The event will be held at the main Seal Beach Police Station located at 911 Seal Beach Blvd. Seal Beach police are partnering with members of the community to affirm its conviction against crime and promote health, safety and personal preparedness.

The event will feature a bounce house, "Crops with Cops" Community Garden, station tours, a petting zoo, SWAT and K9 demonstrations, use of force simulator hosted by Artemis Defense Institute, helicopter arrival, and hot dogs and chips provided by Seal Beach Lions.

Lewis began his entertainment career as an Elvis tribute artist at the age of 12. By his twenty-first birthday, he was headlin-

ing with the world-famous "Legends In Concert" show and has been with them for over 15 years.

He has traveled the globe and entertained closer to home at the Imperial Palace Hotel on the Las Vegas strip.

Lewis has also appeared on the Jay Leno show, been featured on several pages of Entertainment Weekly and starred in a major feature film titled "Tears of a King."

He will reprise some of Elvis's most cherished hits, including "Jailhouse Rock," "All Shook Up," "Burning Love," "Suspicious Minds" and many more.

Residents are invited to celebrate summer under the stars every Thursday

Non-resident guests must be accompanied by a resident.

Islands Grissom, White, Chaffee and Freeman are all named after NASA astronauts who died in training accidents. The islands are part of THUMS, which is an acronym for a consortium of five major oil companies—Texaco, Humble, Union, Mobil and Shell—who won a bid to lease the fields from the state, agreeing to give the state and City of Long Beach a majority of the expected profits in return for taking control of the oil field. LW Drone Club members capture all sorts of interesting aerial shots at local parks and near the ocean. For information about the club, email Joseph Valentinetti at 0501042@gmail.com.

Fleetwood Mac Tribute featured in last concert of summer at pier

The Seal Beach Summer Concert series, sponsored by the Seal Beach Chamber of Commerce, will hold its last concert of the summer on Aug. 10.

Stevie Nicks Illusion, Fleetwood Mac Tribute Band, will play at Eisenhower Park at the base of the Seal Beach Pier from 6-8 p.m.

People are welcome to bring blankets, lawn chairs, dancing shoes and picnics, then sit back and relax to the sounds of summer.

Seating is first come, first served.

Concerts in the Park are free and well attended; early arrival to obtain prime lawn seating is encouraged. Use low backed chairs to minimize visibility issues behind you. Umbrellas must come down 10 minutes prior to the start of the concerts.

No smoking is allowed in the park.

There are two sides of the park.

Facing the ocean, you'll find the stage to be on the left side of the park. The grass area on this side often fills up quicker, so patrons should plan on arriving earlier to secure spots on this side of the park. On the right side, there is a speaker for concert goers to enjoy the live music, but the crowd is often more spaced out and children and dogs play in between the blankets.

Chamber staff and volunteers are not responsible for unattended chairs blankets and other picnic items.

Patrons can enjoy any one of the food establishments in Old Town on Main Street or bring their own food and drink to enjoy.

Curbside Parking on Ocean Boulevard is limited to those with a Summer Concert Parking Pass. Curbside parking on the left side of the park is reserved for the bands.

The pier is at the intersection of Ocean Avenue and Main Street.

SB Police Active Shooter Drill Today

The Seal Beach Police Department will conduct an active shooter response training exercise at the McGaugh Elementary School campus on Thursday, Aug. 4, from about 6 a.m.-6 p.m.

The goal of this training is to help prepare police officers in the event of a critical event on the campus.

During this training exercise, the community may hear screaming or yelling, simulated gun fire sounds, exercise alerts over the amplified voice system and sirens around McGaugh Elementary School.

Emergency response vehicles and first responders will respond accordingly for this exercise. The McGaugh Elementary School campus will be closed during the drill. Because it is summer break, no students will be on campus that day.

Signage will be posted notifying the public of the training exercise. For additional information, visit the Seal Beach Police Department on social media @sealbeachpolice.

CITY OF SEAL BEACH

Level 2 water restrictions are now in effect

The State of California has declared a Level 2 water supply shortage in answer to Gov. Gavin Newsom’s recent proclamation of a Drought Emergency. All 58 California counties are now experiencing severe drought conditions.

As drought conditions worsen, it is more important than ever to make sure that every drop of water counts, according to an ongoing educational outreach started last week by the City of Seal Beach.

The City of Seal Beach has amended its Water Shortage Contingency Plan to align it with California’s six standard levels of water shortage responses. According to a staff report prepared by Iris Lee, acting director of Public Works, a Level 2 water shortage would have the city notify its water customers that water use needs to be cut by 11-20%.

Level 2 restricts irrigation on non-residential turf areas; however, there are also exemptions for sports fields, grassy areas where people gather, and for watering to keep trees healthy. It should be noted that common areas that are not specifically maintained by individual residents are generally considered non-residential.

Level 2 Water Restrictions Now in Effect

To meet the requirements of the Governor’s Executive Order, Seal Beach has limited watering schedules to 3 days a week effective immediately.

The following water use restrictions shall apply at all times:

- The watering of lawns, landscaping and all other vegetated areas is prohibited between 6 a.m.-6 p.m. and is limited to no more than 15 minutes per station per day. Drip irrigation and hand watering are exempt.
- Do not water lawns and landscaping while it’s raining or for 48 hours after measurable rainfall.
- Do not allow excessive water flow or runoff onto your sidewalk, driveway, street, alley or gutter when watering lawns, landscaping and vegetated areas.
- Plumbing system leaks must be immediately fixed.
- Do not hose or wash down hard or paved surfaces such as sidewalks, gutters, driveways, patios, pool decks, parking areas, tennis courts and alleys, except to alleviate immediate fire or sanitation hazards.
- Wash vehicles with a bucket and/or hose with a positive shut off hose nozzle. This includes cars, trucks, buses, motorcycles, boats, or trailers. The LW car wash at Clubhouse 2 uses recycled water and commercial car washes are exempt from this regulation.
- Filling or refilling swimming pools, spas and ponds are only to be performed on designated watering days.
- All decorative fountains and water features should be turned off.

- Restaurants can serve water only upon request.
- Agricultural users and commercial nurseries must curtail all non-essential water use.
- Commercial, industrial and institutional properties are prohibited from irrigating non-functional turf, such as decorative grass, except as it may be required to ensure the health of trees and other perennial non-turf planting.

January through March typically is when most of California’s annual rain and snow falls, but this year, those months were the driest in at least a century. Despite calls for conservation, the state’s water use went up dramatically in March—19% compared to the same month in 2020.

California is in its third year

of drought and virtually all areas of the state are classified as either in severe or extreme drought. Due to low water levels in state reservoirs, the state is releasing only a limited amount of water from its supplies.

Last summer, Californians were called on to voluntarily reduce their water use by 15% by doing things like taking five-minute showers and avoiding baths, only running the washing machine and dishwasher with full loads and limiting water use for cleaning outdoor areas. Water used for farming isn’t counted.

Leisure World is served by the Seal Beach through three master meters. The city maintains the water distribution

405 Freeway Construction Update

Crews began the second phase of construction of the Westminster bridge in 2021. When the new portion of the bridge opens this summer, it will have new vehicle lanes and sidewalks. The northbound I-405 off-ramp to Willow will be permanently closed as part of the bridge improvements, and crews will continue constructing traffic signals, striping new bike lanes and conducting drainage work in the coming months.

PERSPECTIVES

Letters to the Editor

Editor:

Food scraps and other organics laced in the trash are the potential source of methane in landfills.

The GRF tells us to place very little food in our disposals. How about GRF/Mutuals find some out-of-the-way locations where composting can commence.

Perhaps having a type of food repository where we members can drop off food and other organic item in each Mutual and/or GRF locations?

This might be a way where we, as a community, can help reduce methane in the atmosphere, lower landfill usage and use the compost to either fertilize our trees and grass areas and/or for the members of the Garden Club.

W. H. Smith
Mutual 15

Editor's Note: Athens Services, LW's new waste management provider, is partnering with LW to implement food scrap collection. In the next few weeks, green waste containers will be placed in all Mutuels in keeping with Senate Bill 1383. It mandates that Californians dispose of all

landscaping waste, food scraps and food-soiled paper (100% fiber-based) into these special containers.

Editor:

After a two year delay I am finally relocated to LW.

While I am still getting settled (taking things slow and easy) I immediately developed the habit of morning walks along the interconnected sidewalk trails. More quickly than getting settled, I am meeting people, learning their names as we greet each other along the trail. It is refreshing!

This morning was a little different because I got distracted as I watched the garden crew trim the rows of short trees along the walkway adjacent to Seal Beach Blvd. I took a lengthy pause to watch the team sculpt the trees in the way artists create statuesque works, giving attention to little details in order to reach perfection. These gentlemen deserve huge recognition. I also thank the Foundation for their efforts to maintain our LW park.

Celebrating Centenarians—George Koehm

This is one story in an occasional series profiling some of LW's most long-lived residents, those who have reached the enviable age of 100 years or more. The series is running in connection with the Golden Age Foundation centenarian event held April 20. In most cases, a family member or friend has written the stories.

by Randy Koehm
special to the LW Weekly

George Koehm was born on the family farm in Greenfield, Illinois, on Nov. 6, 1922. It was not until he was in high school that the farm was electrified, and they purchased their first tractor (no more plowing with a team of horses).

When George left the farm, he went to work as a surveyor for the railroad in Douglas, Arizona, as well as Leadville, Colorado.

When the war broke out, he went to enlist, only to be told he had tuberculosis and was classified 4-F.

After a short respite, he went to San Francisco and enlisted in the Merchant Marines to do his part for the war. He served both on a tanker and a cargo ship in the Pacific theater.

After the war, he shipped out on the Great Lakes for a

short time.

He then met the love of his life, Selma Marcy, on a blind date.

They married and worked a small farm near Greenfield and started a family.

First was Sally and a couple of years later, George (Randy).

They took a leap of faith and moved to California. Shortly after moving, he was hired on with the new Delco-Remy battery plant in Anaheim, where he spent his career and retired as the quality control lab manager. After retirement, he and Selma traveled to Europe, Asia and Australia.

They enjoyed boating at “the river” over the years and moved to Bullhead City where they enjoyed going out on Lake Mojave. In 1999 life brought them to Leisure World.

While in Leisure World,

George Koehm

George and Selma enjoyed many activities especially the dances. Selma passed away in 2011 at the age of 92. They were married for 62 years.

In addition to their two children they have three grandsons and three great grandsons.

Did You Know?

- The U.S. has the highest absolute number of centenarians in the world with 97,000 living in the country, according to World Atlas. The number of centenarians worldwide is estimated to reach 834,000 by 2050.
- The majority of centenarians, 85%, are women. Scientists still don't know why women outlive men on average.
- Studies show the oldest adults have qualities in common, including positivity, a strong work ethic and close bonds with family, religion and the countryside.
- There are more centenarians in the midwest and northeast than there are in the south and west, most likely due to access to better healthcare. This could also explain why those who live in larger cities are more likely to live to the age of 100 and over.

Men's Golf Club

The second Leisure World Men's Golf Club Tournament of the month was played on July 27. Three groups of three flights of variously skilled golfers vied for best net scores (gross score minus handicap), plus two circle holes (shots within a 5 foot radius are rewarded) and two closest to the pin challenges. The Turtle Lake Golf Course is a 1658-yard 18 hole-par 54 course, that tests all who play.

Scores and winners of the last 3 tournaments are now available. Results will be posted at the starter shack bulletin board as they become available.

A total of 49 golfers teed off and played 18 holes. There were only eight circle hole winners but a remarkable 57 birdies. Closest to the pin on the second hole was Hyon Shinwtug, and Gene Archambault on hole No. 11. The lowest gross score was carded by Dong Kim at an even par-54 and the lowest net score was Sam Williamson at 49.

All golfers are responsible for their tee box divots and ball marks on the greens. Golfers are asked to repair their own marks, plus one more.

The next men's tournament will be on Aug. 10 and then every second and fourth Wednesday of the following months. Those who planned to play in any tournament and cannot, should contact Alan Sewell at (541) 324-8558 or Dave LaCascia at (801) 674-5975 as soon as possible. Golfers should arrive 10-15 minutes prior to their scheduled tee time and be ready to play.

Men's Golf July 22 and 27 Results

On July 22, 11 golfers of the Leisure World Golf League contested the 4,000-yard, par-62, David L. Baker Executive Golf Course in Fountain Valley.

It was a sunny morning, but with the dampness and humidity expected for an overcast morning. Baker is a short in length, and as an executive course uniquely has more par 3's then par 4's and no par 5's. Its numerous sand traps, small undulating greens, and water hazards challenges everyone. With good playing conditions 10 of the 11 scores were at or under par and the course yielded eight birdies.

All scores are net (gross minus handicap). A Flight handicaps are 0-19, while B Flight handicaps are 20 and over.

A Flight: First place: Larry Hillhouse, a terrific 11 under 51, plus three birdies, fewest putts, and closest to the pin on the 130-yard par-3 hole No. 12; second: tie between Gene Vesely (plus a birdie and closest to the pin on the 100-yard par-3 hole No. 3) and Gary Stivers, a well-played 5 under 57; third: tie between Chris Lankford (with a birdie) and Clay Fischer, and very good 3 under 59; fourth: Sam Choi, a hard-earned 2 under 60, plus

two birdies.

B Flight: First place: Digna Vesely, a very nice 12 under 50; second: Fujio Norihiro, a really good 10 under 52, plus a birdie; third: Ron Jackson, a sweet 4 under 58, plus fewest putts; fourth: William Hillhouse, a fine even par 62; fifth: Bob Munn, at 1 over 63.

On June 27, 11 golfers from the Leisure World Golf League played at the 6,000-yard, par-71 Willowick Golf Course in Santa Ana. The weather was initially sunny with warm conditions. As the morning progressed the temps got warmer, and the winds kicked in.

The course is being better maintained better than in years past. The greens are in good shape but continue to be a bit weedy. Most concrete issues have been repaired and sprinklers are running trying to green up the bare spots. With the decent playing conditions it was unforeseen that the course permitted only six of the 11 rounds to be at- or under-par, but surprisingly, with its great length, yielded five birdies.

A Flight: First place: tie between Clay Fischer (with a birdie), and Jim Goltra (with two birdies and closest to the pin on

the 140-yard, par-3 hole No. 4), a very nice 6 under 65; second: Larry Hillhouse, a well-played 4 under 67; third: Gary Stivers, a nice 3 under 68, plus a birdie and tie fewest putts; fourth: Gene Vesely, a good 2 under 69, plus a birdie; fifth tie between Fujio Norihiro (tie for fewest putts), Chris Lankford (with a birdie), and Sam Choi.

B Flight: First place: Digna Vesely, a really good 3 under 68; second: Bob Munn, a hard-fought even par 71; third: Lowell Goltra.

The Monday and Friday Golf Leagues play at four local courses, all within 15-20 minutes of Leisure World. The courses are often full, so advance reservations are available via a sign-up sheet at each round.

There is a prize pool for each round that players are not obligated to enter. Rewards are given for low net and fewest putts in each flight, birdies and closest to the pin on two par-3 holes. holes-in-one and eagles (2 under par), although infrequent, are generously rewarded.

Those interested in joining the league can contact Gary Stivers at (714) 313-3697 or Dave LaCascia at (801) 674-5975.

Beit HaLev

The Prayer and Blessings Class is postponed until November, after the High Holy Days.

Beit HaLev conducts Livestream services on *Facebook.com/galityomtov*, *YouTube.com* (Beit HaLev LIVE! Channel) and Zoom.

Livestream services for the Friday Shabbat evening and Saturday morning service is at: <https://us02web.zoom.us/j/9152434704>. The meeting ID is 915 243 4704, and the passcode is RavGalit.

The Book of “Devarim,” Deuteronomy 2:31-3:22, is considered a review of the journey from Mt. Sinai until Moses’ final address to the Israelite people. They are reminded of the consequences of the betrayal of the spies, resulting in the extended 38 years of wandering in the wilderness. In the final verses, Moses explains to Joshua that the victories they have won are evidence of God’s allegiance to Israel and the imminent conquest of Canaan.

All Beit HaLev services use special prayerbooks, “Lev L’Lev,” which include excerpts from the Reform Siddur, “Mishkan HaT’filah.” Printed versions of the prayerbooks will be available for sale at in-person services.

Beit HaLev and Rabbi Galit-Shirah are part of the Union of Jewish Universalist Clergy and Communities. It is progressive in thought and traditional in liturgy. Everyone who seeks a path to the Divine is welcome, and Beit Halev doesn’t believe in labels.

To request a membership form, call Rabbi Galit-Shirah at (562) 715-0888 or email:duets@icloud.com. Contributions to Beit HaLev are welcome and can be sent to Beit HaLev, P.O. Box 2279, Seal Beach, CA 90740.

Church of Jesus Christ of Latter-day Saints

Meetings for the Atherton Ward are held at 6500 E. Atherton St., Long Beach. Sacrament service is held every Sunday at 9 a.m. This is followed in the second hour by Sunday School on the first and third Sundays; Relief Society and Elders Quo-

rum meetings are on the second and fourth Sundays. Primary classes for children are held every Sunday during the second hour. Members who are unable to attend Sacrament services can request a link from Bishop Mike Gravley at (562) 212-8681.

The course of study is the Old Testament. Personal reading should be those chapters in Psalms not covered. The study for the week of Aug. 8 covers Psalms 1-2, 8, 19-33, 40 and 46.

First Christian Church

First Christian Church of Leisure World teaches from God’s word, the holy Bible. It is a friendly church that welcomes all visitors.

Message From the Pastor

In 2 Thessalonians, the apostle Paul admonishes church members in Thessalonica. Members were refusing to work and sitting idly for the return of Christ, ignoring the example set by Paul and others who acted in a disciplined manner in accordance to traditions. Paul speaks bluntly, writing “For even when we were with you, we commanded you this: If anyone will not work, neither shall he eat.” Pastor Bruce Humes will

explore the spiritual implications and how this doctrine applies today.

Weekend Services

Sunday services from 9:30-10:45 a.m. are traditional, with hymnal music led by Pat Kogak at the piano. This week, there will be a special performance from Sandy Carlson.

Saturday services are more contemporary with Gregory Black leading in worship with guitar accompaniment. Saturday service time is 9:30-10:45.

Midweek Studies

Pastor Gary Whitlatch leads the Bible study held on Tuesdays from 9:30-10:30 a.m. Thursday’s Bible study, led by Elder Jack

Frost, is held from 10:30-11:30 a.m. Friday’s prayer and Bible study is from 6-7 p.m.

Scripture of the Week

“Because he has set his love upon me, therefore I will deliver him; I will set him on high, because he has known my name. he shall call upon me, and I will answer him; I will be with him in trouble; I will deliver him and honor him. With long life I will satisfy him and show him my salvation,” Psalm 91:14-16.

Y SERVICE CLUB

The end of an era: Service club votes to dissolve on July 14

By Maureen Habel
LW Contributor

President of the Y Service Club of Leisure World Dianne Hart reported that the club's board of directors voted unanimously to dissolve the long-standing organization on July 14. Despite recruitment efforts, the club has been unable to attract enough younger and able-bodied volunteers to carry out its mission. Although service clubs have long been recognized as a vital part of community life, participation in such activities has been steadily declining nationally.

Life Options Expo

The GRF Member Resources Department hosted the fifth annual Life Options Expo on July 29 in Veterans Plaza and Clubhouse 4. Residents could meet representatives from different organizations now available in Leisure World or in the Orange County area to help enhance their quality of life. The booths had information for the residents as well as games, prizes and take-home bags. Later in the day, residents attended presentations from Seal Beach police on fraud and scam awareness, senior food assistance programs from the OC Health Care Agency, and Alzheimer's and brain health by Alzheimer's OC organization. Residents were able to enjoy live music throughout the event from the LW Orchestra and the Velvetones jazz band. The Sunshine Club donated a basket that included a \$195 spa treatment package, which was raffled off during the City of Seal Beach Police Officer Bruno Balderrama's presentation. Joanie Jianto from Mutual 15 won the basket.

The Golden Age Foundation honored 13 office volunteers and seven phone volunteers who support the Leisure World Mobility Aids Program. The program, which operates Monday-Friday from 9-11 a.m., loans rollators, transport chairs, wheel chairs and front wheel walkers to Leisure World residents. Last year over 1,100 people were helped by these dedicated volunteers. People can visit the Mobility Aids office on the first floor in Clubhouse 6 to meet the volunteers in person or call (562) 431-9589.

HUMANIST ASSOCIATION

Robert Richert will speak on Sunday

The Leisure World Humanist Association will meet on Sunday, Aug. 7, in Clubhouse 3, Room 1, at 10:30 a.m. The speaker will be Robert Richert, artist, author and award winning toastmaster speaker.

Richert will speak about how most of the American public, and even many biology teachers, are unaware of the robust fossil evidence in support of the evolution of life on earth. Although defeated in the courts time after time, Creationists and supporters continue attempts to insert the belief into public schools. Today's conservative Supreme Court could upend these precedents, which would result in the undermining of quality science education. In his one-hour long PowerPoint speech, Richert will briefly address Creationist objections to the fossil evidence for evolution, and present numerous dramatic examples demonstrating the evolution of various animal life forms over a vast time period. He will show how small, deer-like and wolf-like animals gradually evolved into partially aquatic creatures similar to otters, and eventually into modern whales.

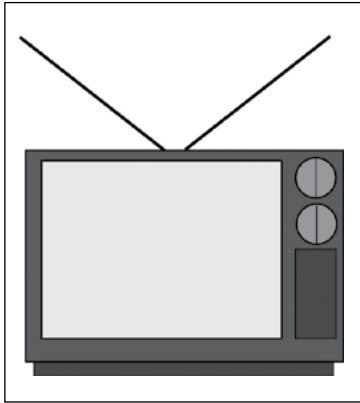

Richert is a dynamic speaker, and his visuals are always exciting. All are welcome to join.

The Republican Club hospitality and information booth will be open every Monday in Aug. from 11 a.m.-2 p.m. in the parking lot outside Clubhouse 6 near the gym.

The club meets every third Wednesday at 7 p.m. in Clubhouse 3, Room 2.

Paws, Claws and Beaks meeting will be held in the Clubhouse 1 picnic area on Thursday, Aug. 11, at noon. Members are asked to bring a side dish of eight servings. Dogs must be on leashes. The club accepts cash donations. LW residents who have pets are welcome to attend. RSVP to Bonnie Kaplan at (714) 930-5314.

SENIOR PEACE CLUB

Club changes meeting time, place

The Senior Peace Club has changed the day of its meetings to the first Thursday of the month in Clubhouse 3, Room 9. This was done to secure Room 9, which is larger with better air circulation than the previous meeting room. The next meeting will be on today, Aug. 4, at 2 p.m. in Clubhouse 3, Room 9.

The speaker will be Olaina Anderson of Moms Demand Action. She will discuss how people can get involved in bringing about sane gun laws to protect school children and everyone from rampant gun violence.

Anderson joined Moms Demand Action for Gun Sense in America when it was created after the 2012 shooting at Sandy Hook Elementary School. A former high school English and journalism teacher, she began her teaching career in 1999, the year after Columbine, and says she "always had a lesson plan and an escape plan." When Sandy Hook happened, Anderson was a stay-at-home mom to her two-year-old daughter, so school safety wasn't a daily personal concern. However, gun violence was still too close to home with the Salon Meritage (mass shooting in Seal Beach in 2011) shooter being caught just two blocks from her home. Those two events motivated her to join and eventually lead the Orange County Moms Demand Action local group.

Anderson currently lives in Seal Beach with her husband who is an emergency medicine physician and her daughter who attends middle school in Los Alamitos Unified School District, where she volunteers and serves on the PTA Board.

Moms Demand Action is a grassroots movement of "mothers and others" fighting for public safety measures that can protect people from gun violence in America. They take a multifaceted approach to gun violence prevention by passing common sense gun safety laws, electing gun sense candidates, working in communities and with business leaders to encourage a culture of responsible gun ownership, and educating the public about gun safety.

Wearing masks at the meeting is strongly encouraged.

Democratic Club

by Mary Larson
LW Contributor

During the Democratic Club's membership meeting, Mariann Klinger bookended her presentation on the history of patriarchy in America by quoting Congresswoman Liz Cheney, saying "Let it not be said that the dedication of those who love freedom is less than the dedication of those who would destroy it."

This now oft-repeated quote came from Cheney as she wrapped up the last in a series of live hearings investigating last year's attack on the U.S. Congress. She, in turn, was quoting Ronald Reagan's great ally, Margaret Thatcher.

Klinger followed the quote with a review of the history of patriarchal power in America, beginning with the founding fathers who left women out—along with everyone else who was not white, land-owning and male. After tracing the progress made in the 19th and 20th century, she went on to highlight a sampling of dangerous anti-feminist rhetoric.

As an example, Klinger

pointed out that a Supreme Court justice is quoted as recently saying that the constitution does not prohibit discrimination against women. In discussing the recent court decision overturning *Roe v. Wade*, she reported that Thomas Jefferson, John Marshall and Patrick Henry all viewed abortion as a private matter in a 1792 case.

In answer to her own question about what can be done, Klinger suggested club members should consider going door-to-door to get out more voters. She also urged the club to resume a voter-education program, this time for all Leisure World residents. Her third recommendation was to have members call all senators from all parties to press for movement on the Equal Rights Amendment. The 24/7 Capitol switchboard number is (202) 224-3121. Be ready to ask for the members of the Senate by name.

...

The LW Democratic Club's monthly club meetings are now scheduled for the fourth Wednesday of the month at 1 p.m. in Clubhouse 3, Room 9. The meetings will also be accessible

via Zoom. The goal is to provide an opportunity for all members to participate; those who feel comfortable meeting face-to-face indoors as well as for those who don't.

Weather permitting, the SBLW Democratic Club's Information and Hospitality Booth will be open in the parking lot outside Clubhouse 6 from 10:30 a.m.-12:30 p.m. every Tuesday through September. The booth will be open on both Tuesdays and Thursdays during October.

For more in-depth reporting about plans for the upcoming General Election, as well as information about the club's programs for the coming months, LW Democrats and no preferred party supporters can subscribe to the club's newsletter by emailing democraticclubsblw@gmail.com. People are asked to include their full name, address phone number, as well as party affiliation.

The Basic Rules of Sudoku:

- There is only one valid solution to each Sudoku puzzle. The only way the puzzle can be considered solved correctly is when all 81 boxes contain numbers and the other Sudoku rules have been followed.
- When you start a game of Sudoku, some blocks will be pre-filled for you. You cannot change these numbers in the course of the game.
- Each column must contain all of the numbers 1 through 9 and no two numbers in the same column of a Sudoku puzzle can be the same.
- Each row must contain all of the numbers 1 through 9 and no two numbers in the same row of a Sudoku puzzle can be the same.
- Each block must contain all of the numbers 1 through 9 and no two numbers in the same block of a Sudoku puzzle can be the same.

LWer completes 150 mile challenge

Leisure Legger Club President Tom Pontac recently completed a 150-mile virtual challenge.

Pontac continues to stay active in a sport that he dominated since his first marathon at the age of 42.

Despite being over 86 years old, a cancer survivor and living with Parkinson's Disease, he lives up to his motto that "Old age isn't for sissies."

Pontac invites all residents to join the Leisure Leggers walking club each Monday morning at 8 a.m. outside Clubhouse 6.

Because of its popularity and coupled with friendly competition the group now plays four days a week on Saturdays, Sundays, Tuesdays and Thursday.

Those who are interested in learning more about Bocce can visit the court to watch league play or ask questions.

Due to the heat, the Ballet Fitness Class will halt its workout classes at Veterans Plaza on Thursdays. The class will now be held on Saturday at 2:45 p.m. after the initial ballet class from 1:30-2:30 p.m. in Clubhouse 6.

Instructor Mel Lockett teaches traditional ballet steps and movements and Jojo Weingart leads the workout class, which includes calisthenics as well as stretches for flexibility and balance.

LWers must wear comfortable clothing and gym shoes. All are welcome to join the class.
