules of Sudoku:
• There is only one valid solution to each Sudoku puzzle. The only way the puzzle can be considered solved correctly is when all 81 boxes contain numbers and the other Sudoku rules have been followed.
• When you start a game of Sudoku, some blocks will be pre-filled for you. You cannot change these numbers in the course of the game.
• Each column must contain all of the numbers 1 through 9 and no two numbers in the same column of a Sudoku puzzle can be the same.
• Each row must contain all of the numbers 1 through 9 and no two numbers in the same row of a Sudoku puzzle can be the same.
• Each block must contain all of the numbers 1 through 9 and no two numbers in the same block of a Sudoku puzzle can be the same.
