Parking citations can be appealed

As parking enforcement on Trust streets enters its third month, the Security Department wants to remind residents how to avoid citations.

All vehicles parked on Trust streets (a "Trust" street is a named street inside the community) must have either a valid GRF decal on the vehicle or a valid guest pass placed on the vehicle's dashboard at all times. Warning citations are not issued.

People who are cited have the right to appeal any citation received through a written appeal to the Board or they may appear in person to present their case (information regarding the date of the appeal hearing will be on the citation).

AMPHITHEATER SHOW

Shar Wils revives Tina Turner in tribute

Shar Wils will take the stage as Tina Turner, who died earlier this year.

Tribute to Tina Turner
Aug. 24 | 7:30 p.m.
Amphitheater Stage

Shar Wils as Tina Turner has performed her celebrated singing and dancing shows all over the world, including Great Britain, China, Germany, Bangkok, Bahrain and Japan. She's even given a royal command performance to the King of Norway.

Wils pays tribute to the late Tina Turner, who died in May of this year. The legendary singer had a career that spanned over five decades, earning her the title of "Queen of Rock 'n' Roll." Her greatest hits include "What's Love Got To Do With It," "Private Dancer," and "Proud Mary."

Wils' unique act has been featured on "Entertainment Tonight" and "The People's Choice Awards," as well as various music videos. She has been featured as a guest artist in several Las Vegas production revues and starred internationally at top venues, including The Hippodrome in London and Madison Square Garden in New York as well as numerous major hotels, casinos and resorts.

The band includes Russ Olsen on guitar and vocals; Albert LaRoche, bass, vocals; and Sam Cunningham, drums, percussion, vocals.

People can arrive early to dine al fresco with Koffel's Taco Truck and Mandi's Candies from 5-7 p.m.

Minibus transportation will be available before and after the show. No parking is allowed in front of the Amphitheater on St. Andrews Drive along the southbound lanes. This is a tow-away zone on Thursdays during Amphitheater season.

See page 9 for Amphitheater rules and page 10 for the full season schedule.

GATE ACCESS

People will need valid GRF decal to receive RFID tag

A valid GRF car decal is required for all residents who want to obtain an RFID tag. People with expired decals should obtain a new one as soon as possible.

The Security Department will distribute RFID tags on a Mutual-by-Mutual basis beginning in September.

Obtaining decals

All decals are issued at the Decal Office in Clubhouse 5 near the Cafe. The Decal Office is open Tuesday-Saturday from 8 a.m.-4 p.m., (closed noon-12:30 p.m. for lunch).

To receive a decal for a vehicle, people

must present the following documents: (1) valid proof of vehicle insurance, (2) valid DMV vehicle registration, which must be registered to the LW resident, (3) valid DMV driver's license, and (4) a valid GRF identification card.

Once the decal is issued, it is valid for up to two years after the date of issuance. If a resident's driver's license expires before the end of the two-year period, the decal will expire in the same month as the resident's driver's license expires.

Expired insurance, registration, and/or driver's licenses are not valid documents. DMV identification cards do not

count as a valid driver's license. Those who bring invalid documents will not be issued a decal.

RFID tag distribution

The Security Department will issue RFID tags from the 1.8-Acre site. The site is located in the northwest corner of the community near Mutual 9, where Nassau Drive and Oak Hills Drive meet.

The first Mutuals to be issued RFID tags will be Mutuals 16 and 17 on Tuesday, Sept. 12. Additional dates for RFID distribution will be noted in the LW Weekly and on LW Live.

CITY OF SEAL BEACH

September town hall will focus on city updates

Seal Beach City Councilmember and LW resident Nathan Steele will host a town hall on Wednesday, Sept. 27, at 2 p.m. in Clubhouse 4. Topics will include the city’s housing element and zoning changes, paid parking on Main Street, the results of a citywide poll and the city’s five-year financial forecast.

Steele will be joined by Mayor Thomas Moore, City Manager Jill Ingram, Director of Planning and Development Alexa Smittle, Director of Public Works Iris Lee, Chief of Police Mike Henderson and city parking plan author and expert Julie Dixon, among others.

Steele represents the Seal Beach District 5, which encompasses Leisure World west of St. Andrews Drive. Moore, of College Park West, represents District 2, which encompasses the portion of Leisure World

Seal Beach City Council member Nathan Steele

east of St. Andrews Drive, Rossmoor Center and College Park West.

“The goal of the town hall is to help people understand the housing element and the connected changes to zoning

Seal Beach Mayor Thomas Moore

in Seal Beach,” Steele said. “It is also to help folks understand the issue of paid parking on Main Street, which the city council has not yet passed but is considering in the ad hoc parking commission.”

GRF CAR SALE

Residents can sell vehicles in Admin parking lot

Each fourth Saturday, authorized residents have the opportunity to sell any used motorized vehicle in the Administration parking lot from 8 a.m.-4 p.m. The next sale is Aug. 26.

Vehicles must have current DMV registrations, GRF decals and be insured.

In addition to cars, mo-

torhomes, motorcycles, golf carts, bikes, trikes and scooters may be sold.

The owner or representative does not need to be present but is allowed to display a single “for sale” sign no larger than 18” by 24” on the vehicle to include a phone number.

The sale is open to Leisure

World residents only and the guests they call in.

The public will not be able to sell at the events. This is a self-managed event where residents can meet and buy or sell a vehicle on their own.

For more information, contact the Recreation Department at 562-431-6586 ext. 398.

RFID TAG
from page 1

Any person who possesses a valid Leisure World identification card may receive one RFID tag for one vehicle with a valid GRF decal without charge.

The GRF Board of Directors is currently reviewing the process for residents with additional registered vehicles.

RFID tags will be distributed at the 1.8-Acre site on each Mutual’s assigned distribution date. The hours of distribution will be 8:30 a.m.-4 p.m. Cars may line up no earlier than 8:15 a.m. on Oak Hills Drive.

Before entering the 1.8-Acre site, Security will verify all four documents (valid license, vehicle registration, vehicle insurance and GRF identification card). People will not be able to receive an RFID tag without presenting these documents.

Upon entering 1.8-Acre site, each person will complete a form that will include a list of the four permanent guests they want on his or her account.

In addition, each person will need to provide a password for the account (the password may be any type of name or object or set of numbers).

If people miss their assigned day for any reason (illness, vacation, etc.), there will be an opportunity to obtain an RFID tag on a make-up day.

Be advised that the make-up day will be after regular distribution of all RFID tags is completed, so issuance of the make-up RFID tag will be in later October.

The Security Department must distribute over 10,000 RFID tags. The process will take nearly two months to complete. Therefore, Security cannot offer any specific day or timed reservations for RFID distribution. Residents have all day to obtain an RFID tag on their assigned day.

Minibus Orientation Meeting

A Minibus informational meeting will be held Thursday, Sept. 7, at 10 a.m. in Clubhouse 3, Room 3, to assist LW residents with using the many transportation services available to the Leisure World community. No reservations are required.

The GRF Transportation Department provides information on the LW Minibus service as well as the GRF appointment-based Access bus service for people with mobility challenges.

Information on other bus and transportation services to nearby grocery and medical destinations is also presented. Anyone who has a valid pass to enter the community can ride on the LW buses.

Bluebirds fly! In Leisure World

Story and Photos
by
Donna Gambol
LW contributor

Birds glorious birds, they sing, they fly, they swoop, they inspire the imagination. Most everyone in Leisure World has seen the magnificent egret that swoops down and carefully struts its way through our garden areas.

And we've all heard the mournful cooing of the mourning dove, some have even nested on residents' patios. Near me a nesting box annually attracts a family of phoebes, who return year after year and cause quite a riot when they fledge their young.

The couple that pleases me most, however, is a pair of western bluebirds who raised a brood of four last year, and this year a brood of five, in a nesting box that is connected to an arbor in my front garden space.

Both the male and female inspect the site for a nest, but the female does most of the construction.

It takes about two weeks for construction, placing bits of twigs, grasses, plastic wrap, and even feathers to make a cozy little mattress. And then when everything is to her satisfaction, she begins laying her eggs—just one egg a day.

When the laying cycle is complete, she begins the incubation period (about 13 days), so that all the little peeps emerge at roughly the same time. The female then eats the spent egg shell, restoring calcium to her system.

And now it's Papa's turn to shine.

He provides her with some meals during incubation, but now there are more mouths to feed, so he is busy searching sources of larvae, bugs, moths, caterpillars, seeds, snails and other tasty bits. She takes a break from all that mothering, sits in guard watching the nest while Papa goes hunting.

When not sourcing food, Papa is actively protecting the nest from any would-be predators. He scolds the phoebes and other song birds that get too inquisitive and dive bombs the squirrel who might be stalking the area. He's ever on guard, going after crows that infiltrate the territory and monitoring the activities of any humans who are walking by.

The little peeps are born naked, just a wisp of feathery dew and then in the next few days the little ones begin to grow their feathers. During the first week, the mother sleeps with her brood, but as the days pass and they get bigger, open their eyes and develop some real feathers, she leaves the nest, perching on the lamp post nearby to continue monitoring.

About day 17 and 18 passersby may occasionally see a little head peeking out, and then on day 19, the little ones fledge; three the first day and two the second.

They quickly fly to the cover of the nearby tree. Papa and Mama begin flight lessons in earnest, teaching balance, cover and how to forage for food. This will go on for several weeks, and should Mama decide to have a second brood the little ones will be expected to assist with feeding their younger siblings.

It has been great fun to monitor their progress. Folks inquire how I go about getting these snaps? I talk to the Mama every day and then quite within her view slide my iPhone into the slot at the top of the nesting box.

Will she have a second brood this summer? Perhaps.

I witnessed both Mama and Papa at the box this morning, peeking in to see if it was ready. Generally speaking they will not reuse the old nest. So I opened it up and removed the "spent" nest.

She may quickly rebuild. The second of the season generally only takes a week and then the process begins anew....I'll let you know if that happens.

Western bluebirds are vibrant.

Papa bluebird vigilantly guards the nest.

Baby birds get their first downy feathers.

Eyes and mouths are open by July 1.

By July 10, it's time to fly.

Letters to the Editor

Editor:

My husband and I have dined at the Primrose restaurant on two recent occasions and have been pleasantly surprised at the quality of the food. Our dinners, a French dip and Reuben sandwiches, were very tasty. A diner near us said her leg of lamb dinner was delicious, and the menu is most extensive.

Primrose is located at the Seal Beach Village shopping center, just outside Leisure World. It is very convenient to residents. Hours are from 7 a.m.-8 p.m. seven days a week. We hope more residents will give it a try!

Editor:

Due to global warming, Earth is suffering from extreme heat, large-scale wildfires, floods, various devastating incidents and war.

After COVID, worsened economic conditions and political instability have led to increased societal distrust. Anger over everyday matters is growing, and various scams, voice phishing, thefts, assaults, and gun violence are on the rise. However, despite these challenges, Mammoth Ski Resort welcomed skiers in August for the second time in 50 years, providing boundless delight.

The ski season concluded on Aug. 6, and Aug. 8 marks the beginning of autumn, "Ipchu," in the lunar calendar. As the autumn weather cools down, sports (skiing, pickleball, table tennis), music and dancing are the best ways to promote physical and mental health. To all LW residents, my wish is to experience a more harmonious time while sharing in the enjoyment of the music festival.

Setting It Straight

An article headlined "Feeding wildlife is illegal" in the Aug. 17 edition of the LW Weekly incorrectly reported that Mutual 4 allows bird feeders. Mutual 4 does not allow bird feeders dispensing bird seed anywhere on Mutual property, including hanging from trees.

Public Comments at GRF Meetings

The Open Meeting Act requires boards of directors to establish reasonable time limits for speakers to address the GRF Board of Directors. (Civ. Code §4925(b).)

Time limits are four minutes per speaker for 15 or fewer speakers; three minutes per speaker for 16-25 speakers; and two minutes per speaker, more than 26 speakers.

To address the board, submit a comment card at the meeting prior to it being called to order. You may email correspondence to executive coordinator at grf-boardaction@lwsb.com.

Expanded Hours at LW Gates

Hours of operation were extended at the St. Andrews and North Gates starting last month.

The gates now open at 5:45 a.m. and close at 10:45 p.m. The extra 15 minutes in the morning is especially appreciated by early birds leaving for work or the gym, and the extra 45 minutes at night allow residents to quickly access the community while easing traffic at the front gate.

OC Community Assessment Survey

The Orange County Community Services and Office on Aging invites Leisure World residents to participate in the state's Community Assessment Survey of Older Adults. The survey focuses on what services and programs seniors need. It doesn't ask for identifying information such as name, address, or email but seeks opinions on services already offered and others that might still be needed. The survey period is open through Aug. 28 and can be accessed at <https://polco.us/californiaopen23>.

How to shop for groceries on a budget with SNAP EBT cards

The Supplemental Nutrition Assistance Program (SNAP) helps many older adults stretch their food budget each month. Many retailers allow people to use their SNAP Electronic Benefits Transfer (EBT) cards for online grocery shopping including Amazon, Walmart, and Target, and on grocery delivery services such as Instacart. People may be responsible for additional fees not covered by SNAP benefits.

- **Groceries on Amazon:** In the Grocery and Gourmet Food section on *Amazon.com*, people will find a broad selection of EBT-eligible food items. Look for items labeled "SNAP EBT Eligible." Amazon Prime members get free shipping on orders of any size. Non-members get free delivery on grocery orders of \$25 or more. Shipping fees for smaller orders will not be covered by SNAP EBT card.
- **Amazon Fresh:** Amazon Fresh is available in select cities across the U.S. Many perishable items can be purchased with EBT and delivered within one to two hours.
- **FarmboxRx:** FarmboxRx is a national grocery delivery service. It gives qualified Medicare Advantage and Medicaid members the opportunity to order fresh produce online using their insurance plan's member benefits. People can check with their insurance provider on eligibility to use FarmboxRx EBT grocery delivery.
- **Instacart:** Instacart is an online grocery delivery service that allows buying groceries at SNAP-participating retailers for delivery or pickup.
- **Walmart.com:** Walmart is currently the only superstore approved to accept SNAP EBT card payments for online grocery delivery and pickup. People can place an order by visiting *Walmart.com* or on the Walmart app.
- **Target:** Target also allows people to use their SNAP EBT card in-store or online at *Target.com* through the company's delivery service arm, Shipt.
- **DoorDash:** DoorDash is the latest app-based delivery service to welcome SNAP payments that allows SNAP recipients to use their EBT card online to pay for grocery delivery and pickup.

Assembly of God

The third sermon in Assembly of God's "Emotions that Blind Us" series deals with discouragement, otherwise labeled depression, disinterest or apathy. Dips in mood are common, but when it is prolonged, it can seem that there is no relief and no solution. Those times can be overwhelming, and going forward in life seems impossible. Fortunately, there is hope that comes from the creator, who understands his creation best. The Hymn Sing is at 6 p.m. on Sunday, Aug. 27, in the

Clubhouse 3 Lobby. Hymns are selected by the participants, with a special song by a soloist, followed by a brief devotional by Pastor Chuck Franco and refreshments. Session two of "The 10 Commandments" series, a video study by Albert Tate, helps students discover how living within a framework designed by God is liberating, rather than confining. The class is interactive, with guided study questions, moderated by Pastor Chuck. Leisure World Assembly of

God meets Sundays at 10:30 a.m. in Clubhouse 3, Room 2. The Wednesday Bible study is held at 10 a.m. in Clubhouse 3, Room 2. The Hymn Sing is held on the fourth Sunday of the month. More information can be found at www.lwassemblyofgod.com, and on Facebook at the Leisure World Assembly of God Church page, where people can watch past sermons. For more information, call 562-357-4360, or email pastor-chuck@lwassemblyofgod.com.

First Christian Church

First Christian Church of Leisure World teaches from the Holy Bible verse by verse. It is a friendly church that welcomes all visitors to join and explore God's word together. **Pastor's Message** This week's message puts a spotlight on a city called Sodom. Ezekiel 16:49 says, "the sin in Sodom was abundantly evident in their pride, gluttony, idleness and sexual immorality." The city and its ultimate destruction due to the unrepentant sin is a story that is meant to bring awareness to every city, but the story does not end there. The most important message that comes through the Bible is the hope of redemption.

Romans 6:23 explains that "the wages or penalty of that sin is death. But the gift of God is eternal life in Jesus Christ our Lord." Jesus is faithful and forgives sin if people repent. **Weekend Services** Sunday services are traditional from 9:30-10:45 a.m. with hymnal music led by Janet Ray and Pat Kogak at the piano. This week, Sandy Carlson will bring the special music. Saturday services are more contemporary with Gregory Black leading worship with guitar accompaniment. The service is held from 9:30-10:45 a.m. **Midweek Studies** The women's Bible study, led by Melli Herrera is held on

Mondays from 10:30-11:30 a.m. Pastor Gary Whitlatch leads the Tuesday Bible study group from 9:30-10:30 a.m. The Thursday Bible study group, led by Pastor Bruce Humes, meets from 10:30-11:30 a.m. Pastor Humes also leads the prayer and Bible study group on Fridays from 6-7 p.m. All Leisure World residents are welcome to attend the above services and Bible studies. **Contact** First Christian Church is located on Northwood Road behind Carport 125. For more information, call 562-431-8810. The call will be returned at the earliest opportunity.

Faith Christian Assembly

"For from the least to the greatest of them, everyone is greedy for unjust gain; and from prophet to priest, everyone deals falsely... Were they ashamed when they committed abomination? No, they were not at all ashamed; they did not know how to blush." Jeremiah 6:13, 15. This scripture, written about 2,500 years ago, could have just as easily been written today. Fraud is on the rise, and methods seem to be getting more

creative and aggressive. Faith Christian Assembly will host detectives from the Seal Beach Police Department for its Fraud Prevention class at 11 a.m. on Wednesday, Aug. 30. Learn how to recognize fraud, and how to protect against it. Residents are invited to join Faith Christian Assembly members each Sunday for an encouraging biblical message, wonderful hymns and great fellowship. Sunday service times

are 10:30 a.m. and 5:30 p.m. Pre-service prayer gathers at 5 p.m. just before the evening service. GriefShare meets each week at 6 p.m. in the Garden Room. The church is located on the corner of St. Andrews Drive and Seal Beach Boulevard. To receive a free newsletter or more information on the church, call 562-598-9010 or visit the website at www.FCA-church.net

Community Church

"Be transformed by the renewal of your mind," Paul advised in a letter to the Romans. "Who do people say that I am?" Jesus asked his friends. Every believer's answer to the question "Who do you think Jesus is?" is personal and indicative of who they are. Come be transformed

as Kelly Frankiewicz, M.Div., applies these phrases to practical life. Community Church's worship service is held every Sunday at 9:50 a.m. in the church sanctuary, located at 14000 Church Place and is followed by a time of food and fellow-

ship. People can also join the service on Facebook at [@CommunityChurchLeisureWorld](https://www.facebook.com/CommunityChurchLeisureWorld) and on Zoom. Contact the church office for the Zoom link. Those who are in need without another way to address that need may call the church office to leave a message at 562-431-2503.

Buddha Circle

Buddha Circle will meet on Saturday, Sept. 2, in Clubhouse 3, Room 1, with Ven. Kusala from 9:30-11 a.m. Ven. Kusala is well known in the Buddhist community. He presents Buddhism in simple ways, teaching people how to suffer less and become happier. For more information, contact 714-468-6887.

Church of Jesus Christ of Latter-day Saints

Meetings for the Atherton Ward are held at 6500 E. Atherton St., in Long Beach. The sacrament service is held every Sunday at 10:30 a.m., followed in the second hour by Sunday School on the first and third Sundays, and Relief Society and Elders Quorum on the second and fourth Sundays. Primary classes for children are held every Sunday during the second hour. Members who are unable to attend Sacrament services in person can request a link from Bishop Mike Gravley at 562-212-8641. The reading source for this year is the New Testament. The reading assignment for the week of Aug. 28- Sept. 3 is 1 Corinthians 8-13. In Paul's time, Corinth was a wealthy trade center with residents from all over the Roman Empire. With so many different cultures and religions in the city, church members in Corinth struggled to maintain unity, so Paul sought to help them find unity in their belief in Christ.

LW Baptist

Music has an enduring way of capturing people's hearts and communicating genuine worship to the creator and redeemer. The contemporary gospel song, "Change My Heart, O God," restates the prophet David's words in Psalm 51, as "Search me O God," conveys the Psalmist's cry ending Psalm 139. LW Baptist Church's worship service is at 10 a.m. on Sunday, Aug. 27, in Clubhouse 4. This week, the church will study the call of God's people to walk worthy in their calling as Christians. The apostle Paul summarizes: "Since we live by the Spirit, let us keep in step with the Spirit." To receive information about the men's and women's Bible studies, midweek fellowship times, or information about the church, call the church office at 562-430-8598.

Rachel Howzell Hall

Author to speak at LW library

The Leisure World Library will hold its final AuthorSpeak event of 2023 on Friday, Sept. 8, at 11 a.m. next to the Library at Veterans Plaza.

New York Times best-selling author Rachel Howzell Hall will discuss her latest thriller novel, “What Never Happened.”

The novel follows Colette Weber, who has relocated to her Catalina Island home where, 20 years before, she was the sole survivor of a deadly home invasion. All Colette wants is to get back to her craft: writing obituaries.

Thankfully, her college best friend, Maddy, owns the local paper and has a job sure to keep Colette busy, considering the number of elderly folks who are dying on the island.

But as Colette learns more about these deaths, she quickly realizes that the circumstances surrounding them are remarkably similar...and not natural. As Colette begins to draw connections between a serial killer’s crimes and her own family tragedy, she fears that the secrets on Catalina Island might be too deep to survive.

The presentation begins promptly at 11 a.m. People can arrive as early as 10:30 to enjoy refreshments provided by the library.

Photo Arts Club

At the Aug. 10 meeting, the “patterns” assignment was discussed as members viewed photos on the TV screen. Members found many interesting patterns in nature and in common structures for the assignment. The photos that concentrated on the pattern area and eliminated the extraneous material were found to be the most effective.

There will not be a camera support at the Café this month.

The assignment for Sept. 14 is “close-up.” Members should use the editing features in their software or phone. Submitted photos must be very sharp. Members should send just three photos, at least two days before the meeting, to benbenjamins@hotmail.com.

Hooks and labels are available for members to use to hang framed photos in the hall of Clubhouse 3.

Individuals with technical or other questions will be paired with someone who can help them for individual discussion after the meeting. Everyone is welcome.

Garden Club organizes tours

It has been over three years since the Leisure World Garden Club offered garden and museum tours to its members.

Now that COVID-19 cases have decreased, the Garden Club has a great lineup of tours for its 2023/24 calendar, plus exciting guest speakers.

In October, the club will visit the Sherman Library and Gardens’ 2.2 acres in Corona Del Mar. Members will participate in the docent-led tour, followed by a lunch in the 608 Dahlia Restaurant, which comes with sweeping views of the central garden.

There will be free time before returning to Leisure World to visit the gift shop, garden library, or walk among the brick walkways winding past tile fountains and flower beds bursting with color, texture and fragrance.

In December, the club will visit the Ronald Reagan Presidential Library to view its exquisite display of Christmas trees.

February will take club members to Dodger Stadium to see its botanical garden, followed by lunch at the San Antonio Winery.

The final tour scheduled for April is to the Bowers Museum in Santa Ana. The cost for each tour covers transportation, entrance fee and, in many cases, lunch.

The club will meet Sept. 18 at 1:30 p.m. in Clubhouse 2. Kathie Moriarty, Ph.D., will discuss area native plants. Those interested in going to the Sherman Library and Gardens should be sure to attend the September meeting where they can buy a ticket for the tour and join the Leisure World Garden Club.

Preparing for cold and flu season

by Carson Blomquist
Optum HCC

Flu season is right around the corner and a few cases of flu have already been reported this month, despite its average start time in September. Whether these are a few isolated cases or a hint of an early start, people can get prepared now by staying safe and vaccinated.

The following are common misconceptions about flu vaccine and staying healthy during the flu season.

I'm healthy. I don't need a flu shot.

Being healthy is all the more reason to get a flu shot. Not everyone may experience the flu symptoms, but they can still spread it to others. The flu shot protects everyone vaccinated people come in contact with.

I got sick last time I had the flu shot.

No one wants to get sick and getting a flu shot comes down to timing. It takes up to two weeks for the flu shot to take effect. If people are exposed to the virus shortly after getting the shot, they could still end up with the flu. This year it's more important than ever to get the flu shot early.

I don't believe in vaccinating myself.

Despite the science, some people still have doubts about vaccines. Checking in with a healthcare provider before receiving a vaccine can be beneficial to those who aren't sure. Unvaccinated people create a risk for those around them and should consider then potential harm to others by skipping a vaccination.

I'm terrified of needles.

Let the clinician know of a fear of needles, look away, and focus on a happy place. It'll be over in a matter of seconds. Facing a fear of needles is tough, but it is worth it to help keep others safe.

Flu shots are starting to become available. Follow these principles before scheduling one:

- Wash your hands often
- Cover your sneezes and coughs
- Consider wearing a face mask in public places

Tips on embarking a strength training journey for older adults

As people age, they naturally lose muscle mass, so it's important to strength train and follow a balanced diet to maintain long-term health. According to the Centers for Disease Control and Prevention, regular physical activity is one of the most important things older adults can do to protect their overall health. Exercise helps to delay or prevent many of the conditions that come with age, ideally in a combination of strength training and aerobic exercises for an average of 150 minutes a week for those 65 and older. However, if there is only time for one exercise, do a set of squats, experts say.

Squats strengthen all of the muscle groups in legs, including the calves, quadriceps, hamstrings and glutes, as well as muscles in the lower back and core. Those muscles provide the foundation for most activities of daily living, such as climbing a set of stairs and simply standing up from a chair.

In addition, exercising with a friend can not only provide motivation to work out, but also build up the endurance by gradually increasing the workout time, the resistance, and the number of sets and repetitions in squats and other exercises.

WA-RITE from page 13

For the week ending Aug. 11 Wa-Rite members lost a total of 15.5 pounds. The top loser prize was shared by Marshia Larson and Denise Stabile, each losing 2.5 pounds. Larson has increased her workouts and avoids certain foods. Stabile is an avid believer in the benefit of exercise and commitment to her morning routine, and owes last week's success to adding an evening workout. She is also one of two members who met their weight loss goals and is eligible to receive her bachelor's degree from Wa-Rite. Just like other members, Stabile looks forward to the club's support as she transitions to maintaining her final weight goal.

Club member's Henrietta Peavy efforts also qualified her for a Wa-Rite degree. She will have an opportunity to speak about her success at the first meeting of September, when the degree program will take place.

Club president Judy Chambers spoke on the topic of food as medicine based on the article "12 Foods with Extra Healing Power." Along with nine other foods with medicinal applications, members learned about benefits of mustard on the bones, papaya to ease arthritis and bananas for depression and anxiety. Chambers also cautioned that not even something as benign sounding as taking advantage of certain foods to address improving health is not universally right for everyone. The club discussed specific instances when certain health issues or medications may not interact well with certain foods.

Next week's topic will be on how to change habits to ease the transition to a healthier lifestyle.

Women interested in better health, more energy and some light-hearted camaraderie are welcome to visit up to three meetings for free before deciding to join.

Mutual 2's Sago Park continues to wow residents as it grows

Mutual 2's Sago Park continues to thrive.

The park was completed in April 2021 and was approved by the Municipal Water District of Orange County (MWDOC). It fit the criteria as a drought-tolerant park, earning Mutual 2 a rebate of nearly \$12,000.

One of the requirements mandated by the MWDOC was that 110 drought tolerant plants, i.e. cacti, succulents, flowering shrubs, needed to be planted.

Now over two years later, with the help of J & J Landscaping, the variety of plants in the nearly 5,000-square-foot area has grown and matured into a beautiful park, with a great variety of unusual plants.

Most of the plants have been donated by Mutual 2 shareholders who recognize the value of saving nearly 83,000 gallons of water per year in this area alone. This past winter has given a tremendous boost to the cactus and native flowering shrubs, and trees.

Among the many beautiful plants in the park include the slender, leafless tree called the Euphorbia succulent. The succulent, which has a striking resemblance to a cactus, has grown twice its height since J & J donated the plant two years ago.

The tree shown here is a Ginkgo Biloba also known as "Tree of Life."

The White Alder Tree is at the center of the park

A Euphorbia succulent has grown twice its original size since being planted.

At Christmas time, the plant is wrapped in red, solar-powered fairy lights.

The Ginkgo Biloba, also known as "Tree of Life," is a native of China. The two ginkgo trees in Sago Park are about 4

years old, and, along with their unusual-shaped leaves, are known to bloom all summer. At its base is one of two colorful Mexican-tiled benches, provided as rest stops for visitors.

The White Alder tree is at

the center of the park and is home to a variety of wildlife, including hummingbirds, sparrows and butterflies. Along with an assortment of agave, aloes and yuccas, this tree provides shade which helps to keep the

soil moist.

Residents and visitors can walk a section of a path to give them a close-up few of the beauty, which includes a rocky dry creek bed.

Come To The Cross

During the summer of 2021, a friend's cross was taken from her yard. We made a new cross to replace it. We then decided to see if other residents of LW would like a cross with the message "God Bless America" to put in their yards. This new Ministry allowed us to make crosses for all residents at no cost in memory of what Jesus Christ did for us. As of today, we have given away approximately 800 crosses.

Come To The Cross

We now offer crosses with customized messages so long as it is in keeping with the meaning of the sacrifice our Savior made for each of us.

Potential messages include

Learn about the Qing Dynasty

LWer Delrie Hobbs will speak to the Sunshine Club about the Howard and Asian Art Collection (HAAC)in Long Beach and the Qing Dynasty at 10 a.m. on Friday, Aug. 25, in Clubhouse 3, Room 2.

Hobbs is an independent scholar of Asian art and consultant to the Howard and Asian Art collection. The HAAC is only 10 minutes away from LW and has an excellent collection of objects and textiles from Japan and China. After a brief introduction to the HAAC, Hobbs will focus her talk on Qing Dynasty (1618-1912) rank badges. Colorful and highly popular with collectors, badges were worn by all civilian, military and imperial members of the Qing Court. Intricately designed and embroidered on silk and satin and prominently displayed on robes, these badges denoted a person's rank at court—there was a strict hierarchy to be observed. Hobbs will discuss these badges in terms of context: the Qing Dynasty, robes, types of rank badges, symbolism, etc. She will provide examples of robes and badges on display at the HAAC."

Hobbs has a master's in Asian Art from the University of London, holds classes for OLLI at California State University Long Beach, and consults/lectures at the Howard and Asian Art Collection. She is also docent emerita with the National Museum of Asian Art (Freer & Sackler Galleries, Smithsonian, Washington DC).

The Basic Rules of Sudoku:
• There is only one valid solution to each Sudoku puzzle. The only way the puzzle can be considered solved correctly is when all 81 boxes contain numbers and the other Sudoku rules have been followed.
• When you start a game of Sudoku, some blocks will be pre-filled for you. You cannot change these numbers in the course of the game.
• Each column must contain all of the numbers 1 through 9 and no two numbers in the same column of a Sudoku puzzle can be the same.
• Each row must contain all of the numbers 1 through 9 and no two numbers in the same row of a Sudoku puzzle can be the same.
• Each block must contain all of the numbers 1 through 9 and no two numbers in the same block of a Sudoku puzzle can be the same.

Tournament Poker Club

The Tournament Poker Club plays regular tournaments on the first three Saturdays of every month in the lobby of Clubhouse 6 with a \$5 buy-in. The next play will be on Saturday, Sept. 2. Registration begins at 10 a.m. Treats and coffee will be served. Cards are in the air at 10:30. There is no late seating.

At the tournament on Aug. 12 the two players with the highest hands of the day were Lem Hall (5-5-5-5-K), and close behind was Guta Basner with a full house (A-A-A-10-10). Steve Edrich won the promotional prize with a 10-5 hand.

The final table players were Cheryl Enge, first place; Dick Jones, second; Donna Hernandez, third; John Vento, fourth; Joyce Smith, fifth; and Susan Dodson, sixth. With so many top players there was plenty of action at the table right up until the head's up play between Enge and Jones. In the winning hand, the flop came A-K-K. Holding

Cheryl Enge

A-6, Enge went all in after the flop. She was called by Jones (7-7). That gave Enge three of a kind, with two pair for Jones. The turn and river cards were eights, which gave Enge the winning hand of a full house.

Enge has lived in Leisure World for 11 years and has been a member of the club for one year. This was her first final table win. In addition to tournament poker, Enge is also a member of the Mah Jong club.

The object of the game is to toss one's bocce balls closer to the target than the opponent's. The game can be traced back to ancient Egypt. The court is located at Clubhouse 2.

Bocce Club play starts Sept. 5

The Leisure World Bocce Club will start fall 2023 league play on Tuesday, Sept. 5. League games will be on Tuesday and Saturday mornings beginning at 9, and on Thursday and Sunday afternoons beginning at 11:45. All returning players should have received their new schedules and procedures via email. The fall league will continue for seven weeks until late October, with the finals and party scheduled for Saturday, Nov. 4. The court is available for practice or casual play any time except during league play. Those not signed up for regular league play are welcome to join up as a substitute player to fill in on any day available. There will be a substitute list posted at the bocce court for anyone to sign up by leaving their contact information.

The Bocce Club is currently working on improvements to the court with the Facilities Committee and hope for some great changes in the next year. Those interested in learning more about the Bocce Club can contact Rhonda Cox at 714-904-6458.

What's being said while getting a property ready for market....

“

Carol, very nice job on the staging. I'm blown away by the photos. I get a feeling of airiness and space in the entry/ living room even with the dining room table and the seating areas. The kitchen and bathroom look like you could take it as is! You really brought this place to life. Thanks
