Seal Beach City Council Member Sandra Massa-Lavitt (l-r) with Paul Pratt, chair of the GRF Security, Bus and Traffic Committee; City Council Member Thomas Moore; and GRF President Susan Hopewell at the Seal Beach Pier to mark the shuttle’s inaugural trip on July 12.

SB SENIOR TRANSPORTATION

Hop the shuttle to the pier, Rossmoor

About 600,000 older adults stop driving each year, according to the National Association of Area Agencies on Aging.

That can make it harder for people to get to doctor’s appointments, shop for necessities, visit family or attend social events. And that increases isolation, negatively affecting health and well-being.

Free and accessible transportation can be one of the biggest boosters of independent living for older people.

And Seal Beach, working with the GRF, has resumed shuttle bus service to help area seniors thrive.

On Monday at 9 a.m., the popular Senior Transportation Shuttle Service headed down Main Street on its inaugural excursion.

A bevy of officials, including Seal Beach Council members representing Leisure World and GRF leaders, met at the Seal Beach Pier to see off the shiny new shuttle bus.

Service is provided five days a week, stopping at the Seal Beach Pier/Old Town area, Leisure World and the Rossmoor Shopping Center/North Seal Beach Community Center.

The route map and schedule can be found at the city’s website www.sealbeachca.gov; click the “Senior Resources” button (see the LW Weekly, July 8 edition, for a printed version of the map and pick-up and drop-off points).

The shuttle is in service Monday-Friday, 9-11 a.m. and noon-4 p.m.

The city also offers a Dial-a-Ride (Yellow Cab) service, operating concurrently with the shuttle service.

Dial-a-Ride reservations must be

made a minimum of 24 hours in advance by calling (877) 224-8294. The hours of operation are Monday-Friday, 7:30 a.m.- 5 p.m.

To qualify for this service, users must be Seal Beach residents aged 60 and over. Only registered users can use the fixed-route shuttle and Dial-a-Ride service.

People will need a photo ID showing proof of Seal Beach residency and date of birth. This identification can be a California driver’s license or ID card, or a Golden Rain Foundation ID card.

To register, visit the city’s website at www.sealbeachca.gov, stop by City Hall or contact the following staff members:

- Anthony Nguyen, anguyen@sealbeach.gov, (562) 431-2527, ext. 1344.
- Iris Lee, ilee@sealbeachca.gov, (562) 431-2527, ext. 1322.

POOL NEWS

City of Seal Beach issues final pool permits, OCHCA’s coming soon

Palms were planted on the pool grounds in May.

The City of Seal Beach has approved the permit for the LW pool and spa facility, and plumbing in the rough has been completed in the shower rooms. Approvals from the Orange County Health Care Agency (OCHCA) are in progress and expected back this week, according to the GRF Physical Property Department.

Once the final permits are received, work will begin in earnest. Meanwhile, soils compaction is now complete. That means the hole that will become the pool has been lined with a special geotextile soil cloth, in keeping with soils engineers’ recommendations. Crews filled the hole with gravel and dirt, then compacted the ground for grading. The contractor is now setting the pool forms.

The facility’s roof replacement is scheduled to start at the end of July, and pool equipment is on order.

The pool has been closed since November 2019, when potentially catastrophic

SBPD

K-9 unit has been added to police ranks

The Seal Beach Police Department (SBPD) has introduced a four-legged member to its ranks with a new police canine unit. For the first time in almost 40 years, SBPD will have its very own police K-9 unit helping to protect the community. "A police K-9 is an incredibly important tool that we can use to address crime in Seal Beach," said Chief of Police Philip L. Gonshak. "The police service dog is a force multiplier and is instrumental in building searches, article searches and apprehensions."

The last official SBPD K-9 unit went into service and ended in the mid-1980s. Since then, the SBPD has relied on neighboring police departments to provide K-9 services when needed. By re-implementing a K-9 program within the SBPD, response times where a K-9 was needed before will be reduced.

In turn, this will allow officers to get back into service and be available for other emergency calls.

Officer Victor Ruiz and K-9 Saurus

In 2020, the Seal Beach Police Department took steps to reestablish the K-9 Unit by selecting its first K-9 handler, Officer Victor Ruiz. Ruiz has been a police officer for nearly eight years, three of which have been with the Seal

Officer Victor Ruiz and K-9 Saurus

Beach Police Department. Ruiz holds a bachelor's degree from California State University, Fullerton, and lives locally with his wife and young son. His new partner is Saurus, a 14-month-old German Shepherd. Saurus was trained by Gold

Coast K9 located in Ventura. Ruiz and Saurus spent several weeks in training, where they learned to conduct building searches, apprehend fleeing felons and assist in overcoming the resistance of violent subjects.

Protect Your Pipes

The Golden Rain Foundation is calling upon every member to help keep the sewer lines in Leisure World clear of non-flushable or grindable items (garbage disposal) to ensure a stoppage-free sewer system.

Toilet

There has been an uptick in reports of stopped-up pipes due to people disposing of non-flushable items down the toilet, according to Service Maintenance. Materials that do not disintegrate in water will clog sewer lines.

Do not flush (even when marked flushable) cleaning or baby wipes, paper towels, cloth towels, any type of rags, feminine hygiene products, facial tissues, diapers and many other items.

Do not flush anything other than toilet paper. Anything besides toilet paper should be disposed of in the trash. Putting these items down toilets will plug sewers and cause raw sewage to back into your home.

Garbage Disposal

Do not grind any of the following items as they also create sewer stoppages: Bones, carrot and potato peelings, celery and rhubarb stalks, coffee grounds, eggshells, corn cob husks, onion skins, pea pods, grease, pills, rice or any other fibrous materials.

For more information, contact Eloy Gomez, GRF safety and emergency coordinator, at (562) 431-6586, ext. 356.

Neighbor to Neighbor— Silence is golden in the morning

Early morning walks can be delightful and have many benefits.

Starting your day with a walk can boost energy, improve mental clarity and help you sleep better.

But LW walkers are encouraged to remember their sleeping neighbors, and try to walk quietly through their Mutuals, especially in the early morning hours.

Leisure World is densely populated, and many sidewalks are in proximity to windows open to catch summer breezes.

Groups of boisterous walkers can easily, if unknowingly, disturb the sleep of their LW neighbors.

Bravo to those active people who are up with the sun, and special kudos to those tolerant

walkers who remember their slumbering counterparts.

Silence, or even low conversation, is golden—especially in the morning.

LW LIBRARY

Welcome Back festival is set for July 28

The LW Library will host a Welcome Back festival on Wednesday, July 28, from 9:30 a.m.-3 p.m. Everyone is welcome to stop by and visit on the library patio. There will be refreshments, a raffle, tote bags filled with goodies, games, music and more.

Residents who bring library cards or sign up for one there will be given a library tote bag and a raffle ticket.

At 2 p.m., great prizes, including tickets to an upcoming library-sponsored bus trip, will be raffled.

The Friends of the Library Bookstore will also be open and is running a special promotion on select items on July 28 only. The bookstore is seeking volunteers so it can be open for more hours. People who are interested can sign up during this event.

Library staffers hope to see lots of familiar faces, with a special invitation to those who have not yet visited the library and want to learn more about this great community resource.

—Taylor Greene,
library operations assistant

LW Library staffers Irene Nino de Rivera and Freddy Blancas are among those who will welcome everyone back July 28.

These skills are especially important as they reduce the risk and injury to police officers and the community.

Ruiz also received training on case law, use of force, de-escalation tactics, community-oriented policing and bias-based policing.

Saurus has also been trained to detect firearms.

This important tool will help ensure that if a suspect attempts to conceal or discard a firearm, the dangerous weapon is not left for an innocent person, child or other criminal to locate.

The purchase of the K-9, equipment and all associated training costs were paid for via a generous donation by the Seal Beach Police Foundation.

“This has been a community effort to return this worthwhile program back to the Seal Beach Police Department,” said Chief Gonshak. “It would not have been possible without the support of Mayor Joe Kalmick, Mayor Pro Tem Mike Varipapa, Council Member Sandra Massa-Lavitt, Council Member Schelly Sustarsic, Council Member Thomas Moore, City Manager Jill Ingram, and the generous donation from the Seal Beach Police Foundation.”

Letters to the Editor

Editor:

Celebrating July 4th with friends in Long Beach was terrific. We had fun feasting with barbecue and all the trimmings. Everyone played games while we waited for dark. The socializing was great.

The fireworks in New York, Philadelphia, Chicago, Florida and Colorado were spectacular, as was the entertainment from Washington, D.C.

The huge crowd of people, young and old alike, were joyfully dancing while waiting for the dark.

The magnificent fireworks enhanced the spirit of patriotism celebrating Fourth of July.

Editor:

Our ears are still ringing from the auditory assault of The Springsteen Experience last week (July 3). The volume of noise (as opposed to music) emanating from the stage of the Amphitheater was painful to experience.

I swear we saw cracks begin to form in the concrete as the amplitude increased to an unbearable crescendo.

My wife, Jeanne, wished that she had a hearing aid so that she could turn it down or off!

We left early to preserve what auditory capacity we had left. We don't wish to experience The Springsteen Experience ever again.

How to Avoid Scams

by Roberta Arshat

GRF member resources & assistance liaison

Generally, most people are friendly, but how friendly should people be before you start to wonder what they really want. Sometimes this isn't a bad question to ask yourself.

We meet people every day; some of them become our friends, some become very close friends, and some just pass through our lives for a moment.

But what about those people who meet us and seem to take an interest in our lives and want to know more about what we have. Who is this chummy predator?

According to Consumer Reports, most of the time, it will be a family member or caregiver, but there have been cases of the gardener or a co-worker from a past job who financially scam seniors by means of coercion or trickery.

In some cases, seniors are duped into handing over part or all of their hard-earned assets. These perpetrators get away with it because only 1 in 44 victims will report the crime, according to estimates by experts.

Here are some pointers on how to spot potential scammers in your life:

- Beware of someone finding clever ways to ask you how much

money you have and if can they borrow from you. They will also be very willing to drive you to the bank and accompany you inside.

- Beware of someone who wants to see your cute place. Don't be so quick to allow strangers into your home. While you're fetching that glass of lemonade, they may be looking for expensive trinkets or jewelry to put in their pockets. Instead, invite them to sit on the patio or go for a walk.

- Beware of someone who is asking for your email or phone number. Ask yourself if you feel comfortable getting more personal with this person. If not, block them ASAP, and alert security, member resources or the police if you're scared. They can help put a stop to it.

Other Scams to Avoid

Telemarketing phone calls are one of the most prominent today. Never ever give out your Social Security number, banking information, credit card numbers or PIN numbers to anyone who calls you over the phone. If someone

says they are calling from a place you do legitimate business with, *do not* give out your personal information; just hang up and call the company using the number from your phone book. If there is an honest issue with one of your accounts, the business will send a letter, and it will reference specific accounts.

Emails are another way scammers try to get to you. Sometimes the emails will look legitimate, but take a close look at the email address; that's where you can find discrepancies. If you are unsure about the veracity of an email, call the company directly.

The name of the game is to be safe, alert and report anything you find suspicious or intrusive. Even if you have a gut feeling about something not feeling right, trust your gut. If you need more information or want to report a potential scam, call Security at (562) 594-4754. For more information, call me, your new member resources and assistance liaison at (562) 431-6586, ext. 317.

POOL

defects were uncovered in the 1960s-era facility.

The project that started as a simple remodel soon morphed into a full-blown reconstruction in the name of safety. The project coincided with the coronavirus epidemic, which has delayed construction, parts procurement and other facets of the job.

As soon as the final permit is received, the LW Weekly will have construction updates, culminating in the scheduling of the grand opening. It is estimated that once final permits are received, construction should take no more than three months or so.

The facility will boast a pool with five swimming lanes, a 30-by-30-foot activity area with a volleyball net, a 9-by-25-foot spa, new locker rooms and a lounge area in a reconfigured space to maximize potential.

Assembly of God

Pastor Chuck Franco will wrap up his series in Hebrews at 10:30 a.m. in Clubhouse 3, Room 2, with a sermon titled "The Best Bridge," based on Hebrews 7:1-10. Jesus Christ is the bridge that brings people into a relationship with God. The book of Hebrews demonstrates that Jesus is the superior bridge, the trustworthy bridge, the mighty bridge, the bridge of understanding, the bridge that provides a place to rest, and the bridge of destiny.

The Wednesday morning Bible study continues in 1 Peter at 10 a.m. in Clubhouse 3, Room 2. The series is titled "A Journey into Hope, When Life is Tough." This study offers encouraging principles to apply when encountering daily struggles.

The long-awaited return of the interdenominational hymn sing will be on Sunday, July 18, at 6 p.m. in the Clubhouse 3 Lobby. Join neighbors and friends from Leisure World for a great evening of singing well-loved hymns and a wonderful time of fellowship. Note that for the time being, food will not be served.

To learn more about Leisure World Assembly of God, contact Pastors Chuck or Sheryl Franco at the church office at (562) 357-4360 or lwagpastorc@gmail.com. Those who would like prayer can also contact Pastor Chuck or prayer team leader Carolyn Van Aalst at (562) 343-8424.

First Christian Church

First Christian Church of Leisure World teaches from God's word, the Holy Bible, most often verse by verse. It is a friendly church that welcomes all visitors.

The Message

Through knowledge of God and of Jesus, people will come to a fuller understanding of God's grace or unmerited favor. The more a person understands God's grace, the more the person will experience peace. They will also be able to discern when they are exposed to false teaching because they know the truth. Knowledge

of God's word is a first step in protection against false teaching. The apostle Peter makes this point throughout 2 Peter.

Scripture of the Week

"Many, O Lord my God, are the wonders which you have done, And your thoughts toward us; There is none to compare with you.

"If I would declare and speak of them, they would be too numerous to count" (Psalm 40:5, NASB).

Services

Saturday and Sunday services

have the same message given by Pastor Bruce Humes. Sunday is a traditional service, with hymnal music provided by Pat Kogok at the piano. This Sunday will feature a special ensemble of singers with Iris Muncie, Sue Kaminiski, Carol Speake and Margaret Humes. Sunday service is from 9:30-10:45 a.m.

Saturday services are more contemporary, with Gregory Black leading worship with guitar accompaniment. Saturday service time is 9:30-10:45 a.m.

FIRST CHRISTIAN, page 9

LW Baptist

The LW Baptist Choir will sing America's second national anthem, "America the Beautiful," at its July 18 Sunday worship service. All LWers are welcome to attend.

Pianist Yvonne Leon will lead this week's featured song, "His Eye is on the Sparrow." The message is from Luke 12:1-31, and the sermon title is "God Seeks our Care, Do We Seek His Kingdom?" Jesus calls Christians to consider their lives in view of eternity. What characterizes them? Is it hypocrisy or faith, rich toward God or foolish, trust or anxiety?

Sunday school meets before worship at 9 a.m. The men's Bible fellowship group meets on Monday, July 19, to discuss the Sermon on the Mount and practical ways to overcome spiritual struggles. The Wednesday Energizers group meets to hear missionary reports, pray for people's needs and follow Nehemiah's diary on how people can do God's work.

Call the church office at (562) 430-2920 for more information.

Faith Christian Assembly

Going through the motions and feeling a little out of sorts? Some may be feeling like their expectations have been dashed because they don't feel like they are back to normal even though the rest of the world is beginning to move back to pre-coronavirus days.

Humans are made for connection with family, friends, neighbors, co-workers, and most important, to their maker. No social media or technology can replace those connections, neither can material things, food or activities. Faith Christian Assembly believes a person can find his or her most fulfilling life direction by growing connection to God and his son, Jesus Christ.

Sunday morning service is at 10:30, and the midweek Bible study is on Wednesdays at 11 a.m. Both are taught by Pastor Sheri Leming. GriefShare meetings are on Wednesdays at 5:30 p.m.

For more information on the church, call (562) 598-9010, email contact@fcachurch.net or visit www.FCACHurch.net.

Missions Team Chair Joyce Reed (l) and Don Coles at the last Missions Team food drive

COMMUNITY CHURCH

Missions Team food drive is July 22

Community Church's Kelly Frankiewicz will lead the message on the book of Mark chapter 6 this Sunday, July 18. The sermon title is "Having Compassion for Those without a Shepherd." There are many opportunities believers have in their everyday lives to share the love of Christ. May each believer's words, action and even thoughts be a monument of honor to God.

Kelly is a dedicated volunteer with the Red Cross and has been deployed all over the country to bring the compassion of Jesus to those in immediate need.

The missions team is hosting a drive-up canned food drive on Thursday, July 22, from 9 a.m.-noon. LWers are asked to purchase or bring non-perishable food items to donate. People will be greeted at their cars by a missions team member. All food donations will be delivered to local food banks.

Community Church is a place where everything is designed with the first-time participant in mind. Those who have not felt welcome in church or have never participated in church before are welcome to come.

As Orange County continues to emerge from the pandemic, Community Church invites everyone to participate based on their personal comfort, either virtually on Zoom and Facebook or in person for those who are vaccinated.

The sanctuary is open for those who are vaccinated, and those who either cannot come physically or are on vacation can join virtually on Facebook.

The Delta variant of the coronavirus has been confirmed in Long Beach, which means it could also turn up in Seal Beach. Current guidance is to wear masks while indoors, regardless of vaccination status. Those who are vaccinated are welcome to join Community Church services in person.

Those who missed last week's message can find it on Facebook.

Celebrating their weight-loss successes are Geri Seaton (l-r), Velma Sarna, Jane Haass and Ruth Dupree.

Wa-Rite members find their smiles and celebrate

“Help me get back to normal” was the topic of Wa-Rite’s July 6 meeting, and after the stress of living through the pandemic and its challenges, members needed to create their own coping kit. The group discussed navigating a new normal and keeping up self-care, reflected on growth, and shared stories. It was found that two main ingredients to resilience are

a positive attitude and taking care of yourself. Members are learning to find their smile and celebrate being in the world again. Four lovely ladies celebrated success. Geri Seaton reached “Bachelor of Goal Weight,” while Ruth Dupree met her short-term goal. Velma Sarna, Jane Haass and Virginia Olejnik tied for “Biggest Loser,” each with a 3-pound loss

Wa-Rite is a support group for women who want to lose 10 pounds or more. Members meet on Fridays in Clubhouse 3, Room 1, from 9-10 a.m. Weigh-ins begin at 7:45 and end at 8:45 a.m. The club is open to LW residents only. Anyone needing encouragement is encouraged to join. —Margaret Humes

The FALW Club was excited to kick off in-person meetings again with a 4th of July picnic.

FALW

Club celebrates its return at 4th of July picnic

The Filipino Association of Leisure World (FALW) celebrated its return with a picnic honoring all veterans in Leisure World on July 3. The celebration was canceled last year because of the COVID-19 pandemic.

This year's picnic was a long-awaited activity not only for veterans, but also for the members of FALW. Around 230 veterans and their dependents were served hot dogs, hamburgers, chili beans, Asian noodles, egg rolls, green salad, fresh-cut fruits, drinks and cakes for the July birthdays. Each veteran received a gift and could enter to win a raffle prize donated

by Optum Care.

The picnic started with the Pledge of Allegiance led by FALW president Renato Villanueva. The U.S. Armed Forces Branch Medley then sang "God Bless America." Father Juan Caboboy, spiritual adviser of FALW, gave the invocation. The heartbeats of the audience were almost audible when "Taps" was played, which gave solemnity to the occasion.

Villanueva asked a census for number of veterans present: during WWII, four were accounted for; Korean War, 12; Vietnam War, 26; and Desert Storm, 14. Some who were present had no

combat experience.

...

The general membership meeting of FALW was held on July 11. Members were reminded to renew their membership and elected a new president. Eileen Merritt is the FALW's president-elect; Essie Hicks, vice president; Harry Varnas, treasurer; Jane Haas, secretary; and Mel Blake, assistant secretary. The Board of Directors are Ed Bolos, Mel Blake, Carolyn Mottola, Lita Mac-araeg and Ric Dizon.

FALW's next meeting will be held Aug. 8. The food schedule will begin with group one.

Mutual 14 Picnic

Mutual 14 will have its annual picnic today, July 15, from 11:30 a.m.–2 p.m. at the Clubhouse 1 picnic area. All residents from Mutual 14 are encouraged to attend.

All shareholders are welcome to join this Zoom meeting at <https://us02web.zoom.us/j/84982089743?pwd=UGR3RlZRaUJmWmlsNE9KdTdNMUhh3QT09>. The meeting ID is 849 8208 9743, and the passcode is 508742.

...

Sunshine Club plans to start meeting weekly in person on Friday, Aug. 6, in Clubhouse 3, Room 2 at 10 a.m. Social gathering will begin at 9:30 a.m. The room is expected to fill up quickly, so the club encourages members to arrive early. The meeting begins at 10 a.m. with Kellie Morris from the Council on Aging, Orange County.

The Sunshine Club brings LW leaders to meetings to introduce their organizations to the group. It also invites specialists from outside Leisure World to share their experiences and ideas with club members.

The inaugural Korean CERT training class learned basic disaster-response skills.

GAF sponsors first all-Korean Community Emergency Response Team (CERT) Training in Leisure World

The Golden Age Foundation (GAF) sponsored first the Koreans-teaching-Koreans Community Emergency Response Team (CERT) training. Twelve Korean-American students signed up for the first all-Korean speaking CERT training. In this 20-24-hour course, students had the opportunity to learn disaster survival skills like triage, light search and rescue, fire suppression, medical operations, and team building.

The Leisure World Korean community needs to be aware of the natural and man-made disasters that could impact the Leisure World community, which is surrounded by bridges, an ocean, power generating stations, the Naval base, freeways and fault lines.

In a large-magnitude disaster, volunteers will be needed to help their communities, as it is likely there will be a limited number

of first responders who may not be able to provide immediate assistance due to overwhelming need. By taking the CERT class, LWers can learn to be prepared and ready to respond to emer-

gencies and help the community.

The GAF sponsored the CERT equipment used by students to perform hands-on activities. Special thanks goes to the interpreters, at the event.

Harold and Marion Weinger

LW Anniversary

Harold and Marion Weinger of Mutual 14 celebrated their 67th wedding anniversary on July 14. They are from Detroit, Michigan, and moved to LW in 2000. The two were married in 1954, and they have two children, five grandchildren and four great-grandchildren.

Harold spent several years in the U.S. Army and earned the exclusive privilege to protect President Harry S. Truman. Harold managed many grocery stores and bakeries, and he was also a food broker throughout his career. Harold and Marion enjoyed raising their children and helped to raise their grandchildren as well.

Harold and Marion enjoy visiting with friends and family as well as playing with their GoldenDoodle and Golden Retriever "grand-dogs," who both live a couple of miles away.

Where We Live Club

The Where We Live Club will host its first in person meeting on Monday, July 19, at 6:30 p.m. in

Clubhouse 3, Room 2.

The club hopes to foster honest debate about how residents can help keep Leisure World affordable while making the necessary upgrades to amenities and maintaining the value of each residential investment. Over the past decade, the club has championed a number of issues for the betterment of the community. However, it's time to focus on the newest and most pressing issues—like the pool project, among other concerns—and come up with some fresh ideas.

The Where We Live Club is a group of shareholders whose sole objective is to improve the quality of life for all in Leisure World Seal Beach. It invites all sincere shareholders who are willing to work together to make Leisure World all that it could and should be to join.

The Where We Live Club is not made up of complainers, blamers or angry voices. The club wants to be a positive force in LW and desires to help make real changes and improvements.

DEMOCRATIC CLUB

Subscribe to club's newsletter for recall election updates, other issues

by Mary Larson
LW contributor

The Democratic Club's next meeting will be on Aug. 18 at noon. This meeting will be either in person in Clubhouse 2 or via Zoom, depending on the situation at the time.

In the meantime, all of the club's committees—as well as the board—continue to be involved in carrying out their respective responsibilities. During its meeting on July 5, the board voted to endorse a plan designed to alert all LW Democrats about the importance of their vote in the upcoming recall election. It also agreed on a number of possible speakers for the August membership meeting. Information about both of these issues, as well as other actions taken by the board, will be included in the club's next electronic newsletter.

Any LW Democrat (or supporter of the club) can subscribe to the club's electronic newsletter by calling (562) 296-8521 or emailing democraticclubsblw@gmail.com. Those who are interested should remember to include their complete contact information. There is no charge for this subscription.

During the July meeting, the Democratic Club board also voted to endorse California Senate Bill 380. SB 380 will make sure that the End of Life Option Act will not expire, as well as improve upon the law so that more eligible Californians are able to access the law. SB 380 is now in the hands of the Assembly Appropriations Committee.

The existing End of Life Option Act went into effect on June 9, 2016. It authorized the compassionate option of medical aid in dying for terminally ill adults with less than six month life expectancy. This law will expire on Jan. 1, 2026, unless the new legislation is approved.

There are several other issues in the news that Leisure World residents will want to know more about. Of special interest to all voters, regardless of their political affiliation, is that 60 House Republicans have now joined a Conservative Climate Caucus that is willing to acknowledge the problem instead of labeling it a hoax. This caucus was formed by Rep. John Curtis, a Republican from Utah.

President Joe Biden's new executive order should also be of interest to all readers. It aims to encourage innovation and competition, as well as boost the U.S. economy. The order covers boosting leverage for workers, lowering the prices of drugs, looking out for consumers and bringing back net neutrality. It also tackles concentrated corporate power. More information about this executive order is in the club's electronic newsletter.

... All Leisure World voters will want to be aware that—contrary to what had previously been reported here—the recall election will be held on Sept. 14. In addition, voters will not be faced with having to vote on a proposition titled "A Lifetime Ban After Three Terms in Office for Members of the Orange County Board of Supervisors."

REPUBLICAN CLUB

EIPCa representative will be at Wednesday, July 21, meeting

by Brian Harmon
LW contributor

Because of the upcoming recall election, the GOP Club booth will be open outside Clubhouse 6 every Monday through July and August, plus Monday, Sept. 6, and Monday-Friday, Sept. 10-14.

Anyone interested can receive voter and club information, register to vote or join the club at the booth. Political merchandise will also be available for purchase.

The Republican Club supports and encourages voters to support the recall of Gov. Gavin Newsom in the Sept. 14 election, although no recommendation from the club has yet been made on which candidate should replace him.

A representative of the Election Integrity Project, California (EIPCa), will speak at the next Republican Club meeting on Wednesday, July 21, at 7 p.m. in Clubhouse 3, Room 2.

Recently, EIPCa has sent three questions regarding election votes to the California Secretary of State, which are as follows:

1. Why are there almost 124,000 more votes counted in California's Nov. 3, 2020, election than voters recorded as voting in that election? And why is most of the discrepancy driven by 116,000 vote-by-mail ballots with no apparent voter identified in VoteCal's voting histories?
2. Why do more than 7,700 voters have two Nov. 3, 2020, votes credited to their voting histories? These are two votes credited to each of 7,700 unique (non-duplicated) registration ID numbers in the state database. This indicates mass double voting, a significant programming error in the state's registration system, or both.
3. Why does California have 1.8 million more registered voters than eligible citizens, and why did this overage rise 72 percent in the 2020 election cycle?

The Secretary of State is required by state law to answer such questions within a reasonable period of time.

Any person who wants to be added to the club membership roster, or receive more information can send an email to धारlow50@aol.com, call (714) 928-1950, or talk to someone at the club booth outside Clubhouse 6.

Members will be emailed an agenda and minutes for each meeting and other information deemed necessary and/or appropriate by the president.

Club members are encouraged to send their opinions on public issues or ideas about what the club should be doing. To do so, call or text (714) 928-1950. Those who do not want their name, ideas or opinions to be made public should so indicate.

CONCERNED SHAREHOLDERS

Next meeting will be held on July 22

Concerned Shareholders of Leisure World will meet on Thursday, July 22, at 1 p.m. in Clubhouse 3, Room 2. Golden Rain Foundation staff members Kathy Thayer, assistant recreation manager, and Roberta (Robann) Arshat, member resource and assistance liaison, will be the guest speakers.

Arshat works as a liaison with the Mutuels, government agencies and private companies to assist shareholders in need of appropriate resources.

Thayer will discuss applications for new clubs, changes to the Recreation policies, and a better understanding of the Recreation Department.

There will be a question-and-answer period after each speaker.

All shareholders are welcome to attend this meeting.

Next month's meeting will be on Thursday, Aug. 26, at 1 p.m. in Clubhouse 3, Room 2.

Chinese Friendship Club

The Chinese Friendship Club meets every Thursday at 1p.m. in Clubhouse 3, Room 1. During the meetings, the group plays games and members get to know on another better. There will be no refreshments served at the meetings.

Everyone is welcome to join. The club does not charge membership fees. Call club president Stella Huang at (562) 588-3014 for more information.

TRAVEL

Mutual 2 resident gets her kicks on Route 66

by Joanna Matos

LW contributor

I had three fabulous reasons to take a roadtrip along old Route 66 across eight states to Chicago on April 24: I had gotten my COVID vaccinations; I wanted to attend my sister's 90th-birthday surprise party in Crown Point, Indiana; and my son Gary, who lives in Oregon, wanted to take his new camper truck on the road.

It's also worth noting that I'm an avid Route 66 fan. I belong to a Facebook group for Historic Rte. 66 Roadies. I have Route 66 license plates on my SUV, commemorative plaques on a wall in my home, a bank, a rhinestone bracelet, six themed T-shirts and two hats, plus a few books. (Plus, the trip allowed me to add to my collection a blue whale souvenir license plate; a "standing on the corner" puzzle from Winslow, Arizona; and a Route 66 passport.)

Motorists have many names for Route 66, which was designated a national highway in 1926: the Will Rogers Highway; the Ozark Trail; Main Street, America; or the Mother Road. The route was pieced together from an existing network

of promoted trails and unnamed roads, most of which were dirt paths at the time. Despite the invasion of the modern interstates, at least 85 percent of old 66, in one guise or another, remains to be easily explored on a well-paved two-lane road that sometimes aligns with interstate Highway 40.

Route 66 spans more than 2,200 miles through eight states: Illinois, Missouri, Kansas, Oklahoma, Texas, New Mexico, Arizona and California. It's a magical cross-section of the nation, from the massive skyscrapers of Chicago, over the green hills of the Ozarks, the grassy plains, the awesome deserts, canyons, and mountains, then down into the fascinating basin of Los Angeles. Historic Route 66 is the legendary emblem of 20th century roadside America. And the road gained national attention in 1946 with the Bobby Troupe song "Get Your Kicks on Route 66."

The final bypass in Williams, Arizona, was built in 1984. The next year, Route 66 was decertified. No longer an official U.S. Highway, authorities and commentators expected the old road to fade into history. But fueled by nostalgia and fired-up preservation-minded

folk, Route 66 began a surprising comeback, with a community of friends, fans and fanatics from virtually every corner of the civilized world. Volunteers formed state associations to bring back what was left of its glory days. Though Route 66 marked about 59 years as a U.S. Highway, it has spent nine decades as an American icon.

Loaded into the camper truck, we—Gary; his wife, Gretchen; their dog, Lily; and me—traveled about 265 miles per day, giving ourselves eight days to explore small, rural towns, to stop and visit with diner people, as well as the motel, curio shop and museums that many had settled into as business owners. We stayed at such iconic places as the Wigwam Motel in Holbrook, Arizona; the Road Runner Motel in Tucumcari, New Mexico; the Silver Saddle Motel in Santa Fe, New Mexico; KOA cabins in Clinton, Oklahoma; and the Boots Court Motel in Carthage, Missouri.

Everywhere we went—whether Hackberry, Arizona; Santa Rosa, New Mexico; or Elk City, Oklahoma—we encountered down-home, friendly people who loved sharing their Route 66 stories. We left room for serendipity in the

plan executed by our navigation expert, Gretchen, to visit most attractions along the way. (Though Gary did have to make a U-turn to visit the famous fudge factory and general store in Uranus, Missouri.) It was sad to see hundreds of small gas stations boarded up and abandoned because of the mega-sized interstate fuel stations. I put my government-issued stimulus money into the small businesses along Route 66.

But the best part of the trip happened on May 2. That was the day of my sister's surprise party. We had not seen each other for more than six years, and our old clocks are ticking away, so I positively had to go.

Among the unexpected joys of our journey were reading the Burma Shave jingles along the roadway; walking onto the Blue Whale in Catoosa, Missouri; having breakfast in a 1940s cafe at Midpoint 66 in Adrian, Texas; spray-painting old Cadillacs planted in the ground in Vega, Texas; visiting the Route 66 Museum in Pontiac, Illinois; and, of course, holding my healthy, 90-year-old sister amid tears and cheers. We definitely got our kicks on Route 66.

Laughlin Getaway

Janet Karter's Laughlin Getaway is planned for Oct. 17-20. The trip includes a room at the Edgewater Hotel, visits to an alpaca farm and Oatman, baggage fees, and a tip for the driver.

A double room is \$300, and a single is \$325; a \$50 deposit is due ASAP, with the final payment due Sept. 10. (Travelers who cancel prior to Sept. 10 can expect a full refund. There are no refunds after that date.) Pick-up at and return to Leisure World are available.

For more information, including payment options, contact Karter by phone at (562) 924-1938 or (562) 715-0520 or via email at dancnma@yahoo.com.

LW Orchestra appoints Samuel K. Kim conductor

The Leisure World Orchestra board appointed Samuel K. Kim as its new conductor. He replaces Rae Boevig, who passed away in February. Kim is a resident of Mutual 12 and was formerly the orchestra’s first clarinet player. Kim’s strong musical background includes a doctorate in musical arts from the University of Southern California, received in 1994; he majored in choral conducting and minored in orchestral conducting. Prior to that, he earned a bachelor’s degree in business administration from the University of Texas at El Paso in 1979. He has conducted several church choirs and has been the guest conductor at many festivals and workshops. The orchestra continues to grow after being shut down dur-

ing the COVID-19 pandemic, with 18 musicians showing up to play in the days after the Fourth of July. Though it has added three violinists, a pianist, a flutist, a trumpeteer and a sax player, the group is still in need of a drummer and brass players, especially trombonists. Rehearsals are Tuesdays and Wednesdays in the Amphitheater at noon. The orchestra plays classical selections including “Scheherazade” by Rimsky-Korsakov, the “Hallelujah” chorus by Handel, “Radetzky March” by Strauss, “Hansel and Gretel” by Humperdinck, the “Blue Danube” waltz by Strauss, and the argo-naise from “Carmen” by Bizet. Those interested in joining should contact Fred Reker at

Art League

After a long hiatus because of the pandemic, the Leisure World Art League is honored to host a demonstration by Elizabeth J. Butterfield, an award-winning artist, floral and garden designer, and educator/instructor. A big turnout is expected for this entertaining and educational event on Tuesday, July 20, so attendees should plan to arrive early, especially those who have artwork entries to submit. The meeting will start at 7 p.m. in Clubhouse 4. Face masks are not required, but people can wear them if they feel comfortable doing so. The mixed media art of Elizabeth Jewell Butterfield reflects a host of mediums and materials, from found objects and discarded things to handmade papers and personal photographs. In Monterey, she was inspired by an art teacher to take up the practice of layering different textures, turning nothing into a beautiful something. Butterfield finds pleasure in photographing the things she values and hopes they will be preserved by duplicating them into her torn paper art that is displayed. Art League members are encouraged to submit their own artwork to the meeting by 6:30 p.m. The subject for the popular vote is “Mixed Media.”

It's 'Sunshine' and ice cream at karaoke party

The July 7 Community Karaoke party included the singing of "Happy Birthday" for our longtime participant Ellen Brannigan. After performing an upbeat tune, Brannigan celebrated by passing out ice cream.

All 37 karaoke singers were then ready to take their turns. Newcomer Nina DeRosa wowed the crowd with her performance of "Where the Boys Are." Don

Sunday received lots of applause for his a capella version of "Oh What a Beautiful Morning." And the happy group of Diane Neal, Tilly Steihr, Alena Eaby, Ericka Greenwood and Martin Rosendaal had fun with "You are My Sunshine." There were many tunes that got the line dancers in attendance moving.

Hot dogs and chips were a special treat for the full house of fun-loving folks. Helping to

make the evening a success were Ron Belben, Margie Stewart, Ruby Johnson, Tony Tupas, Bev Adams and Susan Kelleghan.

Everyone is welcome to attend the group's karaoke parties on Wednesdays at 5:30 p.m. in Clubhouse 1. Those who want to practice in advance are invited to practice sessions on Mondays from 1-3 p.m. on the Amphitheater stage.

Men's Golf League Results

On July 9, the Riverview Golf Club in Santa Ana hosted 11 men and one woman of the Men's Golf League. Chris Lankford and Digna Vesely played as guests and are working on getting a handicap. Riverview is a par-70, 5,800-yard course that has significant elevation changes and crosses the Santa Ana River several times. The greens and fairways were in great condition again this week, and the golfers reported it's a pleasure to play this course. Initially, there was no wind, but a cooling breeze came up toward the latter part of round, making the 85-degree late morning bearable. With the great playing conditions and little wind, the golfers generated six birdies, but only five at- or under-par rounds.

All scores are net. A Flight handicap: 0-20; B Flight handicap: over 20.

A Flight Winners: First place: Sam Choi, a terrific 6 under 64; second: Jim Goltra, a super 5 under 65; third: Larry Hillhouse, a nice 3

under 67; fourth: Fujio Norihiro, 2 under 68. Goltra had two birdies, and Choi, Norihiro and Stivers had one each. Goltra was also closest to the pin on the 150-yard, par-3 second hole, and Dave LaCascia was closest on the 100-yard, par-3 ninth hole. Hillhouse had fewest putts.

B Flight Winners: First place: Gene Vesely, an excellent 4 under 66; second: tie between Bob Munn and Tom Ross, 2 over 72; third: Liz Meripol. Ross had fewest putts, and Munn had a birdie.

Friends, ladies, spouses and family are all welcome to play and/or join. The league plays at four local courses, all within 15 minutes of Leisure World. The courses the group play are always quite full, so advance reservations with the league have become the norm, with a sign-up sheet available at each round.

If interested, contact Gary Stivers at (714) 313-3697 or LaCascia at (801) 674-5975.

Pool Club

The Leisure World Pool Club will hold its first tournament of the year on Monday, July 19, at 6 p.m. in Clubhouse 2. There are six new Brunswick tables, which will allow for more people in the tournament. Participants will play five rounds of eight ball. Partners will be drawn randomly to form two-person teams, with a man and a woman on each team whenever possible; players should arrive 10 minutes early so names can be drawn. Partners will alternate shots in a Dutch Doubles format, and Billiard Congress of America rules will apply.

The entry fee is \$3, and all prize money will be divided among the three teams with the most wins.

For this tournament, players do not have to be members of the Pool Club, but all contestants must be LW residents. Anyone can join the Pool Club at the tournament; dues are \$10 per year, with the membership good until November 2022. The Pool Club is no longer a men's club; all residents are welcome to join.

Anyone in need of a good pool cue should show up at 5:30 p.m. to bid in a silent auction. The minimum bid on cues is \$5, or \$10 for cues with cases.

Since July 19 will be the grand opening tournament for the new poolroom, the club will provide pizza and soft drinks for the players. There is limited availability to play, so interested parties should email Dave Silva at davesilva165@gmail.com prior to the tournament.

The Basic Rules of Sudoku:
• There is only one valid solution to each Sudoku puzzle. The only way the puzzle can be considered solved correctly is when all 81 boxes contain numbers and the other Sudoku rules have been followed.
• When you start a game of Sudoku, some blocks will be pre-filled for you. You cannot change these numbers in the course of the game.
• Each column must contain all of the numbers 1 through 9 and no two numbers in the same column of a Sudoku puzzle can be the same.
• Each row must contain all of the numbers 1 through 9 and no two numbers in the same row of a Sudoku puzzle can be the same.
• Each block must contain all of the numbers 1 through 9 and no two numbers in the same block of a Sudoku puzzle can be the same.
