Mark Wood and the Parrot Head Band will pay tribute to recently deceased singer-songwriter Jimmy Buffett.

Tribute will honor late Jimmy Buffett

Mark Wood and the Parrot Head band have been performing since 1999. About Buffett's death, Wood said, "His spirit lives on in the legacy of his stories, his songs and in each and every one of us."

Just 14 days after the death of legendary musician Jimmy Buffett, Mark Wood will grace the Amphitheater stage to pay tribute to the singer known for tropical rock hits inspired by island living. Wood began listening to and playing Jimmy Buffett tunes in the early 1970s. The stories that Jimmy told in his songs, along with the great melodies, were always intriguing to Wood. Songs like "Margaritaville," "A Pirate Looks at 40," "Pencil Thin Mustache" and "Tampico Trauma" became staples in his solo career. After the death of Buffett earlier this month, Wood and his accompanying Parrot Head Band played a last-minute show in Costa Mesa. "It was a wonderful way to begin to come to grips with Jimmy's passing; all of us together, singing and reliving Jimmy's stories," Wood said. "What I realized that evening was that even though Jimmy's not here with us in body, his spirit lives on in the legacy of

California escapes extreme drought after series of showers

Conservation continues amid record-setting winter rainfall and tropical storm

Over 95% of California was classified as under severe drought one year ago. Today, all of the state is completely drought free, according to the U.S. Drought Monitor, which tracks the location and intensity of drought across the country. Tropical Storm Hilary's rare summer rain and last winter's record-setting rainfall totals have worked together to solve the years-long problem of serious drought in California. Last summer, California was in the

GATE ACCESS

Dates set for RFID tag distribution

The RFID (Radio Frequency ID) tag distribution for the community will start in mid-September. Pick-up dates have been set for all Mutuels.

Here are some quick facts to make the distribution process an easy one for all residents:

Who can receive an RFID tag?

Any person who possesses a valid Leisure World Identification Card may receive one RFID tag for one vehicle with a valid GRF decal without charge. To receive an RFID tag, you must have a valid Leisure World Decal on your vehicle.

Decals are available at the Decal Office next to the Café in Building 5. The Decal Office is open Tuesday-Saturday, 8 a.m.-4 p.m. (closed noon-12:30 p.m.).

To receive a decal, people must have the following: (1) valid state issued driver's license, (2) valid vehicle registration, (3) valid vehicle insurance, (4) valid GRF Identification Card.

Where do I pick up my RFID tag?

People can pick up their RFID tags at the 1.8-Acre site, located in the northwest corner of the community in Mutual 9 (formally known as

the "mini-farms").

When do I pick up my RFID tag?

Residents of each Mutual and building have been assigned a date to pick up their RFID tags.

The hours of distribution will be 8:30 a.m.-4 p.m. Cars may not line up earlier than 8:15 a.m. on Oak Hills Drive.

Before entering the 1.8-Acre site, Security will verify all four documents (valid license, vehicle registration, vehicle insurance and GRF Identification Card).

Upon entering 1.8 Acre site, people will complete a form to list the four permanent guests they want on their account.

In addition, people will need to provide a password for their account (the password may be any type of name or object or set of numbers).

Distribution Calendar

To ensure the RFID tag issuance is completed in an efficient manner, Security will issue the RFID tags by Mutual.

If people miss their assigned day for any reason (illness, vacation, etc.), there will be an opportunity to obtain an RFID tag on a make-up day.

Be advised that the make-up day will be after regular distribution of all RFID tags

are made, so issuance of the RFID tag will be during the last week of October.

The Security Department will be distributing over 10,000 RFID tags. The process will take nearly two months to complete. Therefore, Security cannot offer any specific day or timed reservations for RFID distribution, nor can Security accommodate any special requests.

Any residents in line for a tag on a day that they have not been assigned will not receive an RFID tag.

his stories, his songs and in each and every one of us who have loved, lived and experienced them in our own personal way."

Wood has a long history as a Buffett tribute singer. In 1999, a friend in the corporate event planning business needed a "Jimmy-style" band for an event.

This was a chance for Wood to put together the perfect party band with a Cajun/Zydeco-style rhythm section with a Reggae keyboardist, a country guitarist, R&B sax man, Parrot Heads singers and a steel drummer who actually studied with a Coral Reefer Band member.

The combination is what makes Mark Wood and the Parrot Head Band the next best thing to Jimmy Buffett and the Coral Reefer Band.

The band has performed around the world in theaters, concerts, casinos, corporate events, for the U.S. military, for private parties, and even opened for Jimmy Buffett at the Verizon Amphitheater.

The timely Buffett tribute will be the final Amphitheater show of the 2023 season.

Non-resident guests must be accompanied by a resident. Smoking is not permitted at the Amphitheater, which is located behind the LW News Office in the GRF Administration complex.

No parking is allowed in front of the Amphitheater on St. Andrews Drive along the southbound lanes. Minibus transportation will be available before and after the show.

midst of the most severe drought on record, and historic water restrictions were implemented in different areas across the state. January, February and March 2022 were the driest months on record dating back over 100 years, with just six inches of precipitation observed across the Sierra Nevada mountains, according to news reports at the time.

In early 2022, the Department of Water Resources (DWR) announced a scant 5% allocation of requested supplies from the State Water Project, water from northern California which on average provides 30% of southern California's water supply.

In May 2022, DWR found no snow to measure at Phillips Station in the Sierra Mountains for the last survey of the 2022 water year. State officials use snowpack to determine water supply forecasts.

Emergency water conservation regulations were put in place, with water officials telling

residents that recurring and more frequent drought cycles seem to be the new normal in California.

So even though the state is now drought free, the Orange County Water District (OCWD) is working to increase and diversify local water supplies in preparation for the inevitable future droughts.

While water conservation ef-

forts should continue, conservation will continue to be a part of everyday life in Leisure World, with some Mutuals planting native drought resistant gardens, altering watering schedules and cautioning residents against watering concrete and hardscape.

Other ways that LW residents can help conserve are:

- Do not water lawns and landscaping while it's raining

or for 48 hours after measurable rainfall.

- Do not allow excessive water flow or runoff onto sidewalks, driveway, street, alley or gutter when watering lawns, landscaping and vegetated areas.

- Plumbing system leaks must be immediately fixed.

- Do not hose or wash down hard or paved surfaces such as

sidewalks, gutters, driveways, patios, pool decks, parking areas, tennis courts and alleys, except to alleviate immediate fire or sanitation hazards.

- Wash vehicles with a bucket and/or hose with a positive shut-off hose nozzle. This includes cars, trucks, buses, motorcycles, boats, or trailers. The LW car wash at Clubhouse 2 uses recycled water.

2023 GRF Paving Project

The 2023 GRF Paving Project will continue with the paving of five more streets, including Interlachen Road, Twin Hills Drive, South Fairfield Lane, St. Andrews (outside of the gate) and Kenwood Road.

Pedestrians and drivers should proceed with caution and adhere to traffic controls on and near streets that are being paved.

"It is also to help folks understand the issue of paid parking on Main Street, which the city council has not yet passed but is considering in the ad hoc parking commission."

PERSPECTIVES

Letters to the Editor

Editor:
NOCE used to offer a mature driving class at LW. Unfortunately, they no longer offer it here. AARP offers an eight-hour mature driving class online and in-person at nearby Westminster and Cerritos.

Because of the number of mature drivers here, I would think Security and/or GRF would contact AARP and try to get AARP to offer the mature driving class here. This class should be offered at least twice a year.

With the number of accidents, wrong-way and distracted drivers, speeders, it would benefit all to have such a refresher class and hopefully create a safer environment for all.

If you have more than just the Superwire cable TV service (i.e. additional cable channel package(s) directly from Spectrum), you can get a \$10 credit to your next Spectrum bill. This is to make up for not getting several basic channels owned by Disney (such as Disney, ABC, and the three ESPN channels) during the ongoing contract dispute between Spectrum and Disney. I called the Spectrum billing department, asking for the credit and was told it would be reflected on my next bill. I don't know if they will also credit you if you have cable TV only through Superwire along with Spectrum Internet and/or Spectrum Home Phone service. Call Spectrum at 833-267-6094 and ask for the billing department.

Member Column—Remembering Korean War Sacrifice

Editor's Note: LWer Grace Kim gave the following address at the Korean Veterans Association commemoration of the 78th anniversary of Korean Liberation Day on Aug. 15.

Good afternoon. I would like to welcome each and every one of you to this most exciting and unforgettable 78th Korean Liberation Day celebration.

And I would like to express my sincere appreciation to Mr. Paul Lee and his Leisure World team for organizing today's celebration.

The Korean peninsula was constantly invaded by Russia, China and Japan, then Japan colonized Korea for 36 years.

During the Japanese colonial rule from 1910 to 1945, more than 140,000 people were arrested and many fled to Russia, China and the United States.

A provisional Korean government-in-exile was established in Shanghai, China, in April 1919 after the March 1, 1919, Independent Movement demonstration.

Three million participated in the demonstration; 7,500 died; 16,000 were injured and 46,000 were arrested and detained.

They were all fighting for Korean independence.

Many religious leaders, students and community leaders participated in the demonstration.

My husband's maternal grandfather, Rev. Ha Ryung Choo (1885-1942) was a Presbyterian seminary student at that time and got involved in this demonstration. And he was arrested and put in prison for a year. He was tortured so badly, he almost died. He was released and came home, but he was so sick that he could not return to school for awhile.

During World War II, young men and women were drafted to serve in the army. They were forced into hard labor. Young women were used as comfort women, sex slaves for Japanese soldiers, and students were sent to factories to produce military uniforms and weapons.

At the end of World War II in August 1945, Korea was liberated from 36 years of Japanese colonization. But after disarming Japanese soldiers, the Soviet Union did not leave North Korea and helped North Korea establish a Communist government. That is why Korea was divided at the 38th parallel.

Three million Christians and community leaders fled North Korea to South Korea. In doing so, they became traitors to the North Korea communist government. South Korea established a democratic government in 1948.

On June 25, 1950, the Korean War began with a surprise attack by North Korea. The Soviet Union and China helped North Korea in an attempt to unify Korea as a communist country.

The United States and 16 UN countries fought for South Korea's freedom and independence.

The Korean War is not a forgotten war, and we are always thankful for your sacrificial love for Korean independence and freedom. We hope that we can see a peacefully unified democratic country in our lifetime.

The Korean government contacted my husband and recognized him as a grandson of Rev. Ha Ryung Choo and awarded him. We decided to send this monetary award to Korean Saemoonan Church for its sanctuary extension project. My husband's sister-in-law was a pastor of that church and also Rev. Ha Ryung Choo was a frequent guest preacher there.

LW Baptist

LW Baptist will meet Sunday, Sept. 17, at 10 a.m. in Clubhouse 4 to discuss hope. A Christian's hope is guaranteed, and the church's worship celebrates that hope.

Hope is what Christians look forward to after death, which is being in the Lord's presence. No hope means nothing to look forward to after death, and most of the world has no hope. The Bible gives reasons for believers to be certain about hope, because the Bible gives believers God's promises. These promises are great comfort to God's people. They assure the church that those who have died will rise at Christ's coming and be caught up in the clouds together with the believers who are still alive to meet the Lord in the air, and all will go forever to be with him.

For more information, call the church at 562-430-8598.

Buddha Circle

Buddha Circle will meet on Saturday, Oct. 7, in Clubhouse 3, Room 1, with Kusala from 9:30-11 a.m. Ven. Kusala is well known in the Buddhist community. He presents Buddhism in simple ways, teaching people how to suffer less and become happier.

Assembly of God

In his book "The Generals," Tom Ricks states that nations need generals who lead campaigns that win wars, and in peacetime generals who can prepare for the next war. Many are familiar with biblical characters who are religious leaders, farmers, shepherds or common people. But the Bible also presents examples of military leaders who demonstrate both winning and losing strategies.

Pastor Chuck Franco will present part 1 of his series titled, "Israel's Greatest General," this Sunday, Sept. 17. Joshua 23:1-6 recounts Joshua's parting words at the end of his military career.

"The Ten Commandments," a Bible study by Albert Tate, continues with a deep dive into the familiar scripture passage on Wednesday, Sept. 20, at 10 a.m. This is not a set of ancient rules that Christians may choose to accept or reject. It is a framework within which people can live and thrive. Students enjoy the brief

video teaching and the moderated discussion with plenty of student interaction.

Leisure World Assembly of God meets Sundays at 10:30 a.m. in Clubhouse 3, Room 2. The Wednesday Bible study is at 10 a.m. in Clubhouse 3, Room 2. The Hymn Sing is at 6 p.m. on the fourth Sunday night of each month in the Clubhouse

Community Church

This is a land divided. Fear has gripped hearts and caused people to strip the humanity of their neighbors. In this time of division and fear, the teachings of Jesus are meant to fall fresh upon believers' ears and into their hearts.

This week, Community Church will continue to walk through the good news of Jesus recorded in the book Matthew and Paul's letter to the followers of Jesus in Rome. It will specifically look at food and the desire to judge others for their diets and other ways they are different and look at how people might look past differences to see the divine in one another.

Those who are interested in a loving community and share

a passion for overcoming differences are welcome to join Community Church on Sunday, Sept. 17, at 9:50 a.m. for worship followed by a time fellowship and light refreshment. Come early for a cup of coffee in the Narthex.

It is with sadness that Community Church bids farewell to a dear friend and faithful church leader, Mary Granger. Mary is leaving her home in Leisure World on Oct. 1 to relocate to Wisconsin. The church will honor Mary and bid a fond goodbye on Sunday, Sept. 17 after worship.

People are also invited to attend a "Pizza With the Pastor" lunch on Wednesday, Sept. 20, at 11 a.m.

Mary Granger

The church is located inside Leisure World 14000 Church Place. People may also join the service live on Facebook @CommunityChurchLeisure-World and on Zoom. Contact the church office for the Zoom link. For more information, call 562-431-2503.

Tournament Poker

The next regular poker tournament is Saturday, Sept. 16 in the lobby of Clubhouse 6. Players are invited for a fun and friendly game of Texas Hold 'Em. Arrive at 10 a.m. for registration and a meet-and-greet with coffee and sweets. All players must be in their seats and ready to play at 10:30. No late seating is allowed.

On Sept. 2, 54 players at six tables were registered. The two players with the highest hands of the day win prizes at each tournament. Both prizes were awarded to Ron Pine. In one hand he held quad As, and in the next hand he had a full house A-A-A-Q-Q. Kathy Elliot won the promotional hand prize.

The final table players were: Wendy Wu, first; Lee (Jack) Pfeifer, second; Kurt Bourhenne, third; Doug Wolfe, fourth; Tony Canfora, fifth; and Debbie Barner, sixth. That was a good mix of the usual suspects and some newer faces, right up until the head's up play between Wu and Pfeifer. Holding 3-3, Pfeifer went all in before the flop and Wu called with Q10. The flop came A-K-K giving Pfeifer two pairs. The turn card (7) kept Pfeifer in the lead, but the river card (Q) was a deal breaker, giving Wu a bigger two pair hand with Q-Q-K-K-10.

Wu has lived in Leisure World for 13 years and has been a member of the club for nine years. This was her 16th final table win. In addition to tournament poker, Wu plays pickleball, Mahjong and is a member of other poker groups.

SHUFFLEBOARD

Club membership doubles

Since the close of league play in May 2022, the Shuffleboard Club has doubled in size to 75 current members for the upcoming fall season. Such a change in the size of a group raises two questions: How does such growth occur? And, what must happen to retain members year after year?

The answer to the first question involves a lot of elements. New members often report that the regular articles and photos in the LW Weekly have been a great recruitment tool. Veteran members and officers have courageously changed many historical practices to meet the needs some previous members expressed. Perhaps the biggest change has been the addition of the Tuesday evening league. Additionally, the club has three different competitive seasons—fall, winter, and spring—rather than one eight-month long commitment.

Last summer the club adopted a “5 Fs” guide to future plans: Fun, Friendly, Flexible, Fulfilling, and Fair to all. The 2023-24 shuffleboard year will continue this plan, and “developing a strong infrastructure” has been added.

Integrating 29 new members requires many approaches. Working to ensure all members enjoy scheduled social gatherings remains a key element. One of the best parts of official games is that a person plays at the same end of the court with a different person in every league game. This automatic mixing gives people a chance to know more people and develop more friends.

With the recent restoration of the courts and the use of a new product to powder courts before playing, flexibility has become key. On average, 14 members have been attending the open play practices to learn and relearn shuffleboard with the new conditions. In addition, the 10 captains for this coming season are experimenting with new practices to give everyone a chance to play more, improve their game, and enjoy the fulfillment of a multi-faceted game.

Building a strong infrastructure is complicated. However, at last Wednesday's open play practice, there were examples at work. Several members learned the process of wiping the courts with a microfiber mop. Two veteran members, Roger Bennett and Ellie West, relined scoreboards that have needed new lines for several years. There are scores of individual activities necessary for a vibrant club, but when divided among many, they become doable.

For club information, call Membership Coordinator Patty Peterson at 562-714-7072.

PAWS, CLAWS AND BEAKS CLUB

Include your pet in your estate

The Paws, Claws and Beaks Club has experienced too many calls from LW residents' families that don't want their mom or dad's pet and want the club to find homes for them. The next meeting will cover this topic for all of the Leisure World pet owners and caretakers in detail. Tracy Roberts, president of the Orange County Animal Allies and a local estate planning attorney, will be the guest speaker on Thursday, Sept. 14, behind the Clubhouse 1 picnic area at noon. People are asked to bring a side dish for eight people. Leashed dogs are welcome to join.

The meeting will prove to be fun and educational with Roberts speaking about estate planning with pets in mind. Roberts has over 20 years of experience in all aspects of estate planning and is a certified specialist with the State Bar of California Board of Legal Specialization in Estate Planning, Trust, and Probate. In addition to her professional expertise and experience, Roberts provides her clients with

The Paws, Claws and Beaks Club will discuss including pets in estate planning.

compassionate and personalized legal services that every family deserves.

Many people consider their pet to be a family member, best friend, or loyal companion. Responsible pet owners provide food and water, shelter, veterinarian care and plenty of love and attention to their pets. To ensure that a pet will continue to receive this care should something unexpected happen, it's critical to plan ahead.

Over two-thirds of Ameri-

can households own a pet, but it is estimated that less than a quarter of those pet owners make estate planning provisions for their pets. Each year thousands of pets are surrendered to shelters, abandoned, or euthanized. Providing for a pet in a will instead of a trust leaves your pet's care subject to the delays and costs of a court probate proceeding.

For more information, call President Bonnie Kaplan at 714-930-5314.

SUNSHINE CLUB

Learn to take care of your skin

Dr. David Rae Park will speak to the Sunshine Club about skin infections on Friday, Sept. 15, in Clubhouse 3, Room 2, at 10 a.m.

There are many different types of skin infections, most are acute but some can become chronic, including bacterial, viral and fungal infections. There are also skin manifestations of more serious infections such as blood stream infection called sepsis or septic syndrome.

Dr. Park will cover more common skin infections including viral infections such as HSV and shingles, which is reactivation of prior viral infection. He will also cover prevention, treatment, and complications of shingles, which have become more preventable with availability of new shingles vaccines.

Dr. Park is a U.S. trained, Korean-American family physician who grew up in Chicago and went to University of California at Berkeley for his undergraduate education. He attended the University of Illinois College of Medicine at Peoria for four years and finished three years of post-graduate training in Family Medicine at the Adventist Hinsdale Hospital in Hinsdale, Illinois.

He has been in continuous medical practice in family medicine for 30 years from when he started his residency in 1993. He has practiced in rural Illinois, Battle Creek, Michigan, and Tampa, Florida, before he and his family went to China to work in Beijing and Tianjin at the private international hospital system, where he worked for four and a half years with the locals and experts, as well as young doctors.

Dr. Park has been in California since he came back to the U.S. in 2018, and has been with Optum California for over three years. To get to know his patients, he provides meaningful care and support, and develops a therapeutic relationship of trust.

Residents are welcome to celebrate with Redeemer Lutheran Church in honoring Pastor Gilbert Moore's 70 years of being ordained as a Lutheran minister, and his 96th birthday on Sept. 17. Bishop Murray Finck will preside over the 10:30 a.m. service, followed by a luncheon. To RSVP, call Kay Pushman at 818-470-0480 or Wendy Alfageme at 310-283-7984.

Dr. David Rae Park

Dr. Park is available for new patients. He is fluent in English and Korean. To make an appointment at the Health Care Center, call 562-493-9581.

All residents are welcome to join this meeting. The Sunshine Club requires no membership fees, but donations are welcome. People are asked to arrive promptly to the meeting.

For more information, contact Anna Derby at 562-301-5339.

SUNSHINE CLUB

RSVP to visit the Academy Museum of Motion Pictures

The Sunshine Club will visit the Academy Museum of Motion Pictures on Monday, Nov. 6. People can RSVP for the trip every Friday in Clubhouse 3, Room 2, at 9:30 a.m., before the Sunshine Club meeting at 10.

The Academy Museum of Motion Pictures is the world's premier institution dedicated to the art and science of movies. Global in outlook and grounded in the collections and expertise of the Academy of Motion Picture Arts and Sciences, the museum offers unparalleled exhibitions and programs illuminating the fascinating world of cinema. The immersive and dynamic exhibits tell the stories of the featured movies—their art, technology, artists, history and social impact—through a variety of diverse and engaging voices. The Academy Museum tells complete stories of movie making: celebratory, educational, and sometimes critical or uncomfortable.

Originally expected to open in 2020, its completion and opening was delayed due to the COVID-19 pandemic. The museum eventually opened to selected celebrity guests on Sept. 25, 2021, and to the general public on Sept. 30.

On July 14, 2022, the museum voluntarily recognized Academy Museum Workers United as the bargaining representative for 160 of its employees.

The Academy Museum of Motion Pictures is located in Los Angeles, California. It is constructed by the Academy of Motion Picture Arts and Sciences, which is devoted to the history, science and cultural impact of the film industry. It is the first large-scale museum of its kind in the United States. The museum is located in the

historic May Company Building on the intersection Wilshire Boulevard and Fairfax Avenue, part of Museum Row on the Miracle Mile.

The cost of the trip is \$80 including an admission ticket, transportation, lunch, snacks, water, and driver's gratuity.

The pick-up location is in front of the Amphitheater bus terminal, at 8:15 a.m. The group will be back before 6 p.m. at the same location.

For more information, text Anna Derby at 562-301-5339, no phone calls.

Democratic Club

By Mary Larson
LW contributor

Leisure World Democrats are invited to attend the next session of the LW Democratic Club's Voter Education Series on Wednesday, Sept. 20, in Clubhouse 3, Room 3, at 1 p.m. These sessions are a component of the club's efforts to emphasize the importance of down-ballot races. They are also designed to help voters learn how to discuss the issues involved in these elections.

Four politically active members of the LGBTQIA+ community will lead the Sept. 20 session. In addition to talking about their own experiences, these panelists will provide recommendations as to how to address specific issues when talking with prospective voters.

Readers can, but are not required to, register in advance for this session by emailing Bev Bender at Beverlybender@gmail.com or calling 562-594-9148.

The club's next membership meeting will be on Wednesday, Sept. 27 in Clubhouse 3, Room 9, at 1 p.m. The meeting will feature an in-person presentation by Cypress City Council member Frances Marquez. She is running in the March primary election to replace Andrew Do as LW's District 1 representative on the Orange County Board of Supervisors. Do will be termed

out of office in 2024.

A slate of candidates for the club's 2024-25 Board of Directors will also be presented by the Nominating Committee during the meeting. Additional candidates can be nominated by club members during the meeting. The election will be held during the club's November meeting.

The club's Get Out the Vote in 2024 taskforce's "Neighbor to Neighbor" program has been launched. The immediate goal is to establish a visible, friendly and helpful presence in every Leisure World neighborhood. The long-range goal is to increase the number of voters in the March 5 Primary Election.

Training sessions for club members who will be reaching out to their neighbors are scheduled for Sept. 24 and Oct. 4. To sign up or to receive more information about the training sessions, call Taskforce Chair member Kathy Moran at 805-588-5141 or email kmoran97@yahoo.com.

There are a limited number of free tickets still available for anyone who wants to attend the first annual Democratic Party of Orange County Convention. This event has been rescheduled to take place in October. The convention will include a number of workshops related to the 2024 elections. Email mlarson.telfords@gmail.com or call 562-296-8521 for more information or to reserve a ticket.

The Seal Beach Leisure World Democratic Club believes health care is a right, diversity is a strength, the economy should work for everyone, and that facts and truth matter.

All Leisure World Democrats and supporters are invited to subscribe to the club's electronic newsletter. This semi-monthly free publication covers more in-depth reporting on issues and candidates. To sign up, email mlarson.telfords@gmail.com or call 562-296-8521. It is important to include full contact information.

California Beach Cleanup

LW resident Ellen Brannigan encourages LWers to attend the California Coastal Cleanup on Saturday, Sept. 16 from 9 a.m.-noon at the end of First Street in Seal Beach. Retired Teachers Association

The California Retired Teachers (CalRTA) State Chair Sue Breyer will be the guest speaker at the luncheon for the Retired Teachers Association on Oct. 6, 11:30 a.m., in Clubhouse 3, Room 9.

Breyer will give a presentation on how scammers specifically target senior citizens. According to the FBI, Americans over the age of 60 lost \$1.7 billion to fraud last year. Older adults are less likely to be tech-savvy and more likely to be home during the day to answer phone calls or reply to emails. In this presentation, Breyer will discuss the types of scams that ensnare seniors and what people can do to stay safe.

Join the association for lunch and learn how to "Be Scam Savvy." To RSVP for lunch, call Ann Stone at 714-600-6956.

Garden Club

The Garden Club will meet Monday, Sept 18, at 1:30 p.m. in Clubhouse 2. Speaker Kathie Moriarty, Ph.D., will discuss native plants. Moriarty was able to combine her enthusiasm for teaching with her passion for the world and people by earning her master’s in geography at Cal State Long Beach. Her thesis on restoration ecology focused on the human impact on the earth’s environment at Crystal Cove State Park.

Native California poppies

Teaching geography is her true calling and passion. An important component of what she teaches is restoration ecology, which emphasizes the significance of introducing native plants and bringing back native habitats, stability and biodiversity to the Earth and its ecosystems. Native plants are naturally drought resistant in coastal Southern California’s Mediterranean climate.

Security Services Director Victor Rocha will give a brief presentation on the new gate entry system that will use radio frequency identification (RFID) cards. *See page 2 for more information.*

Tickets are on sale for the Sherman Library and Gardens tour in Corona Del Mar on Oct. 18—the club’s first tour in over three years. Tickets are \$60, which includes a docent-led tour of the 2.2-acre gardens and lunch at the 608 Dahlia Restaurant.

Enjoy close-up magic in September

“It’s Magic,” a close-up magic show sponsored by Congregation Shalom, will be held on Sept. 27 at 12:30 p.m. in Clubhouse 2.

For 20 years, magician Todd Reis was a Mainframe Computer Systems Analyst and programmer. He loved magic as a hobby until he realized that his talent was interacting directly with people. Now, as a happy professional magician, Reis travels and entertains for private parties, companies and others who want to add fun to their lives.

Todd Reis

Reis also creates 3D shadowboxes; his specialty is shadowboxes of comic book covers. His clients are professional collectors, artists, writers and publishers within the comics industry. He has had regular displays at the San Diego Comic Con and other comic book shops.

At 1 p.m., Reis will entertain with close-up magic. He’ll be joined by three other professional magicians who will perform magic at each table. Four more magicians will follow the act with stage magic.

To purchase a ticket for \$15, call 562-331-3949 or email joycebasch@verizon.net.

Korean Drum Club meets Mondays

The Korean Drum Club meets every Monday from 2-4:30 p.m. at the Amphitheater. In September, the club has open enrollment and accepts new members.

Anyone interested should call or text Chris Kim at 424-247-4542 or Heeja “Jackie” Alameida at 661-706-3399.

The Korean Drum Club (Sa Mul Nori) was formed in 2022 and performed at several events including the Irvine Korean Cultural Festival, Korean

Night in LW and International Cultural Day at Grace First Presbyterian Church.

Professor Don Kim (Dong-suk Kim) is the instructor for the club. In the past, he and his drum groups have performed at many prestigious venues such as the NY Metropolitan Opera House, the LA Music Center, the White House, the Orange County Performing Arts Center, the Hollywood Bowl, and the 1988 Seoul Olympic Arts Center.

Opera Club

The Opera Club invites everyone to come watch Richard Strauss’ last opera (from 1942) “Capriccio” on Tuesday, Sept. 19, at 1:30 p.m. in the Learning Center of Clubhouse 3. Club member Janice Berliner will introduce this opera, which places the audience in a Noel Coward environment to answer the question: “What is more important—music or poetry?”

Act 1 presents Countess Madeleine (sung by Renee Fleming), a recent widow, who is in her drawing room being dually courted by Olivier, a poet who has written a sonnet in her honor, and Flamand, a composer who has set his rival’s sonnet to music. Also present is La Roche, a theater director who is directing Madeleine’s brother, the Count, and an actress, Charon, in the next room. La Roche re-enters the drawing room to demand a change in script from the writer, Olivier, causing Madeleine to postpone her choice of suitors until 11 a.m. the next day, and orders a chocolate drink for all.

In Act 2, Madeleine’s brother, the Count, enters to profess he is falling in love with his co-star Charon. In turn, Madeleine professes her inability to choose a suitor. All the actors enter from the adjoining room to present a dancing and singing program during the chocolate refreshments. Discussion focuses on the question—words or music?—and as the Count escorts his fellow actors off to Paris, Madeleine is forced to face her decision.

The production is in German with English subtitles. Attendees may wear masks. No dues or fees are collected. For more information, contact Margaret Gillon at MargaretGi@yahoo.com or call her at 562-370-3844.

The Basic Rules of Sudoku:
• There is only one valid solution to each Sudoku puzzle. The only way the puzzle can be considered solved correctly is when all 81 boxes contain numbers and the other Sudoku rules have been followed.
• When you start a game of Sudoku, some blocks will be pre-filled for you. You cannot change these numbers in the course of the game.
• Each column must contain all of the numbers 1 through 9 and no two numbers in the same column of a Sudoku puzzle can be the same.
• Each row must contain all of the numbers 1 through 9 and no two numbers in the same row of a Sudoku puzzle can be the same.
• Each block must contain all of the numbers 1 through 9 and no two numbers in the same block of a Sudoku puzzle can be the same.
