QUESTIONS ABOUT GRF ELECTIONS?

Page 6

GRF ELECTIONS

All members to receive ballot on bylaws change

Every Leisure World residence will receive a ballot this GRF election cycle asking for a vote on a GRF bylaw amendment to ensure that only members of a Mutual can vote on their Mutual's GRF representative.

The bylaw amendment ballots will be mailed to GRF members in even-numbered Mutuals around May 5.

Ballots for residences in Mutuals 1, 3, 5, 7, 9, 11, 15 and 17, who are selecting GRF representatives this election cycle, will include the bylaws amendment provision.

A vote ratifying the bylaws change would assure that each Mutual's GRF representative is selected only by that Mutual's members.

Currently, Article III (9)(a) implies that the annual GRF elections are at large, meaning that a quorum of votes of the entire GRF membership is required, rather than a subset from a specific Mutual.

As the bylaw now stands, it might be possible for LW voters to overwhelm the choice of the 60 Mutual 16 voters' choice for their Mutual's GRF representative, for example.

The bylaws proposal also asks GRF members to amend articles suggesting that only men can be GRF directors or serve as a GRF board directors. The bylaws were written in 1962, hence the need for updated language.

Member participation is particularly important because 2,203 members must return ballots for the bylaw measures to be passed. For more information on the bylaw changes or the ballot process, call Election Specialist Ripa Barua at 562-431-6586, ext. 329.

GRF BOARD HIGHLIGHTS

GRF BROADENS SAFETY STUDY

The GRF Board voted March 28 to broaden a traffic engineering study of the intersection of Golden Rain Road and St. Andrews Drive. The goal of the study is to beef up safety measures.

GRF Board considers signs, safety and fees

by Ruth Osborn
rutho@lwsb.com

Despite an unusually long parade of residents who took to the podium during the public comment period, the GRF Board concluded its monthly business meeting March 28 in record time, well before lunch.

At the start of the meeting, 18 speakers filed to the microphone, with the majority opposing a proposed policy change that would charge clubs for complicated meeting set-ups, among other slight changes.

The proposed policy stipulates that club and group set-ups that take longer than 30 minutes will be charged at the custodial hourly rate.

Most LW clubs will not be affected as a normal set-up, which generally takes 30 minutes or less, remains free of charge. Set-ups requiring more than a half-hour of custodial help would be charged. The cost is about \$15 for the extra half hour.

Opposing the fee were representatives from a host of LW clubs, including Community Karaoke, Filipino Association of LW, golf clubs, Saturday Morning Dance and the Theater Club, among others.

"We were told amenities would be free once we paid the member fee," said Kathy Engelhardt of Mutual 2. "It seems like double taxation," agreed Mary Gray of Mutual 15.

No board action was taken because the policy revision is still in the 28-day review period. That is the time allotted to residents to comment on proposed changes before the final vote. All proposed changes to GRF policies are printed in LW Weekly Government section for resident review and comment. Residents can make their views known at a GRF Board meeting during the public comment period or by emailing letters to tiam@lwsb.com.

GRF ARTS & CRAFTS

Spring festival features handmade creations by talented LWers

The first GRF Spring Arts and Crafts Festival will be held in Clubhouse 2 on Friday, April 14, from 9 a.m.-2 p.m. and Saturday, April 15, from 9 a.m.-noon. This event was added to the calendar due to the popularity of fall festival, and the public is invited.

Resident artisans will sell all manner of handmade crafts, including textiles, home decor, ceramics, lapidary, jewelry, ornaments, stained glass, prints, paintings and much more. The popular two-day festival draws hundreds of people and features dozens of LW artisans.

The Arts & Crafts Festival is held for the purpose of encouraging the creative talents of GRF members.

Participants must adhere to GRF policy guidelines that state items for sale must have been made by the shareholder/member.

No manufactured articles may be sold. Sellers must live in Leisure World and be a GRF member to qualify as an exhibitor at the festival.

These LW artists sold whimsical painted rocks in the fall.

The Korean American Association held a fundraiser March 30 for survivors of the Turkey-Syria Earthquake in which 50,096 people died and 107,204 were injured across 11 provinces of Turkey. At least 15.73 million people and 4 million buildings were impacted. The event included a performance by the Joyful Line Dancers (above), among other entertainers. SBPD Active Shooter Drill

The Seal Beach Police Department along with the Orange County Fire Authority will conduct an active shooter response training exercise at the McGaugh Elementary School campus on Thursday, April 13, from about 8 a.m.-5 p.m. The goal of this training is to help prepare police officers and fire authority personnel for a critical event on the campus. During this training exercise, the community may hear screaming or yelling, simulated gunfire sounds, exercise alerts over the amplified voice system, and sirens around McGaugh Elementary School. Emergency response vehicles and first responders will respond accordingly for this exercise. The McGaugh Elementary School campus will be closed during this event. As this event falls during spring break, no students will be on campus. Signage will be posted notifying the public of the training exercise. For additional information, visit the Seal Beach Police Department on social media [@sealbeachpolice](https://www.instagram.com/sealbeachpolice).

Also covered were recommendations for “OK” and “Help” signs that people could put in windows to aid emergency responders in assessing the situation after a disaster.

CERT’s next monthly meeting will be held on Friday, April 28, in Clubhouse 3, Room 9, at 10 a.m. The discussion topic will be “Teambuilding: Understanding Personality Types in a Disaster.” Everyone is welcome.

PERSPECTIVES

Letter to the Editor

Editor:
After reading the survey in the LW Weekly (March 30), I, for one, do not think it is a good idea. We have a perfectly good shopping center right across the bridge. We also have have a Dollar Tree store, restaurants, beauty shops and a weekly farmers market. Then Domino's Pizza comes in once a week; food trucks come in almost every day.
At the HCC, we have a massage lady.
For those who do not drive, markets and restaurants will deliver food. Also there are buses that will take and bring you home. If we have the stores come into LW, the health department will have to come and inspect to make sure they are clean of rodents and bugs.
What about the big trucks coming into LW, and the stores have to be bonded and licensed. Those costs will be passed on to us, which we cannot afford.
Who comes up with these crazy ideas? Stop spending money for things we don't need. If it is not broke, don't fix it.

SCAM Update

The following information is from Sandra Teel, an insurance broker specializing in Medicare.
by Sandra Teel
special to the Weekly

I've been receiving a lot of emails telling me I have purchased something that *I know* I did not purchase. The email is sending me a confirmation receipt of an auto renewal for a product, or an invoice for something they say I purchased.
These can look very real and convincing. *Do not open the attachment and do not call them.* Most of the time these are scam emails and their objective is to get you to call so they can get information from you. They often will ask you to give them remote access to your computer to fix or install something.
Don't give anyone you don't know remote access to your computer.
When you get an email like this, don't just delete it. Send it to the spam box.
Another popular scam is attaching a virus while you're surfing the internet.
The next thing you know you have warnings popping up on your screen saying your computer is about to crash. Don't ever call that number either. Ask a trusted family member or a legitimate local company to look at your computer.
Most of the time the virus is an overseas hacker trying to steal your money through various schemes. These people will also ask to remotely access your computer. Don't do it! Some schemes are every elaborate, and it doesn't matter if you are 15 or 95, they will say whatever they need to say to get as much money out of you as possible.
The third popular scam is calling you saying they are your grandchild who needs money or a family member who is in trouble. This scam will often ask you to send money via wire transfer or ask you to purchase gift cards and give them the information on the gift cards. Make sure to verify with your family if this is real situation before you send or spend money.

Frequently Asked Questions about Annual Meetings and Elections

By Ripa Barua
election specialist

The 2023 annual meeting season begins May 16. The fever-pitch of activity will continue for the next six weeks as all 16 mutuals host their annual meetings.

The annual meeting and election season begins in January and concludes at the end of June. There are often many questions about this time of the year and why these activities are important. Here are the most common questions and their answers.

What is an annual meeting and how is it different from a regular board meeting?

The Mutual corporations and the GRF are required to have annual meetings in order to report to the membership their activities during the past year. Directors read reports concerning finances, infrastructure, accomplishments and goals for the future. An annual meeting is similar to a state of the union speech as directors are limited to presenting reports whereas business is conducted at board meetings.

Who can attend annual meetings?

Shareholders/owners are encouraged to attend their mutual annual meeting (see schedule on page at right).

Are the elections and annual meetings held on the same day?

The ballot counting for your mutuals election will be conducted at the annual meeting.

How often are elections conducted?

Most mutual boards of directors are elected annually.

How many ballots will I receive?

Everyone will receive two ballots due to the GRF bylaw amendments.

Should I separate the voting portion of the ballot before

mailing it in the envelope provided?

No, return the full legal-sized ballot in the envelopes provided.

Has my ballot been mailed?

Check the election schedule (below) to see when the mutual ballots were mailed.

There are three people who live in my unit; do we each receive a ballot?

One ballot is mailed to each unit on file. The unit represents one share of stock/voting power. Per Mutual bylaws, if there are multiple owners of one membership (unit) in the corporation, despite the multiplicity of owners, they shall jointly have only one vote.

Can I use a proxy or designate someone to vote on my behalf?

Depending on your Mutuals election policy, proxies may be used in Mutual elections. To ensure the ballots integrity, ballot envelopes must be signed by the shareholder member connected to that household.

Are write-in candidates permitted?

There is a space on most Mutual ballots for write-in candidates. However, for the vote to be properly cast for the write-in candidate, that candidate must be nominated at the annual meeting (called "nominated from the floor") and must be present to accept the nomination.

My mail is forwarded to a post office box or an address outside the community. Will my ballot be forwarded to me?

No. As the voting rights are tied to the unit, ballots are all mailed to the units. However, a replacement ballot can be mailed to you at the address of your choice. Call Accurate Voting Services toll free at 949-556-3936 to request a replacement ballot.

The candidates on my ballot are running unopposed;

why should I vote?

Your participation in the election process is critical for the operation of this community. Every vote counts! Additionally, the return of your properly cast ballot ensures that your Mutual will obtain the necessary number of votes to produce the annual meeting and counting of ballots.

I do not know the candidates running for my Mutuals board of directors; why should I vote?

Read the candidate Statement of Qualifications (often referred to as a resume or biography) included with the ballot for information. Ask candidates questions on topics that are important to you. Attend meet-the-candidates events. Ask your friends and neighbors their opinion.

If you decide you still do not want to cast your votes for any of the mutual candidates, you are still strongly encouraged to vote by checking the box labeled abstain from voting-

ballot counted for quorum only portion of the ballot. This lets you participate in the election process by returning a properly cast ballot.

I have heard a quorum is necessary before the ballots can be counted. What is a quorum?

A quorum is the minimum number of members that must be present to make mutual annual meeting proceedings valid. In the case of elections, your participation in the voting process, i.e. your properly cast ballot, counts as your attendance. A quorum of at least one-third for some Mutuals and half plus one for some of the Mutual corporation membership is required before the mutual ballots can be counted.

I lost my ballot or cannot remember if I mailed my ballot. What do I do?

Call Accurate Voting Services toll free at 949-556-3936 to have a replacement ballot mailed to you or to confirm if your ballot was received.

Where do I mail the ballot?

The yellow-and-blue mailing envelopes are postage-paid and pre-addressed to the Inspector of Elections, Accurate Voting Services, Inc., P.O. Box 6117, Laguna Niguel, CA 92607-6117. Drop the ballot in a U.S. Mailbox as soon as possible. Your ballot must be received before noon on the business day BEFORE the annual meeting. You may also hand deliver your ballot to Clubhouse 4 on the day of the annual meeting. See instructions on your ballot for further information. Do not forget to sign the outside return envelope.

I still have questions about annual meetings and elections. Who can help me?

Contact Rosie Estrada, Stock Transfer manager, at 562-431-6586, ext. 346, or Ripa Barua, election specialist, at ripab@lwsb.com for assistance.

The election schedule is provided below to assist with dates for your specific Mutual and save the date to attend your annual shareholder meeting.

HIGHLIGHTS

from page 1

The GRF Board approved Recreation Policy 70-1411-1 on Feb. 28, and it will be on the agenda for a final vote at the April 25 meeting.

In other meeting highlights: Signal Phasing at St. Andrews & Golden Rain

On the recommendation of the Physical Property Committee, the GRF Board approved a funding request to broaden a traffic study for the intersection of Golden Rain Road and St. Andrews Drive. The community's only signal light is located at that busy intersection.

On July 6, the Physical Property Committee evaluated proposals to conduct a traffic analysis of the intersection. The committee recommended—and the board subsequently approved—Stantec Consulting to conduct the survey at a cost not to exceed \$9,954, plus a \$1,000 for unexpected contingencies.

The original focus of the study was dedicated left-turn-only phasing on the north-south streets. After further consideration, the Physical Property Committee decided that the study should be expanded to include a review of “vehicles, pedestrians and protected left-turn phasing on all approaches.”

Stantec will study the impacts and benefits of eliminating all left-turn conflicts. It will also prepare a concept plan identifying signing/stripping, traffic signal phasing and other improvement recommendations, along with an engineer's opinion of probable construction costs.

The change order approved March 28 added \$4,581 to the original cost of \$9,954 for a total of about \$14,535.

Implementing heightened safety measures at the intersection is expected to lessen the GRF's future costs for liability insurance and litigation expenses.

Recreational Vehicle Lot Signage

After a protracted discussion, the GRF Board voted 12-4, with one abstention, to approve two new signs for the newly refurbished RV Lot. At issue was the design of the sign, the number of signs to install and cost.

Last month, the Architec-

tural Review Design Committee recommended the installation of two 2x9-foot signs on either side of the RV lot entrance for a total of \$2,650. The signs say “Recreation Vehicle Lot” with the text framed on one side with the GRF wave and sun logo, similar to the sign at the GRF Aquatic Center.

There is currently no signage at the RV Lot.

GRF Director Edward Jablonsky of Mutual 11 opposed the design of the sign, contending it would be hard to read and that the signs were too expensive. He reasoned that further study was needed given the lack of urgency.

GRF Director Donna Gambol of Mutual 1 questioned the number of signs: “I don't see why we need two signs. One sign will do it. We have one sign at the Aquatic Center, and everyone can find the pool.”

“People who use the RV lot know where it is,” said GRF Treasurer Phil Friedman of Mutual 15. “I see no reason to put two signs up.”

But others differed. “It is urgent,” said GRF Director Leah Perrotti of Mutual 1. “It's the frosting on the cake. It's finishing a project that started several years ago.”

“Signage gives consistency to the community,” said GRF Corporate Secretary Carol Levine of Mutual 10.

“I'm kind of amazed that we're going crazy over \$2,650. The capital dollars are there. I'll vote to put the sign in,” said GRF Director Carol Damoci of Mutual 12 right before the vote was taken.

Point-of-Sale Equipment Purchase

At the recommendation of the Finance Committee, the board approved the purchase of seven point-of-sale terminals. Five will replace obsolete equipment. GRF is switching from NCR to Square POS, which provides a safe and secure way to take credit card payments. The Recreation and News departments already use Square for credit card processing.

Square terminals will also be installed at Copy and Supply, Physical Property, Stock Transfer and Purchasing. Each setup will

cost about \$1,400 for a total of \$9,800.

Each transaction will incur a 2.6% transaction fee.

HomeWise Docs

The board voted to ratify a contract with HomeWiseDocs following the approval of a one-year service contract with the HOA document service company in an executive session on Dec. 1. HomeWiseDocs specializes in providing homeowners' associations with a streamlined process for the ordering and delivery of resale and lender documents as well as condo/HOA closing documentation.

GRF's Stock Transfer office oversees and processes Leisure World's real estate transactions to privately held escrow companies and real estate firms. GRF practice has been to offer those services for free, even though the private firm would be charged for those services for properties located outside Leisure World. Employing the service will allow the GRF to recover the staff time and costs it now expends in the escrow process.

GRF's proposed contract with HomeWiseDocs does not require GRF to pay any money to the company, which charges a fee to each client firm or individual requesting a service related to the escrow process. GRF is expected to establish billing parameters that allow the GRF to recover its costs in facilitating the transfer process. Until those fee parameters are set, potential cost recovery income cannot be accurately projected.

The board voted to ratify the HomeWiseDocs contract at no net cost.

Reorganization of GRF Committees

At the recommendation of the GRF Administration Committee, the GRF Board of Directors voted 12-5 to try a new committee structure, cutting 10 GRF standing committees to four and reorganizing GRF departments into one of the four new committees—Administration, Facilities, Member Services and Operations.

Over the years, the number of GRF standing committees has grown, with each committee requiring increasing invest-

ments of time from GRF board directors and staff.

Board members, who are all volunteers, research issues, attend meetings and help prepare materials for consideration by the full board of directors.

Each of the 10 standing committees is staffed by a recording secretary, who must meet a host of time-consuming legal requirements, including noticing meetings, preparing agendas, and recording and posting meeting minutes.

Between two and seven senior department directors and managers attend each meeting. The executive director generally attends every standing committee meeting, and a number of senior administrators perform such duties for multiple committees during a single month.

By streamlining the committee process, staff can undertake tasks of higher value to the community, according to GRF Director William Thompson, who was instrumental in developing the new strategy, along with GRF President Marsha Gerber and GRF Treasurer Phil Friedman.

An analysis of staff/hour commitments to the GRF's current committee structure indicates the new committee structure will save approximately 53% of the staff time currently committed to committee meetings. This recommitted staff time, priced out within different tiers for currently established clerical and administrative salaries, is valued at about \$38,000 over the 11 months the standing committees routinely meet each year.

The proposed restructuring does not contemplate staffing or protocol changes for the GRF's monthly board of directors meeting. The restructure also does not propose changing GRF staffing for governance activities involving the Mutual corpora-

tions, the Mutual Presidents Council or the GRF/Mutual Associates Panel.

The staff-cost analysis presumes that each of the four remaining meetings will, on average, be approximately 40% longer than current committee meetings. Under the plan, GRF Executive Director Jessica Sedgwick will continue to attend all standing committees but anticipates staff at the department director and manager levels will report to only a single committee.

Some board members opposed the four-committee structure: “Inevitably, there will be problems. Instead of rushing into four committees, I suggest getting together this month and reaching a board consensus,” said GRF Director Lee Melody, who represents Mutual 14. GRF Director Sandy Geffner agreed, saying the idea needed more planning.

“What is the worst thing that can happen?” countered GRF Director Damoci. “We try four, and it doesn't work. It doesn't really affect anything,” she said, adding that more committees could be added if necessary.

GRF Director Levine agreed: “If we start with four and have to go to five, we can. We've done it in the past.”

GRF Director Friedman pointed out that “a great deal of thought and planning have gone into this. Staff has been split into four departments, and that will align with the committee structure. If we don't start somewhere, we will be debating this forever.”

A majority of the board agreed and approved the proposed change to Policy 30-5020-1, Organization of the Board, and established a target date of June 16 for the reorganization to start. The new structure will be reviewed after three months.

First Christian Church

First Christian Church will celebrate the death, burial and resurrection of the Lord and Savior Jesus Christ. All Leisure World residents are welcome to join in the celebration of the most holy week of the year.

Pastor's Message

This week is a very special time for Christians around the world. It's when believers celebrate the death, burial, and resurrection of the Messiah, the Lord Jesus.

The week begins by commemorating Christ's triumphal entry into Jerusalem last Sunday. Today, April 6, is Maundy Thursday. Maundy means mandate or command. In the gospel of John 13:34 Jesus said, "A new commandment I give to you, that you love one another; as I have loved you, that you also love one another." Jesus loved mankind so much he died for them.

Good Friday, April 7, is the day that Christ was arrested, falsely accused, beaten and found guilty. He was spit upon, mocked, and nailed to a cross to die. John 19:16 says "Then he delivered him to them to be crucified. So, they took Jesus and

led him away." Christ's last words are recorded in John 19:30: "So when Jesus had received the sour wine, he said, 'It is finished!' And bowing his head, he gave up his spirit."

The price of man's redemption was paid in full. Christ died on that cross and his body was removed and buried. Early on Sunday morning when his followers arrived to complete the burial preparation, they saw the huge stone in front of his burial site had been rolled away. Mark 16:5-6 describes this scene: "And entering the tomb, they saw a young man clothed in a long white robe sitting on the right side; and they were alarmed. But he said to them, 'Do not be alarmed. You seek Jesus of Nazareth, who was crucified. He is risen! He is not here. See the place where they laid him.'" Christ is not on the cross, and neither is he in the grave. He has risen; he is alive.

Weekend Services

The Easter Sunday service on April 9 from 9:30-10:45 a.m. will be a celebration of the risen savior. The First Christian Choir, led by Janet Ray

will sing "Because He Lives." Saturday services are more contemporary with Gregory Black leading worship with guitar accompaniment. The service is held from 9:30-10:45 a.m.

Holy Week Schedule

Pastor Gary Whitlach leads the Bible study held on Tuesdays from 9:30-10:30 a.m.

The Maundy Thursday service will be held April 6 from 10:30-11:30 a.m.

The Good Friday service will be held April 7 from 10:30-11:30 a.m.

Scripture of the Week

"And the risen Jesus led them out as far as Bethany, and he lifted up his hands and blessed them. While he was blessing them, he parted from them and was carried up into heaven. And they, after worshiping him, returned to Jerusalem with great joy, and were continually in the temple praising God" Luke 24: 50-53.

Faith Christian Assembly

Faith Christian Assembly invites residents to join the church for two very special services: Good Friday and Easter Sunday. The church wants to share the hope that has held up human beings across every continent and culture for over 2,000 years of difficult times of poverty, disease, pain, hardship and death itself: "Christ is risen. He is risen indeed."

People can join in celebration of the one who gave his life for every person, the risen Christ. Hear more about Jesus on Good Friday, April 7, in a one-hour service starting at noon, and again on Easter Sunday, April 9, at the 10:30 a.m. service.

"For God so loved the world that he gave his only begotten Son, that whoever believes in him should not perish but have everlasting life. For God did not send his son into the world to condemn the world, but that the world through him might be saved" John 3:16-17.

As part of the holiday schedule, there will not be a Bible study on April 5 or an evening service April 9. There will not be a Wednesday morning Bible Study on April 13 due to the upcoming Good Friday service.

To receive a free monthly newsletter, or more information on the church and its services, call 562-598-9010, email contact@fcachurch.net, or visit www.fcachurch.net.

LW Baptist

LW Baptist Church celebrates Easter Sunday because Jesus rose from the dead. As a popular preacher says, "Death died when Jesus rose." So when Jesus met the women running excitedly from the empty tomb, he said to them, "Rejoice!" And they came up and took hold of his feet, and worshiped him.

LW Baptist's Easter Sunday begins at 10 a.m. in Clubhouse 4 with the choir singing and the people rejoicing as the Lord instructed.

On Monday, April 10, the Christian Women's Fellowship group will meet in Clubhouse 3, Room 6 at 10 a.m. All LW women are welcome to join. The Energizer's group will meet on Wednesday, April 12, at 3 p.m. to draw strength from Psalm 47 about Jesus, the ruler of the kings of the earth.

For more information about the church, call 562-430-8598.

Christian Women's Fellowship and Fun Club

The Christian Women's Fellowship and Bible study Group will meet on Monday, April 10 and 24, at 10 a.m. in Clubhouse 3, Room. 6. The group's new study is in "A Woman's Walk with God" by Elizabeth George. For more information, call Jean Davidson at 562-431-0597 or Margie Singleton 562-594-8100.

LW Korean Community Church

Leisure World Korean Community Church (LWKCC), led by Senior Pastor Dr. Jang Young Yong, will hold a service on Sunday, April 16, at 11:50 a.m. in the main sanctuary. Dr. Kim Seon-Tae, director of the Korean Siloam Eye Hospital, will preach at the service.

Pastor Kim Seon-Tae became an orphan during the Korean War and went blind in both eyes. Unable to endure starvation and abuse from his relatives, he fled and lived as a beggar for nearly two-and-a-half years at a young age.

Even while living as a beggar, he had to attend the church every Sunday to worship, make an offering, pray with a tin can, and then eat.

Seon-Tae preached by distributing alms food to his fellow beggars. Some even became priests after receiving his evangelism.

God heard his earnest prayer and sent a missionary as an angel to help him study.

He studied at Soongsil Middle and High School, which was established by missionaries, and graduated from Soongsil University and Presbyterian

Theological Seminary Graduate School of Theology. He also received a doctorate in theology from McCormick Theological Seminary.

Seon-Tae was awarded Asia's Nobel Peace Prize, the Ramon Magsaysay Award, in the Philippines in recognition of his contribution. He started surgery for the visually impaired through donations. Through the spirit of love and service, he is carrying out the miraculous work of Siloam, presenting light to the blind.

Seon-Tae has established three churches for the blind, established Siloam Eye Hospital, a medical corporation in 1986, and Siloam Welfare Society for the Blind, a social welfare corporation in 1997. He also established Siloam Welfare Center for the Blind, Workplace for the Economic Independence of the Blind, a nursing home for the blind and Sullivan Learning Support Center.

He has provided scholarships to 1,200 students with visual impairments, nurtured talented people such as priests, professors, teachers, judges and heads of institutions.

Dr. Kim Seon-Tae

He was able to do all this thanks to God's grace and the cooperation of local and international churches, clergy and believers. He also the first director of an eye hospital as a blind person.

It is for this reason that Seon-Tae is called a "man of miracles" sent by God. He is not only a missionary for the blind, but an apostle of the Gospel, love and hope to all those who do not see the light of life in this age.

LWKCC has covered the cost of eye surgeries for 67 people

LW Assembly of God

Service/Gathering Times: Sunday morning at 10:30 in Clubhouse 3, Room 2. The Wednesday morning Bible study is at 10 in Clubhouse 3, Room 2. The Hymn Sing is held on the fourth Sunday of the month at 6 p.m., in the Clubhouse 3 Lobby.

This week's sermon: Resurrection Sunday, Easter, is the day that Christianity hinges upon. Believers and non-believers alike celebrate the day for reasons ranging from a celebration of spring and new life to the inherent meaning of Jesus's victory over death, giving eternal life to all who believe in him. Many sermons have been preached about the days between Thursday night and Sunday morning.

This week's sermon titled, "What Happened that Night?" will look at the events that took place between the women witnessing the empty garden tomb in the early morning hours through the rest of that momentous day for Christians. Luke 24:33-48 provides a picture of the people and events involved in Jesus's first day back from the dead and what it means to Christians today.

Bible Study: "Jesus's Farewell Message," by Francis Chan, finished this week. It's final challenge was to abide, dwell, contemplate and absorb the message of the book of John. Next week will be a new study. Make spiritual growth a priority and join with other students

who seek a deeper understanding of scripture and its message to believers.

Contact: More information about the church can be found at www.lwassemblyofgod.com.

Those who would like prayer, personal contact from a pastor or a DVD of the Sunday morning sermon can contact pastors Chuck and Sheryl Franco by calling 562-357-4360 or emailing pastorchuck@lwassemblyofgod.com.

Carolyn van Aalst is also available to add to the prayer chain at 562-343-8424.

Pastor Chuck's sermons can be accessed on the Faithlife app under "Leisure World Assembly of God," where people can also give online.

Jewelry designer Lisette Thierry (l) and her recent work.

Art League

The Leisure World Art League has three art rooms—one for painting, one for pottery making and a lapidary shop for jewelry making. It was suggested that the group get a demonstrator for the ceramicists and lapidarists.

The demonstrator for the April 11 Art League meeting will be Lisette Thierry, an artist who has worked as a jewelry maker for over 30 years. She is a designer and jeweler who studied design, jewelry and metalsmithing at the California College of Arts and received her bachelor of fine arts from California State University Long Beach.

The timeless simplicity of her design, as well as her attention to detail, is evident in each of her pieces and can be attributed to her background in architectural studies. She creates and produces a line of jewelry for galleries and retail outlets and designs one-of-a-kind pieces on commission. She currently resides in Long Beach, but she’s no stranger to Seal Beach—she worked in a jewelry store across from a Seal Beach post office for years.

For as long as she can remember, Thierry has always worked with her hands. She made jewelry through high school and into college. Her initial major in college was architecture. During a drafting class, one of her fellow students asked if she would make a ring in silver. She learned to work in metal, made his ring, and changed majors, eventually specializing in metalsmithing and jewelry.

She is donating some lovely earrings that will be raffled off at the end of the show. Those who don’t work in metal are encouraged to attend, as they may find inspiration in her work.

The popular vote theme this month is “Animals.” Those who would like to submit their works for judging must submit them by 6:30 p.m.

GRF was lucky to secure enough tickets for two evening performances of Othello by the LA Opera. . Hailed as the pinnacle of the Italian operatic repertoire, Verdi’s transformation of the original Shakespeare play is a powerful drama of uncontrolled human emotion at its most extreme.

Verdi’s musical portrait of Othello’s descent into a tortured heart of darkness is explicit in every chilling detail as he destroys all in life that he holds dear.

The operatic performances are on May 17 and June 1. Residents may submit their names for a drawing and will be randomly chosen for either date. Tickets including transportation are \$34. The drawing will be held after April 14, which is the last day to submit a name.

Stars on Ice is on the agenda for May 20 at the Honda Center. The 2023 Stars on Ice tour will boast an international cast of Olympic, World and National Champion skaters sure to entertain all ages. Tickets are \$45, all inclusive.

On June 9 the Angels will take on the Mariners and one bus load of LWers will be there to see the action. Tickets are now available at the Recreation Office or on www.lwsb.com for \$65.

Community Karaoke

A happy group of karaoke singers entertained the audience with “Ain’t We Got Fun.” Wednesday night draws 30 eager singers to Clubhouse 1 each week. Tony Tupas led the evening with the Eagles hit “New Kid in Town.” Frank Miller did the toe-tappin’ Elvis tune “I Gotta Know.” Ric Dizon gave the audience a smooth Deano hit “Sway.” Ed Jablonski sang a strong show tune. Anna Le captured the audience with “I Will Survive.” “Islands in the Sun” is a beautiful song and Es-sie Hick’s choice. “I’m on Fire” was a hot number for David Noble. Ren Villaneauva always has fun singing “Tiny Bubbles.” Elizabeth Butterfield has a pleasant style while singing “Mama He’s Crazy.”

The audience rewards each vocalist with hearty applause. Karaoke is every Wednesday beginning at 5:30 p.m. in Clubhouse 1. Members love to see folks flow through the doors, some in wheelchairs to be with their friends and neighbors and enjoy the variety of music. Everyone is welcome.

To learn a new song or practice an old one, practice sessions are each Monday from 1-3 p.m. in Clubhouse 6.

Shuffleboard Spring Madness event is April 6 at the Courts Building

The LW Shuffleboard Club will have a Spring Madness organizational meeting, hosted by the club's mentors, on Thursday, April 6, at 9:30 a.m. at the Courts Building behind Clubhouse 1 on Burning Tree Lane. The actual Spring Madness begins on Easter.

This four-week event will have the teams of two practice and play with other beginners to give less skilled players an idea of what it means to play the centuries old game of shuffleboard. People also get to meet other club members, learn the general rules of the Shuffleboard Club league without pressure, and receive coaching, strategy and technique tips from the mentors. Practice will not be allowed during the league game. By participating in the Spring Madness event, players will be ready to sign up for the next scheduled Shuffleboard Club league traditionally played September through May.

For more information, call Doris Morton at 714-330-4609 or Kay Mount at 775-527-0426.

The Tuesday evening league played March 27. Six games played were split between the

Friday Golf
On March 24, nine golfers contested the 6,000-yard, par 71 Willowick Golf Course in Santa Ana. The fairways were very wet, the day was cool and initially overcast. However, the greens remained in great condition and scores were only affected slightly. Willowick has no water hazards, but has 2,520 plus yard par 5's and several long par 3's that ramps up the difficulty.

Sam Choi had the only birdie and tied for fewest putts with Gary Stivers in the "A" flight. Bill McKusky had the fewest putts for the "B" flight. Tim Looney was closest to the pin on the par 3 twelfth hole.

Winners:
A Flight: First place: Choi, a terrific 2 under 69; second: Stivers, a well played 1 over 72; third: Dave LaCascia, a hard-earned 3 over 74; fourth: Looney; and fifth: Fujio Norihiro.

B Flight: First place: McKusky, an excellent 3 under 68; second: Clay Fischer, an even par 71; third: Bob Munn, a nice 2 over 73; and

Bank shot winners and first place Mike Mooney winners John Burns and Denise Scott.

Pool Club

The Mike Mooney Eight Ball Tournament was held on March 25 at 1:30 p.m. Mooney was president of the Pool Club for two years. His widow, Sandra Sam Mooney, donated \$100 to the player who made the most bank shots in the six round tournament. The bank shot had to be called in order to count.

In her first game, Denise Scott made two bank shots, including the eight ball that won the game. After six rounds, there was a tie between John Burns and Denise Scott, who split the \$100 with three bank shots each. Most players did not make one bank shot.

There were 12 three-person teams drawn randomly from “A, B” and “C” level players. The team of Jerry Wrenn, Ray Fredrichsen and Connie Terry won its first five games and missed taking first place by losing its last game. Three teams tied for second place with four wins each. They lagged the cue ball closest to the end rail to determine which teams got second and third-place winnings.

In the Monday league, In the Money had a 10-3 win over the Renegades. Kurt Bourhenne continued his winning ways by winning six and losing only one, while teammate WildFire Christensen won five, including both of her singles matches.

PJJ’s bounced back from last week to win over the Cue Crew 8-5. Brian Burke, the “C” player for PJJ won six out of seven matches.

Right On Cue edged the Rail Runners 7-6. Linda Patton led Right On Cue winning five games, including the final eight ball game that broke a 6-6 tie.

On Wednesday, Milly’s Boys beat the Favorites nine games to four. Roy Mittlestead led Milly’s Boys with seven wins; the team won the first two and the last two games.

The Ruffians extended its lead to four games over second place Triple Threat in a close seven to six match. All three players on the Ruffians won four games and the final eight ball game to break the tie.

U3, which is team No. 3, won over Bank It by a 7-6 score. Denise Scott, who earlier in the week won the banking contest, led U3 with five wins.

fourth: Elicc Vaden.
Monday Golf

On March 27, 17 golfers challenged the 5,800-yard par 70, Riverview Golf Course in Santa Ana. With continued rains, the Santa Ana River riverbed was still flooded and flowing quite fast. Since it is impossible to cross the riverbed to get to five front nine holes and all but one back nine hole, the course transforms into a par 60, 4,000 yard course by playing the front nine twice and by using different tee boxes on several holes as well as turning one par 4 and one par 5 into two par 3’s and two par 4’s.

The grounds were wet, but the morning was sunny and turned into a pleasant day. The course and greens remained in great condition, and overall, a play was only affected by a mid-round wind.

Gary Stivers had another great day with fewest putts and closest to pin on the difficult 155-yard par 3 second hole. Fujio Norihiro was closest to the pin on the 100-yard par 3 ninth hole and Ellic Vaden was closest on the 100-yard par 3 18th hole and tied for fewest putts with Ron Jackson for the B flight. Birdies were carded by Larry Hillhouse (with two). Gene Vesely, Sam Choi, and Tom Ross had one each.

Winners:

A Flight: First place: Stivers, a sensational 10 under 50; second: Hillhouse, a well-played 8 under 52; third: Dave LaCascia, a well-played 4 under 56; fourth: Choi, at even par 60; fifth: Norihiro; and sixth place was a three way tie between Chris Lankford, Bill McKusky, and Jim Goltra.

B Flight: First place: Bob Munn, an excellent 6 under 54; second: Vaden, a nice 5 under 55; third: Gene Vesely, a nice 4 under 56; fourth: Lowell Goltra, a sweet 2 under 58; fifth place was a four way tie between Tom Ross, Digna Vesely, Jackson, and Vaden, at 1 over 61; and sixth: Bill Zurn.

The Monday and Friday Golf Leagues play at four local courses, all within 15-20 minutes of Leisure World. Advance league reservations are required with a sign-up sheet available at each round, as the courses fill up fast.

There is a prize pool for each round that players are not obligated to enter. Rewards are given for low net in each flight, birdies, closest to the pin on two par threes, and for the lowest number of putts in each flight. Holes-in-one and Eagles (2 under par), although infrequent, are generously rewarded. If interested, contact Gary Stivers at 714-313-3697 or Dave LaCascia at 801-674-5975.

Officer Mitchell Smith

Sunshine Club

California Highway Patrol Officer Mitchell Smith will give a presentation to the Sunshine Club titled “Age Well, Drive Smart” on Friday, April 7, in Clubhouse 3, Room 2, at 10 a.m.

Research by the Insurance Institute for Highway Safety shows that senior citizens involved in traffic collisions tend to be more vulnerable than younger people, meaning that seniors suffer more severe injuries.

Crash prevention and in-vehicle occupant protection become urgent needs for seniors. The impact of aging on driving ability varies widely, but senior drivers need to know that gradual effects on vision, flexibility, and response times may compromise safety and eventually require them to stop driving.

To educate mature drivers, California Highway Patrol offers the “Age Well, Drive Smart” program statewide. The program covers:

- How to refresh driving skills.

Residents enjoy feast after cooking demonstration

by Anna Derby
LW contributor

The Sunshine Club enjoyed its first experience with a professional chef on March 17 in the state-of-the-art remodeled kitchen in Clubhouse 3, Room 9.

Chef Jackie Nabong from Chefs for Seniors made excellent use of the kitchen equipment

in her presentation to the club.

Jackie planned to prepare two items: pumpkin spice overnight oats and chicken wild rice soup from the Chefs For Seniors recipe collection. She surprised the group by making one more delightful fish: a cauliflower taco dish. The Sunshine Club got to taste all of the dishes as lunch snacks.

Jackie also brought Roy Bailey to give the group a brief presentation of nutrition for seniors, along with Susan Ramirez, who is a culinary student with an expertise in plants.

It was a fun class to share with 50 people who had RSVPed to the event. The Sunshine Club hopes to have Chefs for Seniors back next year.

Democratic Club

by Mary Larson
LW contributor

The Leisure World Democratic Club is initiating a number of steps in an effort to prepare for next year’s elections. A new taskforce, headed by the club’s vice president, is already at work. It is developing a plan to increase the number of Leisure World registered voters who actually vote in the 2024 elections.

The club’s information and registration booth, located in the parking lot outside Clubhouse 6, will be open on the first Tuesday of each month beginning in May. All current and prospective Democrats are invited to stop from 10:30 a.m.-12:30 p.m. Volunteers are needed to help staff this booth.

In preparation for the Democratic party’s pre-endorsment conference on Oct. 21-22, candidates running for the California Assembly and the U.S. House of Representatives are asked to speak at upcoming membership meetings. Plans for selecting the delegates to represent the club at the conference are underway.

Members are invited to share copies of articles, flyers, meeting notices or anything else they want others to know about. All such material—whether or not it represents the view of the LW club itself or that of the Democratic Party—will be placed on the club’s newly re-established Advocacy Information Table at every membership meeting.

There is a role to play in carrying out these efforts for every club member willing to participate. Call 562-296-8521 or email democraticclubsblw@gmail.com for details.

Former Seal Beach City Council member Sandra Massa-

Lavitt will speak at the April 26 meeting in Clubhouse 3, Room 9, at 1 p.m. She will address a number of issues including Seal Beach’s efforts to comply with the state’s mandate to deal with increasing the amount of affordable housing. Massa-Lavitt chaired the Seal Beach Planning Commission for four years when she served on city council. She also worked as a city planner before coming to Leisure World.

Members who are unable to attend the April meeting in person can participate online or by phone. For login information, contact sblwdemocraticclub@gmail.com or call 562-412-0898.

Democrats and supporters can subscribe to the club’s free electronic newsletter by emailing democraticclubsblw@gmail.com or calling 562-296-8521.

The Basic Rules of Sudoku:
• There is only one valid solution to each Sudoku puzzle. The only way the puzzle can be considered solved correctly is when all 81 boxes contain numbers and the other Sudoku rules have been followed.
• When you start a game of Sudoku, some blocks will be pre-filled for you. You cannot change these numbers in the course of the game.
• Each column must contain all of the numbers 1 through 9 and no two numbers in the same column of a Sudoku puzzle can be the same.

GAF President Anna Derby is presented with a check from Seal Beach City Council members Nathan Steel (l) and Thomas Moore (r).

Multiple sponsors make the GAF's 50th anniversary celebration possible

The Golden Age Foundation's 50th anniversary celebration will be held on Saturday, April 22, at Clubhouse 6 from 10 a.m.-2 p.m.

Inside Clubhouse 6, residents can look at 10 decorated tables displaying 50 years of rich history through photos and artifacts. Outside in the parking lot, there will be food trucks and entertainers to enjoy.

This event would not be possible without the donations from many generous sponsors. Many of these donors are organizations who give annually to the GAF to support the free events the GAF puts on throughout the year for residents.

Seal Beach City Council members Nathan Steele and Mayor Tom Moore presented a \$1,000 check and Certificate of Recognition to GAF President Anna Derby, for the GAF's 50th anniversary. The city will also participate in the event with a pop-up city hall table.

The On-Site Home Sales Real Estate office, under the ownership of The Januszka Group, Inc., is led by Broker Dawn Januszka is another sponsor for the event. The On-Site Home Sales office is the only real estate agency endorsed by both Golden Rain Foundation and the Mutual Corporations. Januszka leads a team of friendly, trained and professional Realtors who work exclusively in the Leisure World. The annual amount given back helps offset monthly assessment fees for every Leisure World resident, with yearly amounts totaling \$554,841 in 2020, \$698,470 in 2021, and \$610,575 in 2022.

Financial Partners Credit Union is also a proud sponsor for the event. Employees are ready to assist Leisure World residents with their banking needs. Their branch is located at 12410 Seal Beach Boulevard Suite E, Seal Beach, near the Ralphs in the Old Town Center.

All residents are welcome to join the event to celebrate 50 years of "neighbors helping neighbors." For more information about the event, text 562-301-5339.

Derby receives \$1,000 donation from Dawn Januszka from On-Site Home Sales, for the 50th anniversary event.

Financial Partners Credit Union's Seal Beach Branch Manager Debbie Flannagan (r) presented Derby with a \$750 donation.

Smith will also talk about the Westminster's work to start a Senior Volunteer Program.

Smith attended the California Highway Patrol Academy in 2015 and upon graduation was assigned to the Westminster area office, where he has served for the last seven years.

Over the past eight years, at the CHP Westminster area office, Officer Smith has primarily worked as a road patrol officer, patrolling State Route 91, State Route 22, Interstate 5, and Interstate 405, in the north Orange County area.

For more information, contact Anna Derby at 562-301-5339.
