FROM THE GRF PRESIDENT

A farewell message to fellow residents

by Susan Hopewell
GRF president

As I leave my role as GRF president, I go with equal parts of sadness and joy. I will miss my daily contact with GRF staff. The joy will come from being able to activate my original retirement plans of traveling more and attending meetings less.

Susan Hopewell

The challenge we all faced this year was the resignation of our executive director in early November 2021. This was certainly unexpected and could have been disastrous, but it was not. And the reason: the entire GRF team did not miss a beat in its duty and commitment to this community, to co-workers and in support of other departments when needed. The saying I hear so often from GRF staff is “there is no I in team.” And please believe me, it is more than just a saying; it is an integral part of their work ethic, their commitment to each other and to this community. I witnessed it many times during the last seven months.

These past seven months, I had the good fortune to work with Mark Weaver, Carolyn Miller, Jodi Hopkins and LeAnn Dillman on the interim Management Team leading our community while we searched for a new executive director. I thank them for showing up, stepping up and embracing

STAND WITH UKRAINE

Jane Nam of Mutual 1 traveled more than 6,000 miles to the Ukraine via Poland to see how she could help refugees fleeing their homeland as Russian soldiers advanced. She found an international community of aid workers and plenty to do to help keep people sheltered and fed. Nam (photo at left) was able to buy a truckload of bread to distribute. She's grateful now to be safely home in LW (below).

LWer follows her heart, helps rescue 1,000

It's been 113 days since Russian President Putin ordered his forces to invade Ukraine. The country's courage and grit has transfixed the world.

The United States has provided more than \$6.3 billion in security, humanitarian and economic assistance to help Ukraine prevail, according to the U.S. Department of State.

At home here in Leisure World, there have been protests and fund raisers to send aid. One Mutual 1 resident took it a step further. Jane Nam made it her personal mission to stand with Ukraine—literally.

It all started Feb. 24, the day Nam and her husband, Seon Cho, watched helplessly as images of Ukrainian women and children cowering from Russian invaders begin to unfold on television.

Day after day, the disturbing news reports splashed across the screen—people struggling to escape the war-ravaged country, who have been lost or separated from loved ones, who are

hungry and hurting because their towns, apartments, schools and hospitals have been bombed into oblivion, those who are now destitute and utterly dependent on the kindness of strangers.

“I was shocked,” said Nam, who is a Korean-American. “It was war, and I’ve lived through trauma like that.”

War broke out between North Korea and South Korea on June 25, 1950, 10 days after Nam turned six. North Korea invaded South Korea,

following clashes along the border and rebellions in South Korea. The war lasted three years, and when it was over, more civilians had died than soldiers.

As a child, Nam watched her unarmed civilian parents struggle to survive in a world ruined by indiscriminate violence perpetrated by armed political forces on every side.

“I was so frightened then, and as I watched the TV, I relived it,” she said. “My heart was pounding. I was crying. I could not forget. I could not sleep.”

JUNETEENTH

Federal holiday commemorates the end of slavery in U.S.

Juneteenth, short for “June Nineteenth,” is the annual commemoration marking the end of slavery in the United States after the Civil War.

The holiday has long been celebrated by African Americans.

And on June 15, 2021, the Senate unanimously passed the Juneteenth National Independence Day Act, estab-

lishing Juneteenth as a federal holiday. Legislators were spurred on by the Congressional Black Caucus among other advocates. The House of Representatives passed the act in a 415–14 vote on June 16.

Juneteenth marks the day when federal troops arrived in Galveston, Texas, in 1865 to take control of the state and ensure that all enslaved people be freed.

U.S. Gen. Gordon Granger stood on Texas soil and read General Orders No. 3: “The people of Texas are informed that, in accordance with a proclamation from the Executive of the United States, all slaves are free.”

So wish someone a Happy Juneteenth on Monday, June 20, when the holiday will be observed.

Seal Beach Police Capt. Michael Henderson (l-r), Mutual 1 residents Willie Boudevin and Jeong Kim, with SBPD Capt. Mike Ezroj attended an awards ceremony June 2. Boudevin was honored for using a garden hose to control a fire until help came, and Kim went into the burning home and rescued his neighbor.

SB POLICE LEAGUE

LWers honored for heroic actions at awards dinner

On June 2, the Seal Beach Police League awarded Mutual 1 residents Jeong Kim and Willie Boudevin lifesaving awards for their heroic actions trying to hold a fire at bay and rescuing a neighbor on Jan. 14. The 2022 Annual Public Safety Awards Banquet was held at the Old Ranch Country Club to honor outstanding law enforcement, fire and public safety personnel and citizens. According to the Seal Beach Police League, OCFA Engine 48 and additional units responded to a reported residential structure fire at Building 47, a 16-unit

building in Mutual 1. Upon arrival, the crew found a center unit with heavy black smoke coming out of the door and windows. Jeong Kim and Willie Boudevin were working to hold the fire at bay with garden hoses. Bystanders informed the crew that the resident of the burning unit had been rescued from the building. Once the fire was extinguished, OCFA learned that Kim had heard the resident screaming for help. Upon entering the home, Kim found the man lying on a couch that

was on fire. The man was unable to escape on his own, so Kim helped him to safety. Boudevin arrived shortly after and he, along with Kim, continued get the resident outside. The two neighbors then found garden hoses and sprayed them through the windows and front door until fire units arrived. “It is our belief that if not for the heroic efforts of these two individuals, the outcome for (the resident) and potentially the surrounding units would have been far more devastating. —Heeja Alameida, LW contributor

North Gate Road Construction Alert

Crews were scheduled to begin installing piles for the sound wall along North Gate Road as early as Monday, June 13. The work is expected to occur from 7 a.m. -4 p.m. for approximately two weeks. In addition, North Gate Road is scheduled to close as early as July 5, for approximately three months to allow crews to install a new 18-inch sewer line underneath I-405. The sewer line will connect to an existing sewer line under Old Ranch Parkway, across the freeway. Once construction begins, North Gate Road will be closed to all vehicles, pedestrians and cyclists. During the closure, people will be detoured to Golden Rain Road to enter and exit Leisure World. Access to the Seal Beach Rehabilitation Center and other businesses along North Gate Road will be maintained throughout the closure.

2022 Paving Project

Phase 1 of the 2022 GRF Paving Project started on June 13. Annadale Drive, Burning Tree Lane, St. John Road and south Del Monte Drive in Mutual 17 will be the first streets to undergo asphalt replacement. The work should be finished by June 30. Drivers and pedestrians should use caution in construction zones. The GRF Board awarded a \$2.6 million contract to MJ Jurado for resurfacing and slurry work on a total of 18 LW streets.

LW Library Hours

The LW Library is open from Monday-Saturday from 9:30 a.m.-3:30 p.m. People can bring their own devices or browse shelves for reading material, sit down and relax in air-conditioned comfort. Computers are available for use with no appointments required.

ing this challenge. I am grateful for the encouragement they gave each other and to me. I am indebted to them for the grace and patience they showed me. It has been a privilege to have partnered with this “dream team.” The GRF Board has been committed to improving the benefits and wages for all GRF employees. We have succeeded in making significant changes in support of this objective. The Board’s goal is to retain our valued employees and improve our recruitment opportunities to attract new employees. GRF has, with the collaboration of Mutual Directors, finalized a list of services provided to Mutuels by GRF. The current Management Agreement was written 60 years ago. A long overdue new Management Agreement was recently approved by the GRF Board and a majority of Mutuels. The goal is to have the agreement on all Mutual agendas in June or July for approval and to have a community signing and photo op event in August to memorialize this historic event. We begin the new term with a new GRF president. Jessica Sedgwick, our new executive director, will be on campus June 22. Jessica has the leadership, vision and experience to keep LWSB the best place to live and lead us into the future. The future offers exciting opportunities for this community to continue to thrive. Thank you all for support and words of encouragement. It has been an honor to serve as your GRF president.

CABLE TV

New option triggers excitement, anxiety

by Nick Massetti
coordinator
Bulk TV Oversight Team

After 15 years of saving Leisure World residents at least 50% on their cable TV service costs as well as providing personal service to those residents, Superwire will no longer be providing the discount or the service.

Superwire's agreement that made it the exclusive provider of Spectrum cable TV service to Leisure World will end Dec. 31.

The good news is that there is no reason to get anxious, and nothing has to be done right now. Your Spectrum TV service and daytime TV shows are as safe as you are here in Leisure World.

There certainly is no reason to call Superwire about this unless you need confirmation.

The unfortunate news is that if you want to keep your basic Spectrum TV package after December, the cost will increase from Superwire's \$30 per month to Spectrum's retail rate of \$80 per month.

Even though that is enough time to consider other alternatives, it seems some people who don't want to continue with Spectrum are experiencing anxiety now.

If you now have a Frontier TV package like I do or a DirecTV package, you are already paying almost that amount. Again, if you are like me, you are not so much anxious as you are unhappy about that.

What are the alternatives to paying \$80/month for basic TV? One might be to take one of Spectrum's short term teaser rates that they give to new subscribers. That would buy some time, but eventually you'll pay the retail amount. Fortunately, a GRF ad hoc committee researched five potential providers, and one stood out based on its customer service model and its advanced technology.

That provider is Interact Solutions, and it has a website just for Leisure World residents

at www.interactsolutions.net where you can get more information.

Its service is not yet available so you cannot sign up for it right now. You can, however, add your name to a list indicating your interest, and the company will contact you when the service is ready later this year.

It will offer TV packages similar to the ones you now have starting at \$29 per month. They all also include free Showtime. You can also get blazing fast Internet that you can access on your devices in every building in Leisure World. You will be able to carry your own TV and Internet service with you anywhere inside our walls. More information will be provided soon in many ways and at many times so you won't miss out. So let the anxiety go. You don't need to pay attention to any rumors or speculation or social media nonsense because you'll be getting "just the facts, ma'am," as Joe Friday always said, right here.

Celebrating LW Centenarians—Pearl Anderson

This is one story in an occasional series profiling some of LW's most long-lived residents, those who have reached the enviable age of 100 years or more. The series is running in connection with the Golden Age Foundation centenarian event held April 20. In most cases, a family member or friend has written the stories.

by Nancy Miller
special to the LW Weekly

Pearl Anderson was born on Aug. 18, 1922, in Minneapolis, Minnesota. She lived in the house her dad had built until she got married. Bancroft Elementary School was just across the street so she didn't have far to go to school.

She grew up in the house with her six brothers and three sisters. Her older sister, Hazel, died when she was three months old due to pneumonia, so Pearl never really knew her.

Pearl was the second to the youngest of the family and is the only one left. The rest died in

their 80s due to heart failure. Her younger sister, Eleanor, died in her 50s of breast cancer, and her older brother Floyd died in his 20s in a construction accident.

Pearl remembers riding a tricycle down a hill, and her dad calling her his little princess. She remembers going with her siblings to the store across the street to buy treats and just saying "put it on my dad's tab," as the store owner owed her dad money and that is how he got paid back.

Her childhood was marked by loss. At 50, her dad died of heart failure when Pearl was 8 years old. She also remembers her brother Paul accidentally stepping on her cat when walking out the door and killing it.

Pearl played the cello as a young student and remembers lugging the ungainly instrument when she walked to school. She attended a vocational high school where she took business courses and bookkeeping, and became a comptometer operator. A

comptometer is a mechanical calculator that was like using a keyboard on a computer. She got a job at Sterling Electric in Minneapolis.
In June 1944, she met her husband, Harlan, through her Sunday school teacher, Marie. Harlan had come home to visit his family in Minneapolis before he was inducted into the army at

PERSPECTIVES

UKRAINE from page 1

A woman of deep faith who spent more than 10 years working as a missionary in South Africa and Asia, she “prayed and prayed. And after 10 days, I got a vision, a dream. I saw Jesus looking at me with tears on his face. I called him and finally, I was running to Jesus, but he was gone. I knew I had to go.”

With the reluctant blessing of her husband, Seon, who knew it was useless to try and stop her, she left her cozy home on April 28. Thus began a month-long, 6,000-plus mile journey.

The only way in was through Poland, where her American passport secured passage, and refugees were still freely accepted. She booked the 13-hour flight into Warsaw, the country’s capital. She packed light, three pairs of pants, three sweaters, two hats, a pair of boots—and a bulletproof vest.

She had no plan, other than to follow God’s leading.

This petite 79-year-old who loves to line dance and paint had no doubt and a boatload of courage as she set off to points unknown.

She flew into Warsaw Airport, immediately hired a translator and set off to find ways to help. It wasn’t hard.

An estimated 300,000 refugees are now sheltering in Warsaw. They are among the estimated 2.5 million who have run to Poland since Feb. 24.

In one of the many large refugee camps, Nam was put to work chopping vegetables in big soup kitchens, watching children, registering people, keeping records, cleaning showers and bathrooms. Aid workers from all over the world had set up tents offering free food, medicine, SIM cards, whatever people might need.

She worked there for five days before finding a way to get to Kyiv.

“I want to get into Ukraine, but everyone says ‘no.’ That is, 99 percent say no, but God is listening,” and she found a way in on a train.

It was five hours to the border, where she waited for two days before Ukraine admitted her, thanks again to her American passport, one of only a handful of countries whose

LWer Jane Nam is surrounded by Ukrainian refugees. She was one of an army of international aid workers who flocked to the country to help those in desperate need.

citizens are allowed in.

She donned her bulletproof vest and camouflage, and climbed aboard another train to Kyiv. It was an arduous trip. It took 20 hours with progress hampered by frequent stops as officials checked documents.

Upon arrival, she found a war-torn world. Ukrainians cannot even buy basics, like bread. There are few stores open, and not much to be had in Kyiv, so when Nam stumbled upon a bread factory, she bought a truckload.

“It was a gold mine of bread,” said Nam.

Wartime prices are steep, but “God provided every day, and every step seemed like a miracle. It made me cry as I saw how things unfolded.”

There were many extraordinary coincidences. For the two-and-a-half weeks that she was in Kyiv, there were no bombings. But even more amazing was that Nam, working with a network of local pastors, was able to help orchestrate a rescue operation that brought 1,000 Kyiv refugees to Poland.

As Russia invaded the surrounding area, scared people were crowding city centers, waiting for their chance to flee. She and Seon gave \$50,000 themselves toward the exodus.

It cost \$70 to save one refugee: Russian soldiers demanded

\$40 a head, and it cost \$20 each for transportation and \$10, for gas and food, said Nam.

The prices can fluctuate as local Ukraine pastors negotiate with Russian soldiers for the release of refugees.

“I prayed and prayed, and realized I needed to get 1,000 people out,” said Nam. “How can I get 1,000 people out? There was no answer.”

So she called Seon “and he almost fainted. We sent out an SOS to many places to raise funds.”

Quickly, the money poured in, a total of \$70,000, and once the refugees had escaped, Nam felt free to return home. It took her 20 hours of travel; she arrived in LW on May 24.

Responding sacrificially to a humanitarian crisis turned out to be a balm for Nam’s soul.

She feels more at peace with her own past and is grateful she had the courage to take that first step into the unknown. She says she knows she was never truly alone; rather, she was guided by God, her father. And doing his bidding has always led her home.

Editor’s Note: Fund raising efforts are ongoing, and LW residents who would like to contribute can contact Jane or Seon at jane.nam51@gmail.com. Jane will be returning to Ukraine before year’s end.

Letter to the Editor

Editor:

This is in response to Lee Hoyt’s opinion (June 2), which he has every right to express. However, I would remind him that “taste” and “aesthetics” are subjective. What might be “very tasteful” to him could be “rural, kitschy Rockwellian” to another. I don’t believe the outcry was over the execution of the sculpture (of a couple reading) itself as much as the jarring juxtaposition of its placement on the busiest corner of Leisure World.

It was as inconsistent with the active Leisure World lifestyle as a life-sized Inuit in anorak reflecting coastal California would be.

Now in its new placement at the LW Library, the statue depicts a charming couple sharing the contents of a book.

What is disturbing to me was the implication that the Mutuals should have volunteer committees that adjudicate what is “taste appropriate” for the small frontage allowed shareholders outside their units. I have seen everything from austere to “junky.” Such a suggestion smacks of Big Brother conformity and is the antithesis of the diversity we celebrate in America and Leisure World, and the liberty of expression we constitutionally uphold.

Mutuals should ban anything that is a safety hazard. That is in their province, and they should see that these regulations are not violated. But, whether it is a pagan tiki god, a Zen Buddha, a Roman-Greco Eros hovering over a bird bath, a pagoda, a cross draped with rosary beads, pet rocks, flamingos or a Christian cross is immaterial. We don’t have to agree with anyone’s choice or political and religious sentiments. It’s called tolerance.

Golf League June 3 and 6 Results

On June 3, 11 golfers from the Leisure World Golf League encountered overcast, cold and damp weather at the 5,600-yard, par 70 Meadowlark Golf Course in Huntington Beach.

The sun never made an appearance and the weather seemed to get cooler, damper and more windy with each hole. The continuing dampness made fairway's speed inconsistent and the greens unpredictable. With the course's numerous water hazards, deep sand traps and sloping greens only three of the 11 scores were at or under par, yet four birdies were yielded.

All scores are net (gross minus handicap). A Flight handicaps are 0-19, while B Flight handicaps are 20 and over.

A Flight: First place: Tim Looney, a spectacular 7 under 63, plus fewest putts for the round, two birdies, and closest to the pin on the 140-yard par 3 seventh hole; second: Sam Choi, a well-played 2 under 68, and closest to the pin on the 140-yard par 3 sixteenth hole; third: Clay Fischer at 1 over 71, plus two birdies; fourth: Larry Hillhouse; fifth: Dave LaCascia.

B Flight: First place: Gene Vesely, a hard earned 3 under 67;

second: tie between Tom Ross and Pat Paternoster, at 3 over 73; third: Bob Munn, and tied for fewest putts; fourth: Digna Vesely, and tied for fewest putts; fifth: Fujio Norihiro.

Thirteen golfers joined the LW Golf League on June 6 to play through the cool and continuing overcast June Gloom conditions at the 4,000-yard par 62 David L. Baker Executive Golf Course in Fountain Valley. There was no sun for the most of the round and the weather conditions changed frequently. Nighttime watering made putting surfaces sluggish and the fairways slow. Even with numerous water hazards, yawning sand traps and narrow fairways, the course saw 10 of the 13 scores at or under par but allowed only five birdies.

A Flight: First place: Sam Choi, a remarkable 10 under 62, plus fewest putts for the round, and two birdies; second: three-way tie between Gary Stivers, Dave LaCascia, and Jim Goltra who also had a birdie, at a well-played 3 under 59; third: Clay Fischer at 1 under 61, plus closest to the pin on the 100-yard par 3 third hole; fourth: Bill McKusky at even par 62.

B Flight: First place: Pat Paternoster, a spectacular 10 under 52, plus two birdies, and tied for fewest putts; second: Gene Vesely, a really good 9 under 53, plus tied for fewest putts, and closest to the pin on the 130-yard par 3 twelfth hole; third: Liz Meripol, a super 7 under 55; fourth: Fujio Norihiro, a nice 6 under 56; sixth: tie between Lowell Goltra, Bob Munn and Digna Vesely.

The Monday and Friday Golf Leagues play at four local courses, all within 15-20 minutes of Leisure World. The courses the group plays are often full, so advance reservations are available via sign-up sheet at each round.

There is a prize pool for each round that players are not obligated to enter. Rewards are given for low net and fewest putts in each flight, birdies and closest to the pin on two par-3 holes. Holes-in-one and eagles (2 under par), although infrequent, are generously rewarded.

Those who are interested in joining the league can contact Gary Stivers at (714) 313-3697 or Dave LaCascia at (801) 674-5975.

Flight C: Low Gross: Hae Lee, 27; Low Net: Hai Lee Yang, 21; Circle Hole No. 6: Cecilia Han Circle and Anne Walshe.

Men's Golf Tournament

The first Leisure World Men's Golf Club Tournament of month was held on June 8. Two groups of three flights of variously skilled golfers vied for best net scores (gross score minus handicap), plus two circle holes (shots within a 5-foot radius are rewarded) and two closest to the pin challenges. The Turtle Lake Golf Course is a 1658-yard 18 hole-par 54 course, that has challenges for all who play.

A total of 47 golfers teed off and played 18 holes. The morning was cool and overcast with a little wind. The sun did not make an appearance until the late morning and a slight breeze picked up. The greens still have numerous weed patches causing some erratic surfaces. The fairways remain well maintained, but the tee boxes are getting to look used. All golfers are responsible for their tee box divots and ball marks on the greens. Golfers are asked to repair their own divots plus one more to keep the golf course in shape.

Overnight watering made the greens very slow initially and the fairways unfriendly to rolling type shots. The later rounds saw an improvement in the conditions, and scores were better for those who played late.

Thirty-two of the golfers were net at or under par, plus there were 23 circle holes and new tournament record with 69 birdies. Closest to the pin on the

seventh hole was Roger Bennett, and on the 16th hole Bill Zurn.

All scores below are net (gross score minus handicap). The A Flight encompasses golfers with handicaps of 0-6, B Flight encompasses handicaps 7-10, and C Flight handicaps are 11-18.

A Flight: First place: Richard Jun, an excellent 6 under 48; second: tie between Kyoo Choi and Bill Lyons, a very good 3 under 51; third: a six-way tie between Dave LaCascia, John Kolthoff, Pat Paternoster, Dong Kim, Jae H. Lee and Young Lee, a hard-earned 2 under 52; fourth: Bob Barnum, a well-played 1 under 53.

B Flight: First place: Won Song, a super 3 under 51; second: tie between Paul Alloway and Bill Zurn, a good 2 under 52; third: 4-way tie between Bill McKusky, Ryan Hong, Terry Thrift, and Bob Johnston a sweet 1 under 53; fourth: Jong Lee, at even par 54.

C Flight: First place: Roger Bennett, a terrific 8 under 46; second: Won G. Park, an outstanding 7 under 47; third: tie between Dennis Jensen, Rolando Ramirez, and Trai Nguyen, an excellent 5 under 49; fourth: tie between James Farr and Manny Miranda, a nice 3 under 51; fifth: Ben Benjamins, a fine 2 under 52; sixth: 3-way tie between Joe DiDonato, Jack Haskins, and Gary Newhall, at 1 under 53.

The next Men's Tournament will be held on June 22 and then every second and fourth Wednesday of the following months. Those planning to play in any tournament or need to drop out can contact Alan Sewell at (541) 324-8558 or Dave LaCascia at (801) 674-5975 as soon as possible. Golfers are asked to arrive 10-15 minutes prior to their scheduled tee time and be ready to play.

There will be a second Guys and Gals Tournament on June 29.

“B’ha’alot’cha,” which means “when you mount the lamps” is the final preparation prior to leaving Mt. Sinai. The Third Triennial Cycle reading this week is from Numbers 10:35-12:16, where the Israelites begin their journey, complaining that they are tired of the manna and they miss the foods they had in Egypt. HaShem sends them quail in such huge quantities that their gluttony results in a plague. Miriam and Aaron grumble about Moses’ marriage to a “dark-skinned” woman, and Miriam is stricken with a white scaly condition and the journey must be delayed for seven days while she is quarantined.

All Beit HaLev services use special prayerbooks, “Lev L’Lev,” which include excerpts from the Reform Siddur, “Mishkan HaT’filah.” Printed versions of the prayerbooks will be available for sale at in-person services.

Beit HaLev and Rabbi Galit-Shirah are a part of the Union of Jewish Universalist Clergy and Communities. It is progressive in thought and traditional in liturgy. Everyone who seeks a path to the Divine is welcome, and Beit Halev doesn’t believe in labels.

To request a membership form, call Rabbi Galit-Shirah at (562) 715-0888 or email duets@icloud.com. Contributions in the name of Robert Slater can be sent to Beit HaLev, P.O. Box 2279, Seal Beach, CA 90740.

Rabbi Galit-Shirah

LW Baptist

LW Baptist will celebrate Father’s Day on Sunday, June 19, at 10 a.m.

The focus of Sunday’s message will be on God’s love for his redeemed children. The apostle Peter showed Christ’s love in Acts 9 by restoring a man who had been paralyzed for 18 years. God raising Tabitha to life through Peter anticipates the future bodily resurrection for those who believe in God.

The same Lord who heals all diseases also forgives all sins, and on Father’s Day, LW Baptist will celebrate God’s redeeming love.

The Men’s Fellowship Bible study will meet on Monday at 10 a.m. The group will study the mysterious war hero Shamgar in Judges 3 and how God provided deliverance for Israel through him, pointing ultimately to the savior and Messiah, Jesus.

The Wednesday Energizer’s Group will meet at 3 p.m. in Clubhouse 3, Room 1. This week’s guests are Pan-American missionaries Carlos and Miriam Cook from Mexico, who will talk about their work. All LWers are welcome to attend.

For more information, call (562) 430-8598.

Assembly of God

Service/Gathering Times: Assembly of God meets Sundays at 10:30 a.m. in Clubhouse 3, Room 2. The Wednesday morning Bible study is on recess until July 6. The next Hymn Sing will be held on June 26 at 6 p.m. in the Clubhouse 2 Lobby.

Sermon for this week: Pastor Chuck Franco’s message this week is titled “The Blessed Father,” from Psalm 112:1-8. This psalm is in praise of the virtuous and celebrates the blessedness of the person who fears the Lord. The psalm shows the deeds the Lord has done for his people and it also gives instruction for right living. All fathers who attend this service will be honored.

Contact: More information can be found at www.lwassemblyofgod.com.

Those who would like prayer, personal contact from a pastor, or a DVD of the Sunday morning sermon can contact pastors Chuck and Sheryl Franco by calling (562) 357-4360 or emailing pastorchuck@lwassemblyofgod.com. Carolyn van Aalst is also available to receive prayer requests at (562) 343-8424.

Pastor Chuck Franco’s sermons can be accessed on the Faithlife app under “Leisure World Assembly of God,” where people can also give online.

First Christian Church

First Christian Church of Leisure World teaches from God's word, the Holy Bible, most often verse by verse. It is a friendly church that welcomes all visitors. People are welcome to worship and explore God's word together "that we may be mutually encouraged by each other's faith, both yours and mine" (Romans 1:12).

Message From the Pastor

In 2 Thessalonians 2:1 the apostle Paul writes, "Now, brethren, concerning the coming of our Lord Jesus Christ and our gathering together to Him,"

The purpose Paul's letter was to address the false teaching that was circulating among the brethren that had them concerned that they had missed the Rapture (the return of the Lord Jesus) and had entered the seven years of tribulation. The church had been under severe persecution, which made it possible for them to be misled by false teachings. Paul continues to say that they should not be so quickly shaken or disturbed by a spirit, message or letter regarding the day of the Lord's return.

Verse 3 admonishes them with an appeal "to not let anyone deceive them, for the Rapture of the church will not come unless the falling away and the man of lawlessness is revealed." This good counsel is beneficial today. If a teaching does not line up with the truths of God's Word, it should be ignored and rejected.

Weekend Services

Sunday services from 9:30-10:45 a.m. are traditional, with hymnal music led by Pat Kogak at the piano. This Sunday, Sherry Parmenter and Janet Ray will be singing a beautiful hymn, "Bow the Knee."

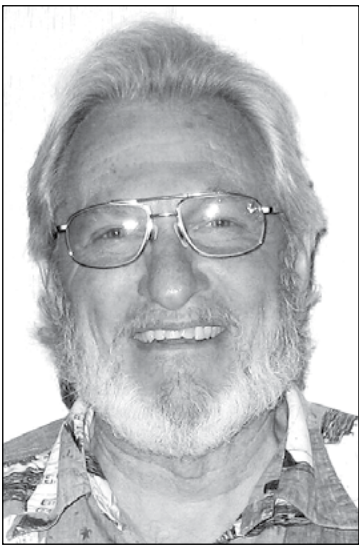

Saturday services, from 9:20-10:45 a.m., are more contemporary, with Gregory Black leading in worship with guitar accompaniment.

Midweek Studies

Pastor Gary Whitlach leads the Bible study held on Tuesdays from 9:30-10:30 a.m.

Thursday's Bible study, led by Elder Jack Frost, is held from 10:30-11:30 a.m.

Friday's prayer and Bible Study, led by Pastor Bruce Humes, is held from 6-7 p.m.

Pastor Bruce Humes

All Leisure World residents are welcome to attend.

Scripture of the Week

"And do not neglect doing good and sharing, for with such sacrifices God is pleased" Hebrews 13:16 (NASB).

Contact

The church is located on Northwood Road behind Carport 125. Those who have a need or want more information can call (562) 431-8810.

Faith Christian Assembly

Faith Christian Assembly will dedicate the month of June to celebrate fathers. The evangelist Billy Graham once said about fathers that "A good father is one of the most unsung, unpraised, unnoticed, and yet one of the most valuable assets in our society."

Anxiety about families is natural, but believers would be wise to turn their concerns into care about their own character. If believers walk before the Lord in integrity, then they will do more to bless our descendants and communities than handing down large fortunes.

Proverbs 20:7 (NKJ) says that "The righteous man walks in his integrity. His children are blessed after him." Specifically, a father's holy life is a rich legacy for his children.

Faith Christian Assembly thanks all the fathers who are unsung heroes. May God continue to bless the fathers as they serve their families for God.

Faith Christian Assembly will pay special tribute to fathers this Sunday, June 19, at 10:30 a.m. All men in attendance will receive a gift at the service.

Weekly Sunday service times are at 10:30 a.m. and 5:30 p.m. (note there will not be a 5:30 p.m. service this week in observance of Father's Day). The Wednesday Bible study is at 11 a.m. The Grief Share meets on Thursdays at 5:30 p.m. in the Garden Room. Call the church office for the most updated schedule information.

People can receive a free newsletter and more information on the church by calling (562) 598-9010, emailing contact@fcachurch.net or by visiting the website at www.FCachurch.net.

Church of Jesus Christ of Latter-day Saints

Meetings for the Atherton Ward are held at 6500 E. Atherton St., Long Beach. Sacrament service is held every Sunday at 9 a.m. This is followed in the second hour by Sunday School on the first and third Sundays; Relief Society and Elders Quorum meetings on the second and fourth Sundays. Primary classes for children are held every Sunday during the second hour.

Members who are unable to attend Sacrament service in person can request a link from Bishop Jonathan Brimley at (562) 716-8309.

The course of study is the Old Testament; personal reading should be those chapters not covered in the study. The reading should be those chapters in 2 Samuel and 1 Kings not covered in the study. The study for the week of June 20-26 covers 2 Samuel chapters 5-7, and 11-12 and 1 Kings chapters 3, 8 and 11.

This week's reading of the scriptures brings two men onto the stage of life and human history; one the father, the other the son. Both are kings. Both will disappoint God. David is the father, and Solomon is the son. Each started their reigns with promise, but ended them in sorrow.

What can believers learn from these tragic stories? The "Come, Follow Me," handbook says "Perhaps one lesson is that regardless of our past experiences, our spiritual strength depends on the choices we make today."

Congregation Sholom

Congregation Sholom will hold services on Friday, June 17, with Rabbi Eric Dangott at 6:30 p.m. via Zoom. Rabbi Mike Mymon will hold a Hybrid service on Saturday, June 18, in Clubhouse 3, Room 9, and via Zoom at 10 a.m. To receive a Zoom invitation call or text Jeff Sacks at (714) 642-0122.

This week's Torah portion is Behaalotecha (When you raise the lamps) from the book of Numbers. In this portion, the Israelites receive instructions regarding Passover. They journey forth from Sinai and complain to God on several occasions, provoking God's anger. Miriam and Aaron speak against Moses.

Those who want to become a member of Congregation Sholom can call Howard Brass at (714) 396-0121 for a membership packet.

LW Korean Community Church celebrates 12th anniversary

On June 5, Leisure World Korean Community Church (LWKCC) under senior pastor Rev. Dr. Jang Young Yong, celebrated its 12th anniversary.

LWKCC was established in Feb. 21 by Pastor Jang Young Yong's family, including Ae Na Jun, Min Jung Kim, Won Il Lim and others. It was established within the Orange County area and became a nesting church in Leisure World Community Church on the first Sunday of June 2017. It is a Korean diaspora church.

At the church's anniversary service, Pastor Sang Gu Kim, who is the former president of the Korean Presbyterian

Church Abroad, an elder pastor at Dongshin Church, and a Mutual 8 resident, delivered the sermon.

After the sermon, Hyo Soo Kim, Jung Hoon Yoo, Sa Young Chi, Michael Han and Jae Moon Suh, were appointed elders, and Ho Il Park was appointed as a deacon. During the appointment ceremony, Pastor Hee Min Park, who is the former president of the Korean Presbyterian Church Abroad and is a retired pastor at Youngnak Church of Los Angeles, gave a sermon, and Pastor Myung Sung Suh, vice president of the Korean Presbyterian Church Abroad and senior pastor of the

Palomar Korean Church, gave the exhortation.

Community Church

Father's Day was established by Sonora Smart Dodd in honor of her father, who was a civil war veteran and father of 14 children. While attending one of the first Mother's Day services in 1909 at her church in Spokane, Washington, Dodd, who lost her mother at the age of 16, decided to dedicate her life to the creation of Father's Day. Dodd wanted to honor her father, who was both mother and father to her and her siblings.

Not everyone has had such a loving relationship with their father, which is why in worship, people tend to shy away from

referring to God as father. However, Father's Day is a reminder that models loving fatherhood from God that exists for all people.

Every Sunday, Pastor Johan Dodge reminds the congregation that all are welcome in the church. Community Church welcomes everyone who doesn't have a church background. Those who have not joined a service before are welcome to come for a cup of coffee before worship and stay for award-winning music and a powerful message.

Community Church is a

friendly church, and everyone is welcome to join in-person worship on Sunday, June 19, at 9:50 a.m. and via Zoom or Facebook.

Due to COVID cases rising, people who want to attend the in-person worship service must provide proof of vaccination and wear masks.

Entrances to the church may be found both at the front of the church and the pedestrian gate between the church and the shops.

Those who are in need without another way to address it can call (562) 431-2503.

ROLLIN' THUNDER

Record number of people were serviced at Air&Water Day

The Rollin' Thunder Golf Cart Club's Air&Water golf cart maintenance event on June 4 set a new record for number of carts serviced. The event attracted 105 LW residents, despite lingering COVID-19 precautions and a heavy drizzle of rain throughout the event.

"We are so happy to have had the opportunity to serve our fellow Leisure World cart owners," said Club President Tom Davis when presented with the final tally for the day. "The work our volunteer club members do can actually save lives."

By checking tire pressure and battery water levels, the volunteers also helped prevent premature tire wear and expensive battery replacement for many residents.

As always, Leisure World Security staff was on hand to control traffic and maintain a

The GAF reminds residents of the following rules to have the best shredding service possible:

- Do not arrive earlier than 10 a.m., no one will be there to guard the bags of documents.
- All residents are asked to

drop off their documents and leave once the truck arrives. There will not be seating or lines allowed at the event.

- No cardboard boxes will be accepted. Documents must be in plastic or brown paper bags with handles opened.
- Do not bring magazines or newspaper to be shredded.

FALW's Veterans Picnic will be held on July 2

Young American men and women volunteered to serve their beloved country despite the fear to uphold what was close to their hearts. These young people gave it all without reservation to preserve what they hold dear: freedom.

In gratitude to all veterans residing in Leisure World, the Filipino Association of Leisure World (FALW) will hold its annual Veterans Picnic on Saturday, July 2, at the Clubhouse 1 picnic grounds at 11:30 a.m.

This event is a tradition by FALW to recognize the selfless sacrifices of the men and women who dedicated their lives to preserve American freedom. The beneficiaries of these unselfish deeds can never repay these service members but hold them up on the highest pedestal.

FALW will serve hot dogs, hamburgers, Filipino noodles, egg rolls, home-cooked chili beans, green salad, fruit, cakes for the July birthdays of club members, soda and water. People can bring their own alcohol.

Vietnam War Memorial statue in Washington, D.C.

There will be a short program before lunch presented by some members of FALW and a performance by the Hui O Hula club. People will sing the individual military branch's hymns. Father Juan Caboboy, FALW's spiritual adviser, will do the invocation. FALW President Eileen Merritt will give a short address, and "Taps" will be played.

Gifts will be presented to the veterans who registered for the event. Due to the club's financial strain, only the first 75 callers will be given a gift.

To RSVP, call and state your name, branch of service and number of guests to Eileen Merritt at (562) 486-1252; Essie Hicks at (714) 488-6149; Jane Haas at (714) 423-9689; Harry Varnas at (323) 791-1141; Ed Bolos at (551) 998-4223; Ric Dizon at (714) 225-3597; or Ren Villanueva at (323) 854-6209.

Celebrate LW's 60th anniversary with The Emperors

This will be the only official event for the 60th anniversary.

GRF is sponsoring The Emperors, a classic rock band that is also celebrating its 60th anniversary. The band has been a favorite in the Long Beach/ Orange County area since it started, when the members were in high school.

The Asian-tropical buffet dinner will include a Korean signature dish bulgogi, Sotanghon

glass noodle, chicken afritada, a vegetable medley with shrimp, mapo tofu, pan-fried minced vegetable and kimchi, plus a salad and sliced fruits. Coffee and water will also be supplied.

Tickets are currently sold out. People who have purchased tickets and have questions can text Anna Derby at (562) 301-5339.

Democratic Club

by Mary Larson
LW contributor

Democratic Party of Orange County Chair Ada Briceño was the speaker for the LW Democratic Club's meeting on June 15. People can sign up to join the next meet meeting by emailing lwsbdemocraticclub@gmail.com.

Orange County's Primary Election results will not be finalized until they are certified on July 15 by the county's election officials. However, a number of results are already obvious.

In early returns, Representative Katie Porter (D), who is running in the newly constituted 47th district, received more than 50% of the votes. She will run against Scott Baugh (R) in November. Incumbent Mike Levin (D) had just less than half the votes in his district. Challenger Asif Mahmood (D) remained solidly in first place in early returns against incumbent Young Kim (R). Challenger Jay Chen (D) is expected to face Representative Michelle Steel (R) in November. Incumbent OC District Attorney Todd Spitzer has collected enough votes to avoid a November runoff.

The Democratic Party of Orange County endorsed three candidates for Board of Supervisors, including incumbent Katrina Foley (District 5), Buena

Congresswoman Katie Porter (l) and LW Democratic Club Vice President Kathy Moran

Park Mayor Sunny Park (District 4) and Santa Ana Mayor Vicente Sarmiento (District 2). All three appear to have secured the votes needed to run for election in November.

An immediate victory appears likely for the three conservative incumbents on the OC Board of Education, Mari Barke, Tim Shaw, and Lisa Sparks. County Superintendent of Schools Al Mijares has been re-elected in the Primary.

In early returns, Democrat Kim Karr was running in second place in her race to be elected to the California Senate. Democrat Judie Mancuso was leading in the Assembly race.

Prosecutors have surpassed the 50% mark needed to avoid a

runoff in nearly all but one of the judicial races to fill nine seats on the OC Superior Court bench. Michele Bell is in a tight race with Dept. State Attorney Gen. Peggy Huang for seat No. 30.

A small percentage of eligible voters actually voted in the primary. Through June 7, 34% of the eligible voters in Seal Beach had voted, 74% of those who had voted were 50 or more years old, thanks in large part to LW.

LW Democrats and supporters can subscribe to the club's free electronic newsletter for more information about November candidates, plus news about other issues. Email editor Mary Larson at democraticclubsblw@gmail.com and include all contact information.

Republican Club

by Brian Harmon
LW contributor

Although the final results will not be certified until July, LW Republican Club President David Harlow has collected the most recent information available on all of the offices listed on the ballot. A runoff election will be held in November for each Federal and State office.

Federal

•United States Senator Full Term: Mark P. Meuser (R); Alex Padilla (D)

•United States Senator Partial Term: Mark P. Meuser (R); Alex Padilla (D)

•U.S. Representative 47th District: Scott Baugh (R); Katie Porter (D)

State

•Governor: Brian Dahle (R); Gavin Newsom (D)

•Lt. Governor: Angela E. Underwood Jacobs (R); Eleni Kounalakis (D)

•Insurance Commissioner: Ricardo Lara (D); Robert Howell (R)

•State Senator 36 District: Janet Nguyen (R); Kim Carr (D)

•State Assemblyman 72nd District: Diane Dixon (R); Judie Mancuso (D)

In the following races, candidates getting over 50% of the vote are the winners; they do not

need to have a runoff election:

Orange County

•Superintendent of Schools: Al Mijares

•County Board of Education District 2: Mari Barke

•Accessor: Claude Parrish

•Auditor Controllor: Andrew N. Hamilton

•Clerk Recorder: Hugh Nguyen

•District Attorney of Public Administration: Todd Spitzer

•Sheriff/Corner: Don Barnes

•Treasure Tax Collector: Shari L. Freidenrich

OC Judicial Office - Superior Court

•Seat No. 5: Claudia Alvarez

•Seat No. 9: Christopher Duff

•Seat No. 11: Shawn Nelson

•Seat No. 21: Erin Beltran Rowe

•Seat No. 22: Brahim Baytieh

•Seat No. 28: Eric Scarbrough

•Seat No. 33: Steve McGreevy

•Seat No. 45: Israel Claustro

•Seat No. 30: Runoff between Michelle Bell and Peggy Huang

...

Eight of the Republican Club's endorsed judicial candidates were victorious. Republicans see this, along with the 62% win that District Attorney Todd Spitzer received, as a triumph for public safety and the rule of law.

OC School Board President Mari Barke's 58% win is viewed by Republican voters as a gain for school choice.

The Republican Club booth will not be set up for the next few months. The club will continue to meet on the third Wednesday of each month at 7 p.m. in Clubhouse 3, Room 2. The club will soon elect new officers and discuss a future reorganization of the duties of each officer.

OBITUARIES

Larry Vandeventer

It is with profound sadness we report the unexpected passing of Roland Lawrence "Larry" Vandeventer, 82, on Monday, June 6, at his home in Seal Beach. Larry was born in Olympia, Washington, to Verble LeRoy Vandeventer and Myrtle Ella (Swezey) Vandeventer. He spent his childhood in Washington and Minnesota, and then settled in the Minneapolis, Minnesota, area to raise his family until he retired. Larry loved the opportunity to fish as well as hunt deer with his bow and arrow.

Larry spent his working years with The Bureau of Engraving and worked there for more than 38 years.

In retirement, he traveled between his homes in Minnesota, Arizona and California where he maintained his love of hunting, fishing and his new passion of three-wheeling. For 21 years, he loved his home at Leisure World, Seal Beach, as he was provided the opportunity to make numerous friends and join multiple groups, including his most recent connection with the lapidary community. He was an incredibly kind, patient, and supportive man, always looking for ways to help others.

Larry is preceded in death

by his parents, his brother Leonard Dennis Vandeventer, and his sister Amy Thornton (Dick Thornton).

He is survived by his three daughters, Terri Fodness (Brad Fodness) and her children, grandchildren, and great-grandchildren to include Taylor, Malorie (Estep) and their son Carter, Dylan Fodness, Ally Fodness, Tracy Vandeventer (Jeri Helland) with their daughter Bliss, and Tanya Vandeventer along with his older brother Gilyard Vandeventer and family, and Amy's family. Due to Larry's large extended family, there are numerous others not included.

A Celebration of Life Open House will be held on Thursday, June 16 in Clubhouse 3, Room 9, from 1:30-3:30 p.m.

Genealogy Club

Leisure World residents are invited to attend the Genealogy Club's monthly meeting on June 22 at 10 a.m. in Clubhouse 3, Room 1. Christine Cohen will present "Grand Army of the Republic—Researching your Union Civil War Veterans." Social hour begins at 9 with coffee and treats.

People can find out if they have a Union Civil War veteran in their family history. In 1890, there were over 400,000 veterans who belonged to the Grand Army of the Republic. This organization existed from 1866-1956 and generated records noting Civil War service, birth, marriage, death, residences, occupations, detailed biographies and photographs. Cohen will show people where and how to find these hidden gems.

Cohen is a long-time member of the Whittier Area Genealogical Society, and has served in many capacities, including president; She is also a member of the El Redondo Chapter of the Daughters of the American Revolution, The Society of

Daughters of Holland Dames, and the Association of Professional Genealogists.

Her interest in genealogy began in 1977 with the airing of the TV mini-series *Roots* and was piqued when she found a typed pedigree chart of her Dutch heritage from the New Netherlands in the 1660s. She is a native Californian, a graduate of UCLA in political science, and worked for Vitol Aviation Company since 1993.

For more information, call Mary Romero at (562) 810-4266.

The club also offers Theme Thursday workshops: half-hour classes and/or discussions on topics and occasionally holds help groups with brick walls or other crowdsourcing genealogy questions. Library hours may vary due to volunteers' availability.

The club is still in search of substitute volunteers and a library volunteer coordinator. For more information, contact the Genealogy Club at lwgenealogy@gmail.com.

Get Inspired at the Long Beach Playhouse

by Maureen Habel

Perhaps your faith in human nature is a little shaky because you haven't met Ms. Esther Mills, the protagonist of "Intimate Apparel," now playing at the Long Beach Playhouse. Esther is a skilled seamstress hoping for a better life in 1905 in Lower Manhattan.

Playwright Lynn Nottage, the only woman to have won the Pulitzer Prize for Drama twice, often focuses on the experience of working class African-Americans. Although set over a century ago, the themes will resound with seniors: preserving integrity; honoring values; overcoming adversity; rising above disappointments; and remaining optimistic in the face of uncertainty.

Esther rents a room where she earns her living sewing fine intimate apparel for women. Her small social circle includes her motherly and pragmatic landlady Mrs. Dixon, party girl, saloon singer and friend Mayme, and Mrs. Van Buren, a wealthy and lonely client. Esther becomes involved in a long distance courtship and eventual marriage with the charming Bahamian George Armstrong. The one relationship that offers intimacy on a soul level but is forbidden by religious, cultural and racial barriers is between Esther and Jewish fabric vendor Mr. Marks.

Director Brooke Aston Harper has created an engaging and

by Dorothy Hill

“Chickenhawk” is Robert Mason’s narrative of his experience as a helicopter pilot during the Vietnam War, as one critic put it: “It’s better than any war movie,” another said, “Maybe Vietnam is best seen through a shattered windshield of a helicopter.”

“Chickenhawk” is one honest and courageous book and a true experience written by the man that was there.

Another book that was hard to put down and I didn’t want to end is “Light It Up,” by Nick Petrie.

The Basic Rules of Sudoku:
• There is only one valid solution to each Sudoku puzzle. The only way the puzzle can be considered solved correctly is when all 81 boxes contain numbers and the other Sudoku rules have been followed.
• When you start a game of Sudoku, some blocks will be pre-filled for you. You cannot change these numbers in the course of the game.
• Each column must contain all of the numbers 1 through 9 and no two numbers in the same column of a Sudoku puzzle can be the same.
• Each row must contain all of the numbers 1 through 9 and no two numbers in the same row of a Sudoku puzzle can be the same.
• Each block must contain all of the numbers 1 through 9 and no two numbers in the same block of a Sudoku puzzle can be the same.

mail carrier in Mutual 2 saved the life of a resident. While he was delivering the mail, the mailman saw a man lying on the floor of his apartment. It turned out the man had suffered a stroke. The mailman called the clinic for help.

• **June 7, 1990:** Tours of Leisure World were being conducted for Seal Beach residents. The tours were organized as part of the celebration for Seal Beach’s 75th anniversary. A number of events were planned through October.

• **June 9, 1966:** A busy day with approximately 660 prescriptions filled marked the opening of the new Leisure World Pharmacy. It was located adjacent to the Leisure World Medical Center and covered 2,000 square feet. One of the busiest pharmacies in Southern California, the Leisure World facility filled an average of 10,500 prescriptions per month.

• **June 10, 1965:** Nearly 1,100 LW residents enjoyed an outdoor breakfast of pancakes and sausage to help the Rancho-Alamitos Rotary Club earn funds.

The pancakes were made by club member and Leisure World resident Larry Duff from a recipe developed when he operated a chain of restaurants.

• **June 10, 1987:** Proceeds from a LW Garden Club sale benefited a LW beautification project. The club had landscaping installed in front of the clinic.

• **June 10, 2008:** In the case of Golden Rain vs. Franz, et al., Judge Raymond J. Ikola, Court

of Appeal of The State of California Fourth Appellate District Division Three, upheld the 2007 ruling of Judge Ronald L. Bauer. It found that the Golden Rain Foundation is an association as defined by the Davis-Stirling Act and is, therefore, subject to complying with the provisions of the act. This lawsuit became case law for the State of California.

• **June 12, 1975:** Leisure World launched its bicentennial celebration June 18 with a Town Meeting ’76 in Clubhouse 4. The daylong event commemorated America’s 200th birthday. It was one of two pilot programs held in California as a prelude to those scheduled for 5,000 communities across America in 1976.

• **June 12, 1985:** The report of the Security, Bus and Traffic Committee showed some interesting statistics for the period July 1, 1984-April 30, 1985. There were 75 traffic accidents, 371 parking violation citations issued and 74 drivers cited for moving violations. Also, 895 trips were made to residents’ apartments to assist people who had locked themselves out.

• **June 13, 1965:** H. Dean Campbell became first president of the resident-elected Golden Rain Foundation Board of Trustees.

• **June 14, 1990:** Gordon Lungren of Mutual 10 was elected to a second term as president of the Golden Rain Foundation Board. He had served on the Board since 1986.

• **June 14, 2007:** Golden Rain Foundation filed a Notice of Appeal for the Golden Rain vs. Franz, et al., lawsuit.

• **June 15, 1967:** A new Minibus, pride of the Leisure World fleet, went into service over that weekend. The Minibus was specially designed for Leisure World and had many features designed for safety and comfort. The interior was custom built to fill the specific needs of LW riders.

• **June 15, 1989:** Leisure World shook during a 4.5 earthquake. While there was no major impact in LW, there were reports of damage in surrounding areas.

• **June 16, 1966:** All GRF departments finished moving into a new two-story administration building adjacent to the Leisure World Medical Center (the “new” two-story building is now the former Administration building).

For many years, the building was occupied by GRF Administration offices, the GRF board of Directors, the LW Pharmacy, the GRF Recreation Department, GRF accounting offices and the addressograph.

Fort Snelling near Minneapolis. Marie arranged for them to go to a Youth for Christ Meeting on a Saturday, but Harlan was being transferred to Camp Fannim, Texas, so he could not be there. He called Pearl and asked if he could write her, and Pearl agreed. That is how it all started.

When he was done with basic training, he came home on furlough at Thanksgiving. Their first date was for lunch at Nankin, a Chinese restaurant in Minneapolis.

Marie told Pearl she was going to visit Harlan’s parents and relatives home in Wolverton, Minnesota, and asked if Pearl wanted to go with her. They took the train to Wolverton, and Harlan and his cousin, Carrol, were there to meet them.

Carrol took Marie to his home, and Harlan took Pearl to his parents’ home. They had Thanksgiving together with all the relatives. After Thanksgiving, he left for overseas.

On Pearl’s 24th birthday, Aug. 18, 1946, they got engaged and had a party with all the relatives. Harlan’s uncle married the couple on June 21, 1947, at Elim Covenant Church in Minneapolis.

After they were married for a couple of years, they took a trip to California to see if Harlan could get a job at Douglas

Aircraft in Long Beach. (He had been working there before he got drafted into the army.)

Pearl agreed to move if he landed it. The company hired him, and the couple had 10 days to make the move. Pearl quit her job at Sterling Electric, and the couple packed up and drove from Minneapolis. They rented an apartment in Lynwood, choosing the city for its central location between the Los Angeles Free Church and Harlan’s work.

A year later, Harlan’s uncle, who was a contractor, helped the couple build a home in Lynwood, where they lived for 68 years. Harlan passed away in 2016, and Pearl moved to Leisure World in 2018.

In October 1953, the couple had a daughter Nancy and then a son Mark, in January 1956.

Pearl has four grandchildren—Erin, Cathy, Clara and Mathew—and two great-granddaughters, Nora, 3; and Wynifred Jane, born on Feb. 15.

She enjoys traveling. She and Harlan took a memorable cruise to Mexico and visited Hawaii. As a family, they made many summer road trips back and forth to Minnesota and North Dakota. They had a trailer on the Colorado River near Parker, Arizona. The family enjoyed water skiing. Harlan skied until

he was 88 years old and Pearl, until she was 94.

She even rode a horse on her 98th birthday. But on her 99th birthday, she had a mild case of COVID-19 that curtailed energetic pursuits.

Pearl now enjoys playing the piano, singing, reading, baking chocolate chip cookies, sewing, and taking one-hour walks. She never drove a car, so she depended on Harlan to take her everywhere.

She is now involved with the Leisure World Baptist Church that meets in Clubhouse 4 on Sundays and Clubhouse 3 on Wednesdays for Energizers (a bible study). She plays the piano for the Bible study and likes to sing in the choir on Sunday. She also enjoys going out to eat afterward.

To celebrate Pearl’s 100th birthday, she will be in the Minneapolis area with her relatives.

She is also planning to have a get-together with her LW Baptist Church friends and family.

Pearl says that the Lord has been with her for the past 100 years and has given her a manifold of blessings for which she is very grateful.

She loves God, prays to him every day, knows he takes care of her and saved her. Pearl is ready for heaven and is enjoying every day on earth.

TESTIMONIAL TIME!

Nick was very professional. Patient and understanding. He went beyond and above to help me understand all the details of my purchase. We had a few bumps on the road and he was always phone available and explained each step of the way until closing and even referred me to his handyman so I had someone to help me with projects. I recommend Nick and Carol for any of your real estate purchases. The best experience.
