MEMORIAL DAY

GRF offices to close for holiday

In observance of Memorial Day, all Golden Rain Foundation offices except Security will be closed Monday, May 30.

The Leisure World Maintenance Department will be available for emergencies only and may be reached by calling (562) 594-4754.

The LW Library and Friends Bookstore will also be closed.

GRF ELECTION

Mail ballots by June 3 to ensure quorum

The GRF is making an urgent plea to shareholders to mail in their ballots for the election of directors in even-numbered Mutuals no later than June 3. That will ensure ballots are received by the Accurate Voting Systems, the Inspector of Elections.

Shareholders may also personally deliver sealed ballots to Clubhouse 4 between 9-10 a.m. on June 7, when ballots will be counted. The polls will close at 10 to begin the counting process.

It is essential to achieve a “quorum” of membership to hold the GRF Annual Meeting on June 14 at 2 p.m. in Clubhouse 4.

A “quorum” is the minimum number of eligible member votes

For the first time in three years, a Memorial Day ceremony will be held at the United States National Submarine Memorial West, located at Naval Weapons Station Seal Beach, on Monday, May 30.

The 11 a.m. observance will include speeches by local community leaders, as well as the unique “tolling the boats” ceremony, during which each of the 52 U.S. submarines lost during World War II is honored as a bell is tolled.

The keynote speaker will be Joe Koch, a former crew member of the WWII-era submarine USS Tusk (SS 426).

The free event is open to the public, and no advance reservations are needed.

The submarine memorial is located aboard the naval weapons station at 800 Seal Beach Blvd., between Westminster Avenue and Pacific Coast Highway, in the City of Seal Beach.

For more information, contact Naval Weapons Station Public Affairs Officer Gregg Smith at (562) 626-7215.

Col. Clifton T. Uyematsu, who retired in 2004 and was commander of the 37th Mobile Aerial Port Squadron at March Air Force Base, will give the keynote address.

Event highlights will include Tina Schaffer singing the National Anthem, a Velvetones’ salute to the armed forces with audience participation, a moving ceremony to remember the nation’s POW-MIA military personnel, the Roll Call Post Everlasting and “Taps,” played by Tom Schmitz to end the service.

PBS DOCUMENTARY

Long Beach is backdrop for new aviation film

"Hearts Above the Clouds," a new PBS documentary created at California State University, Long Beach, chronicles 100 years of courageous and pioneering women aviators in Long Beach.

CSULB's Advanced Media Production company produced the film, which examines how Long Beach served as the geographical backdrop for courageous and pioneering women aviators. It features women who broke barriers, set records, served in the military during wartime and soloed around-the-world adventures in aircrafts. Some of the film was shot at Long Beach Airport.

The documentary will air Tuesday, May 31, at 9 p.m. on Los Angeles PBS affiliate KLCS.

Founded in 1949, CSULB is a teaching-intensive, research-driven institution ranked the No. 2 master's-level university in the nation and No. 3 nationally in promoting social mobility. It is No. 4 in the nation awarding bachelor's degrees to minority students. The 322-acre campus enrolls more than 39,000 students and boasts more than 350,000 alumni who positively impact the community, state and nation.

The business of seating new GRF directors cannot be conducted unless the GRF achieves a quorum.

Shareholders who turn in ballots are automatically entered in a drawing to win a \$50 Ralphs gift card. There will be several winners from each Mutual.

GRF VS. GAF

What's the difference?

People often ask, what's the difference between the Golden Rain Foundation (GRF) and the Golden Age Foundation (GAF)?

In short, everything.

Although the GAF and the GRF are often confused, they are two completely separate organizations.

The GRF is the not-for-profit corporation that manages the trust property of Leisure World. It has employees overseen by an executive director and a board of directors composed of LW shareholders who serve on numerous committees, including Recreation, Mutual Administration, Physical Property, Finance, Communications and IT and Security, among others.

Every resident owner of Leisure World is a member of the GRF, which is why they are called shareholders. The GRF is funded by a portion of each resident's monthly carrying charge.

The GAF, on the other hand, is a 501(c)(3) charitable organization.

It has a small board of directors. Every person in the organization is a volunteer.

Its mission is to make the community a better place to live. Funding is dependent on contributions from shareholders or community clubs and organizations.

When a large bequest is received, which happens occasionally, it usually is designated for a specific project. For example, in 2013, gym equipment was provided through a bequest from Jack Schiffler. The GAF works hand in hand with the GRF to facilitate the projects that bequests provide for.

Donations cover all manner of services, including programs like the Hospitality Center in Clubhouse 6, tax preparation, paper shredding, battery recycling and mobility aids.

Anna Derby, president, GAF

All of these are provided to residents free of charge.

The driving force for the GAF is in its mission statement: to improve life in Leisure World.

"We are always looking for donations, both large and small," said GAF President Anna Derby. "If you're making out your will or trust and want to help make Leisure World a nicer place, please remember us. We aren't focused only on large donations; we appreciate every single donation because every gift helps us in achieving our goal."

In year's past, the GAF had a catered gala to honor its volunteers. It was suspended for three years because of COVID-19, but will resume as soon as possible.

The gala was an annual highlight, featuring entertainment, a silent auction and more.

Residents are invited to check out volunteer opportunities in the GAF.

"Nothing happens in our organization without the dedication and efforts of our volunteers," said Derby. "They are the heart and soul of the Golden Age Foundation." For more information, go to www.goldenagefdn.org or a leave message at (562) 431-9589.

Community Legal Aid SoCal

Community Legal Aid SoCal, a free resource for Orange County residents aged 60-plus, has been helping seniors with a variety of legal challenges for more than 64 years. According to Seniors Unit Supervising Attorney Laura Luu, "Seniors often come to us when they've received documents that they don't understand and ask us to review and explain the paperwork to them. We offer them counsel, advice and an unbiased opinion about what their options might be."

Specifically, Community Legal Aid SoCal can help with civil legal issues involving consumer disputes, estate planning, conservatorships, housing issues and government benefits, among others.

Consumer Disputes

Community Legal Aid SoCal can intervene on behalf of seniors with consumer issues such as disputes with contractors, filing for bankruptcy, as well as consumer fraud and scams.

Estate Planning

Community Legal Aid SoCal provides estate planning services and can offer review and unbiased counsel about a senior's particular financial situation before he or she hires an attorney to create a trust.

A trust is not always the best route to take and most seniors do not realize this, according to Luu. "We can present them with alternatives to a trust, if that would be appropriate for them."

Conservatorships

Legal aid attorneys can also review documents and provide counsel and advice to guide seniors toward their best options.

Housing/Eviction

Legal aid attorneys can educate seniors who are having landlord disputes or facing eviction about their rights as tenants and offer guidance. Some seniors take boarders into their homes, renting out a room for added income. If there is an issue with the boarder, Community Legal Aid SoCal can help the senior legally address it.

Kurt Bourhenne

The LW Weekly has recently received a slew of photos — of varying degrees of clarity — featuring an annual rite of spring here, mama ducks and their chicks. Some were shot from cars, some on the golf course, but this closeup by Kurt Bourhenne of Mutual 14 was the best of the bunch. That’s because this mama and her 13 offspring decided to shelter on his porch, offering him — and everyone else — a close-up look.

Protect the Pipes with Refresh Wipes

To combat blocked sewer pipes in LW, a new product called Refresh Liquid Wipes is on sale for \$6.81, including tax, at the Copy & Supply Center in Building 5.

Most wipes labeled “flushable” are not biodegradable and cause sewer line stoppages, but Refresh is sprayed on toilet tissue, turning it into a flushable wipe.

The toilet paper foam is eco-friendly, good for sensitive skin, and cleanses and soothes using witch hazel and aloe. It is alcohol- and paraben-free and plumbing safe.

Users have noted people may need more toilet paper to prevent deterioration during use.

VOTER TURNOUT

Award will be given to Mutual with most ballots

The Mutual with the highest voter turnout will win this year’s coveted “Most Member Participation—Mutual Election” trophy. It will be presented to the president of the winning Mutual at the Presidents’ Council meeting on July 7 at 9 a.m. Last year, Mutual 14 won with 73% voter turnout.

Mutuals require a quorum to validate their elections. If a shareholder has not decided on a candidate by election day, he or she can check the “quorum only” box on the ballot so it can be counted only to help achieve a quorum at the annual meeting.

GRF ELECTION

Cast votes for a chance to win

LW shareholders in even-numbered Mutuals who cast votes for GRF directors in the 2022 election are eligible for a drawing for a \$50 Ralphs gift card. The drawing is sponsored by the GRF Board as an incentive to participate in community government. Eligible shareholders will be automatically entered into the drawing if they vote. Winners will be announced at the GRF annual meeting on June 14 at 2 p.m.

Celebrating Centenarian George Mayeda

This is one story in an occasional series profiling some of LW's most long-lived residents, those who have reached the enviable age of 100 years or more. The series is running in connection with the Golden Age Foundation centenarian event held April 20. In most cases, a family member or friend has written the stories.

by **Kyle Sadler**
special to the LW Weekly

George Mayeda will celebrate his 100th birthday on June 13. He was born in Riverside, California, in 1922, one of five siblings. His father and mother had come to California from Japan. His father worked as a foreman in a packinghouse for produce and in a pool hall in the off-season.

At 5 or 6 years old, he and his older brother Tom went to Japan for several years to live with their uncle while the family focused on work, gardening in the Hollywood area and taking care of their siblings Tane and Sam.

When the brothers returned, their new brother Shoji had been born, and the family had relocated to San Gabriel. Here, they started a collection of businesses, including a gas station, pool hall and grocery store.

When the U.S. entered into World War II, Franklin D. Roosevelt's Executive Order 9066 ordered the incarceration of Japanese American citizens living along the West Coast. Like 120,000 people of Japanese descent, George and his family were forcibly relocated and imprisoned in internment camps.

Most families had to leave all of their belongings behind or sell them for dirt cheap. Fortunately, a family the Mayedas were acquainted with held their belongings and property for them and rented their businesses while they were in the camps.

Tulare Race Track near the Sequoia National Forest was their first destination. The track had been converted into a processing center and internment camp, with the horse stalls crudely converted into sleeping quarters.

They later found themselves at the Gila River Relocation Camp in the Arizona desert, where they would stay for the next several years. The center was built on the Gila River Indian Reservation. Two internment facilities, Canal and Butte camps, were established there. There were rows of military-style barracks, or large wooden shacks, set up, and the grounds were fenced in and patrolled by armed guards. George remembers they had to hang sheets to partition different families' living quarters. The peak population was over 13,000 in these camps, though they were designed for no more than 10,000.

George did a number of things for work while at Gila. He tended cattle and learned how to ride a horse, fixed fences, washed dishes and delivered ice to the mess halls. ("The good, clear ice," George said, "was saved for their friends.") He worked in the post office, and he and his friends would occasionally sneak into town to go to the movies in the back of the postal truck. Seasonally, he worked on a farm outside of the camp, harvesting and separating sugar beans. On the nearby railway, he hammered nails, sleeping on the tracks some nights.

Also while in Gila, he met his future wife, Fumi. She was close friends with his younger sister Tane.

During the war, his older brother Tom was in the Army as an interpreter based in Korea. George himself was nearly drafted and even had his physical examination, but the war ended shortly beforehand.

Finally released from camp, George and his family moved back to San Gabriel, where they were able to resume their business. Members of Fumi's family had moved to Chicago as the war was ending, but she eventually came to San Gabriel to be with George. They married in 1946 and had their own house built in the area.

George and his brothers Tom and Shoji began working as gardeners. They joined a bonsai organization taught by famed bonsai master John Naka. George remembers one of his bonsai being featured in one of Naka's magazines. Sometimes, in the early morning, they would travel to the mountains and dig for trees to use in their own personal bonsai projects.

After the birth of their daughters Hannah and Jan, Fumi, who had been cleaning houses, went to night school. She went on to work for the Bell Telephone Company key punching and, later, as

LWSB is a diverse community. The LW Weekly features multiple opportunities for neighborly interaction and enjoyment.

LWSB is an oasis that strives to not resemble the fractious world outside. Personal rather than disruptive engagement is valued.

Given these beliefs, I do not understand why someone would choose to prominently display an immense banner that reads, "Trump 2024."

The Presidential election is two-and-one-half years away and the Republican Party has not nominated an official candidate. I believe many Republicans believe that Biden is not our actual president, and this banner reminds residents that on Jan. 6, an insurrection by Trump supporters was an attempt to overthrow our government and undermine democracy.

I think this banner is designed to alienate rather than unite, so for the remaining two-and-one-half years, I will be faced with this banner and what it represents to those of us who choose a world of hope and inclusion, not fear and isolation.

The display of this banner does not represent what LWSB strives to be.

I called the Y Service Club when I first moved in for help sorting my boxes. I had each room filled with boxes, and it was like a Rubik's Cube to move them around and get the furniture in the right spot. But a volunteer came and the job got done! I recently called again to get help hanging pictures and putting stuff on high shelves as I cannot climb ladders.

What makes this group extra special is if you make a volunteer donation, the money goes toward the Y. And these volunteers are a friendly and helpful group of people. I'm thankful they are in Leisure World.

Editor:

When someone asks me how I like living in Leisure World, I give them my patented answer, "It's a wonderful place to live, (pause) if only there weren't so many old people and too many damn rules."

While scanning the May 5 LW Weekly, I found under "Notification of Proposed Changes to GRF Documents" more than ample justification for my response to that question. As

I continued reading through the five full pages of codified rule proposal changes, subject to GRF approval, they only solidified my opinion. One rule, in particular, pushed me over the edge.

Under the heading ADMINISTRATION, it read "30-5093-1, Authorized Resident (AR) rules of Conduct. Rule 2.4.1.9 reads, "Bodily odor or cleanliness that would be considered offensive and a health and safety hazard to others."

My initial response was to laugh, followed by questions: Whom might be the person or persons bringing such charges against a fellow resident? What line must the offensive defendant cross? Is there an estab-

lished "sniff test" the accused must fail? Is there a three-strike rule that would be applied for repeat offenders?

Obviously, I view rule 2.4.1.9, as humorous, yet even more so as ridiculous.

I would hope most GRF board members would agree.

These egregious and unenforceable rules broadcast to the world a culture that challenges the image of LW as a place that prides itself on being a community composed of friendly residents.

Too many silly rules makes criminals out of law-abiding citizens and is symptomatic of idle minds.

LWers are Encouraged to Participate in the Voting Process

The 2022 annual meeting season began May 17. The fever-pitch of activity will continue as all 16 Mutuals and the Golden Rain Foundation host their annual meetings. The annual meeting and election season begins in January and concludes at the end of June. There are often many questions about this time of the year and why these activities are important.

Election Specialist Ripa Barua answers some frequently asked questions.

What is an annual meeting and how is it different from a regular board meeting?

The Mutual corporations and the GRF are required to have annual meetings in order to report to the membership their activities during the past year. Directors read reports

concerning finances, infrastructure, accomplishments and goals for the future.

An annual meeting is similar to a State of the Union speech, as directors are limited to presenting reports whereas business is conducted at board meetings.

Who can attend annual meetings?

Shareholders/owners are encouraged to attend their Mutual's annual meeting (see the schedule).

All GRF members are encouraged to attend the GRF annual meeting on June 14 at 2 p.m. in Clubhouse 4.

Are the elections and annual meetings held on the same day?

The ballot counting for each Mutual's election will be conducted at its annual meeting.

The ballot counting for the GRF election will be conducted at a special GRF Board meeting on June 7 at 10 a.m. in Clubhouse 4, one week before the GRF annual meeting.

How often are elections conducted?

Most Mutual boards of directors are elected annually. The GRF has elections every year but elects directors from even-numbered Mutuals in even-numbered years and directors from odd-numbered Mutuals in odd-numbered years.

How many ballots will I receive?

Depending on your Mutual, you may receive one or two ballots. Shareholders in Mutuals 2, 4, 6, 8, 10, 12 and 14 are scheduled to receive two different

VOTING from page 5

ballots: a yellow ballot to elect your Mutual board of directors and a blue ballot to elect your GRF director(s).

Shareholders in Mutuals 1, 3, 5, 7, 9, 11, 12, 15, 16 and 17 are scheduled to receive one Mutual ballot.

Should I separate the voting portion of the ballot before mailing it in the envelope provided?

No, return the full legal-sized ballot in the envelopes provided.

Has my ballot been mailed?

Check the election schedule (on page 5) to see when the Mutual ballots were mailed.

The GRF ballots were mailed May 5.

There are three people who live in my unit; do we each receive a ballot?

One ballot is mailed to each unit on file. The unit represents one share of stock/voting power. Per Mutual bylaws, if there are multiple owners of one membership (unit) in the corporation, despite the multiplicity of owners, they shall jointly have only one vote.

Can I use a proxy or designate someone to vote on my behalf?

Proxies are not permissible in GRF elections, but depending on your Mutual's election policy, proxies may be used in Mutual elections. To ensure the ballot's integrity, ballot envelopes must be signed by the shareholder member connected to that household.

Are write-in candidates permitted?

Foundation bylaws do not permit write-in candidates for GRF directors. There is a space on most Mutual ballots for write-in candidates. However, for the vote to be properly cast

for the write-in candidate, that candidate must be nominated at the annual meeting (called "nominated from the floor") and must be present to accept the nomination.

My mail is forwarded to a post office box or an address outside the community. Will my ballot be forwarded to me?

No. As the voting rights are tied to the unit, ballots are all mailed to the units. A replacement ballot can be mailed to you at the address of your choice. Call Accurate Voting Services at (833) 861-6352 to request a replacement ballot.

The candidates on my ballot are running unopposed; why should I vote?

Your participation in the election process is critical for the operation of this community. Additionally, the return of your properly cast ballot ensures that your Mutual will obtain the necessary number of votes to produce the annual meeting and counting of ballots.

I don't know the candidates running for my Mutual board of directors; why should I vote?

Read the candidate Statement of Qualifications (often referred to as a resume or biography) included with the ballot for information. Ask candidates questions on topics that are important to you. Attend meet-the-candidates events. Ask your friends and neighbors for their opinion. If you decide you still do not want to cast your votes for any of the Mutual candidates, you are still strongly encouraged to vote by checking the box labeled abstain from voting—ballot counted for quorum only portion of the ballot. This lets you participate in the election process by returning

a properly cast ballot.

I've heard a quorum is necessary before the ballots can be counted. What is a quorum?

A quorum is the minimum number of members that must be present to make Mutual annual meeting proceedings valid. In the case of elections, your participation in the voting process, i.e., your properly cast ballot, counts as your attendance. A quorum of at least *one-third* for some Mutuals, plus one for some of the Mutual corporation membership is required before the Mutual ballots can be counted.

I lost my ballot or can't remember if I mailed my ballot. What do I do?

Call Accurate Voting Services at (833) 861-6352 to have a replacement ballot mailed to you or to confirm your ballot was received.

Where do I mail the ballot?

The yellow and blue mailing envelopes are postage-paid and pre-addressed to the Inspector of Elections, Accurate Voting Services Inc., P.O. Box 6117, Laguna Niguel, CA 92607-6117. Drop the ballot in a U.S. mailbox as soon as possible. Your ballot must be received before noon on the business day BEFORE the annual meeting. You may also hand deliver your ballot to Clubhouse 4 on the day of the annual meeting. See instructions on your ballot for further information.

Don't forget to sign the outside return envelope.

I still have questions about annual meetings and elections. Who can help me?

Contact Rosie Estrada, Stock Transfer Assistant Manager, at (562) 431-6586, ext. 346, or Ripa Barua, Election Specialist, at ripab@lwsb.com for assistance.

RELIGION

The Lapidary Club and Holy Family Church raised over \$4,000 to help aid people in Ukraine.

Holy Family Catholic Church raises funds for Ukraine

Leisure World Holy Family Catholic Church, led by the Rev. Joseph Son Nguyen, who is himself a refugee of war, is part of the close-knit Catholic Diocese of Orange, which has been a portal of aid to the displaced people of Ukraine since the beginning of the Russian invasion in February.

The church first focused on the task of assisting the flood of Ukrainian refugees in Poland. As the refugee situation stabilized, a network of aid was established to organize and focus efforts.

The Diocese of Orange collaborated with Catholic Relief Services, a U.S.-based aid organization, who in turn partnered with Caritas International to coordinate efforts.

Currently, various Caritas partners including Caritas Eu-

rope, Caritas Ukraine, Caritas-Spes, Caritas Romania and Caritas Moldova are the points of service on the ground in the war-torn region.

Besides aid efforts inside Ukraine, Caritas is present in neighboring countries to prepare for waves of displaced people, mapping out initial responses and conducting assessments with its network near Ukraine's borders.

Holy Family Church is grateful to the friends and parishioners who have been more than generous. The funds raised are being used by Catholic Relief Services and Caritas partners to provide numerous humanitarian services, including:

- Field kitchens to provide food.
- Reception services at Caritas offices, train stations

and other locations for displaced families in transit. These will provide information, referrals, food, water, hygiene items and psychosocial support.

- Transportation of displaced people to friends, families and local social services.
- Evacuation centers providing shelter, food and psychosocial support for displaced families. These centers will include support to address emotional care, including case management and child friendly spaces.
- Evacuating vulnerable children from centers in conflict areas to centers in safe zones.

Holy Family extends a big thank you to the Lapidary Club for the extraordinarily successful Ukraine T-shirt fundraiser and donation to the Ukrainian refugee relief work through the church.

Rabbi Galit Shirah

"B'chukotai," which means "If you follow . . ." is the final chapter of the Book of Leviticus. The reading follows a recitation of curses that will befall the Israelites if HaShem's Laws are not followed. This chapter is considered a summation of the Book of Leviticus.

All Beit HaLev services use special prayerbooks, "Lev L'Lev," which include excerpts from the Reform Siddur, "Mishkan HaT'filah." Printed versions of the prayerbooks will be available for sale when in-person services resume.

Beit HaLev and Rabbi Galit-Shirah are a part of the Union of Jewish Universalist Clergy and Communities. It is progressive in thought and traditional in liturgy. The services are joyous, meaningful and musical. Everyone who seeks a path to the Divine is welcome, and Beit Halev doesn't believe in labels.

To request a membership form, call Rabbi Galit-Shirah at (562) 715-0888 or email duets@icloud.com. Contributions to Beit HaLev in the name of Robert Slater can be sent to P.O. Box 2279, Seal Beach, CA 90740.

LW Baptist

Jesus' promise that "I will build my church" forecasts the phenomenal growth of the Christian church even during intense persecution and shows the savior's continuing superintendence at the father's right hand. The resulting growth sets the theme for LW Baptist Church's Sunday worship service at 10 a.m. in Clubhouse 4.

The historian and apostle Luke, writing about AD 60, says, "Therefore those who were scattered went everywhere preaching the word" (Acts 8:4). Pastor Rolland Coburn centers his message, titled, "Scattering the Seed," on this verse, in which the challenge is "Lord, lay some soul upon my heart."

Choir rehearsal is 2 p.m. on Wednesdays in Clubhouse 3, Room 1, and the Energizers' meeting at 3. The Energizers will continue the study of Psalm 20, "Victory in Jesus."

For more information, call (562) 430-8598.

First Christian Church

First Christian Church of Leisure World teaches from God's word, the Holy Bible, most often verse by verse. It is a friendly church that welcomes all visitors. People are welcome to worship and explore God's word together "that we may be mutually encouraged by each other's faith, both yours and mine" (Romans 1:12).

Message From the Pastor

The apostle Paul writes in 2 Thessalonians 1:6-8, "Since it is a righteous thing with God to repay with tribulation those who trouble you, and to give you who are troubled rest with us when the Lord Jesus is revealed from heaven with his mighty angels, in flaming fire taking vengeance on those who do not know God, and on those who do not obey the gospel of our Lord Jesus Christ."

These verses speak volumes and are pretty sobering for those who persecute Christians because of their faith, and of Christians who endure that persecution. One receives judgement, the other receives rest.

First Christian Church will learn what the rest and judgement in these verses will look like at its weekend services.

Weekend Services

Sunday services from 9:30-10:45 a.m. are traditional, with hymnal music led by Pat Kogak at the piano. This Sunday, Gregory Black will sing and play the guitar.

Saturday services, from 9:20-10:45 a.m., are more contemporary, with Black leading in worship with guitar accompaniment.

MidWeek Studies

Gary Whitlach leads the Bible study held on Tuesdays from 9:30-10:30 a.m.

Thursday's Bible study, led by Elder Jack Frost, is held from 10:30-11:30 a.m.

Friday's prayer and Bible study, led by Pastor Bruce Humes, is held from 6-7 p.m.

All Leisure World residents are welcome to attend.

Scripture of the Week

Oh, give thanks to the Lord, call upon His name; Make known His deeds among the

Gregory Black

peoples. Sing to Him, sing praises to Him; Speak of all His wonders. Glory in His holy name. Seek the Lord and His strength; Seek His face continually. Remember His wonders which He has done" Psalm 105:1-5 (NASB).

Contact

First Christian Church is located on Northwood Road behind Carport 125. For more information, call the church at (562) 431-8810.

Congregation Sholom

Congregation Sholom will hold a potluck dinner before services on Friday, May 27, in Clubhouse 3, Room 9, at 5:15 p.m. A sign-up sheet has been sent to all members.

Services conducted by Rabbi Mike Mymon will begin following the dinner at 6:30 p.m. The service will also be available via Zoom. Mymon will also conduct hybrid services on Saturday, May 28, in Clubhouse 3, Room 9, and Zoom at 10 a.m. To receive a Zoom invitation call or text Jeff Sacks at (714) 642-0122.

This week's Torah portion is Bechukotai (In My Laws), which is the final portion in the book of Leviticus. This portion describes blessings that follow obedience to God's laws and curses that come with desecration of them. It ends with laws of vows and consecration of people and property.

Those who would like to become a member of Congregation Sholom can call Howard Bass at (714) 396-0121 for a membership packet.

Buddha Circle

Buddha Circle will meet in Clubhouse 3, Room 1, on Saturday, June 4, from 9:30-11 a.m., with venerable Kusala Bhikshu, who is well known in the Buddhist community.

Those who attend the session are encouraged to ask questions after a short meditation. Donations are welcome and will support Kusala in his teachings. People can check out Kusala's podcasts by searching for "Urban Dharma" on their phone's podcast app.

Faith Christian Assembly

Faith Christian Assembly (FCA) has a rich heritage going back almost 90 years in the local Southern California area. The church is a member of Grace International Churches and Ministries Inc., which was originally organized as the California Evangelistic Association (CEA) in 1934.

Beginning with one church, Colonial Tabernacle, located in Long Beach, and led by Pastor O.C. Harms, Colonial was the mother church for CEA. Harms began training couples as they were called into pastoral ministry and sent them out from Colonial Tabernacle to other cities in Southern California to plant churches. Soon, churches were planted in Oregon and Washington as well, and the organization changed its name to Christian Evangelical Assemblies.

The Colonial Tabernacle church property was eventually sold, and the congregation moved to Bellflower to merge with another CEA church that received a name change to Faith Christian Assembly, where Pastor Gwyn Vaughn and his wife, Ginny, took over the pastorate. In the meantime, continued growth of Christian Evangelical Assemblies prompted another name change to Grace International, reflecting the organization's churches in not only 15 states but also many nations in the world.

After several years in Bellflower and still under the leadership of Pastor Vaughn, Faith

Pastor O.C. Harms and Ginny Vaughn at 3 years old in 1943.

Christian Assembly relocated to Seal Beach, where it now resides and continues to thrive after 22 years. In May 2021, after leading FCA for 29 years, Pastor Vaughn and Ginny retired. Since then FCA has been under the leadership of his daughter and son-in-law, Pastor Sheri and Gary Leming.

Grace International grew to where it is today, with more than 4,400 churches in the United States and around the world. It is now headquartered in Houston, Texas, and overseen by an executive team and a board of directors, including President Pastor Steve Riggle. Pastor Sheri serves on the Grace International Missions Board

and on the Grace SoCal District Committee. Pastor Sheri will be the keynote speaker at the 2022 Grace International Women's Conference this August in Durban, South Africa.

FCA service times are on Sundays at 10:30 a.m. and 5:30 p.m. The midweek Bible study is on Wednesdays at 11 a.m.

For more information on FCA services or any of other ministries, including the men's and women's ministries or Grief Share, call the church office at (562) 598-9010 or visit www.fcachurch.net.

People can also receive a free monthly newsletter by calling the church office or by emailing contact@fcachurch.net.

Community Church

On Sunday, May 29, Community Church will remember those who gave their lives in service to the country. The event will be held in the fellowship hall.

During the service, the congregation will look at John 17:20-26 and the prayer of Jesus that the world might all be one. Looking around the country and the world, people are seemingly more divided than ever. What might it take to sacrifice, take up the cross and not just follow Jesus, but be sent out into the broken world

and bring the healing love of God? Community Church understands that some people do not have a church background. It invites those who have never been to church before to come for a cup of coffee before worship and get a feel for how friendly and welcoming the people of Community Church are and stay for a powerful and uplifting message.

Community Church is called "the friendly church." All are invited to join the congregation this Sunday as it continues to come out of COVID hiberna-

tion and bloom together.

Community Church will hold services on Sunday, May 29, at 9:50 a.m. in person and on Zoom or Facebook. Due to rising COVID cases, those who want to attend services in person must show proof of vaccination and wear a mask. Entrances to the church may be found at the front of the church and by the pedestrian gate between the church and the shops.

Those who are in need without another way to address it may call the church office at (562) 431-2503.

Church of Jesus Christ of Latter-day Saints

Meetings for the Ather-ton Ward are held at 6500 E. Atherton St., Long Beach. A sacrament service is held every Sunday at 9 a.m. This is followed in the second hour by Sunday School on the first and third Sundays; Relief Society and Elders Quorum meetings on the second and fourth Sundays. Primary classes for children are held every Sunday during the second hour.

Members who are unable to attend the sacrament service in person can request a link from Bishop Jonathan Brimley at (562) 716-8309.

The course of study is the

Old Testament; personal reading should be those chapters not covered in the study. The reading for the week of May 30-June 5 is the book of Judges chapters 2-4; 6-8; 13-16.

The scriptures testify of Jesus Christ. The Church of Jesus Christ of Latter-day Saints invites believers to ponder how the stories in Judges can help them come closer to God.

Everyone knows what it is like to make a mistake, feel bad about it, and then ask for forgiveness. Time passes by, and most people will forget the earlier resolve and face temptation again, often making the

same mistakes.

This tragic pattern is typical of the experiences of the Israelites, as described in the Book of Judges. The Israelites would turn away from the laws of God and follow after the gods of the Canaanites. Then, they would soon find themselves in captivity. Through prayer and repentance, God sent military leaders called judges to lead the Israelites back to their covenants with him.

Assembly of God

Service/Gathering Times: Assembly of God meets Sundays at 10:30 a.m. in Clubhouse 3, Room 2. Note the following changes in schedule: the Bible study will take a summer break during June. The hymn sing will be held on the fourth Sunday night of every month at 6 p.m. in the Clubhouse 3 Lobby.

Sermon for this week: Many children have experienced the panic of losing track of a parent or adult in a crowd. Suddenly, the world is a very threatening place. But when children hear their name being called by their adult, relief overtakes the fear, and they shout in return. The voice of the one who cares for them calms and directs them. In the same way, when believers are lost or unsure, they respond when they hear God's voice. Michael Bogdan will preach a message titled "The Master's Voice" on Sunday, May 29.

Bible Study: Bible study will be on summer break until the first Wednesday in July.

Contact us: More information about the church can be found at www.lwassemblyofgod.com.

Those who would like prayer, personal contact from a pastor, or a DVD of the Sunday morning sermon can contact pastors Chuck and Sheryl Franco by calling (562) 357-4360 or emailing pastorchuck@lwassemblyofgod.com.

Carolyn van Aalst is also available to receive prayer requests at (562) 343-8424.

Pastor Chuck's sermons can be accessed on the Faithlife app under the group "Leisure World Assembly of God," where people can also give online.

On the anniversary, Pastor Sang Gu Kim, who is the former president of Korean Presbyterian Church Abroad, elder pastor of Dongshin Church and a resident of Mutual 8, will deliver the sermon at 11:50 a.m.

LWKCC will hold an appointment ceremony at 3 p.m. for Hyo Soo Kim, Jung Hoon Yoo, Sa Young Chi, Michael Han and Jae Moon Suh, who will be appointed as elders, and Ho Il Park, who will be appointed as a deacon. GAF donates to Pathways for their services in LW

The Golden Age Foundation (GAF) made a generous donation to Pathways in support of all the work they do in Leisure World. Pathways is the trusted friend LWers need when something challenging comes their way. The people at Pathways find solutions that enable LWers to stay safe and independent in their homes for as long as possible. In a recent conversation with GAF Member Resource and Assistance Liaison Robann

Arshat, she said, “Pathways is my go-to agency when someone is struggling.” The money donated will go toward assisting Pathways in visits to a resident’s unit to complete a Care Navigation Assessment. They look at how a resident is living and create an individualized plan of care to provide what the resident needs. Pathways also help residents think of how to best prepare for the future. Those who choose

to utilize Pathways’ resources also receive help connecting to the recommended services. For example, those who qualify for In-Home Supportive Services (free caregiving) will receive assistance filling out the paperwork, and Pathways will send it to the appropriate people. In addition to the in-home support, Pathways also provides a grief support group at the Health Care Center and will provide PATHWAYS, page 15

FALW Veterans Picnic will be held on July 2

Young American men and women volunteered to serve their beloved country despite the fear to uphold what they believe is close to their hearts. These young people gave it all without reservation to preserve what they hold dear: freedom. In honor and gratitude to all veterans residing in Leisure World, the Filipino Association of Leisure World (FALW) will hold its annual Veterans Picnic on Saturday, July 2, in the Clubhouse 1 picnic grounds at 11:30 a.m. This event is a tradition by FALW to recognize the selfless sacrifices of the men and women who dedicated their lives to preserve American freedom. The beneficiaries of these unselfish deeds can never repay these service members but uphold them on the highest pedestal. FALW will serve hot dogs, hamburgers, Filipino noodles, egg rolls, home-cooked chili beans, green salad, fruit, cakes for the July birthdays of club members, sodas and water. People can bring their own alcohol. There will be a short program before lunch presented by some members of FALW and a performance by the Hui O Hula club. People will also sing the individual military branch hymns. Father Juan Caboboy, FALW’s spiritual adviser, will do the invocation. FALW President Eileen Merritt will give a short address, and “Taps” will be played. After lunch, gifts will be presented to the veterans who registered for the event. Due to the club’s financial strain, only the first 75 callers will be given a gift. To RSVP, call and state your name, branch of service and number of guests to Eileen Merritt at (562) 486-1252; Essie Hicks at (714) 488-6149; Jane Haas at (714) 423-9689; Harry Varnas at (323) 791-1141; Ed Bolos at (551) 998-4223; Ric Dizon at (714) 225-3597; or Ren Villanueva at (323) 854-6209.

Volunteers will check tire pressure and battery water levels and fill as needed. Many LW residents find these important activities difficult to accomplish. However, ignoring these two maintenance items can lead to blow-outs, premature tire wear, steering accidents and carts not starting or stalling in traffic.

There is never a charge for this valuable service, and all LW cart owners are encouraged to participate. Club membership is not required to attend the event.

For more information, call club President Tom Davis at (562) 431-6859.

With less than two weeks until the close of the 2022 Primary election season, the SB Leisure World Democratic Club has already started organizing for the November General Election.

Current polling has Gov. Gavin Newsom receiving 40% of the vote in the Primary, despite his running against 25 other candidates, with only three of the candidates being Democrats. However, the U.S. House of Representatives is so closely divided the half dozen highly competitive races in California could swing the outcome to one party or the other.

Democrats currently have a majority of 11 seats in the House. The LW Democratic Club is committed to focusing a great deal of attention in the next few months on making sure that Democratic Congresswoman Katie Porter is re-elected in November in order to help preserve that majority.

Most Leisure World voters know that the current representative, Republican Michelle

Steel, is running for re-election in a different district. Club members will also be supporting the Democratic candidate in that district, Jay Chen.

It's been more than a decade since California switched to its "jungle primary." The two candidates with the most votes—regardless of party affiliation or whether one of them gets a majority in June—now square off in November. Non-partisan local races in Orange County will also narrow down to two finalists, although a strong contender can win outright in the Primary with a majority of votes.

LW Democrats and their supporters can call (562) 296-8521 for more information about these races.

...

It was reported in a previous column in the LW Weekly that because there were three candidates running for election to the OC Board of Education in District 2, it was "unlikely that this race will be finalized until after the November election." This was incorrect. The Board of Education is the only Orange County nonpartisan

race in which there is no run-off in the November General Election. The person with the most votes is elected to the board in the Primary, regardless of the number of votes he or she receives. Candidates running in LW's District 2 are Republican Mari Barke, Libertarian Party member Christopher Ganiere and Martha Fluor, who has declined to state her party. Call (562) 296-8521 to receive more information regarding this race.

...

The LW Democratic Club's information booth outside Clubhouse 6 will be open every Tuesday from 10:30 a.m.-12:30 p.m. until after the Primary election. Volunteers will also be available to assist voters in getting their ballots to the Registrar of Voters' drop box. Call (562) 296-8521 for more information about ballot drop-off.

For more news about candidates as well as other issues, LW Democrats and their supporters can subscribe to the club's free electronic newsletter. Email editor Mary Larson at democraticclubsblw@gmail.com and include contact information.

The LW Republican Club recently received the following memo from State Sen. Janet Nguyen regarding utility bill assistance programs that will help many residents:

"If you are struggling to pay your utility bills, you are not alone. More than 3.6 million California customers have fallen behind on paying their bills. I wanted to share the following programs that offer financial assistance.

"California Alternate Rates for Energy (CARE) Offers low-income customers a 30-35% discount on their electric bill and a 20% discount on their natural gas bill.

"Family Electric Rate Assistance Program (FERA) Offers families whose household income slightly exceeds the CARE allowances an 18% discount on their electric bill.

"California Arrearage Payment Program (CAPP) Offers financial assistance to eligible customers to help reduce past due utility bill balances that increased during the COVID-19 pandemic.

"Providing relief is critical. If you have any questions, contact me at (714) 843-4966 or email

Assemblymember.Nguyen@assembly.ca.gov.

"I am honored to represent you in the California State Assembly."

Sen. Nguyen is one of the candidates endorsed by the LW Republican Club in the upcoming Primary election.

Now that Primary election ballots are mailed out and people can begin voting, the LW Republican Club offers a few ideas for residents to consider for judicial elections:

- **Superior Court Judge Office No 5:** Orange County Deputy District Attorney Claudia Alvarez is endorsed by OC Sheriff Don Barnes, the OC Deputy District Attorney Association (DDAA) and others.
- **Office No. 9:** OC DDA Christopher Duff is also endorsed by the OC DDAA and Barnes, as well as the OC Deputy Sheriffs Association.
- **Office No. 11:** OC Chief Assistant DA Shawn Nelson is endorsed by the OC Deputy Sheriffs Association Crime Victims United and the Police Officer Research Association. Nelson, a Republican, was an OC Supervisor for eight and a half years.
- **Office No. 21:** OC Senior DDA Erin Rowe, a DDA for 26 years, is endorsed by Barnes,

OC DDAA, and local police associations.

- **Office No. 22:** 25-year DDA Brahim Baytieh is endorsed by Barnes and 17 police chiefs.
- **Office No. 28:** OC DDA Eric Scarbrough is endorsed by Barnes, the OC Deputy Sheriffs Association and Republican OC Supervisor Andrew Do.
- **Office No. 30:** Los Angeles County DDA Andrea Mader is the only Republican candidate for Office No. 30 to come to the Meet the Candidates event held by the LW Republican Club. She has been a DDA for 15 years in LA, where she risked her job by opposing the policies of LA District Attorney George Gascon, who has been criticized for releasing criminals prematurely.
- **Office No. 45:** OC Senior DDA Israel Claustro is endorsed by Barnes and many others.

The information and hospitality booth will be open on Monday and Wednesday. Voter guides will be given out, and merchandise will be available for purchase.

How to turn on closed captions on your television

As people age and their hearing begins to change or diminish, watching TV and movies can become more difficult without turning the volume to its loudest setting, which then disturbs neighbors. For deaf individuals or people who are hard of hearing, satellite television, streaming services and more offer closed captions and subtitles to make watching

television easier.

XFINITY: First, turn on the program you want to watch, then press the Down arrow or OK button on the remote. Next, press the Left arrow to move to the "Closed Captioning CC" option and press OK with the remote. Choose to turn captions On, then you can customize the font size, color and formatting of your subtitles in the "Closed

Captioning Options" menu.

Spectrum: Press the Menu button on the remote control, then scroll to "Settings & Support" and press OK/Select. Next, click on the Accessibility tab. Choose between Closed Captioning or Descriptive Video Service to turn captions on.

Trai Nguyen and Masayo “Mari” Yoshida team up in the pickleball “dinking” tournament, which will continue all summer.

Pickleball ‘dinking’ tournament runs throughout summer

The Pickleball Players Club’s summer “dinking” tournament started in May and goes through August. More than 40 players will be competing in groups and playing games all summer long. As in tennis, “dinking” in pickleball refers to a drop-shot or soft return, wherein the ball drops quickly, causing an opponent to scramble to try to hit it back. The club puts on a round-robin tournament in the spring and fall, and this summer’s “dinking” tournament is its first. “This year has brought many new players to the sport of pickleball,” says club President Linda Evenson. “We love seeing the new players at our own Leisure World courts taking up the game!” Free beginner lessons are offered by Jim Thomason on the second Tuesday of each month at 10:30 a.m. on the pickleball courts behind Clubhouse 2. Paddles and balls are available for loan to new players taking lessons. For more information, contact Peggy Beste at (310) 489-2390 or email lwsbpickleball@gmail.com.

Golf League Results

Though there was no LW Golf League play on May 13, 10 golfers braved the cool conditions at the 5,600-yard, par-70 Meadowlark Golf Course in Huntington Beach on May 16. The morning was overcast for most of the round, and the dampness made putting inconsistent and the fairways challenging. Only five scores were at or under par, but there were six birdies. All scores are net (gross minus handicap). A Flight handicaps are 0-19, while B Flight are more than 19. **A Flight:** First place: Sam Choi, a very well-played 7 under 63, plus two birdies and fewest putts; second: Jim Goltra, an excellent 4 under 66, plus two birdies and closest to the pin on the 150-yard 16th hole; third: Gary Stivers, a nice 3 under 67, plus a birdie; fourth: Larry Hillhouse; fifth: tie between Dave LaCascia, Fujio Norihiro

and Chris Lankford. Closest to the pin on the 130-yard TK hole was Lankford. **B Flight:** First place: Bob Munn, an outstanding 4 under 66, plus a birdie; second: Gene Vesely, a terrific 1 under 69, plus fewest putts; third: Lowell Goltra. The Golf League plays at four courses, all within 15-20 minutes of Leisure World. The courses the group plays are often full, so advance reservations are available via a sign-up sheet at each round. There is a prize pool for each round that players are not obligated to enter. Rewards are given for low net and fewest putts in each flight, birdies, and closest to the pin on two par-3 holes. Holes-in-one and eagles (2 under par), although infrequent, are generously rewarded. If interested, contact Gary Stivers at (714) 313-3697 or Dave LaCascia at (801) 674-5975.

Opera Club to screen ‘L’italiana In Algeri’

Everyone is invited to watch Rossini's “L’italiana In Algeri,” or “The Italian Girl in Algiers,” at 1:30 p.m. on June 6 and 7 in Clubhouse 3. Opera Club member Janice Berliner will introduce this comic opera that portrays a young woman in a clash of cultures that has delighted audiences for 200 years. The production opens with Rossini's magnificent overture, which has been hummed or whistled by countless fans from its inception to the present day.

Act 1 introduces Mustafa, a ruler in Algeria who is planning

to shed his wife, Elvira, by marrying her off to his young Italian manservant Lindoro, then ordering his pirate chief Halmy to find him a replacement. When Halmy's pirates bring in an Italian girl named Isabella as a prize, she immediately recognizes that the departing Lindoro is actually her long-lost love.

In Act 2, Isabella and Lindoro rediscover each other and make a plan to escape while Isabella's guardian, Taddeo, is appointed a Kaimakam, a protector of the local folks' eating, drinking and sleeping. But Isabella stages a

ceremony to induct Mustafa into the newly formed society to partake of the ritualized eating and drinking, whereby she manages to escape with Lindoro by ship, leaving Mustafa to take back Elvira.

The production is in Italian, but there are English subtitles. People are cautioned to wear masks while indoors for safety. No dues or fees will be collected.

The Stamp & Collectibles Club will meet in Clubhouse 3, Room 9, on Wednesday, June 1, at 1:30 p.m. People are invited to bring items from their collection to show and discuss.

Members of the club collect such things as stamps, postcards, historic newspapers, rare

books and vintage toys, among other items of interest. The group meets to discuss their collections, and sometimes, people discover new information about an item they own, such as its possible value or history. Everyone is welcome.

a secretary. Eventually, she quit working to take care of their first grandchild, Heather. George continued his work as a gardener to a loyal clientele in the San Gabriel Valley until retiring at the age of 85. Fumi and George lived with their daughter Hannah for several years before moving into Leisure World.

Recreationally, George's life has been filled with fishing trips and bowling leagues. There's been trips to the local swap meet, the Santa Anita Race Track to bet on the horses and Las Vegas with the family. Other highlights are the Christmas potluck and gift exchange with all the Mayedass (with so much food), Fourth of July fireworks in the street and kicking people's butts at pool.

In 2018, Fumi passed away. George likes to keep fresh-cut flowers from their garden for her in one of the blue vases she collected.

"I think I was pretty lucky to marry her. She was a really smart woman," he said.

On weekends, George visits with his daughters, wins rounds of pool at Jan and Tim Sadler's place, or takes a short walk to visit his daughter Hannah, who now lives in Leisure World.

Most days, though, he can be found watching his favorite game shows and westerns, or rooting for the Dodgers. He also enjoys visits from Heather, Jorge and great-grandson Noah Valerio, who introduced him to watching NASCAR races. Their dog Sofie is always excited to see Papa, too.

He'll often check on the upkeep of the plants in his garden while out for his daily walk and assist with grafting the plumeria plant to coax out different colored flowers.

His grandson, Kyle Sadler, has been his caregiver since the pandemic and continues to keep him happy with kimchi grilled cheese sandwiches or bowls of takeout pho.

"I've had a pretty good life so far," said George, and we wish him many more years to come.

Minibus Orientation

A Minibus informational meeting will be held at 10 a.m. on Thursday, June 2, in Clubhouse 3, Room 3. Reservations are not required.

The GRF Transportation

Department will provide information on the LW Minibus service, the GRF appointment-based Access bus service for people with mobility challenges, as well as information on other

local area bus and transportation services to nearby grocery shopping and medical service destinations.

The meeting is held on the first Thursday of the month.

Access to Healthcare

Legal aid attorneys can help seniors get access to healthcare; address improper billing issues; and assist with issues related to Covered California, Cal Medi-Connect (One Care Connect), Medi-Cal (CalOptima), Medicare, Medical safety Net Program and private health insurance plans.

Government Benefits

Community Legal Aid SoCal can also offer help in the important area of government benefits, including Social Security, food stamps, housing and employment. "We advise seniors about their benefits and also on how not to lose their benefits. If they receive a notice of action from the providing government

agency, we can file appeals for them and also provide representation, if needed," said Luu.

Community Legal Aid SoCal will represent clients in court when no other attorney is willing to take their case.

All these services are free to all Orange County seniors. There are no income restrictions, thanks to funding from the Orange County Office on Aging and the Legal Services Corporation. If legal aid attorneys have to file anything on a senior's behalf, the cost of the court filing can be waived under certain circumstances.

"In general, we are here to look out for and protect the best interests of Orange County seniors," Luu said.

Seniors who need legal help are encouraged to reach out to Community Legal Aid SoCal as soon as they have an issue and before hiring an attorney.

Legal aid will review the situation and advise the senior whether he or she will even need the services of a private attorney.

For more information or to make an appointment, call 800-834-5001.

Staff members are ready to help in the caller's preferred language.

This project is funded in part through a grant from the California Department of Aging, as allocated by the Orange County Board of Supervisors and administered by the Office on Aging.

The Basic Rules of Sudoku:
• There is only one valid solution to each Sudoku puzzle. The only way the puzzle can be considered solved correctly is when all 81 boxes contain numbers and the other Sudoku rules have been followed.
• When you start a game of Sudoku, some blocks will be pre-filled for you. You cannot change these numbers in the course of the game.
• Each column must contain all of the numbers 1 through 9 and no two numbers in the same column of a Sudoku puzzle can be the same.
• Each row must contain all of the numbers 1 through 9 and no two numbers in the same row of a Sudoku puzzle can be the same.
• Each block must contain all of the numbers 1 through 9 and no two numbers in the same block of a Sudoku puzzle can be the same.
