he pharmacy space at the Health Care Center will soon be occupied by MedCare Medical Pharmacy. Renovations to the pharmacy will start in October. The new space will be refreshed to match the rest of the HCC.

Much like Good Neighbor Pharmacy, MedCare "has a strong focus on you," according to Optum's Director of Group Operations Victoria Batistelli.

'We believe in building strong relationships with our patients, taking the time to listen to your concerns, answer your questions, and provide you with the information and support you need," shared MedCare owners Vickie and Bryan Arthur.

The site will offer prescription medications, over-the-counter medications, and additional health services. MedCare will have immunizations and medication therapy as well, making this a one-stop-

AVOIDING SCAMS

Watch for these four signs to avoid scams

Newly released Federal have to pay a fee to get it. Trade Commission (FTC) data shows that consumers reported losing nearly \$8.8 billion to fraud in 2022, an increase of more than 30% over the previous year. Here are four signs to watch out for to avoid being scammed:

1. Scammers pretend to be from an organization you **know.** Scammers often pretend to be contacting you on behalf of the government. They might use a real name, like the FTC, Social Security Administration, IRS, or Medicare, or make up a name that sounds official. Some pretend to be from a business you know, like a utility company, a tech company, or even a charity asking for donations.

They use technology to change the phone number that appears on your caller ID. So the name and number you see might not be real.

2. Scammers say there's a problem or a prize.

They might say you're in $trouble\,with\,the\,government.\,Or$ you owe money. Or someone in your family had an emergency. Or that there's a virus on your computer.

Some scammers say there's a problem with one of your accounts and that you need to verify some information. Others will lie and say you won money in a lottery or sweepstakes but

3. Scammers pressure people to act immediately.

Scammers want you to act before you have time to think. If you're on the phone, they might tell you not to hang up so you can't check out their story.

They might threaten to arrest you, sue you, take away your driver's or business license, or deport you. They might say your computer is about to be corrupted.

4. Scammers tell you to PAY in a specific way.

They often insist that you can only pay by using cryptocurrency, wiring money through a company like MoneyGram or Western Union, using a payment app, or putting money on a gift card and then giving them the numbers on the back of the card.

Some will send you a check (that will later turn out to be fake), then tell you to deposit it and send them money.

How To Avoid a Scam

Block unwanted calls and text messages. Take steps to block unwanted calls and to filter unwanted text messages.

Don't give your personal or financial information in response to a request that you didn't expect.

Honest organizations won't call, email, or text to ask for your personal information, like your

GUARANTEED RATES GIVE YOU A GUARANTEED RETURN.

IVANOFF ADVISORS (A)

Social Security, bank account, or credit card numbers.

If you get an email or text message from a company you do business with and you think it's real, it's still best not to click on any links.

Instead, contact them using a website you know is trustworthy. Or look up their phone number. Don't call a number they gave you or the number from your caller ID.

Resist the pressure to act immediately. Honest businesses will give you time to make a decision. Anyone who pressures you to pay or give them your personal information is a scammer.

Know how scammers tell you to pay. Never pay someone who insists that you can only pay with cryptocurrency, a wire transfer service like Western Union or MoneyGram, a payment app, or a gift card. And never deposit a check and send money back to someone.

Stop and talk to someone you trust. Before you do anything else, tell someone — a friend, a family member, a neighbor — what happened. Talking about it could help you realize it's a scam.

Report Scams to the FTC

If you were scammed or think you saw a scam, tell the FTC at ReportFraud.ftc.gov.

GRF POLICY REMINDER

Feeding wildlife is illegal

Feeding wildlife is illegal in California. Section 251.1 of the California Fish and Game Code states that feeding a wild animal can be considered animal harassment. People can be fined up to \$1,000 for feeding a squirrel in California.

Feeding wildlife can not only cause issues with bringing unwanted wildlife and stray animals into residential communities, doing so is illegal in the state of California. Feeding wildlife, either directly or indirectly, can be a death sentence for wild animals that become reliant on unnatural food sources.

Wild animals being fed by human interaction can lose their fear of people, which leaves humans at risk of being bitten and suffering substantial injury. Additionally, many beloved family pets have been the unintended victims of feeding wildlife when taken by larger predators being drawn to unnatural food sources. These situations may also result in an encouraged rodent population, as well as insect infestation.

In compliance with California Code 251.1, Harassment of Animals, and in compliance with GRF Policy 7590.G, people must follow these limitations on wildlife interactions in Leisure World:

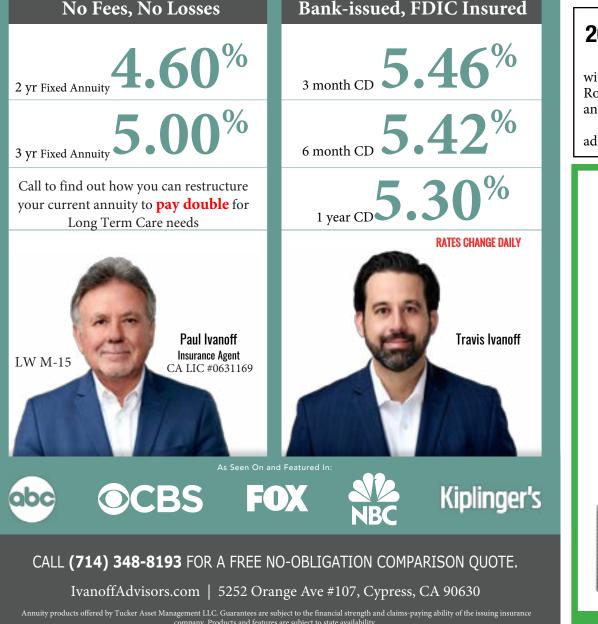

- 1. Do not feed any non-domesticated animal on Mutual property.
- 2. Pet food and standing water sources are prohibited on patios, in carport areas and in gardens.
- 3. Domesticated pets to include caged birds may not be kept on patios, excluding Mutual 4.
- 4. Trash and garbage, whether contained or not, may not be left outside of the unit at any time.
- 5. Bird feeders with bird seed of any type are not allowed at the unit or anywhere on Mutual property including hanging from trees or other support devices. (Mutuals 1 and 4 allow bird feeders.)
- 6. A hummingbird-type feeder with liquid food is permitted at a unit but not on common area Mutual property including hanging from trees or other support devices.

In Mutuals 4 and 7, pet food and water sources are prohibited on open patios and in carport areas.

2023 GRF Paving Project

The 2023 GRF Paving Project will continue on Aug. 21 with the paving of four more streets, including Interlachen Road, South Fairfield Lane, St. Andrews (outside of the gate) and Kenwood Road.

Pedestrians and drivers should proceed with caution and adhere to traffic controls.

People will not be able to get an RFID tag without a valid state issued driver's license.

RFID from page 1

have a valid Leisure World decal on their vehicle.

Decals are available at the Decal Office next to the Café in Clubhouse 5. The Decal Office is open Tuesday through Saturday, 8 a.m.-4 p.m. (closed noon-12:30 p.m. for lunch).

As a reminder, to receive a decal, people must have the following: (1) a valid state issued driver's license, (2) valid vehicle registration, (3) valid vehicle insurance, and (4) a valid GRF identification card.

RFID tags will be distributed at the 1.8-Acre site on each Mutual's assigned distribution date. The hours of distribution will be 8:30 a.m.-4 p.m. Cars may line up no earlier than 8:15 a.m. on Oak Hills Drive.

Before entering the 1.8 Acre site, Security will verify all four documents listed above (valid license, vehicle registration, vehicle insurance and GRF identification card). People will not be able to receive an RFID tag without presenting these documents.

Upon entering 1.8 Acre site, each person will complete a form that will include a list of the four permanent guests they want on his or her account. In addition, each person will need to provide a password for the account (the password may be any type of name or object or set of numbers).

To ensure the RFID tag issuance is completed in an efficient manner, Security will start issuance with Mutuals 16 and 17 on Tuesday, Sept. 12.

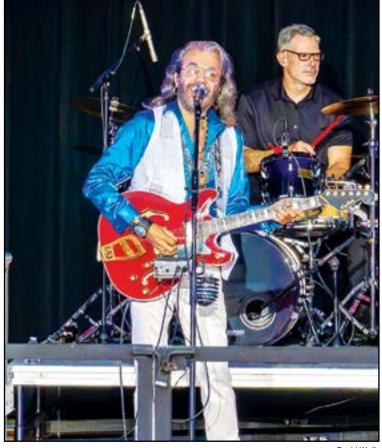

If people miss their assigned day for any reason (illness, vacation, etc.), there will be an opportunity to obtain an RFID tag on a make-up day.

Be advised that the makeup day will be after regular distribution of all RFID tags is completed, so issuance of the make-up RFID tag will be in later October. Additional dates for RFID distribution will be noted in the LW Weekly newspaper and on LW Live.

The Security Department must distribute over 10,000 RFID tags. The process will take nearly two months to complete. Therefore, Security cannot offer any specific day or timed reservations for RFID distribution. Residents have all day to obtain an RFID tag on their assigned day.

IN CASE YOU MISSED IT

John Acosta took the stage on Aug. 10 as Barry Gibb during the packed Bee Gees Gold Amphitheater tribute show. This was the seventh show of the Amphitheater season, with only five left to go.

The new pharmacy will be located adjacent to the Optum Health Care Center, which is in the center of Leisure World.

shop for medication needs. MedCare also has an online refill option, as well as a delivery service.

Residents who are SCAN patients will benefit from the fact that MedCare is a preferred pharmacy, meaning SCAN patients will pay less for most medications than they would at other pharmacies.

Those who want to switch over to MedCare before the new pharmacy arrives can call MedCare at 714-557-2982. It will send over a form to complete.

"Like you, we are looking forward to having a pharmacy inside Leisure World once again!," Batistelli said in a statement. "We will continue to share more information, including the open date for MedCare Medical Pharmacy, as the renovation winds down."

Bring cups from home to avoid using polystyrene foam

"A journey of a thousand miles begins with a single step."

by Grace Kim LW contributor

I came across an article in recent months about a large scale survey from 181 countries indicating that Millennials do care deeply about global issues and are determined to tackle

When asked who should be trusted to fix the issue of global climate change and environmental destruction, Millennials answered "international organizations and themselves." They are keenly aware that their commitment and action are required for the survival of this beautiful and fragile planet and for future generations. The most precious and generous gift of life is from our God, the creator of all beings and all things!

There is abundant scientific evidence that the Earth is warming at an abnormal rate and the destruction of our natural environment is already in process.

It made me reflect deeply upon my own understanding of climate change and environmental destruction. Most importantly, I struggled with the critical question: Individually and collectively, what are we doing to help address this critical issue for younger generations as their elders and role models? A wise Native American saying came to mind: "Consider what you do today in terms of how it will affect our offspring seven generations hence."

God has given us this amazing planet, the only home we have and know of in the universe. It is our privilege and responsibility to take care of it for our future generations to survive and thrive beyond our wildest imagination.

Polystyrene foam, also known by its trade name Styrofoam, has become an accepted everyday product. Studies show that it is harmful to the environment. It is not biodegradable, taking 500 years or more for it to be broken down.

Hydrofluorocarbons used in the production of Styrofoam and 57 harmful chemical byproducts released during its production pollute air and are linked to serious negative health impacts.

When polystyrene is consumed by fish, humans who eat the fish can experience toxic effects.

Microwaving polystyrenecauses the release of toxic chemicals, posing a threat to health.

There are health hazards for people working in the production of this material. Polystyrene is a major pollutant of oceans, bays and other water resources. And, the production of polystyrene is energy intensive, creating large amount of greenhouse

Although there are many things we can do to contribute to this fight to help save our planet, I thought that we can together take that very first single step of a grand journey of a 1,000 miles. I would like to propose that we start bringing our own cups from home to use at our clubs and fellowship meetings instead of using polystyrene cups.

As my full-of-life, enthusiastic, ever optimistic 7-year-old great-grandniece often says, "I know we can do it!"

Thank you for the memories

by Mike Levitt

LW contributor

Since the news broke that "the Levitts are leaving," Gail and I have been overwhelmed by the sheer number of sad farewells and expressions of our loving friendships, going-way parties, gifts, tears and hugs from all.

We have a lot of memories from a quarter-century of LW life but nothing compared to the sincerity of your parting wishes.

Thank you, thank you all, for being our friends, fellow club members, directors, officers, mini-farmers, RVers, wine lovers, Red Hatters, Legionaires and so much more.

We are going to miss you, all of you.

But, hey, its Beaumont, California, not Beaumont, Texas. We're not that far from here. If you are headed to the Palm Springs area, then you're headed to Beaumont, and you have to pass by us.

So stop on by. There'll be wine in the cabinet and beer in the fridge.

Oh, and a shady spot in the backyard. You do remember what a back yard is, don't you? Sadie barked good-bye also.

Community Church

People are often challenged by the words of Jesus as contained in the Scriptures of the Bible. Perhaps most so this week, as Community Church studies a passage in the bible where Jesus says to his followers that eating with dirty hands doesn't matter. In light of the recent pandemic and the ongoing instruction to regularly wash hands, especially before eating, what are people to make of these strange words of Jesus? Pastor Johan Dodge will go over this passage on Sunday, Aug. 20, at 9:50 a.m. in the church sanctuary, located at 14000 Church Place.

Those who have been made to feel less welcome are welcome with open arms at Community Church's services.

People can also join the service on Facebook at @CommunityChurchLeisureWorld and on Zoom. Contact the church office for the Zoom link.

Those who are in need without another way to address that need may call the church office to leave a message at 562-431-2503.

Church of Jesus Christ of Latter-day Saints

Meetings for the Atherton Ward are held at 6500 E. Atherton St., in Long Beach. The sacrament service is held every Sunday at 10:30 a.m., followed in the second hour by Sunday School on the first and third Sundays, and Relief Society and Elders Quorum on the second and fourth Sundays. Primary classes for children are held every Sunday during the second hour. Members who are unable to attend Sacrament services in person can request a link from Bishop Mike Gravley at 562-212-8641.

The reading source for this year is the New Testament. The reading assignment for the week of Aug. 21-27 is 1 Corinthians 1-17.

The devotional "Come, Follow Me" says "During the months that Paul spent in Corinth, 'many of the Corinthians hearing him believed, and were baptized.' So it must have been heartbreaking for Paul to hear, just a few years later, that there were divisions and contentions among the Corinthian saints and that in his absence they began to heed the 'wisdom of this world.' In response, Paul wrote the letter we now call 1 Corinthians."

Faith Christian Assembly

Grief Share was the centerpiece of Faith Christian Assembly's Ministry Emphasis Night. Those in attendance heard from leaders Rupert and Addie Penner, who shared their own powerful stories. Program alumna Naomi Reed moved listeners as she shared her experience. Reed said that the group "has been instrumental in helping me navigate the difficult path of grief following the passing of my husband of 38 years."

She provided insight to her experience through her testimony during which she also said: "When I first attended Grief Share, I was very apprehensive, the weight of my loss felt unbearable and I was uncertain if I would find solace or understanding within a group setting with people I didn't know. However, from the first meeting I was warmly welcomed and impressed by the members of the group, especially Addie and Rupert.

"One aspect of Grief Share that truly stood out to me was the absence of pressure to speak if I didn't feel ready, no pressure to put on a brave face when all I wanted to do was weep, and no pressure to conform to any particular timeline of healing. The approach allowed me the freedom to process my grief at my own pace knowing that I had a safe and supportive environment to lean on until I felt ready.

"I am discovering a renewed sense of purpose. Grief Share is a testament to the love and compassion that exists in the church and I am grateful for the impact that it has had on my healing journey."

Grief Share is currently in session at Faith Christian Assembly and is open for anyone who has experienced the loss of a loved one. Meetings are held on Thursdays at 6 p.m. in the Garden Room. People may join at any time. For more information, call 562-598-9010.

Sunday service times are 10:30 a.m. and 5:30 p.m., with preservice prayer beginning at 5. The midweek Bible study is held each Wednesday at 11 a.m. The church is located on the corner of St. Andrews Drive and Seal Beach Boulevard. To receive a free newsletter or more information on the church, call 562-598-9010 or visit the website at *www.FCAchurch.net*.

LW Baptist

Prayer is a big item at LW Baptist Church because everybody needs to pray, and Christians are to pray for one another and for others in their circles of relationships. But what specifically should believers pray for? LW Baptist will discuss this on Sunday, Aug. 20, at 10 a.m. in Clubhouse 4. Christ wanted his disciples to know how to pray and his timeless instruction is found in the Lord's prayer.

For more information, call 562-430-8598.

First Christian Church

First Christian Church of Leisure World teaches from the Holy Bible verse by verse. It is a friendly church that welcomes all visitors to join and explore God's word together "that we may be mutually encouraged by each other's faith, both yours and mine" Romans 1:12.

Pastor's Message

This week, Pastor Gary Whitlatch will share from Colossians 3:1-11. He will discuss the mindset of the saints and faithful brethren in Christ. In verses 1-2 the Apostle Paul wrote, "to keep seeking the things above, where Christ is. Be intent on the things above, not on the things that are on earth."

A believer puts on the new self and is renewed through the true knowledge according to the one who created him. Pastor Gary will examine differences of the old self and the new inner man in Colossians 3 and examine the benefit of this true knowledge for the church body.

Weekend Services

Sunday services are traditional from 9:30-10:45 a.m. with hymnal music led by Janet Ray and Pat Kogak at the piano. This week Ray will sing a solo hymn.

Pastor Gary Whitlatch leads the Tuesday Bible study group from 9:30-10:30 a.m.

The Thursday Bible study

group, led by Pastor Bruce Humes, meets from 10:30-11:30

Pastor Humes also leads the prayer and Bible study group on Fridays from 6-7 p.m.

All Leisure World residents are welcome to attend the above services and Bible studies.

Assembly of God

There is a lot of talk about pride in contemporary culture. As defined by society, pride is a sense of self-worth or satisfaction stemming from personal accomplishment or identity, a generally positive attribute. However, pride, when out of balance, inflates to self-importance, smugness, arrogance and egotism. The big "I" blinds the spiritual eye of the unduly proud.

Pastor Chuck Franco will continue Assembly of God's series titled "The Emotions that Blind Us: Pride" this Sunday, Aug. 20.

Assembly of God's Wednesday Bible study, "The Ten Commandments," is an interactive session, beginning with a short video teaching by Albert Tate, leading to discussion and student input, moderated by Pastor Chuck. The "Thou Shalt Nots" are revealed not as restrictions, but as directions for Christians to lead full, abundant lives, free from the consequences of sin.

Leisure World Assembly of God meets Sundays at 10:30 a.m.

in Clubhouse 3, Room 2. The Wednesday Bible study is held at 10 a.m. in Clubhouse 3, Room 2. The Hymn Sing is held on the fourth Sunday of the month at 6 p.m. in the Clubhouse 3 Lobby.

More information can be found at www.lwassemblyofgod. com, and on Facebook at the Leisure World Assembly of God Church page, where people can catch up on past sermons.

SUNSHINE CLUB

Learn how SunTerra provides healthy meal plans to seniors

Steve Brazeel from SunTerra will speak to the Sunshine Club about his company's with Farmer to Family program, which provides healthy food boxes, on Friday, Aug. 18, in Clubhouse 3, Room 2,.

Founded in 2000, SunTerra is an Orange County-based, minority-owned grower and distributor of fresh fruits and vegetables. Their distribution centers in central and Southern California allow quick delivery to the west coast and mountain west regions.

Steve Brazeel

SunTerra's Food Box Project, a Farmers to Families program, has delivered 4.5 million boxes (85 million pounds and 70 million meals) to communities nationwide. It works closely with farmers to source product that may not be harvested due to variable market conditions—reducing the amount of food waste. Its unique sourcing model lowers cost by eliminating redundant packaging.

Farmers utilize climate-smart practices like replacing synthetic fertilizers with biological solutions to impact GHG emission. SunTerra believes every American family has a right to fresh farm bounty, and packs only quality fresh fruits and vegetables. By responsibly sourcing product, it reduces both food miles and carbon emissions.

SunTerra's boxes provide variety and seasonality for a healthy mix of food. SunTerra's facility and packing lines are custom-built for fresh produce packing to deliver tailored meals from soil to fork.

All residents are welcome to join the meeting. The Sunshine Club requires no membership fees, but donations are welcome.

The club asks people to arrive promptly; those who are late to **SUNSHINE**, page 13

Hui O Hula dancers enjoy dancing "What A Wonderful World" with the good folks of the nearby Seal Beach Health and Rehabilitation Center.

Hula classes held on Tuesdays and Thursdays

Hui O Hula, LW's Hawaiian dance club, welcomes anyone who is interested in learning the hula. Lessons are given upstairs in Clubhouse 6 on Tuesdays and at Veterans Plaza (or inside Clubhouse 3) on Thursdays. Both classes start at 1 p.m.

The Hawaiian dance is mostly accompanied by song and Western-influenced musical instruments. Many hand motions are used to represent the words in a song. The movements can signify aspects of nature, such as the swaying of a tree in the breeze, a wave in the ocean, or a feeling or emotion such as fondness or yearning.

Anyone can learn to hula, even in a chair, which is called hula "noho," which means sit. People should wear comfortable mu'umu'u (long dresses) and bring soft booties or prepare to dance barefoot. August is busy with hula performances.

For more information, contact Jojo Weingart at 562-252-9676 or email Jojo@huiohula.com.

Repot orchids at upcoming workshop

The South Coast Orchid Society will host a hands-on workshop on "Orchid Culture and Repotting" on Monday, Aug. 28, at 7 p.m. at the Whaley Park Community Center, 5620 E. Atherton St. in Long Beach. A big part of successful orchid growing is keeping their roots happy, and that means knowing when they need to be repotted, and how to go about it.

At the meeting, experts will first evaluate plants brought in by members and visitors to see if they are good candidates for repotting (no more than one or two healthy and bug-free plants per person, no larger than one gallon pot size).

This will be a great opportunity to handle different kinds of potting media, and learn why they are used. A fee of \$5 per person will help defray the cost of supplies. People may want to bring their own gloves and cutting tools. The event is open to the public.

For more information, email first vice president John McCoy at *realmac@aol.com*.

LW Orchestra offers free cookies

Thanks to the generosity of first cello Margie Masterson, the Leisure World Community Orchestra will provide a free homemade musical cookie to the first 30 people who come to the Amphitheater for the orchestra's brief "End of Summer Pop Concert."

The concert will be held Tuesday, Aug. 29 at the Amphitheater. Doors open at 1 p.m.

Trying something new, many of the regular orchestra members and conductor Dr. Sam Kim have been working through the summer. New pieces like "Gershwin by George" will be featured, along with some favorite tunes from the past, including a suite of Steven Foster melodies, "Londonderry Air" (Danny Boy), "Buglers Holiday" and more.

The orchestra continues to expand and is always interested in new players. To join, call or message Chris Gruber at 562-884-5763 or email *chris.p.gruber@gmail.com*.

Dorothy Ferrington (I) and Ray Geierman visited Arches National Park.

Travel Diary: Three national parks and the Santa Barbara Museum

by Dorothy Ferrington

LW contributor

"You had to be there!" This old cliché perfectly describes this vacation story I'm about to tell you. Since it was Friday, May 13, I'm calling it Freaky Friday. I like the sound of that. It will make sense to you as I tell you our experience.

Ray and I had just returned from a 4,000-mile road trip, visiting three national parks in Texas and Utah, with a few days stopover in Waxahachie, Texas, visiting family. We were happy travelers, but exhausted when we returned home after two weeks of travel. After ending that trip, I was in no mood for additional mileage. But our travel wasn't done yet. Something beckoned me.

The Santa Barbara Museum had an exhibit that was advertised in the Los Angeles Times. Beginning Feb. 27 and running through May 22, the museum was displaying "Through Vincent's Eyes: Van Gogh and his Sources."

My commitment to see this exhibit included a three-hour drive from Seal Beach to Santa Barbara. We had no set time to arrive and managed to miss the morning traffic. After Ventura, the south side of the freeway opens to the vast expanse of the Pacific Ocean. There is nothing like the California coastline to make your day better. It turned out to be in the mid-70s and, weather wise, a perfect day to travel.

When we arrived at the box office around noontime, it seemed everyone had gone to lunch. We were able to gain easy access to the exhibit rooms, without the ever-present large crowds.

My museum exhibit behavior is to go from painting to painting, description to description, backing away from each painting for a wide view and stepping closer to see a detailed view, trying not to miss anything.

In this painstaking manner, I am guessing it took me two hours to view over 100 works from 25 museums. Only later after returning home would I savor the exhibit from memory. I think now is the time to tell you that my use of the word painstaking takes on another meaning. Within a few months, I would be diagnosed with bone-on-bone osteoarthritis in my right hip and scheduled for replacement surgery.

As I finished up the exhibit, let me make a point. I am not doing senior belly aching here. I was in real pain. Ray was in the same shape, but I think he called his sciatica. Okay! Whatever! We kept the snarling associated with our pain at a minimum level as we traversed this exhibit.

Ray was waiting for me at the exit, looking relieved when he saw me walking towards him. "Let's go home!" Ray said.

A quick trip to our car was the only thing we were thinking about, as we experienced a state of sympatico, hobbling toward the parking structure at the rear of the museum. As we rounded the corner, where the elevator to our Level 3 parking appeared, we saw four people approach the door, which had just opened. Ray, with desperation in his voice, yelled "Hold That Elevator." This command left nothing to anyone's imagination.

In the elevator, a tall, tanned and dapper looking man in a Panama hat, wearing a summer beige linen suit stepped into the middle front. There was not one wrinkle on his suit. Abruptly, my attention was drawn away from the man. A tall, well-tanned, beautiful woman stepped in. Her very short hair, a highlighted blondish color, was perfectly cut.

She was wearing a white linen jacket, also without wrinkles. I recognized this actress immediately without any introduction. I had now adopted an ear to ear, open mouth smile that never left my face. The actress could tell I knew who she was.

When we exited the elevator, she walked ahead of us maybe 10 feet. As we were heading down the row where our cars were parked, we saw her husband. As she walked toward her husband, a big black SUV with darkly tinted windows rolled by us and stopped. A man leaned out the car window, "Hey, Jaimie Lee!" We continued past Christopher Guest and passed over to our car.

This may not have been one of her "Halloween" movies but it was "Perfect." And that's how I met Jaimie Lee Curtis.

LW Men's Golf Club

The Leisure World Men's Golf Club played its first tournament of the month on Aug. 9 at the Turtle Lake Golf Course. This round, Bob Johnston achieved a hole-in-one on hole No. 13.

The weather was sunny and warm with some clouds that kept the temps down throughout most of the round. With the exception of the tee boxes (dirt but no seed in the divot fix bottles), the course is in good condition with the weed patches on the greens receding nicely.

Two groups of three flights of variously skilled golfers played for best net scores (gross score minus handicap), plus four circle holes (shots within a 5-foot radius are rewarded) and two closest-to-the-pin challenges.

A total of 63 golfers confronted the course. A special low gross challenge was offered, and 13 golfers accepted. Bob Barnum took first place with a 1 under 53; second place was a tie between Johnston and Bill Lyons at even par 54.

With good weather and minimum wind there were 62 birdies and 12 circle hole winners. Additionally, 31 of 63 golfers were net at or under par. Closest to the pin on the seventh hole was Jon Russell, and closest on the 16th hole was Kevin Lindstedt. Low net score was Bill McKusky at 10 under 44, followed by Byron Schweitzer at 9 under 45, with eight other golfers at or under net 50.

All scores below are net equals gross score minus handi-

A flight winners (with handicaps of 0-7): Johnston, first place; Dave LaCascia, second; Don Newhall, third; tie between Barnum, Lyons, and Rolando Ramirez, fourth; Bob Turner, fifth; tie between John Kolthoff, Andrew Kim and Mike Mayfield, sixth.

B flight winners (handicaps of 8-12): McKusky, first place; tie between Ryan Hong, Won Song, and Roland Phillips, second; Peter Oh, third; John

Rudosky, fourth; tie between Alan Sewell and Paul Alloway, fifth; tie between Steve Kang and Gene Archambault, sixth; tie between Bruce Bowles and Hyon Shin, seventh; Dennis McGonigle, eighth; James Farr, ninth; Richard Yokomi, tenth.

Cflight winners (handicaps of 13-18): Schweitzer, first place; Jack Haskins, second; Mike Carlson, third; tie between Chang Ho Choi, Kevin Linstedt, Manny Miranda and John Sorenson, fourth; Bill Zurn, fifth; Paul Schellenberger, sixth.

The next men's tournament will be on Aug. 23, and every second and fourth Wednesday of the following months. Those who had planned to play in any tournament and cannot should contact Alan Sewell at 541-936-0285, Scott Tuchfarber at 909-684-0426 or Dave LaCascia at 801-674-5975 as soon as possible. Arrive 10-15 minutes prior to the scheduled tee time and be ready to play.

Mick O'Connell, first vice president of the LW Shuffleboard Club, and second vice president (Sunshine officer) Ellie West have both been active in the Friday morning league and the Tuesday evening league.

Shuffleboard Club to host clinic

On Saturday, Aug. 19, the LW Shuffleboard Club will host an open house and training clinic from 9-11 a.m. at the courts building for any resident who is curious about shuffleboard and might want to join a fun group who enjoy a challenging game. The courts building is located behind Clubhouse 1 on Burning Tree Lane. All equipment is provided. For safety purposes, closed-toe shoes are required.

Sign-up sheets for the fall league are available in the courts building. After Labor Day, the fall teams will be assigned. Anyone interested in committing to one session per week for 9-12 weeks is invited to join either or both leagues. The Tuesday evening league play will start on Sept. 19 and the Friday morning league play will begin Sept. 22.

The celebration of the club's 60 year anniversary will culminate Wednesday, Aug. 23, at 5 p.m. with a cook-out on the Clubhouse 1 patio with burgers, hot dogs, potluck salads, and desserts. Entertainment will be provided by the Greenville Singers. Two veteran members of the club, Maureen Habel and Dave LaCascia, will present a history of the 60 year old club.

All are invited to attend. The ticket for attending is \$5 plus a potluck contribution. RSVP to Sally Fowler at 562-493-5854.

For more shuffleboard information, call or text Patty Peterson at 562-714-7072.

Men's Golf League Results

The Monday and Friday Golf Leagues play at four local courses, all within 15-20 minutes of Leisure World. The courses the group plays are always quite full, so advance league reservations are required with a sign-up sheet available at each round.

There is a prize pool for each round, which players are not obligated to enter. Rewards are given for low net in each flight, birdies, closest-to-the pin on two par threes, and for the fewest number of putts in each flight. Holes-in-one and eagles (2 under par), although infrequent, are generously rewarded.

On Aug. 4, 10 golfers competed at the 5,800-yard par-70 Riverview Golf Course in Santa Ana. This course has nearly recovered from the destruction caused by the winter rains and is in great condition.

Scores were better than average, and there were four birdies, two by Jim Goltra and one each by Dave LaCascia and Tom Ross. Gary Stivers, Fujio Norihiro, and Goltra tied for fewest putts for the "A" flight and Ross had fewest for the "B." Closest to the pin on the par-3 second hole was Norihiro and Ross was closest on the par-3 ninth.

A flight winners: Bill McKusky, 7 under 63, first place; tie between LaCascia, Norihiro, Goltra and Clay Fischer, 3 under 67, second; Stivers, 1 under 69, third.

B flight winners: Ross, 5 under 65, first place; Lowell Goltra, second; tie between Bob Munn and Ron Jackson, third.

On Aug. 7, 10 golfers competed at the 5,600-yard par-71 Meadowlark Golf Course in Huntington Beach.

Although scores were good there were just two birdies: one each by Dave LaCascia and Tom Ross. Lowell Goltra was closest to the pin on the par-3 seventh hole. Gary Stivers had fewest putts in the "A" flight, and Tom had fewest in the "B."

A flight winners: Bill McKusky, 4 under 67, first place; Clay Fischer, 3 under 68, second; LaCascia, 2 under 69, third; Gary Stivers, 1 under 70, fourth; tie between Jim Goltra and Fujio Norihiro, fifth.

B flight winners: Bob Munn, 4 under 67, first place; Lowell Goltra, 1 under 70, second; Digna Vesely, 1 over 72, third; Daniel Mahoney, fourth; tie between Ross and Gene Vesely, fifth.

For club information, contact Gary Stivers at 714-313-3697 or Dave LaCascia at 801-674-5975.

WA-RITE

July's queen Karen Green.

Queen of June Marianne Barlow (r) shared some personal moments with club president Judy Chambers (I) and others at Wa-Rite's Aug. 4 meeting.

Gain a sense of belonging and learn from shared experiences every Friday in CH 3

Joyce Brannon scored a top loser title at the Wa-Rite's meeting on Aug. 4 by losing 7 pounds in one week. The club meets every Friday in Clubhouse 3, Room 1. Weigh-ins are from 8:15-8:45 a.m. Each meeting runs from 9-10 a.m. Annual membership fee is \$10. Weekly dues are ten cents.

Brannon attributes her success to putting more thought into eating, portion control and not getting to the point of starving. As a diabetic, she faces more complications when losing weight, but certainly demonstrates that it's possible.

The first meeting of the month also provided the opportunity to celebrate July's queen, the ever-inspiring Karen Green, as her ongoing successful battle toward better health continues its forward march.

One of her secrets to weight loss is a daily sweet treat after lunch. Even if it is calorie and portion-controlled, knowing it will be there makes it easier to forgo other temptations. Green also shared a positive experience with an over-the-counter

Additionally, the club had the opportunity to hear from the queen of June Marianne Barlow, who shared about her life as a resident and before she moved to Leisure World. A San Francisco native, Barlow and her husband enjoyed a long and full life together until his passing six months ago. Together they raised five children.

Club president Judy Chambers also shared a contest announcement to begin in September, which will include an opportunity to win funny money to use during the club's end of the year auction.

The final treat was a guest speaker, Leisure World resident Phuoc Germine, who spoke about her recent success losing 14 pounds and an improvement in her health. She emphasized the importance of nutritious and healthy food as well as commitment to exercise. Germine walks five miles per day, 2.5 in the morning and 2.5 in the early

Upcoming guest speakers will talk about foods with healing power and bringing the brain on board with a healthier lifestyle.

Women interested in better health, more energy and some light-hearted camaraderie are welcome to visit up to three meetings for free before deciding to join.

Low Vision Aids for Aging Eyes

While some people are born with complete or partial vision loss, most older adults' vision slowly dissipates over time.

Age-related macular degeneration (AMD) can lead to a loss of both central vision and the ability to see fine details. AMD happens when aging causes damage to the macula that controls sharp, straight-ahead

Learning to cope with these vision changes can take time, but certain low vision aids can help offset vision loss.

• Magnifiers: Magnifiers use lenses or cameras to make objects appear bigger. They can help with detailed tasks,

- such as threading a needle, finding buttons on a remote control, or reading a menu at restaurants.
- Lowvision glasses: Lowvision glasses are head-mounted, handsfree wearable technology that offer text-to-speech capabilities in a product about the size of sunglasses. NuEyes is a popular brand. Glasses magnify anything a person looks at.
- Large print items: There are a variety of products designed for those with low vision. These include wall clocks with large, bold numbers for easy viewing. Enlarged television remote controls and large-print books or digital reader settings help people with AMD maintain some normalcy.
- Color contrast aids: Color or contrast can be used to make items easier to see and use. For example, the Keys U Can See Keyboard has black letters and numbers on a striking yellow keyboard to greatly improve visibility.
- **Talking products:** From watches to clocks to bathroom scales, voice-equipped products give users information via audio.

In addition to these aids, eye doctors can recommend other products and treatments to help mitigate the vision loss that occurs with age, from AMD, or other eye illnesses.

Carol, very nice job on the staging. I'm blown away by the photos. I get a feeling of airiness and space in the entry/ living room even with the dining room table and the seating areas. The kitchen and bathroom look like you could take it as is! You really brought this place to life. Thanks
