In 1999, a corporate event in need of a “Jimmy-style” band gave Mark a chance to put together the perfect party band with a Cajun/Zydeco-style rhythm section, a reggae keyboardist, a country guitarist, R&B sax man, Parrot head singers and a

steel drummer who studied with a Coral Reefer Band member. This combination makes Mark Wood and the Parrot Head Band the next best thing to Jimmy Buffett and the Coral Reefer Band.

The Fabelmans

2022 | PG-13 | Drama | 2h 31m
Friday, August 18

Directed by Steven Spielberg, The Fabelmans is loosely based on Spielberg's childhood from age 7-18, growing up in post World War II-era Arizona. A young man named Sammy Fabelman discovers a shattering family secret and explores how the power of movies help people see the truth about each other and themselves.

During filming, the cast had access to home movies, photographs and recollections from Steven Spielberg's family to learn what they were like and how to portray the fictionalized versions of them (The Fabelman family) on screen, while making them feel fresh and original.

Paul Dano reflected: "It was overwhelming and it was sort of a heavy cloak to bear because we were with someone who was having a big experience everyday, revisiting and reworking through a part of their life. For somebody like Steven to share that much of himself with us—with the audience too—it was really a profound experience."

When two foes conspire to destroy Wakanda, the hero known as Black Panther must team up with C.I.A. agent Everett K. Ross and members of the Dora Milaje, Wakandan special forces, to prevent Wakanda from being dragged into a world war.

When the film aired on Disney+, it came with a special Marvel logo in honor of the late Chadwick Boseman who played the lead character T'Challa. The logo features quotes, images and clips of T'Challa and is shaded purple, the royal color of Wakanda.

The mythical nation Wakanda, according to Marvel comics, is located in the east of Africa, but its exact location has varied throughout the history of the Marvel universe.
