SUMMER UNDER THE STARS

‘Knives Out’ will be shown tomorrow

Open-air movie nights at the Amphitheater begin June 24 at 8:30 p.m. with “Knives Out.” Six new movies will be shown on the gigantic screen on Friday nights through Sept. 16. Bring friends and family, and enjoy free movies in your own backyard. Movies start at 8:30 p.m. Minibus service will be available to take people home after the show. The full schedule is printed weekly in the Arts & Leisure section. “Knives Out,” rated PG-13, is a 2019 American mystery film written and directed by Rian Johnson and produced by Johnson and Ram Bergman.

It follows a master detective investigating the death of the patriarch of a wealthy, dysfunctional family. The film features an ensemble cast including Daniel Craig, Chris Evans, Ana de Armas, Jamie Lee Curtis, Michael Shannon, Don Johnson, Toni Collette, Lakeith Stanfield, Katherine Langford, Jaeden Martell, and Christopher Plummer. The circumstances surrounding the death of crime novelist Harlan Thrombey are mysterious, but there’s one thing that renowned Detective Benoit Blanc knows for sure—everyone in the wildly dysfunctional Thrombey family is a suspect. Now, Blanc must sift through a web of lies and red herrings to uncover the truth.

The season kicks off with Vegas Country, a tribute to Shania Twain and Tim McGraw (photo left). The first full season since 2019 also includes an Elvis tribute featuring Matt Lewis (photo right) on Aug. 4.

### HOMELAND SECURITY

## Real ID deadline has been extended

The Department of Homeland Security (DHS) is extending the REAL ID enforcement date to May 3, 2023, due to circumstances resulting from the COVID-19 pandemic.

The pandemic has significantly impacted states’ ability to issue REAL ID-compliant driver’s licenses and identification cards, with many driver’s licensing agencies still operating at limited capacity.

Beginning May 3, 2023, every air traveler 18 years of age and older will need a REAL ID-compliant driver’s license or identification card, state-issued enhanced driver’s license, or another TSA-acceptable form of identification at airport security checkpoints for domestic air travel.

All 50 U.S. states, the District of Columbia, and four of five U.S. territories covered by the REAL ID Act and related regulations are now compliant with REAL ID security standards and are issuing REAL ID-compliant driver’s licenses and identification cards.

However, many state licensing agencies have extended the deadline for renewing expiring licenses due to a widespread shift to appointment-only scheduling protocols during the pandemic that has significantly limited states’ capacity to issue REAL ID-compliant driver’s licenses and identification cards. As a result, only 43 percent of all state-issued driver’s licenses and identification cards are currently REAL ID-compliant. DHS and various states also need time to implement requirements mandated by the REAL ID Modernization Act, including changes that will streamline processing by allowing the electronic submission of certain documents.

DHS continues to work closely with all U.S. states, the District of Columbia, and U.S. territories to implement REAL ID Act requirements. For more information on REAL ID, visit [www.dhs.gov/real-id](http://www.dhs.gov/real-id).

Seal Beach City Hall, 211 Eighth Street, is where the city council convenes its meetings. Several seats, including one representing LW, are up for election.

## Seal Beach Council Election Update

The Seal Beach City Council formally called the 2022 election at its June 13 council meeting, paving the way for a nomination period that begins Monday, July 18, and ends Friday, Aug. 12.

Incumbent District 5 Council Member Sandra Massa-Lavitt will be termed out this year after serving two four-year terms. District 5 covers all of LW west of St. Andrews Drive. That includes Mutuals 2, 3, 4, 5, 6, 7, 8 and 9 and part of Mutual 1.

Also up for election are representatives for District 1, covering Old Town and Surfside Colony; and District 3, covering Marina Hill, Coves, Bridgeport and Heron Pointe.

Candidates should file nomination papers between July 18, and Aug. 12 at 5 p.m. (by appointment only) in the Office of the City Clerk of Seal Beach at City Hall, 211 Eighth St., Seal Beach.

For a complete explanation of forms needed, visit <https://www.sealbeachca.gov/Departments/City-Clerk/Information-for-Council-Candidates>.

People who have questions about being a candidate can make an appointment with Acting City Clerk Dana Engstrom at the City Clerk’s Office. (The city is dealing with a COVID outbreak and is encouraging the public to conduct business by phone or email when possible.)

The election will be consolidated with the state general election, which will be held on Nov. 8.

In Seal Beach, a candidate for a council seat needs to receive 50% of the vote, plus one, to take office.

If none of the candidates can reach 50% of the vote plus one, a run-off election will be held Tuesday, Jan. 31, 2023.

To be eligible, a candidate must be a citizen of the United States, a registered voter, a resident of the City of Seal Beach and council district and 18 years of age or older.

A person is not eligible to hold a position as city council member unless he or she is a registered voter of the city at the time the nomination papers were issued to the candidate.

The city council is the community’s legislative body and provides direction on business matters, sets policy, and adopts the annual budget, according to the Seal Beach website.

Because the city council is the legislative body, its members are the community’s decision makers. The city manager serves at the pleasure of the council as its full-time executive whose job is to administer city staff, projects, policies and programs on behalf of the city council.

The city council meets the second and fourth Mondays of each month. Unless otherwise announced, the meetings are held in the city council Chambers, 211 Eighth St., and typically begin at 5 p.m. with a study session or closed session meeting.

The televised portion of the meeting starts at 7 p.m. and can be viewed on cable television on SBTv-Channel 3 or on the city’s website through the Agenda, Notices & Meeting Videos option through the Government menu option.

## Seal Beach Concerts at the Pier

The Seal Beach Summer Concerts, sponsored by the Seal Beach Chamber of Commerce, are held each year at Eisenhower Park at the base of the Seal Beach Pier. Concerts are on Wednesdays from 6-8 p.m. They start July 6 and continue through Aug. 10. The breathtaking view of the Pacific Ocean and the Seal Beach Pier provides the perfect backdrop for the bands.

The line-up is as follows:

- **July 13:** OC 3, Classic Rock Tribute
- **July 20:** L.A. Vation, U2 Tribute Band

- **Aug. 3:** Redneck Rodeo, a country music cover band
- **Aug. 10:** Stevie Nicks Illusion, Fleetwood Mac Tribute Band

People are welcome to bring blankets, lawn chairs, dancing shoes and picnics, then sit back and relax to the sounds of summer.

Seating is first come, first served. Concerts in the Park are free and well attended; early arrival to obtain prime lawn seating is encouraged. Use low backed chairs to minimize visibility issues behind you. Umbrellas must come down 10 minutes prior to the start of the concerts.

No smoking is allowed in the park.

## Interact TV Service—A First Look

With the Superwire discount on Spectrum’s TV service rate going away at the end of the year, Leisure World has identified Interact Solutions as an even lower cost replacement.

The Interact TV service uses a proprietary app and a small set back box about the size of a cell phone to deliver channel packages starting at \$28.99. The app uses cloud-based Android software common in many cell phones, TVs and other household devices that connect to the Internet.

Included is a user friendly remote control, a small power supply to connect to the wall and a HDMI cable to connect to your TV. The App comes with 24/7 customer service to remotely resolve problems.

Demonstrations of the app have started with a few Leisure World experts like Gordon Smith of Mutual 2 getting the first looks at it. Smith recently retired from the position of director of technical Services at PBS TV station KOCE.

Smith was amazed at how it worked.

“When connected to my Samsung TV, it automatically switched all control to the decoder box,” he said. “The software is very fast. When looking at the guide is scrolls at a swift pace. Switching stations is lightning fast. Recording programs is easy to accomplish. The show you record is actually recorded in the cloud for your access anywhere you log in. Close captioning is available too.”

This expert summed his experience up by saying, “Overall, this is a big thumbs up. So easy to use.”

## Scam Alert

Clever con artists often try to profit from topical subjects, like calling for donations following a national tragedy or pretending to be the IRS during tax season. Scams like these are known as phishing.

These callers will often ask for your personal information, such as a Social Security number or bank or credit card details. They may also ask for money to be sent immediately via wire services. Residents should immediately end calls when callers ask for personal information.

There have been reports of LW residents receiving calls from scammers under the guise of helping people lower their Spectrum bills even when residents were not Spectrum customers. Scammers also asked for personal information such as Social Security and account numbers.

All Leisure World residents—whether they are Spectrum customers or not—should not confuse these scam calls with LW’s authentic effort to introduce a new cable service (see story above). The cost for Spectrum service will increase at the end of the year when the Superwire/Spectrum contract, which has been providing a special LW rate, expires.

According to its website, Spectrum knows that unsolicited, fraudulent and spam calls can be a security threat and an annoyance to its customers. The company is committed to helping them manage these calls. Spectrum can block calls identified as malicious robocalls and send Caller ID alerts for other spam calls to give people peace of mind when answering the phone. Spectrum customers who have received unsolicited calls can report them at <https://spamreport.spectrum.com/chapter/>.

## NOCE Fall Class Registration

The registration procedure for North Orange Continuing Education (NOCE) classes in LW is changing as of the upcoming fall semester. Students will be able to register in-person or online beginning the morning of Aug. 2.

An in-person registration event will be held in Clubhouse 4 starting at 9 a.m. on Aug. 2. Students must be able to sign into myGateway ([mg.nocccd.edu](http://mg.nocccd.edu)) with their Banner IDs and a password prior to attending the registration event to ensure they can easily register for classes. Those who do not yet have a password or do not remember it should visit myGateway and select the “Forgot Password” option to create a new one.

Prospective students who may be interested in attending classes this fall should visit this link to apply to become a student: [tinyurl.com/4e7x2uap](http://tinyurl.com/4e7x2uap). Once they have completed a student application, which takes about 20 minutes to complete, they should receive an email from NOCE within two business days containing a Banner ID. Once the Banner ID is assigned, students should sign into myGateway to ensure they are prepared for class registration on Aug. 2.

A list of fall classes will be available later in July. Additional registration information and instructions can be found by visiting the Leisure World Library.

# PERSPECTIVES

## Letters to the Editor

Editor:

I had a glimpse of Jane Nam on the front page of LW Weekly (June 16). As far as I know, she is the heroine “Grandmama Jane” to faraway to African kids.

Her recent mission for the refugees in Ukraine reminds me of the Korean conflict more than two-thirds of a century ago and American veterans today.

Twenty dollars is not a large donation to [jane.nam51@gmail.com](mailto:jane.nam51@gmail.com) or [seon.h.cho@gmail.com](mailto:seon.h.cho@gmail.com), but I hope it will help a refugee who needs a bottle of water and a loaf of bread.

Her hubby, Seon, was CEO of a big company once and also served as a board member of Mutual 1. He is very supportive of devout Jane’s missions. We shareholders are most proud of having such a wonderful couple in the LW community.

May God’s blessing be with her and her family.

Robert Chung  
Mutual 4

Editor:

I agree with Mitzi Winks (June 16) that the relocated memorial statue has found an excellent home outside our library although now it is seen by many fewer folks and only those who are already residents. I never considered the original spot, located as it was next to the swimming pool and proximate to the golf course, to be much of a threat to the image of an active-lifestyle community, at most, another aspect of it. Not all of us, unfortunately, are very active. I’m happy that she now finds it “charming” and not “kitschy Rockwellian.” Her metaphorical “Inuit in an anorak” was probably not what the folks who commissioned the work—in memory of relatives who actually lived here—had in mind.

We already have Mutuels adjudicating size and number of flower pots, size and number of dogs, size and number of bushes, types of trees that are permitted. Size and number of flags, regardless of message, are not that much different with regard to limitations, are they?

The letter expressed tolerance of any religion, which is good, but was not quite as tolerant of my impression of small white crosses in a grassy and flowering space as being suggestive of a cemetery. I did not mention religion in my comments about such displays. Perhaps, my driving to work for years on the 405 Freeway past Veterans’ Memorial Cemetery had something to do with implanting that impression in my mind.

## National Hydration Day: Drink Up!

June 23 is National Hydration Day and with summer around the corner, it's time to put serious thought into making hydration a daily habit. In fact, a 2019 UCLA study revealed that up to 40% of older individuals could be chronically dehydrated and not even realize it.

Much like a car needs oil to function properly, the body needs water to rid itself of toxic waste, regulate body temperature, and lubricate joints. When left unchecked, the body can become dehydrated increasing the risk of urinary tract infections, kidney stones, and even kidney failure. Below are answers to common questions that relate to staying hydrated:

**What are potential symptoms of dehydration?** Thirst, fatigue, dizziness, increased heart rate, strong odor coming from urine, dark-colored urine, muscle cramps and bad breath.

**How much water do I need daily?** About 64 oz. of water or any clear fluid is the general daily recommendation. This does not include caffeinated beverages or alcohol as these can dehydrate the body. If you have a history of fluid-overload, check with your doctor on the appropriate amount of fluid you should be drinking daily.

**What if I hate to drink water?** Although drinking fluid is the preferred method of staying hydrated, there are other options that some may find easier to do. This may include clear soups, popsicles, gelatin, or fruits and vegetables that have a high water content such as melon, berries, citrus fruit, peaches, lettuce, cucumber and celery.

Staying hydrated can make for a healthy, safe summer and keep you feeling well throughout the remaining of the year.

## Guys and Gals Golf Tournament Results

The first Leisure World's Guys and Gals Tournament of the month was on June 15 at the Turtle Lake Golf Course. Three flights of a one man, one woman, team participated for best net scores, eight circle holes (within a 5-foot radius), and two closest to the pin challenges. Both Susie Kim and Jane Song scored a hole-in-one on the 55-yard par 3 second hole.

A total of 32 teams participated throughout the morning and into the early afternoon. At the opening 7:30 a.m. tee time, the weather was a relatively cool and partly overcast. The sun came out around 9:30 a.m., much to the delight of the players who started late.

Turtle Lake course conditions regressed again this week. The greens are still very weedy causing bumpy conditions, which made putting erratic and caused difficulty in judging speed. The tees are showing wear with no appropriate divot repair material available. Even so, every team posted a net score under par. There were also 57 birdies and 20 circle hole winners.

After the tournament,

over 80 golfers and guests enjoyed a picnic at the Clubhouse 1 picnic area.

All scores below are net (gross score minus handicap). A Flight encompasses golfers with handicaps of 0-9, B Flight encompasses handicaps 10-12, and C Flight Handicaps are 13-18.

**A Flight:** First place: Kyoo Choi and Bong Choi, a super 11 under 43; Second: three-way tie between Bob Barnum and Kyung Ju; Paul Alloway and Ann Tran; and Alan Sewell and Patty Smith, an outstanding 9 under 45; Third: Walt Bier and Margie Thompson, an excellent 9 under 46; Fourth: tie between Bruce Bowles and Linda Herman and Terry Thrift and Mary Ann Moore, a very good 7 under 47.

**B Flight:** First place: Won Song and Jane Song, a very well-played 13 under 41; Second: Young Lee and Hae Lee, a super 12 under 42; Third: Dennis Jensen and Marilyn Hewitt, a terrific 8 under 46; Fourth: John Kolthoff and Anne Walshe, a nice 6 under 54.

**C Flight:** First place: James Choi and Grace Choi, an exceptional 12 under 42; Second: James Farr and Sandy Derouin, an excellent 9 under 45; Third: Brian Tivnan and Patty Littrell,

a terrific 8 under 46; Fourth: Bill Zurn and Neva Senske, a fine 7 under 47.

Closest to the pin on the par 3 seventh hole: John Kolthoff and Sandy Derouin and on the par 3 sixteenth hole: Rolando Ramirez and Jane Song.

The next Guys and Gals Tournament will be on June 29, which falls on the fifth Wednesday, then every month on the third Wednesday, plus the fifth Wednesday if there is one.

All golfers are responsible for their tee box divots and ball marks on the greens. Golfers are asked to use the divot repair bottles to fill the divots. Let the gardeners know if the bottles are empty. Turtle Lake's greens and tees continue to look better, thanks to residents' help, with much fewer neglected and poorly repaired ball marks. Don't forget to rake the sand traps after your shot. Leave rakes in bunker with the head facing the green.

Those who are scheduled to play and need to drop out, can contact Alan Sewell at (541) 324-8558 or Dave LaCascia at (801) 674-5975 ASAP.

## GOLF LEAGUE RESULTS

### Clay Fischer sunk a Hole-in-One on June 10

On June 10, fourteen golfers and a guest from the Leisure World Golf League challenged the 5,800-yard, par 70, Riverview Golf Course in Santa Ana. This week two rare golf occurrences took place for the first time in over two years. Clay Fischer had a Hole-In-One on the 100-yard par 3 ninth hole and Dave La Cascia eagled (2 under par) the 475-yard par 5 fifteenth hole.

It was a beautiful morning to play golf considering the overcast and damp days the League has endured for weeks. Even with the course’s numerous water hazards, sand traps, and elevated greens, 10 of the 15 scores were at or under par and yielded 10 birdies.

All scores are net (gross minus handicap). A Flight handicaps are 0-19, while B Flight handicaps are 20 and over.

**A Flight:** First place: Clay Fischer, a spectacular 11 under 59, plus two birdies, and closest to the pin on the 100-yard par 3 ninth hole; second: Sam Choi, a very well-played 8 under 62, plus two birdies; third: Chris Lankford, and really good 7 under 63, plus two birdies; fourth: Jim Goltra, a sweet 5 under 65, and fewest putts; fifth: Dave LaCascia, a nice 4 under 66, plus a birdie; sixth: tie between Gary Stivers (with 2 birdies), Bill McKusky, and Larry Hillhouse.

**B Flight:** First place: Gene Vesely, a hard earned 3 under 67, plus a birdie; second: Tom Ross, at even par 70, plus fewest putts; third: Lowell Goltra, at 2 over 72; fourth: Fujio Norihiro; fifth: tie between Bob Munn and Digna Vesely. Guest William Hillhouse was closest to the pin on the 140-yard par 3 second hole.

June 13 saw 14 brave golfers from the Leisure World Golf League play a round at the 5,700-yard par 70 Meadowlark Golf Course in Huntington Valley. Although it was not mentioned in the forecasts, the weather was atrocious, and it rained for over three hours. Conditions were dreadful with club selection and finding the “short” grass (fairways and greens) absolutely imperative. Any shot off the mark became very challenging to get back on the track. The course already has numerous water hazards, large sand traps, and tree-lined fairways that challenge everyone; but the weather was the biggest obstacle that day. With conditions as they were it was not surprising that the course yielded only five of 14 rounds at or under par, and just two birdies.

**A Flight:** First place: three-way tie between Jim Goltra, Bill McKusky and Gary Stivers, at a remarkable 3 under 67; second: Dave LaCascia, a hard-fought 2

under 68; third: Larry Hillhouse, a nice 1 under 69; fourth: tie between Clay Fischer, Chris Lankford and Sam Choi. Closest to the pin on the par 3 seventh hole was Goltra, and on hole No. 16 it was Fischer. Goltra and Lankford had the only birdies, and McKusky had fewest putts.

**B Flight:** First place: Liz Meripol, a really good 3 over 73; second: tie between Fujio Norihiro and Lowell Goltra, a well-played 4 over 74; third: Tom Ross; fourth: tie between Bob Munn and Pat Paternoster. Norihiro had fewest putts for the round.

The Monday and Friday Golf Leagues play at four local courses, all within 15–20 minutes of Leisure World. The courses the group plays are often full, so advance reservations are available via sign-up sheet at each round.

There is a prize pool for each round that players are not obligated to enter. Rewards are given for low net and fewest putts in each flight, birdies and closest to the pin on two par-3 holes. Holes-in-one and eagles (2 under par), although infrequent, are generously rewarded.

Those who are interested in joining the league can contact Gary Stivers at (714) 313-3697 or Dave LaCascia at (801) 674-5975.

## 2023 Calendar Photos Wanted

The LW Weekly will produce a 2023 wall calendar featuring the work of Leisure World photographers in late 2022.

This year, photos will be accepted all year long, so people can take compelling shots of local landscapes and immediately submit them for possible inclusion in the calendar. That will save the time of swiping through hundreds of pictures at year’s end to find that perfect shot.

Editors are looking for scenic vistas of Leisure World and Seal Beach. Photos of people are not eligible. Holiday or seasonal shots are welcome, especially images that capture the spirit of October, November and December.

Editors are also looking for original views of iconic LW spaces and fresh ways of seeing familiar spaces, such as the globe and Veterans Plaza for example.

A team of editors selects the photos featured in calendars, so it’s possible that multiple shots by the same person are chosen (photographers’ names are not included in the decision-making process).

Potential contributors should submit large, high-resolution, 300 dpi images in landscape format.

Cell phone photos should be emailed in the “actual” or “original” size format.

Email entries to [stephenb\\_news@lwsb.com](mailto:stephenb_news@lwsb.com) with name, address, phone number and a brief description of the photo.

For information on technical requirements, call (562) 431-6586, ext. 392.

## HUMANIST ASSOCIATION

### Bill Zuersher will present on July 3

The Leisure World Humanist Association will meet on Sunday, July 3, at 10:30 a.m., in Clubhouse 3, Room 1. Author and religious scholar Bill Zuersher will be the guest speaker at the meeting.

Zuersher spoke to the Leisure World Humanists in November 2019 on the Transcendental Argument for God (TAG). The presentation is available on YouTube.

The title for Zuersher's presentation is "Are the Laws of Logic Proof of God?" He will discuss whether everyday use of logic prove that God exists. A popular theistic argument for the existence of God is that atheists cannot provide a coherent account of logic. What is logic? And how do we know it? Join The Humanist Association for a fun presentation and discussion comparing some theistic and non-theistic perspectives on logic.

Zuersher is an activist for the separation of church and state and the author of "Seeing through Christianity: a Critique of Beliefs and Evidence." His interest in religion derives from a concern about the role of faith-based beliefs in American politics. Rather

## Rollin' Thunder Golf Cart Parade Salutes the Fourth

Plans are wrapping up for the annual Independence Day Golf Cart Parade, which will be held on July 4.

Beginning at Clubhouse 4 and ending at Clubhouse 6, the one-hour parade will follow a route that will include most of Leisure World's main thoroughfares and neighborhoods.

The parade will begin going south from Clubhouse 4 down St. Andrews Drive and turn left on Interlachen Road. The group will then make a right turn at Del Monte Drive, and circle around the flagpole off Sunningdale Road.

The group will then travel north up Del Monte Drive, through Northwood Road and El Dorado Drive, to make a right turn onto Canoe Brook Drive.

The parade will travel east on Golden Rain Road, and head to its final destination at Clubhouse 6 by turning left on El Dorado Road, making a right turn on Oakmont Road and

turning left onto St. Andrews Drive to finish at Clubhouse 6.

Final cart decorating will be at 9:30 a.m., with the parade starting at 10.

To avoid breakdowns along the route, cart batteries should be fully charged, and cart fuel tanks filled to the brim.

Members of the Rollin'

Thunder Golf Cart Club will set up and lead the parade, with the assistance of Security staff and the LW Radio Club members.

All golf cart owners can participate. Membership in the Rollin' Thunder is never required for community-wide events.

## FALW's Veterans Picnic will be held on July 2

Young American men and women volunteered to serve their beloved country despite the fear to uphold what was close to their hearts. These young people gave all without reservation to preserve what they hold dear: freedom.

In gratitude to all veterans residing in Leisure World, the Filipino Association of Leisure World (FALW) will hold its annual Veterans Picnic on Saturday, July 2, at the Clubhouse 1 picnic grounds at 11:30 a.m.

This event is a tradition by FALW to recognize the selfless sacrifices of the men and women who dedicated their lives to preserve American freedom. The beneficiaries of these unselfish deeds can never repay these service members but hold them up on the highest pedestal.

FALW will serve hot dogs, hamburgers, Filipino noodles, egg rolls, home-cooked chili beans, green salad, fruit, cakes for the July birthdays of club members, soda and water. Peo-

ple can bring their own alcohol.

There will be a short program before lunch presented by some members of FALW and a performance by the Hui O Hula club. People will sing the individual military branch's hymns. Father Juan Caboboy, FALW's spiritual adviser, will do the invocation. FALW President Eileen Merritt will give a short address, and "Taps" will be played.

Gifts will be presented to the

veterans who registered for the event. Due to the club's financial strain, only the first 75 callers will be given a gift.

## SUNSHINE CLUB

### Jeremy Matteson will talk about balance and exercise

Physical Therapist Jeremy Mattheson is the speaker for the Sunshine Club's meeting on Friday, June 24, in Clubhouse 3, Room 2, from 10 a.m.-noon.

Matteson is a physical therapist from Senior's Choice. He discusses how physical therapy is a possible solution for balance problems, especially for seniors with joint pain.

Physical therapy is a discipline within healthcare that has been shown to help all people. However, most people do not know what physical therapy is or how to access it. The presentation will define physical

therapy and its benefits, how to access it, plus how to determine whether or not to use insurance benefits for it.

There will also be a Powerpoint presentation on traditional balance and exercise. It covers how balance problems happen and what can and can't be done about it. There will be a time for questions after the presentation.

All residents are welcome to attend the meeting; no membership required. Refreshments will be served. For more information, text Anna Derby at (562) 301-5339.

### GAF

## Shredding Service will be held on July 5

The Golden Age Foundation (GAF) will hold a shredding event for residents on Tuesday, July 5, in the Clubhouse 2 parking lot from 10 a.m.-noon. The GAF is now asking residents to leave plastic or paper bags open and not tie the handles so that it is easier for volunteers to empty them. The GAF reminds residents of the following rules to have the best shredding service possible:

- Do not arrive earlier than 10 a.m., no one will be there to guard the bags of documents.
- All residents are asked to

drop off their documents and leave once the truck arrives. There will not be seating or lines allowed at the event.

- No cardboard boxes will be accepted. Documents must be in plastic or brown paper bags with handles opened.
- Do not bring magazines or newspaper to be shredded.
- Remove staples and paper clips.
- No electronic devices will be accepted.
- Contaminated bags will be turned away.
- No x-ray film copies.

All GAF programs are provided free to Leisure World residents. GAF is entirely staffed by volunteers, so all contributions go directly to meeting community needs. The generous support of residents, clubs, organizations and businesses is the GAF’s main source of income. Donations are welcome at the event. For more information about the shredding service or the GAF, go to [www.GoldenAgeFdn.org](http://www.GoldenAgeFdn.org) or text Anna Derby at (562) 301-5339.

## Republican Club

by **Brian Harmon**  
LW contributor

LW Republican Club members were appalled by a June 15 Los Angeles Times article about a gunman who killed two El Monte police officers was facing a probation violation charge at the time.

The article explained that the suspect had previously been charged with having an illegal firearm, ammunition and methamphetamines. The district attorney (DA) chose to prosecute him only for the firearm charge, which holds a sentence of three years in prison. Prosecutors instead asked that he be given two years probation. When he violated his probation after being caught with a firearm, he was released by the probation department to await a hearing. Instead, he murdered two police officers.

The progressive Los Angeles County DA, Democrat George Gascon, ran as an opponent of “mass incarcerations,” which he said means sending people to prison for non-violent crimes.

Gascon has also sought shorter sentences for violent criminals. The campaign to recall Gascon is close to having the required signatures. The due date is July 6. Any registered voter in LA County can sign the petition at [www.recallgeorgegascon.com/signthepetition](http://www.recallgeorgegascon.com/signthepetition).

...

At the June 15 meeting Club President David Harlow announced that he would be resigning his position after the November election for family reasons. He issued an official statement which said in part, “From time to time I like to look back over my 75 years and 50 years of marriage and it has been very rewarding, but not easy. My greatest accomplishments include becoming a believer in my faith, my long life with my wife, Laurie, and my 29 years serving my country in the United States Air Force. Many of you may have had a similar past.

“We have witnessed some great leaders in this country we call America. We take pride in our forefathers and the one group of people who have given

us our country. As you may have heard, it is not the journalists, it is not the protesters, and it was not the politicians who gave us our great country; our soldiers gave us our freedom. Our national cemeteries are full of these heroes.”

The LW Republican Club wants all LWers to know that they can receive a free publication called “Imprimis.” It is a publication of Hillsdale College, a four-year conservative liberal arts college in Hillsdale, Michigan. The May/June issue has an article called “Laying Siege to the Institutions,” by Christopher F. Rufo. He advocates a bottom-up approach against left-wing dogma and that individual citizens should band together to challenge school boards and other institutions, including Disney. People can receive a free subscription at <https://imprimis.hillsdale.edu/free-lifetime-subscription-to-imprimis>, or by writing to Hillsdale College, 33 E. College St., Hillsdale, Michigan, 49242-9989.

The club booth will be closed during July and August.

## Democratic Club

by **Mary Larson**  
LW contributor

Conservative former federal judge J. Michael Luttig was one of two witnesses who testified during the most recent session of televised hearings currently taking place in Congress. He ended his remarks with a warning that there remains “a clear and present danger to American democracy” even 17 months after the attack on Jan. 6, 2021.

In the midst of viewing these hearings, the Democratic Club reminds club members and supporters that it is still important to be aware of what happened in the Orange County Primary Elections, and what that means for the General Election in November.

Many pundits continue to say that Orange County voters will again play a key role in national politics in November.

Although there are now 73,000 more Democrats than Republicans among the 1,809,773 registered voters in Orange County, only 35% of OC’s potential voters actually

voted in the Primary.

Once again, the percent of voters in Leisure World far exceeded that of voters in the rest of the county. It ranged from 60.46-64.91%, depending upon the precinct. These are significant numbers since there are 7,068 registered voters in Leisure World.

It is also good news that all six OC Congressional District candidates endorsed by the Democratic Party of OC will go forward to compete in the General Election. Only one of these candidates—LW’s District 47 candidate Katie Porter—received more than 50% of the vote in the Primary.

It will not be known until November as to whether or not all of six Democratic candidates will represent Orange County voters in Congress next year. However, the LW Democratic Club has already started making plans along with the other Democratic clubs in the county to get out the vote in the General Election. Special attention will be paid to the importance of reaching the No Preferred

Party voters. How they vote will be critical in Asif Mahmood’s District 40, Jay Chen’s District 45 and Mike Levin’s District 49, as well as in Porter’s campaign in the new District 47.

The club also supports a California Constitutional Amendment that will likely be on the November ballot. The proposed amendment would codify existing California laws that relate to women’s ability to choose their own future. The amendment must clear the state Legislature by a two-thirds vote by June 30 in order to be in the 2022 General Election ballot.

California already has some of the most expansive abortion laws in the country. The proposed amendment is one of 14 proposals now moving through the Legislature that would strengthen and expand access to women’s health care, including abortion. It has a good chance of passing. Among likely California voters, 76% oppose overturning *Roe v. Wade*, according to an April survey by the Public Policy Institute of California.

## HUMANIST from page 15

than engage in public policy debate about multiple disparate issues, he decided to focus on the root cause of all of them, namely religion and Christianity in particular.

Zuersher’s book “Seeing Through Christianity” is a critique of Christian doctrines and evidential claims. The author goes on a tour of the religion’s roots, philosophy and history. He encounters each component of belief in logical order, beginning with the universal religious problems of suffering and death, and culminating in the cosmic drama by which Christianity claims to resolve them. He argues that Christian dependence upon faith results in beliefs that are arbitrary.

Humanism attempts to address society’s important problems, in order to build a better world. Residents do not have to be Humanists to attend the meetings.

## First Christian Church

First Christian Church of Leisure World teaches from God's word, the Holy Bible, most often verse by verse. It is a friendly church that welcomes all visitors. People are welcome to worship and explore God's word together "that we may be mutually encouraged by each other's faith, both yours and mine" (Romans 1:12).

### Message From the Pastor

The apostle Paul in 2 Thessalonians 2:3 writes, "Let no one deceive you by any means; for that Day [return of Christ to Earth] will not come unless the falling away comes first, and the son of sin is revealed, the son of perdition."

Paul cautions the believers at Thessalonica not to be deceived or led astray by false teachers concerning the coming of Christ. He states that two things must happen first: a falling away, and the revealing of sin. These must take place first and have not happened yet. Christ's second coming should not be confused with the Rapture of the Church, which is imminent and could occur at any moment, sets the stage for these two events. These events for the church will be the topic of this week's mes-

sage from Pastor Bruce Humes. Understanding the distinction of the times God has prepared for his Church is important to every follower of Christ.

### Weekend Services

Sunday services from 9:30-10:45 a.m. are traditional, with hymnal music led by Pat Kogak at the piano. This week, Iris Muncie, Carol Speake and Sue Kaminski will sing "Days of Elijah."

Saturday services, from 9:20-10:45 a.m., are more contemporary, with Gregory Black leading in worship with guitar accompaniment.

### Midweek Studies

Pastor Gary Whitlach leads the Bible study held on Tuesdays from 9:30-10:30 a.m.

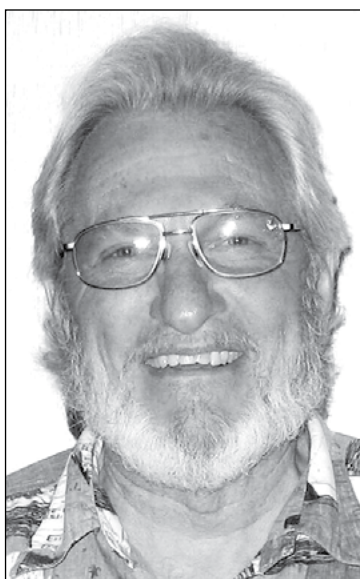

Thursday's Bible study, led by Elder Jack Frost, is held from 10:30-11:30 a.m.

Friday's prayer and Bible study, led by Pastor Bruce Humes, is held from 6-7 p.m.

All Leisure World residents are welcome to attend.

### Scripture of the Week

"God is our refuge and strength, a very present help in tight places. Therefore we will not fear, though the earth should change and though the

Bruce Humes

mountains slip into the heart of the sea; Though its waters roar and foam, though the mountains quake at its swelling pride" Psalm 46:1-3, NASB.

### Contact

First Christian Church is located on Northwood Road behind Carport 125.

Those who want more information or have a need can call the church message line at (562) 431-8810. The call will be returned at the earliest opportunity.

## Beit HaLev

Rabbi-Cantor Galit-Shirah is conducting a Prayer and Blessings Class every Monday at 5 p.m. There is no charge to register, call (562) 715-0888 or [email duets@icloud.com](mailto:duets@icloud.com) to sign up for the class. This is a continuation of the class that was held last fall to learn the meanings of the prayers and blessings as well as the melodies for the Shabbat morning service. The Torah reading this week is from "Shelach L'cha," from Numbers 15:8-41 in the Third Triennial Cycle. The reading follows the most egregious mistake made by the Israelites: the false report given by 10 of the 12 scouts sent into Canaan, demoralizing the people and infuriating the Divine so that the Israelites are punished by having to spend another 38 years in the wilderness before being allowed into the Promised Land. At the end of the reading there is the account of a man who has violated the Sabbath by gathering wood and after Moses consults with HaShem, is put to death.

All Beit HaLev services use special prayerbooks, "Lev L'Lev," which include excerpts from the Reform Siddur, "Mishkan HaT'filah." Printed versions of the prayerbooks will be available for sale at in-person services.

Beit HaLev and Rabbi Galit-Shirah are a part of the Union of Jewish Universalist Clergy and Communities. It is progressive in thought and traditional in liturgy. Everyone who seeks a path to the Divine is welcome, and Beit HaLev doesn't believe in labels.

To request a membership form, call Rabbi Galit-Shirah at (562) 715-0888 or [email duets@icloud.com](mailto:duets@icloud.com). Contributions in the name of Robert Slater can be sent to Beit HaLev, P.O. Box 2279, Seal Beach, CA 90740.

## Assembly of God

**Service/Gathering Times:** Assembly of God meets Sundays at 10:30 a.m. in Clubhouse 3, Room 2. The Wednesday morning Bible study is on recess until July 6. The next Hymn Sing will be held this Sunday, June 26, at 6 p.m. in the Clubhouse 2 Lobby.

**Sermon for this week:** While setting up the office in their home, Pastors Sheryl and Chuck Franco purchased several pieces of self-assembled furniture from a store famous for those products. The Francos opened the instruction pamphlet that came with the bookcase and discovered 16 pages with 51 steps illustrated by pictures only, no words, on how to put the furniture together. Eight hours later, sweaty and grumpy, after a few false starts and switching pieces around, the bookcase was successfully put together.

Some people may find their own faith journey difficult to navigate while attempting to figure out what God wants. The instruction book believers are given can sometimes feel impossible to understand. Pastor Chuck will resume his series on the Old Testament prophets

Sheryl and Chuck Franco

with a sermon from Micah 6:8 on Sunday, June 26. Come and discover God's simple, three-point instruction on how to live a successful Christian life.

**Bible Study:** "Wild Places," by George DeJong, is a video series filmed in the Holy Land. The locations help illuminate the teaching of navigating the wild, rough places in life. Pastor Chuck will lead the guided discussion questions on July 6 in Clubhouse 3, Room 2, at 10 a.m.

**Contact:** More information can be found at [www.lwassemblyofgod.com](http://www.lwassemblyofgod.com).

[blyofgod.com](http://www.lwassemblyofgod.com).

Those who would like prayer, personal contact from a pastor, or a DVD of the Sunday morning sermon can contact pastors Chuck and Sheryl Franco by calling (562) 357-4360 or emailing [pastorchuck@lwassemblyofgod.com](mailto:pastorchuck@lwassemblyofgod.com). Carolyn van Aalst is also available to receive prayer requests at (562) 343-8424.

Pastor Chuck Franco's sermons can be accessed on the Faithlife app under "Leisure World Assembly of God," where people can also give online.

## LW Baptist

God's plan is vastly bigger than most believers have ever dreamed. His plan is to open a worldwide door through faith. LW Baptist will focus on that plan from Acts 10 on Sunday, June 26, at 10 a.m. with music and fellowship.

The women's Bible study group meets Monday mornings at 10 in Clubhouse 3, Room 6. The Energizer's group will meet on Wednesday June 29, after the choir rehearsal at 3 p.m. in Clubhouse 3, Room 1, to hear from Amazon missionaries,

Marcos and Sarah Baughman. They will share stories about their floatplane work with Brazil's Wings of Mercy.

Call the church office at (562) 430-8598 to receive more information about services and Bible Studies.

## Church of Jesus Christ of Latter-day Saints

Meetings for the Atherton Ward are held at 6500 E. Atherton St., Long Beach. Sacrament service is held every Sunday at 9 a.m. This is followed in the second hour by Sunday School on the first and third Sundays; Relief Society and Elders Quorum meetings on the second and fourth Sundays. Primary classes for children are held every Sunday during the second hour.

On June 20, the bishopric of the Atherton Ward was changed. Bishop Jonathan Brimley and his councilors were released after years of stellar service. The new bishop is Mike Gravley. Members who are unable to attend Sacrament services in person can request a link from Bishop Mike Gravley at (562) 212-8681.

The course of study is the Old Testament; personal reading should be those chapters in 1 Kings not covered in the study. The reading for the week of June 27-July 3 covers 1 Kings chapters 17-19.

The "Come, Follow Me," Handbook says that this week's scriptures show the house of Israel in disarray. "The unity and prosperity achieved under David and Solomon were long past, and the nation's covenant relationship with the Lord was, for many people, a distant memory. The Kingdom of Israel had divided, with ten tribes forming the Northern Kingdom of Israel and two tribes forming the Southern Kingdom of Judah."

When believers read the Scriptures, they are exercising faith, which prepares hearts and minds to hear the "still small voice of the Spirit" (1 Kings 19:12).

## Congregation Sholom

Congregation Sholom will hold a potluck dinner on Friday, June 24, prior to services in Clubhouse 3, Room 9, at 5:15 p.m. A sign up sheet has been sent to members. Services conducted by Rabbi Eric Dangott will begin following the dinner at 6:30 and will also be available on Zoom. Hybrid services continue on Saturday, June 25, in Clubhouse 3, Room 9, and via Zoom with Rabbi Mike Mymon at 10 a.m. To receive a Zoom invitation, call or text Jeff Sacks at (714) 642-0122.

This week's Torah portion is Sh'lach from the book of Numbers. In this portion, Moses sends 12 spies to explore the land of Israel. Ten of them convince the people that it will be too difficult to conquer the land. God responds to their lack of confidence by punishing them with 40 years of wandering in the wilderness. God also commands the Israelites to put fringes on the ends of their clothing.

Those who would like to become a member of Congregation Sholom can call Howard Bass at (714) 396-0121 for a membership packet.

## Faith Christian Assembly

Many people are planners who like to think ahead and work things out in order to hopefully experience favorable results. Planning is great and should be done in certain circumstances, as Luke 14:28 states, “For which of you, intending to build a tower, does not sit down first and count the cost, whether he has enough to finish it?”

However, planning is not always enough. Everyone knows from experience that even the best of plans can go amiss. There are just too many things beyond a person’s control.

Knowing this can be a great source of anxiety. Left unchecked, anxiety can turn to depression. But that’s not the way it has to be. God knows exactly what people need, even better than what they know to be true, because he created all people. Psalm 50:10-11 says he is the owner of everything: “For every beast of the forest is mine, and the cattle on a thousand hills. I know all the birds of the

mountains, and the wild beasts of the field are mine.”

God is the omniscient, omnipresent one who is trustworthy above everything and everyone, including plans and circumstances. Jeremiah 17:7-8 says that “Blessed is the man who trusts in the Lord, and whose hope is in the Lord. For he shall be like a tree planted by the waters, which spreads out its roots by the river, and will not fear when heat comes; but its leaf will be green, and will not be anxious in the year of drought.”

Faith Christian Assembly asks believers where does their trust lie? Is it in his or her plans and knowledge? Believers should put their ultimate trust in God, and he will lead, just as Proverbs 3:5-6 says, “Trust in the Lord with all your heart, and lean not on your own understanding; in all your ways acknowledge him, and he shall direct your paths.”

Jesus is the focus of all of the teaching at Faith Christian Assembly. Residents are invited

Pastor Sheri Leming

to hear a Bible-based message at one of the services this weekend and learn about Jesus, who loved the world so much that he died so that everyone may experience abundant life.

Faith Christian Assembly’s weekly Sunday service times are at 10:30 a.m. and 5:30 p.m. at 13820 Seal Beach Boulevard, **ASSEMBLY, page 20**

## Community Church

This Sunday, June 26, Community Church will dive deeper into its current series topic of Freedom. Christians should not take their freedom lightly. God calls each believer to check attitudes, motives and opinions and measure them against the unfailing, unfaltering love of God. Believers are responsible, with God’s help, to extend that same grace to others, especially those who may differ from a believer’s circle of comfort.

Community Church welcomes people of all backgrounds and invites new people to come early for a cup of coffee before worship to get a feel for the community and stay for award-winning music and a powerful message.

Community Church is a friendly church, and everyone is welcome to join in-person worship on Sunday, June 26, at 9:50 a.m. and via Zoom or Facebook.

Due to COVID cases rising, people who want to attend the in-person worship service must provide proof of vaccination and wear masks.

Entrances to the church may be found both at the front of the church and the pedestrian gate between the church and the shops.

Those who are in need without another way to address it can call (562) 431-2503.

Pastor Johan Dodge

**The Basic Rules of Sudoku:**  
• There is only one valid solution to each Sudoku puzzle. The only way the puzzle can be considered solved correctly is when all 81 boxes contain numbers and the other Sudoku rules have been followed.  
• When you start a game of Sudoku, some blocks will be pre-filled for you. You cannot change these numbers in the course of the game.  
• Each column must contain all of the numbers 1 through 9 and no two numbers in the same column of a Sudoku puzzle can be the same.  
• Each row must contain all of the numbers 1 through 9 and no two numbers in the same row of a Sudoku puzzle can be the same.  
• Each block must contain all of the numbers 1 through 9 and no two numbers in the same block of a Sudoku puzzle can be the same.

“Knot Master” Ken Goettsch held a class in knot tying for his neighbors in Mutual 14 on Father’s Day. Ken has numerous awards for his ability to tie knots in the course of horse tending and cattle farming. ## Protect Pipes, Use Refresh Liquid Wipes

GRF Service Maintenance reports a growing incidence of blocked sewer pipes largely due to flushable wipes. To combat that, a new product called Refresh Liquid Wipes for \$6.81 including tax, is now available Copy & Supply Center in Building 5. Most wipes labeled “flushable” are not biodegradable and cause major sewer line stoppages, but Refresh is sprayed on toilet tissue, turning it into a flushable wipe.

The toilet paper foam is eco-friendly, good for sensitive skin, and cleanses and soothes using witch hazel and aloe. It is alcohol- and paraben-free and plumbing safe.

Users have noted people may need more toilet paper to prevent deterioration during use.

## CalFresh Benefits

CalFresh can help qualifying Leisure World residents receive healthy fruits and vegetables, among other groceries.

Recipients receive a card similar to a debit card with money loaded every month to shop for more fruit, vegetables, protein and other healthy foods.

CalFresh is funded by the USDA and administered through the Community Action Partnership in Leisure World to help improve the health and nutrition of people with lower incomes.

**Requirements to Apply:**

- Applicants must have at least one citizen or legal permanent resident with a Social Security number living in their household (including children).
- Applicants may qualify for CalFresh even if they have a full- or part-time job.
- Gross monthly income must be less than the amounts listed: One-person household, \$2,128; two-person household, \$2,874.
- Seniors, those on SSI or those with a disability can apply and may be eligible for CalFresh.
- Documents needed to apply: photo ID, Social Security card, proof of income and resident card (if applicable, receipt of rent and receipt of one utility bill).

Upon application, income and many other factors are taken into account to determine eligibility.

For more information or to apply online, call 1-800-281-9799 or go to <https://www.mybenefitscalwin.org/>. Residents who need assistance applying for Cal-Fresh should contact Robann Arshat in Member Resources at (562) 431-6586, ext. 317, or [Robertaa@lwsb.com](mailto:Robertaa@lwsb.com).

## CAP Food Distribution

Free food is available in Leisure World to eligible residents who are 60 years or older through Community Action Partnership of Orange County (CAPOC), which has a monthly distribution site by Clubhouse 4. The next food distribution will be July 21.

Every third Thursday from 9-11 a.m., qualified people receive 40 pounds of food, including canned fruit, vegetables, meat, rice, juice, cereal and more.

Eligible seniors must live in Leisure World, be at least 60 years of age and meet income guidelines as follows: up to \$1,354 a month for one person; \$1,832 for a two-person household; and \$2,311 for a three-person household. To sign up, bring a photo ID and proof of income (Social Security/SSI statement, letter or bank statement or paycheck stub). People who are unable to apply themselves or pick up the food may send a proxy to act on their behalf with appropriate ID.

For more information, contact Roberta Arshat in GRF Member Resources at (562) 431-6586, ext. 317, or [robertaa@lwsb.com](mailto:robertaa@lwsb.com).

## REMEMBER from page 4

## CENTENARIAN from page 4

Lynn went back to work in 1970 and was the switchboard operator at Walkers Department store at Fourth and Pine streets in downtown Long Beach until they went out of business. She worked as the switchboard operator at Buffum’s on Broadway. When Buffum’s moved into the new Long Beach Mall, she moved with the company, working there until Buffum’s closed.

She has been a LW resident since March 1988 after the passing of her husband of 45 years. She loved Whirlers square dancing and was on the women’s bowling league.

Lynn could not stay away from a switchboard and was the switchboard operator at the Health Care Center for 20 years, receiving several employee awards. She handed over her headset in 2009 but continued volunteer work at the LW Library and Health Care Center until 2013.

She is avid sports lover no matter what is on the TV, but her passion is baseball, especially the Dodgers. She tries to never miss a game.

Happy birthday to Lyndell Phillips!

## CONCERTS from page 1

There are two sides of the park. Facing the ocean, the stage will be on the left side of the park.

The grass area on this side often fills up quicker, so patrons should plan on arriving earlier to secure spots there. On the right side, there is a speaker for concert goers to enjoy the live music, but the crowd is often more spaced out, and children and dogs play in between the blankets.

Chamber staff and volunteers are not responsible for unattended chairs blankets and other picnic items.

Patrons can enjoy any one of the food establishments in Old Town on Main Street or bring their own food and drink to enjoy.

Curbside Parking on Ocean Boulevard is limited to those with a Summer Concert Parking Pass. Curbside parking on the left side of the park is reserved for the bands. The pier is at the intersection of Ocean Avenue and Main Street.

## NOCE from page 3

Staff at the library can help people troubleshoot any issues they may encounter with Banner IDs, myGateway or any other NOCE-related matters.

People are welcome to visit the library in-person Monday-Saturday from 9:30 a.m.-3:30 p.m. to receive this help.

TESTIMONIAL TIME!

Nick was very professional. Patient and understanding. He went beyond and above to help me understand all the details of my purchase. We had a few bumps on the road and he was always phone available and explained each step of the way until closing and even referred me to his handyman so I had someone to help me with projects. I recommend Nick and Carol for any of your real estate purchases. The best experience.
