OCTA CONSTRUCTION

Northbound on-ramp from SB Boulevard to close next week

Crews will close the northbound I-405 loop on-ramp from Seal Beach Boulevard for approximately one month to accommodate the freeway widening.

The closure is anticipated to start as early as Monday, April 25, according to the Orange County Transportation Authority (OCTA).

In other work, crews are nearly finished installing piles for the foundation of the sound wall along southbound I-405, adjacent to North Gate Road.

Pile installation from 7 a.m.-4 p.m. was expected to conclude this week.

Construction is being done, in cooperation with Caltrans, to widen and improve the San Diego Freeway (I-405) between SR-73 and I-605. The project involves 16 miles of I-405 between the SR-73 freeway in Costa Mesa and I-605 near the Los Angeles County line. For more construction updates, see page 11.

SPECIAL EVENTS

Amphitheater shows and more are coming

Now that most GRF amenities have fully reopened, the Recreation Department is planning special events, including preparing for the Amphitheater season, and hiring and training staff for the Aquatic Center.

Next on the calendar is the Cinco de Mayo party on May 5 held in Clubhouse 6; time to be announced.

Tentatively, the plan is to have a joint celebration with a grand opening for the Aquatic Center, pending final approval of the facility.

All residents are welcome on May 5 for live music, tacos and virgin margaritas, even if the pool opening is moved to another date. Look for updates in the LW Weekly and on LW Live.

Optum at the HCC will give COVID-19 boosters by appointment only to all eligible residents starting April 28. A booster is given when a person has completed their vaccine series, and protection against the virus has decreased over time. These boosters can extend the powerful protection offered by the COVID-19

Optum at the HCC to provide boosters

Optum at the Health Care Center will provide a second COVID-19 booster shot to all LW residents who want the added protection starting next week. The shots will be given by appointment only.

On March 29, the Food and Drug Administration cleared a second booster shot of Pfizer and Moderna for adults 50 years and older.

The HCC began offering the second booster to its eligible Optum-affiliated residents March 31 at appointments on Thursdays and Fridays.

As of April 25, all eligible LW residents can make appointments to receive the booster, whether or not they are Optum-affiliated. The first available appointment dates open to all residents are April 28 and April 29. Appointments will continue every Thursday and Friday thereafter.

To be eligible, LWers must be 50 years and older and at least four months out from their last booster.

The HCC expects high resident demand for the shot. To ensure there are enough doses available, walk-ins will not be accommodated. Depending on supply, that may change. Watch the LW Weekly for updates.

Getting the COVID-19 vaccine and booster is the best way to protect everyone against COVID-19 and its variants.

To schedule an appointment for a booster, call (562) 493-9581. People should bring their health plan ID card, a photo ID and their COVID-19 vaccine card.

What You Need to Know

- As with vaccines for other diseases, people are best protected against infection with the virus that causes COVID-19 when they stay up to date with vaccinations.
- COVID-19 vaccines continue to protect people from getting seriously ill, being hospitalized and dyingespecially those who have received a booster.
- The Centers for Disease Control recommends everyone ages 12 years and older receive a COVID-19 vaccine booster after completing their primary vaccination series. Older adults and the immuno-compromised will benefit the most from a second booster.

GRF RECREATION

How to form a new club in LW

by Kathy Thayer

recreation manager

With COVID-19 (hopefully) in the rear-view mirror, GRF clubs are back in full swing with nearly all meeting in person in the clubhouses. The Recreation Department is now reassessing reservations because many clubs did not resume after the COVID-related pause. The club roster has dropped to about 150 organizations from an all-time high of 270.

How to Start a Club

Part of the attrition has to do with policy changes requiring clubs to combine or disband, rather than have duplicates.

There is now an opportunity for authorized residents to form new clubs as space has now become available.

CLUBS, page 2

The GRF club roster has dropped from a high of 270 to about 150. There is space available for new groups.

The Orange County Transportation Authority ended its mask mandate this week.

OCTA

Masks no longer required on buses

The Orange County Transportation Authority (OCTA) no longer requires face masks to be worn on OC buses, effective immediately. Based on guidance from the Centers for Disease Control and Prevention, masks are still recommended while riding public transit to help slow the spread of the coronavirus, but they are not required.

The action is in accordance with guidance from the CDC, which ended the mask mandate following a federal judge's ruling in Florida April 18 to void the nationwide mandate.

As a result of that ruling, the Transportation Security Administration also announced it will not enforce mask-related directives.

Since early in the COVID-19 pandemic, OCTA has followed federal guidance to require face masks aboard its buses to slow the spread of the coronavirus.

Electronic signs on all OC buses have read "No Mask – No Ride." And throughout the pandemic, OCTA has updated its practices as state and federal guidance as directives were updated to help protect public health.

Keeping a strong emphasis on the health and safety of passengers and employees, OCTA also installed hand-sanitizer stations on board every OC bus and made face masks available for passengers who needed them. To date, more than 2 million masks have been distributed throughout Orange County on OC buses.

OCTA will continue monitoring guidance from the CDC and the Federal Transit Administration and adjust as necessary.

AuthorSpeak to resume June 3

The Leisure World Library is excited to announce that its popular AuthorSpeak program will return this summer.

From June to September, the library will feature one author a month at the adjacent Veterans Plaza from 11 a.m.-noon.

Authors will give a presentation, followed by a questionand-answer period and book signing. Refreshments will be served.

Kicking off the season Friday, June 3, will be LW author Dave Silva, who will discuss his nonfiction book "Searching for Utopia."

It examines how utopias and dystopias of science fiction can help build a better tomorrow for everyone.

On Friday, July 8, movie producer and director Wolfgang Glattes will review his career in pictures, as detailed in his book "Memories of La La Land."

On Friday, Aug. 12, New York Times-bestselling historical romance author Debra Holland will discuss her longrunning "Montana Sky" series.

Finally, on Friday, Sept. 9, LWer Michael McGrorty, who residents may know from his popular postings on the social network platform Nextdoor, will share short stories from his book "The Swimmer and Others: Stories of the Second World War."

PROTECT OUR PIPES

Plumbing-safe liquid wipe available at Copy & Supply in Building 5

LW Weekly

With GRF Service Maintenance reporting a growing incidence of blocked sewer pipes largely due to flushable wipes, Mutual and GRF officials have been seeking a remedy.

They found one in a product called Refresh Liquid Wipes that is now on sale for \$6.81, including tax, at the Copy & Supply Center in Building 5. The 50 milliliter package provides approximately 100 applications, roughly the equivalent of 50 disposables, which compares favorably to the cost of wipes. *Amazon.com* currently charges \$7.31 for the same product, so savings are available through the Copy & Supply Center.

The toilet paper foam is eco-friendly, good for sensitive skin, and cleanses and soothes using witch hazel and aloe. It is alco-hol- and paraben-free and plumbing safe. Refresh can be sprayed on toilet tissue, turning it into a truly flushable wipe. Most wipes labeled "flushable" are not biodegradable and cause major stoppages. GRF Service Maintenance reports that even though crews routinely pull wipes out of pipes, there are so many that they are clogging lines, which can require expensive repairs.

In addition to using Refresh, residents are asked to help keep sewer lines clear of non-flushable or grindable items (in garbage disposals) to ensure a stoppage-free sewer system.

Toilets

- Residents must not dispose of non-flushable items in toilets. These materials do not disintegrate in water and stop up sewer lines.
- Do not flush (even when marked flushable) cleaning or baby wipes, paper towels, cloth towels, any type of rags, feminine hygiene products, facial tissues and diapers. Do not flush anything other than toilet paper.

Garbage Disposal

Do not grind any of the following items as they also create sewer stoppages: bones, carrot and potato peelings, celery and rhubarb stalks, coffee grounds, eggshells, corn cob husks, onion skins, pea pods, grease, pills, rice, or any other fibrous materials.

CLUBS

from page 1

Residents who have a great idea for a new club can request an application from the Recreation Office. Staff will present it at a Recreation Committee meeting for approval.

Here are the steps to forming a club:

- Find at least 10 fellow residents who would like to join. There is no required minimum, but too low a number reduces approval chances as competition for space can be brisk.
- Residents are welcome to write an article for the LW Weekly to generate interest.
- Residents should make sure a similar club does not exist to preclude duplications. The Recreation Department can provide information on this.
- Residents should pick up a New Club Packet or call the Recreation Department to have one emailed. This will help determine if your idea is viable and walk you through the process.
- A minimum of three people are required to be officers to lead the club
- Club founders should familiarize themselves with GRF Recreation policies, especially "Membership of Clubs and Facilities Reservations" (available under the GRF tab on *lwsb.com*).
- Currently, there is a moratorium on new religious organizations as there are 20 active groups registered.

PERSPECTIVES

Celebrating LW Centenarians

This is one story in an occasional series profiling some of LW's most long-lived residents, those who have reached the enviable age of 100 years or more. The series is running in connection with the Golden Age Foundation centenarian event on April 20, which celebrated these milestones. In most cases, a family member or friend has written the stories.

by Raymond Tung Chun special to the LW Weekly

Chun-Yuen Wu Tung was born on Feb. 20, 1920, the oldest child of a farming family in the rural town of Suchen, Jiansu Provence, China. She was later joined by five brothers and a

She must have shown great potential at local elementary schools because her parents decided to send her away from home to the then-capital city to continue her education at the prestigious Nanjing Girls High School. She went on to the National Wuhan University to major in mechanical engineering. Very few women sought a career in engineering those days. Not surprisingly, she was the only female student in her large class.

Chun-Yuen Wu Tung

During her college days, the war with Japan broke out, and most major Chinese universities held classes on temporary campuses away from the war zone. Therefore, the majority of her college days were spent not in Wu-han but rather in Chunqing, where occasionally all residents had to take shelter from air raids.

The war ended just as she graduated from college. She worked several jobs, including as a teaching assistant with National Chiao Tung University, before settling down as a graphic engineer with the government-owned China Petroleum Corp (CPC).

She met her future husband, Shih-Fun (Sam) Tung, a co-worker in the same office who was on temporary assignment there before being sent to the U.S. for a long technical-training stay. They communicated by mail while Sam was in the U.S.

They got married upon his return and were assigned by CPC to its research facilities in Taiwan. While there, Communist China took over the mainland. They were spared the horror of war, as the Nationalist Chinese government retreated to the island of Taiwan.

Chun-Yuen gave birth to two sons. After the second child, she quit her engineering job and settled full-time into raising children and supporting Sam.

He had a series of promotions and was put in charge of the Kaohsiung Oil Refinery (KOR) for over 10 years. After giving up her own career, Chun-yuen became a housewife. She, like other housewives of the time, was actually a jack of all trades. Chun-yuen excelled at cooking, baking, sewing, knitting, gardening and other house chores. And she still found time pursue her artistic interests.

She studied Chinese painting with two famous artists in Taiwan and kept her own study up for a long time. Eventually, she got so good that she held a personal exhibit of her own paintings at a major art house in Taipei.

Days in Kaohsiung were very leisurely, as families of all KOR employees lived in several gated communities. Everybody knew everybody else. There was no need to lock one's door. Chun-Yuen learned to play golf and bowling in facilities provided on the compound, free of charge. She became the president of the women's club on the compound and initiated projects to help **CENTENARIAN**, page 23

The Recreation Department is responsible for the operation of the marquee that is located on the corner of St. Andrews and Golden Rain Road. It was gifted to the residents many years ago by Superwire.

On Aug. 1, 2019, the GRF Board of Directors changed the policy (to limit its use to) the GRF Board, GRF Committee meetings, Mutual meetings, Amphitheater performances, GRF special events and emergency notices.

Advertising for outside food providers is also allowed on our marquee.

LW clubs have lost the privilege, one that they enjoyed for years, to promote their interesting and fun activities within the community.

I don't believe that advertising GRF Board and Mutual meetings on the marquee has increased the attendance at these meetings. However, returning use of the marquee to the clubs will be a great booster and reminder to attend to club activities.

Participate in the Voting Process

The 2022 annual meeting season begins May 17. The feverpitch of activity will continue for the next six weeks as all 16 Mutuals and the Golden Rain Foundation host their annual meetings. The annual meeting and election season begins in January and concludes at the end of June. There are often many questions about this time of the year and why these activities are important.

Election Specialist Ripa Barua answers some frequently asked questions.

What is an annual meeting and how is it different from a regular board meeting?

The Mutual corporations and the GRF are required to have annual meetings in order to report to the membership their activities during the past year. Directors read reports concerning finances, infrastructure, accomplishments and goals for the future. An annual meeting is similar to a State of the Union speech, as directors are limited to presenting reports whereas business is conducted at board meetings.

Who can attend annual meetings?

Shareholders/owners are encouraged to attend their Mutual's annual meeting (see the schedule). All GRF members are encouraged to attend the GRF annual meeting on June 14 at 2 p.m. in Clubhouse 4.

Are the elections and annual meetings held on the same day?

The ballot counting for each Mutual's election will be conducted at its annual meeting. The ballot counting for the GRF election will be conducted at a special GRF Board meeting on June 7 at 10 a.m. in Clubhouse 4, one week before the GRF annual meeting.

How often are elections conducted?

Most Mutual boards of directors are elected annually. The GRF has elections every year but elects directors from even-numbered mutuals in evennumbered years and directors from odd-numbered mutuals in odd-numbered years.

How many ballots will I receive?

Depending on your Mutual, you may receive one or two ballots. Shareholders in Mutuals 2, 4, 6, 8, 10, 12 and 14 are scheduled to receive two different ballots: a yellow ballot to elect your Mutual board of directors and a blue ballot to elect your GRF director(s). Shareholders in Mutuals 1, 3, 5, 7, 9, 11, 12, 15, 16 and 17 are scheduled to receive one Mutual ballot.

Should I separate the voting portion of the ballot before mailing it in the envelope provided?

No, return the full legal-sized ballot in the envelopes provided.

Has my ballot been mailed?

Check the election schedule (below) to see when the mutual ballots were mailed. The GRF ballots will be mailed May 5.

There are three people who live in my unit; do we each receive a ballot?

One ballot is mailed to each unit on file. The unit represents one share of stock/voting power. Per Mutual bylaws, if there are multiple owners of one membership (unit) in the corporation, despite the multiplicity of owners, they shall jointly have only one vote.

Can I use a proxy or designate someone to vote on my behalf?

Proxies are not permissible in GRF elections, but depending on your Mutual's election policy, proxies may be used in Mutual elections. To ensure the ballot's integrity, ballot envelopes must be signed by the shareholder member connected to that household.

Are write-in candidates permitted?

Foundation bylaws do not permit write-in candidates for GRF directors. There is a space on most Mutual ballots for write-in candidates. However, for the vote to be properly cast for the write-in candidate, that candidate must be nominated at the annual meeting (called "nominated from the floor") and must be present to accept the nomination.

My mail is forwarded to a post office box or an address outside the community. Will my ballot be forwarded to me?

No. As the voting rights are tied to the unit, ballots are all mailed to the units. A replacement ballot can be mailed to you at the address of your choice. Call Accurate Voting Services at (833) 861-6352 to request a replacement ballot.

The candidates on my ballot are running unopposed; why should I vote?

Your participation in the election process is critical for the operation of this community. Additionally, the return of your properly cast ballot ensures that your Mutual will obtain the necessary number of votes to produce the annual meeting and counting of ballots.

I don't know the candidates running for my Mutual's board of directors; why should I

Read the candidate Statement of Qualifications (often referred to as a resume or biography) included with the ballot for information. Ask candidates questions on topics that are important to you. Attend meet-the-candidates events. Ask your friends and neighbors for their opinion. If you decide you still do not want to cast your votes for any of the Mutual candidates, you are still strongly encouraged to vote by checking the box labeled "abstain from voting—ballot counted for quorum only" portion of the ballot. This lets you participate in the election process by returning a properly cast ballot.

I've heard a quorum is necessary before the ballots can be counted. What is a quorum?

A quorum is the minimum number of members that must be present to make Mutual annual meeting proceedings valid. In the case of elections, your participation in the voting process, i.e.,

SB Police League

The Seal Beach Police Department has announced a partnership with the newly formed Seal Beach Police League, a nonprofit, charitable organization to benefit the Seal Beach Police Department.

The mission of the Seal Beach Police League is to raise the funds necessary to support the livelihood, morale and well-being of the City of Seal Beach's police officers, professional staff and, of course, its facility dog Yosa and police K9 Saurus.

The Seal Beach Police League recognizes that the Seal Beach Police Department may have needs that are beyond the city's budget capabilities or requirements for job performance.

Support from the Seal Beach Police League will focus on the following three areas: internal staff development, including morale, employee wellness and training; law enforcement mechanisms, including technology, equipment and research; and police canines, which are entirely grant-funded in Seal Beach.

For more information on how the Seal Beach Police League supports the Seal Beach Police Department and community of Seal Beach, visit www.sealbeachpoliceleague.com or contact info@ sealbeachpoliceleague.com.

When grieving, there's power in support

by CJ Blomquist *Optum Health Care*

It's a powerful emotion, and one we don't like to talk about, but grief is something we all experience in one way or another. And if the past two years have taught us anything, it's that we can grieve for very unexpected things, such as an active social life, holidays with the family, or loved ones who have passed away.

"Grief can be a very uncomfortable emotion for people," said Shiori Lange, a licensed clinical social worker at the Optum Health Care Center. "Too often, grief is a lonely process. When we grieve, we feel like we are doing it alone. But a lot of people are going through similar feelings. Things that we think may be odd might be entirely normal. But since we don't talk about it with others, we don't know any better."

In an effort to help people in the community deal with different forms of grief, HCC senior ambassador Grecia Nunez is working with Pathways to start a support group that will ensure a safe and respectful space for everyone. Pathways is an organization that helps people discover coping tools to address difficult issues. The group, which is scheduled to begin in May, will last for seven weeks, and participants are asked to attend each week.

"The goal of the group isn't to help you overcome grief, but to express it in healthy ways," Lange said. "Grief is entirely natural, but it can be tricky to process it. Having some tools to help you can make a big difference. Having others to support you can really help, too."

Lange and Pathways will be screening applicants to keep the group limited in size, which will contribute to each person feel-

ing they are participating in a safe, comfortable environment.

For those who don't feel comfortable participating in a group setting, it's recommended they talk to a doctor about grieving.

"With everything we have gone through the last few years, having these tools and support from our friends is vital," Lange said. "It takes a lot of strength to know when you need help."

For more information, contact Pathways at (562) 531-3031.

405 Freeway Construction Updates

The Orange County Transportation Authority, in cooperation with Caltrans, is widening the San Diego Freeway (I-405) between SR-73 and I-605. The project is improving 16 miles of I-405 between the SR-73 freeway in Costa Mesa and I-605 near the Los Angeles County line. Construction updates are as follows:

SB I-405 Goldenwest Street On-Ramp and **Bolsa Avenue Off-Ramp Closed**

Crews closed the southbound I-405 loop off-ramp to Bolsa Avenue and the southbound I-405 loop on-ramp from Goldenwest Street to accommodate the freeway widening.

The SB I-405 loop off-ramp to Bolsa closed March 12 and is anticipated to reopen in approximately two months.

The SB I-405 loop on-ramp from Goldenwest closed March 12 and is anticipated to reopen in approximately four months.

SB I-405 Loop On-Ramp from Brookhurst Street To Open

Crews closed the southbound I-405 loop on-ramp from Brookhurst Street on March 14 to accommodate the freeway widening.

Snow Pack Facts

Last week, spring storms blanketed the Sierra Nevada with much needed snow and rain. The storms are expected to provide some relief, but the amount of precipitation is merely a drop in the bucket during the mostly dry first three months of 2022.

Prior to that storm, the Department of Water Resources estimated the state's snowpack was 38 percent of average, marking the lowest figure for the state's snow levels since 2015.

Snowpack is important to area water supplies. That's because snowmelt is an important water source that keeps streams flowing in the warmer months. It also replenishes reservoirs. One-third of the water used by California cities and farmland comes from melted snowpack.

Snowpack Facts:

• Regions that receive a great deal of their precipitation in the form of snow face a number of challenges when snow droughts

The impacts of snow drought are often widespread, affecting ecosystems, reservoir levels and operations, water resource management, tourism, and winter recreation.

• In spring and summer months, snow drought reduces the amount of snowpack that can be released as snowmelt.

This, in turn, reduces streamflow and soil moisture, which can have impacts on water storage, irrigation, fisheries, vegetation, municipal water supplies and wildfires.

In the winter months, warmer weather can cause precipitation in mountain areas to fall as rain instead of snow.

When that happens, rain can present challenges for water management and flood mitigation strategies, particularly when dealing with extreme events.

- In snow drought conditions, ecosystems receive less water from snowpack, which can be disruptive or harmful to wildlife.
- Snowpack is also an important source of water and snow for local economies and industries that rely on snow and water to generate revenue from outdoor activities such as skiing, rafting and fishing.

The Peace Club appreciated Republican Brian Harmon's acknowledgment of our work in support of the people of Ukraine (LW Weekly, April 14). At the fund-raising concert organized by Grace Kim, a great friend of Leisure World, and the Korean American Music group, we were joined by many people of different political persuasions, all united against the Russian aggression against a sovereign

group and many, many other residents of Leisure World to participate and support this worthy cause. For a brief afternoon, we found common ground and were united. In these times of division, it was a rare experience, but one I hope we can build on in the future, as we yearn for peace and civility.

Pat Kruger, president LWSB Senior Peace Club Editor:

May I suggest that our water payment be unbundled from the monthly Mutual association fees?

Transitioning to a metered water payment system for each unit could result in real savings for those interested in water conservation.

SA-RANG CHURCH

Church welcomes new pastor Dr. John Jung Hyun Lee

Seal Beach Sa-Rang Church, an interdenominational church, celebrated its 18th anniversary on Feb. 6.

The congregation of about 100 members is served by a team of eight retired pastors of diverse backgrounds, including Assembly of God, Methodist and Presbyterian. The head pastor, Rev. Kyo Min Soh, and other pastors are volunteers and each one takes turns preaching, giving Bible studies and presiding.

Under the leadership of Rev. Kyo Min Soh, the congregation has been steadily growing, and now meets in the Clubhouse 3, Lobby to allow for more people to attend.

At the all-congregational meeting on April 3, the church unanimously approved the appointment of the Rev. Dr. John Jung Hyun Lee as the lead pastor.

He was ordained as a pastor in 1978 in South Korea and served as a chaplain from 1978-1981 in the Korean Army. Afterward, he came to the U.S.

He studied at the Faith Theological Seminary, California Graduate School of Theology and Fuller Theological Semi-

Assembly of God

Service/Gathering Times: Assembly of God meets Sunday at 10:30 a.m. in Clubhouse 3, Room 2. A Wednesday morning Bible study is at 10 in Clubhouse 3, Room 2. Due to Easter Sunday, the Hymn Sing will be held on the fourth Sunday of the month, April 24, at 6 p.m. in the Clubhouse 3 Lobby.

Sermon for this week: Aches, pain, heart racing, dizziness, headache, digestive problems, high blood pressure, jaw clenching and shaking: These are not symptoms of a new strain of virus or incurable disease. These symptoms often occur in people experiencing stress. Stress and problems go along with living. God doesn't

promise Christians a life free of difficulty. In fact, John 16:33 promises just the opposite: "In this world you will have trouble." But God provides a way to live in the struggle without being overwhelmed by it. The first part of Pastor Chuck Franco's message, "Overcoming Struggles and Stress," is from Psalm 37:1-8. This message is particularly relevant for those who are tired of the fight.

Bible Study: Session 3 of the study "A Healing Body," by Dr. Henry Cloud, will be presented at the Wednesday morning Bible study. God wants the church, his people, to be emotionally and spiritually healthy. This study equips individuals to identify

and work on areas in need of healing and to become a church body who can compassionately and genuinely encourage others to spiritual and emotional health.

Community Church

In the Christian calendar, Easter is an important season that lasts 50 days, including seven Sundays. Community Church will observe the Second Sunday of Easter on April 24 with ferns. Why ferns? For thousands of years, ferns have symbolized new life and new beginnings. Residents who are looking for a new beginning here in Leisure World are invited to join Community Church in worship this Sunday at 9:50 a.m. in person or virtually on Zoom or Facebook.

Community Church has recently been called "the friendly church." Those who have not visited Community Church before are invited to take a chance, come for a cup of coffee before worship get a feel for just how friendly and welcoming the congregation is, then stay for a powerful and uplifting message that challenges people to grow and mature as followers of Jesus.

Community Church is on Facebook for livestreamed worship @communitychurchleisureworld. Those who don't have Facebook and want to join via Zoom can call the church office or email leisurewccsue@yahoo.com to receive the link. First Christian Church

First Christian Church of Leisure World teaches from God's word, the Holy Bible, most often verse by verse. It is a friendly church that welcomes all visitors. Message

This week's services will be led by Pastor Gary Whitlatch. He will share insights into the Book of Titus in the New Testament. Titus, written about 60A.D., is a letter from Paul the apostle and bondservant to a beloved follower, Titus, of a common faith in God the father and Christ Jesus the savior. Paul, who was entrusted according to the commandment of God, instructs Titus and other followers in the guidelines for the churches being set up in Crete, like he did in the letter to the Corinthian church, whereas he wrote, "But all things must be done properly and in an orderly manner."

Weekend Services

Sunday services from 9:30-10:45 a.m. are traditional, with hymnal music led by Pat Kogak at the piano. This week, worship leader Janet Ray will sing "I Just Feel Like Something Good Is

About to Happen."

Saturday services, from 9:20-10:45 a.m., are more contemporary, with Gregory Black leading in worship with guitar accompaniment.

Community Karaoke

Nina Todorov faithfully attends karaoke practice sessions on Mondays, so it was no wonder she was able to confidently entertain the April 13 karaoke crowd with Doris Day's 1964 hit "Que Sera Sera."

In celebration of the Easter season, the group feasted on croissant sandwiches while watching 30 performers. Shannon Harrison and Essie Hicks had fun duetting to "What a Difference a Day Makes." Erika Greenwood likes singing Patsy Cline's "Crazy Arms," while "On the Road Again" is popular with David Noble. Among the evening's fine entertainers were Anna Le, Ric Dizon, Barbie May, Pete Tupas and Sherlene Wallis.

She is also currently designing decorations for the September fundraiser, which will feature country western décor and entertainment.

SENIOR PEACE CLUB

Demonstration for reproductive rights will be held on April 27

The Senior Peace Club's next peaceful protest will be held in front of the Leisure World Globe on Wednesday, April 27, from 4:30-5:30 p.m. The protest will focus on reproductive rights in light of recent laws enacted in Texas and many other states undermining *Roe v. Wade*.

The U.S. Supreme Court's decision on *Dobbs v. Jackson Women's Health* is expected any time now, and there is the distinct possibility that it will overturn or vastly weaken *Roe v. Wade*. If that happens, lawmakers in some conservative states are considering trying to pass legislation against abortion, even in the case of rape and incest.

Those who want to continue to show their support for the brave people of Ukraine are also welcome to participate in the protest. A variety of signs will be available at the demonstration, but people are encouraged to make and bring their own. All caring and concerned people are welcome to participate.

For more information, call Pat Kruger at (562) 357-4040.

American Legion Auxiliary

The American Legion Auxiliary meeting on April 18 focused on the election of officers and creating a list of volunteers for any of the chairmanships. The chairman for any committee is a volunteer position, and the Auxiliary asks any interested members to come forward. Anyone who wants to hold a board position must come forward to have his or her name put on the ballot. A member can also nominate someone else for a board position. There must be enough names on the ballot and list in order to hold an election. For more information, call Jean Sudbeck at (562) 594-0209.

The Department of California President Dee Ann Graham was a guest at the last district meeting. She spoke about the upcoming yearly Convention in Visalia. She also noted the importance of reporting Legion activities. Since the American Legion is sponsored by Congress for the purpose of helping veterans, Congress needs to know the impact the American Legion has on veterans and their families.

The next meeting will be held on Monday, May 16, in Clubhouse 3, Room 1, at 1:30 p.m.

For more information, call Sudbeck at (562) 594-0209.

New battery collection bucket behind CH5

The Golden Age Foundation (GAF) now has placed a larger battery collection bucket behind Building 5 for residents to use. The battery collection program collects small consumer batteries, including hearing aid batteries for recycling. Printer cartridges are not accepted for recycling.

The battery collection program is one of several programs the GAF sponsors to enhance the lives of Leisure World residents.

Before the pandemic, there were collection buckets in the LW Weekly office and the in the Hospitality area of Clubhouse 6, where residents could drop batteries off at their convience. During the pandemic, the GAF began collecting batteries at the shredding service events every four months since the buildings were closed to residents. Last year, the GAF Board decided

to create a separate collection area apart from the shredding service to avoid the risk of mixing shredding documents and batteries, which can cause damage to the shredding truck.

Residents can now drop off their used small batteries behind the Building 5 any time for GRF employees to recycle.

The GAF is an independent nonprofit, 501(c)3 charitable organization dedicated to serving the residents of Leisure World, Seal Beach. Its purpose is to make the community a better place to live. The GAF was established in 1973 and is not affiliated with the Golden Rain Foundation.

All GAF programs are provided free to Leisure World residents. The GAF is entirely staffed by volunteers, so all contributions go directly to meeting community needs. The generous support of shareholders,

residents, clubs, organizations and businesses is the GAF's main source of income.

Donations are welcome. For more information, go to www.GoldenAgefdn.org.

The LW Weekly: (562) 430-0534

Democratic Club

by Mary Larson

LW contributor

The LW Democratic Club is relieved that the School Choice Initiative proposal failed to get enough signatures in time to be to put on the November ballet. This proposed amendment would have required the state government to give \$14,000 per student to every family who had children enrolled in religious, charter or home schools, regardless of income.

The club also celebrated the failure of another effort to recall Orange County Democrats from elected offices. Proponents had failed to collect enough valid signatures to recall Huntington Beach Mayor Pro Tem Mike Posey and City Council members Kim Carr and Dan Kalmick.

As reported in The New York Times, "Orange County has steadily transformed into one of the nation's premier electoral battlegrounds, a place where political and demographic cross currents are all colliding. Orange County used to be reliably Republican when it was fairly homogeneous. Today, more than one in three of the county's residents are Hispanic and more than one in five are Asian, according to census data. Forty-five percent of residents speak a language other than English at home." Democrats across the nation—as well as the LW Democratic Club members—see this as something of a road map for the midterms.

The last club membership meeting before the June primary will be held May 18 at noon. There will be a discussion relating to the election of judges to the Orange County Superior Court with Ray Brown, who is running for election in office No. 21, as the club's guest speaker. All LW Democrats and supporters are invited to attend. Due to concern for the well-being of a number of most vulnerable members, as well as the convenience of the guest speaker the meeting will be held via Zoom.

On his campaign website, Brown says he has always believed in the adage that "with great power comes great responsibility." He wants to ensure that people who find themselves in court, whether voluntarily or otherwise, feel they have been heard and understood; were given a "fair shake;" and any decision that was reached—even if adverse to them—was the result of the impartial application of the law to the particular facts before the court.

For more in-depth information, Democrats and supporters can visit the club's booth outside Clubhouse 6 every Tuesday from 10:30 a.m.-12:30 p.m. until the primary election.

To subscribe to the club's newsletter, email *democratic-clubsblw@gmail.com* or call the editor at (562) 296-8521. People are asked to include their full name, address and phone number, as well as party affiliation.

OBITUARIES

David William Okerlund 1937-2022

David William Okerlund, age 84, passed away peacefully the morning of April 6. Known as Dave to his friends (and Dave

O to his kids' friends), Dave was a gregarious and amusing character with a heart for fun and family.

Born in Seattle, Washington, on Sept. 28, 1937, David was the youngest child and only son of Maxine and Sheridan Okerlund. In 1946, David moved with his family to the Palm Springs area, finally settling in Indio. He attended Coachella Valley High School before graduating from the Army and Navy Academy in Carlsbad in 1955. A gifted athlete, David lettered in four sports

in his senior year and was named Best Athlete 1955. After high school, David worked at the Yellow Mart in both Blythe and

Indio with his brother-in-law, Russell Friestad, before moving into wholesale sporting goods sales. A passionate lover of music, Dave played the drums in local bands in his younger years and spent the rest of his life making playlists of amazing music for his friends and family.

After a dance-floor kiss that made him see stars (his words), David married the love of his life, Joyce Webb of Indio, on Dec. 31, 1961. Together they had four children, Susan, Janis, Eric and Amy. In 1977, Dave and Joyce moved their family to Lake Forest, where they were busy with sports and backyard barbecues. From Lake Forest, they moved to a wonderful lake-front home in Lake Elsinore, where the fam-

ily fun continued (those epic Pinochle games—Pennsylvania 6-5-0-0-0!!). In 2019, they relocated to Seal Beach to be closer to their adult children and grandchildren. Dave and Joyce were blessed to celebrate their 60th wedding anniversary with their family on Dec. 31, 2021.

David is survived by his wife of 60 years, Joyce; his daughter Janis Okerlund of Long Beach; his son Eric Okerlund of Lake Forest; Eric's children, Gunnar, Sophia and Ava Okerlund; and the baby of the family, Amy Okerlund-Andries, her husband Chris Andries, and their daughter, Jocelyn. David was preceded in death by his eldest daughter Susan Okerlund of Capistrano Beach, who passed away in 2006 with her dad and family by her side.

David was born again to the Lord at the age of 30 and led his father, Sheridan, and his children to Christ. He is surely in His hands in paradise. He is Risen!

Julia Holbrook 1925-2021

Julia "Julie" C. Holbrookwasborn in Detroit, Michigan, to Samuel and Mazie Chestnut. Julie passed away peacefully at home

Thursday, Dec. 23, 2021. Julie was preceded in death by her husband of 62 years, Robert "Bob" Holbrook. Julie is survived by daughter Joan (Steve) and son Ron (Susan); four grandchildren; and two greatgrandchildren.

While attending Central Michigan University (CMU), Julie was recognized by the National Honor Society and was a member of the Phi Delta Eta Sorority. Before graduating dur-

ing World War II, she joined the U.S. Navy (WAVES) and served stateside for two years at Chavez Ravine, now Dodger Stadium. After returning to CMU, Julie met and married Bob. She received a bachelor's degree in education. In 1950, they moved to California. She always spoke about how they would make \$10 more a month teaching in California than if she stayed to teach in Michigan. Julie spent 34 years as a substitute teacher for the Whittier Union High School District. She attended East Whittier Presbyterian Church, serving as a deacon, elder and trustee. She was also a lifetime member of P.E.O. Julie served as commissioner for the City of Whittier from 1976-1982. She was a faithful and devoted member of the Stephen Ministries, for which she and Bob traveled the U.S. and Europe. In 1996, they moved to Leisure World, where she served as head of the volunteers at the newly renovated Medical Center. Julie attended Community Church, loved going to Disneyland and Knott's Berry Farm; and playing golf, and going on long drives. She was active in the LW Woman's Club, serving on the board and other committees.

A Celebration of Life will be held Friday, May 13, from 11 a.m.-2 p.m. in Clubhouse 3, Room 9. Interment will be May 16 at 3 p.m. at Rose Hills in Whittier. Donations may be sent to LW Woman's Club in honor of Julie's memory.

KOR residents cope with their daily affairs. She also became a member of Zonta International club, which was dedicated to women's rights and equity. She was elected president of the local chapter and, during her tenure, led delegations to attend several annual global conventions of Zonta International.

Chun-Yuen and Sam moved to Taipei when Sam took a new job first as the CEO and then as the chairman of a large petrochemical company. Sam eventually became the chairman of a large holding company in Taiwan. His last several jobs required him to take many trips overseas for business, and there were also plenty of opportunities for sightseeing and touring. Chun-Yuen often went along on these trips, and together they've been to nearly every corner of the world.

Sam retired in 1997. Shortly afterward, he and Chun-yuen immigrated to the U.S. to join their sons, who by then had both earned Ph.D.s in science and engineering.

They wanted to move close to their elder son's family in

Los Angeles and decided on Leisure World at the urging of their in-laws, who had already lived there for a number of years.

After coming to LW, Chunyuen and Sam maintained a very active lifestyle.

They joined the Chinese Culture Club, a dance club and a Bible study club. They were regulars at the clubs' weekly and monthly events, which include playing mahjong games, seminars/lectures, potluck dinners and dancing.

Chun-Yuen applied for and was given a small lot in LW's Mini Farm, which she tended for a number of years. She had fun growing vegetables and flowers, which she also grew around their home.

She volunteered to teach a weekly Chinese painting class in Clubhouse 3 for a number of years. Students of that class had an opportunity to proudly show their paintings in a successful and memorable exhibit held a few years ago. Some of Chun-Yuen's work are on display at the hallways of Clubhouse 4.

Sam passed away in 2014 at the age of 96. Chun-Yuen man-

aged to live by herself until she was 100, when, at the insistence of her sons, she got a housemate to care for her.

Chun-Yuen has a very good memory. She can still recite long Chinese poems she learned from childhood. Her favorite game show on the Internet features contestants competing to see who can accurately recite the most Chinese poems and answer questions about them.

She is in very good health and spirits.

There is no secret to her longevity. She is interested in many things, never gets angry over anything and is always content with what she has.

She never smoked, doesn't drink and has very regular routines that include healthy meals and light exercise. Her son videocalls her three times a day, during meals.

Every day, Chun-Yuen fills a full calligraphy page with Chinese characters, neatly written with a Chinese paint brush. She is happy, and everybody is happy for her.

Happy birthday to Chun-Yuen.

The Pickleball Players Club continues celebrating the winners of its March tournament, including Mike Hung (I-r), Anne Potter and Kathryn Ewell. "The club is planning a fun summer tournament that will focus on the skill of 'dinking,' a term for slow, soft shots hit close to the net, and another round-robin tournament in the fall," says President Linda Evenson. For more information, contact Evenson at (561) 577-3283 or lwsbpickleball@gmail.com.

Golf League Results

On April 8, 15 men and one woman of the Leisure World Golf League challenged a well-kept Meadowlark Golf Course in Huntington Beach. The course features large water hazards, rolling greens and narrow, tree-lined fairways. The weather was very hot and sunny, with temperatures above 90 degrees by 10 a.m.; air conditioning and cool drinks at the 19th hole provided welcome relief. With excellent course conditions, seven scores were at or below par, and there were eight birdies.

All scores are net (gross minus handicap). A Flight handicaps are 0-19, while B Flight are more than 19.

A Flight: First place: Clay Fischer, a league-best 6 under 64; second: Dave LaCascia, a hard-fought 5 under 65; third: Jim Goltra, a nice 3 under 67; fourth: tie between Bill McKusky and Chris Lankford, at even par 70; fifth: tie between Fujio Norihiro, Gary Stivers, Larry Hillhouse, Sam Choi and Tim Looney. Three birdies were carded by Fischer, and one each for LaCascia, Goltra, Lankford, Stivers and Hillhouse. LaCascia was closest to the pin on both the seventh and 16th holes.

B Flight: First place: Tom Ross, a well-played 1 under 69, plus fewest putts; second: Gene Vesely, at even par 70; third: Pat Paternoster, at 2 over 72; fourth: tie between Liz Meripol, Bob Munn and Lowell Goltra.

Facing off with the David L. Baker Executive Golf Course in Fountain Valley on April 11 were 12 golfers. The morning was overcast, with the sun not making an appearance until the last few holes. Even with the 4,000-yard course staying wet from overnight watering and cool temperatures, scores were good, with several very low scores and seven rounds at or under par (62). The greens, which were in very good condition, yielded five birdies.

A Flight: First place: McK-usky, a well-played 15 under 47, plus a birdie and fewest putts; second: tie between LaCascia and Norihiro, a hard-fought 5 under 57; third: tie between Choi and Stivers, a nice 3 under 59; fourth: tie between Jim Goltra and Fischer. LaCascia had a birdie, while Choi had two.

BFlight: First place: Paternoster, a really nice 13 under 49, plus a birdie, fewest putts and closest

to the pin on both the third and 12th holes; second: Meripol, an excellent 5 under 57; third: Lowell Goltra; fourth: tie between Munn and Lankford.

The Golf League plays at four local courses, all within 15-20 minutes of Leisure World. The courses are always quite full, so advance reservations are available via a sign-up sheet at each round.

There is a prize pool for each round that players are not obligated to enter. Rewards are given for low net and fewest putts in each flight, birdies, and closest to the pin on two par -3 holes. Holes-in-one and eagles (2 under par), although infrequent, are generously rewarded. Anyone who is interested should contact Gary Stivers at (714) 313-3697 or Dave LaCascia at (801) 674-5975.

Pool Club

On April 11, Jokers Wild won nine and lost only four games against the Ball Busters in Pool Tournament play. Ren Villenueva scored five points, winning both his singles games, while teammate Steve Mitchell pitched in with four points. This moved Jokers Wild into second place, only six games behind the Favorites.

The Favorites took a fourgame lead over Team Five and hung on to edge them 7-6. The Favorites won five of its six singles games.

The Pocket Rockets also got out to a fast start over Beat the House, winning four of its first five games, but losing its last two games to win 7-6. Bob Barnum and George Gordon both won four games for the Pocket Rockets.

Ticket to Ride won 10-3 over Side Pocket. Connie Terry, a much-improved player, won all seven of her games for Ticket to Ride, moving the team up to fourth place in the standings.

One reason the group plays both nine- and eight-ball is because the two games require different skills and strategies. It is easier to make a ball on the break in nine-ball, but a player always has to shoot the lowestnumbered ball on the table.

In eight ball, a player can have as many as seven different balls to shoot. Because there's only one ball to shoot in nine-ball, it's easier to play defensively.

Playing both will improve a person's game.

Men's Golf Club

Two groups of three flights of variously skilled golfers of the LW Men's Golf Club vied for best net scores, two circle holes (shots within a 5-foot radius are rewarded) and two closest-to-the-pin challenges on April 13. The Turtle Lake Golf Course is a 1,658-yard, 18-hole, par-54 course with great fairways and greens.

A total of 57 golfers teed off on a sunny morning. It warmed up fast and became a lovely day to play golf. The course was relatively dry and in good condition. Even so, only 24 of the golfers were net at or under par. There were, however, 13 circle holes and 54 birdies. Closest to the pin on the eighth hole was Fujio Norihiro, and on the 17th hole, it was Mike Mayfield.

All scores below are net (gross minus handicap). A Flight handicaps are 0-7, B Flight are 8-11, and C Flight are 12-18.

A Flight: First place: tie between Ron Steele and Richard Jun, an excellent 4 under 50; second: Gene Archambault, a very good 2 under 52; third: tie between Alan Sewell, John Kolthoff, Bill Long and Glenn Barry, a hard-earned 1 under 53; fourth: tie between Mike Mayfield and Jun Um, even par 54; fifth: Bob Turner, 1 over 55.

B Flight: First place: Walt Bier, a super 9 under 45; second: Steve Walker, an excellent 7

under 47; third: Pat Paternoster, a sweet 6 under 48; fourth: tie between Ryan Hong and Jim Bassett, a well-played 5 under 49; fifth: Dave LaCascia, a nice 4 under 50; sixth: Bill McKusky, 3 under 51; seventh: Brian Tivnan, 2 under 52; eighth: tie between John Haley, Won Song and Jong Lee, 1 under 53; ninth: tie between Terry Thrift, Sam Williamson and Trai Nguyen, even par 54.

C Flight: First place: Mike Carlson, an excellent 9 under 45; second: Jack Haskins, an outstanding 6 under 48; third: Dennis Jensen, a very good 2 under 52; fourth: tie between Roger Bennett and Won G. Park, a nice 1 under 53; fifth: tie between Byron Schweitzer and Rolando Ramirez, 1 over 55; sixth: Joe Didonato, 2 over 56.

The next Men's Tournament will be on April 27. Golfers are asked to arrive 10-15 minutes prior to their scheduled tee time and be ready to play. Anyone who had planned to play and cannot should contact Alan Sewellat (541) 324-8558 or Dave LaCascia at (801) 674-5975 as soon as possible.

The Men's Golf Club Spring Picnic is scheduled for June 15 at the Clubhouse 1 picnic area. Tickets will be available at all Men's and Guys & Gals tournaments.
