# Emergency Information Council gets 501(c)3 nonprofit status

Go-bags are just one way that people can prepare for an emergency.

The Leisure World Emergency Information Council (EIC), a community-based organization whose purpose is to inform and encourage emergency preparedness, has been granted full IRS 501(c)3 charity status.

This new status allows much needed donations to be made directly to the EIC to help with duplication and distribution expenses. In addition, the volunteer-led organization has also been incorporated in the State of California as a public benefit nonprofit corporation.

The EIC began as an independent informal organization founded in 2017 by concerned residents who wanted to

make sure that information and materials about disaster preparedness were readily available to residents. The group also fosters volunteerism for the purpose of self-reliance during emergency incidents and disasters. The EIC is composed of volunteer LWers who are drawn from the 16 homeowners associations.

The EIC compiles and makes available information about emergency management response and preparedness planning through the publication of booklets and pamphlets. It also works to develop and publish disaster response plans and sponsor activities and events, mainly

## Quick GRF response quells parking quandry

by **Saundra Luther-Stark**  
LW contributor

A few months ago at Presidents' Council meeting, I asked about illegal parking on Annandale Road. I shared that for over 18 months, I have received calls every other day from residents asking about people parking beside the plants at the end of carports, where there is minimal space for other drivers to maneuver. When you back out, and a vehicle is parked right there, there is no where to go. Why hasn't Security issued citations, they ask me.

Security Director Victor Rocha heard me and asked if the curb was painted red. Of course, everyone laughed and said, "Saundra, we will bring you a can of paint!"

Also sitting in the audience was Physical Property Manager Kevin Black. A few weeks later, I ran into Kevin and reminded him of this issue on Annandale. He said send me an e-mail, saying he would look into it first thing Monday morning.

On Monday morning, I sent him a reminder and also copied Rich Stolarz, the Mutual 1 inspector. That afternoon, I was talking with Rich on other matters, and I reminded him of the email.

He said, "I know they are already painted!"

I go, "WHAT?"

Never has anything moved so quickly.

At the last Mutual 1 board meeting, Kevin was our guest speaker and he shared about the painting of red curbs on Annandale and also Thunderbird

and Church Place.

After his presentation, I said, "Kevin, the shareholders of Mutual 1 who live on Annandale wanted me to give you a hug. But since that is politically incorrect, I am instead handing you a certificate of achievement that reads: "Kevin Black has successfully completed the painted curbs on Annandale red. That set an all-time GRF record. This Physical Property Manager learned of a problem and in four days completed what normally would have to be approved by Committees! The shareholders of Mutual 1 are extremely grateful." The certificate was signed: Mutual 1 Board of Directors.

For once, the board had a few minutes to smile, thanks to Kevin and the rest of the GRF team.

## Letter to Editor

Editor:

Recently there's been a lot of attention given to the sale and/or residential development of the RV lot. It's been stated, either directly or intimated, that because the GRF owns the RV lot, its board has the final say on the lot's status.

In paraphrase, the Corporations Code Section 7911 informs us that the GRF Board and the members must approve the sale of the RV lot.

As to the GRF engaging in a residential development effort, there would be issues with funding, Articles of Incorporation, and recent experience with the pool rehab.

It ain't gonna happen.

## Parking survey is due Nov. 17

The Seal Beach Citizen-Council Parking Advisory Ad Hoc Committee has issued a comprehensive parking survey seeking to gather input from residents, visitors, employees and business owners in Seal Beach. The survey will help the committee make a recommen-

dation to the Seal Beach City Council regarding the potential implementation of paid parking on Main Street.

The committee's goal is to ensure that proposed changes to Main Street parking align with community interests while addressing the need for improved parking access and turnover.

The survey will cover a variety of topics, including current parking experiences and challenges on Main Street. To participate in the survey, visit <https://sealbeachca.gov/parkingsurvey>. The survey deadline is Nov. 17.

## News Deadlines for the LW Weekly

## Safeguard personal and financial information with few easy steps

Safeguarding personal financial data has never been more important, as an increasingly digital world has made online banking that much more prevalent. People need to be diligent in safeguarding their information from cyber criminals and play a key role in protecting themselves. Though even the best precautions cannot completely secure the financial privacy, every little effort is worth it to reduce the risk of being victimized by data theft.

These tips from the Financial Industry Regulatory Authority can help people safeguard their privacy.

- People have the right to opt out of the sharing of some of their personal information with affiliates and non-affiliates of a financial institution. For example, people can opt out of receiving prescreened credit offers by way of credit bureaus selling information about them to lenders or insurance.
- Increase awareness of phishing scams. These often are emails that appear to come from legitimate firms or financial regulators asking for personal information. These entities would never ask for account numbers, passwords, credit card information, or Social Security numbers through email. Verify all communication with the financial institution by contacting that institution directly at the number listed on your account statement or bill.
- Be aware of the links or pop ups online. Never click on a questionable link or download a suspicious email attachment.
- Strong passwords can keep accounts more secure. Resist the urge to use the same password across many accounts. Once that password is compromised, the cyber criminal may be able to try it on the other accounts. Consider using a password manager to suggest and save strong and unique passwords for each account.
- Utilize multifactor authentication (MFA) whenever possible. MFA adds an extra layer of protection by using a password as well as a unique code or biometric to unlock the account.
- Conduct all financial business on a personal device on a secure network. Delete the cache and history frequently to avoid leaving a digital trace.

## Public Comments at GRF Meetings

The Open Meeting Act requires boards of directors to establish reasonable time limits for speakers to address the GRF Board of Directors (Civ. Code §4925(b)). Time limits are four minutes per speaker for 15 or fewer speakers; three minutes per speaker for 16-25 speakers; and two minutes per speaker, more than 26 speakers.

Pursuant to Civil Code 4930 of the Davis-Stirling Act, the GRF Board is prohibited from answering questions from residents speaking during public comment time at board meetings.

To address the board, submit a comment card at the meeting prior to it being called to order. Residents may email correspondence to the executive coordinator at [grfboardaction@lwsb.com](mailto:grfboardaction@lwsb.com).

within the Leisure World. Several years ago, the council published and distributed the “On Your Own” Emergency Preparedness Guide, which was sent to all LW households. The group is also responsible for the “Go Bag” flyer detailing what people need to have ready in case of an evacuation. A largely unseen accomplishment has been the “Boots On the Ground” disaster response guide that organizes local clubs into a coordinated responsive effort of neighbor helping neighbor in the event of an emergency disaster.

Most recently, the EIC helped to plan GRF’s Emergency Preparedness Expo, which brought residents the latest information in emergency preparedness through vendors and discussions of topics like solar power, emergency medication, go-bags, pet preparation and more.

The EIC is actively recruiting residents to join in their activities to prepare and distribute emergency preparedness information, develop preparedness skills and guides, and to find new ways to promote community resilience in the face of adversity.

The next EIC meeting will be held in Building 5, Conference Room B, on Thursday, Nov. 9, at 1 p.m. Everyone is welcome to join in person or on Zoom. Contact [eloyg@lwsb.com](mailto:eloyg@lwsb.com) for the meeting link.

### MOSQUITO-BORNE DISEASE

## First case of locally-acquired dengue reported in LB

### People urged to clear standing water, wear bug repellent

The Long Beach Health Department confirmed the city’s first case of locally acquired dengue on Nov. 1. The resident has not traveled outside of the U.S.

It is the first case of dengue in Long Beach not related to travel and only the second in California, the first of which was identified in Pasadena.

“The risk of local exposure remains low, and the Long Beach Health Department is taking steps to prevent further spread of the virus that causes dengue,” the department said in a statement.

The Orange County Mosquito and Vector Control District called the case “a reminder that the establishment of Aedes mosquitoes in our community does increase the threat of local transmission of Aedes vectored diseases.”

Dengue is a disease that is spread by the bites of Aedes species mosquitoes. When a mosquito bites someone with dengue virus in their blood, that mosquito can then spread the virus to others. Most of the time, people with dengue have traveled to a country where the disease is common.

Most people who are infected with the dengue virus have no symptoms, but approximately

Aedes mosquitos are active during the day and in well-lit areas at night. Mosquitoes can breed in a bottlecap of water, which is why it is important to dump any standing water.

one in four infected people will experience symptoms that may include high fever, nausea, vomiting, rash, or aches and pains to the eyes, joints or bones.

Symptoms of dengue typically last two to seven days and most people recover within two weeks. Fatalities from dengue are extremely rare. There are no specific medicines for this disease, but health care providers can recommend treatments to aid recovery, including fluids, rest and medication for pain or fever.

The best way to protect oneself from dengue and other diseases spread by mosquitoes is to avoid mosquito bites.

Aedes mosquitos are active during the day and in well-lit areas at night and only need a small amount of water to breed.

To prevent mosquito bites:

- Use a mosquito repellent with DEET, IR3535, picaridin or products containing oil of lemon eucalyptus.

- Wear loosely fitted, long-sleeved shirts and long pants.

- Eliminate standing water around clogged rain gutters, buckets, and anything that holds water for over a week; aedes mosquitos can breed in a very small amount of water, including a bottle cap.

- Keep weeds, vines, hedges and grass trimmed; adult mosquitos like to rest in vegetation.

- Change water in pet dishes, birdbaths and other small containers weekly.

- Ensure that swimming pools, spas and ponds are properly maintained and report those that are not.

The Affordable Connectivity Program is an FCC benefit program that helps ensure that households can afford the broadband they need for work, school, healthcare and more.

The benefit provides a discount of up to \$30 per month toward internet service for eligible households and up to \$75 per month for households on qualifying Tribal lands.

Eligible households can also receive a one-time discount of up to \$100 to purchase a laptop, desktop computer, or tablet from participating providers if they contribute more than \$10 and less than \$50 toward the purchase price. The Affordable Connectivity Program is limited to one monthly service discount and one device discount per household.

### Who is eligible for the Affordable Connectivity Program?

- Participates in one of these assistance programs: Free and Reduced-Price School Lunch Program or School Breakfast Program, including at U.S. Department of Agriculture (USDA) Community Eligibility Provision schools; SNAP; Medicaid; Federal Housing Assistance; Supplemental Security Income (SSI); Special Supplemental Nutrition for Women, Infants and Children (WIC); and Veterans Pension or Survivor Benefits.

### How do I enroll?

## Health Tip

As people age, they naturally lose muscle mass, so it's important to strength train to stay strong. If there's only time for one exercise, do a set of squats, experts say.

Squats strengthen all of the muscle groups in legs, including the calves, quadriceps, hamstrings and glutes, as well as muscles in the lower back and core. Those muscles provide the foundation for most activities of daily living, such as climbing a set of stairs and simply standing up from a chair.

Studies show a link between strong leg muscles and longevity. Healthy adults in their 70's and older who have a greater quadriceps strength had a lower risk of early death. Another study revealed that the ability to sit on the floor and then get up without using the hands or knees could

## LW BIRTHDAYS

### Anita Smart celebrated her centennial year Nov. 5

My friend and neighbor Anita Smart turned 100 years old on Nov. 5, 2023 and she has lived a long and very interesting life. She was born in Los Angeles and went to Benjamin Franklin high school in Highland Park. She had three brothers and has outlived them all.

She met her husband, Bob, at a meeting when she was 16 years old and they were married on Sept. 7, 1943.

Bob enrolled at UCLA as an engineering major, but soon he was drafted and spent four years in the Army's Engineers division. Meanwhile, Anita went to work as a teller in a bank.

When Bob was released from the army, he went to UCLA, resumed his studies and soon graduated. He then went to work for Mobil Oil as a petroleum geologist. They moved around a lot because of Bob's job, living in several states, including Connecticut, Utah, Texas and Colorado, and ending up in California. Their son Michael was born in 1950

and their daughter Ann was born in 1952.

During those years, Smart was a busy wife and mother, involved in the children's lives. She was room mother for the PTA and served as PTA president twice.

When the kids were grown, Bob and Anita moved to Stamford, Connecticut, and Anita went to work as a receptionist in a law firm.

Both Bob and Anita were avid golfers and they played every chance they got. In some very beautiful golf courses. They also enjoyed games of cribbage. As a 40th anniversary gift to themselves, they bought a timeshare in Hawaii and spent every summer there for quite a few years.

Bob and Anita were happily married for 67 years. After Bob died of kidney failure in 2010, Anita sold their beautiful home in San Clemente and moved to Leisure World in 2012 to be closer to her daughter and son-in-law who live in Rossmoor

Estates.

Smart belongs to the Cribbage and Canasta Clubs, and has made many friends in Leisure World. She is a tiny woman, only 5 feet, 2 inches tall, and enjoys amazingly good health, as well as her nightly cocktail. She plays crossword puzzles daily and goes for a walk most days.

Smart credits her long life to good genes, an active lifestyle and she tries not to worry too much. She is just an amazing woman.

### Elected officials to host scam prevention talk Nov. 14

Assemblywoman Diane Dixon and Sen. Janet Nguyen will host a Senior Scam Stoppers presentation for Leisure World residents. Everyone is encouraged to come learn how to protect their personal information on Tuesday, Nov. 14, from 10-11:30 a.m. in Clubhouse 4.

Jackie Wylie from the California Department of Financial Protection and Innovation will share information on how to safeguard personal information. Schemes aren't just on the "dark web." Scams can be in-person, on the computer, over the phone or in texts. Wylie is a DFPI targeted outreach specialist and will instruct people on how to recognize those tricks and what to do when they appear.

Dixon is a pragmatic businesswoman and former mayor who represents the 72nd Assembly District in the California Legislature, which includes Seal Beach, Huntington Beach, Newport Beach, Laguna Beach, Aliso Viejo, Laguna Hills, Laguna Woods and Lake Forest.

Nguyen represents California Senate District 36, which covers Huntington Beach, Garden Grove, Newport Beach, Westminster, San Clemente, Capistrano Beach, Fountain Valley, Buena Park, Dana Point, Seal Beach, Laguna Beach, Stanton, La Palma, Los Alamitos, Cerritos, Artesia and Hawaiian Gardens and unincorporated cities of Midway City and Rossmoor. Nguyen has previously served as a city council member, Orange County supervisor, state senator in the 34th District, and state assemblywoman.

Lucille Martin (center, second row) and her family.

### Lucille Martin celebrates 96 years with family

Fourteen family members and Hector Galvez, her caregiver, came together to honor and celebrate Lucille Martin's upcoming 96th birthday on Nov. 8. In attendance were her six children, three grandchildren, and four great-grandchildren. Two of her children traveled from as far as Colorado and Washington.

Martin, of Mutual 15, has been a resident of Leisure World since 2006 and has been involved in many clubs such as the Democratic Club, Senior Patriots for Peace, and the Genealogy Club.

She enjoyed attending dance classes and often was found in

the gym exercising on a stationary bike until she got her own.

Martin had only two wishes for her birthday: to take a family

portrait for the Leisure World newspaper and to eat ice cream. The gathering was a success in both regards.

## Mutual 2 Fire Suppression Training

## COMMUNITY EMERGENCY RESPONSE TEAM

The Community Emergency Response Team (CERT) fall class held a graduation celebration last week. Thanks to these dedicated Leisure World residents who learned skills to keep the community safe in a disaster. During the disaster simulation, all CERT members participate in a practice drill. GRF Safety Manager Eloy Gomez (center back) facilitates the program.

## Save the date for the American Legion's annual fashion show

The American Legion Auxiliary will sponsor its annual fashion show and luncheon on March 9, in Clubhouse 2. Carol's, Old Town Seal Beach, will provide the fashion for this event.

Tickets can be purchased for \$40 or \$300 for a table of eight. The event will include lunch provided by "Love At First Bite" and a raffle.

The Community Emergency Response Team's (CERT) October meeting discussed safety tips for the holidays. The group spoke about the main hazards that residents need to be aware of such as proper lifting techniques, not drinking and driving (approximately 52% of fatal crashes happen during the holidays), cleaning-up broken ornaments, making sure to keep Christmas trees at least 3 feet away from heat sources and watering it often.

With all the excitement of the holidays, it's so easy to slip, trip and fall; make sure to keep cords out of high traffic areas. Whether it's decorating a tree or the home, use the correct tool, ladder or step stool. When using holiday lights, avoid frayed wires and use the right outlets. It's important to have a fire extinguisher nearby especially because of all the flammables during the holiday season.

Make sure to not leave food standing too long on the table (like a turkey) to avoid food poisoning. It's important to always have a designated driver when being served alcohol. LWers should be careful when they are around a lot of people in the stores, movie theaters or airports because this is the season for colds, COVID-19 and other illnesses.

CERT also discussed the idea of placing a cardboard sign in windows in case of a catastrophic event that says signifies safety on one side and needing help on the other side.

Each month CERT give a valuable gift to a lucky member. This month, it was Anne Killian's turn when she won a folding stepstool.

The American Legion Post 327 will host the annual Veterans Day program on Saturday, Nov. 11. The Velvetones will start off the festivities at 9:30 a.m. in Clubhouse 2. The program will begin with master ceremonies conducted by Cmdr. Rich Carson at 10 a.m, followed by a special program.

The program will end at 11 a.m. with the calling of the names of the people in Leisure World who have gone to post everlasting, followed by the playing of "Taps."

All residents and their families are welcome to attend this event. It will be a great opportunity to share the importance of Veterans Day with family.

The Post will hold its usual bingo games this Sunday, Nov. 12, in Clubhouse 2. Doors open at 1 p.m., and the first call is at 1:30. Play-in is \$5 for 10 games and there are other games available. The Post also serves light refreshments and free coffee.

The Post's general meeting will be held on Monday, Nov. 20, at 1:30 p.m. in Clubhouse 3, Room 3. All veterans are invited to attend even if they belong to a different post.

The Post will also hold bingo games on the fourth Sunday of the month, Nov. 26. Bingo is also held in Clubhouse 2 and the doors open at 1 p.m. with play beginning at 1:30.

All proceeds will go toward scholarships for veterans enrolled in the nursing program at Golden West College in Huntington Beach and local programs for veterans and their families.

The club looks forward to presenting this event again in support of veterans.

Holy Family Church members who signed the Ralph's Reward program assisted by GAF volunteers.

Members of Holy Family Catholic Church stopped by at clubhouse 6 for coffee and to sign up for the Ralphs Reward Program. Golden Age Foundation (GAF) board members Beth Greely and Diana Lambert were there to assist in all of the members to sign up for the Ralph's Reward program.

The holiday season is around the corner, and the GAF encourages residents to join the Ralphs Reward Program before they begin grocery shopping for the upcoming holidays. The Ralphs Community Contribution Program is sponsored by its parent Kroger Grocery Stores and is an easy way for Leisure World residents to raise money for the GAF.

Each Wednesday, GAF Board members will be in Clubhouse 6 to assist shareholders in signing up for the program. In order to sign up, GAF volunteers will ask for shareholders' full name, email, and the phone number related to their Ralphs membership to complete the transaction. The information will be shredded once the registration is complete.

The GAF volunteers who help people sign up for the Ralph's Reward program will take a break beginning Dec. 20 until Jan. 10.

Vice President Joe Osuna leads a Video Producers Club meeting.

## Video Producers Club

The Video Producers Club successfully concluded its 2023 in-person meetings in Clubhouse 3, Room 7, on Oct. 26. Vice President Joe Osuna ordered pizza to share with everyone. President Joseph Valentinetti gave out \$1 to each member who attended the meeting so they could buy a cup of coffee for the meeting. Jack Haskinks also personally made coasters with the Video Produces Club's logo on them to commemorate them. The next in-person meeting will be held in January 2024.

### Coin Club

The Coin Club will meet Nov. 8 in Clubhouse 3, Room 2, at 1:30 p.m. Members can participate in door prizes, refreshment, coin auctions, coin raffles and group discussions regarding currency and coins. Refreshments will be provided. LW residents can have coins evaluated at no cost.

## WEEKEND DANCES

### Vinyl Rock to perform in CH 4 on Veterans Day

Cabaret Entertainers will present Vinyl Rock on Saturday, Nov. 11, in Clubhouse 4 at 7 p.m. to top off Veterans Day. All are welcome but guests must be accompanied by the resident who invites them. (See more Veterans Day events on page 1.)

Vinyl Rock is an Orange County-based band with eight members who passionately perform classic rock, pop and Motown tunes from the '60s, '70s and '80s.

The band keeps the audience engaged, inviting them to participate in sing-alongs and mingling with them on the dance floor. The band regularly performs in Leisure World.

They'll have everyone smiling, singing, swinging and swaying to the songs they grew up listening to and easily recognize.

The show is sponsored by Cabaret Entertainers and is free to GRF members and their guests (over 18).

Leisure suits, Fu Manchu 'staches, mullets and big hair are welcome, but not required.

Meejung and Richard McPartland celebrate with cake.

## Hui O Hula

Hula dancer and LW resident Meejung McPartland enjoyed her second birthday cake of October alongside husband, Richard. They both share a Halloween birthday. The first birthday cake met an early demise in a fall from a photo-op gone wrong. This is the second cake made by hula sister Yen Chiaratanasen a week later to replace the fallen cake.

The dancers continue to work on Christmas hula, including "Mele Kalikimaka," preparing for the upcoming holiday season. Classes are held Tuesdays at 1 p.m. upstairs in Clubhouse 6, and Thursdays at 1 p.m. at Veterans Plaza. For class information, call 562-431-2242.

On Halloween, GRF employees gave away candy at the entry gates, which brought much joy to shareholders. Candy was handed out at North Gate by AV Technician Jesse Gonzalez and Recreation Coordinator Melissa Gomez. At St. Andrews Gate, candy was handed out by Recreation Manager Tommy Fileto, Event Coordinator Mayoka Bassell and RV Lot attendant Kyle Buettner.

## Greenbelt Singers wrap up first year with Mutual 5 show

by Crystal Housman  
LW contributor

Leisure World’s traveling troupe of talented karaoke singers drew the curtain on its first season Oct. 28 as the Greenbelt Singers of Leisure World performed in Mutual 5.

More than 60 Leisure World residents, mostly from Mutual 5, gathered along a Cedar Crest Lane greenbelt to listen to music and enjoy fellowship, a block party and a potluck coordinated by Mutual 5 resident James Farr.

Mutual 1 resident Kenny Notorleva started the Greenbelt Singers in January as a way to share his passion for music with Leisure World residents who are unable to drive or would not otherwise travel to a clubhouse karaoke concert.

“I’m overwhelmed at how successful it is,” Notorleva said. “People love listening to music they know and love. They sing along, they dance along, and they want us to come back.”

Over the past 10 months, the group has grown to more than two dozen singers and has coordinated 27 pop-up performances at clubs and mutuals within Leisure World.

“I can’t believe how it just grew. It’s so much fun for us, and for all of the residents,” Notorleva said. “They don’t have to leave. They just walk out on the front porch in a chair.”

Mutual 5 resident Judy Secor, who lives diagonally opposite of the chosen green, brought over a small folding chair with a cloth backing embroidered with the words “Grandma Judy.”

It was her first time seeing the Greenbelt Singers and provided an opportunity to dance and meet more neighbors.

“I thought it was great. I really enjoyed it,” she said. “I especially enjoyed watching people. Some of them went and did their dance moves really good.”

“I tried,” Secor said with a laugh, “but off in the corner where nobody would see me.”

The Greenbelt Singers are on hiatus through the holidays and winter. Notorleva plans to revive the singing group in the spring for a second season.

## OPERA CLUB

### Club will screen French ‘Cinderella’

Everyone is invited to come and watch the French composer Jules Massenet’s rendition of “Cinderella” on Tuesday, Nov. 21, at 1:30 p.m. in the Learning Center of Clubhouse 3.

Club member Lucy Poropat will introduce this musical fairytale which highlights a good outcome for a hard-working, conscientious person and loss of the same for a nasty step-mother and two snarly step-sisters.

Act 1 depicts the Countess de la Haltiere supervising the dressing of her two daughters for the Royal Ball while her husband, Pandolfe, is helplessly leaving his own daughter at the fireplace. After they depart, a fairy godmother appears to transform Cinderella for the ball, to which she yearns to go.

Act 2 shows the Prince being commanded by his father, the King, to find a wife at the ball, but he sees no one attractive until Cinderella arrives and it’s love at first sight.

Yet, at the stroke of midnight, Cinderella hurries away, in keeping with her fairy godmother’s admonished limits, losing a glass slipper along the way.

Act 3A shows the Countess at home, discussing the Royal Ball with her two daughters. Cinderella listens to her father stating his interest in taking her back to the country estate from which they came. However, Cinderella feels she would rather just run away. Act 3B, however, shows the fairy godmother creating a magic landscape around a big oak tree where Cinderella rediscovers the Prince, who declares his love for her and they fall into an enchanted sleep.

In Act 4, Cinderella awakens from her dream to witness a parade of princesses trying on the glass slipper to no avail. The slipper, the audience knows, is only for her, and the opera ends with her being caught up by Prince Charming amid general rejoicing.

The production is in French with English subtitles. Attendees are invited to wear masks indoors, if desired. No dues or fees are collected.

For more information, contact Margaret Gillon at [MargaretGi@yahoo.com](mailto:MargaretGi@yahoo.com) or call her at 562-370-3844.

## Travel Diary: London and Bathe

by Sandra deDubovay  
LW contributor

I signed up for an 11-day tour to London and Bathe in England sponsored by Musical Theatre West (MTW). It left Sept. 12. There were 41 total in the group. Since I was a volunteer with MTW for 21 years and knew several people on the tour, I decided to join them.

As it turned out, it was a wonderful trip which included Westminster Abbey, Eltham Palace, Syon House and Gardens, Hampton Court, Royal Albert Hall, the Victoria and Albert Museum, Salisbury Cathedral, a pass by Stonehenge, the Roman Baths, and several walking and theater tours.

Of course since MTW sponsored it, five theater productions were included. A plus included a Jane Austen reading in a lovely private Georgian home, that included tea and delicious homemade scones with clotted cream and jams. It was a definite highlight.

On my own, I went to the famous Harrods Department Store. I bought a ticket on the London Eye. It is the largest cantilevered observation wheel. It’s located on the south bank of the Thomas River and on a clear day you can see 25 miles in every direction.

In Bathe, I took a double decker bus with narration of many historic sites. Other than that, the MTW tour included so many things that I couldn’t fit much else in. Breakfast and dinner were included every day.

This was my fifth time in London, but it is such an incredible city with history and modernization that there is always plenty of things to do and see.

I flew roundtrip on United Airlines direct from LAX to Heathrow. With all the news of airline delays and problems, both flights were on time and smooth flying. The entire trip was definitely a “10.”

## Saturday Morning Dance Class

There are two dance classes every Saturday morning in Clubhouse 6 (second floor). Beginning in November there will be two new classes: salsa at 9 a.m. followed by American tango at 10. Class participants vote on new dance topics every month. Each class is \$7 per person. Prior dance experience is not necessary and partners are not required. For more information, contact Howard Small at 516-659-3314. Candis Davis will be traveling for the next two weeks; consequently, the next class will be Nov. 25.

Tickets on sale for local dance performance

The Los Alamitos High School Dance Department will perform “My Father’s Closet” for its fall show.

This captivating and nostalgic performance promises to transport the audience back in time through the magic of music and dance.

The tale revolves around a girl and her friends who embark on an unforgettable journey when they sneak into her father’s closet to explore his cherished music collection. They’re surprised by more than just the old 45’s and cassette tapes they find.

“My Father’s Closet” reveals that there is a lot more to this closet than just business suits, briefcases, and a chest full of music. Through captivating choreography and a heartwarming narrative, the dancers will bring to life the story of discovery and the power of music to transcend generations.

There will be a matinee performance on Tuesday, Nov. 14, at 4:30 p.m. Nighttime shows will be held Nov. 15-17 at 7 p.m.

Each performance will be held at the Los Alamitos High School Performing Arts Center, 3591 Cerritos Ave., Los Alamitos, 90720.

Bob Barnum searched the karaoke songbook and found "Bailamos," a song with a great beat for dancing or tapping your feet.

Karen Morris sang a fine "Mr Bojangles." Myrrha and Ren Villanueva each moved the audience with meaningful tunes "From a Distance" and "Story of My Life." With her big smile, Mariza Joaquin engaged everyone by singing "You Light Up My Life."

The husky voice of Geoff Davies did well with "Hungry Years." Pete Tupas loves singing ballads. Dorothy Ferrington gets into the mood singing the popular Mills Brothers hit, "Tell Then." With hand gestures and emotion, Ray Geierman always entertains people from the mic. William Young sang the fun number "I Like It, I Love It." Barbie May chose the soft Mickey Gilley hit "Window Up Above." Walt Bier opened the evening with the catchy "Lucille."

Join the fun just to listen or sing Wednesday night beginning at 5:30 p.m. in Clubhouse 1. People will hear uplifting memorable songs. Many folks like to practice a tune on Mondays from 1-3 p.m. upstairs in Clubhouse 6. Everyone is welcome.

The LW Women's Golf Club got into the Halloween spirit during last week's tournament.

LW WOMEN'S GOLF CLUB

Turkey Shoot tournament begins on Nov.14

The next major tournament for the LW Women's Golf Club will be the Turkey Shoot, happening Nov. 14 and 21. The weekly tournament had 31 golfers participating in a special tournament organized by Karen Mendon. The nine groups of women were given one orange ball which they took turns hitting. If the

team was able to return the orange ball to Mendon, one point was subtracted from the score. Costumes were encouraged and many participated. The winners were: Joyce Basch, Dale Quinn, Nina DeRosa and Pam Krug, first place; Grace Choi, Ann Tran, Kay Hong and Sun Lee, second; Janice Turner, Clara Suh,

Joann Lim, Alison Kim, and Susie Kim, Hae Lee, Sandy Kim, Helen Yoon, tie for third. Those interested in joining the women's golf club can obtain an application from the golf course starter or contact club treasurer Margie Thompson at 562-493-0484 for more information.

The pool room located in Clubhouse 2 is the scene for the weekly league battles of the LW Pool Club.

LW POOL CLUB

Bourhenne and Tivnan take first

At the pool club tournament on Oct. 28, 12 teams played nine ball doubles. Teams were picked by matching "A" and "B" players in a random draw. Seven rounds of 3, 6, 9 were played, where the three ball counts for one point, the six ball two points and the nine ball scores three points.

The final round came down to Tom Zimmerman and Dave Mackinder with 28 points against Kurt Bourhenne and Brian Tivnan with 25 points. Bourhenne and Tivnan made the 3, 6 and 9 to take first place with 31 points, while Zimmerman and Mackinder finished second with 28.

In the Monday night pool league, known as the American League, the Cue Commandos beat the Renegades 9-4, moving them into third place. The Cue Commandos won five of their six doubles matches and Roy Middlestead and teammate Wildfire Christensen each had five wins.

Joker's Wild beat the Sharp Shooters 8-5 and increased their league lead to four games over the Cue Crew. Frank Sablan led Joker's Wild with five wins. Joker's Wild has held the lead all season.

The Rustlers won over the Cue Crew 8-5. Rusty Aquino won four games for the Rustlers, including both of his singles matches.

At the Wednesday night pool league, called the National League, Right On Cue continued their winning ways by beating X Factor 9-4. This extended their league lead over The Favorites to eight games. Tom Zimmerman won five games for Right On Cue. Zimmerman won all of his doubles matches.

The Stevenators edged Shot First, Then Shape, 7-6. Steve Edrich of the Stevenators won five games, including the final three player eight ball match that decided the contest.

The Favorites solidified their hold on second place by beating Hot Sticks 8-5. Dave Silva of The Favorites won five games, including both of his singles matches.

For club information, contact Steve Edrich at 714-980-3665.

## Men’s Golf League plays at multiple courses

Ten golfers from the Leisure World Men’s Golf League, including guests Steve Tierney and returning player John Mayer, played Oct. 27 at the 5,800-yard par-70 Riverview Golf Course in Santa Ana. The weather was cool and very damp with no sun until the last few holes. This meant that wet fairways and greens persisted right through to the end of the round. The course is well-kept, and the greens are large.

With many elevation changes and several difficult crossings of the Santa Ana riverbed, positioning for second shots is paramount. Surprisingly with just average playing conditions the course yielded seven of the eight rounds at net under par and four birdies—one each by Chris Lankford, Sam Choi, Dave LaCascia and Gary Stivers. Choi had fewest putts in the “A” flight, and Bob Munn and Daniel Mahoney tied in the “B.” Choi was closest to the pin on the 100-yard ninth hole, and Mahoney was closest on the 150-yard second.

**A flight winners (handicaps 0–19):** Lankford, 9 under 61, first place; Choi, 7 under 63, second; LaCascia, 3 under 67, third; Stivers, 2 under 68, fourth; Bill McKusky, fifth.

**B flight winners (handicaps 20 and over):** Mahoney, 5 under 65, first place; Lowell Goltra, 4 under 66, second; Munn, even par 70, third.

Twelve golfers plus guest John Mayer played Oct. 30 at the 5,600-yard par-71 Meadowlark Golf Course in Huntington Beach. The weather was initially cool, but the usual dampness and

Leisure World’s Turtle Lake golf course is a 1,658-yard 18 hole par-54 course and often hosts the men’s and women’s golf leagues.

wet conditions were not present partly due to extremely low humidity and weak Santa Ana winds that increased somewhat as the round progressed. As the sun rose the temps went up and the humidity went way down.

Meadowlark has been kept in great shape for a long time. Many elevation changes, inverted pie plate (turtle back) greens, plus large sand traps and numerous water hazards challenge everyone.

Even with the good playing conditions, only four of the 12 rounds were net under par in part due to the on-and-off winds. There were just three birdies—one each by Clay Fischer, Larry Hillhouse and Chris Lankford. Gary Stivers had fewest putts in the “A” flight and Tom Ross in the “B.” Dave LaCascia was closest to the pin on the 140-yard over water seventh hole, and Bob Munn was closest on the 140-yard into the wind 16th.

**A flight winners (handicaps 0–19):** LaCascia, 3 under 68, first place; tie between Stivers

and Fischer, 1 under 70, second; tie between Hillhouse and Sam Choi, third; Lankford, fourth; Bill McKusky, fifth.

**B flight winners (handicaps 20 and over):** Bob Munn, 1 under 70, first place; Ross, 1 over 72, second; Daniel Mahoney, third; Lowell Goltra, fourth; Gene Vesely, fifth.

The Monday and Friday golf leagues play at four local courses, all within 15-20 minutes of Leisure World. The courses the group plays are always quite full, so advance league reservations are required with a sign-up sheet available at each round.

There is a prize pool for each round that players are not obligated to enter. Rewards are given for low net in each flight, birdies, closest to the pin on two par threes, and for the lowest number of putts in each flight. Holes-in-one and eagles (two under par), although infrequent, are generously rewarded. Those interested should contact Gary Stivers at 714-313-3697 or Dave LaCascia at 801-674-5975.

## CRIBBAGE CLUB

## No tricks, all treats during Halloween club play

The Cribbage Club meets each Tuesday at noon in Clubhouse 1. Yearly dues are \$5 and a \$1 fee is collected each week to play. Players who arrive by 12:15 are assured a place to play. Refreshments are served at noon with club announcements at 12:25. Play begins at 12:30. A total of seven games are played.

Last week Halloween was celebrated as Marie McGuire treated the club to a delicious “Happy Halloween” cake with ice cream. Candy Meyers and Carrie Kistner served the refreshments and Melinda Cowan provided mixed nuts

and candies.

The club congratulates the winners: Patti Smith, 827, first place; Rosemary Wu, 824, second; Joan Berg, Jack Hawn and Mary Holder, 821, third; Richard McCarty, 820, fourth.

Jack O’Brien and Julie Milburn finished with no wins.

## Assembly of God

There are plenty of people with sour expressions and equally sour dispositions. People who are full of joy are the pleasant exception. Christians should be the exception. Those whose lives are built on Jesus Christ and the confident assurance of the salvation he offers can have an unshakable daily joy, despite outward circumstances. That means through sickness, misfortune, war, loss or even death, nothing can steal one's God-given joy. Happiness is temporal. Joy is eternal. Pastor Chuck Franco will share a message titled "Joy, Our Testimony," from John 15:11 this coming Sunday, Nov. 12.

The Wednesday Bible study is studying "Faith in Hostile Times," by Berni Dymet. So many people question what the world is coming to in these volatile times. Even those who have been Christians for decades can be saddened and discour-

aged by world events and the challenge to biblical values and societal norms. But there is hope, and there are answers in God's word. Now is a great time to make Bible study a regular part of your weekly activities. More information about Leisure World Assembly of God can be found at [lwassemblyofgod.com](http://lwassemblyofgod.com).

Those who want prayer, personal contact from a pastor, or have not received a DVD of the Sunday morning sermon

and want one, can contact Pastors Chuck and Sheryl Franco by calling 562-357-4360 or emailing [pastorchuck@lwassemblyofgod.com](mailto:pastorchuck@lwassemblyofgod.com), or Carolyn van Aalst at 562-343-8424, for prayer requests.

Pastor Chuck Franco's sermons can be accessed on Facebook (Chuck Franco) and the Faithlife app under the group "Leisure World Assembly of God," where people can also give online.

## Congregation Sholom

Congregation Sholom will hold services conducted by Rabbi Karen Isenberg on Friday, Nov. 10, in Clubhouse 3, Room 9, and on Zoom at 6:30 p.m. An Oneg will follow services. Rabbi Mike Mymon will conduct hybrid services on Saturday, Nov. 11, in Clubhouse 3, Room 9, and on Zoom at 10 a.m. To receive a Zoom invitation, call or text Jeff Sacks at 714-642-0122.

This week's Torah portion is Chayei Sarah from the book of Genesis. Chayei Sarah (The Life of Sarah) opens as Sarah dies and Abraham buys the Cave of Machpelah to bury her. Abraham sends his servant to find a wife for Isaac. The servant meets Rebecca at a well, and Rebecca returns with the servant to marry Isaac. Abraham remarries, has more children, and dies at age 175.

Congregation Sholom has been serving Leisure World since 1962. It offers a traditional Jewish service in person and online. Those who want to become a member of Congregation Sholom can call Howard Brass at 714-396-0121 for a membership packet.

## Interfaith Council Picnic

On Thursday, Nov. 16, the Interfaith Council Of Leisure World will sponsor a "Fall's Falling Picnic," at 4 p.m. in Clubhouse 4. There will be El Pollo Loco chicken, salads and pumpkin pie. There will also be entertainment. RSVP to Alberta Karch at 562-296-5567 to ensure there will be enough food. Every participant is asked to bring a salad to serve eight people.

## Christian Women's Fellowship and Bible Study

The Christian Women's Fellowship and Bible Study group will meet Monday, Nov. 13 and 27 in Clubhouse 3, Room 6, at 10 a.m. The group is currently studying the book of John, chapters 5-6 in John McArthur's study book. For more information, contact Jean Davidson at 562-431-0597 or Margie Robertson at 562-594-8100.

## Church of Jesus Christ of Latter-day Saints

Meetings for the Atherton Ward are held at 6500 E. Atherton St., Long Beach. The sacrament service is held every Sunday at 10:30 a.m., followed in the second hour by Sunday School on the first and third Sundays, and Relief Society and Elders Quorum on the second

and fourth Sundays. Primary classes for children are held every Sunday during the second hour. Members who are unable to attend Sacrament services in person can request a link from Bishop Mike Gravley at 562-212-8641.

The reading source for this

year is the New Testament. The reading assignment for the week of Nov. 13-19 is James. The lesson manual "Come Follow Me" says "Sometimes just one verse of scripture can change the world. James 1:5 seems like a simple bit of counsel. If you need wisdom, ask God."

Community Church

Extended Advent begins the new Christian year and creates a season of seven Sundays before Christmas. At the time of its founding, Christmas was appearing in stores earlier and earlier making it difficult to have a season of Advent—which is often characterized by a time of waiting for the return of Jesus.

At Community Church, members approach Advent less as a time of waiting and more as a time of preparation for the return of Jesus on Easter. It serves as the launch point for Christian's participation in the work of Jesus to build the kingdom of God.

Looking around the country and the world right now, it seems clear that this isn't a time for waiting, but rather a time to prepare and to act to bring greater love into the world that seems to be bursting at the seams.

Community Church will begin singing Christmas music during Advent as members look

Beit HaLev

The Beit HaLev community continues prayers for Israel, the Israel Defense Forces, the safe return of all hostages and a swift end to the Israel-Hamas war.

The Torah reading this week is “Chayei Sarah” (The Life of Sarah) from Genesis 24:10-54; the Maftir (the end of the Parashah) is Genesis 25:16-18. Abraham’s beautiful wife and the mother of his beloved son, Isaac, has died. Abraham sends his servant Eliezer to Charan where he intends to find a wife for Isaac among his brothers’ daughters. Rebecca displays exactly the virtues that Abraham hopes for and Eliezer brings her home to Isaac—and it’s love at first sight. The Maftir gives the account of Abraham’s firstborn son, Ishmael, and his 12 sons who became princes of their respective tribes.

Rabbi Galit-Shirah

First Christian Church

First Christian Church of Leisure World teaches from God’s word, the Holy Bible, most often verse by verse. It is a friendly church that welcomes all visitors to join in worship and explore God’s word together, “That we may be mutually encouraged by each other’s faith, both yours and mine” Romans 1:12.

Pastor’s Message

Genesis 22:1-12 is a story of how Abraham’s faith was tested in such a way that it is easy to question why God would ask such a horrific thing of him. Verses 1-2 say, “Now it came to pass after these things that God tested Abraham and said to him, Abraham! And he said, ‘Here I am.’ Then He said, ‘Take now your son, your only son Isaac, whom you love, and go to the land of Moriah, and offer him there as a burnt offering on one of the mountains of which I will tell you.’”

Why would God ask Abraham to do such an abominable thing? The answer comes further in the story in Genesis 22:11-12, “But the Angel of the Lord called to him from heaven and said, ‘Abraham, Abraham!’ And he said ‘Here I am.’ And He said, ‘Do not lay your hand on the lad, or do anything to him; for now, for I know that you fear God, since you have not withheld your son, your only son from Me.’”

God had never intended that Isaac would die by the hand of

his father. The purpose was to test Abraham’s faith and his trust in God. Abraham had finally come to a place in his fellowship with God, come through a variety of trials with God by his side and had come to understand God would not forsake him no matter the circumstance. Abraham demonstrated a deep faith and trust.

The story of Abraham and his obedience and willingness is understood as a picture of the sacrifice God made of his son, his only begotten son, Jesus, the Messiah. Romans 5:1,3 says “Therefore having been justified by faith, we have peace with God through our Lord Jesus Christ. But we also glory in tribulations, knowing that tribulation produces perseverance, and perseverance, character, and character, hope.”

Weekend Services

Sunday services are held from 9:30-10:45 a.m. and are traditional with hymnal music led by Janet Ray with Pat Kogak at the piano. The First Christian choir will sing “If My People Will Pray.”

Saturday are held from 9:30-10:45 a.m. The services includes contemporary songs of worship, led by Gregory Black with guitar and vocal accompaniment.

Midweek Studies

Melli Herrera leads the women’s Bible study on Mondays from 10:30-11:30 a.m.

Pastor Gary Whitlatch leads the Tuesday Bible study from

Pastor Bruce Humes

9:30-10:30 a.m.

Pastor Humes leads the Thursday Bible study from 10:30-11:30 a.m.

Humes also leads the prayer Bible study on Fridays from 6-7 p.m.

All are welcome to join.

Scripture of the Week

For I am convinced that neither death, nor life, nor angels, nor principalities, nor things present, nor things to come, nor powers, nor height, nor depth, nor any other created thing, will be able to separate us from the love of God, which is in Christ Jesus our Lord. Romans 8:37-39 NASB

Redeemer Lutheran and St. Theodore’s

Bishop Finck will preside over Redeemer Lutheran’s service on Sunday, Nov. 12, with an inspiring message. The Gospel lesson on the 24th Sunday after Pentecost is from Matthew 25:1-13, where Jesus tells a parable about his own second coming, emphasizing the need for readiness at all times. The choir, under the direction of Sharon Heck, will sing “Come, We That Love the Lord.”

The Congregational Meeting is immediately following the service in the downstairs Fellowship Hall. Members will vote on the 2024 budget and election of church council members. All members are encouraged to attend this short meeting, after which, there will be dessert, coffee and fellowship.

SANTA ANA LIFE CENTER

Becky Maffucci (fourth from right) is surrounded by Holy Family Church members.

Holy Family Catholic Church

Holy Family Catholic Church members celebrated life on Oct. 22. With the support of its parishioners and good friends, the church was able to put together baby supplies to donate to Santa Ana Life Center. Church members also enjoyed time together with a little reception outside the church, where the director of the Pro-Life Center and a mother came to receive the gifts. Jeanette Barreras, and Becky Maffucci were responsible for preparing the baskets and reception.

LW Baptist

When Christians sing, “What a Friend We Have in Jesus,” they refer to bringing everything to God in prayer. That is the theme of LW Baptist Church’ worship service on Sunday, Nov. 12, at 10 a.m. in Clubhouse 4.

Praying to God for others is God’s people’s special privilege. It is also their duty. Samuel the prophet said it would be a sin not to do so. The apostle Paul’s New Testament prayers model adoration of and thanksgiving to God and supplication on behalf of others.

The church choir will sing, “Showers of Blessing,” which always result when God’s people pray.
