MESSAGE FROM THE GRF

Assessments will increase to beef up reserves

by Marsha Gerber
GRF Board President

Leisure World is 62 years old. It is a well-maintained, sought-after 55 and over community with an aging infrastructure. Replacing the Amphitheater, Security Gate system, Service Maintenance Yard, Clubhouses, etc., is a costly business, as was evidenced by the replacement of our pool.

There recently was a new nationwide standard passed by the Community Association Institute (CAI) because there is a natural reluctance for communities and their residents to exact huge charges on themselves. Fixing vital infrastructure is best accomplished by requiring constant, long-term funding to amass those funds beforehand.

New rules governing cooperative living communities such as Leisure World now demand that reserve studies identify common amenities, their life span and how much it will cost to replace them.

Preparing for future expenses to keep Leisure World safe and sound is a commitment the GRF Board governs by. The Board is also mindful of maintaining an affordable lifestyle here. Balancing the two is a challenging responsibility that board members take very seriously.

We have a reserve fund to repair or replace items in Leisure World when they are no longer safe or usable.

But many things in this community are considered what are called "Life-Long Components" and they are not

GATE ACCESS

Dates set for RFID tag distribution to all Mutuals

The RFID (Radio Frequency ID) tag distribution for the community will start in mid-September. Pick-up dates have been set for all Mutuals.

Here are some quick facts to make the distribution process an easy one for all residents:

Who can receive an RFID tag?

Any person who possesses a valid Leisure World Identification Card may receive one RFID tag for one vehicle with a valid GRF decal without charge. To receive an RFID tag, you must have a valid Leisure World Decal on your vehicle.

Decals are available at the Decal Office next to the Café in Building 5. The Decal Office is open Tuesday-Saturday, 8 a.m.-4 p.m. (closed noon-12:30 p.m.).

To receive a decal, people must have the following: (1) valid state issued driver's license, (2) valid vehicle registration, (3) valid vehicle insurance, (4), valid GRF Identification Card.

Where do I pick up my RFID tag?

People can pick up their RFID tags at the 1.8-Acre site, located in the northwest corner of the community in Mutual 9 (formally known as the "mini-farms").

When do I pick up my RFID tag?

Residents of each Mutual and building have been assigned a date to pick up their RFID tags.

The hours of distribution will be 8:30 a.m.-4 p.m. Cars may not line up earlier than 8:15 a.m. on Oak Hills Drive.

Before entering the 1.8-Acre site, Security will verify all four documents listed above (valid license, vehicle registration, vehicle insurance and GRF Identification Card). Bring RFID, page 4

listed in the reserve study. In those occasions when a "Life-Long Component" needs replacement, there needs to be money available to pay for what could be the most expensive repairs a community will ever endure. We just spent nearly a quarter of a million dollars to fix one of them. The wall Leisure World shares with Frontier near the North Gate had deteriorated over 60 years. We shared the cost of the fence with Frontier but our part was still nearly a quarter of a million dollars. It had to be paid out of capital funds because there were no reserve funds for this. That means there now is less capital funds available to do new projects.

A primary goal is to maintain a healthy reserve fund to replace our aging infrastructure. As this year's budget nears completion, in order to accomplish this it is clear that the monthly GRF assessment must be increased. The GRF Board has not voted on the amount yet, but by law, the most it can be raised is 20% of the current monthly assessment.

It is safe to say that the wage increases mandated by California law will also be a factor in the 2024 monthly assessment. These wage increases were 20% minimum last year for entry level jobs. Also construction costs of cement, wood, and building materials have gone up 25-50% this year alone.

All four committees, as well as the entire Board, will be reviewing the budget in depth. We will keep you informed as the numbers solidify during the coming weeks.

Service Maintenance team members Alex Acedo (l) and Juan Fuentes (r) remove peeling paint and rust from a LW bus stop in late July.

TRANSPORTATION

Service Maintenance is hard at work revitalizing bus stops

GRF's Service Maintenance team members are hard at work restoring LW's bus stop canopies. By using a high-powered spray nozzle, the workers can remove peeling paint and rust from the decade-old canopies. The workers also replace rusted pieces as needed.

The bus canopies were donated to the GRF by various clubs, individuals and the Golden Age Foundation over 10 years ago.

"[The canopies] were looking for some love and attention lately," GRF Board member Nick Massetti, of Mutual 17, said. "Now they have it. We can look to them sparkling before long and we can all feel a bit better to be seen in and around them." Massetti encouraged residents to give Service Maintenance workers a thumbs up for their work in maintaining Leisure World's amenities.

PATRIOT DAY

Drop off old flags to be ceremonially burned

by Emma DiMaggio
emmad@lwsb.com

With Patriot Day (Sept. 11) right around the corner, people looking to hang up fresh American flags are encouraged to drop off their old, tattered or worn out flags at Leisure World's flag box, located outside the LW Library.

The flag box—a repurposed postal box acquired and set up by GRF in 2021—is managed by American Legion Post 327.

According to the U.S. Flag Code, retired American flags should be destroyed in a dignified way, preferably by burning.

The flags collected at the Post's flag box are transported to American Legion Post 716 in Los Alamitos. The flags are then forwarded to Bakersfield, where they are ceremonially burned.

The ceremony honors the memory of fallen and living military members, as well as their families, and the service given by military members during both war and peace times.

Mutual 5 resident Phil Hood, a former Mutual 5 president and GRF treasurer, is the Post chaplain in charge of periodically collecting the retired flags.

Hood collects about 30-40 flags every month or so, the equivalent of one to two 20-pound bags. In the past month, the box has amassed 95 flags. According to Hood, he collects more flags around

According to the U.S. Flag Code, the proper way to dispose of an American flag is through ceremonial burning.

federal holidays like Fourth of July and Memorial Day.

People can place a number of U.S. flags in the box, including prisoner of war (POW) flags and American flags with colored stripes (such as those that specifically honor first responders, police, or medical workers).

Residents are urged not to put miniature flags in the box—such as those that are placed in lawns or as decoration on tables or golf carts—as they'll be discarded.

Hood emphasized that new flags should not be placed in the flag collection box either, especially those in plastic bags.

Instead, Hood encourages residents to gift new flags to friends or neighbors.

The flag box is located in front of the LW Library.

PERSPECTIVES

Letters to the Editor

Editor:

As one of the owners of Leisure World Pharmacy, I would like to help clarify the history that led to the pharmacy being vacant. (GRF Director) Janet Isom attempted to provide the facts in her Aug. 3 column, but some crucial information was missing.

In 2020, well in advance of the September 2023 lease expiration, we contacted Optum to negotiate an extension before making additional financial investments. We were told that Optum would like to purchase the pharmacy through its subsidiary, Genoa. For two years, we negotiated in good faith with Genoa. Genoa's representative ultimately decided that there was no need to purchase anything from us; rather, they would simply let the lease expire and take over our pharmacy business at that time. How much notice we did or didn't provide is irrelevant since it was clear that our lease would not be renewed. We proactively provided ourselves with an exit strategy that, most importantly, would benefit our patients in addition to our staff and ourselves.

Ms. Isom wrote, "Unfortunately, Good Neighbor refused to end its lease with Optum early . . ." It is unfortunate since we continued to pay rent for seven months for the empty space of a closed business. We honor our commitments. At no time did Optum approach us to end our lease early, which we would have been happy to negotiate.

While we continued to pay rent, Optum changed the locks without notice or providing keys until we demanded access to the space for which we pay.

We have been in the pharmacy business for over 55 years and do not air our grievances publicly, but it has been very disheartening to see and hear the misinformation that has disparaged us, our business practices, and the way we cared for our patients. For 18½ years, our family enjoyed being a part of the Leisure World community. We were committed to ensuring the community's needs would continue to be met while providing a smooth transition.

With thanks, Holly Globerman
Owner, Leisure World Pharmacy

Editor's Note: The GRF wants to express its gratitude to Good Neighbor Pharmacy owners, the Globerman family, and staff for their many years of service to Leisure World Seal Beach and the care they showed to the community during this transition period. Moving forward, Leisure World is eagerly awaiting the new pharmacy Optum is working to bring to the Health Care Center.

Editor:

Regarding your article on parking and ensuing fines for violations, I believe some changes need to be made to the imposed parking restrictions.

The restrictions do not allow for a household with two vehicles when both members may take a vacation which will definitely exceed the parking restriction time limits.

My partner and I will be taking a weeklong vacation in November. So one car goes in the carport while the other car gets ticketed, and I pay a fine. That's a wonderful introduction to a fairly new resident.

I spoke to the Security Watch Commander, and he said that Club House 4 parking lot was used at one time for extended parking, but that is no longer the case.

Are there any other Draconian restrictions that I should be aware of while I'm wondering if I made a mistake to buy in Leisure World?

It would seem to me that a less severe rule would be to issue a parking pass to be displayed in the windshield for longer parking in the same spot or in a parking lot.

all these documents to the 1.8 Acre site. People will not receive an RFID tag without presenting these documents, no exceptions.

Upon entering 1.8-Acre site, people will complete a form to list the four permanent guests they want on their account. In addition, people will need to provide a password for their account (the password may be any type of name or object or set of numbers).

Distribution Calendar

To ensure the RFID tag issuance is completed in an efficient manner, Security will issue the RFID tags by Mutual.

If people miss their assigned day for any reason (illness, vacation, etc.), there will be an opportunity to obtain an RFID tag on a make-up day. The make-up day will be after regular distribution of all RFID tags are made, so make-up RFID tags will be during the last week of October.

The Security Department will distribute over 10,000 RFID tags. The process will take nearly two months to complete. Therefore, it cannot offer any specific day or timed reservations for RFID distribution, nor can Security accommodate any special requests.

Residents in line for a tag on a day that they have not been assigned will not receive an RFID tag.

We would like our patients to meet our new associate Dr. Taylor J. Sant

Assembly of God

Assembly of God's sermon series "Emotions that Blind Us" continues this Sunday, Sept. 10, with the passage from Jonah 3:5-4:11, concerning bitterness. Pastor Chuck Franco will explore the effect bitterness has on people.

People meet on Wednesdays at 10 a.m. for the Bible study titled "The Ten Commandments," by Albert Tate. It presents the familiar commandments in a different light. God never intended these commands to be bondage, but rather a framework in which people can live and thrive. The takeaway from the third commandment was "Don't wear my name and let it have no effect."

Leisure World Assembly of God meets Sundays at 10:30 a.m. in Clubhouse 3, Room 2. The Wednesday Bible study is at 10 a.m. in Clubhouse 3, Room 2. The Hymn Sing is at 6 p.m. on the fourth Sunday night of each month in the Clubhouse 3 Lobby.

Community Church

Community Church will hold a special worship service on Sunday, Sept. 10, at 9:50 a.m. to welcome new members Susie Perslow, Sandy Cardot, Melinda Cowan, Jo Rousey, and Jenny Chang into the church family.

The church will continue Paul's letter to Christian communities in Rome, asking can the world be better than it is? In Matthew's Gospel, Jesus ad-

monishes his followers to wake from sleep. They were locked into a defeatist world view and had given up on making the world a better place. If a loving community and a shared passion for making things better is something that sounds appealing then join Community Church at 14000 Church Place on Sundays at 9:50 a.m. for worship followed by a time fel-

lowship and light refreshment. Come early for a cup of coffee in the Narthex.

People may also join live on Facebook at [@CommunityChurchLeisureWorld](https://www.facebook.com/CommunityChurchLeisureWorld) and on Zoom. Contact the church office for the Zoom link. Those who are in need without another way to address it may call the church office to leave a message at 562-431-2503.

First Christian Church

First Christian Church of Leisure World teaches verse by verse from God's word, the Holy Bible. It is a friendly church that welcomes all visitors to join in worship and explore God's word together.

Pastor's Message

The sins in Sodom and Gomorrah had gotten so bad that not even 10 righteous people could be found. If 10 had been found, God said he would not destroy those cities. However, God saved four individuals from the city of Sodom, Lot: his wife and two daughters were led out by the hands of two visiting angels. Unfortunately, Genesis

19:26 says, "But his wife, from behind him, looked back, and she became a pillar of salt."

God's people today can learn from this. As the Lord delivers followers from worldly desires, they must remember to focus on spiritual things, and not look back.

Weekend Services

Sunday services are traditional from 9:30-10:45 a.m. with hymnal music led by Janet Ray and Pat Kogak at the piano. The choir will sing "Shine Jesus Shine."

Saturday services are more contemporary with Gregory Black leading worship with gui-

tar accompaniment. The service is held from 9:30-10:45 a.m.

Midweek Studies

The women's Bible study, led by Melli Herrera, is held on Mondays from 10:30-11:30 a.m.

Pastor Gary Whitlatch leads the Tuesday Bible study group from 9:30-10:30 a.m.

The Thursday Bible study group, led by Pastor Bruce Humes, meets from 10:30-11:30 a.m.

Pastor Humes also leads the prayer and Bible study group on Fridays from 6-7 p.m.

LW Baptist

LW Baptist will meet for worship on Sunday, Sept. 10 at 10 a.m. in Clubhouse 4. The message focuses on living for Jesus.

The Bible says that Jesus died for all so that people should no longer live for themselves, but for him who died and rose

again on their behalf. One of LW Baptist's missionaries in Japan recently and unexpectedly went into the presence of the Lord. The news brought the question, "What are you living for?" The apostle Paul, shortly before death, said, "I have fought the good fight; I have finished

the race; I have kept the faith. Now, there is in store for me a crown of righteousness, which the Lord, the righteous judge, will award to me on that day, and not to me only, but to all who have longed for his appearing."

For more information, call 562-430-8598.

The sign-up for fall season league teams has been closed. If any exceptions for joining a league team are needed, call President Kay Mount at 775-527-0426.

As it stands the club will have at least nine league teams, five competing on Tuesday nights and four competing on Friday mornings. Before the COVID pandemic, the club had competed with just three teams on Friday mornings. Clearly

a segment of the Leisure World resident population is looking for evening activities.

Throughout the month of August, a consistent number of participants, both new members and veteran members, have enjoyed the Monday/Wednesday open play sessions. Although a record number of people are enjoying the 9-11 a.m. sessions (where any Leisure World residents are welcome), there is now discussion about adding a third open play practice session during an afternoon. The club will wait until the summer heat passes, but watch for an announcement in LW Weekly about the start of another time for the shuffleboard courts to be open.

For more club information, contact Patty Peterson, membership coordinator, at 562-714-7072.

Scramble Golf Tournament

Forty-eight golfers from the Leisure World men's and women's golf leagues played in a special scramble tournament on Aug. 30 at the Turtle Lake Golf Course. Eight teams teed off at 7:30 a.m. with the goal of having the lowest gross score of the day.

Special rules for the tournament were:

1. Each team member teed off and then it was best ball until the ball went into the hole.
2. Each best shot was marked, and every other player played from within six inches of that spot.
3. Every team member used their drive off the tee three times.
4. All balls played into the hole; no gimmies or concessions.
5. Only the best score was entered on the scorecard.

The competition was fierce with lots of birdies and camaraderie among team members. The weather was sunny, humid, and warm for the entire round. Considering the great playing conditions, it was not surprising that below-par scores were

achieved by every team.

Tie for first place: Team One (Bob Barnum, Dale Williamson, Jack Haskins, Scott Tuchfarber, Dennis Jensen and Joann Lim), and Team Eight (Alan Sewell, Jane Song, Steve Kang, Bill Zurn, Jon Russell and Emiko Uchiyama), 8 under par 46.

Tie for second place: Team Two (Dong Kim, Stan Johnson, Hae Lee, Sue Yokomi, Kyung Ju and Patty Littrell), and Team Six (Rolando Ramirez, Bill

Men's Golf League

Twelve golfers from the Leisure World Men's Golf League played Aug. 25 at the 5,600-yard par- 71 Meadowlark Golf Course in Huntington Beach.

The weather was sunny and warm for the entire round with a freshening wind during the last four holes. Considering the reasonably enjoyable playing conditions, it was astonishing that the course permitted only three of the 11 rounds to be under par and yielded no birdies. Clay Fischer and Daniel Mahoney had the fewest putts for the round. Closest to the pin on the par-3 seventh hole was Chris Lankford, and Lowell Goltra was closest on the par-3 sixteenth.

A flight winners (handicaps 0-19): Lankford, first place; tie between Gary Stivers, Sam Choi, and Fischer, second; Bill McKusky, third; tie between Dave LaCascia and Larry Hillhouse, fourth.

B flight winners (handicaps 20 and over): Mahoney, first place; Lowell, second; Gene Vesely, third; Bob Munn, fourth.

Thirteen golfers played Aug. 28 at the 4,000-yard par-62 David L. Baker Executive Golf Course in Fountain Valley. The weather was sunny, and temps reached the upper 80s by round's end with high humidity. Greens and fairways were initially very wet and choosing the right club for the approach shots was very important.

The course is being maintained with well-manicured greens. Tees are still an issue but not to the detriment of the game. As has been the recent norm, the men's tees were way back and the ladies' tees way forward. With the initial difficult playing conditions, it was not unexpected that the course would only permit five of the 13 rounds to be at or under par and yielded just two birdies both by League Director Gary Stivers.

A flight winners (handicaps 0-19): Bill McKusky (fewest putts for the flight), first place; Stivers (closest to the pin on the par-3 12th hole), second; tie between Clay Fischer, Dave LaCascia and Sam Choi (closest to the pin on the par-3 third hole), third; Chris Lankford, fourth.

B flight winners (handicaps 20 and over): tie between Lowell Goltra and Digna Vesely, first place; tie between Bob Munn and Ron Jackson (fewest putts for the flight), second; Gene Vesely, third; Tom Ross, fourth; Daniel Mahoney, fifth.

The Monday and Friday Golf Leagues play at four local courses, all within 15-20 minutes of Leisure World. The courses the group plays are always quite full, so advance league reservations are required with a sign-up sheet available at each round.

There is a prize pool for each round that players are not obligated to enter. Rewards are given for low net in each flight, birdies, closest-to-the-pin on two par threes, and for the lowest number of putts in each flight. Holes-in-one and eagles (two under par), although infrequent, are generously rewarded. If interested, contact, Gary Stivers at 714-313-3697 or Dave LaCascia at 801-674-5975.

Community Emergency Response Team

At the Aug. 25 Community Emergency Response Team (CERT) meeting, Catherine O'Brien CERT president and college therapist, explained how one could cope with and recover from setbacks.

Setbacks like the earthquake disaster in Maui or the loss of a spouse can send a person's physical, mental and emotional situation into chaos. O'Brien said, "Resilience is knowing how to get out of disaster chaos through interventions and new habits."

One intervention a person can do is naming the physical, emotional or mental problem to get out of it. Resting, writing down thoughts and eating well can also help.

Connecting with another person can be helpful. As a friend, it can be helpful just be there and empathize with the difficulty, or offer to help.

O'Brien's also advised know-

SENIORS FOR PEACE

Join the climate change discussion

The Seniors For Peace Club will meet today, Sept. 7, at 2 p.m. in Clubhouse 3, Room 9.

A brief presentation by Victor Rocha, Security Services director, will give a brief presentation on the new gate entry system, RFID tags, will be coming soon. This should take about 15 minutes, depending on the number of questions.

The main event will be a discussion of the club's projected plans to focus on what is now a climate emergency. Climate change is real; it is human-caused, mainly due to the burning of fossil fuels. The urgent question facing the world is what can be done now to slow the disastrous warming of the planet. The damage already done can't be undone, but there are many small steps that everyone can take to help the situation. There are some actions that many people are already practicing, such as composting table scraps, but the club's directors would like to hear additional ideas and suggestions from members and attendees.

Call Pat Kruger at 562-357-4040 for more information.

WHERE WE LIVE CLUB

Learn about gas alternatives

The Where We Live Club will meet on Monday, Sept. 11, at 6:30 p.m., in Clubhouse 3 Room 2.

Did you know that you could stop buying gasoline for the rest of your life? You could buy an electric car and potentially never buy gasoline again. You can charge the car at nearby shopping centers, but the most convenient option would be to simply charge your car in your own LW carport.

This is already happening at LW. One of the 16 Mutuals has moved ahead to allow carport charging. There are already over 1.4 million zero emission vehicles on California roads, and about 1 in 5 of all new car sales are zero emission. This proportion will increase toward 100% as it gets closer to the deadline to stop selling new gas powered vehicles in the state. There are many chargeable vehicles in LW now and interest is growing. There are reports that the Mutual offering charging is getting a lot of attention from new buyers. The future is clear. GRF has installed a charging site outside the wall and has begun phasing in electric maintenance carts which are clean and quiet.

Those who are interested in carport charging at LW are invited to discuss at the next

SUNSHINE CLUB

RSVP to visit the Academy Museum of Motion Pictures

The Sunshine Club will visit the Academy Museum of Motion Pictures on Monday, Nov. 6. People can RSVP for the trip every Friday in Clubhouse 3, Room 2, at 9:30 a.m., before the Sunshine Club meeting at 10.

The Academy Museum of Motion Pictures is the world's premier institution dedicated to the art and science of movies. Global in outlook and grounded in the collections and expertise of the Academy of Motion Picture Arts and Sciences, the museum offers unparalleled exhibitions and programs illuminating the fascinating world of cinema. The immersive and dynamic exhibits tell the stories of the featured movies—their art, technology, artists, history and social impact—through a variety of diverse and engaging voices. The Academy Museum tells complete stories of movie making: celebratory, educa-

tional, and sometimes critical or uncomfortable.

Originally expected to open in 2020, its completion and opening was delayed due to the COVID-19 pandemic. The museum eventually opened to selected celebrity guests on Sept. 25, 2021 and to the general public on Sept. 30.

On July 14, 2022, the museum voluntarily recognized Academy Museum Workers United as the bargaining representative for 160 of its employees.

The Academy Museum of Motion Pictures is located in Los Angeles, California. It is constructed by the Academy of Motion Picture Arts and Sciences, which is devoted to the history, science and cultural impact of the film industry. It is the first large-scale museum of its kind in the United States. The museum is located in the

historic May Company Building on the intersection Wilshire Boulevard and Fairfax Avenue, part of Museum Row on the Miracle Mile.

The cost of the trip is \$80 including an admission ticket, transportation, lunch, snacks, water, and driver's gratuity.

The pick-up location is in front of the Amphitheater bus terminal, at 8:15 a.m. The group will be back before 6 p.m. at the same location.

For more information, text Anna Derby at 562-301-5339, no phone calls.

Community Bingo Games

LWers can participate in community bingo games hosted by LW clubs every Sunday in Clubhouse 2. Doors open at 1 p.m., and first call is at 1:30 p.m. Buy in starts at \$5. Refreshments are available.

The schedule is as follows: The American Legion Auxiliary Unit 327 hosts every first Sunday of the month, and the American Legion Post hosts games every second and fourth Sunday of the month. The Filipino Asso-

ciation of Leisure World hosts games every third and fifth Sunday of the month, except most holidays.

All residents are welcome to join in on the fun and meet new friends every Sunday.

The Paws, Claws and Beaks Club will discuss including pets in estate planning.

Paws, Claws and Beaks Club

The Paws, Claws and Beaks, has experienced too many calls from LW residents' families that don't want their mom or dad's pet and want the club to find homes for them. The next meeting will cover this topic for all of the Leisure World pet owners and caretakers in detail. Tracy Roberts, president of the Orange County Animal Allies and a local estate planning attorney, will be the guest speaker on Thursday, Sept. 14, behind the Clubhouse 1 picnic area at noon. People are asked to bring a side dish for eight people. Leashed dogs are welcome to join.

The meeting will prove to be fun and educational with Roberts speaking about estate planning with pets in mind. Roberts has over 20 years of experience in all aspects of estate planning and is a certified specialist with the State Bar of California Board of Legal Specialization in Estate Planning, Trust, and Probate. In addition to her professional expertise and experience, Roberts provides her clients with compassionate and personalized legal services that every family deserves.

Many people consider their pet to be a family member, best friend, or loyal companion. Responsible pet owners provide food and water, shelter, veterinarian care and plenty of love and attention to their pets. To ensure that a pet will continue to receive this care should something unexpected happen, it's critical to plan ahead.

Over two-thirds of American households own a pet, but it is estimated that less than a quarter of those pet owners make estate planning provisions for their pets. Each year thousands of pets are surrendered to shelters, abandoned, or euthanized. Providing for a pet in a will instead of a trust leaves your pet's care subject to the delays and costs of a court probate proceeding.

MEDICARE 101

Medicare, copays and second opinions

In some cases, Medicare Part B covers a second opinion for a medically necessary surgery that isn't an emergency. Medicare will also help to pay for a third medical opinion if the first and second opinions differ.

Those who have original Medicare with no Advantage plan or Medicare supplement, will have to pay a 20% copay for these second or third opinion doctors' visits.

However, a Medicare Advantage plan or a Medicare Supplemental may have different rules and people can find out if there is a cost for the second and third opinions.

To find out how much the test, item, or service will cost, people can talk to their primary doctor or healthcare provider. The specific amount owed may depend on several things:

- The type of insurance people may have.
 - How much the doctor charges.
 - If the doctor accepts assignment.
 - The type of facility or where the test, item, or service is done.

Thriller author to speak at library

The LW Library will hold its final AuthorSpeakevent of 2023 on Friday, Sept. 8, at 11 a.m. next to the Library at Veterans Plaza.

New York Times best-selling author Rachel Howzell Hall will discuss her latest thriller novel, "What Never Happened."

The novel follows Colette Weber, who has relocated to her Catalina Island home where, 20 years before, she was the sole survivor of a deadly home invasion. All Colette wants is to get back to her craft: writing obituaries.

Her college best friend, Maddy, owns the local paper and has a job sure to keep Colette busy, considering the number of elderly folks who are dying on the island.

But as Colette learns more about these deaths, she realizes that the circumstances surrounding them are remarkably similar, and not natural. As she begins to draw connections between a serial killer's crimes and her own family tragedy, she fears that the secrets on Catalina Island might be too deep to survive.

The presentation begins at 11 a.m. People can arrive as early as 10:30 to enjoy refreshments provided by the library.

Garden Club

The Garden Club will meet Monday, Sept 18, at 1:30 p.m. in Clubhouse 2. The featured speaker is Kathie Moriarty, Ph.D., who will discuss native plants.

Dr. Moriarty is not Sherlock Holmes' arch enemy, but she does like her notorious name. She was able to combine her enthusiasm for teaching with her passion for the world and people by earning her master's in geography at Cal State Long Beach. She then completed her research into the human impact on the earth's environment for her thesis on restoration ecology at Crystal Cove State Park.

Teaching geography is her true calling and passion, and restoration ecology is an important component of what she teaches. This involves teaching about the significance of introducing native plants to bring back native habitats to natural environments, which brings back stability and biodiversity (essential constituents) to the Earth and its ecosystems' health.

Native plants are naturally drought resistant in the Mediterranean climate of Southern coastal California. Moriarty will share some background, some history, and some good plant choices for this region.

There will also be a brief presentation by Security Services Director Victor Rocha on what LW residents need to know about the new gate entry system that utilizes radio frequency identification (RFID) cards, which is coming soon.

Tickets will be on sale for the Sherman Library and Gardens tour in Corona Del Mar on Oct. 18. This will be the Garden Club's first tour in over three years and should be spectacular. Tickets are \$60, which includes a docent-led tour of the 2.2-acre gardens and lunch at the 608 Dahlia Restaurant.

The We Care table will be set up in the lobby for donations of non-perishable food items, gift cards and cash.

All are welcome to attend. Coffee, tea and cookies will be served after the meeting.

The Basic Rules of Sudoku:

• There is only one valid solution to each Sudoku puzzle. The only way the puzzle can be considered solved correctly is when all 81 boxes contain numbers and the other Sudoku rules have been followed.

• When you start a game of Sudoku, some blocks will be pre-filled for you. You cannot change these numbers in the course of the game.

• Each column must contain all of the numbers 1 through 9 and no two numbers in the same column of a Sudoku puzzle can be the same.

• Each row must contain all of the numbers 1 through 9 and no two numbers in the same row of a Sudoku puzzle can be the same.

• Each block must contain all of the numbers 1 through 9 and no two numbers in the same block of a Sudoku puzzle can be the same.
