

GRF ELECTION

Mailed ballots must be received by June 5

The Golden Rain Foundation (GRF) Annual Membership Meeting will be held Tuesday, June 13, at 1 p.m. in Clubhouse 4 and livestreamed via YouTube.

Every year, GRF conducts an election to seat representatives from Mutuels on the GRF Board of Directors. This year, odd-numbered Mutuels are electing directors as follows: two representatives from Mutual 1 (because of its larger size) and one each from the other odd-numbered Mutuels. Accurate Voting Services is conducting the vote-by-mail 2023 election.

In addition to ballots mailed to elect GRF directors, every GRF member also received a ballot to amend outdated GRF bylaws. For those amendments to pass, at least 3,305 ballots must be returned with a “yes” majority (for more information, see page 5).

In both cases, the Inspectors of Election must receive mailed ballots on or before noon on Monday, June 5, to be counted.

All-Department Town Hall planned for July

Shuffleboarders elated over promise of refurbished courts

by Ruth Osborn

In its last meeting of the 2022-23 term, the GRF Board said goodbye to four directors who are stepping down, some after years of service to LW.

GRF President Marsha Gerber thanked director Leah Perrotti for her eight years representing Mutual 1; GRF Treasurer Phil Friedman, who has been on his Mutual 15 or GRF Board for a decade; and Sandy Geffner, Mutual 3, and Lucy Ablessor, Mutual 7, who are both concluding single terms.

It was business as usual except for the sea of red in the audience. A small army of shuffleboard players in their red club t-shirts, led by club president Kay Mount, turned out to support an agenda item to refurbish the courts.

“Thank you all for being here,” said GRF Director Donna Gambol who represents Mutual 1. “I am a former member and it’s a fascinating hobby.

Shuffleboard is beginning to become popular with younger professionals. It’s the pickleball of tomorrow.”

The board voted unanimously to allocate \$10,950 plus a 20% contingency to level, bevel and otherwise spruce up the facility.

Shuffleboard has recently surged in popularity here, largely because anyone can play. The game doesn’t require speed or agility, and can be played from a wheelchair or if using a cane.

During the public comment time, Mount told the board that the Shuffleboard Club has an “enormous commitment” to attracting new members. Since January, seven league teams averaging seven members are playing at the courts every week. More than 300 residents are registered players, representing a 280% increase since Mount became club president.

Repairing the cracked and uneven courts will restore the facility to “a

Seal Beach city officials, including Mayor Thomas Moore and Council member Nathan Steele, were in Leisure World last week to distribute fully loaded iPads to several lucky Leisure World clubs.

The gift of 15 free iPads was made possible by a state Access Technology grant awarded to the County of Orange Social Services Agency and OC Community Resources/OC Community

TRANSPORTATION

Minibus Orientation Meeting

A Minibus informational meeting is held on the first Thursday of every month in Clubhouse 3, Room 3, to assist LW residents with using the many transportation services available to the Leisure World community. The next meeting will be held today, June 1. No reservations are required. The meeting starts at 10 a.m.

The GRF Transportation Department provides information on the LW Minibus service as well as the GRF appointment-based Access bus service for people with mobility challenges.

Information on other local area bus and transportation services to nearby grocery shopping and medical service destinations is also presented.

Meetings often include information and updates on the City of Seal Beach Senior Shopping Shuttle to Rossmoor and Old Ranch shopping centers and the Seal Beach Old Town Pier shuttle. These sessions are for new or current shareholders who would like to learn about the Minibus service routes and timetables.

The LW Minibus service is for everyone. Residents, Leisure World employees, visitors, family members of residents and caregivers can all ride the minibuses.

Anyone who has a valid pass to enter the community can ride on the LW buses. The only rule is each person must be 18 years of age or older or accompanied by someone who is 18 years of age or older.

Free Hazardous Waste Disposal

Leftover household products that contain corrosive, toxic, ignitable or reactive ingredients are considered household hazardous waste. Residents are prohibited from disposing of household hazardous waste at the 1.8-Acre site.

Residents can dispose of their toxic waste at any of Orange County's four Household Hazardous Waste Collection Centers. The closest one to LW is the Huntington Beach Collection Center, 17121 Nichols Lane, 92647, Gate 6. Proof of county residence may be requested. E-waste such as televisions, tablets, cell phones and computers can also be taken to this collection center.

It is open from 9 a.m.-3 p.m., Tuesday through Saturday (closed on major holidays and during rainy weather).

People who need special assistance with household hazardous waste collection and are unable to bring it to a centers should call 714-834-4000 for more information about Orange County's Door-to-Door service. For more information, visit www.oclandfills.com/hazardous-waste.

beautiful LW amenity,” Mount said. The courts overhaul should be complete in time for the club’s 60th anniversary in July.

Among other highlights were:

Amphitheater Dressing Room Air Conditioning
Upon the recommendation of the Recreation Committee, the board authorized \$16,920 to install air conditioning and heating in the dressing rooms in the Amphitheater building.

Service Maintenance Utility Vehicles
Upon the recommendation of the Security, Bus and Traffic Committee, the board voted to approve \$51,742 for the purchase of two heavy-duty electric utility vehicles to replace two of the GRF fleet’s Cushman gas-powered carts. The board recently approved the purchase of two club car utility vehicles that are now in service. The two vehicles approved at the meeting have a load capacity of 2,000 pounds and will add a heavy-duty component to the fleet, which is aging and slowly being replaced.

1.8-Acre Ad Hoc Committee Report
GRF Director Carole Damoci representing Mutual 12 reported that the committee is waiting for the engineering report.

LW Bylaws Ballot Update
Damoci also reported that the GRF Bylaws ballot effort is only 880 votes short of the 3,305 ballots that must be returned with a “yes” majority for the amendments to pass. The amendment is needed to update archaic language in the bylaws.

Mailed ballots must be received before noon on Monday, June 5, so mail them as soon as possible for a chance to win a \$50 gift card. Allow 4-5 days for delivery. LWers can also return ballots in person between 9-10 a.m. on Tuesday, June 6, in Clubhouse 4. Accurate Voting will begin counting ballots at 10 a.m.

Leisure Worlders hold brand new iPads distributed by officials from the City of Seal Beach. The donation was funded by a state Access Technology grant.

Services’ Office on Aging. The Access Technology program is managed by the California Department of Aging.

This award helps support the “Bridging the Digital Divide Program” targeted older adults with disabilities living in Orange County. The purpose of the program is to help seniors with accessing and using online technology.

The distribution of iPads, including data plans and training, will foster greater connection among clubs and residents in Leisure World.

The City of Seal Beach received the iPads as part of this grant opportunity, according to Seal Beach Assistant City Manager Patrick Gallagos.

Seal Beach Mayor Thomas Moore used his council discretionary funds to pay for keyboards, screen protectors and cases that will provide protection for the iPads and make the device more versatile and user-friendly.

The fully loaded devices were distributed to the Sunshine Club, the LW Women’s Club and the Filipino Association of LW, according to Gallagos.

He and his team spent several hours in LW last week getting the devices ready to hand off to LWers.

Gallagos contacted Anna Derby, president of the Sunshine Club, for recommendations on iPad distribution.

Each of those clubs is known for its philanthropic work in LW.

Letters to the Editor

Editor:
A lot of people get LifeLock, and for some it's free. But some people pay a monthly fee, and the problem with that is you wear it around your neck and when you go to sleep you take it off and put it on the nightstand. If you get up in the middle of the night to go to the bathroom, that LifeLock is usually still on the nightstand, and that's when people fall in the bathroom. Instead, consider the Echo Dot, a hands-free smart speaker with a compact design. Echo Dots come in various sizes and prices and can be purchased at *Amazon.com*, but for safety purposes, the Echo Dot is more than sufficient. It is easy to set it up. You can input emergency contacts, so if you fall from anywhere in your house, you can just scream out, "Alexa, call 911." The Echo Dot will call 911 and your emergency contacts. I have one, and I love it

because you can have it start a grocery list, play music, tell you the time or weather, set a timer, and even play trivia all for one time cost with no monthly fee. Amazon often has them on sale. The Echo Dot will only call 911 if you have a landline, but it will call all your emergency numbers, even if you don't.

Editor:
It has been stated by many residents that we are not in favor of extending hours for the North Gate. This challenges the "security" aspect, especially those of us located at the perimeter wall. Firstly, this wall was not built higher, as the other perimeter walls are, and now having to worry about additional noise and access causes a bigger fear for us, as well as affects the quality of sleep. Many go to bed earlier rather than later.

Saturday's Torah reading will be from the book of Numbers. Naso (to take a census), the longest portion in the Torah, opens by detailing responsibilities of the Levites. It also describes laws of a woman suspected of adultery (sotah), the Nazirite, and the priestly blessing. The portion ends by listing the gifts that heads of tribes bring to the Mishkan (Tabernacle).

To receive a Zoom invitation, contact Jeff Sacks at 714-642-0122.

Congregation Sholom has been serving Leisure World since 1962. It offers a traditional Jewish service in person and online.

Those who want to join Congregation Sholom should call Howard Brass at 714-396-0121 for a membership packet.

News copy deadline is 4 p.m., Thursday, one week prior to the desired publication date.

Church of Jesus Christ of Latter-day Saints

Meetings for the Atherton Ward are held at 6500 E. Atherton St., in Long Beach. The sacrament service is held every Sunday at 10:30 a.m., followed in the second hour by Sunday School on the first and third Sundays, Relief Society and Elders Quorum on the second and fourth Sundays. Primary classes for children are held every Sunday during the second hour.

Members are reminded that Fast Sunday is held on June 4, and every first Sunday of the month.

Members who are unable to attend Sacrament services in person can request a link from Bishop Mike Gravley at 562-212-8641.

The reading source for this year is the New Testament. The reading assignment for the week of June 5-11 is John 14-17.

The devotional "Come, Follow Me" says "As you read John 14-15, you might note or mark each use of the word love. You may notice the word commandments repeated frequently in association with the word love in these chapters. What do you learn about the relationship between love and commandments from the Savior's teachings? What other words and phrases do you find associated with love in these chapters?"

Buddha Circle

Buddha Circle will meet with Ven. Kusala on Saturday, June 3, in Clubhouse 3, Room 1, from 9:30-11 a.m. Ven. Kusala is well known in the Buddhist community and presents Buddhism in a simple way.

Community Church

Community Church will bid a fond farewell to Building Manager Rodney Leiva after 20 years of faithful service and friendship as he tendered his resignation in light of new opportunities. A celebration in his honor will be held on Sunday, June 4, after the worship service.

There was a comedian years ago who described the Trinity—God, Jesus, Holy Spirit—as a warm cherry pie cut into three pieces but with a warm gooey filling that ran back together after the knife cut the crust. He described the trinity like this because it appears to be three pieces of pie on the outside but is still all one warm gooey filling on the inside. This Sunday, June 4, is known as Trinity Sunday. It is the time in the life of the church when believers celebrate receiving the Holy Spirit and being tasked with being in partnership with the Trinity.

People are welcome to join the service on Sunday, June, at 9:50 a.m. in person or online on Zoom and on Facebook @CommunityChurchLeisureWorld. People can contact the church office to receive the Zoom link. The in-person service is followed by food and fellowship.

For more information, call the church office and leave a message at 562-431-2503.

Rodney Leiva, building manager

First Christian Church

First Christian Church of Leisure World teaches from God's word, the Holy Bible verse by verse. It is a friendly church that welcomes all visitors to join in worship and explore God's word together, "That we may be mutually encouraged by each other's faith, both yours and mine" Romans 1:12.

Pastor's Message

Chapter 14 of Genesis records the description of a war in the land that Abram's nephew Lot chose for himself. Four kings from the east conquered the five kings in the territory of Sodom and Gomorrah. After 12 years of subjugation, the five kings of Sodom and Gomorrah rebelled which prompted the first war recorded in scripture. The five kings were conquered again by the kings of the east and all the people were taken captive. Lot and his family were among those captives.

A survivor from the battle informed Abram of the fate of his nephew, which prompted Abram to gather 318 trained servants to pursue those four kings. Abram was successful in that pursuit and defeated the kings in the territory of Damascus and rescued Lot and others that had been taken captive. This first recorded war of course would not be the last.

War is nothing new. Since sin entered the world, a spiritual

Faith Christian Assembly

The Bible serves as a manual or guide to life. At Faith Christian Assembly, the messages people will hear at every service are always Bible-based and can help equip people to face life's challenges.

2 Timothy 3:15-17 (New King James Version) says "All Scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness, that the man of God may be complete, thoroughly equipped for every good work."

Faith Christian Assembly's Sunday services and Wednesday Bible study are opportunities to hear teachings from God's word, which reveals his plan for the way believers should navigate this world and draw others to him. LWers are welcome to join members of the church on Sundays at 10:30 a.m. and 5:30 p.m., or on Wednesdays at 11 a.m. for "profitable" words that will help people be "thoroughly equipped for every good work."

Those who are interested in growing through community are welcome to join the men's or women's ministries. The groups meet the third Thursday of each month at 1 p.m. The church is located 13820 Seal Beach Blvd., Seal Beach.

To receive more information about the church or to receive the free monthly newsletter, call the office at 562-598-9010, email contact@fcachurch.net or visit www.FCACHurch.net.

LW Baptist

LW Baptist will meet on Sunday, June 4, at 10 a.m. in Clubhouse 4. The message will recall how, long before Moses asked to know God and his ways on Mt. Sinai, the patriarch Job asked God to come and make known his ways to Job. Wonderfully, God does so, and Job's response is like that of the hymn writer's worship, "O Lord my God, how great thou art."

Redeemer Lutheran

Pastor Jennifer Zahnow will be the guest preacher and celebrant for Redeemer Lutheran's morning worship service this Sunday, June 4. LWers are invited to reflect, join the celebration and share the scripture and Communion feast at 10:30 a.m. in the sanctuary at 13564 St. Andrews Drive, across from the Administration building where ample parking is provided.

The organist and choir will lift peoples spirit in song as they join voices in prayer. As Martin Luther often taught, "when we sing, we pray twice."

Redeemer Lutheran thanks those who have contributed generously to its continuous food drive. People are welcome to bring non-perishable food to the church office any time. The food

Service/Gathering Times: Sunday morning at 10:30 in Clubhouse 3, Room 2. The Wednesday Bible study is at 10 a.m. in Clubhouse 3, Room 2. The Hymn Sing is held on the fourth Sunday of the month at 6 p.m. in the Clubhouse 3 Lobby.

This week's sermon: The fruit of the spirit highlighted in this week's sermon is goodness.

The Merriam-Webster Dictionary lists synonyms for goodness as character, integrity, morality, virtue and decency. But in today's culture of shifting values, what is the standard by which those attributes are determined?

Pastor Chuck Franco will share a message titled "God's Goodness Versus Man's Goodness" this Sunday, June 4, supplying the only reliable, absolutely true standard for goodness.

Bible Study: "The Book of Acts," by Louie Giglio, continues to challenge contemporary believers to discover and apply

Chuck and Sheryl Franco

the truths displayed by the early church. If the growth and reach of the early church is not seen today, the books of Acts explains why. This encouraging and motivating study is enjoyed by both students new to Bible study and those familiar with the Bible.

Contact: More information about the church can be found at www.lwassemblyofgod.com. Those who would like prayer, personal contact from a pastor

or a DVD of the Sunday morning sermon can contact pastors Chuck and Sheryl Franco by calling 562-357-4360 or emailing pastorchuck@lwassemblyofgod.com.

Carolyn van Aalst is also available at 562-343-8424.

Pastor Chuck's sermons can be accessed on the Faithlife app under "Leisure World Assembly of God," where people can also give online.

war has manifested in physical battles.

America just celebrated Memorial Day, a day set aside to remember those who made the ultimate sacrifice in the defense of the United States. From the American Revolution to present day, an estimated 1,304,444 American men and women have died in battle.

In Isaiah 9:6, Isaiah prophesied a peacemaker: "For unto us a Child is born, unto us a Son is given; and the government will be upon His shoulder, and His name will be called, Wonderful Counselor, Mighty God, Everlasting Father, Prince of Peace."

Jesus—the son mentioned in scripture—prior to his ascension into heaven said in John 14:27, "Peace I leave with you; My peace I give to you; not as the world gives it. Do not let your heart be troubled, nor let it be fearful."

Weekend Services

Sunday services are traditional services from 9:30 a.m.-10:45 p.m. with hymnal music led by Janet Ray and Pat Kogak at the piano. This week Don Sunday will sing a special solo.

Midweek Studies

Melli Herrera leads the Women's Bible Study on Mondays from 10:30-11:45 a.m.

WOMEN'S HEALTH

Osteoporosis signs and prevention

Osteoporosis is a disease that causes weak bones that break easily. People who smoke, have a low body weight, family members with osteoporosis, do not get enough exercise, drink alcohol (more than three drinks a day) and take certain medicines for seizures or steroids, and women over 50, are more likely to get it.

There is no cure for osteoporosis, but there are things to slow it down and tests to detect it early, such as X-rays (DXA scans), spine, hip or wrist exams, and ultrasounds.

Prescription medications in the form of a pill, a patch, or injection can slow bone loss. A primary care physician can offer other drugs and will advise to monitor possible side effects and interactions with other medications.

Dietary supplements including vitamins, powders, energy bars and herbs may assist in progression of osteoporosis.

Lifestyle changes such as physical exercise, walking, quitting smoking, limiting alcohol and getting enough calcium and vitamin D may also lower the risk for osteoporosis.

For more information on women's health, visit www.fda.gov/womens.

Last Friday, the Leisure World Bicycle Club members took a break at Shoreline Village, Long Beach before returning to Leisure World. It enhances social pleasure like a high five, laughing or a hug. Fitness Fusion meets on Tuesdays at 10:30 a.m. upstairs in Clubhouse 6 and on Thursdays and Saturdays at Veterans Plaza. Bring weights to Veterans Plaza for additional resistance. Everyone is welcome.

SUNSHINE CLUB

Learn about housing market trends

Maryann Shaddow will give a presentation on the real estate market for Leisure World at the Sunshine Club's next meeting on Friday, June 2, at 10 a.m. in Clubhouse 3, Room 2.

Shaddow has been with On-Site Home Sales for the past five years. She has been a resident in Mutual 14 for the past 11 years.

Real estate is an ever changing entity. It is now the buyer's market. Sales have slowed, and prices are coming down slightly. It was just a few short months ago that homes were going over asking price and sold as soon as they came on the market.

Interest rates have had a lot to do with this. When the federal government increases the interest rate, it slows the amount of money being lent. Many shareholders do not realize that even though the majority of LW homes are all cash, this stills affects residents. People who are looking to buy here are searching for a buyer on the outside. That means they often need to secure a mortgage. Since interest rates have been increasing, it is making it harder for the homes on the outside to sell and to supply potential buyers.

Sellers have to make their homes stand out among the crowd. That means painting, flooring and staging are more important than ever.

The On-Site Home Sales office will help LWers coordinate with approved vendors to make this as smooth and easy as possible. Realtors come out and provide a market analysis, allowing sellers to determine what work they need to do and what price point the home will sell for.

On-Site has people who will help clean out a unit, do repairs, and provide professional staging.

Maryann Shaddow

On-Site Home Sales gives back every year to the community, which helps keep the GRF portion of the HOA's down for residents. On-Site Home Sales is the only real estate office that is endorsed by the Golden Rain Foundation and the Mutual Corporations. Last year the company gave back \$610,575.00 out of commissions.

Finally, Shaddow will go over the process for listing homes to sell and touch on what is required from a buyer to purchase in here. Each Mutual has its own rules for buying and selling

The Sunshine Club will host four speakers this month including Shaddow. Vice President of Alzheimer's Orange County Patty Mouton will speak on June 9; retired Seal Beach Police Officer Rick Paap June 16; and GRF Executive Director Jessica Sedgwick, June 23. There is no Sunshine Club meeting on Friday June 30, due to the GRF Resource Expo.

The Sunshine Club requires no membership fees; but donations are welcome.

For more information, contact Anna Derby at 562-301-5339.

FALW will hold annual Veterans Picnic on July 1

The Filipino Association of Leisure World (FALW) announced its annual Veterans Picnic will be held on Saturday, July 1, at the Clubhouse 1 picnic area. The event is open for all U.S. veterans residing in Leisure World and their guests. It is a way for the FALW to express its gratitude to veterans for selfless service to a great nation.

The Golden Age Foundation (GAF) donated \$3,500 to the FALW for the event. The FALW is grateful for the assistance.

The FALW started the event 11 years ago but, due to COVID-19, it was cancelled for two years. The event came back last year, stronger and bigger

than ever.

Last year, close to 250 veterans and their guests attended the picnic. Guests enjoyed delicious food, desserts, fresh-cut

fruit and sodas, and sang all the military branch songs to uplift spirits. "Taps" was played for departed comrades.

The Hui O Hula Club and the Hawaiian Band will entertain during the picnic this year.

Registration is required to attend the event. To register, call Ren Villanueva, 323-854-6209; Ric Dizon, 714-225-3597; Ed Bolos, 551-998-4223; or Harry Varnas, 323-791-1141, and state your name, phone number, branch of service and number of guests. A gift will be distributed to first 100 veterans who registered for the event.

Registration is open to veterans until June 25.

SCHMOOZE CLUB

Enjoy kosher pickles and schmoozing on June 13

All Leisure World residents and guests are invited to the Schmooze Club's annual kosher pickle event on Tuesday, June 13, in Clubhouse 3, Room 9. The group will gather at 10 a.m. for "schmoozing" (socializing) and refreshments. The event will begin at 10:30 under the expertise of "Rabbi Pickle" (aka Rabbi Shmuel Marcus), who will bring the supplies.

RSVPs are required for those making pickles in order to provide enough supplies for the event. Call Darlene Rose 562-347-8088 no later than end

of the day on Thursday, June 8.

Pickle makers may make as many containers as are requested in the RSVP and will receive instructions on how to let the cucumbers continue to pickle in the brine at home.

The cost to cover materials is \$5 for each container of pickles being made by the same person. Those who want to come but not make pickles, are asked to donate toward refreshments.

This is a very popular event every year and will be the club's last event before summer.

Guests are welcome. People

must call Rose with the names of any guests for Main Gate entry.

Plan to attend and make kosher pickles the "old fashioned" way to enjoy at a picnic or barbecue in June, share with neighbors and friends, or 'relish' at home.

As always, "There are no dues to schmooze."

Democratic Club

by Mary Larson
LW contributor

Isabel Ocampo, an experienced fundraiser with a history of working on political campaigns, was the guest speaker at the LW Democratic Club's membership meeting on May 24. She was a stand-in for CA State Sen. Dave Min. He is currently running for election to the House of Representatives.

Due to several recent developments, there is renewed interest in this campaign to replace Katie Porter who is the current representative in Congress from District 47. One of the other Democratic candidates for this position, Joanna Weiss, is scheduled to speak at the club's membership meeting in July.

Min is a native Californian who went to Wharton for his economics degree and to Harvard Law School for his 2002 law degree. He began his career in public service at the Securities and Exchange Commission.

Min went on to work for Sen. Chuck Schumer as an economic policy advisor. From there, he went to the Center for American Progress as the economic policy director. During the subprime mortgage crisis, he wrote the major proposal on reforming the housing finance enterprises Fannie Mae and Freddie Mac.

Twelve years ago, Porter and Erwin Chemerinsky recruited Min to come back to California to teach at the University of California in Irvine's new law school. While at UCI, he taught contracts and banking law. His research focused on building a

fairer economy and financial system, including writing leading papers on banking regulation and corporate governance.

Min has testified six times before Congress. His work has been featured in the New York Times, Wall Street Journal, Washington Post and Los Angeles Times, as well as in other leading publications.

Min currently serves as a California state senator in District 37. In this role, he has been a progressive voice on a number of issues, including those relating to climate, gun violence prevention and education. This year, he is the chair of the Natural Resources and Water Committee where he is fighting to end offshore oil drilling and expand open spaces. His district overlaps with almost all of the current 47th Congressional District.

Community Karaoke

The catchy beat of "Sunday Morning Coming Down" sung by Richard Yokomi set the tone for an evening of karaoke on May 24. Mariza Jouquin followed with "Close to You."

Opera Club

Everyone is invited to come and watch a new opera, "The Hours," on Tuesday, June 6, at 1:30 p.m. in the Learning Center of Clubhouse 3. This will be the first opera the club watches in June.

"The Hours" is a 2022 opera in two acts with music by Kevin Puts and an English-language libretto by Greg Pierce, based on Michael Cunningham's 1998 Pulitzer Prize-winning novel and its 2002 film adaptation, both with the same title. The opera was commissioned by New York's Metropolitan Opera and the Philadelphia Orchestra.

Three lives are connected by Virginia Woolf's 1925 novel "Mrs Dalloway." In 2001, Clarissa Vaughan (Renée Fleming), a New Yorker, prepares an award party for her AIDS-stricken long-time friend and poet, Richard (Kyle Ketelsen). In 1951, Laura Brown (Kelli O'Hara) is a pregnant California housewife with a young son, currently in an unhappy marriage.

In 1920s England, Virginia Woolf (Joyce DiDonato) battles with depression while struggling to finish her novel "Mrs Dalloway." The opera takes place within the span of a single day in three different decades, alternating between them to follow the three women.

In the final scene, unique to the opera, the three female protagonists, Laura, Clarissa and Virginia, sing a trio, realizing that in their connection to one another across different times and places, they are not alone.

Viewers who are unfamiliar with the book or the film may want to read a full synopsis before attending the opera. The synopsis can be found on Wikipedia under "The Hours (opera)"

The production is in English with English subtitles. Attendees are invited to wear masks indoors, if desired. No dues or fees are collected. For more information, email Opera Club President Margaret Gillon at MargaretGi@yahoo.com or call her at 562-370-3844.

Jojo Weingart

Beloved dancer Donna O'Keefe (center with lei) bid farewell at the last Hui O Hula meeting. She is moving to Ohio.

Hula beginners class cancelled; new dances begin

Hui O Hula offers hula lessons twice a week on Tuesday upstairs in Clubhouse 6 and on Thursday at Veterans Plaza—or inside Clubhouse 3 when weather is unfavorable. Both classes start at 1 p.m.

All are welcome.

Beginners class cancelled

The six-week class for absolute beginners, which cost \$25 for material reimbursement, was scheduled to begin June 6, but has been cancelled due to an unexpectedly heavy performance schedule in June.

Dancers are gearing up to entertain the LW Latino Club on June 8; the LW Christian Fun and Fellowship Club on June 20; Rowntree Gardens Assisted Living on June 22; Korean Military World Celebration on June 25; and the LW Hearing and Sighted Impairment Club on June 27.

Longtime member moves to Ohio

After living in LW for over 35 years, beloved dancer Donna O'Keefe's hula family bids fare-

well and fond aloha as she gets ready to return to her family in Ohio. The club wishes a happy June birthday to Cynthia Saxon (pictured, third from left).

After retiring 10 years ago, Saxon has been dancing with Hui O Hula for nine years. She enjoys travelling solo.

"Not being able to hear everything, I welcome mother nature in silence and take in all sights delightfully," she said. Her sense of humor enables her to enjoy life and be welcomed everywhere.

New dances introduced by volunteer teachers

Even though the special beginners class is canceled, anyone new to hula is welcome to drop in to the club's meeting upstairs at Clubhouse 6 every Tuesday at 1.

Dancers Susan Cucci and Keiko Kawamoto have been volunteering their time to help the malihini (newcomers) with the basic hula steps and different dance subjects.

Dancer Yo Kishi, who has been teaching hula to beginners for more than a decade, remembers more basic hula steps (there are 17) than Jojo Weingart, who started Hui O Hula. She is also willing to help. In fact, most old-timers are happy to share their hula knowledge in this friendly class.

Twice a week, dancers enjoy friendship and swaying to melodic island music together. In nearly two decades, more than 100 hula have been taught and learned. Old hula often become new hula.

Besides the "oldies but goodies," dancers are now learning how to use the pu'ili (bamboo rattles) and the 'ili'ili (river rocks) in song "Ka Huila Wai" (The Water Wheel). It is amusing to see the dancers using the implements to tell the story instead of their hands.

For more class information or performance schedule, call 562-431-2242.

Shuffleboard Club held its last tournament of 2023

On May 23, 17 LW Shuffleboard Club members attended the GRF Board meeting in support

of contracting a shuffleboard specialist to rebalance the six indoor lanes in the courts building

behind Clubhouse 1. The board approved the proposal

Tournament Poker

Last Saturday, the Tournament Poker Club had five tables of six players. The two players with the highest hands were Wendy Wu (KKKA) and Jon Jones (66669). The promotional hand (62) was also won by Jones using the same cards that won the high hand.

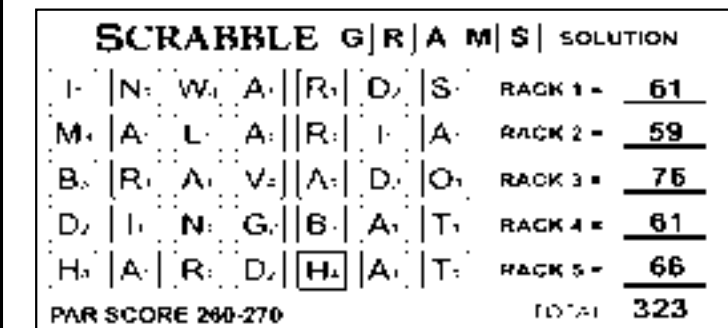

The final table players were Guta Basner, Tom Pappas, Doug Wolf, Susan Dodson and Cleo Looney. There was plenty of action at the table, with Basner going out first in fifth place, followed by Pappas in fourth and Wolf in third. Two of the best women players, Looney and Dodson, continued the final table between them until Looney of A9 to beat Dodson's A3.

Looney has lived in Leisure World for 22 years and has been a member of the club for 16 years. This was her seventh final table

The Basic Rules of Sudoku:

- There is only one valid solution to each Sudoku puzzle. The only way the puzzle can be considered solved correctly is when all 81 boxes contain numbers and the other Sudoku rules have been followed.
- When you start a game of Sudoku, some blocks will be pre-filled for you. You cannot change these numbers in the course of the game.
- Each column must contain all of the numbers 1 through 9 and no two numbers in the same column of a Sudoku puzzle can be the same.
- Each row must contain all of the numbers 1 through 9 and no two numbers in the same row of a Sudoku puzzle can be the same.
- Each block must contain all of the numbers 1 through 9 and no two numbers in the same block of a

Sudoku puzzle can be the same.

Men's Golf League

Friday Golf

On May 19, seven golfers endured the 6,000-yard par 71 Wil-lowick Golf Course in Santa Ana. The course is not in the greatest condition and scores reflected the issues. Fujio Norihiro had the fewest putts for the round. Sam Choi and Gene Vesely were closest to the pin on the par three fourth hole and Choi was again closest on the par three 12th hole. There were no birdies this round.

A flight winners: Gene Vesely, first place, seven under 64; Choi, second, four under 67; Bill McKusky, third, one under 70; Gary Stivers, fourth, at even par 71; Norihiro, fifth; Bob Munn, sixth; and Lowell Goltra, seventh.

Monday Golf

On Monday, May 22, 14 golfers attacked the 5,800-yard par 70 Riverview Golf Course in Santa Ana. The course has remained in great shape all year except for heavy rains. The weather was overcast, cool and damp, but all the golfers played well with nine of the 12 net under par.

Dave LaCascia had fewest putts in the A flight; Tom Ross had fewest in the B flight. Munn was closest to the pin on the par three second hole and Choi was closest on the par three ninth hole. Choi had the only birdie.

A flight winners: Choi, first, six under 64; LaCascia, second, three under 67; McKusky, third, two under 68; Fujio Norihiro and Chris Lankford tied for fourth place at one under 69; and Larry Hillhouse, fifth, three over 73.

B flight winners: Munn, first, seven under 63; Gene Vesely and Tom Ross tied for a second place at two under 68; Lowell Goltra, third, at a nice even par 70; Digna Vesely, fourth, at two over 72; and Bill Zurn, fifth.

The Monday and Friday golf leagues play at four local courses within 15-20 minutes of Leisure World. The courses are usually full, so advance league reservations are required with a sign-up sheet available at each round.

POOL CLUB

Pool League ends season with sweepstakes

On May 22, the Spring Pool League ended its spring season with the sweepstakes event by starting an hour early with a dinner of pizza, salad and dessert. The club also decided to have its Monday team, the American, and Wednesday league, the National, each play the six teams in the other league, since they don't play each other in the regular season.

All three players on each team played eight ball and rotated shots. After all six games there were two teams tied with five wins and only one loss. The Favorites, from the National league, lost their only game to the Cue Crew, from the American, but the Cue Crew lost game five to force a one-game playoff.

Dave Ruiz of the Favorites had a ball-in-hand with two striped balls and the eight

John Barth is most valuable player.

remaining on the table. He made one ball on the corner and gave Connie Adkins a shot on the last striped ball in front of the

side pocket. Adkins made the ball and left Dave Silva a straight in shot on the eight to take first place.

The Cue Crew, with Shery Wells, Gary Monahan and Bruce Pet-tys, finished second. The Ruffians of the National Division beat In the Mon-ey, from the American, to take third place.

The League's most valuable player award went to John Barth, who had the most singles wins during the season. All that extra practice worked for Barth, as he won 80% of his singles matches.

The next event on the pool schedule is something the club started last year, the Poolathon, which will be a real test of the players' all-around ability. Twelve play-ers will play eight ball, nine ball, one pocket and straight pool.

Men's Golf Tournament

On May 24, two groups of three flights of variously skilled men golfers played for best net scores (gross score minus handicap), plus two circle holes (shots within a 5-foot radius are rewarded) and two closest to the pin challenges. The Turtle Lake Golf Course is a 1,658-yard, 18 hole-par 54 course, that challenges all who play.

Men's Club membership meeting is June 13 at 9 a.m. in Clubhouse 3, Room 1. The club also reminds everyone to never take golf carts onto greens or tee boxes, and be mindful of golfers teeing off behind on tee boxes 6-9, and repair tee box divots and ball marks on greens.

A total of 63 golfers challenged the course this week. A special low gross challenge was offered again this week and accepted by 17 golfers. Bob Barnum and Dong Kim took first place at one over 55; Bill Lyons, second, at two over 56; and five golfers had scores of two over 57.

With decent weather conditions there were 44 birdies and nine circle hole winners, and 35 of 63 golfers were net at or under par. Closest to the pin on the second hole was Fujio Norihiro, and on the 11th hole was Bill Lyons. Low net score was Alan Sewell at eight under 46, with Rolando Ramirez and Mike Carlson next lowest at seven under 47.

A flight winners (encompasses golfers with handicaps of 0-6; all scores below are net, which is a gross score minus handicap): Dong Kim, Thomas Kim, and Ron Steele tied for a first place at four under 50; Mark Rice and Young J. Kim tied for second, at three under 51; Bob Barnum, third, at two under 52; John Kolthoff, Pat Paternoster, Richard Jun, and Trai Nguyen tied for fourth, at one under 53; and Mike Mayfield, fifth, at even par 54.

B flight winners (has handicaps of 7-10): Alan Sewell, first place, eight under 46; Rolando Ramirez, second, seven under 47; Bill McKusky and Don Newhall tied fro third at six under 48; Walt Bier, fourth, five under 49; Dale Williamson, fifth, four under 50; Fujio Norihiro, Bill Long, Roland Phillips, and Gene Archambault tied for sixth place at three under 51; Brian Tivnan, seventh, at two under 52; John Rudosky and Gary Newhall tied for eighth at one under 53; James Farr and Hyon Shin tied for ninth place at even par 54.

C flight winners (has handicaps of 11-18): Mike Carlson, first place, seven under 47; Sam Williamson, second, seven under 47; Ben Benjamins, third, four under 50; Paul Shellenberger, fourth, three under 51; Scott Tuchfarber, fifth, two under 52; Daniel Mahoney and Jim Bassett tied for a sixth place at one under 53; and Jack Haskins, seventh, at even par 54.

Cribbage Club

On May 23, Helen Elich treated Cribbage Club members to a delicious chocolate cake and ice cream in celebration of a cribbage day. Candy Meyers and Carrie Kistner helped with serving 49 club members.

Kistner and Elich scored the highest—842 points each. Drew Sargent was second with 837 points; Ron Jackson, third, with 833; and Barbara Wilke, fourth, with 828. Bob Berry won six of seven games played. The club also welcomed Myrna Losquadro as a new member.

To learn more about the game of cribbage or joining the club, call and leave a message with Terry Thrift at 714-394-5885. This year's dues are \$5; \$1 is collected from each member when play begins.

To join, see the club's officers at the check-in desk before play begins on Tuesdays at 12:30 p.m. in Clubhouse 1. Members who come by 12:15 are guaranteed a place at the table.

unanimously. The work is expected to take place in July.

Twenty-four players participated in the highly competitive Joan LaCascia memorial tournament. Also, five guests, including three former club members, came to watch the games and catch up with friends. The games were followed by a luncheon of sandwiches, shrimp, vegan chili soup, cake and ice cream.

On June 8, the club will hold an important general membership meeting at the courts building at 10 a.m. The agenda includes debriefing the recent memorial tournament, upcoming grand reopening of the courts, and the club's 60th anniversary celebration.

Assistance with learning the basics of shuffleboard is available all month in June. The shuffleboard courts (behind Clubhouse 1 on Burning Tree Lane) and mentors are available for instruction, practice, and pick-up games Monday and Wednesday mornings from 9-11. The spring madness league invites anyone to join their pick-up games Wednesday afternoons from 1:30-3:30. The equipment is available at the courts building. Closed toe shoes are required.

Organized leagues will resume play mid-September. Everyone is invited to the summer practice times to learn the basics to enjoy league play. For more information, call or text Kay Mount at 775-527-0426.
