GRF BIDS A FOND FAREWELL

Finance Director Carolyn Miller to retire next month

By Ruth Osborn  
managing editor

GRF Director of Finance Carolyn Miller will retire Sept. 30 after almost 14 years of service to Leisure World, first as a senior accountant and then, at the helm of the department.

Her top priority has been to institute “best practice” systems, processes and controls to make the sometimes murky world of finance understandable to even the most mathematically challenged.

It’s behind-the-scenes work that can easily go unnoticed when all systems are at peak performance. Under her leadership, annual audits passed with flying colors, budgets for all GRF departments and Mutuals were skillfully managed; accounts were reconciled; efficiencies, such as direct debit for utility bills for the GRF and Mutuals, were instituted.

She has been a clear-eyed guide to ensure every area of expenditure and investment fit into the bigger picture of building a rock solid financial foundation for every LW resident.

“When I took my first accounting class in college, I knew accounting was my passion,” Miller said. “Thirty-six years later, accounting is still my passion.”

She takes her work very seriously. That’s not surprising since she is responsible for the entire financial domain of the Golden Rain

Advocates for Justice in Orange and Los Angeles Counties

This project is funded in part through a grant from the California Department of Aging, as allocated by the Orange County Board of Supervisors and administered by the Office on Aging.

The Seal Beach Police Department is seeking help identifying this man, who stole tools and a truck from the Service Maintenance Department in July.

SBPD CRIME REPORT

Police seek man who stole GRF vehicle

The Seal Beach Police Department is requesting the public's assistance in identifying the person responsible for committing a burglary and stealing a vehicle inside of the Leisure World community. On July 24 at about 5 a.m., an unknown male suspect entered the GRF Service Maintenance yard near 13533 Seal Beach Blvd. The suspect entered the workshop, loaded a cart full of tools and placed the tools into a white pickup truck. He then made off with the tools and truck. Days later, the Los Angeles County Sheriff's Department recovered the abandoned vehicle in the city of Carson. The tools are still missing. The suspect is described as a male Caucasian, approximately 40 years of age, about 6 feet tall, wearing a black t-shirt with graphics on the front, dark colored pants, white tennis shoes and black gloves. Anyone with information is asked to contact Detective Sgt. Chris Hendrix at (562) 799-4100, ext. 1112, or [chendrix@sealbeachca.gov](mailto:chendrix@sealbeachca.gov).

JOINT FORCES TRAINING

Fighter jets are training in Los Al

Leisure World residents can expect to hear thunderous noises through the next couple of months, authorities said. F-16 and F-15 fighter jets assigned to the 144th Fighter Wing Detachment 1 are conducting flying operations out of Joint Forces Training Base, Los Alamitos, through mid-October. Los Alamitos will be used for these flight operations while the runway at March Air Reserve Base in Riverside County undergoes construction. Two training flights per week are currently planned from Los Alamitos to maintain pilot proficiency and to meet pilot training requirements. Efforts will be made to reduce aircraft noise by following noise mitigation procedures during training operations. These include reduced engine thrust at altitudes below 1,000 feet and following a specific flight path. The base thanks local residents for their continued support to military operations within the area, and it will make every effort to be conscientious members of the community. For more information, contact the 144th Fighter Wing Public Affairs Office at (559) 454-5246 or via email at [144fw.hq.publicaffairs@us.af.mil](mailto:144fw.hq.publicaffairs@us.af.mil). For local noise concerns, contact the JFTB at (562) 795-2515.

The Orange County Mosquito and Vector Control District (OCMVCD) is reporting an elevated level of invasive Aedes mosquitoes and an increased risk of mosquito-borne disease in Orange County, specifically in area of Santa Ana. Aedes mosquitoes are black and white, non-native and aggressive day-biting mosquitoes that lay their eggs along the waterline of containers as small as a bottle cap. ment committee to save water in the wake of unprecedented drought in California.

Presidents' Council President Jeri Dolch of Mutual 8 represents LW on the committee.

The touring group was comprised of Dolch, Seal Beach Deputy Director of Public Works Iris Lee, two consultants from the environmental consulting firm of John L. Hunter Associates, City of Seal Beach arborist Joe Talarico and representatives from J&J Landscape, Total Landscape, Four Stars Landscape and Anguiano Lawn Care, among others.

After the tour, city officials provided guidelines specific to each Mutual as to what areas can be watered under California's Level 2 restrictions. The summary has now been circulated to the Mutuels and GRF.

General guidelines include the following:

- Irrigation has been turned off in areas with turf that is purely ornamental. These areas are mostly confined to building frontage and the ends of buildings without trees, and are noted on the guidelines, which include pictures of sites that can and cannot be watered.

- Trees will continue to be irrigated (e.g., hand water, water bags, sprinkler isolation techniques).

- Sprinklers have been adjusted to prevent irrigation runoff to hard surfaces.

- Landscapers have been instructed to shut off irrigation during—and at least 48 hours after—rainfall.

- Areas with turf that is functional will be irrigated. These areas include greenbelts with benches and shade trees, including green common areas and parkways in Mutuels 1, 7, 8, 9 and 16, among others.

- Plants and shrubs along building frontage will continue to be watered.

To save additional water, the city advises mulching trees to promote water absorption and tree health, instituting an adopt-a-tree program to water trees in each Mutual and ensuring hose nozzles are equipped with a positive shut-off devices.

There is a difference between residential property within Seal Beach and Leisure World. Per state guidelines, the Leisure World community's common areas are not classified as "residential" when it comes to water restrictions. Instead, Mutuels must abide by rules for common interest developments or HOAs.

Dolch noted that unlike single-family homeowners who are individually metered for water, LW has *one* meter for the entire community. LWers each pay his or her percentage of that bill based on a fraction of the total bill.

Rather than property deeds, LWers own stock in a particular Mutual.

With the stock certificate comes the right to live in the unit the person bought the stock from. For example, a Mutual 8 shareholder owns 1/348 of Mutual 8, she explained.

# PERSPECTIVES

## Letters to the Editor

**Editor:**  
GRF must recognize that some Leisure Worlders like to work out early because the gym opens at 6 a.m. during the weekdays. There are many of us who would like the pool to open earlier than 8:30. Ideally, the pool would open at the same time as the gym, but we are open to anything sooner than 8:30.  
A few reasons to open the pool early:

- We work; we have meetings; we have things to do during the day, and we want to get our swim workout in before our active day begins. By the time one does a workout starting 8:30, then showers, we've missed a lot of things.
- Many of us have sun sensitive skin. Opening the pool earlier would allow us to swim before the harmful rays of the sun become stronger, further damaging our skin.
- Currently the pool gets crowded and the lanes double up quickly. The LW pool lanes are six feet wide. The standard for most lap pool lanes is eight feet wide. And to make it even worse, the lanes near the walls are more challenging because there is a wall in the way.
- One would think that the

current crowded conditions are a clear indication that GRF needs to open the pool earlier than 8:30.  
If you want an earlier opening, please contact the Recreation Committee by email at [recreationcommittee@lwsb.com](mailto:recreationcommittee@lwsb.com) and attend the next Recreation Committee meeting at 1 p.m. on Aug. 31 in Conference Room B to tell members how you feel.

So, the Democrats in congress can pass a bill with billions in new spending and taxes against the wishes of the Republican Party, but it can't (read won't) pass gun control legislation. Interesting. So much for the argument that Republicans are the ones standing in the way of more gun control.

**Editor:**  
Regarding a letter concerning the offensive abortion flag (Aug. 11), there are two sentences in that letter I want to address. Abortion is not the death of a child. It is the termination of a pregnancy, a fetus, which is terminated for various reasons, including rape, incest,

accidental pregnancy or in some cases the life of the mother.  
The second sentence to be addressed makes the point for me when the writer stated that her mother *chose* not to terminate. Exactly!  
Those who don't believe in abortion should never have one, but don't force your views on the world because not everyone believes as you do. That is what makes America great. I do not believe that a raped 10-year-old should be forced to carry and have a rapist's baby when she herself is still a baby.  
Thank God my granddaughters live in a blue state. There are 22 red states now that are forcing women to have babies, no exception.  
So, yes, I agree that flag was offensive, and I am very glad I have not seen it lately.

**Editor:**  
My sincere thanks to both GRF Service Maintenance and Fenn Pest Control for their quick response to our call for help in thwarting an ant invasion.  
With their help, we can now claim another seasonal "victory" over these ever relentless,

creative and industrious foes.  
I just wanted to share that this resource is so readily available.

**Editor:**  
A letter defending a resident who apparently flies flags with messages that offend some residents (Aug. 11) described the man as a former U.S. Air Force vet of 29 years, an admirable length of service. The writer went on further to describe the "offender" as a member of the Republican Club and an admirable neighbor, all very well and good.  
These flags are apparently reminders of the theory that abortion means death to a "child." That is, of course, a personal opinion and very much open to interpretation and debate. So it is not surprising that some residents are very offended by this man's flying those flags. Nor is it surprising that the letter writer feels it is important to defend this activity, especially as the lat-

ter portion of her letter is a passionate defense of anti-abortion. Namely, her mother, some 89 years earlier, gave birth to the letter-writer despite being told that she would die if she chose to give birth. While I realize that a lot of progress has been made in medical practice over the past 89 years, it did strike me as odd that any doctor would say this without evidence. But despite any "evidence" to the contrary, her mother decided to carry her to birth. As she reported, her mother lived to be over 90 and delighted in her only child.  
All well and good, and I am glad her mother gave birth to the child she wanted, and that all turned out well.  
There is one fact that the letter-writer does not realize she defended: the woman's right to choose.  
I agree with that right and rest my case. It *is* the woman's right to choose, and no one else's business.

## MEN'S GOLF LEAGUE

### Two golfers sink hole in ones

The first Leisure World Men's Golf Club Tournament of the month was played on Aug. 10. Two groups of three flights of variously skilled golfers vied for best net scores, plus two circle holes (shots within a 5-foot radius are rewarded) and two closest to the pin challenges. The Turtle Lake Golf Course is a 1,658-yard, par 54 course that has challenges for all who play.

A total of 56 golfers teed off and played 18 holes. This week there were two Holes-In-One recorded, one by Yong J. Kim on hole No. 2 and one by Richard Jun on hole No. 13. Overall, only 25 of the golfers were net at or under par, with just seven circle holes and remarkably 53 birdies. Closest to the pin on hole No. 6 was Andrew Kim, and Richard Jun on hole No. 15.

All golfers are responsible for their tee box and divots and ball marks on the greens. Golfers are asked to repair their own divots, plus one more.

All scores are net (gross minus handicap). A Flight handicaps are 0-6, B Flight handicaps are 7-10, and C Flight handicaps are 12-18.

**A Flight:** First place: four-way tie between Joltin John Kolthoff, Pat Paternoster, Steve Walker and Richard Jun, a hard earned 2 under 52; second: tie between Glen Barry and Young Lee, a nice 1 under 53; third: three-way tie between Dong Kim, Mike Mayfield, and Gene Archambault, a well-played even par 54.

**B Flight:** First place: Bruce Bowles, a terrific 6 under 48; second: Jong Lee, an excellent 3 under 51; third: three-way tie between Dale Williamson, Bill Long and Bob Johnston, a nice 2 under 52; fourth: tie between Walt Bier and Trai Nguyen, a marvelous 1 under

**GOLF LEAGUE**

Course in Huntington Beach. The weather was initially overcast and very humid. For the first seven holes all the greens were very wet and putting was erratic. By mid-round, the sun came out making it a hot last half of the round with a rising wind that impacted play on the last three holes.

The course is still being maintained quite nicely with well-manicured fairways and greens. Considering the very satisfactory playing conditions it was surprising that the course only permitted two of the 11 rounds to be at or under par and but yielded four birdies.

**A Flight:** First place: Gary Stivers, a very nice 7 under 63 plus 2 birdies; second: Jim Goltra, a well-played 1 under 69; third: Sam Choi; fourth: Dave LaCascia, plus closest to the pin on both the par 3 140-yard seventh and sixteenth holes.

**B Flight:** First place: a three-way tie between Bob Munn, Lowell Goltra, and Digna Vesely, a hard-earned 2 over 72; second: Gene Vesely, third: Fujio Norihiro, plus fewest putts; fourth: Liz Meripol, with a birdie; fifth: Tom Ross.

he Monday and Friday Golf Leagues play at four local courses, all within 15–20 minutes of Leisure World. The courses are often full, so advance reservations are available via a sign-up sheet at each round.

There is a prize pool for each round that players are not obligated to enter.

Rewards are given for low net and fewest putts in each flight, birdies and closest to the pin on two par-3 holes. Holes-in-one and eagles (2 under par), although infrequent, are generously rewarded.

Those interested in joining the league can contact Gary Stivers at (714) 313-3697 or Dave LaCascia at (801) 674-5975.

Democratic Club

by Mary Larson  
LW Contributor

All Leisure World residents, regardless of political affiliation, are invited to attend a special gathering on Friday, Sept. 2, in Clubhouse 4 at 9:30 a.m. The event is being jointly sponsored by the Social Security Works organization and the LW Democratic Club.

The event will feature:

- Entertainment by Jon “Bowzer” Bauman, who is best known as being a member of the popular Sha Na Na band during the 1970s and 80s.
- A report by Social Security Works on what to anticipate in relationship to the future of Social Security.
- A presentation of an award by Social Security Works to Congresswoman Katie Porter, who has been named the Social Security Champion of 2022.

The LW Democratic Club will hold its second hybrid membership meeting on Wednesday, Aug. 24, at 1 p.m. in Clubhouse 3, Room 9. In order to provide an opportunity for all to participate, the meeting will also be accessible via Zoom. All Leisure World Democrats and supporters are encouraged to join. Those attending the in-person meeting are asked to wear masks.

The featured speaker for the meeting will be Judie Mancuso, the Democratic Party endorsed

candidate for election to the California Assembly in the 72nd District.

Mancuso has been named one of the most influential people in Orange County by the OC Register. She is the vice chair of the Laguna Beach Environmental and Sustainability Committee as well as the founder and president of Social Compassion in Legislation. She also received the most votes in this year’s June Primary Election.

In the upcoming General Election, Mancuso will run against Republican Diane Dixon, who lost her bid for the Assembly against Cottie Petrie-Norris in 2020. Mancuso has been endorsed by a wide array of community leaders and organizations in Orange County and across the state, including Porter.

In her endorsement, Porter stated, “Judie Mancuso is a champion who has stood up to the special interests and will be a tireless fighter for our community. In the Assembly, she will continue being a voice for the voiceless and I am proud to endorse her.”

Information on how to join the meeting via Zoom can be found in the club’s Aug. 15 newsletter or by emailing [lwsbdemocraticclub@gmail.com](mailto:lwsbdemocraticclub@gmail.com).

Republican Club

by Brian Harmon  
LW contributor

At a planning meeting on Aug. 9, LW Republican Club volunteers discussed which issues would be the most effective in this year’s political campaign. The consensus was that voters are more interested in issues that affect families, rather than foreign policy. The issues discussed at the meeting included:

- Fears of inflation and recession
- Public safety or law and order
- Family values
- Schools

Club President David Harlow shared information from the Bureau of Labor Statistics and the Federal Reserve Bank on how rapidly inflation rates have increased since President Biden has been in office, even before the war in Ukraine.

Harlow also shared data on how the economy has been declining during the past two quarters. This was formerly the definition of a recession, but the present definition requires that all major sectors of the economy be affected. “So, technically we are not in a recession, yet,” Harlow said.

The club’s endorsed candidate for Seal Beach City Council, Nathan Steele, shared the latest Gallup Poll showing the confidence that Americans have in 16 of the country’s major institutions.

Gallup listed the public’s confidence level in 2022 as “% Great deal/Quite a lot.” The highest rated institutions are, in descending order: small business (68%), the military (64%), the police (45%), the medical system (38%), and the church or organized religion (31%).

Members of the Republican Club can take comfort that these five institutions are among the most highly regarded by Republicans, and vice versa.

The lowest scoring institutions were Congress (7%), television news (11%), big business (14%), the criminal justice system (14%), and newspapers (16%). Faith in the presidency fell 6 points to 23% between July 2021 and July 2022.

The Gallup Poll was founded in 1935 and is the oldest polling and analytics organization in the U.S.

Steele is the president of The Steele Agency, which works with Christian stations in North America and Cameroon, Africa.

Steele began his career in the stock brokerage business in Chicago, working with boutique brokerages firms before becoming a member of the Chicago Board Options Exchange.

In the early 90s, he transitioned to training others in the skills needed to be option traders, working in Madrid, Spain, as the Spanish Options market was beginning.

In 1993, Steele joined Holden International, a global training and consulting firm specializing in Strategic Planning and the application of strategy to business, marketing, and sales campaigns. Through those years, he worked with several Fortune 500 companies like EDS, IBM, Accenture and Microsoft’s OEM division on a global scale.

Steel was a conference speaker at international conferences in the U.S., Canada, Mexico, Spain, Turkey, South Africa and other countries. He speaks fluent Spanish and is the author of “Strategic Clarity: The Essentials of High-Level Selling.” He lives in Seal Beach with his wife, Patty Steele.

## Shuffleboard Club

Seventeen members of the LW Shuffleboard Club met on Aug. 10 and unanimously voted to add an Evening Shuffleboard League. Evening league games will begin in October and play four consecutive weeks. Two teams are needed with at least six members for each team.

League participants must

live in Leisure World and be members of the LW Shuffleboard Club. The annual dues of the club are \$5, due no later than Sept. 16.

Everyone is invited to attend the Friday night shuffleboard open house on Friday, Aug. 26 and Friday, Sept. 16 to learn more about the game, the club, and shuffleboard courts. People can also stop by the courts building (behind Clubhouse 1) on Mondays and Wednesdays from 9-11 a.m.

Everyone interested in playing shuffleboard can contact Kay Mount at (775) 527-0426 or email [kaymount@hotmail.com](mailto:kaymount@hotmail.com).

**Life Beyond Life: Scriptures and Meditations on the Afterlife** by Robert Vroon

If you have ever wondered if there is life after death and what it'll be like, Robert Vroon explores this intriguing subject in his new book "Life Beyond Life: Scriptures and Meditations on the Afterlife," available on [amazon.com](https://www.amazon.com) and [barnesandnoble.com](https://www.barnesandnoble.com).

Six short chapters with study guide questions present an interesting consideration of what the Bible has to say about the life and resurrection of Jesus and how that affects people's life now and in the future.

Vroon's book is a concise, powerful and compelling read.

## LW Poetry

This feature showcases original poems by members of the Creative Writers Club of Leisure World and other GRF members.

### Lonely Heart

Poets attribute way too much to the lonely heart.  
Holding romance in abeyance  
Registering hurt, love and pain.  
Striking when least expected  
Shifting the focus when they wish.

Sometimes the heart develops an attitude  
And cannibalizes itself.  
Leaving the host bereft and empty.  
And the heart lonely.

Poets wants sometimes become their needs.  
Sometimes they listen and other times not at all.  
There are times the heart remains mute and the heart remains lonely.

# RELIGION

The Missions Team is sponsoring another drive-through food drive on Wednesday, Aug. 24, from 10 a.m.-noon. A Missions Team member will collect items from people's cars. Food donations may also be dropped off at the church office Monday-Wednesday from 9:30 a.m.-1:30 p.m. Proceeds will benefit the Long Beach Rescue Mission.

## Community Church

One of the first commandments discusses remembering and keeping the Sabbath holy. Jesus, appears to have other ideas in the passage from Luke's Gospel, which leaves Community Church to ask, how do believers create balance in their personal lives?

Many people have spent lifetimes seeking balance instead of doing the work to craft the necessary balance to thrive. Those who find themselves exhausted and frustrated amidst

the pandemic and maybe even out of balance are welcome to join the service on Sunday at 9:50 a.m. to learn more.

Community Church is often called "the friendly church" and welcomes people of all backgrounds. It invites new people to come early for a cup of coffee before worship to get a feel for the community and stay for award-winning music and a powerful message.

Due to COVID cases rising, people who want to attend the

in-person worship service must provide proof of vaccination but masking is optional. The church also offers online services for those who do not want to risk exposure.

Entrances to the church may be found both at the front of the church and the pedestrian gate between the church and the shops.

Those who are in need without another way to address it can call the church office line at (562) 431-2503.

## First Christian Church

First Christian Church of Leisure World teaches from God's word, the Holy Bible, most often verse by verse. It is a friendly church that welcomes all visitors. People are welcome to worship and explore God's word together "that we may be mutually encouraged by each other's faith, both yours and mine" (Romans 1:12).

**Message From the Pastor**

Pastor Bruce Humes will begin an exciting new series of teachings on the book of Genesis this week.

The first verse of Genesis is the foundation for the Christian faith. If this first statement is not true, then neither is the rest of the Bible. If it is true, then people will have no trouble believing the rest of the Bible from Genesis 1:2 through Revelation 22:21. For those of the Christian faith the truth of God's salvation plan for mankind through his son, Jesus Christ, is revealed from

cover to cover.

The first verse in God's word says that heaven and earth had a beginning, it was created, it was brought into existence by God.

Christians understand that God existed in eternity's past, that he is eternally existent and that which he created was out of nothing. God's creation was recent, meaning thousands of years ago, not millions.

Hebrews 11:3 says "By faith we understand that the worlds were framed by the word of God, so that the things which are seen were not made of things which are visible."

This series is an opportunity to explore and discover the things God, from the beginning, has in store for a walk of faith.

**Weekend Services**

Sunday services from 9:30-10:45 a.m. are traditional, with hymnal music led by Pat Kogak at the piano.

This week, Iris Muncie will

sing from a special collection.

Saturday services are more contemporary with Gregory Black leading in worship with guitar accompaniment. The Saturday service is held from 9:30-10:45 a.m.

**Midweek Studies**

Pastor Gary Whitlach leads the Bible study held on Tuesdays from 9:30-10:30 a.m.

Thursday's Bible study, led by Elder Jack Frost, is held from 10:30-11:30 a.m.

Friday's prayer and Bible study is from 6-7 p.m.

**Scripture of the Week**

"Come and hear, all who revere God, And I will tell of what He has done for my soul," Psalm 66:16 (NASB).

**Contact**

Primary classes for children are held every Sunday during the second

hour. Members who are unable to attend Sacrament services in person can request a link from Bishop Mike Gravley at (562) 212-8681.

The course of study is the Old Testament. Personal reading should be those chapters in Psalms not covered in this study. The reading for the week of Aug. 22 covers Psalms Chapters 102-103, 110, 116-119, 127-128,

135-139 and 146-150.

The book "Come, Follow Me," says "The traditional Jewish name for the book of Psalms is a Hebrew word that means 'praises.' That word, Tehillim, is also related to the exclamation 'hallelujah' (meaning 'praise the Lord'). If there was one word to sum up the main message of Psalms, 'praise' would be a good choice."

## Assembly of God

**Service/Gathering Times:** Sunday morning at 10:30 in Clubhouse 3, Room 2; Wednesday morning Bible study at 10 in Clubhouse 3, Room 2; the Hymn Sing on the fourth Sunday of the month in the Clubhouse 3 Lobby at 6 p.m.

**Sermon for this week:** Toy and Ginnette Doudy, good friends and missionaries in Lima, Peru, will be the guest speakers on Sunday, Aug. 21. Having returned recently to the United States, they will share what God is doing in Peru. LW Assembly of God has prayed for them and partnered with them financially during the pandemic years and beyond. The two will share about the faithfulness of God, who is neither unaware nor unable to act in times of world crisis.

**Bible Study:** Pastor Chuck Franco will introduce a new series titled "Whisper," by Mark Batterson. Sometimes the best way to get someone's attention is to whisper. When there are many voices screaming for attention, it might seem as if God's voice is drowned out. However, those listening for his voice will hear him. This study trains the spiritual ear to hear God speaking. A short teaching video clip is followed by a focused discussion and student participation.

**Contact:** More information can be found at [www.lwassemblyofgod.com](http://www.lwassemblyofgod.com). Those who would like prayer, personal contact from a pastor or a DVD of the Sunday morning sermon can contact pastors Chuck and Sheryl Franco by calling (562) 357-4360 or emailing [pastorchuck@lwassemblyofgod.com](mailto:pastorchuck@lwassemblyofgod.com). Carolyn van Aalst is also available to receive prayer requests at (562) 343-8424.

Pastor Chuck Franco's sermons can be accessed on the Faithlife app under "Leisure World Assembly of God," where people can also give online.

## Beit HaLev

The High Holy Days will arrive in a little more than a month. Rabbi-Cantor Galit-Shirah is preparing to conduct in-person services this year. COVID-19 has prevented Beit HaLev from being able to have services regularly, but it plans to start this year, God willing. There is no charge to attend, but donations are welcome and needed. The High Holy Day schedule will be announced soon.

Beit HaLev conducts Livestream services on [Facebook.com/galityomtov](https://www.facebook.com/galityomtov), [YouTube.com](https://www.youtube.com/channel/UC...) (Beit HaLev LIVE! Channel) and Zoom.

Livestream services for the Friday Shabbat evening and Saturday morning service can be found at <https://us02web.zoom.us/j/9152434704>. The meeting ID is 915 243 4704, and the passcode is RavGalit.

The Third Triennial Cycle reading of "Eikev," Deuteronomy 10:12-11:25, continues Moses' last address to the Israelites, calling for them to revere, obey, love and worship the all powerful. The period between Tisha B'Av and Rosh Hashanah, the five weeks, is a period of reflection for all Jewish people to look inwardly and identify where they erred during the past year in preparation for the Day of Judgment. The Parsha ends with the assurance that if people follow the Commandments, they will always be protected by HaShem.

All Beit HaLev services use special prayerbooks, "Lev L'Lev," which include excerpts from the Reform Siddur, "Mishkan HaT'filah." Printed versions of the prayerbooks will be available for sale at in-person services.

Beit HaLev and Rabbi Galit-Shirah are part of the Union of Jewish Universalist Clergy and Communities. It is progressive in thought and traditional in liturgy. Everyone who seeks a path to the Divine is welcome, and Beit Halev doesn't believe in labels.

To request a membership form, call Rabbi Galit-Shirah at (562) 715-0888 or email [duets@icloud.com](mailto:duets@icloud.com). Contributions to Beit HaLev are welcome and can be sent to Beit HaLev, P.O. Box 2279, Seal Beach, CA 90740.

## Faith Christian Assembly

This Sunday Faith Christian Assembly is excited to have Pastor Sheri and Gary Leming back in the pulpit. The two are returning home after a trip abroad. During their travels, Pastor Sheri served as the keynote speaker at this year's Grace International Dream Big Women's Conference held at Faith Centre Ministries International in Malvern, Durban, South Africa. There were 400 women in attendance at the conference, and afterward Pastor Sheri and Gary prayed with over 200 women. She also spoke at the church's three Sunday services.

The church looks forward to hearing another powerful message from Pastor Sheri on Sunday, and anticipates both pastors sharing about their time away.

"And how shall they preach unless they are sent? As it is written: 'How beautiful are the feet of those who preach the gospel of peace, who bring glad tidings of good things,'" Romans 10:15 (NKJV).

Faith Christian Assembly thanks the two amazing speakers who spoke at the Sunday services, Pastor Gwyn Vaughn and Pastor

Curt Cornelius during the Leming’s absence. Both are beloved, powerful men of God who never fail to bring inspiring messages.

Faith Christian Assembly holds Sunday services at 10:30 a.m. and 5:30 p.m., with pre-service prayer in the Garden Room at 5 p.m. each week. The Bible study is back to its regular schedule starting Wednesday, Aug. 24, at 11 a.m.

To receive a free newsletter and more information, contact the church by calling (562) 598-9010, emailing [contact@fcachurch.net](mailto:contact@fcachurch.net), or visiting the website at [www.FCAchurch.net](http://www.FCAchurch.net). The church is located at 13820 Seal Beach Boulevard. The church office is open Tuesday-Friday.

## Congregation Sholom

Congregation Sholom will hold services on Friday, Aug. 19, via Zoom with Rabbi Eric Dangott at 6:30 p.m. Rabbi Mike Mymon will lead hybrid services on Saturday, Aug. 20, in Clubhouse 3, Room 9, and via Zoom at 10 a.m.

To receive a Zoom invitation, call or text Jeff Sacks at (714) 642-0122.

This Saturday’s Torah portion is Eikev from the book of Deuteronomy. In Eikev (“As a Result”), Moses recounts events that happened in the desert, including the manna, the golden calf and Aaron’s death. Moses describes the blessings God will bestow upon the Israelites if they follow God’s law and the punishments they will encounter if they disobey.

Those who want to join Congregation Sholom should call Howard Brass at (714) 396-0121 for a membership packet.

## Redeemer Lutheran

“Living Freely by Worshiping Always” is the theme for Redeemer Lutheran Church’s Sunday service on Aug. 21. The lessons from the book of Hebrew’s and Gospel of Luke encourages all believers to live freely by making all personal actions into acts of worship.

Redeemer Lutheran looks forward to sharing the peace of Christ as the church gathers to celebrate God’s gift of faith at the Communion service beginning at 10:30 a.m. in the sanctuary at 13564 St. Andrews Drive, across from the Administration building where ample parking is provided.

Residents will be greeted at the door by church ushers and the organist and choir will lift spirits with songs of praise. Redeemer Lutheran thanks those who brought a can of non-perishable food to be distributed to those in need.

Those who have questions about the service or the work of the church can call the church office at (562) 598-8697.

## LW Baptist

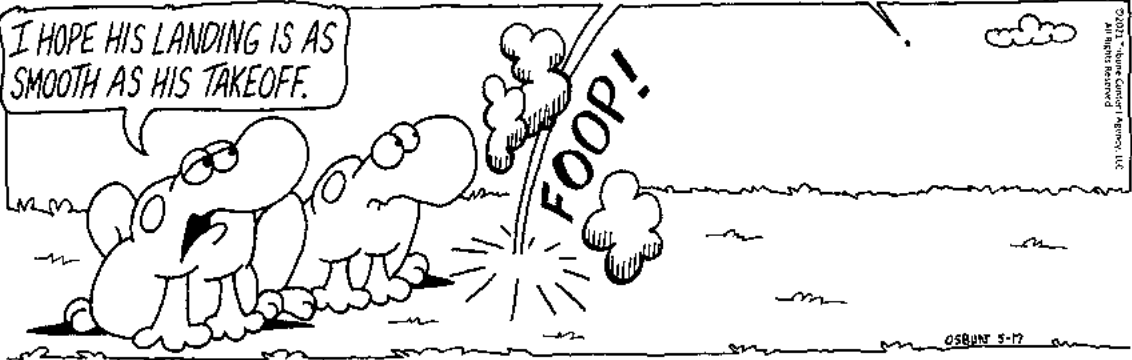

The LW Baptist Church choir will sing “I Sing Praises to Your Name, O Lord” at the Sunday morning worship service at 10 a.m. The song echoes the testimony of church growth in Macedonia in the first century, outlined in Acts 16.

The Christian Women’s Bible Study group meets on Monday, Aug. 22, at 10 a.m. in Clubhouse 3, Room 6, for fellowship and spiritual encouragement. After the choir rehearsal on Wednesday, Aug. 24, the Energizers group will meet at 3 p.m. to discuss the truth that the Lord is a believer’s strength and shield. As David says in Psalm 28, “My heart trusts in him and I am helped.”

For more information about the church and its meetings, call (562) 430-8598.

The Basic Rules of Sudoku:

- There is only one valid solution to each Sudoku puzzle. The only way the puzzle can be considered solved correctly is when all 81 boxes contain numbers and the other Sudoku rules have been followed.
- When you start a game of Sudoku, some blocks will be pre-filled for you. You cannot change these numbers in the course of the game.
- Each column must contain all of the numbers 1 through 9 and no two numbers in the same column of a Sudoku puzzle can be the same.
- Each row must contain all of the numbers 1 through 9 and no two numbers in the same row of a Sudoku puzzle can be the same.
- Each block must contain all of the numbers 1 through 9 and no two numbers in the same block of a Sudoku puzzle can be the same.

“The District is urging residents to take the necessary precautions to reduce mosquito breeding and to avoid bites from these aggressive ankle-biters. Residents must do their part to check yards regularly and eliminate standing water and water-holding containers” said Lora Young, assistant district manager.

Residents should also take these precautions to reduce the chances of being bitten by mosquitoes:

- Dump and drain any containers filled with water at least once a week.
  - Clean and scrub bird baths and pet water bowls weekly.
  - Dump water from potted plant saucers.
  - Avoid transporting or sharing plant clippings rooted in water.
  - Drill holes or puncture containers to eliminate standing water.
- To prevent mosquito bites, OCMVCD offers the following tips:
- Apply mosquito repellent to exposed skin before going outdoors; reapply as recommended.
  - Wear repellent containing DEET, Picaridin, IR3535, or oil of lemon eucalyptus.
  - Close all unscreened doors and windows to prevent mosquitoes from entering the home or space; repair broken or damaged screens
  - Wear long-sleeved shirts and long pants and opt for lighter-colored clothing.
- Sign up for VIP District email notifications at [ocvector.org](http://ocvector.org).

Alzheimer’s OC Memory Screenings

Alzheimer’s Orange County will be in Leisure World offering free, confidential cognitive screenings using the Montreal Cognitive Assessment Tool (MoCA) from 8:30 a.m.-4:30 p.m. on Saturday,

Aug. 27 by appointment only. To make an appointment, call (844) 373-4400.

The screening is a 30-question test that takes approximately 15 minutes, though each appointment is allotted 30 minutes

to allow time for questions and concerns to be acknowledged and to make sure no one leaves confused about the results and that they have a plan to move forward, if applicable.

This test does not give a di-

agnosis as it will indicate only if there is a cause for concern.

Alzheimer’s OC will provide results and guidance on steps to consider, and it will follow up if given permission to do so.

## RETIRE

### from page 1

Foundation, including treasury and accounting functions, banking policies, receipt and disbursements of funds, all fiscal and accounting matters, reporting procedures and overall financial controls.

The work demands painstaking consideration and application, but, like she said, it's a passion—not a burden—for her.

When she started as finance director, "people perceived me as being too serious," she said. "I was learning the position, and it required concentration, but I do have a fun side."

So she asked her hairdresser to put a blue streak in her hair, and that streak is there to this day.

It's her signature, memorable when you meet her. It's a whimsical contrast to the stereotypical image of boring, math nerd accountant, which Miller is definitely not.

Fun as she is, she's definitely an accountant to the core. In 2011, she passed the CPA exam, the pinnacle credential in her field. Industry experts consider the exam to be one of the most rigorous of all for obtaining professional credentials.

The national pass rate is approximately 1 in 2, so that means 50% fail the test, which covers a vast amount of information. Miller received the certification after two years of preparation.

She came to LW in 2009, ready to make a career move after 14 years working in the financial institution industry.

The GRF's senior accountant position was just what she was looking for—the perfect size company in the perfect location with the added benefit of serving people.

"Thirteen years later, I am still enjoying my career at the Golden Rain Foundation," she said, adding that she's somewhat ambivalent about retiring. But she has been mentally preparing for it for several years.

"It was my intention to retire earlier. However, the change in upper management in December 2021 deferred my decision, as the timing was no longer right," Miller said. She is referring to the resignation of Randy Ankeny, former GRF executive director.

"Carolyn told me she delayed her retirement due to Mr. Ankeny's abrupt resignation," said GRF Director Susan Hopewell, who was presiding over the GRF Board at the time. "She did not want to add further stress and concern to the GRF management team nor to the community. This is just one of many examples of her dedication and commitment to her GRF team members and to LW community members."

"I am forever grateful for her selfless decision to stay on and be part of the interim management team while we searched for a new executive director," Hopewell continued.

Miller helped with the interview process to fill the LW's top spot, and she believes the right candidate was selected at the end of an exhaustive six-month

search.

"I completely support the GRF Board's selection of Jessica Sedgwick as our new executive director. She will instill great things in the community. Although I would have enjoyed staying on to be a part of the new beginnings that Jessica is bringing, the timing of my retirement is a perfect transition."

Miller gave Sedgwick a 90-day notice, so Sedgwick would have time to recruit a successor whom Miller can mentor before she retires.

"I look forward to my retirement but know that there is a downside as well. I will miss the team members and board members I have worked with."

And colleagues, friends and directors will miss her as well.

"It did not surprise me to learn that Carolyn is a marathon runner, as she has long demonstrated that same determination and perseverance supporting our community," said GRF Director Janet Isom. "As the GRF treasurer last year, I relied on her guidance and wisdom. Carolyn patiently offered knowledgeable answers to my questions and ensured I had the supporting documentation to perform my corporate duties. She has been an incredible asset to GRF, the Mutual boards and the shareholders. She will be greatly missed. May she live long and prosper in retirement."

Current GRF Treasurer Phil Friedman agrees: "As treasurer, and a Mutual CFO, I have had the opportunity work closely with Carolyn for over two years. She is the absolute definition of a loyal, hardworking, dedicated and, most importantly, an extremely competent individual. She is very much appreciated and will be very much missed!"

Miller also has the respect of her colleagues.

"Carolyn was outstanding at her position," said GRF Facilities Director Mark Weaver. "We didn't always see everything eye to eye, but we respected each other's opinions and always worked things out. I will always remember Carolyn as a good, honest person."

GRF Human Resources Director LeAnn Dillman added: "Carolyn has been an integral part of GRF and the community. Her expertise and willingness to teach and share information will truly be missed. I have had the pleasure of working with Carolyn, and I'm sure I am not alone in wishing her a very happy and much-deserved retirement. Cheers to her next chapter."

Miller is looking forward to spending more time with her 3-year-old German Shepherd Savie and getting to eat dinner before 9 p.m. She wants to hike and "do outdoorsy stuff." She also plans to hang out more with friends, and cook and bake.

This new beginning brings a bittersweet ending: "I will truly miss my second home. Thank you, Leisure World, for entrusting me to safeguard the community's assets. Thank you, Golden Rain Foundation, for

giving me the opportunity to fulfill my career dream," Miller said. In reaching that dream, she leaves a legacy of goodwill.

Perhaps Hopewell summed it up best: "I feel privileged to have worked with her during my seven years as a GRF director, most especially the last two years as GRF president. I wish her health, happiness and many fun adventures in her well-deserved retirement."

## COLUMN

### from page 4

for time. One word for time is kairos. Kairos indicates a season, often an opportune or seasonable time, a point of time that is the "right" time.

The recent pandemic has brought home the point that this is what the golden years should be for all of us. It can be a "right time" to set things right. Many of us have been treated unfairly, unjustly and even downright nasty. Sometimes it seems like bad days are a part of life. We can choose to look back over times when we misspent our life and ruminate bitterly on the mistakes we experienced.

Or we can choose another path. It's time to forgive (to let go of) the mean things that were said or done to us, or that we said and did to others.

I recently had a wonderful phone conversation with my ex-husband.

He called me as a result of a letter that I sent him. In the letter, I thanked him for being a good husband (supported me in achieving a Ph.D. in psychology) and a good step-father to my two children, despite the fact that he wanted a divorce after 10 years of marriage.

He said that he had recently thought of me and how our marriage ended quickly and he, too, didn't take the time to thank me for the years, that I was a good companion and a good step-mother to his daughter. My wanting to acknowledge the positive in our marriage resulted in a sense of sweet closure with fond memories.

Now is the time to acquire the knowledge of how to live: to live in kindness, having rewarding relationships, being reasonably healthy and in service to our community.

The golden years can be full of pleasure and purpose if one makes a commitment to that. The gift of retirement is that we have time—time to smile, time to say hello, time to do a good deed, time to visit friends and neighbors, and time to relax and read great books and listen to music.

It is a time to enjoy your grandchildren, nature, birds and even the rabbits and squirrels. Most importantly, it is time to be a peacemaker.

My husband, Tom, and I are taking the time we have left seriously.

Time is not dribbling through our fingers.

Perhaps our motto in Leisure World and in life might be "the older the fiddle, the sweeter the tune."
