AMPHITHEATER MOVIE

Award-winning ‘Minari’ will be shown Friday

The GRF will screen the Academy Award-winning 2020 drama “Minari” on Friday, Aug. 6, at 8:30 p.m. in the Amphitheater. The show is co-sponsored by the Korean American Association. A very special personal greeting to LWSB, graciously provided by the film’s prestigious editor, Harry Yoon, will precede the film that night.

“Minari” was produced by Brad Pitt and written and directed by Lee Isaac Chung. It is a semi-autobiographical expression of the latter’s family of South Korean immigrants trying to make a new life in rural Arkansas in the 1980s.

Jacob Li moves his young family from California to start over on a 50-acre farm, where he dreams of finding success in raising Korean fruits and vegetables for the 30,000 immigrants who come to the U.S. every year from his homeland. Struggling with a skeptical wife, cultural adjustments, the constant threat of financial ruin and a young son with a heart condition, he must now adjust to

POOL PROGRESS

Pool excavation, dirt removal almost done

With City of Seal Beach and Orange County Health Care Agency approvals in place, work on the pool has begun in earnest.

As of Aug. 5, pool excavation is now nearly complete. More than 480 cubic yards of material have been removed from the site.

Work scheduled for this week includes:

- Complete excavation of spa and removal of dirt.
- Cut in skimmers and main drains, which are related to the filtration of the pool.
- Continue trenching for pool plumbing.
- Start demolition of the roof.
- Pothole for Southern California Edison (meaning that crews will be surveying for utilities before trenching with a backhoe).
- Delivery of pipe for pool and spa plumbing (Friday).

Pedestrians can carry neon flags (placed at strategic LW intersections) to make sure they can be seen as they venture into LW crosswalks.

Bikers, walkers, car drivers must observe rules of road

Pedestrians, cyclists and vehicle drivers must coexist on Leisure World’s streets and byways. It can be a challenge—the LW Weekly news office gets the calls to prove it.

Drivers call to report residents “who walk around at night in all black with their heads down or on their phones.” And there are the people who just barrel into the roadway without looking to see if a car is coming as well as those who walk in the road near the flood control channel.

Cyclists complain about pedestrians who weave down sidewalks, ignoring signals that bikers are approaching, or those who challenge a biker’s right to be on the sidewalk at all.

And pedestrians have their issues too. They call to recount how speed-demon drivers run stop signs and bikers, trikers and cart drivers blow around corners, nearly knocking them flat.

It’s a conundrum but one that the GRF Board has addressed in policy and practice with “safety first” as its primary objective.

The roadways and sidewalks must be shared by cars, trikes, bikes, golf carts, low-speed vehicles (also known as street legal electric carts) and maintenance carts. They can all be legally operated on all trust roadways in LW. But pedestrians are king—cyclists and vehicle drivers must yield to them. On the sidewalks, mobility scooters and bikes must also yield to pedestrians.

To help drivers spot pedestrians, the GRF has placed buckets of neon flags at major intersections. Walkers are encouraged to grab a flag and hold it aloft as they cross to make them more visible to drivers.

Pedestrians must share sidewalks with bikes and mobility scooters and possibly with carts depending on their size and location, according to GRF traffic rules.

As for drivers, all are cautioned to slow down and drive the 25 mph speed limit, come to full stops at lights and signs, and stay alert.

Residents complain of speeding cars, distracted drivers and rolling through stop signs. Although the Seal Beach Police Department cannot isolate LW infractions from those issued citywide, anecdotal evidence shows that officers are handing out as many as 50 citations in a given month, despite steep fines and penalties that include skyrocketing insurance rates for older drivers convicted of moving violations.

According to the SBPD, the top four

CDC GUIDELINES

GRF strongly encourages LWers to mask up inside

The Centers for Disease Control and Prevention (CDC) has just released data that suggests fully vaccinated Americans who contract the Delta variant can spread COVID-19 as easily as unvaccinated people infected with the variant.

With that in mind, the GRF is strongly urging people to wear masks if they are participating in group meetings and/or inside any clubhouse, GRF office or other community facility.

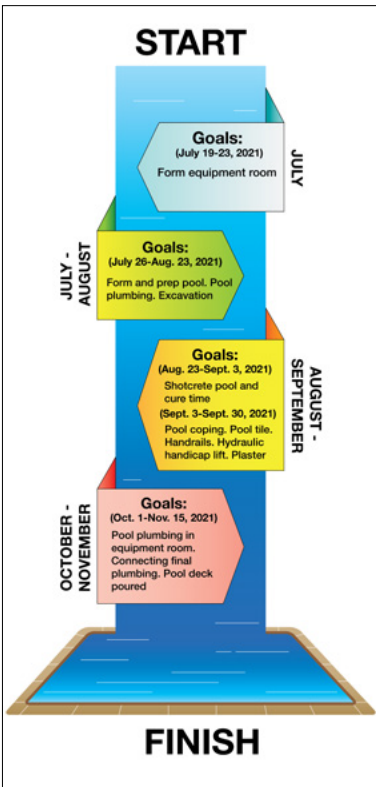

The new study caused the CDC to recommend that vaccinated people wear masks indoors in areas with high levels of COVID-19 transmission.

According to study findings, 74 percent of the 469 cases that CDC investigated occurred in fully vaccinated individuals. Genomic sequencing of samples from 119 of 133 individuals in the study showed they had contracted the Delta variant. The vast majority of the vaccinated people in the cluster—about 79 per

• Start pool and spa plumbing.
The pool has been closed since November 2019, when potentially catastrophic defects were uncovered in the 1960s-era facility.
The project that started as a simple remodel soon morphed into a full-blown reconstruction in the name of safety.
The project coincided with the coronavirus epidemic, which has delayed construction, parts procurement and other facets of the job.
The facility will boast a pool with five swimming lanes, a 30-by-30-foot activity area with a volleyball net, a 9-by-25-foot spa, new locker rooms and a lounge area in a reconfigured space to maximize potential.

Dumping—Dos and Don'ts at 1.8 acres

The large refuse containers at the 1.8-acre site adjacent to the Mini Farm off Nassau Drive are there for the convenience of LW residents. Bulky items, such as mattresses that cannot be safely disposed of at bins in Mutual carports, can be dropped off at the 1.8 acres.
But not everything can be dumped there, and violators are subject to expensive fines. Removing items from the dumpsters is also prohibited. There are cameras on site to help prevent vandalism, illegal dumping and pilfering.
What can be dumped at the 1.8-acre site:
• Furniture, mattresses
• General bulk items
• Green waste
All items should be placed in, not around, the containers.
What cannot be dumped at the 1.8-acre site:
• Paint, unless it is fully dried in a sealed can
• Hazardous materials, such as pesticides, batteries, motor oil

SECURITY

Decal Office in Building 5 to reopen

Beginning Monday, Aug. 9, the GRF Security Decal Office will reopen for service Monday-Saturday from 8:30 a.m.-4 p.m. The Decal Office is located in Building 5 near the Copy Center.
No appointment is required, and none will be taken. Decal issuance will return to the first-come, first-served process that was in place before the COVID-19 pandemic.
Historically, the office's busiest times have been when the office first opens, at lunch time and just before closing. People who arrive at those times may have an extended wait to receive a decal.
To receive a vehicle decal, residents must present the following documents:
• Valid proof of vehicle insurance
• Valid DMV vehicle registration (vehicle must be registered to the LWSB resident)
• Valid DMV driver's license
• GRF Identification Card

his mother-in-law arriving from Korea to live with them in their tiny trailer. Among the vignettes of tears and humor, the metaphor of minari, a tough Asian vegetable that survives under difficult circumstances almost anywhere, permeates the film through the actions of the wise but iconoclastic grandma, Soonja, portrayed by veteran Korean actress Yoon Yuh-jung.
Among its many accolades, “Minari” earned six nominations at the 93rd Academy Awards: Best Picture, Best Director, Best Original Score, Best Original Screenplay, Best Actor (Steven Yeun) and Best Supporting Actress (Youn), with Youn winning for her performance, making her the first Korean to win an Academy Award for acting. It also won the Golden Globe Award for Best Foreign Language Film, was nominated for the Screen Actors Guild Award for Outstanding Performance by a Cast in a Motion Picture, and earned six nominations at the 74th British Academy Film Awards, including Best Film Not in the English Language.
This film transcends cultural lines and will touch all those who see it regardless of their ethnic background.

cent—developed clear COVID-19 symptoms, according to the CDC. The data also suggested that the vaccinated group was just as able to spread the virus as the unvaccinated group. It is this conclusion that is prompting the CDC, the GRF, and other retail and government agencies to strongly urge people to mask up indoors in areas of high transmission regardless of vaccination status.

Leisure World has a population considered at high risk for the severest symptoms of this virus, and while more than half of the residents are fully vaccinated, there are vulnerable members living here. With the release of the new data—and in view of LW’s susceptible population—comes the strong recommendation to wear a mask indoors to protect yourself and others.

As of Monday, the seven-day average of daily coronavirus cases in the U.S. surpassed the peak seen last summer, when the nation didn’t have an authorized COVID-19 vaccine, according to the CDC. U.S. cases, based on a seven-day average, reached 72,790 on July 30.

Unvaccinated residents are encouraged to get vaccinated as soon as possible, as studies are also confirming that vaccinated people are far less likely to suffer

Letters to the Editor

Editor:

I really appreciated the thought-provoking and excellently written letter from Suzanne Dunwell (July 22) regarding the use of leaf blowers and lawn mowers, and the unrelenting noise and pollution they create.

At one time, the Mutual 6 board of directors had written into the landscaping contract that no blowers be used except in special circumstances by permission only.

Let's consider phasing in the use of all electric garden tools. Perhaps the current board can revisit this issue and set an example for all of Leisure World.

Also, consider the possibility of replacing some of our lawn area with native species (not succulents and cactus) that use less water and no chemicals.

This supports our bird, butterfly, bee and amphibian population by replenishing resources for wildlife both locally and along migratory corridors while providing food, shelter, safe passage and places to raise young.

The bird population has lost 3 billion in North America, coastal birds, 48 percent; and migratory and community birds, 26 percent (Audubon Society) due to habitat loss from development, decreased water, pollution, wildfires, etc.

We are in a conservation crisis.

Let's all do our part to protect our beautiful bio-diversity with its pollinators, insect eaters and seed dispersers.

Of course, it would also provide the personal benefits of improving both cognitive and mental health (ecotherapy at its best) with our bird watching!

What a beautifully written, fun and funny article—written by Joanna Matos regarding getting her kicks on Route 66—in our July 15 edition of the LW Weekly! It was well-documented with details of where they went and what they did, complete with wonderful photos!

Even though I've never taken that ride, my husband, David, recalls making that trip several times in the 1960s, which he said was still the heyday of Route 66. Thanks for publishing such a worthwhile, interesting article.

Here I am again placing a complaint.

I have been trying for approximately one year to have something done about the problem on St. Andrews Drive and Oakmont when trying to make a left turn.

I attended a board meeting

on Sept. 2, 2020, and there was another person there who complained of the same thing.

First, I tried to have a three-way stop sign added but was turned down because of some section, but it boiled down to we haven't had enough accidents on that corner to warrant a stop sign.

Then I suggested that they cut foliage that blocks the view of cars coming in the other direction while making a left turn.

I have talked to residents who agree with me about that corner. Our visitors are also concerned. I think some of the foliage has been cut, but it needs more.

So please, take action before there is an accident.

Editor:

I am responding to the apparent lack of response to letter last week from Victoria Wood (July 29).

Nothing is quite so frustrating as not being listened to. The editorial reply focused only on the noise related to the dismantling (of the DWP power plant), and this was *not* her issue.

Rather, her complaint was regarding the sound levels from normal operations. "The noise is constant, 24/7." When walking in the evening (quiet?) hours, I can attest that this new plant is quite

loud the closer your proximity.

So, I sympathize with the writer, as this is not just a Mutual 8 issue, but is a LW community problem.

I urge the GRF Board to request LADWP measure the normal operating noise levels from this new plant, as it is more than a nuisance.

The Tokyo Olympics are spectacular as energetic Olympians with their flags held proudly represent their countries, competing

for gold, silver and bronze.

Synchronized diving is one of my favorites, and I was dazzled watching the magnificent performances.

The women's volleyball team competition reminded me of when I was on my high school team. The winners are jubilant while the losers accept defeat.

When I was a Mutual director, some of the shareholders were bored, so I suggested that they join clubs and watch the Olympics as the world competitions are always exciting.

Some called and thanked me, saying how much they enjoyed the great performances.

I am overwhelmed with pride and gratitude as the U.S. tops the medals-won list. The athletes are amazing.

Top Loser Joyce Brannon with Shirley LaBrecque

WA-RITE

Weight loss is all about water

Along with oxygen, water is vital for life; the human body will not survive without it. After the July 16 meeting, Wa-Rite members were challenged to drink more water, and Joyce Brannon accepted that challenge. She found that it kept her from eating as much. Brannon also shared that not buying what she shouldn't eat also helped; if it's not in the house, she can't eat it. By drinking more water, staying away from sweets and cutting down her portions, Brannon lost 3 pounds and gained the title of Top Loser at the July 23 meeting.

Shirley LaBrecque spoke at that meeting on the importance of water, as it keeps everything in a person's system moving. For those who have a hard time drinking plain water, she suggested flavoring it with slices of lemon, orange or cucumber. Members were encouraged to do whatever they thought would help them remember to drink more water, including filling a glass and keeping it someplace visible. People should be drinking at least six to eight cups per day.

Some other health tips that were shared include:

- Don't skip breakfast.
- Eat more fiber.
- Get plenty of sleep.
- Keep moving.
- Everyone should give themselves a break and not be so hard on themselves, but rather love themselves as is.

Religion

First Christian Church

First Christian Church of Leisure World teaches from God's word, the Holy Bible, most often verse by verse. It is a friendly church that welcomes all visitors.

The Message

In 2 Peter 1:16, the apostle Peter writes, "For we did not follow cunningly devised fables when we made known to you the power and coming of the Lord Jesus Christ but were eyewitnesses of his majesty." Unlike the words of false teachers who spoke in fables or myths, the apostle revealed the "power and coming of the Lord Jesus Christ." This is something that Peter and others were eyewitnesses to and was not some mythical story with a fairytale ending, but something real, and it was nothing less than the coming of the Lord in power.

Scripture of the Week

"Many, O Lord my God, are

the wonders which you have done, and your thoughts toward us; there is none to compare with you. If I would declare and speak of them, they would be too numerous to count" (Psalm 40:5, NASB).

Services

Saturday and Sunday services have the same message delivered by Pastor Bruce Humes. Sunday is a traditional service, with hymnal music provided by Pat Kogok at the piano. Janet Ray will sing a special solo selection this week. Sunday service is from 9:30-10:45 a.m.

Saturday services are more contemporary, with Gregory Black leading worship to guitar accompaniment. Saturday service time is 9:30-10:45 a.m.

The Friday evening prayer meeting is from 6-7.

The weekly Thursday Bible

study is from 11 a.m.-noon. Pastor Humes is teaching a verse-by-verse study of the minor profit book Obadiah that is open to all interested.

Announcements

Hospitality time resumes this week before the Saturday and Sunday service from 8:45-9:15 a.m. Coffee and cookies will be served.

The state of California has recently lifted COVID-19 restrictions with respect to churches. However, Leisure World is a vulnerable community, so First Christian Church asks those experiencing any COVID-19, flu or cold symptoms to stay home.

Anyone who wants to speak to someone at the church or has a need can call (562) 431-8810 and leave a message. The church location is on Northwood Road, behind Carport 125.

Chuck and Sheryl Franco

Assembly of God

Pastor Chuck will begin a new series, "Defining our Mission," with the first part titled, "Love People Unconditionally" from Matthew 22:37. Loving God fully with no reservation is the goal.

The hymn sing is a well-attended event on Sundays at 6 p.m. in the Lobby of Clubhouse 2. Hymnals are provided, and those present can choose a song for the congregation to sing. Associate Pastor Dan Ballinger leads the singing, with Marge McDonald and Norma Ballinger at the instruments. Songs from the group's childhood years are chosen and led by Ruth Olson, who has a wonderful spirit of praise. Pastor Chuck will close the hour with a short devotional, and a time of fellowship follows. Residents are asked to not bring food to the hymn sing yet.

Midweek Bible study, led by Pastor Chuck, starts at 10 a.m. in Clubhouse 2, Room 3. Visitors are welcome to attend.

INTERFAITH COUNCIL

Carnival canceled, backpack drive still on

Originally scheduled for Aug. 11, the Leisure World Interfaith Council’s (LWIC) “Carnival Game Night–Interfaith Style!” has been postponed until COVID-19 restrictions are lifted.

Although the carnival has been postponed, everyone can still participate in sponsoring a backpack for students in need. The need for backpacks and school supplies has never been greater as local students head back to classrooms after the pandemic.

Working through the Community Action Partnership of Orange County (CAPOC), the LWIC hopes to help as many of the 5,000 students in need as possible this year.

Any donation amount will be appreciated, as every \$20 collected will provide a student with a fully stocked backpack with papers, pens, notebooks and folders.

Those who would like to donate can drop off a donation of any amount in the locked LWIC’s prayer request box by the front door of Redeemer Lutheran Church at 13564 St. Andrew’s Drive.

Checks can be made out to the LWIC and whatever funds are collected will be added to the grand total that will be sent to the Backpacks for Success Program at CAPOC.

Community Church

This week, Community Church is looking at the relationship that God seeks with people and how God reaches out to them. The fancy theological words for this are transcendent and immanent. God reaches out for everyone not in one way or the other, but rather in a “both/and” way.

Community Church is a place where everything is designed with the first-time participant in mind. Those who have not felt welcome in church or have never participated in church before are welcome to join.

As Orange County continues to emerge from the pandemic, the church welcomes everyone to participate virtually on Zoom and Facebook, and those who are vaccinated are invited to attend in person.

The sanctuary is open for those who are vaccinated, and services are open virtually for those who either cannot join physically or are still in the midst of their vaccination routine. Full vaccination is two shots after two weeks.

The Delta variant is here in Seal Beach. Current guidance is to mask indoors regardless of vaccination status. Those who are vaccinated are welcome to attend with a mask.

Anyone who missed last week’s message can find it on Facebook.

Those who are in need of assistance can call (562) 431-2503 or email leisurewccsue@yahoo.com.

St. Theodore’s Episcopal

The Rev. Lisa Rotchford will preach “Live, Love, Life!” at the monthly Episcopal worship service at 12:15 p.m. on Sunday, Aug. 8. Join St. Theodore’s for worship, Communion and fellowship at Redeemer Lutheran Church’s sanctuary, 13564 St. Andrew’s Drive. Inspirational hymns will be offered by organist Laura Dickey.

In order to care for one another’s safety and follow the most recent COVID-19 guidelines for all LW buildings, everyone is required to wear a mask indoors.

A prayer-filled service with reflection and Communion is held at 11:30 a.m. in the chapel in the Redeemer Lutheran sanctuary.

Those who are in pastoral need can call the church at (562) 598-8697.

Thirteen of the members posted scores of at least 300; there were 45 such totals. Five of the members had bingos, in which a player used all seven tiles in a single word; there were 11 such moves.
Edgar led with eight scores above 300 and had three bingos. His high score was 420.
Suthy Chhoeuy topped 300 seven times and posted two bingos; her best score was 373. Mary Hobbs had six scores above 300. She scored 90 points on one play, en route to a total of 385.

LW Drone Club

“Fly me to the moon,” Frank Sinatra famously crooned. And while the LW Drone Club definitely wants to fly, it will leave the moon to those with the resources to do so. The club is for people who enjoy flying drones for recreational fun, as a hobby and for other experiences. Members have shared photos and videos that are incredible and absolutely beautiful. Anyone who is interested is invited to attend meetings on the fourth Thursday of every month at 1 p.m. in Clubhouse 3, Room 7. The club hopes you will come fly with it—just not to the moon.

Men’s Golf Club

In the July 28 Leisure World Men’s Golf Club Tournament, two groups of three flights of variously skilled golfers vied for best net scores (gross score minus handicap), plus four circle holes (shots within a 5-foot circle rewarded) and two closest-to-the-pin challenges. The Turtle Lake Golf Course is a well-manicured, 1,658-yard, par-54 course.

A total of 46 golfers played 18 holes through the early morning and into the afternoon. The weather was warm at the first tee time, but the temperature and humidity rose quickly. Until the latter part of the morning, there was no wind, which was welcomed when it came.

The fairways and greens are in very good shape, but the tee boxes have not improved; only 23 of the 46 rounds were net under par, versus 24 last tournament.

All scores below are net (gross score minus handicap). A Flight encompasses golfers with handicaps of 0-7; B Flight, 8-11; and C Flight, 12-18.

A Flight Winners: First place: tie between tournament director Alan Sewell and Jae H. Lee, an excellent 6 under 48; second: tie between Steve Ro and Young Lee, 3 under 51; third: Ron Steele, 1 under 53; fourth: Seung Lee, even par 54; fifth: tie

between Jae Kim, Steve Walker and Bob Barnum, 1 over 55.
B Flight Winners: First place: Bruce Bowles, a nice 6 under 48; second: tie between Bill McKusky and Andrew Kim, a sweet 5 under 49; third: tie between Won Song and Hyun Jun Lee, 3 under 51; fourth: Train Nguyen, 1 under 53; fifth: Youn Lee, 1 over 55.

C Flight Winners: First place: tie between Jong Lee and Manny Miranda, a well-played 5 under 49; second: Dave Winn, 4 under 50; third: tie between Paul Shellenberger and Joon Sup Yoon, 1 under 51; fourth: Rolando Ramirez, 2 under 52; fifth: Byron Schweitzer, even par 54.

Closest to the pin on the 85-yard, par-3 eighth hole was Sewell, and at the par-3 17th hole, it was Steele. There were four circle hole winners but no holes-in-one.

The next Men’s Golf Club Tournament will be on Aug. 11, and the next Guys and Gals Tournament will be on Aug. 18. If you had planned to play and cannot, contact Alan Sewell at (541) 324-8558 or Dave LaCascia at (801) 674-5975 as soon as you know. Arrive 15 minutes prior to your scheduled tee time and be ready to play.

LW Bunco Club

The winners at the July 26 LW Bunco Club meeting were:
Most Buncos: Bev Friedman, Nancy Floyd and Liz Meripol
Most Wins: Pat Wilson
Most Babies: Dolores Ruiz
Most Losses: Vivian Fournier
Door Prize: Sharon Rutigliano
The club meets on the second and fourth Mondays of every month in Clubhouse 3, Room 1; the next meeting is Aug. 9. Play begins at 6 p.m. sharp.
All LW residents and their guests are welcome to play this easy dice game. There’s a half-time social, giving attendees time to chat with friends and neighbors.
For more information, contact Gail Levitt at (562) 596-1346.

Carrie Kumabe (r) returned to a warm welcome from Hui O Hula. With her contagious smile, Kumabe is popular because she knows how to play many musical instruments and how to make other musicians sound great. She performs with the Hui O Hula band every Tuesday upstairs in Clubhouse 6 for the “walk in, hula out” session from 2:30-5 p.m. Regular hula lessons are offered in that space from 1-2:30 p.m., as well as at Veterans Plaza on Thursdays from 1:30 p.m. Contact Kaye Huff at (562) 431-2242 for more performance information.

Men's Golf League Results

On July 23, the David L. Baker Golf Club in Santa Ana hosted 15 men (including three guests) and one woman of the Leisure World Golf League. An executive golf course, Baker is a short 4,000 yards, par 62, and fairly flat, with wickedly placed sand traps and numerous water hazards. Although some of the tee boxes needed help, the greens and fairways were in great condition.

At tee time, the day was warm, overcast, humid and with no wind. When the sun came out later, it became a hot, muggy morning. With the great playing conditions and little wind, the golfers generated nine at- or under-par rounds and five birdies.

All scores are net. A Flight handicap is 0-20; B Flight, over 20.

A Flight Winners: First place: Larry Hillhouse, 7 under 55 and fewest putts; second: tie between Sam Choi and Tim Looney, 6 under 56; third: Gary Stivers, 3 under 59; fourth: Dave LaCascia, 2 under 60. Tim Looney, Choi and LaCascia each had one birdie. LaCascia was closest to the pin on the 140-yard, par-3 12th hole, and Stivers was closest on the 110-yard par-3 third hole.

B Flight Winners: First place: Bob Munn, an excellent 8 under 54; second: Gene Vesely, 6 under 56; third: Ron Sommer, TK; fourth: Liz Meripol, 2 over 72. Vesely and Munn each had a birdie, and Mike Looney and Ron Sommer tied for fewest putts.

Eight golfers then competed on July 26 at the par-71, 6,000-yard Willowick Golf Course in Santa Ana. It was a rainy, humid, overcast round with temperatures in the low 70s and little wind. Willowick has long, wide fairways and small greens,

but no water hazards. The back nine has two par-5s that are more than 520 yards long.

This week, the greens were in excellent condition, but the tee boxes and fairways need to be better maintained. Even with the so-so course conditions and the rain, however, the golfers delivered seven rounds at or under par, plus three birdies and a rare 2-under-par Eagle.

A Flight Winners: First place: Stivers, an excellent 7 under 64, plus fewest putts; second: tie between Choi and Clay Fischer, 5 under 66; third: Jim Goltra, 3 under 68; fourth: tie between Bill McKusky and LaCascia, 1 under 70. Choi was closest to the pin on both the 140-yard, par-3 fourth and the 130-yard 12th hole. Choi had two birdies, McKusky had one, and Fischer had a rare Eagle by chipping in from the fairway.

B Flight Winners: First place: Munn; a very good 6 under 65; second: Lowell Goltra. Munn also had fewest putts.

Friends, ladies, spouses and family are all welcome to play and/or join. The league plays at four local courses, all within 15 minutes of Leisure World. The courses the group play are always quite full, so advance reservations with the league have become the norm, with a sign-up sheet available at each round.

There is a prize pool for each round that players are not obligated to enter. Rewards are given for low net, birdies, closest to the pin on two par-3s, and the lowest number of putts in each flight. Holes-in-one and eagles (2 under par), although infrequent, are generously rewarded. If interested, contact Gary Stivers at (714) 313-3697 or LaCascia at (801) 674-5975.

Ron Clements (l) and Doris Weinert (collecting her prize from Library Operations Supervisor Vanessa Morris as Library Operations Assistant Taylor Greene looks on) were among the raffle winners at the LW Library.

LW Library gives away big rewards to cardholders

More than 250 residents came out for the LW Library's Welcome Back festival on July 28. In addition to goodie bag giveaways, refreshments and games, LWers could enter a raffle simply by showing off their library card.

For the raffle, there were two of each prize. The dining-themed buckets, featuring gift cards to local restaurants including Panera, as well as a small bottle of soda, were won by Ron Clements

and Donna Hughes. Movie night buckets, with gift cards to AMC theaters and movie-theater-sized boxes of candy, were snagged by Herman E. Colvin and Prince Pierson.

Winning bus tickets, each good for a seat on upcoming Library-sponsored trips, were Lin Kelley and Doris Weinert.

"I've never won anything before!" exclaimed Weinert, as she collected her prize.

Yahtzee Club

The winners at the July 23 Yahtzee Club meeting were Debbi Fudge, Shelley Middleton, Marilyn Moody, Suzanne Parks, Kathe Repasi, Lois True, Sandy Weisenstein and Pat Wilson. Moddy also won for Most Yahtzees.

The Yahtzee Club meets every Friday from 12:30-4 p.m. in Clubhouse 3, Room 6. The cost to play is \$2 per meeting. The money goes toward prizes at the end of the game. Everyone is invited to join this friendly club. Those who have no idea what Yahtzee is are welcome to come during the meeting time and learn the basics of the game. The club dues are \$3 for 2021.

Each member should bring a beverage in a spill-proof, clearly labeled container. Anyone with questions or who wants a free lesson should call or text Kathy Rose at (714) 309-6873.

Restaurant Reviews

LW residents are invited to submit reviews of their favorite eateries for publication. Include your name, Mutual and telephone number. Reviews are subject to editing and will run as space allows. Email submissions to pattym@lwsb.com.

LW Orchestra seeks musicians

LW Orchestra is rehearsing without a drummer; the seat is empty. A drummer is needed to fill out the group.

The orchestra is also in need of a trombone player.

Anyone interested or perhaps scared because they have not played in a few years is urged to contact Fred Reker at (615) 898-0669 or fredreker326@gmail.com. Thanks to a wonderful conductor and helpful fellow musicians, many players have regained their musical skills of yesteryear and are now great contributors to the orchestra.

Rehearsals are on Tuesday and Wednesday afternoons in the Amphitheater.

LW Quilting Bee Club

Calling all quilters and needle artists: The LW Quilting Bee Club will resume its meetings at 9 a.m. on Sept. 1 in the Clubhouse 3 Lobby. Anyone who knits, crochets, embroiders or practices any needle crafts is welcome. Members and interested shareholders can bring a current project to work on and/or share, as there is a Sew and Share session at each gathering. Experienced quilters and knitters are ready to assist those who need a little guidance. For more information, contact Marcella Campbell at (562) 588-5062.

Shuffleboard League

The Shuffleboard League is looking for new players. For the month of August, one member of the club's Board of Directors will be at the Clubhouse 1 courts every Tuesday from 9-10 a.m. or later to answer questions, supervise practice and teach anyone wanting to learn the game. The club has a requirement that new players receive 30-45 minutes of training on the rules, etiquette during play and scoring. This is an opportunity to meet new people and get some low-impact, fun exercise. Closed-toed shoes are required. For more information, contact Dave LaCascia at (801) 674-5975.

Genealogy Club opted to have lunch at the El Dorado Golf Course instead of a picnic. Plans for the balance of 2021 and 2022 were discussed. Contact club president Mary Romero at (562) 810-4266 for details.

Send news about upcoming meetings, game winners, etc. to pattym@lwsb.com by 4 p.m. Thursday.

A flower in paradise

There's a lack of nostalgic golden bell,
Garden flowers in Carlsbad*, and
Even cherry blossoms in Descanso**.

In a neighbor's mini-garden
Resting is an unknown flower.
It seldom dates bees and butterflies.
The stem bows respectfully.
The petals wrinkle gracefully.

Full of comfort and peace,
Filled with beauty of recollection,
Bare flower mutters to itself,

Solely embraces the glorious sunrise,
Rolls the shadow at dusk,
Then, she falls asleep in the moonlight

Out of the vicissitude of life
Modest is the flower in paradise.

—Robert Chung, Mutual 4

Community Karaoke

“Cookie lady” Alana Eaby celebrated her birthday July 28 with a full house of friends and popping balloons. Eaby rarely sings at the karaoke parties, but tempts those gathered each week with fresh-baked goodies. Like many others, she loves socializing and appreciating the music of the karaoke performers.

Ric Dizon dedicated “Waltz Across Texas” to the birthday girl. Wayne Urban got the audience engaged with “Chug-a-Lug,” and Don Sunday beamed when receiving a standing ovation for “All the Things You Are.” Welcoming applause were new singers Laura Freedman, Michele Nygard and Anna Le. Vita Villamor sang “Achy Breaky Heart” for a lively group of line dancers. And “My Girl” was a popular selection done by Bob Barnum.

The Monday practice session on the Amphitheater stage is an intimate setting to perfect a tune or try out a new one. Karaoke parties are Wednesdays in Clubhouse 1 beginning at 5:30 p.m. There are always coffee and snacks during this nice night out with neighbors and friends.

LW Art League welcomes Robert Richert

The Leisure World Art League is honored to host a demonstration by Robert Richert, one of California's top acrylic painters, on Aug. 10 at 7 p.m. in Clubhouse 4. People are encouraged to arrive early for a good seat.

Richert is an accomplished painter who grew up in Southern California at a time when open space was abundant. He spent his

childhood exploring and enjoying the outdoors. Throughout his life, he has maintained a curiosity about nature.

He served in the infantry with the U.S. Army in Vietnam in 1969-70 and was awarded an Army Commendation Medal with a "V" device for acts of valor.

After military service, he attended California State University, Long Beach, where he majored in scientific illustration. Inspired by the legacy of Leonardo da Vinci, he learned how to apply the knowledge and discipline of science to the creation of art.

Richert has pursued art full-time since 1982. For most of his early career, his primary subject matter was wildlife, but in the 1990s, he began to devote time toward his passion for scenic beauty. Today, he specializes in California landscapes and seascapes.

His paintings hang in fine art galleries in California and beyond, and several have sold

"Moonlight Mood" by Robert Richert

for five figures. Richert seeks to create dramatic paintings that rise above the generic. People say his paintings are inviting because they transport them to beautiful places where they experience joy and tranquility.

Art League members are encouraged to enter their paintings into the August art show at the meeting by 6:30 p.m. The popular vote decided the theme: "Landscape."

Join the FALW's Anniversary Luau on Sept. 4 to celebrate Hawaiian and Polynesian culture.

FALW

Save the date for the Sept. 4 Anniversary Luau in CH 2

The beauty of the South Pacific Islands has been the envy of many. But to learned scholars, these islands were discovered by accident, by people sailing or drifting from southeast Asia. The most famous are the Hawaiian and the Polynesian Island groups. Their sensual dances were banned by European missionaries because the movements were seen as suggestive. Today, hula dancing, as the world knows it, has been reinstated as a norm to all Pacific Islanders as part of their culture.

The FALW will bring a touch of authentic Polynesian and Hawaiian hula dancing to the community. Hula is a Polynesian dance that was developed in Hawaii by Polynesians who accidentally settled in Hawaii. Hawaiian hula dancers are usually dressed in subdued costumes, while Polynesian dancers are typically more scantily dressed and their dances include emphatic hip movements.

Join the FALW at its Anniversary Luau Celebration on Saturday, Sept. 4, in Clubhouse 2 from 6-10 p.m. and experience a taste of the Pacific Islanders' life. Authentic tropical cuisine will be served and live music played.

This event is the FALW's biggest fundraising program. Tickets are now on sale at \$30 per person.

To RSVP or receive more information, contact Eileen Merritt, (562) 486-1252; Ric Dizon, (714) 225-3597; or Ren Villanueva, (323) 854-6209. Tickets are available in the Hospitality Room from 9:30-10:30 a.m.

American Legion

American Legion Post 327 is excited to welcome all old and new Bingo players this Sunday, Aug. 8, in Clubhouse 2. Doors open at 1 p.m., and the first call is at 1:30 p.m. Bring small bills, as change is limited. The Auxiliary will come around with cookies for 50 cents and other pastries for \$1. Coffee is complimentary. Residents can bring family and friends who are over 21. The more players who participate, the larger the winning jackpots.

SMOOZE CLUB

Lunch and Shop trip on Aug. 29

The Schmooze Club is having a "Lunch and Shop" trip on Sunday, Aug. 29. The group will eat lunch at Nosh, the new and only Kosher restaurant in Orange County, just to enjoy being together once again. After lunch the group will shop next door at the OC Kosher Market for the High Holidays.

The group will gather in the Medical Center parking lot at noon and drive individual cars to the location in Tustin, with the return at approximately 3-3:30 p.m. Those who are willing to be a driver and/or are interested in coming should call Darlene Rose at (562) 347-8088 as soon as possible so she can plan the carpools and make the lunch reservation. People are asked to include their full name, phone number and email address. Masks are encouraged unless eating.

The Smooze Club's first regular meeting will be on Tuesday, Sept. 14, at 10 a.m. in Clubhouse 3, Room. 9.

Chinese Friendship Club

The Chinese Friendship Club meets every Thursday at 1p.m. in Clubhouse 3, Room 1. During the meetings, the group plays games, and members get to know one another better. There will be no refreshments served.

Everyone is welcome to join. The club does not charge membership fees. Call club president Stella Huang at (562) 588-3014 for more information.

Learn the importance of social connection

Isolation and loneliness are known to have negative health effects, especially for older adults. Join the Sunshine Club's meeting on Friday, Aug. 6, at 10 a.m. to hear from Patty Barnett Mouton about how important social connections are to a person's well-being and how people can improve their health by staying connected.

Mouton will also highlight how social engagement can contribute to risk reduction for dementia and other health issues.

The speaker, who wants to remain anonymous, is a professor of ethnic studies and education at a local university. The professor has children in one of the schools that will have the new program implemented in its curriculum. The speaker will explain what the ethnic studies program is and what it is not. There has been a lot of controversy and misinformation surrounding the new program. The Senior Peace Club hopes this presentation will clear up the confusion for LWers.

A question-and-answer period will be held at the end of the presentation.

GAF

Donate to the GAF at no additional cost at Ralphs and Amazon Smile

The Golden Age Foundation (GAF) is a nonprofit 501(c)(3) charitable organization dedicated to making Leisure World a better place to live.

The GAF must raise funds throughout the year to continue providing services to the community. There are now two simple ways for LWers to donate to the GAF without any additional cost.

Shareholders can donate to the GAF during their weekly grocery shopping trip without having to spend more money, thanks to the Ralphs Rewards Program.

Ralphs announced that it is committed to giving over \$2 million through its Community Contributions program. By simply signing up and doing your regular grocery shopping, you can help GAF receive a portion of those funds.

Those interested can sign up for the Ralphs Rewards program by phone or through the Ralphs website at www.ralphs.com. You will need your Ralphs Reward card number or the phone number associated with the account to sign up.

To register over the phone, call (800) 443-4438. Make sure to say GAF's nonprofit organization (NPO) number, FS 519, during registration.

....

Another way LWers can help GAF while they shop is through www.smile.amazon.com. Amazon Smile is a unique, charitable award program funded through Amazon for qualified nonprofit organizations like the GAF. Every time you buy something from Amazon, a small percentage of your purchase will go to the GAF at no additional cost.

When enrolling in Amazon Smile, make sure to select the charity **AMAZON, page 23**

Mini Farm

Anna Derby from Mutual 5 harvested corn she grew after spending four months tending to it in her Mini Farm plot. She says it was a great experience and enjoyed learning how to take care of it. She adds that she tries to spend as much time in her plot as possible as it motivates her to take a daily walk.

LW Birthdays

Marion Klimkowski turned 101 on June 19. Born in 1920, Marion has lived here 20-plus years.

Clifford Pedersen, a shareholder in Mutual 2, turned 104 years young on July 21. Cliff is an amazing fellow, with an incredibly sharp mind. He divides his time between Leisure World and his daughter's home.

Dr. Tong-Nyong Lee (center), an atomic physicist, is a shareholder in Mutual 12. He celebrated his 94th birthday with his sons, Jin-Moo Lee (r), Dr. Myung-Moo Lee, daughter Selena, and his grandson, Dylan,

LWers in need can call (562) 431-9589 to receive a free mobility aid for up to six months.

Mobility Aid volunteers are ready to help LWers

The Golden Age Foundation's (GAF) Mobility Aids program couldn't function if it wasn't for its dedicated volunteers.

The phone line is open 24/7, but the messages are usually received Monday-Friday, between 9 a.m.-4 p.m. Any calls after 4 p.m. or over the weekend will be answered the following day by a volunteer.

Volunteers make sure to call every person who leaves a message to answer questions or to help start the process of receiving or returning a mobility aid.

A mobility aids volunteer is one of a few GAF volunteer positions that can be done at home. These volunteers were instrumental in keeping the mobility aids moving during the pandemic shutdown. The volunteers would receive messages and relay them to the program chair every day to make sure LWers received what they needed.

Volunteers continue to keep Mobility Aids program running smoothly. The program's new chair, Brenda Thomason, has smoothly stepped in and man-

ages the program very well.

For more information about receiving/returning mobility aids, call the GAF mobility aids phone number at (562) 431-9589.

The GAF is nonprofit 501(c)(3) organization. For more information, go to www.GoldenAgeFdn.org.

Democratic Club

by Mary Larson
LW contributor

Democratic Club members and supporters look forward to gathering in-person for the first time in over a year. The meeting will be held on Wednesday, Aug. 18, at noon in Clubhouse 2.

Club leaders are assuming that most, if not all, attendees at the Aug. 18 meeting will have been vaccinated against COVID-19. Nevertheless, in accordance with the latest directives from the California Department of Public Health, all attendees are asked to wear masks regardless of vaccination status. As an added precaution, masks will be provided for those who arrive without one. No snacks or drinks will be served during the meeting.

It is appropriate that this month's Democratic Club meeting will be held two days after the County Registrar of Voters will have begun to mail each registered voter a vote-by-mail ballot packet for the upcoming Recall Special Election. Members can look forward to a productive discussion during the meeting about ways to encourage all Leisure World Democrats and supporters to vote "no recall" of Gov. Gavin Newsom in this election.

Thanks to the foresight of the GRF board, Leisure World voters will not need to be concerned about poll watchers recruited by those who want to recall Newsom on Sept. 14. Voters will be able to deposit their ballots at a secure drop box located at 13531 St. Andrews Drive, in front of the Amphitheater. This voter drop box will be available 24 hours a day beginning Aug. 16. Voters who need assistance in delivering their ballot to the drop box can email democraticclubsblw@gmail.com or call (562) 296-8521.

Voters are also invited to Google "Statement From Officer Whose Recall Is Being Sought" to view Newsom's statement as to why they should vote "no" in this election.

Club members at the Aug. 18 meeting will also have an opportunity to discuss the ramifications of a possible attempt to oust every one of the Los Alamitos Unified School Board trustees, be it a Democrat or Republican. If this second recall election does happen, Leisure World voters have the potential of being a very influential force in the outcome.

The Democratic Club believes it is unfortunate that Orange County educators, parents and students continue to battle over elective ethnic studies courses being incorporated or expanded in local school districts' curricula.

The programing for the Aug. 18 club meeting will also include a preliminary look at what to expect in the June 2022 Primary Election. Of special interest to club members will be plans to recapture the 48th Congressional District for the Democrats.

LW Democrats and supporters who are interested in more in-depth reporting on issues can subscribe to the club's electronic newsletter. There is no charge to subscribe, although readers are also encouraged to join the club if they are not already members. Email democraticclubsblw@gmail.com or call the editor Mary Larson at (562)-296-8521.

Italian American Club

The Italian American Club met for the first time in 16 months on July 21. The next meeting is Wednesday, Aug. 18, at 2 p.m. in Clubhouse 3, Room 2, and will feature a potluck lunch. Residents are asked to bring enough to feed 6-8 people and their own dishes and cutlery.

Those who have questions or comments should call (562) 355-2918.

Y Service Club

As on ongoing project, the Y Service Club is selling long-lasting microfiber cloths to raise funds to send deserving kids to camp. Microfiber cloths and water will clean any surface without chemicals. The cost is \$6 each or five for \$25; free delivery is included. Microfiber cloths make a terrific gift, folded in half, in a card.

Call Glenna Hoff at (562) 296-5040.

PAWS, CLAWS AND BEAKS

Next club meeting will be Aug. 12

The Paws, Claws and Beaks Club picnic was a success. The club will meet again on Thursday, Aug. 12, at noon. New members are welcome to join the club on its animal-loving adventures.

The club will need to know who is coming and what dish each person will bring. This is strictly a potluck event. People must have pets and live in LW to be a part of the club. (Bringing pets to the picnic is optional.)

People are asked to bring a food dish for eight people and RSVP at (714) 423-8279 or jackiehildebrant@gmail.com.

Republican Club

by Brian Harmon
LW contributor

Orange County School Board President Mari Barke will speak at a future LW Republican Club meeting. The date and time were not confirmed as of press time. Barke will speak to the club about Critical Race Theory (CRT), ethnic studies and school choice.

"There is nobody working harder than the president of the Orange County School Board Mari Barke to educate Orange County families and beyond about ethnic studies and CRT," she said in a telephone interview.

"I want to make sure that everyone knows what is in the curriculum and I want to protect parent rights."

She said that the board has already hosted one forum on the subject at the office in Costa Mesa, and another one is coming up on Aug. 24.

"It is important to understand what our children are learning," she said, "because there is a lot of confusion out there."

Barke said that she wants to

make sure that every child in Orange County has the same educational choices that her children enjoyed.

She added that she is very interested in public charter schools and parental choice.

"I believe that every child deserves access to a great education, and they should be able to choose whether they want to attend a traditional public school, a public charter school, a private school or be homeschooled. Every child is unique and therefore should have choices," she said.

She started helping the parent unions in Santa Ana by teaching ESL to adults and supporting their events. At about the same time, Mari decided she could really make a big impact on education in Orange County by running for the Orange County Board of Education.

Barke, a longtime resident of Rossmore, was elected to the Orange County Board of Education in June 2018 to represent the 2nd District. She currently serves as the board president.

After graduating from Cali-

fornia State University, Northridge, with bachelor's in finance, Barke spent 12 years in the insurance industry, progressing from underwriter to commercial business unit manager.

In addition to consulting at a non-partisan California think tank, Barke is very involved in her community. She is an ambassador for the Los Alamitos Chamber of Commerce and sits on the board of directors for the Cypress Chamber of Commerce. She also donates time to Fisher House in Long Beach.

...

The leadership team of the LW Republican Club would like to express its thanks to the Democratic Club for its kind bipartisan in congratulating the 60-member GOP caucus that endorses a reasonable response to climate change. This caucus supports policies that would combat climate change without shutting down the oil, natural gas and coal industries as quickly as humanly possible.

House Democrats formed a similar caucus that has attracted 12 members, at last count.

Obituaries

Mikito Fujii 1933-2021

Mikito (Miki) Fujii was born in Florin, California, and moved to Detroit, Michigan, as a young boy after having been interned in a World War II relocation camp. Thirty-five years later, he returned to California to live in Bellflower, before moving to Leisure World in 2013.

As a resident of Mutual 4, Miki was a member the Golf Cart Club, the Coin Club and the Nikkei Club. He also farmed a community garden spot.

He leaves behind Patricia, his wife of 65 years; daughter Keri; son Eric (Cheryl); and grandsons Jared and Duncan.

Miki's drafting and design career was in the automotive, defense and aerospace industries. He held several design patents for his work at the Fruehauf Corporation in Michigan and later worked at Douglas Aircraft in Long Beach.

Miki lived a full life. A life-long tinkerer, he designed and built his home in Bellflower. He enjoyed working on cars and designing and crafting creative home repairs. He was a food enthusiast who enjoyed eating

as well as cooking. Any time someone needed help, Miki was the first one to show up and the last one to leave. He will be missed greatly by his extended family in Michigan and California.

ROAD from page 1

most commonly cited violations are running stop signs, using cell phones while driving, illegal turning and vehicle registration issues. Speeding is of specific concern in LW, where the posted limit does not exceed 25 mph.

The average California speeding ticket costs \$230 for a \$35 base-fine infraction, and that doesn't include inevitable insurance premium hikes, according to *ticketbust.com*.

Although it varies among insurance companies, older drivers can see premiums almost double. The average car insurance rate increase for California drivers who get a speeding ticket is 42 percent, according to Forbes Advisor's analysis. And for senior drivers, it's often higher.

So it pays to slow down. Whether you are walking, behind the wheel or on a bike, there are rules for all GRF-managed roads.

- They include:**
- All drivers are required to have a valid driver's license in their possession.
 - All LW vehicles must display current state-issued license

plates and carry valid registration papers.

- LW operators of golf carts and low-speed vehicles are not required to possess a driver's license in LW.

- Visitors operating golf carts or low-speed vehicles must possess a valid state-issued driver's license, be 16 years of age or older, and be accompanied by an authorized resident.

- All resident cars, golf carts and low-speed vehicles must have a valid GRF-issued decal. Decals, which are good for two years, are available at the Security Office in Building 5.

- Bikes and electric scooters may display GRF decals to assist in gate access and in faster recovery if lost or stolen. But they are not mandatory.

- Golf carts and low-speed vehicles that are less than 48 inches in width are only permitted on sidewalks from their parking places to the nearest driveway or exit onto the street.

- Low speed vehicles that are more than 48 inches in width are prohibited on all walkways and sidewalks.

- Bikes and mobility scooters may be operated on all walkways and sidewalks in a safe manner under 5 miles per hour.

- Motorized and electric bicycles in power mode may not be operated on sidewalks.

- GRF vehicles, golf carts and low speed vehicles are permitted on sidewalks, lawns and walkways as necessary when operated by GRF employees and third-party contractors.

- Powered vehicles not licensed for street use are prohibited in LW. Exceptions are golf carts under 48 inches wide, mobility scooters and electric bicycles using pedaled propulsion (not power).

- Roller skates, roller blades, skateboards, Segways or similar unpowered or powered vehicles are not permitted in LW.

GRF safety rules include:

- Golf carts and low-speed vehicles operated in LW must have working headlights, brake lights, directional signals and wiper blades.

- Golf carts, low-speed vehicles, bicycles and electric bicycles can't go faster than 5 mph on

sidewalks.

- Golf carts and low-speed vehicles must yield the right of way to all pedestrians, bicycles and mobility scooters.

- Bicycles and electric bicycles are not allowed in GRF buildings.

- Bicycles and electric bicycles must yield the right of way to all pedestrians and mobility scooters.

- Vehicle drivers and cyclists must yield the right-of-way to pedestrians.

DECAL from page 2

Be advised:

- A decal will be valid for up to two years after the date of issuance.

- If a resident's driver's license expires before the end of the two-year period, a decal will expire in the same month the resident's driver's license expires.

- Expired insurance, registration and/or driver's licenses are not valid documents, and no decal will be issued.

- A DMV identification card is not a valid driver's license, and no decal will be issued.

How to report accidents:

- The driver of any type of vehicle involved in any kind of accident resulting in death or injury to a person or animal must immediately stop and call 911. The driver then must immediately notify the Security Department.

- The driver of any vehicle involved in an accident resulting in damages to property must immediately notify the Security Department.

DUMPING from page 2

- Tires

The law prohibits putting hazardous waste in regular waste containers, such as those at the 1.8-acre site.

The closest hazardous waste collection center is Rainbow Environmental Services, 17121 Nichols St., Huntington Beach (714) 847-3581. For more information, call Orange County Waste and Recycling, (714) 834-6752, or visit *OClandfills.com*. Caution should be used when transporting hazardous waste to a collection center due to the potential for exposure to the waste.

The Basic Rules of Sudoku:
• There is only one valid solution to each Sudoku puzzle. The only way the puzzle can be considered solved correctly is when all 81 boxes contain numbers and the other Sudoku rules have been followed.
• When you start a game of Sudoku, some blocks will be pre-filled for you. You cannot change these numbers in the course of the game.
• Each column must contain all of the numbers 1 through 9 and no two numbers in the same column of a Sudoku puzzle can be the same.
• Each row must contain all of the numbers 1 through 9 and no two numbers in the same row of a Sudoku puzzle can be the same.
• Each block must contain all of the numbers 1 through 9 and no two numbers in the same block of a Sudoku puzzle can be the same.

405 Freeway Construction Updates

The Orange County Transportation Authority, in cooperation with Caltrans, is widening the San Diego Freeway (I-405) between SR-73 and I-605. The project is improving 16 miles of I-405 between the SR-73 freeway in Costa Mesa and I-605 near the Los Angeles County line. Construction updates are as follows:

I-405 Lane Reductions for Goldenwest Street Bridge Continue

Crews will continue excavating and installing piles for the center median of the Goldenwest Street bridge over the I-405. This requires northbound and southbound I-405 lane reductions between Bolsa Avenue and Goldenwest. The lane reductions will continue, 5 a.m. to 12 p.m., for approximately five weeks.

Sidewalk Closures on Seal Beach Boulevard for Signal Work

Crews closed the sidewalks at the intersection of Seal Beach Boulevard and Lampson Avenue for permanent traffic signal construction. Activities include the removal of existing sidewalk ramps, installation of new sidewalk ramps, electrical and foundation work. Permanent traffic signal construction began June 1 and will continue for approximately two more months on weekdays. Daytime work hours are 9 a.m. to 3 p.m.

Seal Beach Boulevard and Lampson will be intermittently reduced to two lanes at the intersection for the duration of the work.

Nighttime temporary traffic signal removal and permanent pole installation are anticipated in early July.

This work may be loud. The schedule is subject to change due to inclement weather or unforeseen operational issues.

Bolsa Chica Road Traffic Signal Work

Crews will begin support activities in anticipation of sound wall construction in early August. This work includes relocating the temporary concrete barriers and fencing along northbound Bolsa Chica.

NB I-405 Loop Off-Ramp to Bolsa Avenue Closed

Crews closed the northbound I-405 loop off-ramp to Bolsa on June 18 for approximately three months to accommodate the freeway widening. It should reopen in mid-September.

SR-22 On-Ramp from Old Ranch Parkway Closed

The Old Ranch Parkway on-ramp to the westbound SR-22 closed April 13 for eight months to accommodate freeway widening.

Activities include demolition, excavation, grading, drainage and electrical system installation, concrete pours, and asphalt paving.

Work hours are from 7 a.m.-4 p.m. Crews may mobilize equipment as early as 6 a.m. Nighttime work hours are 9 p.m.-6 a.m.

Almond Avenue Update

Crews are set to work on the foundation of a wall along Almond Avenue between Dahlia Circle and Jasmin Circle, adjacent to the northbound I-405. The foundation consists of approximately 250 cast-in-drilled-hole (CIDH) piles. This activity includes augering large holes, installing forms and steel cages, and pouring concrete into the holes to form the piles.

Following these activities, crews will begin placing rebar, constructing forms and pouring concrete to construct the wall.

Work began July 26, and hours are from 7 a.m.-4 p.m. on weekdays and Saturdays, as needed for approximately two months.

Nighttime activities may also occur between 9 p.m.-6 a.m.

Crews may mobilize equipment as early as 6 a.m., and some activity may occur at night. This work may be loud.

Westminster Boulevard

Crews will excavate and remove concrete from the center median of the Westminster Boulevard bridge. The work is ongoing from 9 p.m.-6 a.m., for approximately one week.

The 405 Community Outreach Team will provide detailed schedule information in future alerts.

Sign up for project-wide and bridge-specific construction alerts at bit.ly/405-signup. Email 405project@octa.net or call (888) 400-8994 for more information.

The I-405 Improvement Project mobile app provides quick access to current traffic conditions, closures and detours, along with project updates and links to contact the project team. Download it from the Apple Store or Google Play.

I-405 Improvement Project automated call and text alerts will now start coming to subscribers from the I-405 Project Helpline number (888-400-8994).

This will allow people to leave messages if they have questions or concerns about the project.

Minibus Orientation Today

A Minibus Orientation will be held today, Aug. 5, and on the first Thursday of every month in Clubhouse 3, Room 3. The classes run from 10-11:30 a.m. Pre-registration is not required.

The GRF Transportation Department will provide information on using the Leisure World Minibus service as well as information on the GRF appointment-based Access (wheelchair) bus service. Information will also be given on other local area bus and transportation services to nearby grocery shopping and medical service destinations.

Today's class will include an in-depth presentation on the new City of Seal Beach Senior Shopping Shuttle to Rossmoor and Old Ranch shopping centers and the Seal Beach Old Town Pier shuttle.

These monthly informational sessions are for new or current shareholders who would like to learn about the Minibus service routes and timetables. For more information, call (562) 431-6586, ext. 372, and ask to speak to Grant Winford, fleet manager.

CITY OF SEAL BEACH

Bathroom Accessibility Program is under way

The City of Seal Beach Bathroom Accessibility Program has been approved for another cycle of funding. This means that starting July 1, the city can spend nearly \$200,000 on grants to Leisure World residents for the Bathroom Accessibility Program.

For over 15 years, the City of Seal Beach has offered the Seal Beach Bathroom Accessibility Program to help residents modify their bathrooms. As of 2020, LWers with more than one bathroom are eligible. Furthermore, in special circumstances, a bench can be added to the fiberglass unit.

In the wake of COVID-19, the administration of this program has changed slightly. There will be no in-person workshops this year. Instead, individual appointments can be made via phone, FaceTime, Zoom or Google Hangouts to ask questions and get individualized advice on how to complete an application. Simply email monique@civicstone.com for an appointment. People can also call (909) 364-9000, but email is preferred. All information is kept strictly confidential.

Any Leisure World resident who has trouble stepping into the shower for any reason is likely eligible for a free bathroom upgrade. The Leisure World Bathroom Accessibility Grant converts the tub/shower combination into a shower-only for safer access. The fiberglass is refinished to look like new, and a custom glass shower door enclosure is installed. Toilets

can be replaced with high-boy models, and grab bars may be added as needed.

The program is made possible through a grant from HUD, Orange County and the City of Seal Beach. To qualify, applicants must be over 55 years of age and have an annual income below \$75,300 if you live alone, or the limit is \$86,050 per year for a two-person household. Savings do not disqualify you.

"Many residents get confused about the application process," said Monique Miner of Civic-

Stone, which administers the program. CivicStone was hired by the City of Seal Beach 15 years ago to facilitate the bathroom grant program. "Residents don't realize you can have substantial savings and still qualify for the free upgrade. We are just a phone call away and can help residents apply for the completely free upgrade. But don't delay completing your application because funds are limited."

For more information, email monique@civicstone.com or call (909) 364-9000.

SB Police Report

Four people have been identified as suspects in a burglary that occurred at the historic Bay Theatre, currently closed to undergo renovation, in downtown Seal Beach. On June 29 at about 3 p.m., the Seal Beach Police Department received a call of a possible burglary at 340 Main St. Contractors working on the property reported that multiple suspects accessed the Bay Theatre during three separate occasions between June 25-26. Video surveillance captured the suspects entering and exiting the building. The suspects appeared to be teenagers or young adults and familiar with the area.

During one of these incidents, suspects took an antique sign and other items from inside the theater. Additionally, the suspects vandalized the inside of the building using markers and spray painting graffiti on various surfaces. This graffiti included a crudely drawn swastika with a circle around it and a line through it.

During the course of this investigation, four suspects were identified, two of whom are juveniles. The involved suspects are cooperating with the investigators, and property that was stolen has been returned.

This is an ongoing investigation, and the identity of the suspects will not be released at this time. Based on information obtained at this point in the investigation, detectives do not believe a hate crime was committed and are working closely with the Orange County District Attorney's Office to review potential charges.

Anyone with additional information is encouraged to contact Detective Jorge Muñiz at (562) 799-4100, ext. 1109, or jmuniz@sealbeachca.gov.

CalFresh Benefits

CalFresh can help qualifying Leisure World residents receive healthy fruits and vegetables, among other groceries. Recipients receive a card similar to a debit card with money loaded every month to shop for fruit, vegetables, protein and other healthy foods. CalFresh is funded by the USDA and administered through the Community Action Partnership in Leisure World to help improve the health and nutrition of people with lower incomes.

Requirements to Apply

- You must have at least one citizen or legal permanent resident with a Social Security number living in your household (including children).
- You may qualify for CalFresh even if you have a full- or part-time job.
- Gross monthly income must be less than the amounts listed: One-person household, \$2,128; two-person household, \$2,874.
- Seniors, those on SSI or those with a disability can apply and may be eligible for CalFresh.
- Documents needed to apply: photo ID, Social Security card, proof of income and resident card (if applicable, receipt of rent and receipt of one utility bill).

Upon application, income and many other factors are taken into account to determine eligibility. For more information or to apply online, call 1-800-281-9799 or go to <https://www.mybenefitscalwin.org/>.

Residents who need help applying can contact Robann Arshat in GRF Member Resources at (562) 431-6586, ext. 317, or Robertaa@lwsb.com.
