SB Police takes over animal services

The City of Seal Beach ended its nearly 20-year contract with Long Beach Animal Care Services earlier this month. On July 1, the city implemented an in-house animal control program led by the Seal Beach Police Department.

The City of Seal Beach has contracted with the City of Long Beach to provide animal control services to Seal Beach for the past 19 years, from 2004 to 2023.

City officials began seriously considering the transition after operating cost increases prompted a review of the Long Beach animal control contract.

City staff conducted a comprehensive assessment of animal control services in general, as well as an exploration of alternative options for the City of Seal Beach.

In May of this year, several options were presented to the city council, and it was by the council's direction that animal control services were brought back within the city's oversight.

As of July 1, the Seal Beach Police Department has begun handling all

Shades of Billy
A Billy Joel tribute

Steve Feller will perform Top 40 hits from Billy Joel, with guaranteed renditions of "Uptown Girl," "Piano Man" and "The Longest Time."

Billy Joel Tribute: Shades of Billy
Thursday, July 13 | 7:30 p.m.
Amphitheater Stage

Sponsor: MemorialCare

Shades of Billy is comprised of lead singer Steve Feller, who looks and sounds like Billy Joel, backed by a band of veteran players who bring the sounds of excellent horns, vocals, piano, guitars and bass to accompany Feller at the grand piano.

Feller has been performing Billy Joel's Top 40 hits for decades. With the finesse of his band, he brings an authentic re-creation of the best of the iconic singer. The concert includes such hits at "Uptown Girl," "Piano Man" and "The Longest Time."

Feller was born in Newark, New Jersey, in 1955 where he began singing and playing the piano at the age of 5. Always the show man, he entertained his parents guests at dinner parties with his strong vocals and later went on to perform and win on the Ted Mack Amateur Hour three times.

Before Feller was of legal age, he was performing in bars and clubs in New Jersey and New York and would have to

wait outside on his breaks. But this did not deter him from his calling as a piano-playing singing entertainer. When Feller was 17 his family moved to Los Angeles, California where he immediately fell into the musical world on the west coast. In high school in the 1950s, Feller joined a band that originated from a talent show. It ended up playing at all the local high schools and became very well known in the Southern California area. After high school, Feller joined several Top 40 bands and played all the songs as they hit the charts in the '70s and early '80s.

While performing a single piano act in Burbank, California his former band mates from high school started sitting in and in record time the band was reunited. They hit the road to become a sought-after vintage rock and roll band. During the next 30 years, the band opened for and performed with the likes of Chuck Berry, The Righteous Brothers, Three Dog Night, The Four Tops, The Temptations and many more.

Throughout all phases of his musical career, Feller has steadily performed Billy Joel songs as they hit the charts and is now showing tribute to his most revered iconic entertainer, Billy Joel, in his performance of "Shades of Billy."

TRANSITION TO CINC PAYMENTS

ACH users: GRF will phase out Clickpay

The GRF is now 60 days into the CINC transition and will be discontinuing the old ClickPay payment processor on July 20. Additionally, monthly statements will be provided to shareholders in lieu of coupon books.

On May 1, the GRF began transitioning to the CINC software system, which includes a new payment processing tool for residents. Welcome letters with important registration information were sent to every household in May.

Shareholders on ACH (direct debit) through GRF are not impacted and won't need to do anything during this transition. Shareholders not on ACH (direct debit)

need to send payments to the lockbox, drop off payments with the cashier or they can log in to their online portal to make a payment.

The portal address is <https://lwsb.cincwebaxis.com>.

As a reminder:

- There is no charge to register for the portal. (Additional charges on shareholder accounts are most likely for residential repairs; bills for those services will be coming in the mail shortly.)
- To register for CINC, member information must match CINC's account information, so use the information

HEALTH RESOURCES

On-site health coalition celebrates first year in LW

On June 20, 2022, a collaboration of Orange County health agencies—including the Council on Aging, Alzheimer's OC, Adult Protective Services, Pathways and Meals on Wheels Long Beach—gathered together to announce their new roles as on-site providers for Leisure World residents.

Now, a year later, that collaboration's impact has made broad impacts on the LW community.

COALITION, page 2

COALITION
from page 1

The Council on Aging
The Council on Aging Southern California is a nonprofit organization that provides information, programs and services that promote the independence, health and dignity of older adults.

In Leisure World, the Council on Aging has served 97 participants so far through its ReConnect program and case management services. The ReConnect program offers screenings, support services and counseling to those experiencing emotional challenges, loneliness and/or health barriers.

Alzheimer's Orange County (AlzOC)

AlzOC is a nonprofit that offers help with a variety of programs at no cost. With 40 years of experience helping people affected by Alzheimer's disease and other dementias, its services and programs are designed for people struggling with memory loss. Beyond that, it also provides supportive programs for caregivers, families and friends

who face challenges caring and interacting with those who suffer from Alzheimer's and dementia.

In the past year, AlzOC and their partners have worked tirelessly to help AlzOC implement a Memory Support Team (MST) here in Leisure World, which is set to begin its first series of educational classes later this month.

The established Memory Support Team will provide home visits, memory screenings, home safety checks, medication reconciliation, and care planning to residents—all services that, at this time last year, could only be utilized through outside care providers.

The organization has also

hired two Care Team navigators and two Korean-speaking volunteers from SoMang, who are currently undergoing training.

In just a year, the team has completed 39 memory screenings, 55 individual consultations, and reached 265 residents through workshops on brain health and more.

Adult Protective Services

Adult Protective Services (APS) serves senior adults, protecting them from abuse, neglect or exploitation. It also advocates for seniors who have been harmed or are at risk of harm and can provide crisis intervention.

APS worked investigates and focuses on remedying cases of abuse, neglect or exploitation of adults 60 or older. They work closely with a wide range of allied professionals such as physicians, nurses, paramedics, firefighters and law enforcement officers.

APS also has a vast list of community resources and can assist the elderly and their family members in developing

individualized care plans.

In Leisure World, social workers continue to work diligently to help those in need, and are particularly focused on preventing and remedying neglect, abuse and exploitation.

Pathways

Through its care navigation program, Pathways focuses on empowering residents to find solutions that will help them remain safe and independent in their homes for as long as possible, while ensuring they have a care team to help them along the way. This team includes social workers, nursing students and volunteers.

In just one year, Pathways has made a hefty impact. The organization has served 170 shareholders, completed 124 individual cases with navigation and case management, completed 10 individual cases with finding hospice or an advocate, and helped 32 individuals with bereavement.

Pathways also started a friendly visitor program in LW, with 26 friendly visitor volunteers, all of whom are Leisure World residents. These trained volunteers can visit or call isolated older and disabled adults on a weekly basis.

Pathways case managers and social workers continue to work with LW residents to provide full in-home assessment and client care programs, as well as linking residents to additional services.

Meals on Wheels Long Beach

Meals on Wheels Long Beach, which provides healthy food to seniors in need, has helped 12 low-income shareholders and eight others with meal service. The Meals on Wheels Long Beach team currently serves 100 shareholders.

Golden Age Foundation

The Golden Age Foundation offers a constellation of support throughout Leisure World. The nonprofit volunteer group has been serving the community for 50 years with a variety of programs designed to enhance LW living.

Golden Rain Foundation

None of this would be possible without the GRF, which provided space, equipment and budget resources to get the on-site collaboration started.

In the past year, the collaborators have been laser focused on their goal: to help each resident thrive safely and successfully in the comfort of their own homes.

animal control services for the community.

“It is extremely gratifying to see Seal Beach take a leadership role in its city by deciding to operate its own animal services program,” said Long Beach Animal Care Services Acting Bureau Manager Melanie Wagner. “No doubt this will bring greater connectedness between the community and their newly established Animal Welfare Department.”

The essential role of Animal Control is to enforce state and local laws pertaining to animals and animal ownership. Animal Control Officers issue citations, investigation violations of animal care and welfare, and investigate violations of the municipal code.

They also provide education on the humane and required treatment of animals, as well as share information on how best to follow animal-related laws. Lastly, officers will respond to calls for service and provide care or impound for healthy, injured, sick, dangerous or deceased animals.

All SBPD Senior Community Services officers and police aids assigned to field duties have attended a course designed to provide animal control officers with the knowledge and skills necessary to respond to animal-related incidents.

Following a request for proposals, the nonprofit Westminster Adoption Group and Services (WAGS) was selected as the designated animal shelter for the City of Seal Beach.

For more information about WAGS, visit 6621 Westminster Blvd., call 714-887-6156, or visit <https://wagspetadoption.org>. They cannot take in wildlife; people who have concerns related to wildlife can contact the Wetlands and Wildlife Care Center at 714-374-5587.

Dog licenses that were previously tracked by the City of Long Beach will expire at the end of the year. The City of Seal Beach will provide more information on re-licensing animals in the coming months.

To report an animal control-related incident, contact the SBPD non-emergency line at 562-594-7232. For life-or-death emergencies, call 911. For more information about the Animal Control program, email animal-control@sealbeachca.gov.

AMPHITHEATER SHOWS

Watch signage when parking at Amphitheater shows

Security Services Manager Larry Norlander is keeping residents and first responders safe with his electronic ticketing device.

by Victor Rocha
Security Services Director

It is important to note that all parking rules and regulations are enforced in the Amphitheater parking lot during the summer concert series.

Vehicles have been observed parking in “No Parking” zones and in areas not designated for parking.

Vehicles have also blocked clear routes to entrances, exits, and corners inside the parking lot. Most importantly, illegally parked vehicles can slow the response for police and paramedic units to respond in an emergency.

Any violations of the parking regulations (including non-handicapped vehicles parking in a handicapped space) will be subject to citation.

In addition, any vehicle blocking access for emergency

PERSPECTIVES

Letters to the Editor

Editor:
I will chime in on the issue of the current lack of a pharmacy on the LW campus.
I found the convenience of the pharmacy to be wonderful, but I did not find it necessary. However, it closed right before I had knee replacement surgery. Therefore, I had to go to the overcrowded CVS with overworked staff, inundated with a bunch of angry, impatient, displaced seniors from you-know-where. I had to get my pre- and post-operative medicines and refills there. It was no fun.
I joked that the pharmacy would reopen after I didn't need the convenient service anymore. OK, I am all healed now, it is time for the pharmacy to reopen. It has been long enough by far. Oh, and by the way, I too am outraged.

I work for a utility company, and I noticed that one of the palm trees in the Aquatic Center was planted directly underneath overhead power lines. The fronds are constantly rubbing the wire near the intersection of Golden Rain Road and St. Andrews Drive. No amount of trimming will alleviate this situation. The tree should be relocated elsewhere in LW.
Trees should *never* come in contact with power lines.
I am also a musician and wince when listening to music coming out of only one channel by the pool.
Can we relocate the other

speaker from the spa until the final system is installed so that we can hear both sides of stereo as the recording artists intended?

Good news! The Primrose Restaurant is open again. It's in Seal Beach Village, adjacent to the location of the farmers market every week. The kitchen is open every day from 7 a.m.-4 p.m., and the bar remains open till around 8 p.m.
Once it is able to get more staff, the kitchen will be open until 8 p.m., according to the owner.
We had a great breakfast on July 5 and very good service. Please come out and support the restaurant, which is within walking distance, to help it stay open.
The Leisure World bus stops at the center as well. Forks up.

Editor:
Now that parking tickets will be issued for parking over 72 hours on GRF Trust streets, people need to know what streets are included, as it is my understanding that Mutual streets are excluded from this. Possibly signs should be posted.

Barry Allen
Mutual 10

Editor's Note: Trust streets include all named streets in Leisure World and are subject to GRF parking enforcement rules. Carport streets and other Mutual access roads are not subject to GRF parking enforcement.

Editor:
The Seal Beach Market closed in 2008.
It carried a full inventory, similar to what one would find in any other market. A majority of residents voiced complaints at that time.
After the Seal Beach Market closed, an "agreement" was reached by management with the HCC pharmacy. We have the Downtown Cafe, which might have accommodated items such as milk, butter and bread, but this concept never really got off the ground.
Now, we have to take the Seal Beach bus to grocery shop. Recently, I needed milk and had to use the bus for the first time. The bus operates on a fixed schedule.
I was accustomed to taking the car and completing my errand in minutes.
Since I lost my driving privileges due to my health, I found out how much I count on the pharmacy.
I am sure I speak for the majority of residents who came to Leisure World after they had retired from a lifetime of working, raising children and such. We came here to wind down our lives.
The idea of a store has been discussed and tossed out.
We can have groceries delivered, but it is an added expense we didn't have to consider.
There are some who wanted to make this a more active community, but I think we should take a step back instead.

The center offers a variety of items for sale, including File of Life sleeves for 91 cents plus 10 cents for the medical information sheet that fits inside; compost bags for the food scrap collection program; copy, notary and passport services; household light bulb disposal and the sale of emergency preparedness kits and replacement parts (stove top drip pan, light bulbs, etc.).

Setting It Straight

U.S. Rep. Katie Porter, (D), CA District 47, was inadvertently omitted from a "How to Contact Your Government" listing in the July 6 LW Weekly. Also omitted were California Sen. Janet Nguyen, (R), District 36; and Andrew Do, Orange County supervisor, District 1. The corrected listing is on page 5 of this issue of the paper.

OF MUTUAL INTEREST

Mutual 17 to begin enforcing parking rules on Aug. 1

by Tom McCabe
LW contributor

Mutual 17 has significant differences from the other 15 Mutuals in Leisure World.
The primary difference is that Mutual 17 is not a cooperative organization but a condominium organization.
The property is fully deeded and individual units are owned by the recorded owners. The common areas, grounds and infrastructure are under the authority of the Mutual 17 Association.
The costs related to the condominium unit are the sole responsibility of the unit's owner.
Costs incurred beyond the individual units are the collective responsibility of all the owners under the administration of the Mutual 17 Association.
Residents of Mutual 17 pay for all expenses with no financial support from the Golden Rain Foundation (GRF).
As Mutual 17 residents pay fees, they are entitled to the use of the trust properties administered by GRF.
As the land comprising Mutual 17 is all private property, it

is not part of any trust property and use of privately held acreage is governed by easement right agreements.
Easement rights have been granted for use by GRF and the other residents of Leisure World.
These are for the use of the roadway known as Del Monte Drive south of Golden Rain Road and extending to Burning Tree Lane in Mutual 1.
There are also emergency easements that wrap around the back sides of the three buildings that comprise Mutual 17.
No parking easements have ever been granted. All parking spaces on the grounds of Mutual 17 are private.
Like all other Mutuals, Mutual 17 parking is restricted to residents and their guests only.
People often mistakenly think that the parking area adjacent to Clubhouse 1 is for the community at large, but it is not. Those parking spaces are strictly reserved for the use of Mutual 17 residents.
Parking along Del Monte Drive south of Golden Rain Drive ending at Burning Tree Road is all privately held.

It is owned by the Mutual 17 Association and is not part of the Leisure World Trust property.
The parking spaces along this section of road are private and intended for the Mutual 17 residents and their visiting guests.
It is not for use by individuals visiting, using or attending events at Clubhouse 1, the Clubhouse 1 picnic area, the GRF Security Office, the On-Site Home Sales real estate office, the pool room, the shuffleboard courts and or the woodshop.
The easement agreement Mutual 17 has with Leisure World and the Golden Rain Foundation grants rights for the use of the roadway only, not for parking.
This section of Del Monte Drive is completely maintained by the Mutual 17 Association with no funds coming from GRF.
The Mutual 17 Association is putting the other residents and guests of Leisure World Seal Beach on notice that as of Aug. 1, vehicles not connected with the residents of the mutual will be subject to towing at the vehicle owner's expense.

Marianne Barlow

Wa-Rite

Wa-Rite's member Marianne Barlow has recently met her first weight loss goal and lost an additional 3 pounds the week ending June 30. The club lost a total of 19.5 pounds.

On June 30, the club's last meeting of the month was dedicated to sharing. Judy Chambers shared her experience with battling and balancing frugality and leftover pie (her freezer was the solution). A vivacious visitor shared her motivation for coming to the club due to loss of strict control over temptations in her kitchen.

Club members also had a discussion on interactions between medications and supplements and the importance of discussing it with a primary doctor. For example, many popular supplements contain anti-inflammatory herbs which might cause significant problems for those taking medication for cardiovascular issues.

Club members also talked about milk alternatives, lower cost collagen, and examples of specialty products for individuals with specific dietary restrictions. People also had an opportunity to taste some healthier alternative craving crushers.

Wa-Rite provides a supportive environment with shared information, experiences, accountability and whimsy. Club members work toward their shared goal of making the most of their golden years by being healthy and fit.

Those interested in better health and more energy are welcome. People can stop by and check out the meetings for free for up to three times.

The club meets every Friday in Clubhouse 3, Room 1. Weigh-ins are from 8:15-8:45 a.m. The meetings are from 9-10 a.m. Annual membership is \$10. Weekly dues are ten cents.

LW residents enjoyed an interactive presentation sponsored by Reneu Health.

Monthly fall prevention series with Reneu Health packed a full house at Optum HealthCare Center

by Katya Lukina
LW staff

On Wednesday, July 5, over 30 residents attended the monthly fall prevention series at Optum HCC presented by Christian Valentin and Divina Degarriz from Reneu Health. According to CDC, about 36 million falls are reported annually among those 65 and older. 800,000 seniors are hospitalized annually for head injuries and hip fractures due to falls. In addition, falls are the most common cause of trauma to the brain.

Stress, anxiety and rushing can put anyone at risk for falling. Slowing down and learning how to breathe can provide a foundation as well as finding the alignment in daily movements. For example, looking straight ahead and putting feet inside the walker while using it is a good example of finding the balance and keeping the correct posture. Valentin advises taking the walker along for the ride using sensory inputs—the response in sensory organs such as eyes, ears, nose, tongue and skin when they receive stimuli.

Postural alignment plays a big role in:

- Injury prevention
- Organ function
- Brain health
- Increased energy levels
- Minimal wear and tear
- Better circulation
- Optimal lung capacity
- Chronic pain prevention

Christian Valentin demonstrates the seated external shoulder rotation to the attendees.

“I found this event to be informative, helpful and very well attended, and slow enough to understand. The group was eager for more, and the evaluations are valuable.”

—Christine Bird, Mutual 5

- Maintenance of the muscle function.
- All of those variables create a positive cycle that aids in fall prevention. To improve the brain health, the powerhouse of the body, Valentin suggests standing up for a phone call, sitting straight when watching TV, and having a contact with the floor.
- The attendees practiced the correct foot and knees placement while seating, and the external shoulder rotation under

Valentin’s guidance. Forward and backward arm circles were also suggested as part of the posture alignment exercise. Reneu Health offers a free 30-minute consultation to those interested in learning more about alignment and fall prevention with a sign-up sheet available at the end of each presentation that is held every first Wednesday of the month at 11 a.m. in Optum HCC Large Conference Room. The next meeting is on Aug. 2.

This week, The Torah reading is a double Parashah: "Matot-Masei" (Tribes-Marches) from Numbers 30:2-31-54. The Israelites are instructed regarding vows and oaths made and vows cancelled. "Masei" lists all the journeys the Israelites had taken since leaving Egypt.

First Christian Church

First Christian Church of Leisure World teaches from God's word, the Holy Bible, verse by verse.

It is a friendly church that welcomes all visitors to join in worship and explore God's word together, "That we may be mutually encouraged by each other's faith, both yours and mine" Romans 1:12.

Pastor's Message

Abram was 99 years old when the Lord appeared to him and said "I am Almighty God; walk before Me and be blameless." Fourteen years had passed since Abram had rushed of God's plan and fathered a child with his wife's maid.

In the passage, God has come once again to remind Abram of the covenant he had made with him to make him the father of numerous descendants, numbering more than the stars. Abram fell on his face and God spoke to him saying "My covenant is with you, and you will be the father of a multitude of nations."

As God reaffirms this everlasting covenant, he ratifies it by changing Abram's name.

In Genesis 17:5 God says, "No longer shall your name be called Abram, but your name shall be Abraham; for I have made you a father of many nations." And indeed, He has done that very thing. Ishmael was born to Hagar, the maid of Sarah, and he is the father of the Arab nations. As First Christian Church proceeds in Genesis, people will see Sarah conceive by Abraham and bear a son, Isaac, who will be the father of the Israelites. Two great nations, one unplanned, one of the promise.

Community Church

Life is a series of choices. In his letter to the Romans, Paul writes about choices; specifically of the choice between law and life. He encourages readers to choose the Spirit of Life.

Community Church will look at how to choose the Spirit of Life this week.

What does it mean for believers to choose the Spirit of Life today? A person may have made good choices to end up where they are, but the truth is there are still many choices to be made. How should believers make decisions on what they are presented with today?

Community Church's worship service is at 9:50 a.m. each Sunday and is followed by a time of food and fellowship.

A celebration of life for Thelma Kieffer will be held on July 14 at 11 a.m. in the church sanctuary. Thelma's life of spunk and deep care for others impacted so many in lives in this church, the Leisure World community and beyond. People are welcome to join and celebrate her life that was so well lived and enjoy a meal together.

Community Church services are also available on livestream via Zoom and Facebook at [@CommunityChurchLeisureWorld](https://www.facebook.com/CommunityChurchLeisureWorld). People can contact the church office for the Zoom link.

Those who are in need without another way to address that need may call the church office to leave a message 562-431-2503.

This week's sermon: "Reason for Hope," from 2 Corinthians 4:16, is the message Pastor Dan Wilderman will share this Sunday. People will be encouraged and uplifted by this positive message, a beacon of light in a world inundated with negativity. For the believer, there is always hope.

Bible Study: The next installment of the Bible study "Job" by Francis Chan will be held on Wednesday, July 19, at 10 a.m. in Clubhouse 3, Room 2. A brief, compelling video teaching is followed by interactive, moderated Bible study. Students gain new insight into this familiar portion of the Bible

Pastors Chuck and Sheryl Franco

as they dive deeply into the scripture and share insight. This study is gaining new students each week.

Those who would like prayer or a DVD of the sermon can contact head pastors Chuck and Sheryl Franco by emailing

Church of Jesus Christ of Latter-day Saints

Meetings for the Atherton Ward are held at 6500 E. Atherton St., in Long Beach.

The sacrament service is held every Sunday at 10:30 a.m., followed in the second hour by Sunday School on the first and third Sundays, Relief Society and Elders Quorum on the second and fourth Sundays. Primary classes for children are held every Sunday during the second hour. Members who are unable to attend Sacrament

services in person can request a link from Bishop Mike Gravley at 562-212-8641.

The reading source for this year is the New Testament. The reading assignment for the week of July 17-23 is Acts 10-15.

The devotional "Come, Follow Me" says "During his mortal ministry, Jesus Christ often challenged people's long-held traditions and beliefs. This didn't stop after he ascended into heaven, as he continued to guide

his church by revelation.

"For example, during Jesus's life his disciples preached the gospel only to fellow Jews. But soon after the savior died and Peter became the leader of the church on earth, Jesus Christ revealed to Peter that the time was right for the Gospel to be preached to non-Jews. The idea of sharing the Gospel with gentiles doesn't seem surprising today, so what's the lesson in this account for us?"

Buddha Circle

Buddha Circle will meet on Saturday, Aug. 5, in Clubhouse 3, Room 1, with Ven. Kusala from 9:30-11 a.m.

Ven. Kusala is well known in the Buddhist community. He presents Buddhism in simple ways and teaches people how to suffer less and become happier.

Buddha Circle is an interaction-based group, and those who attend are encouraged to ask questions. Donations are welcome and will support Ven. Kusala in his teachings.

Pastor Sheri Leming

Faith Christian Assembly

2 Timothy 3:1 warns, “But know this, that in the last days perilous times will come.” The Apostle Paul assures Timothy that persecutions and trials were to be expected by all who aimed to lead holy lives and that it was certainly to be expected that evil men would become worse and worse.

Jesus said in John 16:33, “In me, you may have peace. In the world, you will have tribulation; but be of good cheer, I have overcome the world.” Times like these can have a tendency to make people feel anything but “good cheer.”

When Goliath was taunting Israel, 1 Samuel 17:24 says that the men of Israel were “dreadfully afraid.” But it also says that the young David “ran to the battle” (17:48) to meet Goliath. What made him do that? Earlier in the passage, David experienced victory in battles with a lion, and a bear. He was confident that Goliath would meet the same end as they did.

1 Samuel 17:37, David said, “The Lord, who delivered me from the paw of the lion and from the paw of the bear, He will deliver me from the hand of this Philistine.” David’s confidence was in the Lord, even though his brothers and others criticized him for his boldness in facing this challenge. They evidently were convinced that facing a bear or a lion was completely different from facing Goliath. But David knew he trusted God to be the same deliverer.

Even when believers find themselves in the middle of “interesting times,” they can make a decision to set their minds on those lions and bears that the Lord delivered them from in the past.

Sunday service times are at 10:30 a.m. and 5:30 p.m., with pre-service prayer offered at 5. Those who are interested in growing through community are welcome to join the men’s or women’s ministries. The groups meet the third Thursdays of each month at 1 p.m.

This week’s Torah portion is Matot-Masei from the Book of Numbers. Matot (Tribes) opens with laws about vows, and continues to describe the Israelites’ war against the Midianites and the allocation of spoils. The tribes of Reuben and Gad request to dwell outside of the Land of Israel, and Moses acquiesces on the condition that they help conquer it. Masei (Travels), the final Torah portion in the Book of Numbers, opens with a list of places that the Israelites traveled in the desert. God commands the Israelites to destroy idolatry in the Land of Israel, outlines Israel’s boundaries, and details the laws of cities of refuge for accidental killers.

Those who want to become a member of Congregation Sholom should call Howard Brass at 714-396-0121 for a membership packet.

LW Baptist Church

Christians share the same faith. Peter wrote to Christians all over the Mediterranean world, saying “To those who have obtained a like precious faith with us through the righteousness of our God and Savior Jesus Christ,” 2 Peter 1:1.

New life in Christ produced this likemindedness. It is the result of being part of the family of God and having heaven as a believer’s home.

LW Baptist Church meets for Sunday worship at 10 a.m. in Clubhouse 4.

Redeemer Lutheran thanks those who have contributed generously to its continuous food drive. People can bring non-perishable food to the church any time to be distributed to those in need in the broader community.

The church is blessed to have an outdoor chapel that reflects God’s light on sunny days, and is available 24/7 for prayer and contemplation. People are welcome to come to the side of the church (on the north side, near the golf course) to pause, sit on the bench, rest and pray.

RELATIVELY SPEAKING

Mutual 5 shareholder Anna Derby (front, left) and Yeu Hee (front, right) and Young Hwan Lee (r) didn't know their grandchildren attended the same high school until they ran into each other at the Santa Monica High School graduation night. They learned Rebekah Raphling, Derby's granddaughter, and Lucas Yun are friends, among the 650 2023 grduates. The two were so surprised and happy to run into each other. Now their grandchildren know their grandparents live in the same place, Leisure World.

New and returning students will be able to register for the fall semester one of two ways:

 2. Visit the Learning Center in Clubhouse 3 on Tuesday, July 25, from 8-10 a.m. GRF staff will assist residents who need extra help registering for classes on a first-come, first-served basis. After 10 a.m., visit the library to receive registration help.
- No matter which method students choose to register for classes, students must already have their Banner ID and password to access their online account before registration day on July 25.

Students who are currently enrolled or have taken NOCE classes before should visit mg.nocccd.edu before July 25 to ensure they have the correct log-in information by logging into myGateway successfully.

Those interested in attending Leisure World NOCE classes for the first time should visit the LW Library as soon as possible to receive assistance with applying to become a NOCE student.

Prospective students will need to apply on a computer and must have access to their personal email account to complete the application.

The Genealogy Library is currently open to members from Monday-Thursday from 1-4 p.m.; closed Friday; Saturday-Sunday from 11 a.m.-2 p.m.

Tickets on sale for Temptations musical

People can now buy tickets to “Ain’t Too Proud: The Life and Times of the Temptations.” The all-inclusive ticket is \$95 at the Recreation Office in Building 5. The show is on Sunday, Oct. 22, at 6:30 p.m. with an Amphitheater bus pickup at 4:30 p.m.

The Segerstrom Center for the Arts describes the Broadway musical “as an extraordinary journey from the streets of Detroit to the Rock & Roll Hall of Fame.”

In an interview with the Guardian, the founder and last surviving member of The Temptations, Otis Williams, called the musical a mixture of both pain and therapy: “I always tell people, the world loved The Temptations but The Temptations didn’t love themselves. Drugs came into play and once that happened, dreams and aspirations became fragmented. I am thankful to God for being able to withstand it all.”

The musical does not shy away from the challenges survived by the R&B group through its journey to stardom. The Recreation Department invites residents to enjoy the timeless music of The Temptations and enjoy the beautiful tales of their lives.

Due to the popularity of this event, no refund will be permitted after Sept. 1. Only two tickets will be sold per person. For more information, contact Mayoka at 562-431-6586, ext. 476, or email her at mayokab@lwsb.com.

Opera Club will screen psychological mystery movie

People are invited to watch a musical version of “Marnie” (based on Winston Graham’s 1959 novel of the same name) on July 18 at 1:30 pm in the Clubhouse 3 Learning Center.

Jean Flannigan will introduce this psychological mystery story about an attractive young woman who changes her appearance and undergoes five identities driven by an inner compulsion to reject love and to steal her successive employers’ assets.

The contemporary composer, Nico Uhly, has created a mystery score that heightens the suspense of finding out what motivates someone to pursue a life of crime—against their will. This tale has also separately been filmed by Alfred Hitchcock with the actress Tippi Hedren.

Act 1 depicts Marnie stealing

money from her employer Mr. Strutt, after which she changes her name and her appearance and goes in search of a new job. She arrives at the office of Mark Rutland who hires her both for her math skills, which are considerable, and because he is strongly attracted to her. However, when he discovers her stealing money from his safe, he tells her he can either turn her in or she can agree to marry him. On their honeymoon, she resists his advances and escapes to kill herself.

In Act 2, Mark remains undeterred and urges Marnie to undergo psychoanalysis to deal with her issues. At an ensuing party they meet Mr. Strutt, Marnie’s first employer, who vows to tell the police about her prior theft. When Marnie subsequently is thrown from

her horse during a fox hunt, it’s not clear whether the accident or the analysis is causing some changes to her. In any case, when she finds herself breaking into Mark’s safe again but unable to take any money, she flees to her childhood home to learn her mother has died, but more importantly was known as an unloving parent who had murdered her own newborn baby.

As the police arrive to arrest Marnie for theft, she exclaims “I’m free” of the former trauma.

The production is in English with English subtitles. Attendees are invited to wear masks indoors, if desired.

No dues or fees are collected. For more information, contact Margaret Gillen at MargaretGi@yahoo.com or call her at 562-370-3844.

The Photo Arts Club will meet Thursday, July 13, at 1:30 p.m. in Clubhouse 3, Room 9.

The assignment is to photograph a headshot of a person in black and white with light shining on a prominent part of the face. The prominent part could be partial, such as one of the sides, or a full frontal view. The key is to make it a high contrast image.

People should use the editing features on their computer or cell phone to increase the contrast between the light side of the face and the dark side. The photo must be very sharp. Members can send a limit of three photos to benbenjamins@hotmail.com to be shown at the meeting.

A sample ballot had been sent to members to review to vote on assignments for the next 12 months. At the meeting, members will be given ballots and they can select the ones that interest them. People can also add other ideas they’d like to see included. Once the votes are tallied, a list of the year’s assignments will be sent out to members.

At the meeting, people can bring photos of their choice to be displayed and commented on. Hooks and labels will be available for members to use to hang framed photos in the hall of Clubhouse 3.

Individuals with technical or other questions will be paired with someone who can help them for individual discussion after the meeting. Everyone is welcome.

Looking for clean and fresh cuisine? Kabuto: Sushi and Grill is located across the street from LW in the strip mall between Hampton Inn Suites and Boeing. Chef Kazoo Ikeda from Tokyo has always been in the restaurant business. Former customers follow him from Huntington Beach and Newport Beach. A bunch of lunch customers come from Boeing and, at dinnertime, random places.

A prep chef cuts up the vegetables that come in a big box. The fish shipment from the US-based Japanese Fish Company is sashimi grade. Salmon comes whole, as a big fish, explained the chef’s son, Halu: “Dad preps the salmon, he knows how to prepare and marinate.” The salmon is marinated in miso, saki, and sugar.

Chicken, beef, and salmon bento boxes come with a choice of white or brown rice (delicious), grilled chicken, beef or salmon, a wonderful mix of steamed veggies and small salad.

Homemade sauces are another specialty. Chef Ikeda makes a tub of teriyaki sauce every five days or so, using only special premium soy sauce. He marinates the chicken, beef or salmon, beforehand, then puts it on the grill. Then he charbroils, coats with teriyaki sauce and serves. Teriyaki sauce comes in separate container in the bento box. The menu simple to choose from and looks delicious.

Shuffleboard Club members Jean Cochran, Linda Peters, Dan and Maureen Habel, Dolores Cook and Anita Giroud enjoyed time for visiting before the enormous potluck.

Shuffleboard Club celebrates court restoration project with potluck

The Shuffleboard Club enjoyed its bon voyage potluck July 5 with a record-setting 47 members and guests attending. Excitement filled the air as the major purpose of the event was to say goodbye to the 32-year-old courts before the restoration project began July 10. Member Shel Magnuson brought a set of patriotic cornhole boards that were enjoyed by members with talents beyond shuffleboard. The party was the first club gathering since the end of league play in late May, and several people commented on how much they had missed seeing one another.

The club will host a grand re-opening of the courts on Wednesday, Aug. 2, at 9 a.m. for all shuffleboard supporters. There will be an official ribbon cutting with cake and coffee, plus lots of photo opportunities.

With the pride of “new” courts, plans are underway for August to be full of events celebrating the 60th anniversary of the club, including shuffleboard training clinics and a cook-out scheduled for Aug. 23.

Fall leagues will begin organizing their teams and schedules by the middle of August. Members are welcome to join either or both leagues: Tuesday evenings from 5:30-8, and Friday

Jack O'Brien and John Mount celebrate the upcoming repair of the many cracks in the shuffleboard courts building.

day mornings from 8:30-11. The fall season will play nine games and end by mid-December. There will be a sign-up sheet starting Aug. 16 at the courts

building for anyone interested in joining a team.

June 29 winners (five ta-

bles): Sibyl Smith and Al Appel, and Linda Nye and Mark Singer, north/south; Russ Gray and Fred Reker, and Sharon Beran and Bud Parish, east/west.

June 30 winners (nine tables): Russ Gray and Ellen Kice, and Larry Topper and Lynn Danielson, north/south; Judith Jones and Al Appel, and Dave Carman and Emma Trepinski, east/west.

The club congratulates all the winners and thanks all the players who participate and support the club.

For complete results, including a list of all players and scores, go to the Long Beach

Bridge Center results page at www.acblunit557.org and click on Leisure World Results.

The club offers lessons and supervised play on Friday mornings starting at 9:30. Supervised play is an informal game in which players have the opportunity to ask an experienced player questions about bidding and card play. The games are informative and fun. It's a great way to learn how to play duplicate bridge.

For more information regarding the club, contact John Markovich at 562-661-0502 or by email at cdrijm@yahoo.com.

Tournament Poker

With five tables of eight players, a great time was had at the tournament on July 1. The two players with the highest hands of the day were Ernie Dinkel (A2345 of hearts) and Joseph Baumler (9999K). The promotional hand was won by Guta Basner.

The final table players were Jan Klein, fifth place; Maryanne Conte, fourth; Lem Hall, third; Kurt Bonhenne, second; and Roger Montero, first. With five great players there was plenty of action at the table right up until the heads up play between Bonhenne and Montero. In the winning hand the flop came Q, 6, 9. Bonhenne (K-5) went all in after the flop and Montero, with (Q-9), called. The turn was a King and the river was a 10. That gave Montero the winning hand of Q-Q-9-9-10.

Montero has lived in Leisure World for just a few months and has been a member of the club right from the beginning. This is his third final table win. Montero enjoys dancing and golf here in Leisure World.

The club congratulates all the winners. Anyone who would like to play a fun and friendly game of Texas Hold 'Em, join the club on one of the first three Saturdays of every month in the lobby of Clubhouse 6 at 10 a.m. for registration with cards in the air at 10:30. There will be no late seating.

Scrabble Club

The Leisure World Scrabble Club met on all four Wednesdays in June. There were 57 scores above 300, two of which were higher than 400. There were also 27 bingos (the use of all seven tiles in a single turn).

Diane Seeger led with eight scores above 300. She had a high score of 398 and two bingos. Bob Ruderman topped 300 seven times and recorded ten bingos. His best score was a 397.

Jim Schneiderman scored higher than 300 six times. His best score, 424, was the club's highest for the month. He had seven bingos. Club President Larry Edgar had five totals above 300. One of his wins was his 500th as a member of the club. He had one bingo and a high score of 421.

Wanda Bemben topped 300 five times. She had one bingo and a high score of 357. Sylvia Makus, Marilyn Moody and Maria Giegerich each bettered 300 four times. Their best scores were 377, 370 and 360, respectively. Makus had one bingo.

Kay Pushman and Sue Ann Gass each scored above 300 three times. Their best scores were 347 and 335, respectively. Zoe Pickell, Dave Crandall and Myrna Loscuadro each bettered 300 twice. Their respective best scores were 341, 328 and 308. Crandall had two bingos.

The club meets each Wednesday from 1-4 p.m. in Clubhouse 3, Room 5. New members, including beginning players, are welcome.

Pool Club

A pool tournament was held June 26 in Clubhouse 2 to determine how many games “C” level players will compete in against Laguna Woods. Laguna Woods will come to Leisure World on Saturday, July 22, for a 48-game match. Later in the year the LW Pool team will be going to Laguna Woods to play.

John Barth, the “C” player with the highest percentage of singles wins during the past league season was given a bye in the tournament and will play in eight games against Laguna Woods. This tournament was held to determine which two of the other five “C” players will play eight games, and which will only play four games against Laguna Woods.

The five players in the round-robin tournament were Connie Adkins, Connie Terry, Guta Basner, “Wild!Fire” Christensen and Shery Wells. Since there were five players, that meant one player had a bye in each round. The two players with the most wins will play all eight games against Laguna Woods.

Christensen won her first three games of eight ball, but lost her last game to Wells. Wells' fourth and final game was against Terry. Terry left the eight ball hanging in the corner pocket. Wells won that game to go four and zero. Christensen finished second with three wins and only one loss.

Woman’s Club Tabletop Games

The tabletop games this month will be held on Friday, July 21, from noon-4 p.m. in Clubhouse 2. There will be a drawing at the beginning of the games. Refreshments such as sweet treats, coffee and tea are served.

There are many different games to join or players can bring their own. While card games seem to be the most popular, players may also find Mahjong, Yahtzee, Mexican Train and a few other more unusual games. Players need not be a member to attend.

The cost to play is a \$1 donation. This helps support the Woman’s Club philanthropies. To see the \$1 at work, attend Woman’s Club meetings. Not only is a check presented to various charities, but there is also live entertainment and refreshments.

Meetings are held on the first Tuesday of every month, except July and August, at 1 p.m. in Clubhouse 2.

Any questions or concerns regarding the tabletop games can be directed to Jan Krehbiel at 562-431-8240.

For more information about the Woman’s Club of Leisure World, contact Kathy Russell at 949-293-7517. For members who have not yet renewed their membership for the 2023-2024 season Russell is available to help.

Men's Golf League Results

Friday Golf

On June 23, 13 golfers and two guests, Steve Tierney and Tim Ostroski, competed on the 4,000-yard par-62 David L. Baker Golf Course in Fountain Valley. With numerous sand traps and strategically placed water, this course is always fun to play and quite a challenge.

Even with only so-so weather conditions, scores were very low with every golfer shooting net under par, partially due to the tees being placed considerably forward.

Jim Goltra and Gary Stivers tied for fewest putts for 'A' flight and Bill McKusky had fewest for the 'B'. Sam Choi was closest to the pin on the par-3 third hole and Fujio Norihiro was closest on the par-3 twelfth hole. Jim Goltra had four birdies, Tim Looney, Norihiro and Choi had two birdies each, Stivers and Larry Hillhouse had one each.

A flight winners: Norihiro, first place, 13 under 49; tie between Chris Lankford and

Jim Goltra, second, 10 under 52; tie between Hillhouse and Stivers, third, 8 under 54; Tim Looney, fourth, at 7 under 55; tie between Dave LaCascia, Glenn Barry and Choi, fifth, at 3 under 59.

B flight winners: Bob Munn, first place, 15 under 47; Gene Vesely, second, 5 under 57; tie between McKusky and Lowell Goltra, third, 4 under 58.

Monday Golf

On June 26, 10 golfers challenged the 6,000-yard par 70 Willowick Golf Course in Santa Ana. Fairways, which still require significant repair, are undergoing maintenance now.

The long course and poor fairway conditions were reflected in scores with only four of the 10 golfers net at or under par, and there were no birdies. Gene Vesely was closest to the pins on both the par-3 fourth and 12th holes. Fujio Norihiro and Gene had fewest putts for the round.

A flight winners: Jim Goltra, first place, 2 under 68; tie between Gary Stivers and Sam Choi, second, 1 under 69; Norihiro, third; Dave LaCascia, fourth.

B flight winners: Gene Vesely, first place, 6 under 64; Digna Vesely, second, at even par 70; Bob Munn, third; Bill McKusky, fourth; Tom Ross, fifth.

Friday Golf

On June 30, nine golfers challenged the 5,600-yard par-71 Meadowlark Golf Course in Huntington Beach. The heavy rains earlier in the year created some new and unexpected water hazards with some very wet areas. Most of that has been corrected and with cleverly placed sand traps plus numerous water hazards, this course is always fun to play and quite a challenge.

Cool damp weather plus late significant breezes contributed to higher than normal scores and there were no birdies.

Sam Choi and Fujio Norihiro tied for fewest putts for 'A' flight and Bob Munn had the fewest for the 'B'. Sam Choi was closest to the pin on the par-3 sixteenth.

A flight winners: Choi, a nice even par 71, first place; second: tie between Norihiro and Dave LaCascia, second, 1 over 72; Gary Stivers, third, 4 over 75.

B flight winners: Gene Vesely, first place, 2 over 73; tie between Bill McKusky and Lowell Goltra, second, 4 over 75; Bob Munn, third; Daniel Mahoney, fourth.

The Monday and Friday Golf Leagues play at five local courses, all within 15-20 minutes of Leisure World. The courses the group plays are always quite full, so advance league reservations are required with a sign-up sheet available at each round.

There is a prize pool for each round. Players are not obligated to enter. Rewards are given for low net in each flight, birdies,

closest-to-the-pin on two par threes, and for the lowest number of putts in each flight. Holes-in-one and eagles (two under par), although infrequent, are generously rewarded. If interested, contact Gary Stivers at 714-313-3697 or Dave LaCascia at 801-674-5975.

—Dave LaCascia

Yahtzee Club

June 30 winners were: Teri Nugent, most Yahtzees; Pat Farrell, high score; Julie Milburn, lowest score; Marilyn Moody, door prize.

The next meeting will be July 21 in Clubhouse 3, Room 6, at 1 p.m. There will be a halftime social. The club meets the first, third and fifth Friday of each month. For more information, contact Diane Seeger at 562-533-5997.

- The Basic Rules of Sudoku:
- There is only one valid solution to each Sudoku puzzle. The only way the puzzle can be considered solved correctly is when all 81 boxes contain numbers and the other Sudoku rules have been followed.
 - When you start a game of Sudoku, some blocks will be pre-filled for you. You cannot change these numbers in the course of the game.
 - Each column must contain all of the numbers 1 through 9 and no two numbers in the same column of a Sudoku puzzle can be the same.
 - Each row must contain all of the numbers 1 through 9 and no two numbers in the same row of a Sudoku puzzle can be the same.
 - Each block must contain all of the numbers 1 through 9 and no two numbers in the same block of a Sudoku puzzle can be the same.

Leisure Worlders celebrate Fourth of July with patriotism and camaraderie

The Rollin' Thunder Golf Club hosted a golf cart parade—a regular occurrence at GRF's annual Fourth of July celebration. Residents decked out their carts in red, white and blue.

Clubs like the LW Art League joined an Arts and Crafts show inside Building 5. They were joined by the Photo Arts Club, the Clay Crafters Club and more.

Event volunteers dressed in stars and stripes to hand out cookies to attendees. The event also featured food trucks and other refreshment options.

The Administration parking lot was chock-full of vintage and classic cars as part of the Silver Fox Classic Car Club's car show.

Golf carts lined up for a procession through the neighborhood. There were flags aplenty to celebrate the holiday.
