POLICE

SBPD reschedules DUI Checkpoint

The Seal Beach Police Department has rescheduled its planned driving under the influence (DUI) checkpoint.

The checkpoint will be held Friday, Dec. 22, at an undisclosed location within the city limits.

Checkpoint locations are chosen based on data showing incidents of impaired driving-related crashes. Drivers charged with a first-time DUI face an average of \$13,500 in fines and penalties, as well as a suspended license.

Gate Closures

Crews will conduct repairs at the St. Andrews Gate inbound lane on Dec. 18 from 5-9 p.m. Detour signage will be posted before work begins.

Repair work will also take place at the Main Gate inbound lane, otherwise known as the pass lane, on Dec. 19 from 5-9 p.m.

The North Gate will close all day Dec. 20 for gate access training. People should plan alternate routes during these periods.

Proptia Registration

Proptia is the access-management solution that residents will use to manage their visitor lists when the new gate access system goes active in January. At that time, residents will receive an emailed invitation with instructions on how to register and create accounts with Proptia. Do not attempt to directly register with Proptia; registration needs to occur through GRF.

The Golden Rain Foundation kicked off the holiday season with a week full of Christmas and Hannukah cheer, featuring its annual tree lighting, menorah lighting, Christmas tree decorating contest and toy drive dance. With live music and cookies aplenty, the constellation of events primed residents for the upcoming holidays and gave them an opportunity to flex their generous spirits with toy donations that will support OC families. *See more pictures on page 14.*

TRAFFIC

Collision caused delays at major LW intersection

A vehicle collision on Dec. 5 caused traffic delays at the intersection of Northwood Road and St. Andrews Drive. The North Gate remained closed for several hours while police investigated the incident.

At approximately 11 a.m., a silver Honda Pilot traveling southbound at the intersection turned left. While turning, the vehicle collided with an ambulance headed eastbound across the intersection on Northwood, according to a Security report. The ambulance was damaged the left side of the vehicle and left rear wheel well.

GRF Security, Seal Beach police, firefighters and paramedics responded to the scene.

The ambulance involved in the collision was actively transporting a LW resident, who was transferred to a second, undamaged ambulance after the collision.

The Honda driver was transported in a third ambulance to West Anaheim Hospital.

The back left wheel well of an ambulance was damaged in the collision.

RECREATION

Hui O Hula Club wins first place in Christmas tree decorating contest

The Recreation Department selected five clubs to decorate Christmas trees in the clubhouses for GRF's annual decorating contest. The clubs were: the Women's Golf Club, Clubhouse 1; the Garden Club, Clubhouse 2; the American Legion Auxiliary, Clubhouse 3; the Claytime Ceramics Club, Clubhouse 4; and the Hui O Hula Club, Clubhouse 6.

The winners are:

- First Place: Hui O Hula Club
- Second Place: LW Women's Golf Club
- Runners up: Claytime Ceramics, LW Garden Club, and American Legion Auxiliary

This year's theme was "Peace On Earth." Clubs chosen to compete decked out their trees to reflect what their club does to set them apart. They could interpret this any way they like, so long as the overall theme was represented in their creation. The clubs that have adopted a tree have an opportunity to promote the uniqueness of what the club does and to remind residents that clubs are back in action and

Prepare for 2024 with a new calendar

With 2024 just a few weeks away, a good way to get a head start on the new year is by purchasing a new calendar. Though the GRF is not printing a 2024 calendar, there are plenty of local options to choose from.

• **The Seal Beach Police League K9 Calendar (\$25):** The Seal Beach Police League 2024 K9 calendar features department's favorite four-footed friends: Saurus and Yosa. The calendars are \$25 and proceeds help support the Seal Beach Police Department canine program. The calendar measures 8.5 by 11 inches. To purchase a calendar, visit <https://sealbeachpoliceleague.com/> or visit the Seal Beach Police Department, 911 Seal Beach Blvd., Seal Beach.

• **Seal Beach Village:** Affordable calendars are available at the Dollar Tree in the Seal Beach Village Shopping Center, located outside St. Andrews Gate.

• **The Shops at Rossmoor:** People can purchase calendars at the nearby Shops at Rossmoor from Target, Ralph's, CVS and Staples, among others. People can get to the Shops at Rossmoor using the Seal Beach Senior Transportation Shuttle, which runs from 9 a.m.-4 p.m. and stops at Ralph's, Target and Sprouts. People must be registered with the City of Seal Beach to use the program. For more information, contact Robann Arshat at 562-431-6586, ext. 317, or email robertaa@lwsb.com.

The evening bus tours allow residents to view holiday light displays within Leisure World from the comfort of a Minibus. The tours begin at the Health Care Center and start at 5 p.m. Late evening tours from Dec. 18-21 begin at 6:45 p.m.

Seating on the bus tours is first come, first served. GRF Minibuses seat approximately 20 passengers. Holiday dress up is welcome. Each fourth Saturday, authorized residents have the opportunity to sell any used motorized vehicle in the Administration Parking Lot from 8 a.m.-4 p.m. The next sale will be Saturday, Dec. 23.

Vehicles must have current DMV registrations, GRF decals and be insured. In addition to cars, motorhomes, motorcycles, golf carts, bikes, trikes and scooters may be sold. The owner or representative does not need to be present but is allowed to display a single “for sale” sign no larger than 18 by 24 inches on the vehicle, to include a phone number. The sale is open to Leisure World residents only and the guests they call in. The public will not be able to sell at the events.

Using FasTrak for Express Lanes

To use the newly opened 405 Express Lanes, people will need: (1) a FasTrak responder and (2) a valid FasTrak account.

FasTrak responders are available for free from any toll agency in California, as well as directly through the 405 Express Lanes website at www.405ExpressLanes.com. Switchable transponders, which allow drivers to tell the system if there are two or more occupants in the vehicle, cost \$15.

Transponders are also available through OCTA at www.91ExpressLanes.com and through www.thetollroads.com.

Carpools with two or more occupants can drive for free during non-peak hours for the first 3.5 years after the Express Lanes open. A switchable FasTrak transponder is required.

Vehicles with three or more occupants, as well as motorcycles, can drive for free at all hours.

Disabled veterans and disabled people with permanently mounted disabled license plates can travel for free.

Valid DMV registration for the vehicle must be presented when the FasTrak account is opened.

PERSPECTIVES

Letters to the Editor

Editor:

On the cusp of another election year, I believe it is time for us to prevail upon the Leisure World Weekly to maintain a policy of not publishing political ads. During 2020, some negative political ads caused hard feelings and possible damage to the reputation of our community.

While these ads resulted in the addition of a few hundred dollars to the profits of our newspaper, it is impossible to

know the extent of the damage they may have caused.

To avoid a repetition of this unfortunate and divisive chapter in the history of Leisure World, we need to ask our newspaper to make this commitment now, in the tradition of this current season of goodwill.

Rachael Lehmberg
Mutual 2

Editor's Note:

Between 2020-2023, the paper collected approximately

\$20,709 in political advertising revenues. A free society is dependent on the freedom of expression of all ideas, even those that some people find repugnant. In keeping with its desire to foster a diversity of viewpoints, the LW Weekly will continue to print paid political advertising and the letters to the editor such advertising inevitably triggers. All political advertising must meet state election rules and GRF policy, and be clearly marked as such.

Political speech is one of the most protected forms of speech in our society, and there is a reason for that. It is at the core of the First Amendment and includes speech concerning "politics, nationalism, religion or other matters of opinion," according to the Supreme Court, which has stated that the ability to criticize the government and government officials is central to the meaning of the First Amendment.

Editor:

I've been a LW resident for about a year. I believe sidewalks are intended for pedestrian traffic. Of course, bicycles, motorized wheelchairs and golf carts need to utilize them as well; however, the vast majority of bike riders and golf cart owners (seem to) feel that a pedestrian in front of them is an imposition.

I'm able-bodied but even when I'm carrying heavy packages, bicyclists and golf carters will insist or demand that I move out of their way whether it's onto the grass or over a small rise.

Many residents here are not that mobile. Common courtesy would seem that a walkway is for walkers and that those with other means of transport need to wait their turn. Are there any rules stipulating usage?

Sharla Sanders
Mutual 5

Editor's Note: According to GRF policy, drivers of motor vehicles, including scooters, and cyclists, must yield the right of way to pedestrians. For more information on GRF traffic rules, visit lwsb.com and see GRF Policy 80-1930-1, under Security in the GRF directory.

Editor:

I read good news about repressing the Mini Farms (Dec. 7). Seemingly, conflicting opinions exist on how shareholders can

use a farm effectively.

GRF President Marsha Gerber agreed: "I am 100% for the Mini Farm. It is a positive thing, a good thing..."

I agree absolutely. Opponents cited "the expenses and its exclusivity in that only 220 of nearly 10,000 residents will get a plot." That is also a valid opinion.

Common ownership should be equally distributed and mutually beneficial. May God bless us for running an organic vegetable farm and a mini market so residents can buy healthy food at a lower price.

By the way, who is running it? GRF. How about each clubhouse be used as a weekend market place because of a shortage of parking space?

Many thanks to all friends and family who attended and brought delicious food for the Celebration of Life for Janice Laine. Representatives of the Golden Age Foundation, Humanist Club, Peace Club, Democratic Club, Theater Arts, Laughing for the Health of It, and her book and poker clubs all spoke fondly of Janice's con-

tributions to their groups as well as LW as a whole. Her broad list of activities illustrate well the richness of her life and her zest in participating in LW life.

Friends shared their memories of mostly fun times but also more serious involvement in causes dear to her and her excellent heart and mind.

Even after a serious stroke a few years ago, she remained active and edited the Peace Club newsletter for two years without the use of her right hand!

We were all enriched by the great food people brought and also by the memories shared by friends and family, many of which were new and fun to hear about our friend, Janice. We also contributed generously to her selected charity, Planned Parenthood.

Janice, you are missed!

Choosing Delight in LW

by Marla Hamblin
Mutual 15 director

I was grateful to attend the Leisure World Community Orchestra's winter concert directed by the virtuoso, Dr. Samuel Kim, on Dec. 2 in Clubhouse 4.

It was a brilliant performance and perfect way to begin this holiday season. I was reminded of a time in my life when I made the rounds of TV shows, magazines and speaking engagements.

On one Mother's Day, I was invited to be the guest speaker by Dr. Robert Schuller at the Crystal Cathedral. The visit included a personal meeting with him in his towering office for tea and conversation. I was more anxious about what I would talk with him about in privacy than I was for my speech, which I was well prepared to deliver.

But I needn't have worried because immediately I was comfortably seated. When he asked me a specific question, he asked for my thoughts on how the Jewish survivors of the WWII concentration camps went on to lead lives of positivity and elevated achievements despite the grotesque horrors they endured. How could they have witnessed all that and emerged as productive leaders and contributors to society and the arts? It was easily an hour-long discussion.

I was confident in my understanding of the recognizable yet curious phenomenon he referred to: In exchange for the gift of life, survival, we repay in gratitude for the beauty, education, opportunity life offers, to see plants growing, experience the elegance of music and all the arts, the replenishment of gardening and nature. These give inspiration that overflows to others.

All the joys of life inform our ability to emerge as the best we can be, so much so that the result of this overflowing gratitude benefits others.

So, at the concert Dec. 2 and regarding Leisure World in general, rather than belaboring and emphasizing the harms, there is so much here from which to derive delight and encouragement.

Finally, in the words of Theodore Roosevelt, "Let those in the arena: working, trying, willing—the volunteers—silence the critics who complain from the sidelines." If you avoid the concerts and all the other amenities here, you not only lose the artistic pleasure provided but also the opportunity to appreciate those providing it. I encourage everyone to participate and even consider running for the boards or volunteering to assist us in making Leisure World the best of all places to live our lives.

Setting It Straight

The proposal to rebuild the Mini Farms includes 223 in-ground plots and 25 raised beds for a total of 248 plot opportunities. The number of plots in the story was in error.

Members of Leisure World Korean Community Church went on a five day cruise in Mexico.

Leisure World Korean Community Church

Leisure World Korean Community Church's (LWKCC), senior pastor, Dr. Jang Young Yong, and 71 members went on the fifth LWKCC family cruise trip to Catalina, Ensenada, Baja California and Mexico from Dec. 4-8.

The LWKCC choir member's end of year event was held on Dec. 3, at East Buffet, with 63 people in attendance. Rev. Young Yong gave a speech, and there was a greeting from the church's founding choir leader and an introduction from Seongnam Elder Lee, the 2024-25 choir leader. In the 13 years since LWKCC was founded, there have been four choir lead-

ers. There was an encouraging speech from conductor and music pastor Kim Gyu-sam. Gifts were also presented to the praise band members. In 2024, the captain will be Elder Lee Seongnam, and the vice commander will be Elder Yoo Jun.

There are currently 55 members of the LWKCC praise choir, led by Dr. Kwy Sam Kim, and deacon Min Jung Kim as accompaniment. The group practices in the choir room on Friday evenings and Sunday afternoons for the weekly Sunday service. On Dec. 2, the choir performed at the LW Orchestra's Winter Concert.

The choir will perform on

Monday, Dec. 25, for a special Christmas celebration service. The choir and LW Orchestra will perform "In Handel's Oratorio Messiah," during the Christmas service. Pastor Kwang Jin Kim and tenor soloist Pastor Oh Wiyong will also sing "O Holy Night" during the event.

LWKCC is a nesting church of Community Church in Leisure World. Sunday services are held at 11:50 a.m. in the sanctuary at 14000 Church Place.

Early morning prayer meetings are held Tuesday-Saturday at 6 a.m. Breakfast is served in the fellowship room after each Saturday morning prayer meeting.

Assembly of God

Jesus' coming brought radical change. His paradoxical teaching and example confounded religious authorities and conventional thought. He was born in humble surroundings, to ordinary people, yet claimed to be the Son of God. He taught with authority and challenged the Pharisees, performed miracles and then washed his disciples' feet. These paradoxes were hard to reconcile. But self-sacrificing, untarnished love doesn't always make sense. Pastor Chuck Franco will preach a message titled "The Servant Love of Jesus," from Luke 2:1-7 and Philippians 2:5-11, on Sunday, Dec. 17. A Christmas-themed Hymn Sing will be held that day at 6 p.m. in the Clubhouse 3 Lobby. All residents are invited to sing carols, enjoy a special musical guest, and have great fellowship.

Session two of the new Bible study series, "The Rock, the Road, and the Rabbi," takes students to "Galilee: The Early Years" on Wednesday, Dec. 20 at 10 a.m. Host Kathy Lee Gifford and teacher Rabbi Jason Sobel will lead the group through the sites where Jesus spent his formative years. For those who have never been to the Holy Land, this is the next best thing. Hearts will be touched and minds awakened.

Assembly of God meets Sundays at 10:30 a.m. in Clubhouse 3, Room 2. The Wednesday Bible study is at 10 a.m. in Clubhouse 3, Room 2. More information can be found at www.lwassemblyofgod.com, or Facebook at the Leisure World Assembly of God Church page. Contact the church at 562-357-4360, or pastorchuck@lwassemblyofgod.com.

Redeemer Lutheran and St. Theodore

The congregations of Redeemer Lutheran Church and St. Theodore of Canterbury Episcopal Church will begin a six-part series on the First Sunday of Advent, focusing on the earliest days of Jesus, beginning with his miraculous conception and following the biblical witness of his infancy and childhood until he was 12 years old. The 10:30 a.m. worship services gather at 13564 St. Andrews Drive. All are welcome.

The sermon messages for this six-part series, delivered by the Rev. Murray D. Finck, bishop emeritus of the Pacifica Synod, will look at Jesus' first 12 years through the eyes and life of Joseph, the carpenter from Nazareth and the faithful husband of Mary, the mother of Jesus. He was the earthly father of the child born to be the savior and Messiah of the world. Bishop Finck will take the congregation through the biblical passages which tell about Joseph, a vital and essential figure in the early days and years of Jesus' life. Beginning with the angelic announcement of Jesus' conception, the story of Joseph will help the congregation comprehend the miracles, prophecies, hopes and dreams, the humble birth, and the fulfillment of God's promises as the long-awaited Son of God joined humanity for the sake of the world God so deeply loves. The series will end on the Day of Epiphany, Jan. 6.

Congregation Sholom

Congregation Sholom will hold services via Zoom with Rabbi Eric Dangott on Friday, Dec. 15, at 6:30 p.m. Services continue with Rabbi Mike Mymon on Saturday, Dec. 16, in Clubhouse 3, Room 9, and on Zoom at 10 a.m. Saturday's Torah reading will be Miketz from the book of Genesis. Miketz (After) follows Joseph as he interprets Pharaoh's dreams and rises to become second-in-command to Pharaoh. When Joseph's brothers come to Egypt seeking food during a famine, Joseph accuses them of spying. He insists that they return with their youngest brother, Benjamin, and later plants a goblet in Benjamin's bag. To receive a Zoom invitation contact Jeff Sacks at 714-642-0122.

Those who want to become a member of Congregation Sholom can call Howard Brass at 714-396-0121 for a membership packet.

Community Church

The prophet Isaiah describes the coming of a year of Jubilee. It's not certain that the year of Jubilee was ever actually celebrated. Every seventh year was to be a year in which the land was allowed to lie fallow and recover and every 70th year was to be a year of Jubilee, a time when land was restored and debts forgiven. When John the Baptist appears from the wilderness, he declares the year of Jubilee and works to bring it about.

As Christmas approaches, believers are reminded that Jesus taught his first followers how to live in Jubilee and do so even today. Community Church will look at the implications of this Sunday.

Those who need a little joy, love, or celebration are invited to Community Church's Sunday service on Dec. 17 and the Christmas Eve service on Dec. 24 at 9:50 a.m. that will include a living nativity. Leisure World Korean Community Church has extended an invitation to all to come and enjoy the concert that will be presented in the Community Church Sanctuary on Saturday, Dec. 16, at 3 p.m.

Community Church's Sunday services are at 9:50 a.m., followed by fellowship and light refreshments. Come early for a cup of coffee in the narthex. The church is located inside Leisure World at 14000 Church Place. People may watch services live on Facebook, @CommunityChurchLeisureWorld, and on Zoom. Contact the church office for the Zoom link. Those who are in need without another way to address it can call the church office to leave a message at 562-431-2503.

The reading source for this year is the New Testament. The reading assignment for the week of Dec. 11-17 is Revelation 6-14.

The "Come Follow Me" lesson manual says "Imagine a woman 'travailing in birth and pained to be delivered.' Now imagine 'a great red dragon, having seven heads and ten horns' hovering over the woman, poised to 'devour her child' as soon as it was born. To understand these verses of John's revelation, remember that these images represent the church and kingdom of God and the peril they would face."

LW Baptist Church

"She gave birth to a male child who will rule all nations," the Bible says. What child is this? Mary's child, Jesus Christ, the woman's seed who will crush the serpent's head, the prophet who will speak God's words, the son of God, the babe who has grown to be our sovereign Lord. His redeeming love is the theme of LW Baptist worship on Sunday, Dec. 17 in Clubhouse 4 at 10 a.m.

GAF donates to Meals on Wheels Long Beach

The Golden Age Foundation (GAF) donated \$2,000 to Meals on Wheels, Long Beach (MOWLB) on behalf of Sunshine Club.

Meals On Wheels Long Beach helps Leisure World residents remain safe, socially connected and nourished at home for as long as possible. The program is available to all Leisure World residents who are having difficulty preparing or shopping for meals due to the aging process, an illness, recent surgery, or a chronic health condition.

Donations from the Golden Age Foundation (GAF) are directed to residents in Leisure World, covering the daily fee for qualified, low-income residents. MOWLB began delivering to the Leisure World Seal Beach community in 2013. Over the past 10 years the program's staff and volunteers have been honored to serve the amazing residents of LW. Each weekday, two freshly prepared meals—a hot dinner, complete lunch, dessert and a beverage—are delivered to program members with a friendly

Democratic Club

by Mary Larson
LW Weekly

There will not be a LW Democratic Club meeting or voter education session in December. Members are encouraged to reach out to other Democrats in their neighborhood to share information about the importance of voting in the March primary election. Those interested in learning how to participate in the Get Out the Vote 2024 outreach should email kmoran97@yahoo.com.

During the Nov. 17-19 convention, the California Democratic Party finalized the Party's endorsement of five candidates running for Congress in the March primary, nine running for the California Assembly, and one running for the California Senate.

These 15 candidates were on the convention delegates' consent calendar, having previously received at least 70% of the vote in pre-endorsing conferences held in various places in California. Two candidates on the endorsed list will appear on Leisure World ballots. They are California State Sen. Dave Min for Congress and community activist Dom Jones for the California Assembly.

Jones will run against incumbent Diane Dixon, a Republican from Newport Beach. Min will be running against 12 other candidates for election to Congress in LW's District 47. This long list includes Democratic candidate Joanna Weiss and the Republican Party endorsed candidate Scott Baugh.

During the convention, delegates also approved support for California Prop. 1 that will be on the March Leisure World ballot.

Only four of the Democratic candidates who filed to run for election to the U.S. Senate sought endorsement during the party's state-wide convention. None of them received the 60% of the delegates' votes necessary for endorsement.

Barbara Lee emerged with just under 41.5% of the delegate's votes. Adam Schiff received 40.18%. Katie Porter finished third with just over 16%. A little more than 2% of the delegates did not endorse a candidate. Lexi Reese received only three votes and has now dropped out of running for the seat. This lack of consensus on the part of the Convention delegates means that local Democratic Clubs are free to endorse a candidate for the U.S. Senate.

...

The LW Democratic Club believes health care is a right, diversity is a strength, the economy should work for everyone, and that facts and truth matter. Everything appearing in the press releases and semi-monthly newsletters has been fact checked to the fullest extent possible.

Leisure World Democrats and supporters are invited to subscribe to the club's electronic newsletter by emailing mlarson.telfords@gmail.com. It is important to include complete contact information, including party registration, in the request.

OBITUARIES

Ricardo "Tarzan" V. Dizon 1938-2023

Ricardo "Tarzan" V. Dizon was a captivating blend of love, laughter, and lively passions.

Ricardo V. Dizon, who embraced the moniker "Tarzan the Fearless" in his youth and was lovingly referred to as "Kuya" by his family, took his final, joyous steps on life's dance floor, leaving behind a legacy as lively as his spirit.

Born on Jan. 23, 1938, in San Antonio, Cuyapo, Nueva Ecija, Philippines, to the late Numeriano and Natividad, Ricardo was the cherished second eldest of nine siblings. His 86-year journey was an exhilarating blend of love, bravery, and a zest for life that touched everyone he met.

Ricardo's 59-year marriage to his beloved, Irene, was not just a journey together but an epic tale of love, laughter and enduring companionship. Their shared life, intertwined with love and mutual support, laid the foundation of a family legacy that continues to inspire.

Serving proudly as a U.S. Navy Vietnam veteran, Ricardo's dedication extended beyond his country; it was a steadfast commitment to ensuring a brighter future for his family. This mission, carried out with the honor and determination of a true sailor, set the course for a life filled with opportunities and achievements.

Ricardo's passions were as diverse as they were engaging. Not only was he an avid wedding photographer with his cousin Adel, capturing life's most joyous moments, but he also had an insatiable love for cars. His weekends were often spent either under the hood of a Mustang or behind the camera lens, showcasing his multifaceted talents.

His 25-year-plus tenure with Irene at Hughes Aircraft Company was more than just a shared workplace; it was a daily adventure filled with humor, routine, and his iconic coffee and two-glazed doughnut ritual, a delight so regular it became legendary at his local doughnut shop.

In retirement, Ricardo's vibrant spirit found new expressions in Las Vegas and later in Seal Beach. As an active member of the Doo Wop Club, Dancing Feet Club and Karaoke Club in Leisure World, his love for music and dance continued to shine. His role as an occasional bingo caller added to his charm, as did his signature greeting, "Hey my man," accompanied by a warm, inviting smile.

He is fondly remembered by his wife, Irene; children, Ricky and wife, Pamela; Connie and husband, Fernando Castro; Kathy Shelton, six grandchildren; and 10 great-grandchildren. Each of them carries a part of Ricardo's boundless energy and loving spirit.

He is preceded in death by Kathy Shelton's late husband, Herb, Gary Moore and his wife Phyllis.

A celebration of Ricardo V. Dizon's extraordinary life will take place on Jan. 23, 2024, at 11 a.m. at the Riverside National Cemetery, 22495 Van Buren Blvd., Riverside, CA 92518. Instead of flowers, donations to the Fisher House Foundation are encouraged, in honor of his commitment to fellow servicemen and women.

Ricardo's life was a canvas filled with kindness, laughter, love, and an enduring passion for his family, photography, cars, and community. His final dance is a perfect encore to a life beautifully lived, forever captured in the hearts of those he touched.

Darlene Milek 1953-2023

There are times in our lives that we meet that person and instantly "click." That would describe the friendship

that I had with my dear friend, Darlene Milek. She moved into Leisure World in the spring of 2018. By summertime, we were in the pool and planning monthly get-togethers for our "Glenview Friends." In the fall of 2018 and throughout 2019 we all learned about preparedness in the event of any emergency. Little did we know that in the spring of 2020, we would be put to the test of how well she had prepared us.

Darlene was born in the spring of 1953, raised in the Lakewood area, attended college, married, and raised two children in Cypress, California. She eventually moved to Reno, Nevada, to become a school principal. Darlene worked hard and was always learning about something new. Nevertheless, she always had time for her family, neighbors and her community at large.

During her time here she became a director and, at the time of her passing, she was secretary for Mutual 12. She spent countless hours in the service of her family, our neighborhood and community.

In 2020, she lost her beautiful daughter, Robin. Even with that loss she pushed on and started an Etsy store, The Brown Hen Farm. Her sewing and embroidery projects were beyond amazing. She also assisted those who needed alterations and other sewing services. She never said "No." I would frequently remind her that "No" was a complete sentence. She was my sidekick whenever I wanted to go on an adventure. We went to the pool in the summer and tried to keep busy in the winter rather than fall asleep at 7 p.m. and be up at 4 a.m. We cooked for each other one night a week. On Fridays, we had a regular date to Fantastic Café.

I have a huge hole in my heart. We were supposed to be old ladies together. I am sad for me; but, happy for her. She died peacefully in her sleep on Nov. 7, 2023. No horrible illness, no more pain for the loss of her daughter.

Darlene leaves behind her son John and his family, including three grandchildren and one great-grandchild, former husband and friend, Steve, and her son-in-law Jeff and her four grandchildren.

I have asked our neighbors to share their thoughts:

Mary said, "Darlene was always available to help if I had a problem. She was always friendly no matter what I asked her."

Linda and Jerry said, "Darlene was the first to welcome us to Glenview. Her warmth was real and made a difference. She always listened and always cared. She made a difference; and, we can only hope she knows how much we loved her. Farewell my friend."

Jeanette and Fred said, "Darlene was such a special gift to our neighborhood and broader community of Leisure World. Each and every day she did something to contribute to the good of others. Darlene set an example for us all to follow. She will be greatly missed."

Richard and Suzannah said, "We're good with what each of you have written. So many thoughts and so hard to find the right words."

Kathie said, "Darlene was my next door neighbor and my anchor to LW since I moved in two years ago. She seemed always available to answer questions about LW, Mutual 12 and our block. It turns out that Darlene was everybody's anchor and resource—because she cared deeply about the welfare of her neighbors, family, and friends. Regular sightings of Darlene, Cinnamon (her dog), and the golf cart are sorely missed."

Cyndi said, "Her door was always open and I was always welcomed. I will miss our girls' lunches."

Rich said, "Darlene was the neighbor that was always available for anything and everyone. Darlene had her ways of making people feel at ease and included. Darlene was smart, witty and always creative. Darlene was able to pull the neighbors together to create our neighborhood."

Evelyn said, "Darlene was a real gem. She was never too busy to lend an ear or a helping hand. I will forever miss her and her kind ways."

Caren said, "Darlene was a force of light and positivity in our neighborhood. Through her selfless support, many people were able to continue to live independent lives. Her comforting presence in our community will be sorely missed."

Julia said that Darlene helped her to remain in her home.

Rest in Peace, our dear friend.

Community Karaoke

With her little bell in hand, Ellen Brannigan sang “Silver Bells” for the audience at the Wednesday night karaoke party on Dec. 6.

Karen Morris sang an energetic “Jingle Bell Rock.” Showman Ray Geierman had fun singing “Marshmallow World.” A spirited rendition of “I Want a Hippopotamus for Christmas” was Shannon Harrison’s selection. Dorothy Ferrington sang the happy tune “Frosty the Snowman.”

For a change of pace, the audience counted on Wayne Urban to entertain with “Scotch & Soda” by the Kingston Trio. “Maggy May” has a catchy beat well sung by Richard Yokomi. Barbie May chose “My Angel is Here,” a soft tune with meaningful lyrics.

Karaoke practices are every Monday in Clubhouse 6 from 1-3 p.m. There will be no practice sessions on Christmas and New Year’s Day.

Karaoke parties are held each Wednesday night in Clubhouse 1 beginning at 5:30 p.m. There’s always coffee and tea and a social atmosphere to enjoy a variety of music performed by friends and neighbors. Everyone is welcome.

LIVE MUSIC

M7 resident will perform at church organ recital

Concert organist Peter Bates, a resident of Mutual 7, will present a Christmas organ recital at Covenant Presbyterian Church, 607 E. 3rd St. (at Atlantic Avenue) in Long Beach, on Sunday, Dec. 17, at 2 p.m.

The performance will include the use of the church's magnificent Aeolian-Skinner pipe organ.

Included will be music of J. S. Bach, George Baker, Marcel Dupre, Gerald Near, Max Reger and others. Audience members are also invited to participate in singing carols during the concert.

Bates has been the minister of music and resident organist at Covenant Church since 1997. This annual event is a perennial favorite of members of the congregation and the community at large.

He will be joined by staff soloist Desiree Flores, mezzo-soprano, who will help lead the carol singing. There is no admission charge, however, offering plates will be available should audience members want to leave a donation of any amount to the Minister of Music's Discretionary Fund.

The Covenant sanctuary organ is noted by many of the guests who have played it as one of the finest in the area.

Built in Boston in 1966, its 3,350 pipes include many that were built for the former church structure by the Los Angeles builder Murray Harris in 1910, still in service 113 years later.

Bates has presided at the console of this instrument for over 26 years, placing his indelible mark on Covenant's organ and music ministry. The congregation keeps the organ in meticulous condition with regular maintenance; and earlier this year the keyboards (known as "manuals" on an organ) were sent out to be completely refurbished.

All are welcome to attend, however, those who are unable to attend in-person are welcome to join online as the concert will be live-streamed through the church's website: www.CovenantLB.org.

Parking is free and located behind the church.

For more information, call the church at 562-437-0958, ext. 130.

ington, holding Q-Q, went all in before the flop and was called by Wu, holding A-7. The first three cards (flop) came K-3-8, leaving Covington in the lead. The turn was an ace, giving Wu the lead. But, as often happens in poker, the river card was a queen, giving Covington the winning

hand of triple queens. Covington has lived in Leisure World for six years and has been a member of the club since August. Besides poker, he plays golf and lifts weights. He is also interested in computer programming.

The club congratulates all the winners. LW POOL CLUB

Sweepstakes victory goes to Renegades after playoff

On Dec. 4, the two pool leagues met to end the fall league season with an evening sweepstakes event. The American League that plays on Mondays played each team in the National League, which plays on Wednesdays. Each team played every other team one game and all three players rotated turns in a game of 8 ball.

Before the sweepstakes started, there was pizza, salad and desserts, which has become a traditional celebration to end the league.

After five rounds, The Favorites, from the National League, had four wins and only one loss. Five teams were in contention, with three wins and two losses. That meant The Favorites could clinch first place by winning its sixth game. However, they lost. Four of the five teams that had three wins won to end the sweepstakes in a five-way tie. To determine which teams received first, second and third place money

in the sweepstakes, there was a playoff. The Renegades, with Ron Kennedy, Ken Harpham and Guta Basner, beat the Sharp Shooters, with Kurt Bourhenne, Dennis Bedford and Susan Dotson, in the final game.

The Cue Commandos with Roy Mittlestead, Gary Monahan and Wildfire! Christensen took third place by winning over The Hot Sticks with Barry Brideau, George Gordon and Connie Adkins.

The sweepstakes formula of having the six teams from Monday playing each of the six teams from Wednesday seemed to work well, since it allowed time for playoffs of teams that were tied at the end of six rounds.

The spring league will start on Monday, Jan. 29, and will be 10 weeks long, with playoffs and sweepstakes at the end of the season.

GOLF

Dec. 6 scramble tournament hosted 47 players

Scramble director Steve Moody put on a tournament attended by 47 golfers of different handicaps and skills. Seven teams of eight, and one team of five, teed off at 7:30 a.m. and played a best ball scramble for 18 holes. Included in the play were six circle hole challenges and two closest-to-the-pin contests.

Each player on the teams was required to use three of his or her drives as the best shot and then everyone played best ball until the ball went in the hole. This rule required properly choosing the correct initial drive to play allowing for different abilities of the team, difficulty of the future holes, and number of holes left.

After three and a half hours under a beautiful sunny sky, Team 8 (Rolando Ramirez, Ryan Hong, Eullia Kim, Darry Holten and Steve Kang) took first place with a 10 under round. Tied for second place was Team 4 (Alan Sewell, Janice Turner, Young Lee, Nina DeRosa, Kevin Lind-

The winning Team 8 included Steve Kang (l-r), Ryan Hong, Eullia Kim and Rolando Ramirez. Not shown: Darry Holten.

stedt and Kay Hong) and Team 6 (Ron Steele, Dale Williamson, Jane Song, Bill Zurn, Jack Haskins and Ben Benjamins) at 9 under. Tied for third place was Team 5 (Mark Rice, Won Song, Tom Owens, Bruce Bowles, Scott Tuchfarber and Joyce Basch) and Team 1 (Linda Herman, Byron Schweitzer, Ann Tran, Marv Jones and Liz Meripol) at 8 under. Team 7 took fourth place at 6 under, and Teams 2 and 3 tied for fifth at 5 under.

Closest to the pin on the second hole was Dennis Jensen,

and Byron Schweitzer was closest on the 11th. Additionally, there were 12 circle holes.

This type of tournament has been held numerous times in the past and all players have had great fun, especially since they sometimes played with individuals they had not met before. Camaraderie and friendships between the players grew as the round progressed with great encouragement for drives and putts. The players look forward to the next time with anticipation.

The LW Women's Golf Club offers thanks to President Pam Krug and Elizabeth Butterfield for organizing the holiday luncheon and installation of new officers. Pictured above are new board and committee members.

LW Women's Golf Club

The LW Women's Golf Club tournament on the first Tuesday of each month features a circle hole challenge in addition to low gross and low net. The gardeners place a chalk circle approximately 6 feet around the hole and if the player makes their first shot into the circle, they win a prize.

This month's circle was around hole No. 6. There were

32 players competing, but no player was able to land in the circle.

A flight winners: Low gross: Veronica Chang, 28; low net: Janice Turner, 25.

B flight winners: Low gross: Jane Song and Nancy Reid, 31; low net: Ann Tran, 26.

C flight winners: Low gross: Eullia Kim, 31; low net: Sandy Kim, 23.

D flight winners: Low gross: Kay Hong and Liz Meripol, 40; low net: Michelle McMongle, 27.

Those interested in joining the women's golf club can obtain an application from the golf course starter or contact club Treasurer Margie Thompson 562-493-0484 for more information.

Men's Golf League

On Dec. 1, 12 hardy golfers from the Leisure World Men's Golf League visited the Willowick Course in Santa Ana. The 6,000 yard par-70 course has two 510 plus yard par-5s and several long par-3s that challenge everyone. The course maintenance has improved over the past few months, making it more fun to play, even though it is very long.

The sun was out at the 7 a.m. tee time, but it was quite cool for most of the round, and a bit damp due to overnight watering. Even with fair course conditions the course permitted only four of the 12 rounds to be net at or under par but allowed four birdies—three by Jim Goltra and one by Chris Lankford. Goltra had fewest putts in the "A" flight, and Bill McKusky in the "B." Goltra was also closest to the pin on the 140-yard 12th hole. The always troublesome par-3 fourth hole again defied the golfers and saw no balls stay on the green.

A flight winners (handicaps 0-19): Jim Goltra, 2 under 68, first place; Chris Lankford, 1 under 69, second; Dave LaCascia, even par 70, third; Sam Choi, fourth; Gary Stivers, fifth.

B flight (handicaps 20 and over): Bob Munn, 3 under 67, first place; tie between Bill McKusky and Lowell Goltra, 1 over 71, second; John Meyer, third; Gene Vesely, fourth; Daniel Mahoney, fifth; Digna Vesely, sixth.

On Dec. 4, 16 golfers tackled the Riverview Golf Course in Santa Ana. The 5,600-yard par-70 course was in very good condition although the riverbed had a considerable amount of water in it—usually in all the wrong places for golfers.

The morning started out sunny but very cool and damp. It remained cool for several rounds, but as the sun rose, layers of clothes were shed. With good conditions the course permitted six of the 16 rounds to be net at or under par, and five birdies—two each by Steve Miller and Chris Lankford and one by Sam Choi. Choi had fewest putts in the "A" flight, and Lowell Goltra in the "B." Larry Hillhouse was closest to the pin on the 140-yard second hole and Dave LaCascia was closest on the 100-yard ninth.

The golfers participated in a special greenie challenge on the 14th hole, which is a 140-yard par-3. Golfers had to drive entirely over the Santa Ana River flood plain and stay on a narrow but wide green. LaCascia, Miller, Lankford, and Daniel Mahoney achieved this daunting goal.

A flight winners (handicaps 0-19): tie between Choi and Gary Stivers, 4 under 66, first place; tie between LaCascia, Miller and Lankford, 1 under 69, second; Hillhouse, third; tie between Jim Goltra, Fujio Norihiro and Clay Fischer, fourth.

B flight winners (handicaps 20 and over): Lowell Goltra, even par 70, first place; Mahoney, second; tie between Tom Ross and Gene Vesely, third; tie between Bill McKusky, Bob Munn, and Bill Zurn, fourth.

The Monday and Friday golf leagues play at four local courses, all within 15-20 minutes of Leisure World. The courses the group plays are always quite full, so advance league reservations are required with a sign-up sheet available at each round.

There is a prize pool for each round that players are not obligated to enter. Rewards are given for low net in each flight, birdies, closest to the pin on two par threes, and for the lowest number of putts in each flight. Holes-in-one and eagles (2 under par), although infrequent, are generously rewarded. Those interested in playing can contact Gary Stivers at 714-313-3697 or Dave LaCascia at 801-674-5975.

LW Bicycle Group

The LW Bicycle Group meets on Sundays (with breakfast) to El Dorado Park, Mondays, Wednesdays and Fridays at the North Gate at 9 a.m. Everyone must wear a bicycle helmet and safe shoes.

Studies show that cycling may reduce high blood pressure, lower the number on a scale, and improve the overall quality of life in older adults. For more information, call Mary Romero at 562-509-8475 or Lucy Czra at 818-209-5075.

Water Aerobics

The Water Aerobics Class meets daily from 8:30-9 a.m. at the LW swimming pool. Classes are fun, free and offer fundamental water calisthenics. People can wear bathing suits, or t-shirts and shorts. Men and women are welcome.

Water exercises are low impact, easy on the joints, and a great way to develop muscle strength in older adults to stay healthy and fit.

Water aerobics can also be beneficial in maintaining balance in older adults.

On Dec. 1, the club acknowledged Ellen Lars, the queen of December, who managed to get through November, including Thanksgiving, with a 2-pound weight loss. Henrietta Peevy started off strong by losing 4 pounds over the two-week period. She was awarded a top loser title for the month of December. Other members mentioned for their achievements were degree holders Linda Rich and Denise Stabile, and new member Jan Friedman.

All attendees are asked to sign in with their name, Mutual and unit number before the class. Everyone is welcome to join with the minimal membership fee. Exercise or dancing shoes are required.

On Dec. 7, the club held a holiday line dance party and celebrated the approaching 10th year anniversary of the club's formation. Over 50 people dressed up and shared their love for dancing to over 20 dances led by Karen Kei and other leaders, and enjoyed the Korean lunch box dosirak. The club thanks Chong Hee Kim

and Sophia Chun for help with sign-ups, Gina Baik for handling the lunch catering, and everyone else who helped with planning this fun event.

The Joyful Line Dance Club strives to improve the emotional and physical health of its members, and encourages men to come out and put on their dancing shoes. The club has several leaders who take turns teaching. They are Albert and Gladys Comia, Chung Cha Lewis, George Pinada, Carmel Atkinson, Sunny Kim, Ginna Paik, Elizabeth Kim and Nak Soo Kim, and Anna Derby.

• There is only one valid solution to each Sudoku puzzle. The only way the puzzle can be considered solved correctly is when all 81 boxes contain numbers and the other Sudoku rules have been followed.
• When you start a game of Sudoku, some blocks will be pre-filled for you. You cannot change these numbers in the course of the game.
• Each column must contain all of the numbers 1 through 9 and no two numbers in the same column of a Sudoku puzzle can be the same.
• Each row must contain all of the numbers 1 through 9 and no two numbers in the same row of a Sudoku puzzle can be the same.
• Each block must contain all of the numbers 1 through 9 and no two numbers in the same block of a Sudoku puzzle can be the same.

PAIN RELIEF

surgeries.

Dorothy Ulit is a registered physical therapist who said that the majority of her patients come to her due to a fall. Part of her role as a physical therapist is to reduce chances of falling. After examining the patient, she creates a recovery plan with the goal to improve and strengthen the body. Ulit works with people with injuries, disabilities and other health conditions, and educates her patients by providing them with guidelines on healthy living.

Physical therapists often focus on treatments and solutions that reduce the need for surgery and prescription drugs. They use a combination of exercise, stretching, hands-on techniques, and utilize various equipment to restore the body function or to relieve pain. The patient’s progress is then evaluated and recorded, and a modified care plan and new treatments are applied as needed.

On Thursday, Jan. 25, Ulit will hold a discussion on the importance of physical therapy in fall prevention in Optum HCC Conference Room, at 1 p.m. The event is free. To RSVP, call 562-795-6255.

OPTUM HCC

Stacie Groat

Meet HCC staff

Optum HCC physical therapist Stacie Groat prioritizes a patient-centered approach by exploring the root causes of symptoms. She aims to seek alternative solutions for patients beyond surgery.

A South Bay native and University of California Berkeley graduate, Groat was motivated to specialize in pelvic health due to her sister’s post-incontinence issues while running. Witnessing her sister’s limited treatment options, mostly surgical, prompted Groat to pursue this specialty.

In her free time Groat enjoys running, CrossFit, hiking, reading, cooking and walking her dog. Her dedication to empathetic care defines her commitment to tailored treatment.

To schedule an appointment with Groat, call 562-795-6217, TTY 711.
