Summer fun, here we come

The pool is now full and expected to be swim-ready by Memorial Day.

Leisure World residents lined up in droves to attend the long-awaited unveiling of the GRF Aquatic Center, which was open for tours May 5. Colorful balloons strung across the pool blew in the breeze as scores of people filed in for a ribbon-cutting ceremony and surf band concert.

MUTUAL ELECTION

Voter participation honors up for grabs

The Mutual with the highest voter turnout will win this year’s coveted “Most Member Participation—Mutual Election” trophy. It will be presented to the president of the winning Mutual at the Presidents’ Council meeting on July 7 at 9 a.m.

Last year Mutual 14 won with 73% voter turnout.

Mutuals require a quorum to validate their elections. If a shareholder has not decided on a candidate by election day, he or she can check the “quorum only” box on the ballot so it can be counted only to help achieve a quorum at the annual meeting.

Shareholders are encouraged to meet the candidates at various events being held throughout LW to determine how to vote and then mail in their ballots.

2022 Most Member Participation Reward

LW Strong—Vote for Chance to Win

LW shareholders in even-numbered Mutuals who cast votes for their GRF directors in the 2022 election are eligible for an opportunity drawing for \$50 Ralphs gift cards.

The drawing is sponsored by the GRF Board of Directors as an incentive for residents to participate in community government.

Shareholders from even-numbered Mutuals will be automatically entered into the drawing if they vote. Gift card winners will be announced at the GRF annual meeting on June 14 at 2 p.m.

Based on the number of units, each Mutual will have one or more raffle winners, as follows: Mutual 2, 864 units for nine winners; Mutual 4, 396 units, four winners; Mutual 6, 408 units, five winners; Mutual 8, 348 units, four winners; Mutual 10, 276 units, three winners; Mutual 12, 452 units, five winners; Mutual 14, 328 units, four winners; Mutual 16, 60 units, one winner.

Current GRF director households are not eligible.

GRF elections are held every two years—odd-numbered Mutuals hold elections during odd-numbered years and even-numbered Mutuals during even-numbered years.

Mutual/GRF Election Voter Alert

As the Mutual and GRF elections move forward, shareholders should check mailed election materials to confirm that their names and addresses are correct.

New shareholders, especially, should verify the information to ensure election materials were not inadvertently sent in the name of a previous occupant of their unit.

Accurate Voting Services, the third-party Inspector of Elections, is working with Mutual Administration to address the issue and offer easy solutions to affected shareholders.

In the case of an incorrect election mailing, there are three options to cast a vote:

- Continue to vote as instructed in the election directions using the provided ballot and envelope. Accurate Voting Services will receive the ballot and confirm the status of the voter.
- Contact Accurate Voting Services directly to have a new ballot mailed. Accurate Voting Services can be reached at (833) 861-6352.
- Vote in-person at the Mutual’s annual meeting or on GRF’s election day June 7 by requesting a ballot from Accurate Voting Services in person before voting is closed.

Shareholders can check the Government section on page 5 for a schedule of GRF and Mutual annual meetings.

halt as the GRF looked to hire an architect and engineers to design a whole new project, all amid an unfolding pandemic. What started out as a simple pool replaster, redecking and locker room repair immediately mushroomed into a down-to-the-bones facility overhaul.

As workers began unpeeling layers of 60-year-old construction in late 2019, they found deteriorated gas lines, corroded electrical wires in broken conduits, cracked sewer lines, misaligned plumbing pipes, rotted wall studs in locker rooms, and severe cracks in the pool and spa shells. There were no footings under concrete block walls among other defects.

Work came to an abrupt

halt as the GRF looked to hire an architect and engineers to design a whole new project, all amid an unfolding pandemic.

The COVID-19 crisis interrupted supply chains and project schedules due to staff shortages and work changes to protect people from the virus.

But last week, residents were cheerfully looking forward to a summer of poolside fun. The facility has five swimming lanes, a 30-by-30-foot activity area, a 9-by-25-foot spa, and new locker rooms and lounge area.

It is not yet open for swimming, as the final inspections are pending and last-minute finishing work is underway. New deck furniture and a sunshade

are on order.

GRF Physical Property Manager Kevin Black hopes the pool will be open for swimming by Memorial Day to kick off a summer of fun.

At the May 5 ribbon cutting, people seemed overjoyed that the pool is nearly swim-ready, and many praised its larger size, reconfigured hot pools and spacious locker rooms.

They danced and applauded Ventures Mania, featuring Deke Dickerson, and then moved to the Clubhouse 6 parking lot to keep the party going at a Cinco de Mayo celebration featuring a live mariachi band, Alas de Angel, tacos, virgin margaritas and more.

All seats were taken for the opening ceremonies.

Senior Resource Focus

This is one in a series of monthly columns to familiarize LW residents with the vast array of resources available to them. Each article will focus on a topic of interest as researched by Member Resource Liaison Robann Arshat. The goal is to help residents better manage the challenges often associated with aging and to keep people at home and healthy for as long as possible. The following focuses on elder care advocates.

by Robann Arshat
member resource liaison

Elder care advocates are those who speak for, protect and support the needs of people in our senior community, providing them with the information and assistance they need to continue living the highest quality of life possible with dignity and respect.

Healthcare advocacy for seniors is extremely important, especially for those who have difficulty or fear of expressing themselves. Having an expert to advocate for the elderly accomplishes several things, including maintaining the senior's health and well-being. Help is available in the following areas:

- Abuse and Neglect**
Types of Abuse
- Physical abuse
 - Sexual abuse
 - Abandonment
 - Isolation
 - Financial
 - Neglect and self neglect
 - Mental suffering

Anyone who suspects, observes or knows that an elder is being abused is encouraged to call and report it. The reporting party is kept confidential.

Benefits to Reporting Abuse

- The elder or dependent adult will be given options to keep him/her safe from harm.
- The adult protective services (APS) worker can link the client and/or family to needed community resources.
- Unaware family members and friends can be alerted to step in to help.
- The APS worker can find ways to help the caregiver handle stress.
- In some cases, the abuse perpetrator can be prosecuted, lessening the harm to others.
- The individual making the report feels relief that a professional is assessing the situation.

Protect Pipes with Refresh Wipes

GRF Service Maintenance reports a growing incidence of blocked sewer pipes largely due to flushable wipes. To combat that, a new product called Refresh Liquid Wipes for \$6.81 including tax, is now available Copy & Supply Center in Building 5. Most wipes labeled "flushable" are not biodegradable and cause major sewer line stoppages, but Refresh is sprayed on toilet tissue, turning it into a flushable wipe.

The toilet paper foam is eco-friendly, good for sensitive skin, and cleanses and soothes using witch hazel and aloe. It is alcohol- and paraben-free and plumbing safe. Users have noted people may need more toilet paper to prevent deterioration during use.

Letters to the Editor

Editor:

In a democracy, voting is a right and responsibility. That is a given, an article of faith that most of us, but not all, hold dear. I am writing this letter in response to information distributed in my Mutual urging residents to not to send in their ballots.

The strategy behind this absurd handbill is to deny a quorum to force a new election. Is that sensible? Does it really accomplish anything?

So please vote. Send in your ballots. Vote now to support candidates who demonstrate a willingness to serve. Do it because a second election will indeed cost more money, which would be an unnecessary expense for any Mutual.

Save your vote by voting. At the very least, this will ensure a quorum. Please mail in your ballots.

Ron Lamb
Mutual 9

Editor:

A letter by Brian Harmon (April 28) took issue with White House Press Secretary Jen Psaki's characterization of Florida's latest assault on reality as "horrific." The letter stated that her comments were "a little strong" and lacking "decorum."

I cannot totally disagree with the writer on this. I find the personal attacks by "official" members of the Republican Party much worse. Surely, calling opponents pedophiles and groomers, as did Florida Gov. Ron DeSantis and Rep. Marjorie Taylor Greene, is more appalling.

From their point of view, due to their association with Congressman Matt Gaetz and another prominent member of their party who were in Jeffery Epstein's circle, maybe these terms are not considered derogatory, but they definitely are to me.

Was the organized shredding of the person of Judge Ketanji Brown Jackson by every member of the Republican Party acceptable because the language was decorous?

Mr. Harmon is to be commended for his personal adherence to the rules of common courtesy.

This is difficult, to say the least, these days, but at some point, what is being said has to become more relevant that how it is said.

LWers are Encouraged to Participate in the Voting Process

The 2022 annual meeting season begins May 17. The fever-pitch of activity will continue for the next six weeks as all 16 Mutuals and the Golden Rain Foundation host their annual meetings. The annual meeting and election season begins in January and concludes at the end of June. There are often many questions about this time of the year and why these activities are important.

Election Specialist Ripa Barua answers some frequently asked questions.

What is an annual meeting and how is it different from a regular board meeting?

The Mutual corporations and the GRF are required to have annual meetings in order to report to the membership their activities during the past year. Directors read reports concerning finances, infrastructure, accomplishments and goals for the future. An annual meeting is similar to a State of the Union speech, as directors are limited to presenting reports whereas business is conducted at board meetings.

Who can attend annual meetings?

Shareholders/owners are encouraged to attend their Mutual's annual meeting (see the schedule). All GRF members are encouraged to attend the GRF annual meeting on June 14 at 2 p.m. in Clubhouse 4.

Are the elections and annual

meetings held on the same day?

The ballot counting for each Mutual's election will be conducted at its annual meeting. The ballot counting for the GRF election will be conducted at a special GRF Board meeting on June 7 at 10 a.m. in Clubhouse 4, one week before the GRF annual meeting.

How often are elections conducted?

Most Mutual boards of directors are elected annually. The GRF has elections every year but elects directors from even-numbered Mutuals in even-numbered years and directors from odd-numbered Mutuals in odd-numbered years.

How many ballots will I receive?

Depending on your Mutual, you may receive one or two ballots. Shareholders in Mutuals 2, 4, 6, 8, 10, 12 and 14 are scheduled to receive two different ballots: a yellow ballot to elect your Mutual board of directors and a blue ballot to elect your GRF director(s). Shareholders in Mutuals 1, 3, 5, 7, 9, 11, 12, 15, 16 and 17 are scheduled to receive one Mutual ballot.

Should I separate the voting portion of the ballot before mailing it in the envelope provided?

No, return the full legal-sized ballot in the envelopes provided.

Has my ballot been mailed?

Check the election schedule (below) to see when the Mutual

ballots were mailed. The GRF ballots were mailed May 5.

There are three people who live in my unit; do we each receive a ballot?

One ballot is mailed to each unit on file. The unit represents one share of stock/voting power. Per Mutual bylaws, if there are multiple owners of one membership (unit) in the corporation, despite the multiplicity of owners, they shall jointly have only one vote.

Can I use a proxy or designate someone to vote on my behalf?

Proxies are not permissible in GRF elections, but depending on your Mutual's election policy, proxies may be used in Mutual elections. To ensure the ballot's integrity, ballot envelopes must be signed by the shareholder member connected to that household.

Are write-in candidates permitted?

Foundation bylaws do not permit write-in candidates for GRF directors. There is a space on most Mutual ballots for write-in candidates. However, for the vote to be properly cast for the write-in candidate, that candidate must be nominated at the annual meeting (called "nominated from the floor") and must be present to accept the nomination.

My mail is forwarded to a post office box or an address outside the community. Will

Beit HaLev

Beit HaLev has resumed Livestream services on *Facebook.com/galityomtov*, *YouTube.com* (Beit HaLev LIVE! Channel) and Zoom. Beit HaLev now uses a multi-streaming platform, so the links for Shabbat Ma'ariv and Shacharit are different from the old Zoom links.

Livestream services for the Shabbat evening service are at <https://us02web.zoom.us/j/85149315811?pwd=T3hOUkx5NUorR1M3UldWNS-84d3RKQT09>. The meeting ID is 851 4931 5811, and the passcode is RavGalit.

For the Shabbat morning service, go to <https://us02web.zoom.us/j/87999429979?pwd=eml5L09HL0d0Y3c2MUNFRGZZM05KUT09>. The meeting ID is 879 9942 9979, and the passcode is RavGalit.

This Shabbat's Torah reading is "Emor," meaning "speak," from Leviticus 23:23-24:23. HaShem tells Moses to instruct the Israelite people in the specifics of the holidays of Rosh Hashanah, Yom Kippur and Sukkot. The often-misinterpreted passage, "an eye for an eye," ends the reading by explaining that when a person is injured or harmed by another, the injured person must be given reparations for the loss. It does not mean, as many have mistakenly interpreted, that if someone has lost an eye, the person who caused the injury must also lose an eye.

All Beit HaLev services use special prayerbooks, "Lev L'Lev," which include excerpts from the Reform Siddur, "Mishkan HaT'filah." Printed versions of the prayerbooks will be available for sale when in-person services resume.

Beit HaLev and Rabbi Galit-Shirah are a part of the Union of Jewish Universalist Clergy and Communities. It is progressive in thought and traditional in liturgy. The services are joyous, meaningful and musical. Beit HaLev welcomes everyone who seeks a path to the divine and doesn't believe in labels. It considers all religions holy and valid.

To request a membership form for Beit HaLev, call Rabbi Galit-Shirah at (562) 715-0888 or email duets@icloud.com.

Contributions to Beit HaLev in the name of Robert Slater are welcome. People may send donations to Beit HaLev, P.O. Box 2279, Seal Beach, CA 90740.

First Christian Church

First Christian Church of Leisure World teaches from God's word, the Holy Bible, most often verse by verse. It is a friendly church that welcomes all visitors. People are welcome to worship and explore God's word together "that we may be mutually encouraged by each other's faith, both yours and mine" (Romans 1:12).

Message

Paul's second letter to the Thessalonians was written because the new believers were uncertain about the timing of certain events such as the coming of the Lord and the day of the Lord. It seems someone had falsely informed them that these events had already transpired, and they had missed out. Paul's letter clearly explains the ways of God, and the timing of these future events.

Without the uncertainties from the Thessalonian church, the Bible would not have this letter that is packed with the foundational truths of God's

word, evidence of God working in mysterious ways.

Assembly of God

Service/Gathering Times:

Assembly of God meets Sundays at 10:30 a.m. in Clubhouse 3, Room 2. Wednesday morning Bible study is at 10 in Clubhouse 3, Room 2. The hymn sing is held on the third Sunday of the month at 6 p.m. in the Clubhouse 3 Lobby.

Sermon for this week: The phrase "Old Testament prophets" sounds ominous. The Old Testament prophets probably weren't very popular people among their peers. They were messengers of rebuke, discipline and correction. But Scripture teaches that God disciplines those he loves. Pastor Chuck Franco will begin the series "Lessons From the Prophets" with this week's message, titled "God's Power and Mercy," from Jonah 1.

Bible Study: Session 4 of "A Healing Body," by Dr. Henry Cloud, will be presented at the Wednesday morning Bible study. God wants the church, his people, to be healthy emotionally and spiritually. This study

Sheryl and Chuck Franco

equips individuals to identify and work on areas in need of healing and to become a church body who can compassionately and genuinely encourage others to spiritual and emotional health.

Contact: More information about the church can be found at www.lwassemblyofgod.com.

Those who would like prayer, personal contact from a pastor, or a DVD of the Sunday morn-

ing sermon can contact pastors Chuck and Sheryl Franco by calling (562) 357-4360 or emailing pastorchuck@lwassemblyofgod.com.

Carolyn van Aalst is also available to receive prayer requests at (562) 343-8424.

Pastor Chuck's sermons can be accessed on the Faithlife app under the group "Leisure World Assembly of God," where people can also give online.

Community Church

A butterfly emerging from a cocoon has long been a symbol for new life. Those who have recently shed a cocoon—whether it's beginning to re-emerge from the pandemic or shedding a previous life to move into Leisure World—Community Church celebrates each person's new beginning.

Community Church is called "the friendly church." Those who have not visited Community Church before are invited to take a chance, come for a cup of coffee before worship to get a feel for just how friendly and welcoming the congregation is,

then stay for a powerful and uplifting message that challenges people to grow and mature as followers of Jesus.

New people are welcome to join the congregation for worship and fellowship at Community Church. Every Sunday, Pastor Johan Dodge tells the church, "You are welcome here; here is a place where all are welcome."

People can find Community Church on Facebook for livestreamed worship @ [communitychurchleisureworld](https://www.facebook.com/communitychurchleisureworld). Those who don't have Facebook can join via Zoom by calling

the church office or emailing leisurewccsue@yahoo.com. Community Church will continue offering online worship for those who either cannot attend in person or who do not want to risk exposure.

Those who are in need without another way to address it may leave a message with the church office at (562) 431-2503.

Faith Christian Assembly

At Faith Christian Assembly, people can count on hearing biblical messages each week from Pastor Sheri Leming and other trusted pastors and speakers on topics relevant to life today.

In addition to its services, Faith Christian Assembly also offers support for many areas of life. The GriefShare program is currently in session and open to new attendees. The Care Ministry ensures that members are checked in on often, and the Prayer Ministry prays regularly for so many individuals and other needs. Recently, the church offered a fraud prevention class, during which guest speaker Karen Rossi from the Senior Protection Program of the Orange County Council on Aging provided LWers a wealth

of information.

These are some of the many things that Faith Christian Assembly offers people so they can experience the beauty of a church community. All LWers are welcome to visit a service this weekend, get to know the warm and welcoming congregation, and hear a great message.

Sunday service times are at 10:30 a.m. and 5:30 p.m. The midweek Bible study is on Wednesday mornings at 11. For more information about any of Faith Christian Assembly's services or any of the ministries mentioned, call the church office at (562) 598-9010 or visit www.fcachurch.net.

The course of study is the Old Testament, personal reading should be those chapters not covered in the study. The reading for the week of May 16-22 is Deuteronomy chapters 6-8, 15, 18, 29-34

Russell M. Nelson, president of the Church of Jesus Christ of Latter-day Saints, spoke in the previous general conference of the trials and conflicts that are raging in the world today. Some are played out on a world stage for all to see, while others are private, seen by no one.

"My call today, dear brothers and sisters, is to end conflicts

that are raging in your heart, your home and your life," Nelson said. "Bury any and all inclinations to hurt others— whether those inclinations be a temper, a sharp tongue or a resentment for someone who has hurt you. The savior commanded us to turn the other cheek, to love our enemies and to pray for those who despitefully use us.

"It can be painfully difficult to let go of anger that feels so justified. It can seem impossible to forgive those whose destructive actions have hurt the innocent. And yet, the savior admonished us to 'forgive all men.'"

LW Baptist

On Sunday, May 15, at 10 a.m. in Clubhouse 4, LW Baptist's theme for this week's service is "All people need a new heart." Patsy Schaffner will sing "I am Amazed" during worship.

Stephen, the first Christian martyr, pleaded with his countrymen not to steel their hearts against God's grace, though such resistance was their national legacy from their forebears. Stephen points out they crucified the Lord of glory, not knowing he came to die in payment for their sins, and Stephen prays for his executioners, as Jesus did for his.

The Energizers group meets on Wednesdays at 3 p.m. in Clubhouse 3, Room 1, to study "It took a Miracle" from Psalm 19. For more information, call (562) 430-8598.

HEALTH & FITNESS

The Bicyclist Club crew repairs Mary Romero’s bike rack after it flew off while entering Shoreline Village. With the right tools, it took Al Basler, Bruce Vircks and Chung just 15 minutes to fix it. Join the group for a healthy ride on Sundays (with breakfast), Mondays, Wednesdays and Fridays. Meet at the North Gate at 9 a.m. with helmets and safe shoes. Call Mary Romero at (562) 810-4266 for more information.

Upcoming events at the HCC

May is a busy month for the Health Care Center. All Leisure World residents are welcome to the following free events in the conference room.

Questions About Medicare? Anthem’s specialists will answer questions about Medicare to help LWrers make sense of it all today, May 12, from 10-11 a.m.

SCAN Member Appreciation Day: Members and friends are invited to pick up a little thank-you treat from SCAN on Tuesday, May 17, from 11 a.m.-noon.

Music and Movement. When the right song comes on, it’s hard to keep those toes from tapping. LWrers are invited to take it up a step with this fun, interactive class, during which they’ll discover some new favorite moves to bust out when that song comes on. Alignment sponsors this one-hour class on Wednesday, May 18 at 1 p.m. Seating is limited, and facemasks are required.

The Extras in Medicare Coverage: There’s more to Medicare than just medical cov-

erage. People will learn how they can use transportation, dental, vision and other benefits when Anthem answers LWrers’ questions on May 19 from 10-11 a.m.

SCAN Sales Meeting. People who will soon be eligible for Medicare can learn the basics and find out if a Medicare Advantage plan is right for their needs on May 24 from 10-11 a.m.

Making Sense of Medicare. With a little extra knowledge from UHC, LWrers can make the most out of their Medicare coverage on May 25 from 10-11 a.m. (A Korean speaker will also be available.)

Melinda Lee

Wa-Rite

At the April 29 Wa-Rite meeting, the topic was regrets. The meaning of the word “regret” is a loss or missed opportunity in life.

People may have regrets toward their health and what they could have done differently, so they must learn to transform their regrets into a positive force. Finding the silver lining of regrets teaches people how to overcome them.

Everyone should treat themselves with kindness. People can try writing kind things down to help develop self-compassion. To make a decision that they won’t regret, they can try thinking about how it could affect them in a year.

By attending Wa-Rite, people develop the connection of reaching out and learning to change. Life is tough, but so are LWrers. When in doubt, reach out.

The biggest loser of the week was Melinda Lee, who is down 3 pounds. The total loss of the group was 22 pounds.

Wa-Rite meets every Friday at 9 a.m. in Clubhouse 3, Room 1. Weigh-ins end at 8:45 a.m. Annual dues are \$10. New members are always welcome.

Who qualifies for Extra Help?

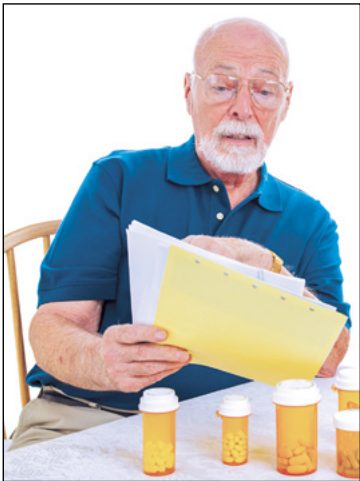

by Sandra Teel

Medicare insurance broker

Those who meet certain income and resource limits may qualify for Low Income Subsidy (LIS) Extra Help. This program helps pay for Medicare prescription drugs, and a person must be enrolled in a Medicare prescription drug plan to participate.

In 2022, people may qualify if they have up to \$20,385 in yearly income (\$27,465 for a married couple) and up to \$15,510 in resources (\$30,950 for a married couple). Resources that count are things such as money in checking and savings accounts, stocks, and bonds.

Resources that do not count include a person’s home, one car, burial plot plus up to \$1,500 for burial expenses, furniture and personal household items.

Prescription prices can be shocking.

If people think they might qualify, what should they do? People not receiving Medi-Cal (Medicaid) or SSI (Social Security Income Benefits) who feel they qualify for extra help can

Learn how to drive smart with Officer Mitchell Smith

California Highway Patrol Officer Mitchell Smith will give a presentation to the Sunshine Club titled “Age Well, Drive Smart” on Friday, May 13, in Clubhouse 3, Room 2, at 10 a.m. The club no longer meets via Zoom; people are welcome to the in-person meetings, where masks are encouraged.

Research by the Insurance Institute for Highway Safety shows that senior citizens involved in traffic collisions tend to be more vulnerable than younger people and suffer more severe injuries.

Crash prevention and in-vehicle occupant protection is an urgent need for seniors. The impact of aging on driving ability varies widely, but senior drivers need to know that gradual effects on vision,

flexibility and response times may compromise safety and eventually require them to stop driving.

To educate mature drivers, California Highway Patrol offers the Age Well, Drive Smart program statewide. People who take the program will learn how to tune-up their driving skills and refresh their knowledge of the rules of the road. People will also learn about normal, age-related physical changes and how to adjust to them as well as when it may be time to limit or stop driving and what the alternatives are. This approximately two-hour class is offered free of charge.

Smith was born in Fullerton and graduated from El Dorado High School in 2000. While attending college and prior to

beginning his career with the California Highway Patrol, Smith worked as an off-road race car builder and fabricator, which allowed him the opportunity to participate in many professional

LW BIRTHDAY

Vito Villamor celebrates his birthday with a big bash

On May 1, Vito P. Villamor of Mutual 4 celebrated his 85th birthday with friends from Cerritos and Leisure World at a big bash.

A live band provided music for dancing and a sit-down dinner for 150 guests, with uniformed servers delivering delicious food, including fresh fruit, green salad and cake.

Vito was born in San Jose, Occidental Mindoro, one of the 7,000 beautiful islands in the Philippines. He married his high school sweetheart, Linda, after they graduated from college. Linda graduated from University of Santo as a medical technologist while Vito graduated from Far Eastern University, College of Commerce. The two immigrated to the United States in 1971 and established their residence in the city of Cerritos. Vito and Linda have two adult sons and six grandchildren. Vito also has a sister living in Oxnard.

During the early years of

Vito’s marriage with Linda, they made a pact with each other that whoever was still alive at the age of 85 must celebrate with a big bash. Linda passed away four years ago, and Vito stayed true to their pact.

Democratic Club

by Mary Larson
LW contributor

To many of us living in Leisure World, it seems almost incomprehensible that within a matter of months, women in about half of the United States may be breaking the law if they decide to end a pregnancy. Many people can remember what it was like before the Supreme Court ruled on *Roe v Wade*. It was a time when faith leaders across the U.S. were willing to risk so much—their careers, their livelihood, even their freedom—to assist women seeking abortions. It was also a time when too many women needlessly died from complications dealing with pregnancies.

In light of the current situation, the LW Democratic Club is planning to feature a discussion about where to go from here during the June and July membership meetings. In the meantime, members are reminded that the California Democratic Party platform reads: “The California Democratic Party supports preservation of confidential, unrestricted access to affordable, high quality, culturally sensitive health care services. This includes access to the full range of reproductive services, contraception and abortion, without requiring guardian, parental, or spousal consent or notification, or judicial intervention.”

Two candidates running for OC Superior Court judgeships will be the speakers at the club’s membership meeting on Wednesday, May 18. The club’s information booth outside Clubhouse 6 is open every Tuesday from 10:30 a.m.-12:30 p.m. Club volunteers will also be available to assist voters in getting their ballots to the OC Registrar of Voters drop box located on St. Andrews Drive just outside the Amphitheater. For more information, call (562) 296-8521.

AMERICAN LEGION AUXILIARY

Honor veterans with poppies

May is known as Poppy Month throughout the United States. The American Legion Auxiliary Unit in Leisure World has been busy making poppies for over a year and is prepared to supply them for people in the community to wear throughout the month. These poppies are worn to honor veterans who have lost their lives throughout all wars. People can obtain one from the Auxiliary at stores and different events around Leisure World. The Auxiliary always needs volunteers to help with this project. Call Phyllis Pierce at (562) 598-3743 for more information.

The Auxiliary’s next general meeting will be held in Clubhouse 3, Room 1, on Friday, May 13, at 1:30 p.m. The initiation of new members will take place, and members who have not been initiated or received their Auxiliary pin are encouraged to come. Call Carolyn van Aalst to RSVP at (562) 343-8424. The election of new officers will also be held at the next meeting. Members are encouraged to volunteer for election to an office or chairmanship. The Auxiliary needs to have these positions filled. Call van Aalst for more information. Installation of new officers will take place on June 20 at Fiddlers Three, located on the Los Alamitos Joint Forces Training Base.

English Conversation Class

Republican Club

by Brian Harmon
LW contributor

United States Congresswoman Michelle Steel endorsed Scott Baugh for Congress at the “Meet the Candidates 2022” rally on April 22 in Clubhouse 2. She said she asked Baugh to run because “he is the only one who can win back that seat.”

Baugh has served as chairman of the OC Republican Party, and as the minority leader of the State Assembly. He is also chairman of OC Gang Reduction and Intervention Partnership (GRIP). OC GRIP works to help young people in schools in at-risk areas avoid getting involved with gangs. Their motto is “Giving Orange County’s youth a chance to thrive.” It is a partnership between the Santa Ana Unified School District, the OC Sheriffs, the District Attorney’s Office, the Santa Ana Police Department and local businesses. The nonprofit organization is sponsored by the OC Health Care Agency, the Friendly Center, OC Youth Sports, Big Brothers Big Sisters OC, the OC Bar

Association Charitable Fund, Pure Game (a nonprofit sports program for kids), Knott’s Berry Farm, the Angels, Chapman University, Saddleback Church, In-N-Out Burgers, and others. OC Board of Education Chair Mari Barke spoke about how the board has been encouraging the formation of charter schools to give parents more choices in how and what their children will be taught. A charter school can be formed when a group of parents and teachers who want to form a charter school decide to write up their idea, organize a large enough group, and write a proposed “charter” for the new school. If the charter is approved by the local school district, the school can be formed. If not, they can rewrite the charter for re-submission or ask the county board of education to overrule the district’s decision. The group also heard from the following candidates: Amy Phan West, congress; Janet Nguyen, state senate; Diane Dixon state assembly; Lance Christensen, State Superintendent of Public Education; Barke,

OC school board; OC Deputy District Attorneys Christopher Duff. (Seat 9), Andrea Mader (Seat 30) and Steve McGreevey (Seat 33), superior court judge. The LW Republican Club encourages residents to talk to their friends and loved ones throughout OC about charter school advocates Barke and Christensen and the three judicial candidates. The issue of charter schools has come to the surface at the national level. President Joseph Biden’s Department of Education is proposing regulations that will make it more difficult for charter schools to get federal funding, even though Congress recently voted down a proposal that would do the same thing. The LW Republican Club will meet in person in Clubhouse 3, Room 2, on Wednesday, May 25, instead of the usual third Wednesday of the month. The club’s booth will be open each Monday and Wednesday in May from 11 a.m.-2 p.m. in front of Clubhouse 6.

Concerned Shareholders Meeting

The Concerned Shareholders Association will review the Davis-Stirling Common Interest Development Act on Thursday, May 26, in Clubhouse 3, Room 2, at 1 p.m. The Golden Rain Foundation (GRF) and the Mutuals are planned developments, under the Davis-Stirling Act by court order. The club will go over the act’s history, the advantage to living in a development under this act, and what the procedures are to follow this law.

More than 50 firefighters are briefed on training drills.

Nontoxic fog from a machine simulated the smoke that filled the building during the drill.

OCFA
from page 1

The operation went very smoothly, said GRF Safety and Emergency Coordinator Eloy Gomez, who was on site to direct traffic and steer LW pedestrians away from the training.

“Everything went off perfectly,” agreed Fedak. “It was a great training experience for all that participated,” he added, thanking the GRF for its support.

More than 50 firefighters, support staff and chiefs converged on Building 7 at Del Monte Road. Aerial ladder truck drivers practiced paralleling the building to position ladders, and firefighters took turns traversing those horizontal ladders to ascend to rooftop positions.

Dozens more firefighters in full gear laid hose, rescued mannequins from smoke-filled units, placed and climbed wall ladders, scaled rooftops, and otherwise carried out all the protocols of fighting a real fire. Nontoxic fog machines provided the faux smoke.

The exercise looked so real that several residents expressed concern, with one of them wondering if there had been a shooting.

Among the participating units were Assistant Chief of Operations, Division 1, Battalion 38, Battalion 39, Battalion 1, Battalion 11, LW’s closest Engine 48, Engine 2, Engine 84, Engine 64, Engine 46, Engine 70, Engine 26, Truck 17, Truck 81, Truck 75, Safety 9, Safety 6, Safety 7, the OCFA Training Division and the OCFA Multi-Media Division. Falck/Care Ambulance, which is housed in Leisure World, was also on scene.

OBITUARIES

Lois Waggoner McMIndes 1916-2021

A tribute to Mom: On Sept. 6, 2021, in the early morning, Lois Waggoner McMIndes went to be with the Lord. She was two months short of her 105th birthday. She was looking forward to a family-and-friends reunion in heaven, where husband Gerald (Jerry); parents Grace and Harvey Waggoner; brother Harvey Jr.; her sister Willa Paden; her son, Bill; and son-in-law Joseph M. Anzallo rest, along with many friends. Lois was born on the Cheyenne-Arapahoe reservation in Oklahoma, just nine years after statehood. Growing up, she became aware of the inequality and prejudice Native Americans suffered. They went to school together and they were all mom’s friends but they were somehow always “apart.” Oklahoma history books never portrayed the situation accurately, which bothered her for the rest of her life. Growing up in the 1920s, Lois spent her summers at her grandmother’s house in Missouri on the Mississippi River. She remembered the great flood

of 1927, when the river was 21 miles wide and her family of five took in a family of seven who had lost their home and all of their belongings. She contracted malaria on one of those summers. She was greatly affected by the Great Depression and was very frugal for the rest of her life. In 1936, Lois married Gerald F. McMIndes. They lived in a U.S. Gypsum company town in Southard, Oklahoma. Their friends threw them a chivaree, which is “a noisy mock serenade (made by pans and kettles) to a newly married couple.” She remembered the Dust Bowl as if it happened yesterday. She was a faithful member of the Christian church all of her life and spent a major part of it ministering and praying for others. She was a true inspiration with her steadfast faith and love for her fellow man. As a child, she wanted to be a missionary/nurse in China. In the 1940s, Jerry took up photography as a hobby and found out about Monument Valley in southern Utah and its awesome beauty. He and Lois began making trips to the Navajo reservation in the valley and the Hopi reservation in Tuba City, and they made friends with people from both tribes and became family. This continued for 40 years. Over

her lifetime, Lois shipped over 8 tons of clothing and blankets to them. In 1962, the greatest joy for Lois and Jerry was the birth of their grandson, Joseph Scott Anzallo, who retired from law enforcement after 31 years. In 1986, she and Jerry moved to Leisure World, Seal Beach. He died in 1988. Mom continued to travel to Monument Valley (she called it her healing place), and on one of those trips, she met Don Mose, a Navajo educator who has dedicated his life to instilling pride in his people through awakening them to their rich spiritual culture. This friendship grew in mutual love and respect, and as Don’s mother had a short time to live, in a bedside vigil, she placed Don’s hand in mom’s. He is a true gift and has enriched our lives immeasurably. I (Jarilyn Anzallo, daughter) hope that I have accurately portrayed mom’s heart for service to others as well as her love of mankind. But there was so much more because her life was anything but one dimensional. A few last glimpses into her life, not in any particular order:

- Attended the last Hopi Snake Dance open to non-Natives.
- Traveled to all 50 states except Hawaii.
- Believed in UFOs.

- Always wanted a big pickup truck.
- Always wanted to ride the Goodyear blimp (we tried).
- Made three beautiful wedding dresses for her daughter and nieces.
- Got trapped in Wind Cave in South Dakota (long story).
- Sleep walked, even outside.
- She grew up in Canton, Oklahoma, population over 1,000, and said it was a good thing she grew up in a small town.
- Made close friends while riding elevators. For example, a very nice couple from Northumberland while in London.

Those Lois left behind are her biological daughter, Jarilyn; grandson, Joe, and his wife, Gloria, and her daughter, Jerica Brindle and her three little ones; nieces Jimmie (Jack) Hurst and Glenda (Craig) Griffith, plus many “adopted” children. Among them are Don Mose, her Navajo son; and Linda Benevento, her daughter in Christ, two very special people in Lois’ life. As well as her faithful and loving caregivers, who became family, Consolacion Puso and Kei Ito. We will always be grateful to them and Bristol Hospice-Marivic Tafoya, in particular. Mom’s last act of service was the donation of her remains to UC Irvine. When you think of Lois,

smile at the next person you see. Mom would love that.

Seeking Members for Chicago Club

Marla Hamblin is seeking potential members for a new club. She is looking for anyone who grew up in Chicago; is a fan of the Bears, Bulls, Blackhawks, White Sox or Cubs; knows how great the food is there; left their heart in one of the city’s diverse neighborhoods, but lives in Leisure World now. Like-minded people interested in reminiscing or debating which is the better team or restaurant, should contact Hamblin at (714) 401-9973.

The Garden Club has bestowed its May Garden of the Month honors on 13560 Cedar Crest, 109-G.

Bill Denton to share tips

The next Garden Club meeting will be on May 16 in Clubhouse 2 at 1:30 p.m. Bill Denton, an avid gardener, will share his gardening experience, insights and expertise. He says he finds Leisure World, with its perfect climate, a great place for anyone who loves gardening.

Denton was born in San Diego, and he remembers his grandparents' fig and apricot trees, tomato and pepper plants, and, of course, all kinds of flowers from snapdragons to birds of paradise. On his patio in LW, he has a pup from his grandparents' gigantic Stagorn fern.

From a young age, Denton learned to mow and trim his family's lawn and was inspired by his parents' love of gardening. Denton says that the connection with nature when his hands touch the soil is an amazing gift.

Tickets for the June Luncheon will be on sale for \$30 in the Lobby before the meeting. The plant table will be up and running in the meeting room, and the "WE CARE" table will

Bill Denton

be set up in the Lobby, ready for donations of cash, checks and non-perishable food items. The greatest need right now is for monetary donations to assist local people in need with rent, utility bills and other costs of living affected by the current high rate of inflation.

Though Clubhouse 6 was closed for Cinco de Mayo festivities, that wasn't going to keep this group from dancing. Joyful Line Dance met in Clubhouse 3, Room 2, for a fun time led by Jojo Weingart (in gray shirt). The group regularly meets on Thursdays from 10:30 a.m.-12:30 p.m. upstairs in Clubhouse 6, with dance direction from Albert Comia, Connie Peck, Caryn Lynn Stel, Anna Derby, Chung Cha Lewis, George Pinada and Sunny Kim. Classes are limited to 30 people on a first-come, first-served basis. Face masks and exercise shoes are recommended. For more information, send a text to (562) 301-5339.

The Velvetones performs twice a month for LWers.

WEEKEND NIGHT DANCES

Velvetones to play Sunday

The Velvetones Ballroom Dance Orchestra, Leisure World's own professional big band, plays swing and jazz standards on Sunday, May 15, at 6 p.m. in Clubhouse 4. Under the direction of Jeff Plum, the band performs music for dreaming and dancing, a combination of reeds, brass and rhythm that defined popular American music for more than three decades and still pervades the public consciousness.

They authentically re-create the style, musicality and essence of a bygone era, peppering their repertoire with contemporary pop hits to appeal to a broader audience. Whether it be a well-known standard, contemporary jazz showcase, sentimental vocal ballad or a hard-swinging brass feature, the Velvetones provides a complete package of musical entertainment.

The Velvetones perform on the first and third Sundays of the month.

Masks are no longer required inside the clubhouse regardless of vaccination status but are strongly recommended. There is no table

saving allowed, but everyone may bring their own snacks. The GRF asks everyone to sign in, either as a resident or guest.

Attendees must be out of the clubhouse no later than 10 p.m. to allow adequate time for the custodian to tear down the setup and arrange the room for the following day.

No announcements are permitted from the stage, except by the bands. Clubhouse lighting and audio-visual equipment can only be adjusted by the custodians, according to the instructions they have been given.

Regine Schumacher took this portrait of Marty Williams

Photo Arts Club

The Photo Arts Club will meet today, May 12, at 1:30 p.m. in Clubhouse 3, Room 5. Instructor Ben Benjamins will demonstrate how to send photos as an attachment via email. All participants will be asked to send at least three photos each month to be shown on a high-definition TV in the classroom. The object of future lessons will be how to make and create photos, not just take pictures.

The assignment for the May meeting is to make a portrait. Members are asked to bring any of their photos to share for the vote. The chosen photos will be hung in Clubhouse 3.

Everyone is welcome. For more information, call Regine Schumacher at (562) 430-7978.

Golf League Results for April 29, May 2

On April 29, 12 men of the Leisure World Golf League attacked the par-62 David L. Baker Executive Golf Course in Fountain Valley. With numerous water hazards, narrow tree-lined fairways and yawning sand traps, the 4,000-yard course requires accurate drives and approach shots. The course was damp from overnight watering, and the early-morning clouds persevered until mid-round, when it warmed up nicely with no wind. Seven scores were at or below par, but there were only three birdies.

All scores net (gross minus handicap). A Flight handicaps are 0-19, while B Flight is more than 19.

A Flight: First place: Dave LaCascia, a nice 3 under 59, plus a birdie; second: tie between Gary Stivers and Clay Fischer, even par 62; third: Sam Choi, a hard-fought 2 over 64; fourth: tie between Tim Looney and Bill McKusky. Stivers had fewest putts for the round, Choi was closest to the pin on the 100-yard third hole, and McKusky had a birdie.

B Flight: First place: Bob

Munn, well-played 9 under 53, plus a birdie and closest to the pin on the 120-yard 15th hole; second: Tom Ross, a first-rate 7 under 55, plus fewest putts; third: Pat Paternoster, a very good 5 under 57; fourth: Lowell Goltra, an excellent 4 under 58; fifth: tie between Gene Vesely and Ron Jackson.

Challenging the 5,800-yard, par-71 Willowick Golf Course in Santa Ana on May 2 were 13 golfers. The morning was cool and overcast for the entire round, and there was no wind. With deep sand traps and wide, tree-lined fairways, Willowick requires length off the tee and accurate approach shots. The greens were recently aerated, making putting a challenge. Such conditions led to eight scores at or under par and yielded four birdies, plus a rare eagle.

A Flight: First place: Jim Goltra, a very well-played 8 under 63, plus tied for fewest putts, the lone eagle and two birdies; second: Fischer, an excellent 4 under 67, plus closest to the pin on the 140-yard

Shufflers upset Hot Shots

Game 16 of Shuffleboard league play was held at the Clubhouse 1 courts on April 29. After a hard-fought competition, the Shufflers defeated the Hot Shots 12-6. The Hot Shots are now in first place, with Shufflers in second and Sliders in third.

The Shufflers' all-game winners were Anita Giroud, Sal LaScala and Kay Mount. The Hot Shots' all-game winner was club President Carrie Kistner.

Practice times are Mondays and Wednesdays at 9 a.m. Starting time for league play is 8:30 a.m. on Fridays. Players are asked to arrive on time to get a starting position. BYOB practice nights, tournaments and other social events are being planned for Shuffleboard members and their guests.

The first Joan LaCascia Tournament will be held May

27. It will be a three-game tournament, with the top three highest total point scorers being rewarded. Sign-ups are available at the courts.

The club's general meeting, with nominations and elections for new and/or returning officers, was held May 11 at the Clubhouse 1 courts.

Shuffleboard is an entertaining and challenging game of skill and strategy. No partners are necessary, and all equipment is provided; the only requirement is closed-toe shoes with non-skid soles. To use the Shuffleboard courts, people must be trained in court setup, maintenance and play, with the goal of becoming a participating club member.

Contact Dave LaCascia at (801) 674-5975 for details.

• When you start a game of Sudoku, some blocks will be pre-filled for you. You cannot change these numbers in the course of the game.
• Each column must contain all of the numbers 1 through 9 and no two numbers in the same column of a Sudoku puzzle can be the same.
• Each row must contain all of the numbers 1 through 9 and no two numbers in the same row of a Sudoku puzzle can be the same.

VOTING

from page 5

my ballot be forwarded to me?
No. As the voting rights are tied to the unit, ballots are all mailed to the units. A replacement ballot can be mailed to you at the address of your choice. Call Accurate Voting Services at (833) 861-6352 to request a replacement ballot.

The candidates on my ballot are running unopposed; why should I vote?

Your participation in the election process is critical for the operation of this community. Additionally, the return of your properly cast ballot ensures that your Mutual will obtain the necessary number of votes to

produce the annual meeting and counting of ballots.

I don't know the candidates running for my Mutual board of directors; why should I vote?
Read the candidate Statement of Qualifications (often referred to as a resume or biography) included with the ballot for information. Ask candidates questions on topics that are important to you. Attend meet-the-candidates events. Ask your friends and neighbors for their opinion. If you decide you still do not want to cast your votes for any of the Mutual candidates, you are still strongly encouraged

to vote by checking the box labeled abstain from voting—ballot counted for quorum only portion of the ballot. This lets you participate in the election process by returning a properly cast ballot.

I've heard a quorum is necessary before the ballots can be counted. What is a quorum?
A quorum is the minimum number of members that must be present to make Mutual annual meeting proceedings valid. In the case of elections, your participation in the voting process, i.e., your properly cast ballot, counts as your attendance. A quorum of at least *one-third* for some

Mutuals, plus one for some of the Mutual corporation membership is required before the Mutual ballots can be counted.

I lost my ballot or can't remember if I mailed my ballot. What do I do?
Call Accurate Voting Services at (833) 861-6352 to have a replacement ballot mailed to you or to confirm your ballot was received.

Where do I mail the ballot?
The yellow and blue mailing envelopes are postage-paid and pre-addressed to the Inspector of Elections, Accurate Voting Services Inc., P.O. Box 6117, Laguna Niguel, CA 92607-6117.

Drop the ballot in a U.S. mailbox as soon as possible. Your ballot must be received before noon on the business day BEFORE the annual meeting. You may also hand deliver your ballot to Clubhouse 4 on the day of the annual meeting. See instructions on your ballot for further information. Don't forget to sign the outside return envelope.

I still have questions about annual meetings and elections. Who can help me?
Contact Rosie Estrada, Stock Transfer Assistant Manager, at (562) 431-6586, ext. 346, or Ripa Barua, Election Specialist, at ripab@lwsb.com for assistance.

Cribbage Club

On May 3, 50 cribbage players celebrated the birthday of former club president Patti Smith with cake and ice cream, which were served by Carrie Kistner and Candy Meyers.

Prize money went to Dave LaCascia, who placed first with a score of 843. Russ Gray came in second with 840, Marie McGuire was third with 838, and Jack Hawn was fourth with 834. Ron Jackson won six out of seven games with a score that was out of the prize range.

New members are always welcome to join the Cribbage Club, which meets every Tuesday in Clubhouse 1. Refreshments are served at noon, and seven games are played beginning at 12:30 p.m. Dues are \$5 for the year, and \$1 is collected each week at the table.

For help in learning or brushing up on the game, contact Terry Thrift at (714) 394-5885.

Slip into this lecture on paphs

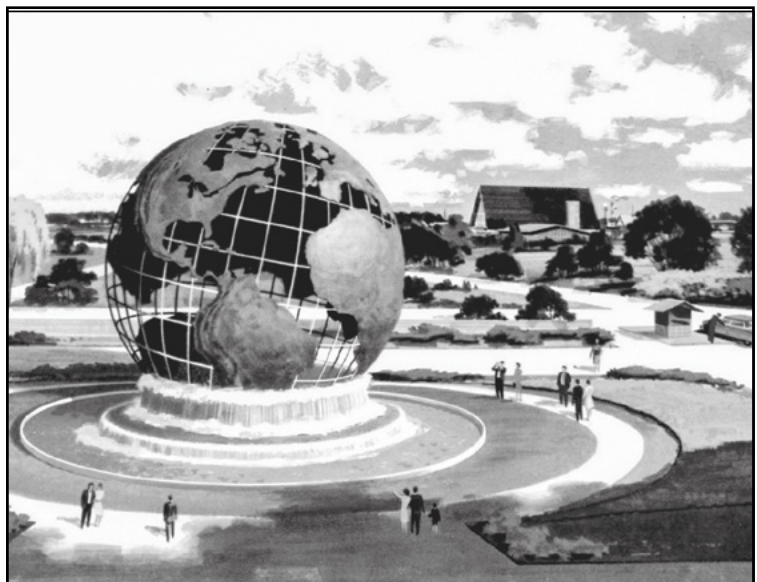

The South Coast Orchid Society of Long Beach will host a program by Tim Culbertson on "Historic Paphs: Passions and Paradigms of 150 Years" on May 23 from 7-9 p.m. at Whaley Park Community Center in Long Beach.

Whether they're called slipper orchids, paphiopedilums or paphs, these strange flowers from Southeast Asia have intrigued generations of gardeners. Once orchid enthusiasts in England started cross-breeding them, dramatic colors, spots and stripes appeared—and on

ever-larger flowers. In the 20th century, American growers joined in, including a succession of SoCal orchid enthusiasts who have brought their hybrids to the South Coast Orchid Society's monthly meetings ever since it was founded in 1950.

Culbertson is uniquely qualified to tell this story, having worked with the plants for years at major botanical institutions and in his own collection. Orchids grown by the society's members will be on display.

The event is free and open to the public. For more information,

The mini documentary "The Beginning of Leisure World," by Video Club Producer Owen Hughes, focuses on how the community began in the early 1960s. It plays this month on SBTv3; people can view the production on Spectrum (Ch 3), Frontier (Ch 37) and [SBTV3.org](https://www.sbtv3.org).
