HALLOWEEN IS HERE

Flags in Mutual 12 herald Halloween. Ghouls, goblins and witches haunt LW

In 2021, 65 percent of Americans plan to take part in Halloween celebrations, up from 58 percent in 2020 and just short of 68 percent in 2019. U.S. consumers are projected to spend a record \$10.14 billion on Halloween, substantially more than the \$8.05 billion spent in 2020 and \$8.78 billion in 2019, according to *Investopedia.com*. There may not be much trick-or-treating in LW, but scary decorations are everywhere. *For a preview, see page 17.*

Thanksgiving Special

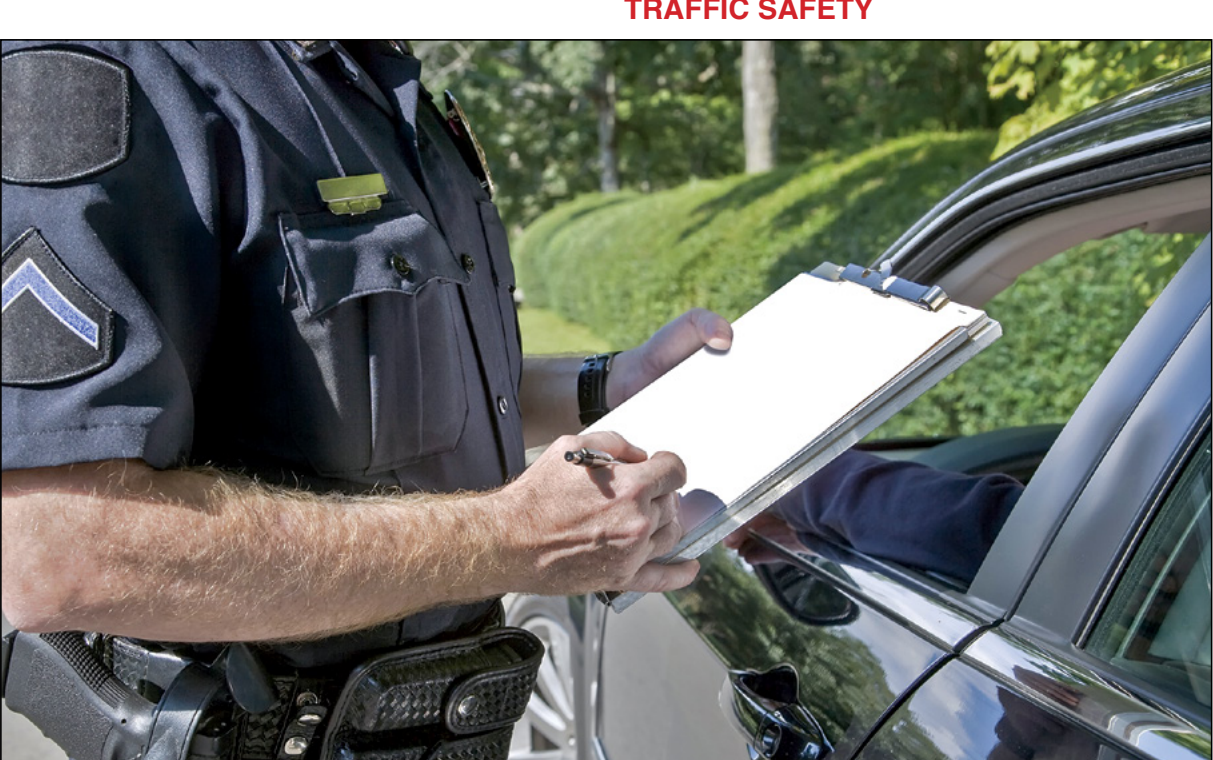

Practicing gratitude has numerous mental and physical health benefits, and the season that celebrates thanksgiving is nearly upon us. The challenges brought by the pandemic weigh heavy at times, but the sun still shines. The LW Weekly would like to focus on all that makes this community great with a special Thanksgiving feature in the Nov. 25 issue. Residents are encouraged to send in a paragraph or two on something they are thankful for and/or their favorite holiday charities to help someone in need. Send submissions to rutho_news@lwsb.com by Nov. 18.

North Gate Sound Wall

Crews were scheduled to begin work on the foundation of two walls along southbound I-405 adjacent to North Gate Road Tuesday. Workers will use an auger to drill large holes, install forms and steel cages, and pour concrete into the holes to form 130 cast-in-drilled-hole (CIDH) piles. The work will begin on the north end of the wall and will proceed south. The job is expected to take about six weeks. *For more information, see 405 Improvement story, page 3.*

Golf Course Closed

Turtle Lake Golf Course will be closed for maintenance this Saturday, Oct. 30. The course will open as usual on Sunday at 7:30 a.m. For more information, contact kathyt@lwsb.com or call (562) 431-6586, ext. 398.

SBPD has issued 125 citations since Oct. 4 in LW and reports that violations are on the rise. LWers regularly complain about unsafe drivers to Security and SBPD. The GRF is looking for solutions to the growing problem. Most of the citations are for unlicensed drivers, speeding and running stop signs.

Security, SBPD seeking ways to foster safe driving

Pedestrians, bikers, scooters and carts share LW streets with cars. Drivers, bikers and walkers should be alert in intersections, where traffic merges. A woman was injured in an accident Oct. 15 after a car collided with her scooter as she was crossing the road. The speed limit is 25 mph in LW.

Traffic safety is a growing concern in Leisure World. With two recent car-vs.-scooter collisions that caused injuries and an increasing number of tickets being handed out, Seal Beach police, GRF officials and Security staff are seeking ways to calm traffic and bolster safety on LW streets. Security Services Director Victor Rocha and Seal Beach police, who are routinely in LW for traffic control, report that traffic violations inside LW are escalating. Since Oct. 4, SBPD has issued about 125 citations here for various violations, according to Sgt. Jordan Mirakian. SBPD Detective Jon Ainley reported that LW residents regularly communicate to him their concerns about unsafe drivers. Ainley and Mirakian are reviewing various options to help mitigate the ongoing problem, including compliance checkpoints for infractions such as failure to have a driver's license and other forms of directed enforcement. SBPD will ultimately present potential remedies for consideration by the GRF. Meanwhile, Security is looking at speed cushions and similar traffic calming devices, among other solutions, including ways to stop unlicensed drivers from operating vehicles inside LW. To that end, Security has requested that the LW Weekly and other LW information outlets inform residents that anyone operating a vehicle in LW is required to have a valid DMV license any time they drive, no matter how short the trip. Also the speed limit in LW is 25 mph. Drivers should come to full stops at all signs and lights, and be alert for pedestrians, carts, scooters and bikes in intersections.

Julian Pietrzak has been serving 580 LW homes since 1991 and plans to retire at the end of the month.

Beloved mailman to retire after 30 years walking his LW route

by Ruth Osborn
rutho_news@lwsb.com

Residents in Mutuals 4, 5, 6, 7 and 8 are sorry to see their faithful, funny and chummy mailman call it a career after 30 years of solicitous service and lots of dog treats for their furry friends. Julian Pietrzak has been serving LW since 1991 and plans to retire at the end of this month. In addition to distributing letters and packages, he has liberally lent a helping hand, a listening ear and keen sense of humor (maybe a little off-color at times, he admits). "I've experienced numerous acts of kindness. People are so nice and kind," said the Cypress resident, who has an easy smile and affable personality. It's also flat and safe here, two big pluses for Julian.

Power Outage Last Weekend

Thousands of LW residents were left in the dark Saturday, Oct. 23. A power pole located on El Dorado Drive adjacent to the RV Lot and Mutual 8's Building 199 suffered a critical failure due to age and condition of the pole (not a vehicle collision). The top of the pole just snapped, according to a video captured by RV lot cameras. The failure caused a widespread power outage throughout the community Saturday. Seal Beach police and Security closed the intersection of Oakmont and El Dorado streets to protect pedestrians and vehicles and alerted Southern California Edison, which was immediately on scene to make repairs. Power was out for about 24 hours, with full restoration by mid-morning Oct. 24. To report a power outage, residents should call 1-800-611-1911. For more information on power outages in general, log on to sce.com.

Emergency Expo

The annual Emergency Preparedness Expo will be Oct. 30 in Clubhouse 2 from 10 a.m.-2 p.m. with several emergency preparedness supply vendors. Residents will be able to purchase anything they may need for survival kits and grab-and-go bags. In addition to the vendors, there will be Leisure World service clubs, face painting, live music, barbecue and much more. Leisure World bus service will be available throughout the event. Face masks are required to enter.

Area Codes Required

LW residents who have 562 area codes now have to add those three digits when making phone calls to people who share their area code. Those with the area codes 562, 626, 949 and 951 must dial all 10 digits as of Oct. 24 as part of a federal mandate that will give the National Suicide Prevention and Mental Health Crisis Lifeline a shorter phone number. That means when calling from a cell phone, even if you have a 562 number and place a call to a 562 number, you must include the area code when dialing. It is recommended that you update contact lists saved to your cell phone in compliance with the 10-digit format. Local calls dialed with only seven digits will reach a recording that the call cannot be completed as dialed. Callers must hang up and dial **FCC, page 11**

The City of Seal Beach will start construction of a berm to protect against beach erosion and winter storm/wave damage to the beach and adjacent structures, according to city officials. This berm (above, to left of photo) was made of mounded sand in 2019.

CITY OF SEAL BEACH

Winter berm construction to start

The City of Seal Beach started construction of the annual winter sand berm project this week. The work will extend through November. The berm will be built along the beach from the pier easterly to approximately Dolphin Avenue. Crew Inc. will construct the berm. In addition, this fall, the city will concurrently perform back-passing, which is the process of removing beach sand from the west side of the pier and bringing it to the east side of the pier. This process is performed periodically due to wave run-up carrying sand from the east beach to the west beach. The contractor will stage its equipment in the 10th Street beach parking lot. The city's public works department will have a portion of the parking lot coned off in preparation for the work. The berm, an annual fixture at the beach, is a popular place to watch a sunset and is usually taken down in April. For further information regarding this project, contact David Spitz, associate engineer, at (562) 431-2527, ext. 1331. —from the City of Seal Beach

405 Improvement Project

The Orange County Transportation Authority, in cooperation with Caltrans, is widening the San Diego Freeway (I-405) between SR-73 and I-605. The project is improving 16 miles of I-405 between the SR-73 freeway in Costa Mesa and I-605 near the Los Angeles County line. Construction updates are as follows:

North Gate Road

Crews are set to work on the foundation of two walls along southbound I-405 adjacent to North Gate Road.

The foundation consists of 130 cast-in-drilled-hole (CIDH) piles. Crews will use an auger to drill large holes, install forms and steel cages, and pour concrete into the holes to form the piles. The work is set to begin on the north end of the wall and will proceed south.

The job was expected to begin Oct. 26 and take about six weeks to complete. Work hours are from 7 a.m.-4 p.m.

Crews may mobilize equipment as early as 6 a.m., and some activity may occur at night.

This work may be loud.

Westbound SR-22 On-Ramp from Old Ranch Parkway Closed

Crews closed the Old Ranch Parkway on-ramp to the westbound SR-22 on April 13 to accommodate the freeway widening.

Activities include demolition, excavation, grading, drainage and electrical system installation, and concrete pours and asphalt paving.

Daytime work hours are 7 a.m.-4 p.m. Crews may mobilize equipment as early as 6 a.m. Nighttime work hours are 9 p.m.-6 a.m.

Northbound I-405 Loop Off-Ramp to Bolsa Avenue Closed

Crews closed the northbound I-405 loop off-ramp to Bolsa on June 18 to accommodate freeway widening. The ramp is anticipated to reopen in late November.

I-405 Lane Reductions for Center Median Work

Crews will continue to perform work in the center median on the I-405 at the Bolsa Avenue bridge. This work will require north- and southbound I-405 HOV lane reductions between Bolsa Avenue and Goldenwest.

Lane reductions will continue from 5 a.m.-noon, for approximately two more months.

Sidewalk Closures on Seal Beach Boulevard for Signal Work

Crews closed the sidewalks at the intersection of Seal Beach Boulevard and Lampson Avenue for permanent traffic signal construction.

Activities include the removal of existing sidewalk ramps, installation of new sidewalk ramps, and electrical and foundation work.

Permanent traffic signal construction and the sidewalk closure will continue through December. Daytime work hours are 9 a.m.-3 p.m.

Seal Beach Boulevard and Lampson will be intermittently reduced

CLICK IT OR TICKET

It's against the law—and unsafe—to drive without buckling up

Seal Beach Police are routinely in Leisure World these days, handing out tickets to scofflaw drivers. Some are cited for blowing through stop signs and some, for speeding. But on a recent day, more than 40 percent of the citations were given for failure to wear seat belts, according to Seal Beach police.

It can be an expensive oversight: The cost of an adult seat belt violation in California is \$162. Senior drivers can expect dramatic hikes in insurance rates as well.

Motor vehicle crashes are a leading cause of death among those aged 1-54 in the U.S., according to the Centers for Disease Control.

More than half of the people killed in car crashes were not restrained at the time of the crash. Wearing a seat belt is the most effective way to prevent death and serious injury.

It's that simple, and it's also the law.

Fastening seat belts in moving cars is mandatory, regardless of the distance or the speed of travel.

California's first seat belt laws took effect Jan. 1, 1986, and required both drivers and passengers to wear seat belts when they ride in a passenger vehicle in California.

But seat belts have been around a lot longer than that.

The seat belt was invented in the 19th century but was not used in the vehicle industry until 1922 beginning with the lap belt in the

Indy 500 race cars. The three-point vehicle seat belt was not introduced till 1959, according to Wikipedia.

"Click It or Ticket" debuted in California in 2005, and since then, the state's seat belt use rate has increased from 92.5 percent in 2005 to 96 percent in 2018, according to OTS.

The National Highway Transportation Safety Agency (NHTSA) estimates that seat belt use has saved more than 375,000 lives since 1975.

There are several benefits to seat belts:

- Prevents people from being ejected from vehicles.
- Protects from the life-threatening force of an airbag, which can cause serious injury to the unrestrained.
- Contributes to passenger safety.
- Reduces car insurance rates.

The NHTSA conducted a study of car crashes between 1960 and 2012, looking at how various vehicle safety technologies impacted accidents.

Technologies included popular safety measures like vehicle airbags, electronic stability control, power steering and anti-lock brakes.

The study found that seat belts saved more lives than all other safety measures combined, with seat belts alone credited for saving hundreds of thousands of lives.

In a head-on collision between two vehicles traveling at 25 mph, there is a 50-mph impact, which is strong enough to deploy air bags and cause severe injury.

LWers are urged to obey the law and buckle up to stay safe, protect passengers and avoid costly tickets.

Letters to the Editor

Editor:

I am writing in response to Gina Kano's letter to the editor in the Oct. 21 issue of the LW Weekly. I don't think it is inappropriate for our community paper to let people in our community know how they might secure a "God Bless America" cross.

We have far too much divisiveness here. Democrats, Republicans, Christians, non-Christians, different ethnicities, straight, gay, etc.

Many people don't know how to get along with those who do not share their own views.

And why stop with censoring this one group? Why not attack the two pages of religion news that appear each week, since the writer seems concerned with "offending non-Christians"?

I have many friends here who have differing views from mine. I enjoy talking with them and finding our common ground.

We don't agree on everything, but we have a lot of common ground.

Those placing crosses in their gardens have the right to do so, and the group making and distributing them have the right to let people know how they can secure one.

For what it's worth, I do pray that God will bless America, and I, too, have one of those crosses in my garden.

Editor:

I would like to thank all of the members of the LW Theater Club for the dedication of their personal time to create the original material and the unique stagecraft for their free show presented Oct. 16.

It was clear the show must have taken an immense number of hours to produce.

For me, in four years of shows, this most recent one had the most interesting theme by leaps and bounds, and the stagecraft to create the time travel scenes was absolutely superb.

Veterans, whether they are an American Legion member or not, will dine for free.

An optional, nominal donation to support veterans programs is requested from guests of the veterans.

The meal will consist of barbecued chicken and side dishes. Soft drinks, liquor, beer and wine will be available for purchase.

People should RSVP by today, Oct. 28, by calling (714) 306-1485. Veterans should leave their first and last names, branch of the service in which they served, and if they plan to bring a guest.

Minibus Orientation

A Minibus informational meeting is held on the first Thursday of every month in Clubhouse 3, Room 3, to help LW residents use LW's transportation service. Reservations are not required.

The next orientation is set for Nov. 4.

The GRF Transportation Department provides information on the Minibus service and the GRF appointment-based Access bus service for people with mobility challenges. Information on other local area bus and transportation services to nearby grocery shopping and medical service destinations is also presented.

Meetings often include information and updates on the City of Seal Beach Senior Shopping Shuttle to Rossmoor and Old Ranch shopping centers and the Seal Beach Old Town Pier shuttle.

Monthly informational sessions are for new or current shareholders who would like to learn about the Minibus service routes and timetables.

The LW Minibus service is a community transportation service for everyone. Residents, Leisure World employees, visitors, family members of residents and caregivers can all ride the minibuses.

Anyone who has a valid pass to enter the community can ride on the LW buses.

The only rule is each person must be 18 years of age or older or accompanied by someone who is 18 years of age or older.

Elesha and Victor Wadel of Mutual 10 have decorations inside and out. This witch is on their mantle. For more spooky LW decorations, see page 17.

Halloween Happenings

Halloween is a good time to dress up, get away and have some fun. There are a couple of options outside of LW.

The Los Alamitos Recreation & Community Services Department will host its annual Trunk-or-Treat event at Little Cottonwood Park. The free event will offer fun family activities for all ages. Food is available for purchase. Bring the grandkids to Little Cottonwood Park, 4000 Farquhar Ave., Los Alamitos; (562) 430-1073.

• Knott's Scary Farm

Professional "scare-masters" have transformed the old Berry Farm into Knott's Scary Farm for another year of Halloween fun. Every year, all 160-acres of Knott's Berry Farm are transformed into your worst nightmare with themed mazes, live shows and more. It's open until Oct. 31. Knott's Berry Farm is located at 8039 Beach Blvd., Buena Park.

First Christian Church

First Christian Church of Leisure World teaches from God's word, the Holy Bible, most often verse by verse. It is a friendly church that welcomes all visitors.

Services

The First Christian Board is pleased to announce that services will resume at the church on weekend of Nov. 6-7. Saturday and Sunday services will be from 9:30-10:45 a.m. Wednesday Bible Study will begin on Nov. 10 at 10 a.m. The study will be taught by Jack Frost. Friday night prayer group has resumed and meets weekly in the church at 6.

Message

"Blessed are they whose transgressions are forgiven, whose sins are covered. Blessed is the man whose sin the Lord will never count against him" (Psalm 32:1-2).

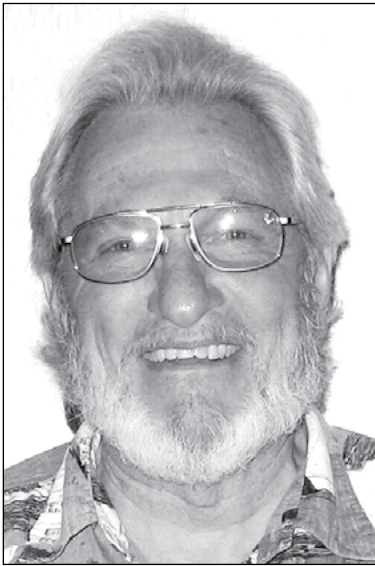

Scripture clearly states all have sinned and fall short of the glory of God. How can man set things

right to achieve this promise of forgiveness? The New and Old Testaments of the Bible state there is a righteousness from God that is given to all that believe in his son, Jesus Christ. Romans 4:24 states this righteousness is given freely by his grace.

God sent his son to dwell on Earth and ultimately die as a sacrifice of atonement. Simply put, a person who truly believes that God sent his son, Jesus Christ, as a perfect atonement and asks for forgiveness can receive the free gift and blessing described in Psalm 32. There are 66 books of the Bible that tell this story over and over from beginning to end. Faith, forgiveness and a multitude of promises are included in the pages of those books; reading them has changed the lives of an innumerable amount of people throughout the ages.

Scripture of the Week

"Therefore behold, I will once

again deal marvelously with this people, wondrously marvelous" (Isaiah 29:14).

Announcements

Anyone who wants to speak to someone at the church or has a need can call (562) 431-8810 and leave a message.

Guest speaker Suzy, who was wrongly incarcerated for 17 years, wrote "freedom" on her shoes as evidence of her belief that God would free her.

Faith Christian Assembly

Faith Christian Assembly's prison ministry spotlight service was a well attended and thoroughly enjoyed event. Those who attended heard about God's present day miracles. Earlene Leming, who played prison pianos for 30 years, performed and the women from her book, "The Higher Call," shared their stories.

One of the speakers, Suzy, had placed a pair of tennis shoes that belonged to her on the piano lid. Printed on bottom of each shoe was the word "freedom." Suzy had been sentenced to life without parole and was wrongly incarcerated for 17 years. While still in prison, she wrote her destiny on each of her shoes. Her presence at service was the evidence to the miracle of the freedom she now experiences.

Suzy and Viola were both in the Lifers Leadership Class taught by Leming at Valley State Prison. It was Viola's dream to provide aftercare homes for women recently released from prison. That night, proof of the reality of her vision was on display during a photo presentation by a member of the Aglow Prison Ministry Board. Those in attendance were inspired to believe in God to provide for their own miracles.

Sunday service times at Faith Christian Assembly are at 10:30 a.m. and 5:30 p.m. The pre-service prayer is Saturday at 5 p.m., and the midweek Bible study is held on Wednesdays at 11 a.m. Grief Share also meets every Wednesday at 5:30 p.m. in the Garden Room.

Those who would like a copy of Leming's powerful book "The Higher Call" can call the church (562) 598-9010 or email contact@fcachurch.net.

To receive a free newly designed newsletter and for more information on the church, call (562) 598-9010 or visit the website at www.FCAchurch.net.

Community Church

Community Church's annual "Sock it to Me" sock drive for Veterans will run through Sunday, Nov. 7. The Missions Team is accepting donations of new white men's and women's socks or monetary donations toward a bulk purchase. The socks will be delivered to the Long Beach VA hospital. People can bring socks or monetary donations to Sunday worship or to the church office Monday-Thursday.

In-person worship for those who are "masked, vaxed and relaxed" on Sunday, Oct. 31, at 9:50 a.m. Virtual services will still be available for those who are not ready to come back yet.

Community Church is a place where everything is designed with the first-time participant in mind. Those who have not felt welcome in church or have never participated in church before are welcome to attend.

Community Church is on Facebook @CommunityChurchLeisureWorld. Those not on Facebook can contact the church office for the Zoom link.

Missions Team members Peggy Coles (l), Pastor Johan Dodge, Joyce Reed and Kelly Frankiewicz at Community Church's "Sock it to 'Em" sock drive pre-COVID.

Pastor Johan Dodge likes to remind all who are present that the word Gospel means "good news," and if the word of God is being used in a way that isn't good news, then it isn't the true Gospel.

This week, Community Church will celebrate All Saints Sunday. All Saints is a day to remember people who have been lost in the past year. The last two years have been an ordeal, and

although the pandemic is not completely finished, people can find comfort in knowing that God weeps with them. Anyone who would like to remember someone who has passed this year by having his or her name read or have a candle lit in their honor, can contact the church office on Oct. 28-29 by calling (562) 431-2503 or emailing leisurewccsue@yahoo.com.

All Saints

The feast of All Saints this year is on Monday, Nov. 1, Because it falls on a Monday, it is, therefore, not a Holy Day of Obligation. Holy Family will conduct daily Mass at 8:30 a.m.

All Souls

Beit HaLev

Livestream services are every Friday at 6 p.m. and Saturday at 10 a.m. (note that the Saturday Shabbat service is now starting at an earlier time).

The Torah reading for this Shabbat is called "Chayei Sarah," or "The Life of Sarah" (Genesis 24:52-25:18). It is the events following the matriarch's death. Avraham has sent his servant to the land of his birth to find a wife for his son Yitzchak. The Third Triennial Cycle reading is the introduction of Rivka, who will be Yitzchak's wife. The Torah relates the moment the two young people meet for the first time and a beautiful moment when Yitzchak brings Rivka into his mother's tent and "loved her." It is the first time the Torah describes a man's love for a woman. At the end of the reading, Avraham dies and is buried by his two sons, Ishmael and Yitzchak, together.

All Beit HaLev services use the special prayerbooks, "Lev L'Lev," which include excerpts from the Reform Siddur, "Mishkan HaT'filah." Printed versions of the prayerbooks will be available for sale when Beit HaLev resumes live, in-person services.

Redeemer Lutheran

Ever wondered what the beautiful painting outside the Redeemer Lutheran Church celebrates? It's the beginning of the Reformation! Exactly 504 years ago, on All Souls Eve (Halloween, meaning "Hallow's Eve"), Oct. 31, 1517, the Rev. Dr. Martin Luther nailed 95 proclamations to the church door of Wittenberg, Castle in Germany. All protestant churches remember this day with joy, as modern church

Assembly of God

Laurence J. Peter said, “Speak when you are angry, and you’ll make the best speech you’ll ever regret.” Minor differences of opinion can be blown up into major conflagrations when one gives vent to anger. Everyone gets angry. How one manages anger can influence every part of life, from interpersonal relationships to one’s health and longevity.

Since God is the one who created humans, it makes sense that he would have something to say about anger. Proverbs 29:11 says, “A fool gives full vent to his anger; but a wise man keeps himself under control.” It is a wise thing to ask where you fit in that continuum, one who is foolish or one who is wise.

As Pastor Chuck Franco continues the sermon series in Psalms, he will use Psalm 2:1-12, which talks about the anger of the ungodly, for the message on Sunday, Oct. 31, at 10:30 a.m. in Clubhouse 3, Room 2. Join Leisure World Assembly of God for a challenging message, traditional worship music and powerful prayer.

The Bible study group will complete session six and begin session seven in Colossians on Wednesday at 10 a.m. in Clubhouse 3, Room 2. The study will focus on chapters 3:1-17 and 3:18-4:1. This interactive Bible study is prompting excellent questions, discussion and testimony from the participants.

As Leisure World moves forward through the current COVID restrictions, we anticipate returning to more of our regular activities. Please consult the bulletin for updates, or check the website, lwassemblyofgod.com, for calendar changes and additions.

If you would like prayer, a personal contact from a pastor, or have not received a DVD of the Sunday morning sermon and would like one, contact Pastors Chuck and Sheryl Franco at (562) 357-4360 or pastorchuck@lwassemblyofgod.com, or Carolyn van Aalst for prayer requests.

Congregation Sholom

Congregation Sholom will conduct services on Friday, Oct. 29, at 6:30 p.m. with Rabbi Mike Mymon and on Saturday, Oct. 30, at 9:30 a.m. with Rabbi Eric Dangott via Zoom.

New members who want to watch the livestream should contact Jeff Sacks by texting (714) 642-0122 or emailing jfsacks@gmail.com. The link will have the meeting ID and password embedded. Those who want more details or need to practice can call Jeff ahead of time. The phone number to call for those who do not have Internet service is (669) 900-9128.

To join the Zoom meeting, go to <https://us02web.zoom.us/j/3752519429?pwd=UDREWTA1N21jaXVUZUhyQmY1U01JQT09>. The meeting ID is 375 251 9429, and the passcode is 8ZYy69.

The walking group meets every Monday and Wednesday at 6 p.m. at Clubhouse 3, Bus Stop A.

The book club will meet on Wednesday, Oct. 27, at 7 p.m. via Zoom. The group is reading a short story titled “Bruno’s Metamorphosis” by Steve Stern, from the book “Here I Am.” To join, go to <https://us02web.zoom.us/j/3752519429?pwd=UDREWTA1N21jaXVUZUhyQmY1U01JQT09>. roots are found in this historical moment.

Anna Derby

Leisure World Korean Community Church members and friends gathered for a picnic on Oct. 17.

LW Korean Community Church

Leisure World Korean Community Church (LWKCC) enjoyed an outdoor Sunday worship service in the picnic area next to Clubhouse 1, where friends and neighbors were also invited to join on Oct. 17. The event was held annually in the past, but

was cancelled last year due to the pandemic.

The church plans to hike the Hollywood sign on Tuesday, Nov. 2.

LWKCC is located next to the South Gate, inside Community Church’s sanctuary. The Sunday

worship service, led by Senior Pastor Jang Young Yong, begins at 11:50 a.m. inside the sanctuary, and early morning worship is held Tuesdays-Saturdays.

For more information on the church, call Pastor Jang Young Yong at (714) 323-8097.

LW Baptist

LW Baptist Church meets in Clubhouse 4 at 9:15 a.m. for Sunday school with Don Absher on Oct. 31. Sunday worship begins at 10 a.m. with the worship song, “Leaning on the Everlasting Arms,” expressing the message’s theme.

In Luke 18, Jesus tells two stories about believing prayer and draws two series of contrasts. The stories describe a respected Pharisee and a despised tax collector praying, as well as a persistent widow and a crooked judge. The two lessons are that a believer’s faith must be in God, not in themselves, and that faith in God must inspire believers to keep praying without growing weary.

The men meet for fellowship and study on the Sermon on the Mount on Mondays at 10 a.m.

The midweek meeting is held Wednesday at 3 p.m. in Clubhouse 3, Room 1. It will explore Malachi’s prophecy in chapter 2 on God’s matchless family design.

For more information, call (562) 430-8598.

Church of Jesus Christ of Latter-day Saints

In his opening remarks in the October 2021 General Conference, President Russell M. Nelson declared, “There has never been a time in the history of the world when knowledge of our savior is more personally vital and relevant to every human soul. Imagine how quickly the devastating conflicts throughout the world—and those in our individual lives—would be resolved if we all chose to follow Jesus Christ and heed his teachings.”

Nelson invites all church members to listen for three important things in the conference addresses: pure truth, the pure doctrine of Christ, and pure revelation. He said, “There is such a thing as right and wrong. There is absolute truth—eternal truth. One of the plagues of our day is that too few people know where to turn for truth.”

Nelson went on to declare that “pure doctrine of Christ is powerful. It changes the life of everyone who understands it and seeks to implement it in his or her life. The doctrine of Christ helps us find and stay on the covenant path. Staying on that narrow but well-defined path will ultimately qualify us to receive all that God has.”

As he concluded his remarks, Nelson promised that the revelation received in answer to the sincere questions in believers’ hearts will be “rewarding and unforgettable.” He challenged people to seek “the ministering of the Holy Ghost to help you hear what the Lord would have you hear.”

People can watch, listen to and read all the conference addresses online at www.churchofjesuschrist.org. The printed transcripts of all conference addresses will appear in the November issue of Liahona magazine.

GOODBYE from page 1

He's in constant motion for most of his day, which starts at 8:30 a.m. and can end at 8 p.m., if he's covering someone else's shift.

That can add up to 18-20 miles, so level ground is a big plus.

As for feeling safe, in all his 30 years, he's never been physically threatened, by man or dog, in LW.

He took care of any potential canine conflict by doing what he does best, building a rapport, this one between him and the dogs on his route.

In 2001, when dogs were first allowed in LW, Julian knew it could be a problem for him. So he researched and found the best treats—Pup-peroni is what the dogs like best—and he keeps a package in his top pocket at all times.

It's a win-win. Most of the dogs on his route are happily waiting for his arrival, along with many of their humans.

Julian's service often goes above and beyond delivering the daily mail. He doesn't have to brave sleet and snow, but there

were times when he was able to save the day for LWers.

One time a woman fell and could not get up. He heard her screaming and was able to help her up and calm her down.

He's been known to fix a quick breakfast for the infirm, and he routinely gives time he can't really spare. (The U.S. Postal Service equips mail carriers with GPS devices that track their movements to make sure they are covering their routes as quickly as possible.)

He listens to people. He tells jokes to make them laugh. He knows that, for some, his visit is the only one of the day.

"I'm very outgoing," he said. "I try to make friends. I want to help people. If something needs doing, I will do it."

"He isn't just a mailman," said Gloria Arganda of Mutual 4. "He checked on me, listened to my stories and my problems. I'm going to miss him so much."

She's not the only one.

"I have lived in many places,

and I have never had a mailman like Julian," said Kathy Bloomfield of Mutual 4. "I have nothing but praise for this man. He is just beloved."

She, her husband, Mark, and several of their like-minded neighbors are helping coordinate a retirement party on Nov. 7 from noon-3 p.m.

They hand-delivered over 550 invitations to residents on Julian's route.

"There were people crying when they found out he was retiring," Kathy said. "He has girlfriends all over the place, and the dogs will miss him more than anything."

They expect more than 120 people to attend the party. For more information, email mark-bloomfield54@gmail.com.

It will be a bittersweet goodbye for sure.

His LW friends are sad to see him go but happy that he has a peaceful retirement ahead.

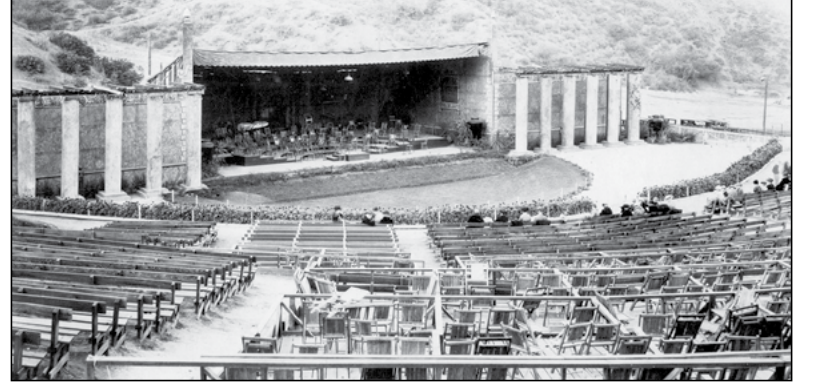

"I plan to recuperate from this job and just regroup," he said. "Then I would like to get in my car and take my wife, Edde, and just drive."

He hopes to see Arizona, Texas, Idaho, Wyoming.

But before he leaves LW, he will have to bid farewell to the hundreds of LWers who look forward to seeing him every day.

"I would thank all my customers for the over 30 years of friendship, kindness and just being decent to one another, and I mean it from the bottom of my heart."

Did You Know?

The prototype for LW's iconic Amphitheater, now almost 60 years old, was apparently a Southern California landmark. Resident historian William Thompson of Mutual 5 had heard that the Amphitheater design was based on the Hollywood Bowl. He was prompted to investigate because LW's Amphitheater is not classic "bowl" architecture. Upon further research, he learned that the LW structure was based on the first Hollywood Bowl, which opened in July 1922.

FCC from page 2

again using the correct dialing format.

The 911 emergency calling system will not be affected. Residents will continue to dial 911 directly in the event of an emergency requiring a police, fire or emergency medical response.

The Federal Communications Commission has designated 988 as the National Suicide Prevention and Mental Health Crisis Lifeline, according to a recent FCC release. Beginning July 16, 2022, those in crisis will only have to dial that three-digit number rather than the current (800) 273-8255.

In the United States, 82 area codes that currently operate with seven-digit calling—including the 562 area code—use 988 as a central office exchange code, allowing for easier dialing. To ensure that all callers trying to reach the National Suicide Prevention Lifeline successfully complete their calls, these 82 area codes had to switch to 10-digit calling, according to the FCC.

"To prepare for implementation of a quick way to dial the National Suicide Prevention Lifeline using only '988' to connect callers to the Lifeline," the FCC's statement said, "these area codes must transition to 10-digit dialing for all calls, including local calls."

In California, nine area codes have working seven-digit phone numbers in which the first three digits—called a central office code—are 988.

SUNSHINE CLUB

Barnett-Mouton will talk about POLST

Patty Barnett-Mouton, a master's in gerontology candidate, will discuss how critically important it is for people to socially re-engage with others post-COVID and continue to develop and adapt to the world's "new normal" at the Sunshine Club's meeting on Friday, Oct. 29, at 10 a.m. via Zoom.

Allshareholders are welcome to join the meeting at <https://us02web.zoom.us/j/87427954280?pwd=dExQR2dDbkZSbUNkQlVoclhrqjFhUT09>. The meeting ID is 874 2795 4280, and the passcode is 080651.

Those would like to get the Zoom link via email should text their name, Mutual number and email address to (562) 301-5339 no later than today, Oct. 28, at 5 p.m. (text only, no phone calls).

Barnett-Mouton will highlight how social engagement can contribute to risk reduction for dementia and other health issues. She also will talk about physicians' orders for life-sustaining treatment.

Join the Sunshine Club to learn what COVID-19 has taught people about the importance of Advance Care Planning. They will go over Physician Orders for Life-Sustaining Treatment (POLST) documents and how to make sure loved ones and doctors know your wishes. These important conversations can be difficult to initiate, and Barnett-Mouton will highlight ways to help facilitate the process.

Barnett-Mouton has served as the vice president for outreach and advocacy at Alzheimer's Orange County since 2005. Prior to this position, she worked in hospice care for a number of years and held leadership positions with American Red Cross Blood Services and in pharmaceuticals with divisions of Johnson & Johnson.

Barnett-Mouton manages community, clinical and interfaith outreach, as well as the advocacy and public policy activities at the local, state and federal levels. She has served as co-chair of the OC POLST Coalition, now known as the OC Advance Care Planning Partners, since 2010. She has served on the Board of Directors for the Sacred Dying Foundation and currently sits on the Health and Nutrition Committee for the Senior Citizen Advisory Council in Orange County.

Barnett-Mouton has been a featured lecturer at many national meetings including: National POLST Paradigm Conference, California Council of Geriatrics and Gerontology, American Society on Aging National Conference, and the California Association of Health Services at Home Conference.

She has published several articles about the work done with Dr. Vincent Nguyen in the area of advance care planning. She holds graduate certificates in fundamentals of gerontology from USC and in palliative care chaplaincy from California State University at San Marcos; a bachelor's of science in human services from Springfield College; and is currently enrolled in the master's of gerontology program at California State University in Long Beach.

The Sunshine Club will continue to hold its meetings via Zoom until December and will re-evaluate the situation then.

For more information, contact Anna Derby at (562) 301-5339.

LWers will give documents to be shredded to GAF volunteers from their car.

GAF

Next shredding service event will be on Nov. 9

The next shredding service event, sponsored by the Golden Age Foundation (GAF), will be held on Tuesday, Nov. 9, in the Clubhouse 2 parking lot from 10 a.m.-noon.

In order for the event to run quickly and efficiently, the GAF would like to remind LWers of the following rules:

- All shareholders are asked to drop off their documents and go. GAF volunteers will stay and guard the bags until they are shredded by the truck onsite.
- Only plastic or brown re-

cyclable bags will be accepted. People are asked to not drop off their documents in cardboard boxes.

- There will be no chairs to sit on, and no line will be allowed to form.
 - People are asked to remove staples and paper clips from documents.
 - No electronic devices will be accepted.
 - Contaminated bags and X-ray film will be turned away.
- All GAF programs are free to Leisure World residents. The

GAF is entirely staffed by volunteers, so all contributions go directly to meeting community needs. The generous support of residents, clubs, organizations and businesses is the main source of income.

Donations to the GAF are welcome and can be dropped off at the event.

For more information about the GAF, go to www.GoldenAgeFdn.org.

Those who have questions concerning the event can contact Anna Derby at (562) 301-5339.

The GAF is looking for volunteers who can help LWers with tax preparation. Volunteers do not need to have prior experience and will be trained in their assigned position.

Volunteers needed for upcoming Tax Program

The AARP Tax Program, sponsored by the Golden Age Foundation, needs volunteers to help rebuild the program. Volunteers will provide free tax preparation and filing to relieve residents of the stress of filing their own taxes. Experience is not necessary, as the program provides all the

training and support.

Three positions are available: tax aides, who will work directly with taxpayers to prepare their tax returns; client facilitators, who will greet people and help organize their documents; and telephone assistants, who will schedule appointments for cli-

ents.

Volunteers must be computer literate and be able to attend the training. They will be required to work 1-2 days a week for 4-5 hours from Feb. 1-April 14.

To apply for any of the volunteer positions, call Diana Lambert at (562) 860-2844.

Republican Club

by **Brian Harmon**
LW contributor

Congresswoman Michelle Steel spoke at the Senior Resources Fair on Oct. 22, the biggest club event of the year, attracting approximately 175 people.

The fair featured representatives from federal agencies, Cal Optima, the SB police and others dealing with problems faced by seniors. Tables were placed along the walls so that residents could get specific information and ask questions of the experts present.

John Harper, the founding president of the club, served as emcee, introducing the congresswoman and the other speakers.

The police department representative discussed identity theft and other scams that specifically target the elderly.

...

At the October board meeting, members discussed the problem of the increasing level of hostility between the two political parties. Everyone at the meeting agreed that the club cannot and will not compromise on its values. These values include the following:

- God and the Bible
- Putting America first in international relations policy
- Smaller government
- A balanced budget and tax reform
- School choice for parents
- Free enterprise
- Pro-life
- Secure borders
- Legal immigration
- Proposition 13.

Club members also discussed how to present Republican values in a way that is less offensive to moderate voters of both parties, especially to independents who support neither party, as well as those who are so turned off by the political system they are not even registered to vote.

One member brought up the old saying "You attract more flies with honey than vinegar."

Other members agreed the club needs to find ways of presenting the Republican message in a way that is polite, kind, gentle and nice.

Club members said they hope this will help reduce political tensions in the LW community as well as attract more voters to the GOP and to the club.

Donations are delivered to the Long Beach Multi-Service Center, which provides a variety of services to homeless individuals and families.

Democratic Club

By **Mary Larson**
LW contributor

LW Democratic Club members enthusiastically welcomed Katrina Foley to their meeting on Oct. 20. Foley has been serving as the first Democratic woman elected to the Orange County Board of Supervisors since earlier this year. She has accomplished a great deal in just a few months, with her primary goal being to make county government more accessible to voters.

Foley has encountered considerable resistance in her efforts to "open county government and increase transparency." Nevertheless, she persisted.

She meets on a regular basis with advisory teams she has organized to deal with a number of critical issues. To assist these teams in their deliberations, she has hired consultants to compile information regarding the efficacy of currently county-funded programs. She has also initiated monthly meetings with all mayors in the county and quarterly meetings with all elected officials

in OC.

Foley reported that the county currently does not have an overall plan to deal with problems relating to the climate. Supervisors have hired a consulting firm to best assess environmental needs and develop a county action plan. They hope to have results in January or February 2022. Foley is especially concerned about the current toxic and dangerous offshore drilling. She sees the importance of working to stop the drilling and to transfer dirty and unsafe jobs to clean energy jobs.

She also encouraged club members to get involved in the county's redistricting process, which could result in significant changes in supervisors' district boundary lines. She urged club members to look at the proposed eight maps that would be published in a few weeks and to make their preferences known. There was some discussion about having a special LW Democratic Club Zoom meeting to help understand the process and what was at stake for the future.

During the question-and-

answer period, Foley was asked to speak about how concerned people should react to ongoing protests taking place outside school board and Board of Supervisor meetings. Her response was that directly confronting protesters was not the most effective way to respond; nor was it healthy to gather with mostly unvaccinated persons. She recommended focusing on positive actions (keeping informed/reading online newsletters and websites, sending postcards, making calls, writing letters to the editor, and remaining unified).

Foley will be on the ballot again in 2022. Readers can go to the club's website at <https://sblw-dems.wordpress.com> for more information.

...

The LW Democratic club will continue to hold its membership meetings via Zoom until further notice. The club will hold its annual meeting on Wednesday, Nov. 17, during which 2022-2023 board members will be elected.

Representative Michelle Steel spoke at Senior Resource Fair

U.S. Representative Michelle Steel (CA-48) spoke to LWers at the Senior Resource Fair in Clubhouse 4 on Oct. 22. Residents heard from Steel and members of her staff about how to navigate federal agencies as well as how to keep vigilant against scams.

With Medicare’s Annual Enrollment Period and approaching deadline on Dec. 7 at the forefront of many LWers’ minds, representatives from Cal Optima and the Health Insurance Counseling and Advocacy Program each gave a short speech and were available to answer questions at their booths.

The Seal Beach Police Department ended the session with a reminder to residents about the abundance of financial scams that directly effect Leisure World residents every year. The audience was reminded that government agencies already have all of the important and private information, such as their Social Security number and Medicare ID, and will not ask for it over the phone.

After the presentations, LWers could visit the booths set up around the room and received bags and, informational packets and could ask their questions to the representatives at the booth.

OBITUARIES

Phyllis Sadie Mitchell
1921-2021

Phyllis Sadie Mitchell (Carslake) was born on May 19, 1921 in Vancouver, B.C. Canada. At her request, instead of a summary of her life, which she feels her family and close friends already know, the following poem Phyllis wrote in October 2010 will be used to honor her life.

The Doors of Life

Have you ever looked at life as a series of doors, opening and closing?

When we are born, the first door opens, closes, and from that time on throughout our lives we open and close many doors.

Each one offers us new choices and brings new challenges.

We ask ourselves, what will this one bring? new love, friends, happiness, adventures?

did I make the right choice?

We stumble along life's way making right and wrong choices but storing up memories for our later life.

As that time approaches, we find we are getting reluctant to open them, but we must go on enjoying every moment and every memory.

Too soon it is time to open that final door, but now is the time to be strong and...

Who knows...just maybe... this door will lead us on the most wondrous adventure of them all... and never close.

Leisure World Seal Beach's No. 1 country rock band is frighteningly fun.

Abilene brings a Halloween treat to CH2

Abilene, GRF's own country rock sensation, will be boot scootin' in a very special Halloween show on Sunday, Oct. 31 in Clubhouse 2, instead of the Amphitheater, as originally reported. Doors open at 6 p.m.

The band is fronted by Terry Otte, whose talent covers everything from Elvis Presley to Willie Nelson and beyond. Sharing center stage is the dynamic Tina Schaffer singing the songs of

country legend Patsy Cline and hit-makers Linda Ronstadt and Shania Twain. Rounding out the band is guitarist Rod Anderson, bassist Mike Simpson, drummer Jim Greer, and Jim Long on guitar and synthesizer.

This year, Abilene opened the Amphitheater season with a rockabilly show that drew nearly 2,000 fans. Since they always pack the house, extra tables will be added in the lobby for the Halloween show.

No saving of tables will be allowed prior to when doors open, and any decorations left in the clubhouse before the show will be removed.

Abilene is co-sponsored by GRF as one of its most popular weekend bands. The band, which has been going strong for nearly 20 years, regularly performs the fourth Saturday of the month in Clubhouse 2.

Pool League

In week five, first-place team 4-20 scored eight points against the Favorites. Plus, Glenn Evenson of 4-20 won six of his seven games.

The Fantastics gained one game on the league leaders by beating Go for Broke 9-4. Ruffy Ramos of the Fantastics led his team with six wins, losing only his singles nine-ball match.

Break'em and Make'em scored a 9-4 win against Ace in the Hole. Steve Edrich and Sal Lascala of Break'em and Make'em each won five games.

Pot Luck edged out Hot Stix 7-6, although Hot Stix came back to win the last three games of that match. Dennis Bedford won both of his singles matches for Pot Luck.

The final games have all three players from both teams competing in a game of eight-ball. In previous leagues, teams would often end up in a 6-6 tie, but with 13 games, that never happens.

Yahtzee Club

On Oct. 15, the Yahtzee Club winners were Suzanne Parks and Karen Riner, who tied for both highest total score (1,749) and most Yahtzees (seven).

The Yahtzee Club meets every Friday from 12:30-4 p.m. in Clubhouse 3, Room 6. The cost to play is \$2 per meeting. Though the club is currently at maximum capacity, anyone who would like to be on a waiting list to join or would like a Yahtzee lesson to see if they would enjoy the game should call or text Kathy Rose at (714) 309-6873.

Guys & Gals Tournament

On Oct. 20, 34 teams of one man and one woman played the Leisure World Guys & Gals Tournament at the Turtle Lake Golf Course. Three flights competed for best net scores, four circle holes (within a 5-foot circle), and two closest-to-the-pin challenges.

At the opening 7:30 a.m. tee time, the weather was cool but comfortable. The sun made an early appearance, though it never really got warm. The greens and fairways are in very good shape. The tee boxes have numerous unrepaired divots, so golfers' tee shots are suffering.

Under these conditions, 30 of the 34 teams were net at or below par (several well below), but surprisingly, there were only four circle hole winners and no holes-in-one.

All scores are net (gross score minus handicap). A Flight encompasses golfers with handicaps of 0-10; B Flight, 11-13; and C Flight, 14-18.

A Flight: First place: Bill Lyons and Pam Krug, a very well-played 12 under 42; second: Gene Archambault and Stella Yoon, a really nice 11 under 43; third: Young Lee and Hae Lee, a superb 8 under 46; fourth: tie between James Farr and Sandy Deroiun and Dong Kim and Devora Kim, a very good 7 under 47; fifth: tie between Glenn Barry and Karen Mendon, Paul Alloway and Ann Tran, Jae H. Lee and Sun Lee, and Bob Barnum and Kyung Ju, a fine 6 under 48.

B Flight: First place: Tom Owens and Helen Yoon, a terrific 10 under 44; second: Dale Williamson and Mary Grieg, a super 7 under 47; third: tie between Dave LaCascia and Liz Meripol and Joon Sup Yoon and Young Yoon, a sweet 5 under 49; fourth: tie between Kyoo Choi and Sandy Kim and Bruce Bowles and Joyce Basch, a neat 4 under 50.

—Dave LaCascia

Sandy Deroiun is the LW contact for Breast Cancer Angels.

C Flight: First place: tie between Brian Tivnan and Patty Littrell and Ryan Hong and Kay Hong, a fabulous 9 under 45; second: tie between Bill Zurn and Neva Senske and Marv Jones and Marilyn Hewitt, an excellent 8 under 46; third: Sang Kim and Soo Kim, a good 1 under 53.

Closest to the pin on the par-3 second hole were Brian Tivnan and Marilyn Hewitt, and on the par-3 11th hole, it was Steven Ro and Sang Young Am.

The Women's Golf Club Tournament, the Guys & Gals Tournament, and the upcoming Men's Golf Club Tournament are asking golfers to help Breast Cancer Angels, a small local charity dedicated to giving immediate financial support to families who include someone with breast cancer. Everyone is invited to help fill the donation jar.

The next Guys & Gals Tournament will be Nov. 17. Anyone scheduled to play (check clubhouse bulletin board) who cannot should contact Alan Sewell at (541) 324-8558 or Dave LaCascia at (801) 674-5975 as soon as they know.

Judy Kim, Pam Krug, Mary Devlin and Neva Senske wore pink in honor of Breast Cancer Awareness Month

Golfers spread awareness Oct. 19

Since October is Breast Cancer Awareness Month, members of the Women's Golf Club wore pink during tournament play on Oct. 19. Many thanks to all the golfers who contributed to the Breast Cancer Angels organization, which assists those patients undergoing treatment. Fifty-four members competed that Tuesday for low gross, low net and fewest putts.

Congratulations to Devora Kim for scoring a hole-in-one on hole 3! Since joining the Ladies Golf Club five years ago, Kim has scored two holes-in-one.

The flight winners were:

Flight A: Low gross: Devora Kim, 25; low net: Janice Turner, 24; fewest putts: Soo Choi, 10

Flight B: Low gross: tie between Veronica Chang and Bert Thompson, 29; low net: Young Suk, 23;

Devora Kim

fewest putts: Thompson, 10.

Flight C: Low gross: Kay Hong, 32; low net: Liz Meripol, 23; fewest putts: Kay Hong, 11.

Flight D: Low gross: Mary Devlin, 33; low net: Patty Latrell, 24; fewest putts: Neva Senske, 11.

THEATER REVIEW

Live theater returns to Long Beach

by **Debbi Fudge**
LW contributor

The Long Beach Shakespeare Company reopened just in time to present its October Old Time Radio Show dramatizations. I attended performances of "The Invisible Man" and "The Hound of the Baskervilles." (The final dramatization, of "The War of the Worlds," occurred after press time.)

I try to attend every performance of the Long Beach Shakespeare Co., as well as those of the Leisure World Theater Club, because live theater is just great.

Jo McLachlan adapted, directed and acted in "The Invisible Man"; she also wrote the two commercials that were included. "The Hound of the Baskervilles" was adapted and

directed by Joe Montanari, who also acted in the dramatization.

Seeing how the different radio sound effects are produced was interesting and fun to watch. Some of the effects are produced using very ingenious tools.

The theater company calls the Helen Borge Theatre at 4250 Atlantic Ave. in Long Beach home. Only 11 miles from Leisure World, it's a "shoe-box" theater, with only 42 seats, giving everyone practically a front-row seat. Because of the COVID pandemic, however, only 30 people are being seated at each performance.

At \$14, the Old Time Radio Show tickets are so reasonable and easily purchased online. Recordings of past shows are available at www.lbshakespeare.org.

Ruby Johnson

Community Karaoke

Ruby Johnson received a round of applause on Oct. 20 for her beautifully sung rendition of Whitney Houston's hit song "I Will Always Love You." She was among many performers who received such praise at last week's karaoke party.

Host Walt Bier got the crowd's attention with "Love Me With All Your Heart," while Carolyn Mottola and Kenny Nortorleva chose Frank Sinatra hits. And Bev Adams, David Noble, Pat Paternostro and Ray Geierman sang tunes that had everyone tapping their feet. The audience was treated to a variety of music—from ballads to country and gospel to pop hits—from 30 performers.

Because of the high number of singers signing up, the club would like to remind its guests of a few rules:

- The cut-off time for submitting songs for the first session of singing is 7 p.m., unless the second round of singers has already started, in which case the performer's first song will be put at the bottom of the second round.

- During the first session, if someone sang their first song as a solo, they may sing with someone else as a duet if it is the other person's first song. (The same procedure applies during the second session.)

- Audience members should not sing along, but applauding the efforts of their friends and neighbors is always appreciated.

Everyone is welcome to the Wednesday night karaoke parties, which begin at 5:30 p.m. in Clubhouse 1.

—Margie Thompson

The Doorbell Rang

Of course I answered,
and an unknown lady said, "Hi, my name is Sue, and I have a Special supper meal for you."
The perfume she wore played havoc with my nose; I loved it.
Focusing, I saw a terrific-looking lady, dressed well with perfectly applied make-up, making her even more attractive.
AND THE DOORBELL RANG

A quick smile attached to careful humor manufactured sparks which flew between us.
As I reached to receive the package she brought, our hands accidentally touched.
She spoke, and at the same moment, I mumbled.
AND THE DOORBELL RANG ONCE MORE

I hope she'll return quickly, and I promised
to myself not to act so very handicapped when next we meet
She did promise another delivery the following week,
and I shook, hoping of course that she wouldn't notice.
I just can't wait for the next delivery
And for the DOORBELL TO RING ONCE AGAIN
—Mitch Cohen, Mutual 15

Pool Club

In October, the LW Pool Club played 369 and had 12 two-person teams on the six pool tables in Clubhouse 2. Instead of counting wins and losses, in this nine-ball game, one point is scored for the three ball, two for the six and three for the nine.

In the five rounds played, each team played a different team. After three rounds, Steve Edrich and Bill Zurn were tied with Gary Monahan and Eunis "Wildfire!" Christensen with 13 points apiece.

In round four, Ruffy Ramos and Barry Brideau made the three-, six- and nine-ball shots to score a perfect six and tie for the lead with Edrich and Zurn at 18 points. In the final round, Ramos and Brideau clinched first place by repeating what they did in the previous round. There was a three-way tie for second place with Monahan and Christensen, Dave Ruiz and Roy Middlesteadt, and Dennis Bedford and Dave Silva.

On Nov. 17, the club will draw for eight-ball partners.

For information on the LW Pool Club, call Dave Silva at (562) 209-3183 or Eunis "Wildfire!" Christensen at (562) 879-1954.

This week's puzzle is checkmate in three moves. White moves first; any answer by Black, and White's third move is checkmate.

The solution to this week's puzzle: The first move is Qh8.

Mutual 3 resident Miranda Ishak and I had an Oktoberfest dinner at The FIFTH Rooftop Restaurant & Bar, located atop the Grand Legacy at the Park Hotel in Anaheim. The live entertainment the night we visited was performed Leisure World's own Linda Herman.

During Oktoberfest, Mutual 8 resident Herman has the accordion and singing entertainment

contract on Thursday evenings at the open-air restaurant, but she also plays her accordion and sings for the Dancers & Mixers Dance Club, which meets the first Tuesday of every month in Clubhouse 4.

The restaurant offers 20 evening menu items, with 15 of them menu items priced \$20 or less. Miranda had Buffalo shrimp, while I enjoyed the California salad, each of which cost a reasonable \$15. "A person could surmise that the food was tasty as there wasn't a bite left on either plate," Miranda commented at the end of our meal.

Located close to the Disneyland resort, The FIFTH has a large seating capacity, and reservations are not required. Parking costs \$15, and masks are not required if you have been vaccinated against COVID.

Cribbage Club

On Oct. 19, Russ Gray, Marcy Locy and Bobbie Straley provided individually wrapped ice cream treats as a "thank you" to the 43 members of the Cribbage Club present. It was a great way to start the afternoon.

First place that day was won by Jack Hawn with a score of 844. Julie Milburn captured second place with 835, and Barbara Wilke came in third with 825. Each with a score of 818, Jorge Moy and Margaret Smith tied for fourth.

Cribbage Club meets each Tuesday in Clubhouse 1. Play begins at 12:30 p.m., but anyone wanting to catch up with friends or play Kings-on-the-Corner is welcome any time after noon until cribbage starts. Play is usually completed by 3:30 p.m. Any player who achieves a perfect score of 847 gets a star on his or her name badge. Dues for the year are \$3; \$1 each week guarantees you a place at the table.

The dynamic duo of Susan Kelleghan and Bev Adams not only sing, but they are also part of the Let the Good Times Roll Doo Wop Club's production operations. The club is looking for volunteers to assist in its holiday season performance at 7 p.m. on Nov. 20 in Clubhouse 2. There's a need for stage designers, sound tech engineers, backup dancers and more. Interested parties should contact club President Frank Destra at (562) 225-0037. And join the club's Facebook page, "Leisure World Seal Beach Let the Good Times Roll Official Doo Wop Fan Page," for updates.

Opera Club presents two days of screenings

The Opera Club invites everyone to watch the joyful, youthful love story “L’Elisir d’Amore,” with Anna Netrebko and Rolando Villazon, on Nov. 1 at 1:30 p.m. in Clubhouse 3, Room 2.

Club member Lucy Poropat has studied this opera and will introduce the Vienna Staatsoper production about a love-struck farm worker Nemorino and his pursuit of wealthy young farm owner Adina, who is being courted by a dashing military leader.

In desperation, Nemorino finds himself scammed by a carnival huckster promoting an elixir that allegedly makes people irresistible to others.

Unknownst to him, however, he simultaneously inherits a vast sum from his deceased uncle, the news of which causes the village girls to surround him, making Adina jealous. The audience is called on to figure out if it’s the elixir (mostly red wine), the money, or something else that makes Nemo-

rino attractive to Adina.

And the next day, Nov. 2, at the same time and in the same location, club member Jan Berliner will present the filmed concert “Luciano Pavarotti: A Life In Seven Arias.” Best known for his 1990 performance as part of “The Three Tenors,” Pavarotti sings his signature arias from operas by Puccini, Verdi and Donizetti, as well as popular favorites such as “O Sole Mio” and “Mamma.”

His ability to project his voice above a full orchestra, seemingly effortlessly reaching a high C note multiple times, set a standard that few others have achieved. While Pavarotti is credited with introducing opera to the world through large stadium performances broadcast on TV, his humanitarianism was displayed in his partnership with Princess Diana to eliminate land mines and countless benefit concerts for UN causes encompassing Bosnia, Kosovo, Guatemala and Iraq.

Luciano Pavarotti

Both presentations are sung in French and Italian with English subtitles. Attendees are requested to wear a mask, per Leisure World guidelines. No dues or fees are collected.

For more information, contact LW Opera Club President Beverly Emus at (562) 296-5586 or beverly90740@gmail.com.

Men’s Golf Club

At the Oct. 13 Leisure World Men’s Golf Club Tournament, two groups of three flights of variously skilled golfers vied for best net scores (gross score minus handicap), plus four circle holes (shots within a five-foot circle rewarded) and two closest-to-the-pin challenges.

A total of 49 golfers teed off at the par-54 Turtle Lake Golf Course and played 18 holes through the early morning and into the afternoon. The weather was sunny at the 7:30 a.m. tee time and much warmer at noon. There was a little intermittent wind, which was appreciated. However, only 16 of the 49 rounds were net at or under par, with just five circle hole winners.

A Flight encompasses golfers with handicaps of 0-7, B Flight is 8-11, and C Flight is 12-18. All scores below are net.

A Flight: First place: Glenn Barry, a very nice 5 under 49; second: John Kolthoff, a well-played 4 under 50; third: Seung Lee, 2 under 52; fourth: tie between Mike Mayfield and Bob Turner, even par 54; fifth: tie between Steve Ro, Bill McKusky, Steve Walker and Bruce Bowles, 1 over 55; sixth: tie between

Jun Um and Terry Thrift, 2 over 56.

B Flight: First place: Roland Phillips, a nice 5 under 49; second Dale Williamson, a very good 2 under 52; third: Jong Lee, 1 under 53; fourth: tie between Won Song and Paul Alloway, 1 over 55; fifth: tie between Kap Son and Joon Sup Yoon, 3 over 57.

C Flight: First place: Rolando Ramirez, a terrific 6 under 48; second: James Farr, an excellent 5 under 49; third: Steven Kang, an excellent 4 under 50; fourth: tie between Brian Tivian and Jack Haskins, a fine 2 under 52; fifth: Sam Williamson, 1 under 53; sixth: tie between Paul Shellenberger and Ben Benjamins, even par 54.

Closest to the pin on the 70-yard, par-3 second hole was Steven Kang, and on the par-3 15th hole, it was Terry Thrift.

The next Men’s Tournament will be on Oct. 27. Anyone who had planned to play and cannot should contact Alan Sewell at (541) 324-8558 or Dave LaCascia at (801) 674-5975 as soon as they know. Golfers should arrive 15 minutes prior to their scheduled tee time and be ready to play.

OC Sanitation Sewer Project

The Orange County Sanitation District (OC San) is rehabilitating two parallel sewers on north and southbound Seal Beach and Los Alamitos boulevards, as well as along Katella Avenue, Oak Street and Lexington Drive in the cities of Seal Beach and Los Alamitos.

Construction will continue through winter 2022.

Work will begin on Lexington Drive, with sewer line cleaning and chemical grouting to reinforce the pipe.

This activity will be done at night, when sewer flows are low.

Manhole rehabilitation work will follow.

Work will consist of opening the manholes to insert a new liner to extend the life of the manhole.

Most of the activity on Katella Avenue is occurring on eastbound travel lanes.

Following this segment of work, construction will continue on Los Alamitos Boulevard.

Phase 2 will start at Oak Street toward Katella Avenue, then proceed east toward Los Alamitos Boulevard.

Work will continue south on the southbound lanes of Los Alamitos Boulevard, concluding in Seal Beach.

Project Description
• Night work and occasional weekend work.

- Noise and dust.
- Occasional turn restrictions.
- Lane closures.
- Crosswalk closures.
- Street parking restrictions.

What to Expect
There could be temporary

bus stop relocations on Katella Avenue at Lexington Drive, Noel Street, Bloomfield Street, Maple Street and Los Alamitos Boulevard. Visit octa.net for details.

Expect lane closures, occasional turn restrictions and flagmen directing traffic on Lexington Drive and Katella Avenue.

OC San is closely coordinating with the cities of Seal Beach and Los Alamitos to mitigate any potential impacts.

Notices will be distributed with specific details as work

begins closer to Leisure World. Watch the LW Weekly for updates.

For more information, contact the Construction Hotline at (714) 378-2965 or ConstructionHotline@ocsan.gov.

OC San is a public agency that provides wastewater collection, treatment and recycling services for about 2.6 million people in central and northwest Orange County.

It operates almost 400 miles of pipes and two facilities.

CalFresh Benefits

CalFresh can help qualifying Leisure World residents receive healthy fruits and vegetables, among other groceries.

Recipients receive a card similar to a debit card, with money loaded every month to shop for more fruit, vegetables, protein and other healthy foods.

CalFresh is funded by the USDA and administered through the Community Action Partnership in Leisure World to help improve the health and nutrition of people with lower incomes.

Requirements to Apply:
• You must have at least one citizen or legal permanent resident with a Social Security number living in your household (including children).

• You may qualify for CalFresh even if you have a full- or part-time job.

• Gross monthly income must be less than the amounts listed: One-person household, \$2,128; two-person household, \$2,874.

• Seniors, those on SSI or those with a disability can apply and may be eligible for CalFresh.

• Documents needed to apply: photo ID, Social Security card, proof of income and resident card (if applicable, receipt of rent and receipt of one utility bill).

Upon application, income and many other factors are taken into account to determine eligibility.

For more information or to apply online, call 1-800-281-9799 or go to <https://www.mybenefitscalwin.org/>.

Residents who need assistance applying for Cal-Fresh should contact Roberta Arshat in Member Resources at (562) 431-6586, ext. 317, or Robertaa@lwsb.com.
